

PAE Announces Conference Call to Review Second Quarter 2020 Financial Results

July 8, 2020

FALLS CHURCH, Va., July 08, 2020 (GLOBE NEWSWIRE) -- PAE (NASDAQ: PAE, PAEWW) will host a webcast and conference call at 8 a.m. ET on Thursday, August 6, 2020, to discuss the financial results for its second quarter 2020. The company will issue a press release announcing the results before the call and post an archive of the webcast afterward on the [PAE Investor Relations website](#). In addition, listeners will be able to access a presentation summarizing the second quarter 2020 results on the website.

Interested parties are invited to join the webcast from the [PAE Investor Relations website](#) and may register for an email reminder using the "Events and Presentations" link. Due to the COVID-19 pandemic, teleconference providers globally are experiencing significant increases in conference call volume. As such, the company recommends that parties participate by joining the webcast. Alternatively, if the webcast is not practical, attendees may listen to the conference call by dialing (855) 982-6676 and entering conference ID 6993312. The international dial-in access number is (614) 999-9188.
