d) [Reserved].

(e) The Lead Borrower agrees that each action required by clauses (a) through (d) of this Section 9.12 shall be completed as soon as reasonably practicable, but in no event later than 90 days after such action is required to be taken pursuant to such clauses or requested to be taken by the Administrative Agent or the Required Lenders (or such longer period as the Administrative Agent shall otherwise agree), as the case may be; provided that, in no event will the Lead Borrower or any of its Restricted Subsidiaries be required to take any action, other than using its commercially reasonable efforts, to obtain consents from third parties with respect to its compliance with this Section 9.12.

All calculations of Availability in any Borrowing Base Certificate shall be made by the Lead Borrower and certified by a Responsible Officer, provided that the Administrative Agent may from time to time review and adjust any such calculation in consultation with the Lead Borrower to the extent the calculation is not made in accordance with this Agreement or does not accurately reflect the Reserves.

(c) **Maintenance of Dominion Account.** Within ninety (90) days (or such later date as Administrative Agent may agree in its reasonable discretion) of the Closing Date (or, with respect to any Deposit Account other than Excluded Deposit Accounts opened following the Closing Date, within sixty (60) days (or such later date as the Administrative Agent may agree in its reasonable discretion) of the opening or establishment of such Deposit Account or the date any Person becomes a Credit Party hereunder), (i) each Credit Party shall cause each bank or other depository institution at which any Deposit Account other than any Excluded Deposit Account is maintained, to enter into a Deposit Account Control Agreement that provides for such bank or other depository institution to transfer to the Dominion Account, on a daily basis, all balances in each Deposit Account other than any Excluded Deposit Account maintained by any Credit Party with such depository institution for application to the Obligations then outstanding following the receipt by such bank or other depository institution of a Liquidity Notice (it being understood that the Administrative Agent shall reasonably promptly deliver a copy of such Liquidity Notice to the Lead Borrower), (ii) each Credit Party irrevocably appoints the Administrative Agent as such Credit Party’s attorney-in-fact to collect such balances during a Liquidity Period to the extent any such delivery is not so made and (iii) each Credit Party shall instruct each Account Debtor to make all payments with respect to Revolver Priority Collateral into Deposit Accounts subject to Deposit Account Control Agreements, or the Credit Parties shall immediately direct any such payments into Deposit Accounts subject to Deposit Account Control Agreements (it being understood that it shall not be a Default or Event of Default if any such payments are deposited in an Excluded Deposit Account pursuant to clause (v) of the definition thereof). With respect to each new Government Contract with Accounts anticipated to be included in the Borrowing Base after the date hereof, the Borrower shall promptly deliver to the Administrative Agent all documentation necessary to comply with the Assignment of Claims Act with respect to such Government Contract. If at any time Availability falls below 15% of the Line Cap or there is an Event of Default, the Borrowers shall, upon the request of the Administrative Agent, promptly (and in any event within 5 Business Days) submit any of such documentation as may be selected by the Administrative Agent, and use commercially reasonable efforts to cause such documentation to be executed by such governmental agency or other Account Debtor and delivered to the Administrative Agent.

Amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Sixth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above. Amounts distributed with respect to any Secured Bank Product Obligations shall be the lesser of the maximum Secured Bank Product Obligations last reported to the Administrative Agent or the actual Secured Bank Product Obligations as calculated by the methodology reported to the Administrative Agent for determining the amount due. The Administrative Agent shall have no obligation to calculate the amount to be distributed with respect to any Secured Bank Product Obligations, and may request a reasonably detailed calculation of such amount from the applicable Secured Creditor. If a Secured Creditor fails to deliver such calculation within five Business Days following written request by the Administrative Agent, the Administrative Agent may assume the amount to be distributed is zero.

In the event that any such proceeds are insufficient to pay in full the items described in clauses First through Eighth of this Section 11.11, the Credit Parties shall remain liable for any deficiency. Notwithstanding the foregoing provisions, this Section 11.11 is subject to the provisions of the Intercreditor Agreement and any Additional Intercreditor Agreement.

ARTICLE 12 The Administrative Agent

Section 12.01 Appointment and Authorization.

(a) Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Sections 12.08, 12.10 and 12.11) are solely for the benefit of the Administrative Agent, the Issuing Bank and the Lenders, and neither the Lead Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law.
Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as Secured Bank Product Provider) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” or “security trustee” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” or “security trustee” under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) The Lenders hereby authorize the Administrative Agent to enter into the Intercreditor Agreement, any Additional Intercreditor Agreement and any other intercreditor agreement or arrangement permitted under this Agreement and any such intercreditor agreement shall be being binding upon the Lenders.

Section 12.02 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 12.03 Exculpatory Provisions. The Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arranger or the Amendment No. 2 Lead Arranger, as applicable, shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arranger or the Amendment No. 2 Lead Arranger, as applicable:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, to any Lender, any information relating to the Lead Borrower or any of its Affiliates, that is communicated to or obtained by the Person serving as credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Credit Parties or any of their Affiliates, that is communicated to, obtained or in the possession of, the Administrative Agent or any of its Affiliates in any
(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Lead Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 12.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers, the Syndication Agents, the Documentation Agents, the Amendment No. 1 Lead Arranger or the Amendment No. 2 Lead Arranger shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender hereunder.

Section 12.06 Non-reliance on the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arranger, the Amendment No. 2 Lead Arranger and Other Lenders. Each Lender expressly acknowledges that none of the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arranger or the Amendment No. 2 Lead Arranger has made any representation or warranty to it, and that no act by the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arranger or the Amendment No. 2 Lead Arranger hereafter taken, including any representation or warranty by the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arranger or the Amendment No. 2 Lead Arranger, shall have any power, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender hereunder.

To any Lender as to any matter, including whether the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arranger or the Amendment No. 2 Lead Arranger have disclosed material information in their (or their Related Parties’) possession. Each Lender represents to the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arranger and the Amendment No. 2 Lead Arranger that it has, independently and without reliance upon the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arranger or the Amendment No. 2 Lead Arranger or any other Lender or any of their Related Parties and based on such documents
and information as it has deemed appropriate, made its own credit analysis of, appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Credit Parties and their Subsidiaries, and all applicable bank or other regulatory laws, statutes, regulations or orders relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Lead Borrower hereunder. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arranger or the Amendment No. 2 Lead Arranger or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Credit Parties. Each Lender represents and warrants that (i) the Credit Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender agrees not to assert a claim in contravention of the foregoing. Each Lender represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

Section 12.07 Indemnification by the Lenders. To the extent that the Borrowers for any reason fail to pay any amount required under Section 13.01(a) to be paid by them to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender’s pro rata share (based on the amount of then outstanding Loans held by such Lender or, if the Loans have been repaid in full, based on the amount of outstanding Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.01.

Section 12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan or LC Exposure shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Bank and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and
(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Bank, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the Issuing Bank to authorize the Administrative Agent to vote in respect of the claim of any Lender or the Issuing Bank or in any such proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Credit Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.04 of this Agreement), and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

Section 12.10 Resignation of the Agents.

(a) The Administrative Agent may at any time give notice of its resignation (including as Collateral Agent) to the Lenders and the Borrowers. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by the Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, with the Lead Borrower’s consent (other than during the existence of an Event of
Default under Section 11.01 or 11.05, on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Borrowers and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Credit Documents, the retiring Administrative Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors’ security interest thereon until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of the Lead Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent’s resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

(b) Any resignation by Bank of America, N.A. as administrative agent pursuant to this Section 12.10 shall also constitute its resignation as lender of the Swingline Loans to the extent that Bank of America, N.A. is acting in such capacity at such time. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring lender of the Swingline Loans and (ii) the retiring lender of the Swingline Loans shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents.

Section 12.11 Collateral Matters and Guaranty Matters. (a) The Lenders and the Issuing Bank irrevocably authorize the Administrative Agent and the Collateral Agent, as applicable (and subject to the provisions of the Intercreditor Agreement and any Additional Intercreditor Agreement),

(i) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (A) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (i) contingent indemnification obligations and expense reimbursement obligations which are not then due and payable and (ii) Secured Bank Product Obligations not then due) and the expiration or termination of all Letters of Credit (unless Cash Collateralized or backstopped on terms reasonably satisfactory to the Administrative Agent), (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (C) subject to Section 13.12, if approved, authorized or ratified in writing by the Required Lenders, (D) that constitutes Excluded Collateral or (E) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty pursuant to clause (ii) below;

(ii) to release any Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; and

(iii) at the request of the Lead Borrower, to subordinate any Lien on any property granted to or held by the Collateral Agent or Administrative Agent under any Credit Document to the holder of any Lien on such property that is permitted by Sections 10.01(iv)(v), (iv)(vi), (xvi) (xxv) (xxx) (in the case of clause (ii)) or any other Lien that is expressly permitted by Section 10.01 to be senior to the Lien securing the Obligations, but only to the extent such sections permit such Lien to be prior to the Liens held by the Collateral Agent and the Administrative Agent under the Credit Documents.
Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s or the Collateral Agent’s, as applicable, authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrowers’ expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representations or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Section 12.12 Bank Product Providers. Each Secured Bank Product Provider, by delivery of a notice to the Administrative Agent of such agreement, agrees to be bound by this Section 12. Each such Secured Bank Product Provider shall indemnify and hold harmless the Administrative Agent and the Collateral Agent, to the extent not reimbursed by the Credit Parties, against all claims that may be incurred by or asserted against the Administrative Agent and the Collateral Agent in connection with such provider’s Secured Bank Product Obligations.

Section 12.13 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent and the Collateral Agent, to the extent not reimbursed by the Credit Parties, against all claims that may be incurred by or asserted against the Administrative Agent and the Collateral Agent in connection with such provider’s Secured Bank Product Obligations.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Credit Party, that at least one of the following is and will be true:

In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

To the extent that the undertaking to indemnify, pay or hold harmless any Agent, any Issuing Bank or any Lender or any other Indemnified Person set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for (x) any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems or (z) any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Agreement or any other Credit Document or the financing contemplated hereby; provided that nothing in this Section 13.01(b) shall relieve any Credit Party of any obligation it may have to indemnify an Indemnified Person against special, indirect, consequential or punitive damages asserted against such Indemnified Person by a third party.

Section 13.02 Right of Set-off. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, each Issuing Bank and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any
other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used exclusively for payroll, payroll taxes, fiduciary and trust purposes, and employee benefits) and any other Indebtedness at any time held or owing by the Administrative Agent, such Issuing Bank or such Lender (including, without limitation, by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the credit or the account of the Lead Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent, such Issuing Bank or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent, such Issuing Bank or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

Section 13.03 Notices.

(a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telex, telecopier, cable communication or electronic transmission) and mailed, telegraphed, telexed, telecopied, cabled, delivered or transmitted:
if to any Credit Party, c/o PAE Holding Corporation, c/o Platinum Equity, LLC, 360 North Crescent Drive, Beverly Hills, CA 90210, Attention: Legal Department, Telecopier No.: (310) 712-1863; if to any Lender, at its address specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Lead Borrower); and if to the Administrative Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Lead Borrower and the Administrative Agent. All such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by overnight courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Administrative Agent and the Borrowers shall not be effective until received by the Administrative Agent or the Lead Borrower, as the case may be.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, the Lead Borrower or Holdings may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Holdings, the Borrowers, the Subsidiary Guarantors, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of a Borrower’s, any Credit Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet.

Section 13.04 Benefit of Agreement; Assignments; Participations, etc. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, that no Borrower may assign or transfer any of its rights, obligations or interest hereunder.
without the prior written consent of the Lenders and, provided, further, that, although any Lender may transfer, assign or grant participation in its rights or obligations hereunder, such Lender shall remain a "Lender" for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 2.13 and 13.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a "Lender" hereunder and, provided, further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Revolving Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant’s participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory repayment of any Revolving Loan shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Revolving Loan shall be permitted without the consent of any participant if the participant’s participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement, (iii) modify any of the voting percentages set forth in Section 13.12 or the underlying definitions, (iv) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral under all the Security Documents supporting the Revolving Loans in which such participant is participating or (v) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty supporting the Loans in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant’s rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto). Each Borrower agrees that each participant shall be entitled to the benefits of Sections 3.01 and 5.01 (subject to the limitations and requirements of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment; provided, however, that a participant shall not be entitled to receive any greater payment under Section 3.01 or Section 5.01 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant except to the extent such entitlement to a greater payment results from a change in law after the sale of the participation takes place. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Lead Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and interest amounts) of each participant’s interest in the Loans or other obligations under the Credit Documents (the “Participant Register”), provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Loan, or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related outstanding Obligations hereunder to (i)(A) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this subclause (x)(i) (B)); provided that no such assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender, or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a portion equal to at least $5,000,000 (or such lesser amount as may be agreed to by the Administrative Agent and, so long as no Event of Default then exists under Section 11.01 or 11.05, the Lead Borrower, whose consent shall not be unreasonably withheld or delayed) in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised...
by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement (which Assignment and Assumption Agreement shall contain an acknowledgement and agreement by the respective assignee that, as a Lender, it shall be subject to, and bound by the terms of the Intercreditor Agreement), provided that (i) at such time, Schedule 2.01 shall be deemed modified to reflect the Commitments of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender’s indemnifying the Borrowers for any lost Note pursuant to a customary indemniﬁcation agreement) new Notes will be issued, at the Borrowers’ expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.04 (with appropriate modiﬁcations) to the extent needed to reﬂect the revised Commitments and/or outstanding Loans, as the case may be, (iii) the consent of the (A) Administrative Agent, (B) the Issuing Bank and the Swingline Lender and (C) so long as no Event of Default then exists under Section 11.01 or 11.05, the consent of the Lead Borrower shall (in either case) be required in connection with any such assignment pursuant to clause (y) above (which consent, in the case of each of clauses (A), (B) and (C), shall not be unreasonably withheld or delayed); provided that the Lead Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof, (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of $3,500 and (v) no such transfer or assignment shall be effective until recorded by the Administrative Agent on the Register pursuant to Section 13.15. To the extent of any assignment pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Revolving Loans. At the time of each assignment pursuant to this Section 13.04(b) to a Person that is not already a Lender hereunder, such assignee shall provide to the Administrative Agent and the Borrowers such Tax forms as are required to be provided under clauses (b) and (c) of Section 5.01 and shall deliver to the Administrative Agent an Administrative Questionnaire. To the extent that an assignment of all or any portion of a Lender’s Commitments and related outstanding Obligations pursuant to Section 3.04 or this Section 13.04(b) would, at the time of such assignment, result in increased costs under Section 3.01 or 5.01 from those being charged by the assigning Lender prior to such assignment, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

(c) [Reserved].

(d) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrowers), any Lender which is a fund may pledge all or any portion of its Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

(e) Each Lender acknowledges and agrees to comply with the provisions of Section 3.04 applicable to it as a Lender hereunder.

(f) The Administrative Agent shall have the right, and the Lead Borrower hereby expressly authorizes the Administrative Agent, to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by the Lead Borrower and any updates thereto. The Lead Borrower hereby agrees that any such requesting Lender may share the list of Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and Lender acknowledges and agrees that the Administrative Agent shall not be responsible for or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.
(g) Notwithstanding the foregoing, each Credit Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender is a Disqualified Lender and the Administrative Agent shall have no liability with respect to any assignment made to a Disqualified Lender.

Section 13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrowers or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

Section 13.06 [Reserved].

Section 13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); provided that (i) except as otherwise specifically provided herein, all computations of the Applicable Margin, and all computations and all definitions (including accounting terms) used in determining compliance with Section 9.14, shall utilize U.S. GAAP and policies in conformity with those used to prepare the audited financial statements of the Lead Borrower referred to in Section 8.05(a)(i) for the fiscal year of the Lead Borrower ended December 31, 2015 and, (ii) to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis, provided, further, that if the Lead Borrower notifies the Administrative Agent that the Lead Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies the Lead Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then the Borrowers and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP, provided, further, that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect).

(b) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

Section 13.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL.

Section 13.10 [Reserved].

Section 13.11 Headings Descriptive. The headings of the several Sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.
(a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions) the Subsidiaries Guaranty and the Security Documents in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party hereto or the Required Lenders), provided that no such change, waiver, discharge or termination shall (i) without the prior written consent of each Lender (and Issuing Bank, if applicable) directly and adversely affected thereby, extend the final scheduled maturity of any Revolving Commitment, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with applicability of any post-default increase in interest rates) or reduce or forgive the principal amount thereof, (ii) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral under all the Security Documents without the prior written consent of each Lender, (iii) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty without the prior written consent of each Lender, (iv) amend, modify or waive any pro rata sharing provision of Section 2.10, the payment waterfall provision of Section 11.11, or any provision of this Section 13.12(a) (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Revolving Commitments on the Closing Date), in each case, without the prior written consent of each Lender directly and adversely affected thereby, (v) reduce the percentage specified in the definition of Required Lenders or Supermajority Lenders without the prior written consent of each Lender (it being understood that, with the prior written consent of the Required Lenders or Supermajority Lenders, as applicable, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders or Supermajority Lenders, as applicable, on substantially the same basis as the extensions of Revolving Commitments are included on the Closing Date) or (vi) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement without the consent of each Lender; provided further that no such change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the consent of such Lender (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Aggregate Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender), (2) without the consent of each Agent adversely affected thereby, amend, modify or waive any provision of Section 12 or any other provision as same relates to the rights or obligations of such Agent, (3) without the consent of Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent, (4) without the consent of an Issuing Bank or the Swingline Lender, amend, modify or waive any provision relating to the rights or obligations of the such Issuing Bank or Swingline Lender, (5) without the prior written consent of the Supermajority Lenders, change the definition of the term “Availability” or “Borrowing Base” or any component definition used therein (including, without limitation, the definition of “Eligible Accounts”) if, as a result thereof, the amounts available to be borrowed by the Borrowers would be increased; provided that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Reserves or to add Accounts and Inventory acquired in a Permitted Acquisition to the Borrowing Base as provided herein or (6) without the prior written consent of the Supermajority Lenders, increase the percentages set forth in the term “Borrowing Base” or add any new classes of eligible assets thereto.

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 3.04 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender’s Commitments and/or repay the outstanding Revolving Loans of such Lender in accordance with Section 3.04, provided that, unless the Commitments that are terminated, and Revolving Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Loans of existing
Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto; provided further that in any event the Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Revolving Loans solely as a result of the exercise of such Lender’s rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each Lender providing the relevant Revolving Commitment Increase may (i), in accordance with the provisions of Section 2.15, enter into an Incremental Revolving Commitment Agreement, and (ii) in accordance with the provisions of Section 2.19, enter into an Extension Amendment; provided that after the execution and delivery by the Borrowers, the Administrative Agent and each such Lender may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.

(d) [Reserved.]

(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of “Supermajority” and “Required Lenders” will automatically be deemed modified accordingly for the duration of such period); provided that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

Section 13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 3.01, 3.02, 5.01, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

Section 13.14 Domicile of Loans. Each Lender may transfer and carry its Revolving Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 3.01 or 5.01 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

Section 13.15 Register. The Borrowers hereby designate the Administrative Agent to serve as their agent, solely for purposes of this Section 13.15, to maintain a register (the “Register”) on which the Administrative Agent will record the Commitments from time to time of each of the Lenders, the Revolving Commitments and principal amount of Revolving Loans and LC Obligations by each of the Lenders and each repayment in respect of
the principal amount of the Loans of each Lender. Holdings, the Lead Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement (and the entries in the Register shall be conclusive for such purposes), notwithstanding notice to the contrary. With respect to any Lender, the transfer of the Commitments of, and the principal (and interest) amounts of the Revolving Loans owing to, such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Revolving Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Revolving Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Revolving Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Revolving Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The registration of any provision of Revolving Commitment Increases pursuant to Section 2.15 shall be recorded by the Administrative Agent on the Register only upon the acceptance of the Administrative Agent of a properly executed and delivered Incremental Revolving Commitment Agreement. Coincident with the delivery of such Incremental Revolving Commitment Agreement for acceptance and registration of the provision of Revolving Commitment Increases, as the case may be, or as soon thereafter as practicable, to the extent requested by any Lender of a Revolving Commitment Increase, Notes shall be issued, at the Borrowers’ expense, to such Lender to be in conformity with Section 2.04 (with appropriate modification) to the extent needed to reflect Revolving Commitment Increases, and outstanding Revolving Loans made by such Lender.

Section 13.16 Confidentiality.

(a) Subject to the provisions of clause (b) of this Section 13.16, each Agent, Lead Arranger and Lender agrees that it will use its commercially reasonable efforts not to disclose without the prior consent of the Lead Borrower (other than to its affiliates and its and their respective directors, officers, employees, auditors, advisors or counsel) or to another Lender if such Lender or such Lender’s holding or parent company in its sole discretion determines that any such party should have access to such information; provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender (or language substantially similar to this Section 13.16(a)) any information with respect to the Lead Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.16(a) by such Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any prospective or actual direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty’s professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 13.16 (or language substantially similar to this Section 13.16(a)), (vii) to any prospective or actual transferee, pledgee or participant in connection with any contemplated transfer, pledge or participation of any of the Notes or Commitments or any interest therein by such Lender, (viii) has become available to any prospective or actual contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty’s professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 13.16 (or language substantially similar to this Section 13.16(a)), (ix) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or hereof or (x) on a confidential basis to (A) any rating agency in connection with rating any Credit Party or the credit facilities provided hereunder or (B) the CUSIP Service Bureau or any similar agency in connection with the
issuance and monitoring of CUSIP numbers of other market identifiers with respect to the credit facilities provided hereunder; provided, further, that, to the extent permitted pursuant to any applicable law, order, regulation or ruling, and other than in connection with credit and other bank examinations conducted in the ordinary course with respect to such Lender, in the case of any disclosure pursuant to the foregoing clause (ii), (iii) or (iv), such Lender will use its commercially reasonable efforts to notify the Lead Borrower in advance of such disclosure so as to afford the Lead Borrower the opportunity to protect the confidentiality of the information proposed to be so disclosed. In addition, the Agents, Lead Arrangers and Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Agents, the Lead Arrangers and the Lenders in connection with the administration of this Agreement, the other Credit Documents, and the Commitments.

(b) The Borrowers hereby acknowledge and agree that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to Holdings, the Lead Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of Holdings, the Lead Borrower and its Subsidiaries); provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender.

Section 13.17 USA Patriot Act Notice. Each Lender hereby notifies Holdings and the Borrowers that pursuant to the requirements of the USA PATRIOT Act Title III of Pub. 107-56 (signed into law October 26, 2001 and amended on March 9, 2009) (the “Patriot Act”), it is required to obtain, verify, and record information that identifies Holdings, the Borrowers and each Subsidiary Guarantor, which information includes the name of each Credit Party and other information that will allow such Lender to identify the Credit Party in accordance with the Patriot Act, and each Credit Party agrees to provide such information from time to time to any Lender.

Section 13.18 [Reserved].

Section 13.19 Waiver of Sovereign Immunity. Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that Holdings, the Borrowers, or any of their respective Subsidiaries or any of their respective properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Loans or any Credit Document or any other liability or obligation of Holdings, the Borrowers, or any of their respective Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, Holdings and the Borrowers, for themselves and on behalf of their respective Subsidiaries, hereby expressly waive, to the fullest extent permissible under applicable law, any such immunity, and agree not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, Holdings and the Borrowers further agree that the waivers set forth in this Section 13.19 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

Section 13.20 [Reserved].

Section 13.21 INTERCREDITOR AGREEMENT.

(a) EACH LENDER PARTY HERETO UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE INTERCREDITOR AGREEMENT, WHICH IN CERTAIN CIRCUMSTANCES MAY REQUIRE (AS MORE FULLY PROVIDED THEREIN) THE TAKING OF CERTAIN ACTIONS BY THE LENDERS, INCLUDING THE PURCHASE AND SALE OF PARTICIPATIONS BY VARIOUS LENDERS TO EACH OTHER IN ACCORDANCE WITH THE TERMS THEREOF.
Section 13.21 Absence of Fiduciary Relationship. Notwithstanding any other provision of this Agreement or any provision of any other Credit Document, (i) none of the Lead Arrangers, the Documentation Agents, the Syndication Agents, the Amendment No. 1 Lead Arranger, the Amendment No. 2 Lead Arranger or any Lender shall, solely by reason of this Agreement or any other Credit Document, have any fiduciary, advisory or agency relationship or duty in respect of any Lender or any other Person and (ii) Holdings and the Borrower hereby waive, to the fullest extent permitted by law, any claims they may have against the Lead Arrangers, the Documentation Agents, the Syndication Agents, the Amendment No. 1 Lead Arranger, the Amendment No. 2 Lead Arranger or any Lender for breach of fiduciary duty or alleged breach of fiduciary duty. Each Agent, Lender and their Affiliates may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates.

Section 13.22 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumption Agreements, amendments or other Notices of Borrowing, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 13.23 Entire Agreement. This Agreement and the other Credit Documents represent the final agreement among the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

Section 13.24 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Solely to the extent an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or Issuing Bank that is an EEA Financial Institution; and
(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(A) a reduction in full or in part or cancellation of any such liability;

(B) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(C) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 13.26 Acknowledgement Regarding any Supported QFCs. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, “QFC Credit Support,” and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 13.26, the following terms have the following meanings:

“BHC Act Affiliate” of a party shall mean an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” shall mean any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.
“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(3)(D).

“Swap Contract” shall mean (a) any and all rate swap transactions, basis swaps, credit derivative transactions, forward rate transactions, commodity swaps, commodity options, forward commodity contracts, equity or equity index swaps or options, bond or bond price or bond index swaps or options or forward bond or forward bond price or forward bond index transactions, interest rate options, forward foreign exchange transactions, cap transactions, floor transactions, collar transactions, currency swap transactions, cross-currency rate swap transactions, currency options, spot contracts, or any other similar transactions or any combination of any of the foregoing (including any options to enter into any of the foregoing), whether or not any such transaction is governed by or subject to any master agreement, and (b) any and all transactions of any kind, and the related confirmations, which are subject to the terms and conditions of, or governed by, any form of master agreement published by the International Swaps and Derivatives Association, Inc., any International Foreign Exchange Master Agreement, or any other master agreement (any such master agreement, together with any related schedules, a “Master Agreement”), including any such obligations or liabilities under any Master Agreement.

ARTICLE 14 Credit Agreement Party Guaranty

Section 14.01 The Guaranty. In order to induce the Agents, the Collateral Agent and the Lenders to enter into this Agreement and to extend credit hereunder, and to induce the other Guaranteed Creditors to enter into Secured Bank Product Obligations in recognition of the direct benefits to be received by each Credit Agreement Party from the proceeds of the Revolving Loans and the entering into of such Secured Bank Product Obligations, each Credit Agreement Party hereby agrees with the Guaranteed Creditors as follows: each Credit Agreement Party hereby unconditionally and irrevocably guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors. If any or all of the Relevant Guaranteed Obligations of any Credit Agreement Party to the Guaranteed Creditors becomes due and payable hereunder, such Credit Agreement Party, unconditionally and irrevocably, promises to pay such indebtedness to the Administrative Agent and/or the other Guaranteed Creditors, or order, on demand, together with any and all expenses which may be incurred by the Administrative Agent and the other Guaranteed Creditors in collecting any of the Relevant Guaranteed Obligations. This Credit Agreement Party Guaranty is a guaranty of payment and not of collection. This Credit Agreement Party Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Relevant Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including any Relevant Guaranteed Party), then and in such event the respective Credit Agreement Party agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Credit Agreement Party, notwithstanding any revocation of this Credit Agreement Party Guaranty or any other instrument evidencing any liability of any Relevant Guaranteed Party, and each Credit Agreement Party shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

Section 14.02 Bankruptcy. Additionally, each Credit Agreement Party unconditionally and irrevocably guarantees the payment of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by any Relevant Guaranteed Party upon the occurrence of any of the events specified in Section 11.05, and irrevocably and unconditionally promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand, in lawful money of the United States.
Section 14.03 **Nature of Liability.** The liability of each Credit Agreement Party hereunder is primary, absolute and unconditional, exclusive and independent of any security for or other guaranty of the Relevant Guaranteed Obligations, whether executed by any other guarantor or by any other party, and each Credit Agreement Party understands and agrees, to the fullest extent permitted under law, that the liability of such Credit Agreement Party hereunder shall not be affected or impaired by (a) any direction as to application of payment by any Relevant Guaranteed Party or by any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Relevant Guaranteed Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment in cash of the Relevant Guaranteed Obligations), or (d) any dissolution, termination or increase, decrease or change in personnel by any Relevant Guaranteed Party, or (e) any payment made to any Guaranteed Creditor on the Relevant Guaranteed Obligations which any such Guaranteed Creditor repays to any Relevant Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Credit Agreement Party waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 14.05, or (g) any invalidity, irregularity or enforceability of all or any part of the Relevant Guaranteed Obligations or of any security therefor.

Section 14.04 **Independent Obligation.** The obligations of each Credit Agreement Party hereunder are independent of the obligations of any other guarantor, any other party or any Relevant Guaranteed Party, and a separate action or actions may be brought and prosecuted against any Credit Agreement Party whether or not action is brought against any other guarantor, any other party or any Relevant Guaranteed Party and whether or not any other guarantor, any other party or any Relevant Guaranteed Party be joined in any such action or actions. Each Credit Agreement Party waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Relevant Guaranteed Party or other circumstance which operates to toll any statute of limitations as to such Relevant Guaranteed Party shall operate to toll the statute of limitations as to the relevant Credit Agreement Party.

Section 14.05 **Authorization.** To the fullest extent permitted under law, each Credit Agreement Party authorizes the Guaranteed Creditors without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Relevant Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Credit Agreement Party Guaranty shall apply to the Relevant Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Relevant Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Relevant Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(c) exercise or refrain from exercising any rights against any Relevant Guaranteed Party, any other Credit Party or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, guarantors, any Relevant Guaranteed Party, other Credit Parties or other obligors;

(e) settle or compromise any of the Relevant Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Relevant Guaranteed Party to its creditors other than the Guaranteed Creditors;
(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Relevant Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of such Relevant Guaranteed Party remain unpaid; (g) consent to or waive any breach of, or any act, omission or default under, this Agreement, any other Credit Document, any Secured Bank Product Obligation or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Agreement, any other Credit Document, any Secured Bank Product Obligation or any of such other instruments or agreements; and/or (h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Credit Agreement Party from its liabilities under this Credit Agreement Party Guaranty.

Section 14.06 Reliance. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of any Relevant Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Relevant Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

Section 14.07 Subordination. Any indebtedness of any Relevant Guaranteed Party now or hereafter owing to any Credit Agreement Party is hereby subordinated to the Relevant Guaranteed Obligations of such Relevant Guaranteed Party owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of such Relevant Guaranteed Party to such Credit Agreement Party shall be collected, enforced and received by such Credit Agreement Party for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Relevant Guaranteed Obligations of such Relevant Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of any Credit Agreement Party under the other provisions of this Credit Agreement Party Guaranty. Without limiting the generality of the foregoing, each Credit Agreement Party hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Credit Agreement Party Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Relevant Guaranteed Obligations have been irrevocably paid in full in cash.

Section 14.08 Waiver.

(a) Each Credit Agreement Party waives any right (except as shall be required by applicable law and cannot be waived) any right to require any Guaranteed Creditor to (i) proceed against any Relevant Guaranteed Party, any other guarantor or any other party, (ii) proceed against or exhaust any security held from any Relevant Guaranteed Party, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor’s power whatsoever. Each Credit Agreement Party waives any defense (except as shall be required by applicable statute and cannot be waived) based on or arising out of any defense of any Relevant Guaranteed Party, any other guarantor or any other party, other than payment of the Relevant Guaranteed Obligations to the extent of such payment, based on or arising out of the disability of any Relevant Guaranteed Party, any other guarantor or any other party, or the validity, legality or unenforceability of the Relevant Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Relevant Guaranteed Party other than payment of the Relevant Guaranteed Obligations to the extent of such payment. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against any Relevant Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Credit Agreement Party hereunder except to the extent the Relevant Guaranteed Obligations have been paid. Each Credit Agreement Party waives, to the fullest extent permitted under law, any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Credit Agreement Party against any Relevant Guaranteed Party or any other party or any security.
(b) Each Credit Agreement Party waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Credit Agreement Party Guaranty, and notices of the existence, creation or incurring of new or additional Relevant Guaranteed Obligations. Each Credit Agreement Party assumes all responsibility for being and keeping itself informed of each Relevant Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Relevant Guaranteed Obligations and the nature, scope and extent of the risks which such Credit Agreement Party assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any of the other Guaranteed Creditors shall have any duty to advise any Credit Agreement Party of information known to them regarding such circumstances or risks.

Section 14.09 Maximum Liability. It is the desire and intent of each Credit Agreement Party and the Guaranteed Creditors that this Credit Agreement Party Guaranty shall be enforced against such Credit Agreement Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of any Credit Agreement Party under this Credit Agreement Party Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Credit Agreement Party’s obligations under this Credit Agreement Party Guaranty shall be deemed to be reduced and such Credit Agreement Party shall pay the maximum amount of the Relevant Guaranteed Obligations which would be permissible under applicable law.

Section 14.10 Payments. All payments made by a Credit Agreement Party pursuant to this Section 14 will be made without set-off, counterclaim or other defense, and shall be subject to the provisions of Section 2.06.

Section 14.11 Keepwell. Each Credit Agreement Party that is a Qualified ECP Guarantor (as defined below) at the time the Credit Agreement Party Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Credit Party with respect to such Swap Obligation as may be needed by such Specified Credit Party from time to time to honor all of its obligations under this Credit Agreement Party Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 14.11 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 14.11 shall remain in full force and effect until the Guaranteed Obligations have been indefeasibly paid and performed in full. Each Qualified ECP Guarantor intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Credit Party for all purposes of the Commodity Exchange Act. “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Agreement Party that has total assets exceeding $10,000,000 at the time the Guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act. A “Specified Credit Party” shall mean any Credit Agreement Party that is not “an eligible contract participant” under the Commodity Exchange Act (determined after giving effect to this Section 14.11).

ABL SUBSIDIARIES GUARANTY

ABL SUBSIDIARIES GUARANTY, dated as of October 20, 2016 (as amended, restated, amended and restated, modified or supplemented from time to time, this “Guaranty”), made by each of the undersigned guarantors (each a “Guarantor” and, together with any other entity that becomes a guarantor hereunder pursuant to Section 26 hereof, the “Guarantors”). Except as otherwise defined herein, capitalized terms used herein and defined in the Credit Agreement (as defined below) shall be used herein as therein defined.

WITNESSETH:

WHEREAS, Shay Intermediate Holding II Corporation, a Delaware corporation (“Holdings”), PAE Holding Corporation, a Delaware corporation (the “Lead Borrower”), the other borrowers party thereto (each, a “Subsidiary Borrower” and together with the Lead Borrower, the “Borrowers”), the lenders party thereto from time to time (the “Lenders”), Bank of America, N.A., as administrative agent (together with any successor administrative agent, the “Administrative Agent”), collateral agent (together with any successor collateral agent, the “Collateral Agent”), Issuing Bank and Swingline Lender, Bank of America, N.A., Citizens Bank, National Association, SunTrust Robinson Humphrey, Inc. and Morgan Stanley Senior Funding, Inc., as Joint Lead Arrangers and Bookrunners, and Bank of America, N.A., Citizens Bank, National Association, SunTrust Bank and Morgan Stanley Senior Funding, Inc., as Co-Documentation Agents and Co-Syndication Agents, have entered into a Revolving Credit Agreement, dated as of October 20, 2016 (as amended, modified, restated and/supplemented from time to time, the “Credit Agreement”), providing for the making of Revolving Loans to, and the issuance of Letters of Credit on behalf of, the Borrowers, as contemplated therein (the Lenders, each Issuing Bank, the Swingline Lender, the Administrative Agent, the Collateral Agent and each other Agent are herein called the “Lender Creditors”);

WHEREAS, the Lead Borrower and/or one or more of its Subsidiaries may at any time and from time to time enter into one or more Secured Bank Product Obligations with Secured Bank Product Providers (such Secured Bank Product Providers, if any, collectively, the “Other Creditors” and, together with the Lender Creditors, the “Secured Creditors”);

WHEREAS, each Guarantor is a direct or indirect Wholly-Owned Domestic Subsidiary of the Lead Borrower;

WHEREAS, it is a condition to the making of Revolving Loans to, and the issuance of Letters of Credit on behalf of, the Borrowers under the Credit Agreement that each Guarantor shall have executed and delivered this Guaranty; and

WHEREAS, each Guarantor will obtain benefits from the incurrence of Revolving Loans by, and the issuance of Letters of Credit to, the Borrowers under the Credit Agreement and the entering into by the Lead Borrower and/or one or more of its Subsidiaries of Secured Bank Product Obligations with the Other Creditors and, accordingly, desires to execute this Guaranty in order to satisfy the condition described in the preceding paragraph;
NOW, THEREFORE, in consideration of the foregoing and other benefits accruing to each Guarantor, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby makes the following representations and warranties to the Secured Creditors and hereby covenants and agrees with each Secured Creditor as follows:

1. Each Guarantor, jointly and severally, irrevocably, absolutely and unconditionally guarantees: (i) to the Lender Creditors the full and prompt payment when due (whether at the stated maturity, by acceleration or otherwise) of (x) the unpaid principal of, premium, if any, and interest on the Notes issued by, and the Revolving Loans made to, and the Letters of Credit issued to, the Borrowers under the Credit Agreement and (y) all other obligations (including obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness owing by each Borrower to the Lender Creditors under the Credit Agreement and each other Credit Document to which such Borrower is a party (including, without limitation, indemnities, Fees and interest thereon (including, in each case, any interest, fees, and other amounts accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the Credit Agreement, whether or not such interest, fees and other amounts is an allowed claim or allowable claim in any such proceeding)), whether now existing or hereafter incurred under, arising out of, or in connection with, the Credit Agreement and each such other Credit Document and the due performance and compliance by each Borrower with all of the terms, conditions and agreements contained in all such Credit Documents (all such principal, premium, interest, reimbursement obligations, liabilities, indebtedness and obligations being herein collectively called the “Credit Document Obligations”); and (ii) to each Other Creditor the full and prompt payment when due (whether at the stated maturity, by acceleration or otherwise) of all obligations (including obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness (including, in each case, any interest accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the agreement governing the respective Secured Bank Product Obligations whether or not such interest is an allowed claim in any such proceeding) owing by the Lead Borrower and/or one or more of its Subsidiaries under any Secured Bank Product Obligations, whether now in existence or hereafter arising, and the due performance and compliance by such Borrower and such Subsidiaries with all of the terms, conditions and agreements contained in each agreement governing the Secured Bank Product Obligations to which it is a party (all such obligations, liabilities and indebtedness being herein collectively called the “Other Obligations” and, together with the Credit Document Obligations, the “Guaranteed Obligations”); provided, that the “Guaranteed Obligations”, with respect to any Guarantor, shall exclude any Excluded Swap Obligations with respect to such Guarantor. As used herein, the term “Guaranteed Party” shall mean each Borrower and/or each Subsidiary thereof to any agreement governing any Secured Bank Product Obligations with the applicable Other Creditor. Each Guarantor understands, agrees and confirms that the Secured Creditors may enforce this Guaranty up to the full amount of the Guaranteed Obligations against such Guarantor without proceeding against any other Guarantor, the Borrowers, any other Guaranteed Party, against any security for the Guaranteed Obligations, or under any other guaranty covering all or a portion of the Guaranteed Obligations.
2. Additionally, each Guarantor, jointly and severally, unconditionally and irrevocably guarantees the payment of any and all of its Guaranteed Obligations whether or not due or payable by any Borrower or any such other Guaranteed Party upon the occurrence in respect of any Borrower or any such other Guaranteed Party of any of the events specified in Section 11.05 of the Credit Agreement, and unconditionally and irrevocably, jointly and severally, promises to pay such Guaranteed Obligations to the Secured Creditors, or order, on demand, in lawful money of the United States. This Guaranty shall constitute a guaranty of payment, and not of collection.

3. The liability of each Guarantor hereunder is primary, absolute, joint and several, and unconditional and is exclusive and independent of any security for or other guaranty of the Guaranteed Obligations, whether executed by such Guarantor, any other Guarantor, any other guarantor or by any other party, and, to the fullest extent permitted under law, the liability of each Guarantor hereunder shall not be affected or impaired by: (a) any direction as to application of payment by any Borrower, any other Guaranteed Party or any other party, (b) any other continuing or other guaranty, undertaking or maximum liability of a Guarantor or of any other party as to the Guaranteed Obligations, (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment of the Guaranteed Obligations in cash), (d) any dissolution, termination or increase, decrease or change in personnel by any Borrower or any other Guaranteed Party, (e) any payment made to any Secured Creditor on the Guaranteed Obligations which any Secured Creditor repays pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, (f) any action or inaction by the Secured Creditors as contemplated in Section 6 hereof or (g) any invalidity, irregularity or unenforceability of all or any part of the Guaranteed Obligations or of any security therefor.

4. The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party and whether or not any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party be joined in any such action or actions. Each Guarantor waives, to the fullest extent permitted by law, the benefits of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Borrower or any other Guaranteed Party or other circumstance which operates to toll any statute of limitations as to any Borrower or any such other Guaranteed Party shall operate to toll the statute of limitations as to each Guarantor.

5. To the fullest extent permitted under applicable law, each Guarantor hereby waives notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives promptness, diligence, presentment, demand of payment, protest, notice of dishonor or nonpayment of any such liabilities, suit or taking of other action by the Administrative Agent or any other Secured Creditor against, and any other notice to, any party liable thereon (including such Guarantor, any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party).
6. Any Secured Creditor may at any time and from time to time without the consent of, or notice to, any Guarantor (except as shall be required by applicable statute and cannot be waived), without incurring responsibility to such Guarantor, without impairing or releasing the obligations of such Guarantor hereunder, upon or without any terms or conditions and in whole or in part:

(a) change the manner, place or terms of payment of, and/or change, increase or extend the time of payment of, renew or alter, any of the Guaranteed Obligations (including any increase or decrease in the rate of interest or fees thereon or the principal amount thereof), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Guaranty shall apply to the Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Guaranteed Obligations and sell, exchange, release, surrender, impair, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(c) exercise or refrain from exercising any rights against any Borrower, any other Guaranteed Party, any other Credit Party, any Subsidiary thereof or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, Guarantors, other guarantors, any Borrower, any other Guaranteed Party, or other obligors;

(e) settle or compromise any of the Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Borrower or any other Guaranteed Party to creditors of such Borrower or such other Guaranteed Party other than the Secured Creditors;

(f) except as otherwise expressly required by the Security Documents, apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Borrower or any other Guaranteed Party to the Secured Creditors regardless of what liabilities of such Borrower or such other Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, any agreement governing any of the Secured Bank Product Obligations, the Credit Documents or any of the instruments or agreements referred to therein, or otherwise amend, modify or supplement any agreement governing any of the Secured Bank Product Obligations and the Credit Documents or any of such other instruments or agreements;

(h) act or fail to act in any manner which may deprive such Guarantor of its right to subrogation against any Borrower or any other Guaranteed Party to recover full indemnity for any payments made pursuant to this Guaranty; and/or

-4-
(i) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Guarantor from its liabilities under this Guaranty.

7. This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. No failure or delay on the part of any Secured Creditor in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly specified are cumulative and not exclusive of any rights or remedies which any Secured Creditor would otherwise have. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Secured Creditor to any other or further action in any circumstances without notice or demand. It is not necessary for any Secured Creditor to inquire into the capacity or powers of any Borrower or any other Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on its or their behalf, and any Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

8. Any indebtedness of any Borrower or any other Guaranteed Party now or hereafter owing to any Guarantor is hereby subordinated to the Guaranteed Obligations of such Borrower or such other Guaranteed Party to the Secured Creditors, and such Guaranteed Obligations of such Borrower or such other Guaranteed Party to any Guarantor, if the Administrative Agent or the Collateral Agent, after the occurrence and during the continuance of an Event of Default, so requests, shall be collected, enforced and received by such Guarantor for the benefit of the Secured Creditors and be paid over to the Secured Creditors on account of the Guaranteed Obligations of such Borrower or such other Guaranteed Parties to the Secured Creditors, but without affecting or impairing in any manner the liability of such Guarantor under the other provisions of this Guaranty. Without limiting the generality of the foregoing, each Guarantor hereby agrees with the Secured Creditors that it will not exercise any right of subrogation which it may at any time otherwise have a result of this Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Guaranteed Obligations have been irrevocably paid in full in cash.

9. (a) Each Guarantor waives any right (except as shall be required by applicable law and cannot be waived) to require the Secured Creditors to: (i) proceed against any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; (ii) proceed against or exhaust any security held from any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; or (iii) pursue any other remedy in the Secured Creditors’ power whatsoever. Each Guarantor waives any defense (except as shall be required by applicable statute and cannot be waived) based on or arising out of any defense of any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party other than payment in full of the Guaranteed Obligations including, without limitation, any defense based on or arising out of the disability of any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the
Guaranteed Obligations or any other party, or the invalidity, illegality or unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Borrower or any other Guaranteed Party other than payment in full of the Guaranteed Obligations. The Secured Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or the other Secured Creditors by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Secured Creditors may have against any Borrower, any other Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been paid in full. Each Guarantor waives, to the fullest extent permitted under law, any defense arising out of any such election by the Secured Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any Borrower, any other Guaranteed Party or any other party or any security.

(b) Each Guarantor waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Guaranty, and notices of the existence, creation or incurring of new or additional Guaranteed Obligations. Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrowers’ and each other Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks which such Guarantor assumes and incurs hereunder, and agrees that the Secured Creditors shall have no duty to advise any Guarantor of information known to them regarding such circumstances or risks.

10. The Secured Creditors agree that this Guaranty may be enforced only by the action of the Administrative Agent or the Collateral Agent, in each case acting upon the instructions of the Required Lenders (or, after the date on which all Credit Document Obligations have been paid in full, the holders of at least a majority of the outstanding Other Obligations) and that no other Secured Creditors shall have any right individually to seek to enforce or to enforce this Guaranty, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent or the Collateral Agent or, after all the Credit Document Obligations have been paid in full, by the holders of at least a majority of the outstanding Other Obligations, as the case may be, for the benefit of the Secured Creditors upon the terms of this Guaranty. The Secured Creditors further agree that this Guaranty may not be enforced against any director, officer, employee, partner, member or stockholder of any Guarantor (except to the extent such partner, member or stockholder is also a Guarantor hereunder).
11. In order to induce the Lenders to make Revolving Loans to, and issue Letters of Credit on behalf of, the Borrowers pursuant to the Credit Agreement, and in order to induce the Other Creditors to execute and deliver any agreement governing the Secured Bank Product Obligations and to perform the Secured Bank Product Obligations to which they are a party, each Guarantor represents, warrants and covenants that:

(a) Such Guarantor (i) is a duly organized and validly existing corporation, partnership, limited liability company or unlimited liability company, as the case may be, in good standing under the laws of the jurisdiction of its organization, (ii) has the corporate, partnership, limited liability company or unlimited liability company power and authority, as the case may be, to own its property and assets and to transact the business in which it is engaged and presently proposes to engage and (iii) is, to the extent such concepts are applicable under the laws of the relevant jurisdiction, duly qualified and is authorized to do business and is in good standing in each jurisdiction where the ownership, leasing or operation of its property or the conduct of its business requires such qualification except, in the case of clauses (ii) and (iii) hereof, except for failures to be so qualified which, either individually or in the aggregate, has not had, and would not reasonably be expected to have, a Material Adverse Effect.

(b) Such Guarantor has the corporate, partnership, limited liability company or unlimited liability company power and authority, as the case may be, to execute, deliver and perform the terms and provisions of this Guaranty and each other Credit Document to which it is a party and has taken all necessary corporate, partnership, limited liability company or unlimited liability company action, as the case may be, to authorize the execution, delivery and performance by it of this Guaranty and each such other Credit Document. Such Guarantor has duly executed and delivered this Guaranty and each other Credit Document to which it is a party, and this Guaranty and each such other Credit Document constitutes the legal, valid and binding obligation of such Guarantor enforceable in accordance with its terms, except to the extent that the enforceability hereof or thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors’ rights and by equitable principles (regardless of whether enforcement is sought in equity or at law).

(c) Neither the execution, delivery or performance by such Guarantor of this Guaranty or any other Credit Document to which it is a party, nor compliance by it with the terms and provisions hereof and thereof, will (i) contravene any provision of any applicable law, statute, rule or regulation or any applicable order, writ, injunction or decree of any court or governmental instrumentality, (ii) conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents or Permitted Liens) upon any of the property or assets of such Guarantor or any of its Restricted Subsidiaries pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, credit agreement, or any other material agreement, contract or instrument, in each case to which such Guarantor or any of its Restricted Subsidiaries is a party or by which it or any of its property or assets is bound or to which it may be subject (except, in the case of preceding clauses (i) and (ii), other than in the case of any contravention, breach, default and/or conflict, that would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect) or (iii) violate any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of such Guarantor or any of its Restricted Subsidiaries.
(d) Except to the extent the failure to obtain or make the same would not reasonably be expected to have a Material Adverse Effect, no order, consent, approval, license, authorization or validation of, or filing, recording or registration with (except for (x) those that have otherwise been obtained or made on or prior to the Closing Date and which remain in full force and effect on the Closing Date and (y) filings which are necessary to perfect the security interests created under the Security Documents), or exemption by, any governmental or public body or authority, or any subdivision thereof, is required to be obtained or made by, or on behalf of, any Guarantor to authorize, or is required to be obtained or made by, or on behalf of, any Guarantor in connection with, the execution, delivery and performance of this Guaranty by such Guarantor or any other Credit Document to which such Guarantor is a party.

(e) There are no actions, suits or proceedings pending or, to such Guarantor’s knowledge, threatened (i) with respect to this Guaranty or any other Credit Document to which such Guarantor is a party or (ii) with respect to such Guarantor or any of its Restricted Subsidiaries that, either individually or in the aggregate, has had, or would reasonably be expected to have, a Material Adverse Effect.

12. Each Guarantor covenants and agrees that on and after the Closing Date and until the Termination Date (as defined below), such Guarantor will comply, and will cause each of its Restricted Subsidiaries to comply, with all of the applicable provisions, covenants and agreements contained in Articles 9 and 10 of the Credit Agreement, and will take, or will refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that it is not in violation of any provision, covenant or agreement contained in Articles 9 or 10 of the Credit Agreement, and so that no Default or Event of Default is caused by the actions of such Guarantor or any of its Restricted Subsidiaries. As used in this Agreement, “Termination Date” shall mean the date upon which the Aggregate Commitments under the Credit Agreement have been terminated and all Obligations have been paid in full, no Note under the Credit Agreement is outstanding and all Revolving Loans and LC Disbursements thereunder have been repaid in full (other than (x) contingent indemnification obligations, (y) Letters of Credit which have been Cash Collateralized or backstopped on terms reasonably satisfactory to the Administrative Agent and (z) obligations and liabilities under any agreement governing the Secured Bank Product Obligations not then due and payable pursuant to Section 11.11 of the Credit Agreement).

13. The Guarantors hereby jointly and severally agree to pay all reasonable invoiced-out-of-pocket costs and expenses of the Administrative Agent in connection with the enforcement of this Guaranty and in connection with any amendment, waiver or consent relating hereto, in each case, in accordance with the terms and provisions of Section 13.01 of the Credit Agreement.

14. This Guaranty shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the Secured Creditors and their successors and permitted assigns.

15. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except with the written consent of each Guarantor directly affected thereby and with the written consent of either (x) the Required Lenders (or, to the extent required
by Section 13.12 of the Credit Agreement, with the written consent of each Lender) at all times prior to the time at which all Credit Document Obligations have been paid in full or (y) the holders of at least a majority of the outstanding Other Obligations at all times after the time on which all Credit Document Obligations have been paid in full; provided, that any change, waiver, modification or variance affecting the rights and benefits of a single Class (as defined below) of Secured Creditors (and not all Secured Creditors in a like or similar manner) shall also require the written consent of the Requisite Creditors (as defined below) of such Class of Secured Creditors (it being understood that the addition or release of any Guarantor hereunder in accordance with the terms hereof or the Credit Agreement shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released and shall not require the consent of any Secured Creditor other than the Administrative Agent). For the purpose of this Guaranty, the term “Class” shall mean each class of Secured Creditors, i.e., whether (x) the Lender Creditors as holders of the Credit Document Obligations or (y) the Other Creditors as the holders of the Other Obligations. For the purpose of this Guaranty, the term “Requisite Creditors” of any Class shall mean (x) with respect to the Credit Document Obligations, the Required Lenders (or, to the extent required by Section 13.12 of the Credit Agreement, each Lender) and (y) with respect to the Other Obligations, the holders of at least a majority of all obligations outstanding from time to time under the Secured Bank Product Obligations.

16. Each Guarantor acknowledges that an executed (or conformed) copy of each of the Credit Documents and each agreement governing the Secured Bank Product Obligations has been made available to such Guarantor.

17. Subject, in each case, to the limitations set forth in Section 13.02(b) of the Credit Agreement, in addition to any rights now or hereafter granted under applicable law (including, without limitation, Section 151 of the New York Debtor and Secured Creditor Law) and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Secured Creditor is hereby authorized, at any time or from time to time, without notice to any Guarantor or to any other Person, any such notice being expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other indebtedness at any time held or owing by such Secured Creditor to or for the credit or the account of such Guarantor, against and on account of the obligations and liabilities of such Guarantor to such Secured Creditor under this Guaranty, irrespective of whether or not such Secured Creditor shall have made any demand hereunder and although said obligations, liabilities, deposits or claims, or any of them, shall be contingent or unmatured.

18. All notices, requests, demands or other communications pursuant hereto shall be sent in accordance with the terms and provisions set forth in Section 13.03 of the Credit Agreement. All notices and other communications shall be in writing and addressed to such party at (i) in the case of any Lender Creditor, as provided in the Credit Agreement, (ii) in the case of any Guarantor, at: PAE Holding Corporation c/o Platinum Equity, LLC, 360 North Crescent Drive, Beverly Hills, CA 90210; Facsimile: 310-712-1863, Attention: Legal Department, and (iii) in the case of any Other Creditor, at such address as such Other Creditor shall have specified in writing to the Lead Borrower and the Administrative Agent; or in any case at such other address as any of the Persons listed above may hereafter notify the others in writing.
19. If claim is ever made upon any Secured Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Lead Borrower or any other Guaranteed Party) then and in such event each Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Guarantor, notwithstanding any revocation hereof or other instrument evidencing any liability of the Borrowers or any other Guaranteed Party, and such Guarantor shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

20. (a) THIS GUARANTY AND THE RIGHTS AND OBLIGATIONS OF THE SECURED CREDITORS AND OF THE UNDERSIGNED HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK. Any legal action or proceeding with respect to this Guaranty (except that in the case of any bankruptcy, insolvency or similar proceedings with respect to any Guarantor, actions or proceedings related to this Guaranty and the other Credit Documents may be brought in such court holding such bankruptcy, insolvency or similar proceedings) may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York in each case which are located in the County of New York, and, by execution and delivery of this Guaranty, each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the exclusive jurisdiction of the aforesaid courts. Each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) hereby further irrevocably waives any claim that any such court lacks personal jurisdiction over it, and agrees not to plead or claim in any legal action or proceeding with respect to this Guaranty or any other Credit Document to which it is a party brought in any of the aforesaid courts that any such court lacks personal jurisdiction over it. Each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) further irrevocably waives any objection with respect to such court or any other Credit Document to which it is a party brought in any of the aforesaid courts that such court has been brought in an inconvenient forum.

(b) Each Guarantor and each Secured Party (by its acceptance of the benefits of this Guaranty) hereby irrevocably waives (to the fullest extent permitted by applicable law) any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Guaranty or any other Credit Document to which such Guarantor is a party brought in the courts referred to in clause (a) above and hereby further irrevocably waives and agrees not to plead or claim in any such court that such action or proceeding brought in any such court has been brought in an inconvenient forum.
21. In the event that a Guarantor becomes an Excluded Subsidiary or all of the capital stock of a Guarantor is sold or otherwise disposed of or liquidated in compliance with the requirements of Section 10.02 of the Credit Agreement (or such sale or other disposition has been approved in writing by the Required Lenders (or all the Lenders if required by Section 13.12 of the Credit Agreement)), such Guarantor shall upon consummation of such sale or other disposition (except to the extent that such sale or disposition is to Holdings or another Credit Party) be released from this Guaranty automatically and without further action and this Guaranty shall, as to each such Guarantor, terminate, and have no further force or effect (it being understood and agreed that the sale of one or more Persons that own, directly or indirectly, all of the capital stock of any Guarantor shall be deemed to be a sale of such Guarantor for the purposes of this Section 21). Upon the occurrence of the Termination Date, this Guaranty shall automatically and without further action, as to all Guarantors, terminate and have no further force and effect. The Administrative Agent will (and each Secured Creditor (by its acceptance of the benefits of this Guaranty) irrevocably authorizes the Administrative Agent to), at the Guarantors’ expense, execute and deliver to the Guarantors such documents as the Guarantors may reasonably request to evidence, as applicable, the release of such Guarantor from, or the termination in full of, this Guaranty.

22. At any time a payment in respect of the Guaranteed Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a “Relevant Payment”) is made on the Guaranteed Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Guarantor’s Contribution Percentage (as defined below) of the aggregate payments made by all Guarantors in respect of the Guaranteed Obligations to and including the date of the Relevant Payment (such excess, the “Aggregate Excess Amount”), each such Guarantor shall have a right of contribution against each other Guarantor who has made payments in respect of the Guaranteed Obligations to and including the date of the Relevant Payment by all Guarantors in respect of the Guaranteed Obligations (the aggregate amount of such deficit, the “Aggregate Deficit Amount”) in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Guarantor and the denominator of which is the Aggregate Excess Amount of all Guarantors multiplied by (y) the Aggregate Deficit Amount of such other Guarantor. A Guarantor’s right of contribution pursuant to the preceding sentences shall arise at
the time of each computation, subject to adjustment to the time of each computation; provided that no Guarantor may take any action to enforce such right until the Guaranteed Obligations have been paid in full, it being expressly recognized and agreed by all parties hereto that any Guarantor’s right of contribution arising pursuant to this Section 22 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor’s obligations and liabilities in respect of the Guaranteed Obligations and any other obligations owing under this Guaranty. As used in this Section 22: (i) each Guarantor’s “Contribution Percentage” shall mean the percentage obtained by dividing (x) the Adjusted Net Worth (as defined below) of such Guarantor by (y) the aggregate Adjusted Net Worth of all Guarantors; (ii) the “Adjusted Net Worth” of each Guarantor shall mean the greater of (x) the Net Worth (as defined below) of such Guarantor and (y) zero; and (iii) the “Net Worth” of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor’s assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Guaranteed Obligations arising under this Guaranty) on such date. Notwithstanding anything to the contrary contained above, any Guarantor that is released from this Guaranty shall thereafter have no contribution obligations, or rights, pursuant to this Section 22, and at the time of any such release, if the released Guarantor had an Aggregate Excess Amount or an Aggregate Deficit Amount, same shall be deemed reduced to $0, and the contribution rights and obligations of the remaining Guarantors shall be recalculated on the respective date of release (as otherwise provided above) based on the payments made hereunder by the remaining Guarantors. All parties hereto recognize and agree that, except for any right of contribution arising pursuant to this Section 22, each Guarantor who makes any payment in respect of the Guaranteed Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Guaranteed Obligations have been paid in full. Each of the Guarantors recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive its contribution right against any Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the reasonable determination of the Required Lenders.

23. Each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) hereby confirms that it is its intention that this Guaranty not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act of any similar Federal or state law. To effectuate the foregoing intention, each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably agrees that the Guaranteed Obligations guaranteed by such Guarantor shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such laws and after giving effect to any rights to contribution pursuant to any agreement providing for an equitable contribution among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.

24. This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Guarantors and the Administrative Agent.
25. All payments made by any Guarantor hereunder will be made without setoff, counterclaim or other defense (other than payment in cash of such Guaranteed Obligations made in accordance with the terms of this Guaranty) and on the same basis as payments are made by the Borrowers under Sections 2.10 and 5.01 of the Credit Agreement.

26. It is understood and agreed that any Restricted Subsidiary of the Lead Borrower that is required to become a party to this Guaranty after the date hereof pursuant to the requirements of the Credit Agreement or any other Credit Document, shall become a Guarantor hereunder by (x) executing and delivering a counterpart hereof, or a joinder agreement substantially in the form of Exhibit A hereto, and delivering same to the Administrative Agent and (y) taking all actions as specified in this Guaranty as would have been taken by such Guarantor had it been an original party to this Guaranty, in each case with all documents required by the Credit Documents to be delivered to the Administrative Agent and with all documents and actions required by the Credit Documents to be taken to the reasonable satisfaction of the Administrative Agent.

27. Each Guaranteed Party that is a Qualified ECP Guarantor (as defined below) at the time the Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Loan Party (as defined below), becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under this Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 27 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 27 shall remain in full force and effect until the Guaranteed Obligations have been paid and performed in full. Each Qualified ECP Guarantor intends this Section 27 to constitute, and this Section 27 shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Loan Party for all purposes of the Commodity Exchange Act. A “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Party that has total assets exceeding $10,000,000 at the time the Guaranty or the grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act. A “Specified Loan Party” means any Credit Party that is not “an eligible contract participant” under the Commodity Exchange Act (determined after giving effect to this Section 27).

Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement or in the Subsidiaries Guaranty, as applicable.

W I T N E S S E T H:

WHEREAS, the Subsidiary Guarantors have entered into the Subsidiaries Guaranty in order to induce the Lenders to make the Revolving Loans to, and issue Letters of Credit to, the Borrowers and the Other Creditors to enter into Secured Bank Product Obligations with the Lead Borrower and/or one or more of its Subsidiaries;

WHEREAS, pursuant to Section 9.12 of the Credit Agreement and Section 26 of the Subsidiaries Guaranty, each person that is or becomes a Wholly-Owned Domestic Subsidiary of a Restricted Subsidiary after the Closing Date (other than an Excluded Subsidiary) is required to become a Subsidiary Guarantor under the Credit Agreement. The undersigned Subsidiary (the "New Guarantor") is executing this joinder agreement ("Joinder Agreement") to the Subsidiaries Guaranty as required by the Credit Agreement;

NOW, THEREFORE, the Administrative Agent and the New Guarantor hereby agree as follows:

1. Guarantee. In accordance with Section 26 of the Subsidiaries Guaranty, the New Guarantor by its signature below becomes a Guarantor (as defined in the Subsidiaries Guaranty) under the Subsidiaries Guaranty with the same force and effect as if originally named therein as a Guarantor (as defined in the Subsidiaries Guaranty).
2. Representations and Warranties. The New Guarantor hereby (a) agrees to all the terms and provisions of the Subsidiaries Guaranty applicable to it as a Subsidiary Guarantor, respectively, thereunder and (b) represents and warrants that the representations and warranties made by it as a Subsidiary Guarantor thereunder are true and correct in all material respects (except that any representation and warranty that is qualified as to “materiality” or “Material Adverse Effect” shall be true and correct in all respects) on and as of the date hereof. Each reference to a Subsidiary Guarantor in the Credit Agreement and to a Guarantor in the Subsidiary Guaranty shall be deemed to include the New Guarantor.

3. Severability. Any provision of this Joinder Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

4. Counterparts. This Joinder Agreement may be executed in counterparts, each of which shall constitute an original. Delivery of an executed signature page to this Joinder Agreement by facsimile transmission shall be as effective as delivery of a manually executed counterpart of this Joinder Agreement.

5. No Waiver. Except as expressly supplemented hereby, the Subsidiaries Guaranty shall remain in full force and effect.

6. Notices. All notices, requests and demands to or upon the New Guarantor, any Agent or any Lender shall be governed by the terms of Section 18 of the Subsidiaries Guaranty.

WHEREAS, the Lead Borrower and/or one or more of its Subsidiaries may at any time and from time to time enter into one or more Secured Bank Product Obligations with Secured Bank Product Providers (such Secured Bank Product Providers, if any, collectively, the “Other Creditors” and, together with the Lender Creditors, the “Secured Creditors”);

WHEREAS, pursuant to the Credit Agreement Party Guaranty, each of Holdings and the Borrowers has guaranteed to the Secured Creditors the payment when due of all of its Relevant Guaranteed Obligations;

WHEREAS, pursuant to the Subsidiaries Guaranty, each of the Subsidiary Guarantors has jointly and severally guaranteed to the Secured Creditors the payment when due of all of its Relevant Guaranteed Obligations;

WHEREAS, it is a condition precedent to the making of Revolving Loans to, and the issuance of Letters of Credit on behalf of, the Borrowers under the Credit Agreement and to the Other Creditors entering into Secured Bank Product Obligations that each Grantor shall have executed and delivered to the Collateral Agent this Agreement; and

WHEREAS, each Grantor will obtain benefits from the incurrence of Revolving Loans by, and the issuance of Letters of Credit to, the Borrowers under the Credit Agreement and the entering into by the Lead Borrower and/or one or more of its Subsidiaries of Secured Bank Product Obligations and, accordingly, desires to execute this Agreement in order to satisfy the condition described in the preceding paragraph and to induce the Lenders to make Revolving Loans to, and issue Letters of Credit to, the Borrowers and the Other Creditors to enter into Secured Bank Product Obligations with the Lead Borrower and/or one or more of its Subsidiaries;
NOW, THEREFORE, in consideration of the benefits accruing to each Grantor, the receipt and sufficiency of which are hereby

ARTICLE II
GENERAL REPRESENTATIONS, WARRANTIES AND COVENANTS

Each Grantor represents and warrants as of the date hereof, and, until the Termination Date, covenants, which representations, warranties and covenants shall survive execution and delivery of this Agreement, as follows:

2.1 Necessary Perfection Action. The security interest granted to the Collateral Agent pursuant to this Agreement in and to the Collateral for the benefit of the Collateral Agent and the Secured Creditors creates a valid security interest and Lien upon such Grantor’s right, title and interest in and to the Collateral. Except to the extent perfection is not required hereunder, such security interest will be duly perfected (A) upon the filing of the UCC financing statements delivered to the Collateral Agent for filing in the appropriate jurisdictions set forth on Schedule 6 of the Perfection Certificate, (B) in Deposit Accounts upon the obtaining and maintenance of “control” (as described in the UCC as in effect on the date hereof in the State of New York) by the Collateral Agent (it being understood that, notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, no “control” over any Excluded Deposit Accounts shall be required), (C) upon the recordation of a short form security agreement with respect to the U.S. registered intellectual property disclosed in Schedules 11(a) and 11(b) of the Perfection Certificate in the PTO or the United States Copyright Office, as the case may be; provided, however, that additional filings may be necessary to perfect the Collateral Agent’s security interest in, and Lien on, any Patents, Marks, Copyrights, Domain Names, Trade Secret Rights and other intellectual property acquired after the date hereof, and (D) upon the receipt by the Collateral Agent of all Instruments, Chattel Paper and certificated pledged Equity Interests that constitute “securities” governed by Article 8 of the UCC, in each case constituting Collateral in suitable form for transfer by delivery or accompanied by instruments of transfer or assignment duly executed in blank.

Upon the taking of the actions under this Section 2.1, such security interest will be superior to and prior to all other Liens of all other Persons (other than Permitted Liens), and enforceable as such against all other Persons (except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors’ rights and by equitable principles (regardless of whether enforcement is sought in equity or at law)) other than Ordinary Course Transferees.
2.2 No Liens. Such Grantor is, and as to all Collateral acquired by it from time to time after the date hereof such Grantor will be, the owner of, or otherwise have the right to use, all Collateral free from any Lien of any Person (other than Permitted Liens), and such Grantor shall, at its own expense, take all commercially reasonable actions necessary to defend the Collateral against all claims and demands of all Persons at any time claiming the same or any interest therein materially adverse to the Collateral Agent (other than Permitted Liens).

2.3 Other Financing Statements. As of the date hereof, no Grantor has filed, nor authorized the filing by any third party of any financing statement (or similar statement or instrument of registration under the law of any jurisdiction) covering or purporting to cover any interest of any kind in the Collateral (other than financing statements or other statements or instruments of registration under the law of any jurisdiction filed in respect of Permitted Liens), and so long as the Termination Date has not occurred, such Grantor will not authorize to be filed in any public office any financing statement (or similar statement or instrument of registration under the law of any jurisdiction) relating to the Collateral, except financing statements filed or to be filed in respect of and covering the security interests granted hereby by such Grantor or in connection with Permitted Liens.

2.4 Chief Executive Office, Record Locations. The chief executive office of such Grantor is, on the date of this Agreement, located at the address indicated on Schedule 2(a) of the Perfection Certificate for such Grantor. During the period of the four calendar months preceding the date of this Agreement, the chief executive office of such Grantor has not been located at any address other than that indicated on Schedule 2(a) of the Perfection Certificate in accordance with the immediately preceding sentence, in each case unless each such other address is also indicated on Schedule 2(a) of the Perfection Certificate for such Grantor.

2.5 Location of Goods, Inventory and Equipment. All Goods, Inventory and Equipment (having a fair market value in excess of $3,000,000 with respect to Collateral comprising Goods, Inventory and Equipment only) held on the date hereof, or held at any time during the four calendar months prior to the date hereof, by each Grantor, other than Goods, Inventory or Equipment in transit, out for repair or refurbishment, books and records temporarily located at the offices of such Grantor’s attorneys or accountants, or moved in the ordinary course of business, is located at one of the locations shown on Schedule 2(b) of the Perfection Certificate for such Grantor.

2.6 Legal Names; Type of Organization (and Whether a Registered Organization); Jurisdiction of Organization; Location; Organizational Identification Numbers; Federal Employer Identification Number; Changes Thereto; etc. As of the Closing Date, the exact legal name of each Grantor as such name appears in its public organic record, the type of organization of such Grantor, whether or not such Grantor is a Registered Organization, the jurisdiction of organization of such Grantor, such Grantor’s Location, the organizational identification number (if any) to the extent required on the relevant UCC financing statement of such Grantor and the Federal Employer Identification Number of such Grantor (if any), is listed on Schedule 1(a) of the Perfection Certificate for such Grantor. Such Grantor shall not change its legal name as such name appears in its respective public organic record, its type of organization, its status as a Registered Organization (in the case of a Registered Organization), its Jurisdiction of organization, its Location, its organizational identification number (if any) to the extent required on the relevant UCC financing statement of such Grantor or its Federal Employer Identification Number (if any) from that used on Schedule 1(a) of the Perfection Certificate, except that any such changes shall be permitted (so long as not in violation of the applicable requirements of the Secured Debt Agreements and so long as same do not involve (x) a Registered Organization ceasing to constitute same or (y) such Grantor changing its Jurisdiction of organization or Location from the United States or a State thereof to a Jurisdiction of Organization or Location, as the case may be, outside the United States or a State thereof) if (i) it shall have given to the Collateral Agent written notice of each change to the
information listed on Schedule 1(a) of the Perfection Certificate (as adjusted for any subsequent changes thereto previously made in accordance with this sentence), together with a supplement to Schedule 1(a) of the Perfection Certificate which shall update all information contained therein for such Grantor within 30 days of such change (or such longer period as agreed to by the Collateral Agent) and (ii) in connection with such change or changes, it shall take all action reasonably requested by the Collateral Agent to maintain the security interests of the Collateral Agent in the Collateral intended to be granted hereby at all times fully perfected to the extent described in Section 2.1 and in full force and effect.

2.7 [Reserved].

2.8 Certain Significant Transactions. During the five-year period preceding the date of this Agreement, no Person shall have merged or consolidated with or into any Grantor, and no Person shall have liquidated into, or transferred all or substantially all of its assets to, any Grantor, in each case except the mergers and consolidations contemplated by the Transaction and the mergers and consolidations described in Schedule 3 of the Perfection Certificate. With respect to any transactions so described in Schedule 3 of the Perfection Certificate, the respective Grantor shall have furnished such information with respect to the Person (and the assets of the Person and locations thereof) which merged with or into or consolidated with such Grantor, or was liquidated into or transferred all or substantially all of its assets to such Grantor, and shall have furnished to the Collateral Agent such UCC lien searches as may have been reasonably requested by the Collateral Agent or Administrative Agent with respect to such Person and its assets, to establish that no security interest (excluding Permitted Liens) continues perfected on the date hereof with respect to any Person described above (or the assets transferred to the respective Grantor by such Person), including without limitation pursuant to Section 9-316(a)(3) of the UCC.

2.9 As-Extracted Collateral; Timber-to-be-Cut. On the date hereof, such Grantor does not own, or expect to acquire, any material property which constitutes, or would constitute, As-Extracted Collateral or Timber-to-be-Cut.

2.10 Collateral in the Possession of a Bailee. If any Inventory or other Goods, the aggregate fair market value of which is equal to or greater than $3,000,000, are at any time in the possession of a bailee, such Grantor shall on or prior to the next Quarterly Update Date furnish the Collateral Agent with written notice thereof and, if requested by the Collateral Agent after an Event of Default has occurred and is continuing, shall use its reasonable efforts to promptly obtain an acknowledgment from such bailee, in form and substance reasonably satisfactory to the Collateral Agent, that the bailee holds such Collateral for the benefit of the Collateral Agent and shall act upon the instructions of the Collateral Agent, without the further consent of such Grantor, subject to the Intercreditor Agreement. The Collateral Agent agrees with such Grantor that the Collateral Agent shall not give any such instructions unless an Event of Default has occurred and is continuing and upon notice from the Collateral Agent of its intent to exercise remedies.

2.11 Recourse. This Agreement is made with full recourse to each Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein, in the Secured Debt Agreements and otherwise in writing in connection herewith or therewith.
ARTICLE III

3.2 Maintenance of Records. Each Grantor will keep proper books of record and accounts, in which full, true and correct entries in conformity with U.S. GAAP and all material Requirements of Law shall be made of all dealings and transactions in relation to its business and activities, and such Grantor will make the same available on such Grantor’s premises to officers and designated representatives of the Collateral Agent for inspection in accordance with the terms and conditions set forth in the Credit Agreement. Upon the occurrence and during the continuance of an Event of Default and at the request of the Collateral Agent, such Grantor shall, at its own cost and expense, deliver all tangible evidence of its Accounts and Contract Rights (including, without limitation, all documents evidencing the Accounts and all Contract Rights) and such books and records to the Collateral Agent or to its representatives (copies of which evidence and books and records may be retained by such Grantor). Subject to the terms of the Intercreditor Agreement, upon the occurrence and during the continuance of an Event of Default and if the Collateral Agent so requests, such Grantor shall legend, in form and manner reasonably satisfactory to the Collateral Agent, the Accounts and the Contracts, as well as books, records and documents (if any) of such Grantor evidencing or pertaining to such Accounts and Contracts with an appropriate reference to the fact that such Accounts and Contracts have been assigned to the Collateral Agent and that the Collateral Agent has a security interest therein.

3.3 Direction to Account Debtors; Contracting Parties; etc. Subject to the terms of the Intercreditor Agreement, (a) upon the occurrence and during the continuance of an Event of Default, after giving notice to the relevant Grantor of its intent to do so, if the Collateral Agent so directs any Grantor, and (b) as otherwise required pursuant to Section 9.17(c) of the Credit Agreement, such Grantor agrees (i) to cause all payments on account of the Accounts and Contracts to be made directly to the Dominion Account, (ii) that the Collateral Agent may, at its option, directly notify the obligors in its own name or in the name of others with respect to any Accounts and/or under any Contracts to make payments with respect thereto as provided in the preceding clause (i), and (iii) that the Collateral Agent may enforce collection of any such Accounts and Contracts and may adjust, settle or compromise the amount of payment thereof, in the same manner and to the same extent as such Grantor; provided that, (x) any failure by the Collateral Agent to give or any delay in giving such notice (including pursuant to Section 9.17(c) of the Credit Agreement) to the relevant Grantor shall not affect the effectiveness of such notice or the other rights of the Collateral Agent created by this Section 3.3 and (y) no such notice shall be required if an Event of Default of the type described in Section 11.05 of the Credit Agreement has occurred and is continuing. Without notice to or assent by any Grantor, the Collateral Agent may, upon the occurrence and during the continuance of a Liquidity Period or an Event of Default, apply any or all amounts then in, or thereafter deposited in, the Dominion Account toward the payment of the Obligations in the manner provided in Section 7.4 of this Agreement and/or Section 9.17 of the Credit Agreement (as applicable). The reasonable costs and expenses of collection (including reasonable attorneys’ fees), whether incurred by a Grantor or the Collateral Agent, shall be borne by the relevant Grantor. The Collateral Agent shall deliver a copy of each notice referred to in the preceding clause (y) to the relevant Grantor, provided that (x) the failure by the Collateral Agent to so notify such Grantor shall not affect the effectiveness of such notice or the other rights of the Collateral Agent created by this Section 3.3 and (y) no such notice shall be required if an Event of Default of the type described in Section 11.05 of the Credit Agreement has occurred and is continuing.

3.4 Modification of Terms; etc. Except in accordance with such Grantor’s ordinary course of business, or consistent with reasonable business judgment or as permitted by Section 3.5 or the Credit Documents, no Grantor shall rescind or cancel any indebtedness evidenced by any Account, or modify any material term thereof or make any material adjustment with respect thereto, or extend or renew the same, or compromise or settle any material dispute, claim, suit or legal proceeding relating thereto, or sell any Account, or interest therein, without the prior written consent of the Collateral Agent unless such rescissions, cancellations, modifications, adjustments, extensions, renewals, compromises, settlements, releases, or sales would not reasonably be expected to materially adversely affect the value of the Accounts constituting Collateral taken as a whole.
3.5 Collection. Each Grantor shall endeavor in accordance with historical business practices or otherwise in accordance with reasonable business judgment to cause to be collected from the Account Debtor named in each of its Accounts or obligor under any Contract, as and when due (including, without limitation, amounts which are delinquent, such amounts to be collected in accordance with generally accepted lawful collection procedures) any and all amounts owing under or on account of such Account or Contract, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Account or under such Contract. Except as otherwise directed by the Collateral Agent after the occurrence and during the continuation of an Event of Default or otherwise required pursuant to the Credit Agreement, any Grantor may allow in the ordinary course of business as adjustments to amounts owing under its Accounts and Contracts (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, which such Grantor finds appropriate in accordance with reasonable business judgment, (ii) a refund or credit due as a result of returned or damaged merchandise or improperly performed services or for other reasons which such Grantor finds appropriate in accordance with reasonable business judgment and (iii) any other adjustments necessary or desirable in the Grantor’s reasonable business judgment. The reasonable costs and expenses (including, without limitation, reasonable attorneys’ fees) of collection, whether incurred by a Grantor or the Collateral Agent, shall be borne by the relevant Grantor (in the case of any such costs and expenses incurred by the Collateral Agent, in accordance with the terms and provisions of Section 13.01 of the Credit Agreement).

3.6 Instruments. If any Grantor at any time holds or acquires any Instrument constituting Collateral with a face value in excess of $1,000,000 individually (other than checks received and collected in the ordinary course of business), such Grantor shall, on or prior to the next Quarterly Update Date, notify the Collateral Agent thereof, and upon request by the Collateral Agent (subject to the Intercreditor Agreement), promptly deliver such Instrument to the Collateral Agent appropriately endorsed in blank or to the order of the Collateral Agent, provided that, so long as no Event of Default shall have occurred and be continuing, such Grantor may retain for collection in the ordinary course of business any Instrument received by such Grantor in the ordinary course of business, and the Collateral Agent shall, promptly upon request of such Grantor, make appropriate arrangements for making any Instruments in its possession and pledged by such Grantor available to such Grantor for purposes of presentation, collection or renewal. If such Grantor retains possession of any Instruments pursuant to the terms hereof, upon request of the Collateral Agent, such Instrument shall be marked with the following legend: “This writing and the obligations evidenced or secured hereby are subject to the security interests of Bank of America, N.A., as collateral agent, for the benefit of itself and certain Secured Creditors.”

Anything herein to the contrary notwithstanding, the Grantors shall remain liable under each of the Accounts to observe and perform all of the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to such Accounts. Neither the Collateral Agent nor any other Secured Creditor shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement, nor shall the Collateral Agent or any other Secured Creditor be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by them or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto), to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

3.9 **Deposit Accounts; Etc.**

(a) Schedule 13 of the Perfection Certificate accurately sets forth, as of the date of this Agreement, for each Grantor, each Deposit Account maintained by such Grantor (including the respective account number) and the name of the respective bank with which such Deposit Account is maintained.

(b) After the date of this Agreement, no Grantor shall establish any new demand, time, savings, passbook or similar account, except for Excluded Deposit Accounts, the Dominion Account and Deposit Accounts established and maintained with banks and meeting the requirements of Section 9.17 of the Credit Agreement.

Solely for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Section 5.7 and at such time as the Collateral Agent shall be lawfully entitled, and permitted under the Credit Agreement, to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor), to use, operate under, license, or sublicense any Patents, Copyrights and Trade Secrets now owned or hereafter acquired by such Grantor to the extent constituting Collateral hereunder.

ARTICLE VI
PROVISIONS CONCERNING ALL COLLATERAL

6.1 Protection of Collateral Agent’s Security. Except as otherwise permitted or not prohibited by the Secured Debt Agreements, each Grantor will do nothing to impair the rights of the Collateral Agent in the Collateral. Each Grantor or an affiliate on behalf of such Grantor will at all times maintain insurance, at such Grantor’s own expense to the extent and in the manner provided in the Secured Debt Agreements. If any Event of Default shall have occurred and be continuing, the Collateral Agent shall, at the time any proceeds of such insurance are distributed to the Secured Creditors, apply such proceeds in accordance with Section 7.4 hereof. Each Grantor assumes all liability and responsibility in connection with the Collateral acquired by it and the liability of such Grantor to pay the Obligations shall in no way be affected or diminished by reason of the fact that such Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to such Grantor.
6.2 **Warehouse Receipts Non-Negotiable.** To the extent practicable, each Grantor agrees that if any warehouse receipt or receipt in the nature of a warehouse receipt is issued with respect to any of its Inventory, such Grantor shall request that such warehouse receipt or receipt in the nature thereof shall not be “negotiable” (as such term is used in Section 7-104 of the UCC as in effect in any relevant jurisdiction or under other relevant law).

6.3 **Additional Information.** Each Grantor will, at its own expense, from time to time upon the reasonable request of the Collateral Agent, promptly furnish to the Collateral Agent such information with respect to the Collateral (including the identity of the Collateral or such components thereof as may have been reasonably requested by the Collateral Agent, the value and location of such Collateral, etc.) as may be requested by the Collateral Agent.

6.4 **Further Actions.** To the extent otherwise required by this Agreement or the other Credit Documents, each Grantor will, at its own expense and upon the reasonable request of the Collateral Agent, promptly furnish to the Collateral Agent such information with respect to the Collateral (including the identity of the Collateral or such components thereof as may have been reasonably requested by the Collateral Agent, the value and location of such Collateral, etc.) as may be requested by the Collateral Agent.

6.5 **Financing Statements.** Each Grantor agrees to deliver to the Collateral Agent such financing statements, in form reasonably acceptable to the Collateral Agent, as the Collateral Agent may from time to time reasonably request to establish and maintain a valid, enforceable, perfected security interest in the Collateral as provided herein and for the purpose of obtaining and preserving the full benefits of the other rights and security contemplated hereby at least to the extent described in Section 2.1. Each Grantor will pay any applicable filing fees, recordation taxes and related expenses relating to its Collateral. Each Grantor hereby authorizes the Collateral Agent to file any such financing statements (and such authorization includes describing the Collateral as “all assets and all personal property whether now owned or hereafter acquired” of such Grantor or words of similar effect).

**ARTICLE VII**

**REMEDIES UPON OCCURRENCE OF AN EVENT OF DEFAULT**

7.1 **Remedies; Obtaining the Collateral Upon an Event of Default.** Each Grantor agrees that, subject to the terms of the Intercreditor Agreement, if any Event of Default shall have occurred and be continuing, then and in every such case, the Collateral Agent, in addition to any rights now or hereafter existing under applicable law and under the other provisions of this Agreement, shall have all rights as a secured creditor under any UCC, and such additional rights and remedies to which a secured creditor is entitled under the laws in effect in all relevant jurisdictions and may:

(i) personally, or by agents or attorneys, immediately take possession of the Collateral or any part thereof, from such Grantor or any other Person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon such Grantor’s premises where any of the Collateral is located and remove the same and use in connection with such removal any and all services, supplies, aids and other facilities of such Grantor, in each case without breach of the peace;
(ii) instruct the obligor or obligors on any agreement, instrument or other obligation (including, without limitation, the Accounts and the Contracts) constituting the Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Collateral Agent and may exercise any and all remedies of such Grantor in respect of such Collateral;

(iii) instruct all banks which have entered into a Deposit Account Control Agreement with the Collateral Agent to transfer all monies, securities and instruments held by such depository bank to the Dominion Account; it being understood and agreed that unless a Liquidity Period or an Event of Default has occurred and is continuing, the Collateral Agent shall not deliver to such banks a Liquidity Notice or a notice of exclusive control under, and as defined in, the respective Deposit Account Control Agreement relating thereto;

(iv) sell, assign or otherwise liquidate any or all of the Collateral or any part thereof in accordance with Section 7.2 hereof, or direct such Grantor to sell, assign or otherwise liquidate any or all of the Collateral or any part thereof, and, in each case, take possession of the proceeds of any such sale or liquidation;

(v) take possession of the Collateral or any part thereof, by directing such Grantor in writing to deliver the same to the Collateral Agent at any reasonable place or places designated by the Collateral Agent, in which event such Grantor shall at its own expense:

(x) forthwith cause the same to be moved to the place or places so designated by the Collateral Agent and there delivered to the Collateral Agent;

(y) store and keep any Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent as provided in Section 7.2 hereof; and

(z) while the Collateral shall be so stored and kept, provide such security and maintenance services as shall be reasonably necessary to protect the same and to preserve and maintain it in good condition;

(vi) license or sublicense, whether on an exclusive (where permissible) or nonexclusive basis, any Marks (subject to reasonable quality control), Domain Names, Patents or Copyrights included in the Collateral for such term and on such conditions and in such manner as the Collateral Agent shall in its sole judgment determine;

(vii) apply any monies constituting Collateral or proceeds thereof in accordance with the provisions of Section 7.4 and/or Section 9.17 of the Credit Agreement (as applicable); and

(viii) take any other action as specified in clauses (a)(1) through (a)(5), inclusive, of Section 9-607 of the UCC;

it being understood that each Grantor’s obligation so to deliver the Collateral is of the essence of this Agreement and that, accordingly, upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by such Grantor of said obligation. By accepting the benefits of this Agreement and each other Security Document, the Secured Creditors
expressly acknowledge and agree that this Agreement and each other Security Document may be enforced only by the action of the Collateral Agent and that no Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Collateral Agent.

7.2 Remedies; Disposition of the Collateral. To the extent permitted by applicable law, if any Event of Default shall have occurred and be continuing, then any Collateral repossessed by the Collateral Agent under or pursuant to Section 7.1 hereof and any other Collateral whether or not so repossessed by the Collateral Agent, may be sold, assigned, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Collateral Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Collateral Agent or after any overhaul or repair at the expense of the relevant Grantor which the Collateral Agent shall determine to be commercially reasonable. Any such sale, lease or other disposition may be effected by means of a public disposition or private disposition, effected in accordance with the applicable requirements (in each case if and to the extent applicable) of Sections 9-610 through 9-613 of the UCC and/or such other mandatory requirements of applicable law as may apply to the respective disposition. The Collateral Agent may, without notice or publication, adjourn any public or private disposition or cause the same to be adjourned from time to time by announcement at the time and place fixed for the disposition, and such disposition may be made at any time or place to which the disposition may be so adjourned. To the extent permitted by any such requirement of law, the Collateral Agent may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the Collateral or any item thereof, offered for disposition in accordance with this Section 7.2 without accountability to the relevant Grantor. Each Grantor agrees to do or cause to be done all such other acts and things as may be reasonably necessary to make such disposition or dispositions of all or any portion of the Collateral valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, having jurisdiction over any such sale or sales, all at such Grantor’s expense.

7.3 Waiver of Claims. Except as otherwise provided in this Agreement, EACH GRANTOR HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, NOTICE AND JUDICIAL HEARING IN CONNECTION WITH THE COLLATERAL AGENT’S TAKING POSSESSION OR THE COLLATERAL AGENT’S DISPOSITION OF ANY OF THE COLLATERAL, INCLUDING, WITHOUT LIMITATION, ANY AND ALL PRIOR NOTICE AND HEARING FOR ANY PREJUDGMENT REMEDY OR REMEDIES, and each Grantor hereby further waives, to the extent permitted by law:

(a) all damages occasioned by such taking of possession or any such disposition except any damages which are the direct result of the Collateral Agent’s gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision);

(b) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent’s rights hereunder; and

(c) all rights of redemption, appraisement, valuation, stay, extension or moratorium now or hereafter in force under any applicable law in order to prevent or delay the enforcement of this Agreement or the absolute sale of the Collateral or any portion thereof, and each Grantor, for itself and all who may claim under it, insofar as it or they now or hereafter lawfully may, hereby waives the benefit of all such laws.
Any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the relevant Grantor therein and thereto, and shall be a perpetual bar both at law and in equity against such Grantor and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under such Grantor.

7.4 Application of Proceeds

(a) Subject to the terms of the Intercreditor Agreement, all moneys collected by the Collateral Agent (or, to the extent the Pledge Agreement or any other Security Document requires proceeds of collateral under such other Security Document to be applied in accordance with the provisions of this Agreement, the Pledgee under, and as defined in, the Pledge Agreement, or collateral agent under such other Security Document) upon any sale or other disposition of the Collateral (or the collateral under the relevant Security Document), together with all other moneys received by the Collateral Agent hereunder (or under the relevant Security Document), in each case, as a result of the exercise of remedies by the Collateral Agent after the occurrence and during the continuance of an Event of Default, shall be applied in accordance with Section 11.11 of the Credit Agreement.

(b) It is understood that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Obligations.

7.5 Remedies Cumulative. Each and every right, power and remedy hereby specifically given to the Collateral Agent shall be in addition to every other right, power and remedy specifically given to the Collateral Agent under this Agreement, the other Secured Debt Agreements or now or hereafter existing at law, in equity or by statute and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by the Collateral Agent. All such rights, powers and remedies shall be cumulative and the exercise or the beginning of the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Collateral Agent in the exercise of any such right, power or remedy and no renewal or extension of any of the Obligations shall impair any such right, power or remedy or shall be construed to be a waiver of any Default or Event of Default or an acquiescence thereof. No notice to or demand on any Grantor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Collateral Agent to any other or further action in any circumstances without notice or demand. In the event that the Collateral Agent shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Collateral Agent may recover reasonable invoiced out-of-pocket expenses, including reasonable attorneys’ fees, and the amounts thereof shall be included in such judgment, in each case, in accordance with the terms and provisions of Section 13.01 of the Credit Agreement.

7.6 Discontinuance of Proceedings. In case the Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case the relevant Grantor, the Collateral Agent and each holder of any of the Obligations shall be restored to their former positions and rights hereunder with respect to the Collateral subject to the security interest created under this Agreement, and all rights, remedies and powers of the Collateral Agent shall continue as if no such proceeding had been instituted.
ARTICLE VIII

8.1 Indemnity. The terms of Section 13.01 of the Credit Agreement are incorporated herein by reference, mutatis mutandis, and the parties hereto agree to such terms.

8.2 Indemnity Obligations Secured by Collateral; Survival. Any amounts paid by any Indemnified Person as to which such Indemnified Person has the right to reimbursement shall constitute Obligations secured by the Collateral. The indemnity obligations of each Grantor contained in the Credit Agreement shall continue in full force and effect notwithstanding the termination of the Commitments, the full payment of all of the other Obligations and notwithstanding the full payment of all the Notes issued, and Revolving Loans made, the termination or expiration of all Letters of Credit issued under the Credit Agreement, the termination of all Secured Bank Product Obligations entered into with the Other Creditors and the payment of all other Obligations and notwithstanding the discharge thereof and the occurrence of the Termination Date.

10.9 **Counterparts.** This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall constitute an original, but all of which, when taken together, shall constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Lead Borrower and the Collateral Agent. Delivery of an executed signature page to this Agreement by facsimile, PDF or other electronic transmission shall be as effective as delivery of an original executed counterpart of this Agreement.

10.10 **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.11 **The Collateral Agent and the other Secured Creditors.** The Collateral Agent shall hold in accordance with this Agreement all items of Collateral at any time received under this Agreement. Until the occurrence and continuation of an Event of Default, the Collateral Agent shall not directly pledge any Collateral in its possession or control to secure its own debt. It is expressly understood and agreed that the obligations of the Collateral Agent as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in Article 12 of the Credit Agreement. The Collateral Agent shall act hereunder on the terms and conditions set forth herein and in Article 12 of the Credit Agreement.

10.13 **Intercreditor Agreement.** This Agreement and the other Credit Documents are subject to the terms and conditions set forth in the Intercreditor Agreement in all respects and, in the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of Intercreditor Agreement shall govern. Notwithstanding anything herein to the contrary, the Lien and
security interest granted to the Collateral Agent pursuant to any Credit Document and the exercise of any right or remedy in respect of the Collateral by the Collateral Agent (or any Secured Creditor) hereunder or under any other Credit Document are subject to the provisions of the Intercreditor Agreement and in the event of any conflict between the terms of the Intercreditor Agreement, this Agreement and any other Credit Document, the terms of the Intercreditor Agreement shall govern and control with respect to the exercise of any such right or remedy. Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, no Credit Party shall be required hereunder or under any Credit Document to take any action with respect to the Collateral that is inconsistent with such Credit Parties’ obligations under the Intercreditor Agreement. Prior to the Discharge of Fixed Asset Obligations (as defined in the Intercreditor Agreement), the delivery or granting of “control” (as defined in the UCC) to the extent only one Person can be granted “control” therein under applicable law of any Fixed Asset Collateral (as defined in the Intercreditor Agreement) to the First Lien Collateral Agent pursuant to the terms of the Fixed Asset Collateral Documents (as defined in the Intercreditor Agreement) shall satisfy any such delivery or granting of “control” requirement hereunder or under any other Credit Document with respect to any Fixed Asset Collateral to the extent that such delivery or granting of “control” is consistent with the terms of the Intercreditor Agreement.
IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered by their duly authorized officers as of the date first above written.

Notwithstanding the foregoing or anything to the contrary contained herein, no pledge or security interest is or will be granted pursuant to this Agreement in any right, title or interest of any Pledgor in, to or under the Excluded Collateral.

3.2 Procedures.

(a) To the extent that any Pledgor at any time or from time to time owns, acquires or obtains any right, title or interest in any Collateral, such Collateral shall automatically (and without the taking of any action by such Pledgor) be pledged pursuant to Section 3.1 of this Agreement and, in addition thereto, subject to the Intercreditor Agreement, such Pledgor shall (to the extent provided below) take the following actions as set forth below (as promptly as practicable) for the benefit of the Pledgee and the other Secured Creditors:

(i) with respect to a Certificated Security (other than a Certificated Security credited on the books of a Clearing Corporation or Securities Intermediary), such Pledgor shall on the date hereof, with respect to any such Certificated Security held on the date hereof, and subject to Section 9.12 of the Credit Agreement, on or prior to the next Quarterly Update Date with respect to any Certificated Security acquired after the date hereof, physically deliver such Certificated Security to the Pledgee, endorsed to the Pledgee or endorsed in blank to the extent the interests represented by such Certificated Security are required to be pledged hereunder;
(ii) at any time when an Event of Default shall have occurred and be continuing, with respect to a Certificated Security, Uncertificated Security, Partnership Interest or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary (including a Federal Reserve Bank, Participants Trust Company or The Depository Trust Company), such Pledgor shall promptly notify the Pledgee thereof and shall promptly take (x) all actions required (i) to comply with the applicable rules of such Clearing Corporation or Securities Intermediary and (ii) to perfect the security interest of the Pledgee under applicable law (including, in any event, under Sections 9-314(a), (b) and (c), 9-106 and 8-106(d) of the UCC) and (y) such other actions as the Pledgee deems necessary or desirable to effect the foregoing;

(iii) with respect to an Uncertificated Security (other than an Uncertificated Security credited on the books of a Clearing Corporation or Securities Intermediary), at any time any Event of Default under the Credit Agreement has occurred and is continuing, such Pledgor shall cause the issuer of such Uncertificated Security, promptly, upon the request of the Collateral Agent, to duly authorize, execute, and deliver to the Pledgee, an agreement for the benefit of the Pledgee and the other Secured Creditors substantially in the form of Annex A hereto (appropriately completed to the reasonable satisfaction of the Pledgee and with such modifications, if any, as shall be reasonably satisfactory to the Pledgee) pursuant to which such issuer agrees to comply with any and all instructions originated by the Pledgee without further consent by the registered owner and not to comply with instructions regarding such Uncertificated Security (and any Partnership Interests and Limited Liability Company Interests issued by such issuer) originated by any other Person other than a court of competent jurisdiction;

(iv) [reserved]

(v) with respect to any Note (other than a Note which does not have a principal amount in excess of $1,000,000), such Pledgor shall on the date hereof, with respect to any Note held on the date hereof, and on or prior to the next Quarterly Update Date, with respect to any Note acquired after the date hereof, physically deliver such Note to the Pledgee, endorsed in blank or endorsed to the Pledgee; and

(vi) after the occurrence and during the continuance of an Event of Default, with respect to cash proceeds from any of the Collateral described in Section 3.1 hereof, deposit of such cash in the Dominion Account or any other Deposit Account that is subject to a Deposit Account Control Agreement;

provided that, notwithstanding anything to the contrary contained in this Section 3.2(a), a Pledgor shall not be required to take the actions set forth in this Section with respect to any Equity Interests of a Person that is not a Subsidiary of such Pledgor to the extent the aggregate fair market value of all such Equity Interests does not exceed $1,000,000.
In addition to the actions required to be taken pursuant to Section 3.2(a) hereof, each Pledgor shall take the following additional actions with respect to the Collateral:

(i) with respect to all Collateral of such Pledgor whereby or with respect to which the Pledgee may obtain “control” thereof within the meaning of Section 8-106 of the UCC (or under any provision of the UCC as same may be amended or supplemented from time to time, or under the laws of any relevant State other than the State of New York), such Pledgor shall take all actions as may be reasonably requested from time to time by the Pledgee so that “control” of such Collateral is obtained and at all times held by the Pledgee, in each case to the extent otherwise required by this Agreement; and

(ii) each Pledgor shall from time to time cause appropriate financing statements (on appropriate forms) under the Uniform Commercial Code, covering all Collateral hereunder (with the form of such financing statements to be reasonably satisfactory to the Pledgee), to be filed in the relevant filing offices, so that at all times the Pledgee’s security interest in the Investment Property and other Collateral which can be perfected by the filing of such financing statements (in each case to the maximum extent perfection by filing may be obtained under the laws of the relevant States, including, without limitation, Section 9-312(a) of the UCC) is so perfected.

Notwithstanding anything to the contrary contained herein or in any other Credit Document, no Pledgor shall be required to take any action with respect to the creation or perfection of a security interest or Liens under foreign law with respect to any Collateral.

3.3 Subsequently Acquired Collateral. Without limiting the foregoing, each Pledgor shall be required to pledge hereunder the Equity Interests of any FSHCO or Foreign Subsidiary at any time and from time to time after the date hereof acquired by such Pledgor, provided that (x) any such pledge of Voting Equity Interests of any FSHCO or Foreign Subsidiary that is a CFC shall be subject to the provisions of clauses (x) and (y) of the proviso to Section 3.1 hereof and (y) each Pledgor shall be required to pledge hereunder 100% of the Non-Voting Equity Interests of each FSHCO or Foreign Subsidiary at any time and from time to time acquired by such Pledgor.

3.4 Transfer Taxes. Each pledge of Collateral under Section 3.1 or Section 3.3 hereof shall be accompanied by any transfer tax stamps required in connection with the pledge of such Collateral and if paid by any Secured Creditor, shall be reimbursed in accordance with the terms and provisions set forth in the Credit Agreement.

3.5 Certain Representations and Warranties Regarding the Collateral. Each Pledgor represents and warrants that on the date hereof: (i) each Subsidiary of such Pledgor, and the direct ownership thereof, is listed in Schedule 9(a) of the Perfection Certificate; (ii) the Equity Interests (and any warrants or options to purchase Equity Interests), in each case of any such Equity Interests in a Person that is not a Subsidiary of the Lead Borrower to the extent valued in excess of $1,000,000, held by such Pledgor consists of the number and type of shares

4. Appointment of Sub-Agents. The Pledgee shall have the right to appoint one or more sub-agents for the purpose of retaining physical possession of the Collateral.

5. Voting, Etc., While No Event of Default. For greater certainty, unless and until there shall have occurred and be continuing any Event of Default under the Credit Agreement, each Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Collateral owned by it, and to give consents, waivers or ratifications in respect thereof. All such rights of each Pledgor to vote and to give consents, waivers and ratifications shall cease at any time after the occurrence and during the continuance of an Event of Default and, except in the case of an Event of Default under Section 11.05 of the Credit Agreement, upon at least one Business Days’ prior written notice from the Pledgee of its intent to exercise its rights under this Agreement.

6. Dividends and Other Distributions. For greater certainty, except as permitted under the Credit Agreement, unless and until there shall have occurred and be continuing an Event of Default and, other than in the case of an Event of Default under Section 11.05 of the Credit Agreement, the Pledgee shall have given at least one Business Days’ prior written notice of its intent to exercise such rights to the Pledgor, all cash dividends, cash distributions, cash Proceeds and other cash amounts payable in respect of the Collateral shall be paid to the respective Pledgor. While this Agreement is in effect, the Pledgee shall be entitled to receive directly, and to retain as part of the Collateral, in each case, to the extent otherwise required by this Agreement:

(i) all other or additional Equity Interests, Notes, Certificated Securities, Limited Liability Company Interests, Partnership Interests, Instruments or other securities or property (including, but not limited to, cash dividends other than as set forth above) paid or distributed by way of dividend or otherwise in respect of the Collateral;
(ii) all other or additional Equity Interests, Notes, Certificated Securities, Limited Liability Company Interests, Partnership Interests, Instruments or other securities or property (including, but not limited to, cash (although such cash may be paid directly to the respective Pledgor so long as no Event of Default then exists)) paid or distributed in respect of the Collateral by way of stock-split, spin-off, split-up, reclassification, combination of shares or similar rearrangement; and

(iii) all other or additional Equity Interests, Notes, Certificated Securities, Limited Liability Company Interests, Partnership Interests, Instruments or other securities or property (including, but not limited to, cash) which may be paid in respect of the Collateral by reason of any consolidation, merger, exchange of stock, conveyance of assets, liquidation or similar corporate or other reorganization.

Nothing contained in this Section 6 shall limit or restrict in any way the Pledgee’s right to receive the proceeds of the Collateral in any form in accordance with Section 3 of this Agreement. All dividends, distributions or other payments which are received by any Pledgor contrary to the provisions of this Section 6 or Section 7 hereof shall be received for the benefit of the Pledgee, shall be segregated from other property or funds of such Pledgor and shall be forthwith delivered to the Pledgee as Collateral in the same form as so received (with any necessary endorsement).

7. Remedies in Case of an Event of Default

(a) If there shall have occurred and be continuing an Event of Default, then and in every such case, subject to the terms of the Intercreditor Agreement, the Pledgee shall be entitled to exercise all of the rights, powers and remedies (whether vested in it by this Agreement, any other Secured Debt Agreement or by law) for the protection and enforcement of its rights in respect of the Collateral, and the Pledgee shall be entitled to exercise all the rights and remedies of a secured party under the UCC as in effect in any relevant jurisdiction and also shall be entitled, without limitation, to exercise the following rights, with each Pledgor hereby agreeing that the rights set forth in clauses (i), (ii), (iii), (iv) and (vi) below are commercially reasonable:

(i) to receive all amounts payable in respect of the Collateral otherwise payable under Section 6 hereof to the respective Pledgor;

(ii) to, upon at least one Business Day’s prior written notice, transfer all or any part of the Collateral into the Pledgee’s name or the name of its nominee or nominees;
(iii) to accelerate any Pledged Note which may be accelerated in accordance with its terms, and take any other lawful action to collect upon any Pledged Note (including, without limitation, to make any demand for payment thereon);

(iv) to, upon at least one Business Day’s prior written notice, vote (and exercise all rights and powers in respect of voting) all or any part of the Collateral (whether or not transferred into the name of the Pledgee) and give all consents, waivers and ratifications in respect of the Collateral and otherwise act with respect thereto as though it were the outright owner thereof (each Pledgor hereby irrevocably constituting and appointing the Pledgee the proxy and attorney-in-fact of such Pledgor, with full power of substitution to do so);

(v) at any time and from time to time to sell, assign and deliver, or grant options to purchase, all or any part of the Collateral, or any interest therein, at any public or private sale, without demand of performance, advertisement or, notice of intention to sell or of the time or place of sale or adjournment thereof or to redeem or otherwise purchase or dispose (all of which are hereby waived by each Pledgor), for cash, on credit or for other property, for immediate or future delivery without any assumption of credit risk, and for such price or prices and at such time or times, at such place or places and on such terms as the Pledgee may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable, provided at least 10 days’ prior written notice of the time and place of any such sale shall be given to the respective Pledgor. The Pledgee shall not be obligated to make any such sale of Collateral regardless of whether any such notice of sale has theretofore been given. Each Pledgor hereby waives and releases to the fullest extent permitted by law any right or equity of redemption with respect to the Collateral, whether before or after sale hereunder, and all rights, if any, of marshalling the Collateral and any other security or the Obligations or otherwise. At any such sale, unless prohibited by applicable law, the Pledgee on behalf of the Secured Creditors may bid for and purchase all or any part of the Collateral so sold free from any such right or equity of redemption. Neither the Pledgee nor any other Secured Creditor shall be liable for failure to collect or realize upon any or all of the Collateral or for any delay in so doing nor shall any of them be under any obligation to take any action whatsoever with regard thereto; and

(vi) to set off any and all Collateral against any and all Obligations, and to withdraw any and all cash or other Collateral from any and all Collateral Accounts and to apply such cash and other Collateral to the payment of any and all Obligations.

(b) It is understood and agreed that in respect of Collateral consisting of Uncertificated Securities, Partnership Interests and Limited Liability Company Interests subject of an agreement substantially in the form of Annex A and as described in Section 3.2(a)(ii), unless an Event of Default has occurred and is continuing, the Pledgee shall not deliver to the issuer of such Uncertificated Securities, Partnership Interests or Limited Liability Company Interests, as the case may be, a notice stating that the Pledgee is exercising exclusive control of such Uncertificated Securities, Partnership Interests or Limited Liability Company Interests, as the case may be, under, and as described in such respective agreement.
8. Remedies, Cumulative, Etc. Each and every right, power and remedy of the Pledgee provided for in this Agreement or in any other Secured Debt Agreement, or now or hereafter existing at law or in equity or by statute shall be cumulative and concurrent and, subject to Section 12(c) hereof, shall be in addition to every other such right, power or remedy. The exercise or beginning of the exercise by the Pledgee or any other Secured Creditor of any one or more of the rights, powers or remedies provided for in this Agreement or any other Secured Debt Agreement or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the Pledgee or any other Secured Creditor of all such other rights, powers or remedies, and no failure or delay on the part of the Pledgee or any other Secured Creditor to exercise any such right, power or remedy shall operate as a waiver thereof. No notice to or demand on any Pledgor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Pledgee or any other Secured Creditor to any other or further action in any circumstances without notice or demand. The Secured Creditors agree that this Agreement may be enforced only by the action of the Pledgee and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Pledgee for the benefit of the Secured Creditors upon the terms of this Agreement and the Security Agreement.

(a) Subject to the terms of the Intercreditor Agreement, all monies collected by the Pledgee upon any sale or other disposition of the Collateral as a result of the exercise of any remedies by the Pledgee after the occurrence and during the continuance of an Event of Default pursuant to the terms of this Agreement, together with all other monies received by the Pledgee hereunder, shall be applied in the manner provided in the Credit Agreement.

(b) It is understood and agreed that each Pledgor shall remain jointly and severally liable with respect to its Obligations to the extent of any deficiency between the amount of the proceeds of the Collateral pledged by it hereunder and the aggregate amount of such Obligations.

10. Purchasers of Collateral. Upon any sale of the Collateral by the Pledgee hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt of the Pledgee or the officer making such sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Pledgee or such officer or be answerable in any way for the misapplication or nonapplication thereof.

11. Indemnity. The terms of Section 13.01 of the Credit Agreement are incorporated herein by reference, mutatis mutandis, and the parties hereto agree to such terms.

12. Pledgee Not A Partner or Member

-15-
(a) Nothing herein shall be construed to make the Pledgee or any other Secured Creditor liable as a member of any limited liability company or as a partner of any partnership and neither the Pledgee nor any other Secured Creditor by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that, unless the Pledgee shall become the absolute owner of Collateral consisting of a Limited Liability Company Interest or a Partnership Interest pursuant hereto, this Agreement shall not be construed as creating a partnership or joint venture among the Pledgee, any other Secured Creditor, any Pledgor and/or any other Person.

(b) Except as provided in the last sentence of paragraph (a) of this Section 12, the Pledgee, by accepting this Agreement, did not intend to become a member of any limited liability company or a partner of any partnership or otherwise be deemed to be a co-venturer with respect to any Pledgor, any limited liability company, partnership and/or any other Person either before or after an Event of Default shall have occurred. The Pledgee shall have only those powers set forth herein and the Secured Creditors shall assume none of the duties, obligations or liabilities of a member of any limited liability company or as a partner of any partnership or any Pledgor except as provided in the last sentence of paragraph (a) of this Section 12.

(c) The Pledgee and the other Secured Creditors shall not be obligated to perform or discharge any obligation of any Pledgor as a result of the pledge hereby effected.

(d) The acceptance by the Pledgee of this Agreement, with all the rights, powers, privileges and authority so created, shall not at any time or in any event obligate the Pledgee or any other Secured Creditor to appear in or defend any action or proceeding relating to the Collateral to which it is not a party, or to take any action hereunder or thereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Collateral.

(a) To the extent otherwise required by this Agreement or the other Credit Documents, each Pledgor will, at its own expense and upon the reasonable request of the Pledgee, make, execute, endorse, acknowledge, file and/or deliver to the Pledgee from time to time such lists, descriptions and designations of its Collateral, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Pledgee deems reasonably appropriate or advisable to perfect, preserve or protect its security interest in the Collateral at least to the extent described in Section 3.

(b) Each Pledgor agrees to deliver to the Pledgee such financing statements, in form reasonably acceptable to the Pledgee, as the Pledgee may from time to time reasonably request to establish and maintain a valid, enforceable, perfected security interest in the Collateral as provided herein and for the purpose of obtaining and preserving the full benefits of the other rights and security contemplated hereby at least to the extent described in Section 3. Each Pledgor will pay any applicable filing fees, recordation taxes and related expenses relating to its Collateral. Each Pledgor hereby authorizes the Pledgee to file any such financing statements (and such authorization includes describing the Collateral as “all assets and all personal property whether now owned or hereafter acquired” of such Pledgor or words of similar effect).
(c) Subject to the terms of the Intercreditor Agreement, each Pledgor hereby constitutes and appoints the Pledgee its true and lawful attorney, irrevocably, with full power after the occurrence of and during the continuance of an Event of Default (in the name of such Pledgor or otherwise) to act, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys due or to become due to such Pledgor under or arising out of the Collateral, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Pledgee may deem to be reasonably necessary or advisable to protect the interests of the Secured Creditors, which appointment as attorney is coupled with an interest.

15. The Pledgee as Collateral Agent. The Pledgee shall hold in accordance with this Agreement all items of Collateral at any time received under this Agreement. Until the occurrence and continuation of an Event of Default, the Pledgee shall not directly pledge any Collateral in its possession or control to secure its own debt. It is expressly understood and agreed that the obligations of the Pledgee as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in Article 12 of the Credit Agreement. The Pledgee shall act hereunder on the terms and conditions set forth herein and in Article 12 of the Credit Agreement.

16. Transfer by the Pledgors. Except as permitted or not prohibited pursuant to the Credit Agreement, no Pledgor will sell or otherwise dispose of, grant any option with respect to, or mortgage, pledge or otherwise encumber any of the Collateral or any interest therein.

17. Representations, Warranties and Covenants of the Pledgors.

(a) Each Pledgor represents, warrants and, until the Termination Date, covenants as to itself and each of its Subsidiaries that:

(i) it is the legal, beneficial and (except as to Securities credited on the books of a Clearing Corporation or a Securities Intermediary) record owner of, and has good and valid title to, all of its Collateral consisting of one or more Securities, Partnership Interests and Limited Liability Company Interests and that it has sufficient interest in all of its Collateral in which a security interest is purported to be created hereunder for such security interest to attach (subject, in each case, to no Lien or Adverse Claim except the Liens and security interests created by this Agreement and Permitted Liens);

(ii) it has full power and authority to pledge all the Collateral pledged by it pursuant to this Agreement;
(iii) this Agreement has been duly authorized, executed and delivered by such Pledgor and constitutes a legal, valid and binding obligation of such Pledgor enforceable against such Pledgor in accordance with its terms, subject to (A) the effects of bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors’ rights generally and by general equitable principles (regardless of whether enforcement is sought in equity or at law) and (B) as it relates to the pledge of any Equity Interests of any Foreign Corporations (including any Foreign Subsidiaries of the Lead Borrower), the effects of the possible judicial application of foreign laws or foreign governmental or judicial action affecting creditors’ rights;

(iv) except as would not reasonably be expected to have a Material Adverse Effect, no consent of any other party (including, without limitation, any stockholder, partner, member or creditor of such Pledgor or any of its Subsidiaries) and no material consent, license, permit, approval or authorization of, exemption by, notice or report to, or registration, filing or declaration with, any governmental authority is required to be obtained by such Pledgor (except for (x) those that have otherwise been obtained or made on or prior to the Closing Date and which remain in full force and effect on the Closing Date and (y) filings which are necessary to perfect the security interests created under the this Agreement) in connection with (a) the execution, delivery or performance of this Agreement by such Pledgor, (b) the validity or enforceability of this Agreement against such Pledgor, (c) the filing of any financing statements, the perfection or enforceability of the Pledgee’s security interest in such Pledgor’s Collateral or (d) except for compliance with or as may be required by applicable securities laws, the exercise by the Pledgee of any of its rights or remedies provided herein;

(v) neither the execution, delivery or performance by such Pledgor of this Agreement, or any other Secured Debt Agreement to which it is a party, nor compliance by it with the terms and provisions hereof and thereof, (i) will contravene any provision of any applicable law, statute, rule or regulation, or any applicable order, writ, injunction or decree of any court or governmental instrumentality, domestic or foreign, applicable to such Pledgor, (ii) will conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents and Permitted Liens) upon any of the properties or assets of any such Pledgor or any of its Subsidiaries pursuant to the terms of, any indenture, mortgage, deed of trust, credit agreement or loan agreement, or any other material agreement, contract or instrument, in each case to which such Pledgor or any of its Restricted Subsidiaries is a party or by which it or any of its properties or assets is bound or to which it may be subject (except, in the case of preceding clauses (i) and (ii), other than in the case of any contravention, breach, default and/or conflict, that would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect); or (iii) will violate any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of such Pledgor or any of its Restricted Subsidiaries.
(vi) all of such Pledgor’s Collateral (consisting of Securities, Limited Liability Company Interests and Partnership Interests issued by any Pledgor or any Subsidiary of any Pledgor) has been duly and validly issued, is fully paid and non-assessable (other than any assessment on the shareholders of the applicable issuer that may be imposed as a matter of law) and is subject to no options to purchase or similar rights except as set forth on Schedule 9(a) or 9(b) of the Perfection Certificate;

(vii) except as would not reasonably be expected to have a Material Adverse Effect, each of such Pledgor’s Pledged Notes issued by any Pledgor or any Subsidiary of any Pledgor constitutes, or when executed by the obligor thereof will constitute, the legal, valid and binding obligation of such obligor, enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors’ rights generally and by general equitable principles (regardless of whether enforcement is sought in equity or at law);

(viii) the pledge, collateral assignment and delivery to the Pledgee of such Pledgor’s Collateral consisting of Certificated Securities and Pledged Notes consisting of Instruments pursuant to this Agreement and the continued possession thereof by the Pledgee or an Affiliate creates a valid and perfected security interest in such Certificated Securities and Pledged Notes, and the proceeds thereof, having the priority specified in the Intercreditor Agreement, subject to no prior Lien or encumbrance or to any agreement purporting to grant to any third party a Lien or encumbrance on the property or assets of such Pledgor which would include the Securities (other than Permitted Liens) and the Pledgee is entitled to all the rights, priorities and benefits afforded by the UCC or other relevant law as enacted in any relevant jurisdiction to perfect security interests in respect of such Collateral; and

(ix) to the extent required by Section 3.2, the Pledgor shall have taken all steps in its control so that the Pledgee may obtain “control” (as defined in Section 8-106 of the UCC) over all of such Pledgor’s Collateral consisting of Securities (including, without limitation, Notes that are Securities) with respect to which such “control” may be obtained pursuant to Section 8-106 of the UCC, except to the extent that the obligation of the applicable Pledgor to provide the Pledgee with “control” of such Collateral has not yet arisen under this Agreement; provided that in the case of the Pledgee obtaining “control” over Collateral consisting of a Security Entitlement, such Pledgor shall have taken all steps in its control so that the Pledgee obtains “control” over such Security Entitlement.

(b) Each Pledgor covenants and agrees that it will defend the Pledgee’s right, title and security interest in and to such Pledgor’s Collateral (whether now owned or hereinafter acquired) and the proceeds thereof against the claims and demands of all persons whomsoever (other than Permitted Liens).

18. [Reserved]
19. **Pledgors’ Obligations Absolute, Etc.** To the maximum extent permitted by applicable law, the obligations of each Pledgor hereunder shall remain in full force and effect without regard to, and shall not be impaired by, (a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of such Pledgor; (b) any exercise or non-exercise, or any waiver of, any right, remedy, power or privilege under or in respect of this Agreement or any other Secured Debt Agreement; or (c) any amendment to or modification of any Secured Debt Agreement or any security for any of the Obligations; whether or not such Pledgor shall have notice or knowledge of any of the foregoing.

20. **Sale of Collateral Without Registration.** If at any time when the Pledgee shall determine to exercise its right to sell all or any part of the Collateral consisting of Securities or Equity Interests pursuant to Section 7 hereof, and such Collateral or the part thereof to be sold shall not, for any reason whatsoever, be effectively registered under the Securities Act, as then in effect, the Pledgee may, in its sole and absolute discretion, sell such Collateral or part thereof by private sale in such manner and under such circumstances as the Pledgee may deem necessary or advisable in order that such sale may legally be effected without such registration. Without limiting the generality of the foregoing, in any such event the Pledgee, in its sole and absolute discretion (i) may proceed to make such private sale notwithstanding that a registration statement for the purpose of registering such Collateral or part thereof shall have been filed under such Securities Act, (ii) may approach and negotiate with a single possible purchaser to effect such sale, and (iii) may restrict such sale to a purchaser who will represent and agree, among other things, that such purchaser is purchasing for its own account, for investment, and not with a view to the distribution or sale of such Collateral or part thereof. In the event of any such sale, the Pledgee shall incur no responsibility or liability for selling all or any part of the Collateral at a price which the Pledgee, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might be realized if the sale were deferred until the registration as aforesaid.

21. **Termination; Release.**

(a) On the Termination Date (as defined below), this Agreement shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Pledgors (provided that all indemnities set forth herein including, without limitation, in Section 11 hereof shall survive any such termination) and the Pledgee, at the request and expense of such Pledgor, will promptly execute and deliver to such Pledgor a proper instrument or instruments acknowledging the satisfaction and termination of this Agreement (including, without limitation, UCC termination statements and instruments of satisfaction, discharge and/or reconveyance), and will duly release from the security interest created hereby and assign, transfer and deliver to such Pledgor (without recourse and without any representation or warranty) such of the Collateral as may be in the possession of the Pledgee or any of its sub-agents hereunder and as has not theretofore been sold or otherwise applied or released pursuant to this Agreement, together with any moneys at the time held by the Pledgee or any of its sub-agents hereunder and, with respect to any Collateral consisting of an Uncertificated Security, a Partnership Interest or a Limited Liability Company Interest (other than an Uncertificated Security, Partnership Interest or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary), a termination of the agreement relating thereto executed and delivered by the issuer of such Uncertificated Security pursuant to Section 3.2(a)(ii). As used in this Agreement, “Termination Date” shall mean the date upon which the Aggregate Commitments under the Credit Agreement have been terminated.
and all Obligations have been paid in full, no Note under the Credit Agreement is outstanding and all Revolving Loans and LC Disbursements thereunder have been repaid in full and all Letters of Credit have expired or otherwise terminated (other than (x) contingent indemnification obligations, (y) Letters of Credit which have been Cash Collateralized or backstopped on terms reasonably satisfactory to the Administrative Agent and (z) obligations and liabilities under any agreement governing the Secured Bank Product Obligations not then due and payable pursuant to Section 11.11 of the Credit Agreement).

(b) In the event that any part of the Collateral is sold or otherwise disposed of (to a Person other than a Credit Party) in connection with a sale or disposition permitted by Section 10.02 of the Credit Agreement or is otherwise released at the direction of the Required Lenders (or all the Lenders if required by Section 13.12 of the Credit Agreement) and the proceeds of such sale or disposition (or from such release) are applied in accordance with the terms of the Credit Agreement, to the extent required to be so applied, the security interest created hereby will be automatically released and the Pledgee will execute and deliver such documentation, including termination or partial release statements and the like in connection therewith at the request and expense of such Pledgor and assign, transfer and deliver to such Pledgor (without recourse and without any representation or warranty) such of the Collateral as is then being (or has been) so sold or otherwise disposed of, or released, and as may be in the possession of the Pledgee (or, in the case of Collateral held by any sub-agent designated pursuant to Section 4 hereof, such sub-agent) and has not theretofore been released pursuant to this Agreement. Furthermore, upon the release of any Subsidiary Guarantor from the Subsidiary Guaranty in accordance with the provisions thereof, such Pledgor (and the Collateral at such time assigned by the respective Pledgor pursuant hereto) shall be released from this Agreement.

(c) At any time that any Pledgor desires that the Pledgee take any action to acknowledge or give effect to any release of Collateral pursuant to the foregoing Section 20(a) or (b), such Pledgor shall deliver to the Pledgee (and the relevant sub-agent, if any, designated pursuant to Section 4 hereof) a certificate signed by a Responsible Officer of such Pledgor stating that the release of the respective Collateral is permitted pursuant to Section 20(a) or (b) hereof.

(d) The Pledgee shall have no liability whatsoever to any other Secured Creditor as the result of any release of Collateral by it in accordance with (or which the Collateral Agent in the absence of gross negligence and willful misconduct believes to be in accordance with) this Section 20.

24. **Successors and Assigns.** This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect, subject to release and/or termination as set forth in Section 20, (ii) be binding upon each Pledgor, its successors and assigns; provided, however, that no Pledgor shall assign any of its rights or obligations hereunder without the prior written consent of the Pledgee and (iii) inure, together with the rights and remedies of the Pledgee hereunder, to the benefit of the Pledgee, the other Secured Creditors and their respective successors, transferees and permitted assigns. All agreements, statements, representations and warranties made by each Pledgor herein or in any certificate or other instrument delivered by such Pledgor or on its behalf under this Agreement shall be considered to have been relied upon by the Secured Creditors and shall survive the execution and delivery of this Agreement and the other Secured Debt Agreements regardless of any investigation made by the Secured Creditors or on their behalf.
25. **Headings Descriptive.** The headings of the several Sections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

26. **GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL.**

   (a) **THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT (EXCEPT THAT, (X) IN THE CASE OF ANY COLLATERAL LOCATED IN ANY STATE OTHER THAN NEW YORK, PROCEEDINGS MAY BE BROUGHT BY THE ADMINISTRATIVE AGENT OR PLEDGEE IN THE STATE IN WHICH THE RELEVANT COLLATERAL IS LOCATED OR ANY OTHER RELEVANT JURISDICTION AND (Y) IN THE CASE OF ANY BANKRUPTCY, INSOLVENCY OR SIMILAR PROCEEDING, WITH RESPECT TO ANY PLEDGOR, ACTIONS OR PROCEEDINGS RELATED TO THIS AGREEMENT MAY BE BROUGHT IN SUCH COURT HOLDING SUCH BANKRUPTCY, INSOLVENCY OR SIMILAR PROCEEDINGS) MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, IN EACH CASE WHICH ARE LOCATED IN THE COUNTY OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE EXCLUSIVE JURISDICTION OF THE AFORESAID COURTS. EACH PARTY HERETO HEREBY FURTHER IRREVOCABLY WAIVES ANY CLAIM THAT ANY SUCH COURTS LACK PERSONAL JURISDICTION OVER IT, AND AGREES NOT TO PLEAD OR CLAIM IN ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT BROUGHT IN ANY OF THE AFOREMENTIONED COURTS THAT ANY SUCH COURT LACKS PERSONAL JURISDICTION OVER IT. EACH PARTY HERETO FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO SUCH PARTY, AS THE CASE MAY BE, AT ITS ADDRESS FOR NOTICES AS PROVIDED IN SECTION 21 ABOVE, SUCH SERVICE TO BECOME EFFECTIVE 30 DAYS AFTER SUCH MAILING. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER THAT SUCH SERVICE OF PROCESS WAS IN ANY WAY INVALID OR INEFFECTIVE. NOTHING HEREIN SHALL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY OTHER SUCH PARTY IN ANY OTHER JURISDICTION.**
(b) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER CREDIT DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

27. **Pledgor’s Duties.** It is expressly agreed, anything herein contained to the contrary notwithstanding, that each Pledgor shall remain liable to perform all of the obligations, if any, assumed by it with respect to the Collateral and the Pledgee shall not have any obligations or liabilities with respect to any Collateral by reason of or arising out of this Agreement, except for the safekeeping of Collateral actually in Pledgor’s possession, nor shall the Pledgee be required or obligated in any manner to perform or fulfill any of the obligations of any Pledgor under or with respect to any Collateral.

28. **Counterparts.** This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall constitute an original, but all of which, when taken together, shall constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with each Pledgor and the Pledgee. Delivery of an executed signature page to this Agreement by facsimile, PDF or other electronic transmission shall be as effective as delivery of an original executed counterpart of this Agreement.

29. **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

30. [Reserved].

31. **Additional Pledgors.** It is understood and agreed that any Subsidiary Guarantor that is required to become a party to this Agreement after the date hereof pursuant to the requirements of the Credit Agreement or any other Credit Document, shall become a Pledgor hereunder by executing and delivering to the Pledgee a joinder agreement substantially in the form of Exhibit A attached hereto and taking all actions as specified in this Agreement as would have been taken by such Pledgor had it been an original party to this Agreement, in each case with all documents required above to be delivered to the Pledgee and with all documents and actions required above to be taken to the reasonable satisfaction of the Pledgee.
32. **Limited Obligations.** It is the desire and intent of each Pledgor and the Secured Creditors that this Agreement shall be enforced against each Pledgor to the fullest extent permissible under the laws applied in each jurisdiction in which enforcement is sought. Notwithstanding anything to the contrary contained herein, in furtherance of the foregoing, it is noted that the obligations of each Pledgor constituting a Subsidiary Guarantor have been limited as provided in the Subsidiaries Guaranty.

33. **Release of Pledgors.** If at any time all of the Equity Interests of any Pledgor owned by the Lead Borrower or any of its Subsidiaries are sold (to a Person other than a Credit Party) in a transaction permitted pursuant to the Credit Agreement, then, such Pledgor shall be released as a Pledgor pursuant to this Agreement without any further action hereunder (it being understood that the sale of all of the Equity Interests in any Person that owns, directly or indirectly, all of the Equity Interests in any Pledgor shall be deemed to be a sale of all of the Equity Interests in such Pledgor for purposes of this Section), and the Pledgee is authorized and directed to execute and deliver such instruments of release as are reasonably satisfactory to it. At any time that the Lead Borrower desires that the Pledgee take any action in accordance with this Section 32, the Lead Borrower shall deliver to the Pledgee a certificate signed by a Responsible Officer of the Lead Borrower stating that the release of such Pledgor is permitted pursuant to this Section 32.

33. **Intercreditor Agreement.** This Agreement and the other Credit Documents are subject to the terms and conditions set forth in the Intercreditor Agreement in all respects and, in the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of Intercreditor Agreement shall govern. Notwithstanding anything herein to the contrary, the Lien and security interest granted to the Pledgee pursuant to any Credit Document and the exercise of any right or remedy in respect of the Collateral by the Pledgee (or any Secured Creditor) hereunder or under any other Credit Document are subject to the provisions of the Intercreditor Agreement and in the event of any conflict between the terms of the Intercreditor Agreement, this Agreement and any other Credit Document, the terms of the Intercreditor Agreement shall govern and control with respect to the exercise of any such right or remedy. Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, no Credit Party shall be required hereunder or under any Credit Document to take any action with respect to the Collateral that is inconsistent with such Credit Parties’ obligations under the Intercreditor Agreement. Prior to the Discharge of Fixed Asset Obligations (as defined in the Intercreditor Agreement), the delivery or granting of “control” (as defined in the UCC) to the extent only one Person can be granted “control” therein under applicable law of any Fixed Asset Collateral (as defined in the Intercreditor Agreement) to the collateral agent under the Term Loan Credit Agreement pursuant to the terms of the Fixed Asset Collateral Documents (as defined in the Intercreditor Agreement) shall satisfy any such delivery or granting of “control” requirement hereunder or under any other Credit Document with respect to any Fixed Asset Collateral to the extent that such delivery or granting of “control” is consistent with the terms of the Intercreditor Agreement.

to
ABL PLEDGE AGREEMENT

Form of Agreement Regarding Uncertificated Securities, Limited Liability
Company Interests and Partnership Interests

AGREEMENT (as amended, modified, restated and/or supplemented from time to time, this “Agreement”), dated as of [_______], 20__, among the undersigned pledgor (the “Pledgor”), [___________], not in its individual capacity but solely as Collateral Agent (the “Pledgee”), and [___________], as the issuer of the Uncertificated Securities, Limited Liability Company Interests and/or Partnership Interests (each as defined below) (the “Issuer”). Except as otherwise defined herein, all capitalized terms used herein and defined in the Pledge Agreement (as defined below) shall be used herein as therein defined.

WITNESSETH:

WHEREAS, the Pledgor, certain of its affiliates and the Pledgee have entered into an ABL Pledge Agreement, dated as of October 20, 2016 (as amended, modified, restated and/or supplemented from time to time, the “Pledge Agreement”), under which, among other things, in order to secure the payment of the Obligations (as defined in the Pledge Agreement), the Pledgor has or will pledge to the Pledgee for the benefit of the Secured Creditors (as defined in the Pledge Agreement), and grant a security interest in favor of the Pledgee for the benefit of the Secured Creditors in, all of the right, title and interest of the Pledgor in and to certain [“uncertificated securities” (as defined in Section 8-102(a)(18) of the Uniform Commercial Code, as adopted in the State of New York) (“Uncertificated Securities”) [Partnership Interests (as defined in the Pledge Agreement)] [Limited Liability Company Interests (as defined in the Pledge Agreement)], from time to time issued by the Issuer, whether now existing or hereafter from time to time acquired by the Pledgor (with all of such [Uncertificated Securities] [Partnership Interests] [Limited Liability Company Interests] being herein collectively called the “Issuer Pledged Interests”); and

WHEREAS, the Pledgor desires the Issuer to enter into this Agreement in order to perfect the security interest of the Pledgee under the Pledge Agreement in the Issuer Pledged Interests, to vest in the Pledgee control of the Issuer Pledged Interests and to provide for the rights of the parties under this Agreement;

NOW, THEREFORE, in consideration of the premises and the mutual promises and agreements contained herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. The Pledgor hereby irrevocably authorizes and directs the Issuer, and the Issuer hereby agrees, to comply with any and all instructions and orders originated by the Pledgee (and its successors and assigns) regarding any and all of the Issuer Pledged Interests without the further consent by the registered owner (including the Pledgor), and, following its receipt of a notice from the Pledgee stating that the Pledgee is exercising exclusive control of the Issuer Pledged Interests, not to comply with any instructions or orders regarding any or all of the Issuer Pledged Interests originated by any person or entity other than the Pledgee (and its successors and assigns) or a court of competent jurisdiction.
2. All notices, statements of accounts, reports, prospectuses, financial statements and other communications to be sent to the Pledgor by the Issuer in respect of the Issuer will also be sent to the Pledgee at the following address:

Bank of America, N.A.
1600 JFK Boulevard, 11th Floor
Philadelphia, PA 19103
Attention: Kevin Corcoran
Telephone No.: (267)-675-0162
Email: kevin.w.corcoran@baml.com

3. Following its receipt of a notice from the Pledgee stating that the Pledgee is exercising exclusive control of the Issuer Pledged Interests and until the Pledgee shall have delivered written notice to the Issuer that the Termination Date has occurred and this Agreement is terminated, the Issuer will send any and all redemptions, distributions, interest or other payments in respect of the Issuer Pledged Interests from the Issuer for the account of the Pledgee only by wire transfers to such account as the Pledgee shall instruct.

4. Except as expressly provided otherwise in Sections 4 and 5, all notices, instructions, orders and communications hereunder shall be sent or delivered by mail, telegraph, telex, telecopy, cable or overnight courier service and all such notices and communications shall, when mailed, telexed, telecopied, cabled or sent by overnight courier, be effective when deposited in the mails or delivered to overnight courier, prepaid and properly addressed for delivery on such or the next Business Day, or sent by telex or teletypewriter, except that notices and communications to the Pledgee or the Issuer shall not be effective until received. All notices and other communications shall be in writing and addressed as follows:

(a) if to the Pledgor, at:

________________________
________________________
________________________

(b) if to the Pledgee, at the address given in Section 4 hereof;

(c) if to the Issuer, at:

______________________
______________________
or at such other address as shall have been furnished in writing by any person described above to the party required to give notice hereunder. As used in this Section 6, "Business Day" means any day other than a Saturday, Sunday, or other day in which banks in New York are authorized to remain closed.

5. This Agreement shall be binding upon the successors and assigns of the Pledgor and the Issuer and shall inure to the benefit of and be enforceable by the Pledgee and its successors and permitted assigns. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which shall constitute one instrument. In the event that any provision of this Agreement shall prove to be invalid or unenforceable, such provision shall be deemed to be severable from the other provisions of this Agreement which shall remain binding on all parties hereto. None of the terms and conditions of this Agreement may be changed, waived, modified or varied in any manner whatsoever except in writing signed by the Pledgee, the Issuer and the Pledgor.

6. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

7. The rights and powers granted herein to the Pledgee have been granted in order to perfect its security interest in the Issuer Pledged Interests. This Agreement shall continue in effect until the security interest of the Pledgee in the Issuer Pledged Interests has been terminated and the Pledgee has notified the Issuer of such termination in writing. Upon receipt of such notice the obligations of Issuer pursuant to this Agreement with respect to the Issuer Pledged Interests after the receipt of such notice shall terminate, the Pledgee shall have no further right to originate instructions concerning the Issuer Pledged Interests and the Issuer may thereafter take such steps as the Pledgor may request to vest full ownership and control of the Issuer Pledged Interests in the Pledgor. The Pledgor may only terminate this Agreement with the written consent of the Pledgee; provided that, by giving such notice with the Pledgee’s written consent, both the Pledgor and the Pledgee acknowledge that they will thereby be confirming that, as of the termination date set forth in such notice, the Pledgee will no longer have a perfected security interest in the Issuer Pledged Interests via control pursuant to this Agreement. Subject to the foregoing, this Agreement automatically terminates when the Pledgee notifies the Issuer that all obligations owed to the Pledgee have been paid in full and the Pledgee has terminated its security interest in the Issuer Pledged Interests.

8. This Agreement is subject to the terms and conditions set forth in the Intercreditor Agreement (as defined in the Credit Agreement) in all respects and, in the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of Intercreditor Agreement shall govern.
IN WITNESS WHEREOF, the Pledgor, the Pledgee and the Issuer have caused this Agreement to be executed by their duly elected officers duly authorized as of the date first above written.

(a) any Lien of the Revolving Credit Collateral Agent on the ABL Collateral, whether now or hereafter held by or on behalf of the Revolving Credit Collateral Agent or any Revolving Credit Claimholders or any agent or trustee therefor, regardless of how acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be senior in all respects and prior to all Liens on the ABL Collateral securing or purporting to secure any Fixed Asset Obligations; and
(b) any Lien of any Fixed Asset Collateral Agent on the Fixed Asset Collateral, whether now or hereafter held by or on behalf of the Fixed Asset Collateral Agent, any Fixed Asset Claimholder or any agent or trustee therefor regardless of how acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, shall be senior in all respects to all Liens on the Fixed Asset Collateral securing or purporting to secure any Revolving Credit Obligations.

Each Fixed Asset Collateral Agent, for itself and on behalf of each applicable Fixed Asset Claimholder, and the Revolving Credit Collateral Agent, for itself and on behalf of each Revolving Credit Claimholder, agrees that it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any of the Revolving Credit Claimholders or any of the Fixed Asset Claimholders in the Collateral, the allowability of the claims asserted with respect to the Fixed Assets Obligations or the Revolving Credit Obligations in any Insolvency or Liquidation Proceeding, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Collateral Agent or any Revolving Credit Claimholder or Fixed Asset Claimholder to enforce this Agreement, including the provisions of this Agreement relating to the priority of the Liens securing the Obligations as provided in Sections 2.1, 3.1 and 3.2.

2.3. **No New Liens**. Until the Discharge of Revolving Credit Obligations and the Discharge of Fixed Asset Obligations shall have occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against one or more of the Borrowers or any other Grantor, the parties hereto acknowledge and agree that it is their intention that:

To the extent any additional Liens are granted on any asset or property as described above, the priority of such additional Liens shall be determined in accordance with Section 2.1. In addition, to the extent that Liens are granted on any asset or property to secure any Fixed Asset Obligation or Revolving Credit Obligation, as applicable, and a corresponding Lien is not granted to secure the Revolving Credit Obligations or Fixed Asset Obligations, as applicable, without limiting any other rights and remedies available hereunder, the Revolving Credit Collateral Agent, on behalf of the Revolving Credit Claimholders and each Fixed Asset Collateral Agent, on behalf of the applicable Fixed Asset Claimholders, agree that (i) such applicable Collateral Agent that has been granted such Lien shall also hold such Lien on behalf of the other Collateral Agent subject to the relative priorities set forth in Section 2.1 and (ii) any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.3 shall be subject to Section 4.2.

SECTION 3. **Enforcement.**

3.1. **Exercise of Remedies – Restrictions on Fixed Asset Collateral Agents.**

(a) Until the Discharge of Revolving Credit Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, the Fixed Asset Collateral Agents and the Fixed Asset Claimholders:

(1) will not exercise or seek to exercise any rights or remedies with respect to any ABL Collateral (including the exercise of any right of setoff or any right under any lockbox agreement or any control agreement with respect to Deposit Accounts or Securities Accounts or any assignment of claims pursuant to the FACA) or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure); provided, however, that the Controlling Fixed Asset Collateral Agent or any Person authorized by it may exercise any or all such rights or remedies after the passage of a period of at least 180 days has elapsed since the later of: (A) the date on which such Controlling Fixed Asset Collateral Agent declared the existence of a Fixed Asset Default and demanded the repayment of all the principal amount of any Fixed Asset Obligations; and (B) the date on which the Revolving Credit Collateral Agent received notice from such Controlling Fixed Asset Collateral Agent of such declaration of a Fixed Asset Default and that the Fixed Assets Obligations are currently due and payable in full (whether as a result of acceleration thereof or otherwise) in accordance with the terms of the applicable Fixed Asset Documents (the “**Fixed Asset Standstill Period**”); provided, further, however, that notwithstanding anything herein to the contrary, in no event shall any Fixed Asset Collateral Agent or any Fixed Asset Claimholder exercise any rights or remedies with respect to the ABL Collateral if, notwithstanding the expiration of the
Fixed Asset Standstill Period, the Revolving Credit Collateral Agent (or any person authorized by it) or Revolving Credit Claimholders shall have commenced and be diligently pursuing the exercise of their rights or remedies with respect to all or any material portion of such Collateral (prompt notice of such exercise to be given to the Controlling Fixed Asset Collateral Agent) or shall be stayed under applicable law from exercising such rights and remedies;

(2) will not contest, protest or object to, or otherwise interfere with, any foreclosure proceeding or action brought by the Revolving Credit Collateral Agent or any Revolving Credit Claimholder or any other exercise by the Revolving Credit Collateral Agent or any Revolving Credit Claimholder of any rights and remedies relating to the ABL Collateral, whether under the Revolving Credit Documents or otherwise; and

(3) subject to their rights under clause (a)(1) above and except as may be permitted in Section 3.1(c), will not object to the forbearance by the Revolving Credit Collateral Agent or any of the Revolving Credit Claimholders from bringing or pursuing any Collateral Enforcement Action; provided, however, that, in the case of (1), (2) and (3) above, the Liens granted to secure the Fixed Asset Obligations of the Fixed Asset Claimholders shall attach to the Proceeds thereof subject to the relative priorities described in Section 2.

(b) Until the Discharge of Revolving Credit Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, agrees that the Revolving Credit Collateral Agent and the Revolving Credit Claimholders shall (subject to Section 3.1(a)(1)) have the exclusive right to enforce rights, exercise remedies (including set-off and the right to credit bid their debt) and, in connection therewith (including voluntary Dispositions of ABL Collateral by the respective Grantors after a Revolving Credit Default) make determinations regarding the release, disposition, or restrictions with respect to the ABL Collateral (including, without limitation, exercising remedies under Deposit Account Control Agreements and Dominion Accounts) without any consultation with or the consent of any Fixed Asset Collateral Agent or any Fixed Asset Claimholder; provided, however, that the Lien securing the Fixed Asset Obligations shall remain on the Proceeds (other than those properly applied to the Revolving Credit Obligations) of such Collateral released or disposed of subject to the relative priorities described in Section 2. In exercising rights and remedies with respect to the ABL Collateral, each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, agrees that the Revolving Credit Collateral Agent and the Revolving Credit Claimholders may enforce the provisions of the Revolving Credit Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of the ABL Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured creditor under the UCC and of a secured creditor under the Bankruptcy Laws of any applicable jurisdiction. Each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, agrees that it will not seek, and hereby waives any right, to have any ABL Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral.
(c) Notwithstanding the foregoing, any Fixed Asset Collateral Agent and any Fixed Asset Claimholder may:

(1) file a claim or statement of interest with respect to the Fixed Asset Obligations; provided that an Insolvency or Liquidation Proceeding has been commenced by or against any Grantor;

(2) take any action in order to create, perfect, preserve or protect (but not enforce) its Lien on any of the Collateral; provided that such action shall not be inconsistent with the terms of this Agreement and shall not be adverse to the priority status of the Liens on the ABL Collateral, or the rights of the Revolving Credit Collateral Agent or the Revolving Credit Claimholders to exercise remedies in respect thereof;

(3) file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims or Liens of the Fixed Asset Claimholders, including any claims secured by the ABL Collateral, if any, in each case in accordance with the terms of this Agreement;

(4) file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Grantors arising under either any Insolvency or Liquidation Proceeding or applicable non-bankruptcy law, in each case not inconsistent with, or prohibited by, the terms of this Agreement;

(5) vote on any plan of reorganization or similar dispositive restructuring plan, file any proof of claim, make other filings and make any arguments and motions that are, in each case, in accordance with the terms of this Agreement (including Section 6.7(d)), with respect to the Fixed Asset Obligations and the Fixed Asset Collateral; and

(6) exercise any of its rights or remedies with respect to any of the Collateral after the termination of the Fixed Asset Standstill Period to the extent permitted by Section 3.1(a)(1).

Each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees that it will not take or receive any ABL Collateral or any Proceeds of such Collateral in connection with the exercise of any right or remedy (including set-off) with respect to any such Collateral in its capacity as a creditor in violation of this Agreement. Without limiting the generality of the foregoing, unless and until the Discharge of Revolving Credit Obligations has occurred, except as expressly provided in Sections 3.1(a), 6.3(c)(1) and this Section 3.1(c), the sole right of the Fixed Asset Collateral Agents and the Fixed Asset Claimholders with respect to the ABL Collateral is to hold a Lien on such Collateral pursuant to the Fixed Asset Collateral Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Revolving Credit Obligations has occurred.

-20-
(d) Subject to Sections 3.1(a) and (c) and Section 6.3(c)(1):

(1) each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, agrees that it will not, except as not prohibited herein, take any action that would hinder or delay any exercise of remedies under the Revolving Credit Documents or that is otherwise prohibited hereunder, including any sale, lease, exchange, transfer or other disposition of the ABL Collateral, whether by foreclosure or otherwise;

(2) each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, hereby waives any and all rights it or the applicable Fixed Asset Claimholders may have as a junior lien creditor with respect to the ABL Collateral or otherwise to object to the manner in which the Revolving Credit Collateral Agent or the Revolving Credit Claimholders seek to enforce or collect the Revolving Credit Obligations or the Liens on the ABL Collateral securing the Revolving Credit Obligations granted in any of the Revolving Credit Documents or undertaken in accordance with this Agreement, regardless of whether any action or failure to act by or on behalf of the Revolving Credit Collateral Agent or Revolving Credit Claimholders is adverse to the interest of the Fixed Asset Claimholders; and

(3) each Fixed Asset Collateral Agent hereby acknowledges and agrees that no covenant, agreement or restriction contained in any of the Fixed Asset Collateral Documents or any other Fixed Asset Document (other than this Agreement) shall be deemed to restrict in any way the rights and remedies of the Revolving Credit Collateral Agent or the Revolving Credit Claimholders with respect to the ABL Collateral as set forth in this Agreement and the Revolving Credit Documents.

(e) Except as otherwise set forth in, or otherwise prohibited by, any provision of this Agreement (including Sections 3.1(a) and (d), 3.5 and any provision prohibiting or restricting them from taking various actions or making various objections), the Fixed Asset Collateral Agents and the Fixed Asset Claimholders may exercise rights and remedies as unsecured creditors against any Grantor and may exercise rights and remedies with respect to the Fixed Asset Collateral, in each case, in accordance with the terms of the applicable Fixed Asset Documents and applicable law; provided, however, that in the event that any Fixed Asset Claimholder becomes a judgment Lien creditor in respect of ABL Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Fixed Asset Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the Revolving Credit Obligations) as the other Liens securing the Fixed Asset Obligations are subject to this Agreement.

(f) Nothing in this Agreement shall prohibit the receipt by any Fixed Asset Collateral Agent or any Fixed Asset Claimholders of payments of interest, principal and other amounts owed in respect of the applicable Fixed Asset Obligations so long as such receipt is not the direct or indirect result of the exercise by such Fixed Asset Collateral Agent or any Fixed Asset Claimholders of rights or remedies as a secured creditor (including set-off) or enforcement of any Lien held by any of them. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies the Revolving Credit Collateral Agent or the Revolving Credit Claimholders may have against the Grantors under the Revolving Credit Documents, other than with respect to the Fixed Asset Collateral solely to the extent expressly provided herein.
3.2. Exercise of Remedies – Restrictions on Revolving Credit Collateral Agent

(a) Until the Discharge of Fixed Asset Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, the Revolving Credit Collateral Agent and the Revolving Credit Claimholders:

(1) will not exercise or seek to exercise any rights or remedies with respect to any Fixed Asset Collateral or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure); provided, however, that the Revolving Credit Collateral Agent may exercise the rights provided for in Section 3.3 (with respect to any Access Period) and may exercise any or all such other rights or remedies after the passage of a period of at least 180 days has elapsed since the later of: (A) the date on which the Revolving Credit Collateral Agent declared the existence of any Revolving Credit Default and demanded the repayment of all the principal amount of any Revolving Credit Obligations; and (B) the date on which the Controlling Fixed Asset Collateral Agent received notice from the Revolving Credit Collateral Agent of such declaration of a Revolving Credit Default and that the Revolving Credit Obligations are currently due and payable in full (whether as a result of acceleration thereof or otherwise) in accordance with the terms of the applicable Revolving Credit Documents (the "Revolving Credit Standstill Period"); provided, further, however, that notwithstanding anything herein to the contrary, in no event shall the Revolving Credit Collateral Agent or any Revolving Credit Claimholder exercise any rights or remedies (other than those under Section 3.3) with respect to the Fixed Asset Collateral if, notwithstanding the expiration of the Revolving Credit Standstill Period, the Controlling Fixed Asset Collateral Agent (or any person authorized by it) shall have commenced and be diligently pursuing the exercise of their rights or remedies with respect to all or any material portion of such Collateral (prompt notice of such exercise to be given to the Revolving Credit Collateral Agent) or shall be stayed under applicable law from exercising such rights and remedies;

(2) will not contest, protest or object to, or otherwise interfere with, any foreclosure proceeding or action brought by any Fixed Asset Collateral Agent or any Fixed Asset Claimholder or any other exercise by a Fixed Asset Collateral Agent or any Fixed Asset Claimholder of any rights and remedies relating to the Fixed Asset Collateral, whether under the Fixed Asset Documents or otherwise; and

(3) subject to their rights under clause (a)(1) above and except as may be permitted in Section 3.2(c), will not object to the forbearance by any Fixed Asset Collateral Agent or Fixed Asset Claimholders from bringing or pursuing any Collateral Enforcement Action;
provided, however, that in the case of (1), (2) and (3) above, the Liens granted to secure the Revolving Credit Obligations of the Revolving Credit Claimholders shall attach to the Proceeds thereof subject to the relative priorities described in Section 2.

(b) Until the Discharge of Fixed Asset Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that the Fixed Asset Collateral Agents and the Fixed Asset Claimholders shall (subject to Section 3.2(a)(1)) have the exclusive right to enforce rights, exercise remedies (including set-off and the right to credit bid their debt) and, in connection therewith (including voluntary Dispositions of Fixed Asset Collateral by the respective Grantors after a Fixed Asset Default) make determinations regarding the release, disposition, or restrictions with respect to the Fixed Asset Collateral without any consultation with or the consent of the Revolving Credit Collateral Agent or any Revolving Credit Claimholder; provided, however, that the Lien securing the Revolving Credit Obligations shall remain on the Proceeds (other than those properly applied to the Fixed Asset Obligations) of such Collateral released or disposed of subject to the relative priorities described in Section 2. In exercising rights and remedies with respect to the Fixed Asset Collateral, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that the Fixed Asset Collateral Agents and the Fixed Asset Claimholders may enforce the provisions of the Fixed Asset Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of the Fixed Asset Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured creditor under the UCC and of a secured creditor under the Bankruptcy Laws of any applicable jurisdiction. The Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, agrees that it will not seek, and hereby waives any right, to have any Fixed Asset Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral.

(c) Notwithstanding the foregoing, the Revolving Credit Collateral Agent and any Revolving Credit Claimholder may:

(1) file a claim or statement of interest with respect to the Revolving Credit Obligations; provided that an Insolvency or Liquidation Proceeding has been commenced by or against any Grantor;

(2) take any action in order to create, perfect, preserve or protect (but not enforce) its Lien on any of the Collateral provided that such action shall not be inconsistent with the terms of this Agreement and shall not be adverse to the priority status of the Liens on the Fixed Asset Collateral, or the rights of any Fixed Asset Collateral Agent or any of the Fixed Asset Claimholders to exercise remedies in respect thereof;

(3) file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims or Liens of the Revolving Credit Claimholders, including any claims secured by the Fixed Asset Collateral, if any, in each case in accordance with the terms of this Agreement;
(4) file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Grantors arising under either any Insolvency or Liquidation Proceeding or applicable non-bankruptcy law, in each case not inconsistent with or prohibited by the terms of this Agreement;

(5) vote on any plan of reorganization or similar dispositive restructuring plan, file any proof of claim, make other filings and make any arguments and motions that are, in each case, in accordance with the terms of this Agreement (including Section 6.7(d)), with respect to the Revolving Credit Obligations and the ABL Collateral; and

(6) exercise any of its rights or remedies with respect to any of the Collateral after the termination of the Revolving Credit Standstill Period to the extent permitted by Section 3.2(a)(1).

The Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that it will not take or receive any Fixed Asset Collateral or any Proceeds of such Collateral in connection with the exercise of any right or remedy (including set-off) with respect to any such Collateral in its capacity as a creditor in violation of this Agreement. Without limiting the generality of the foregoing, unless and until the Discharge of Fixed Asset Obligations has occurred, except as expressly provided in Sections 3.2(a), 3.3, 3.4, 6.3(c)(2) and this Section 3.2(c), the sole right of the Revolving Credit Collateral Agent and the Revolving Credit Claimholders with respect to the Fixed Asset Collateral is to hold a Lien on such Collateral pursuant to the Revolving Credit Collateral Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Fixed Asset Obligations has occurred.

(d) Subject to Sections 3.2(a) and (c) and Sections 3.3 and 6.3(c)(2):

(1) the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, agrees that the Revolving Credit Collateral Agent and the Revolving Credit Claimholders will not, except as not prohibited herein, take any action that would hinder or delay any exercise of remedies under the Fixed Asset Documents or that is otherwise prohibited hereunder, including any sale, lease, exchange, transfer or other disposition of the Fixed Asset Collateral, whether by foreclosure or otherwise;

(2) the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, hereby waives any and all rights it or the Revolving Credit Claimholders may have as a junior lien creditor with respect to the Fixed Asset Collateral or otherwise to object to the manner in which the any Fixed Asset Collateral Agent or the Fixed Asset Claimholders seek to enforce or collect the Fixed Asset Obligations or the Liens on the Fixed Asset Collateral securing the Fixed Asset Obligations granted in any of the Fixed Asset Documents or undertaken in accordance with this Agreement, regardless of whether any action or failure to act by or on behalf of any Fixed Asset Collateral Agent or the Fixed Asset Claimholders is adverse to the interest of the Revolving Credit Claimholders; and

-24-
(3) the Revolving Credit Collateral Agent hereby acknowledges and agrees that no covenant, agreement or restriction contained in any of the Revolving Credit Collateral Documents or any other Revolving Credit Document (other than this Agreement) shall be deemed to restrict in any way the rights and remedies of the Fixed Asset Collateral Agents or the Fixed Asset Claimholders with respect to the Fixed Asset Collateral as set forth in this Agreement and the Fixed Asset Documents.

(e) Except as otherwise set forth in, or otherwise prohibited by, any provision of this Agreement (including Sections 3.2(a) and (d), Section 3.5 and any provision prohibiting or restricting them from taking various actions or making various objections), the Revolving Credit Collateral Agent and the Revolving Credit Claimholders may exercise rights and remedies as unsecured creditors against any Grantor and may exercise rights and remedies with respect to the ABL Collateral, in each case, in accordance with the terms of the Revolving Credit Documents and applicable law; provided, however, that in the event that any Revolving Credit Claimholder becomes a judgment Lien creditor in respect of Fixed Asset Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Revolving Credit Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the Fixed Asset Obligations) as the other Liens securing the Revolving Credit Obligations are subject to this Agreement.

(f) Nothing in this Agreement shall prohibit the receipt by the Revolving Credit Collateral Agent or any Revolving Credit Claimholders of payments of interest, principal and other amounts owed in respect of the Revolving Credit Obligations so long as such receipt is not the direct or indirect result of the exercise by the Revolving Credit Collateral Agent or any Revolving Credit Claimholders of rights or remedies as a secured creditor (including set-off) or enforcement of any Lien held by any of them. Nothing in this Agreement impairs or otherwise adversely affects any rights or remedies the Fixed Asset Collateral Agents or the Fixed Asset Claimholders may have against the Grantors under the Fixed Asset Documents, other than with respect to the ABL Collateral solely to the extent expressly provided herein.

3.3. Exercise of Remedies – Collateral Access Rights

(a) The Revolving Credit Collateral Agent and the Fixed Asset Collateral Agents agree not to commence any Collateral Enforcement Action until an Enforcement Notice has been given to the other Collateral Agent. Subject to the provisions of Sections 3.1 and 3.2 above, either Collateral Agent may join in any judicial proceedings commenced by the other Collateral Agent to enforce Liens on the Collateral, provided that neither Collateral Agent, nor the Revolving Credit Claimholders or the Fixed Asset Claimholders, as the case may be, shall interfere with the Collateral Enforcement Actions of the other with respect to Collateral in which such party has the priority Lien in accordance herewith.
(b) If any Fixed Asset Collateral Agent, or any agent or representative of any Fixed Asset Collateral Agent, or any receiver, shall obtain possession or physical control of any of the Mortgaged Premises, such Fixed Asset Collateral Agent shall promptly notify the Revolving Credit Collateral Agent of that fact (such notice, a “Notice of Occupancy”) and the Revolving Credit Collateral Agent shall, within ten (10) Business Days thereafter, notify the Controlling Fixed Asset Collateral Agent as to whether the Revolving Credit Collateral Agent desires to exercise access rights under this Agreement (such notice, an “Access Acceptance Notice”), at which time the parties shall confer in good faith to coordinate with respect to the Revolving Credit Collateral Agent’s exercise of such access rights; provided, that it is understood and agreed that the Fixed Asset Collateral Agents shall obtain possession or physical control of the Mortgaged Premises in the manner provided in the applicable Fixed Asset Collateral Documents and in the manner provided herein. Access rights may apply to differing parcels of Mortgaged Premises at differing times, in which case, a differing Access Period may apply to each such property. In the event that the Revolving Credit Collateral Agent elects to exercise its access rights as provided in this Agreement, each Fixed Asset Collateral Agent agrees, for itself and on behalf of the applicable Fixed Asset Claimholders, that in the event that any Fixed Asset Claimholder exercises its rights to sell or otherwise dispose of any Mortgaged Premises, whether before or after the delivery of a Notice of Occupancy to the Revolving Credit Collateral Agent, the Fixed Asset Collateral Agents shall (i) provide access rights to the Revolving Credit Collateral Agent for the duration of the Access Period in accordance with this Agreement and (ii) if such a sale or other disposition occurs prior to the Revolving Credit Collateral Agent delivering an Access Acceptance Notice during the time period provided therefor, or if applicable, the expiration of the applicable Access Period, shall ensure that the purchaser or other transferee of such Mortgaged Premises provides the Revolving Credit Collateral Agent the opportunity to exercise its access rights, and upon delivery of an Access Acceptance Notice to such purchaser or transferee, continued access rights to the Mortgaged Premises for the duration of the applicable Access Period, in the manner and to the extent required by this Agreement.

(c) Upon delivery of notice to the Controlling Fixed Asset Collateral Agent as provided in Section 3.3(b), the Access Period shall commence for the subject parcel of Mortgaged Premises. During the Access Period, the Revolving Credit Collateral Agent and its agents, representatives and designees shall have a non-exclusive right to have access to, and a rent free right to use, the Fixed Asset Collateral for the purpose of arranging for and effecting the sale or disposition of ABL Collateral, including the production, completion, packaging and other preparation of such ABL Collateral for sale or disposition. During any such Access Period, the Revolving Credit Collateral Agent and its agents, representatives and designees (and Persons employed on their respective behalves), may continue to operate, service, maintain, process and sell the ABL Collateral, as well as to engage in bulk sales of ABL Collateral. The Revolving Credit Collateral Agent shall take proper care of any Fixed Asset Collateral that is used by the Revolving Credit Collateral Agent during the Access Period and repair and replace any damage (ordinary wear-and-tear excepted) caused by the Revolving Credit Collateral Agent or its agents, representatives or designees and the Revolving Credit Collateral Agent shall comply with all applicable laws in connection with its use or occupancy of the Fixed Asset Collateral. The Revolving Credit Collateral Agent and the Revolving Credit Claimholders shall (to the extent that there are sufficient available proceeds of ABL Collateral for the purposes of paying such indemnity) indemnify and hold harmless the Fixed Asset Collateral Agents and the Fixed Asset Claimholders for any injury or damage to Persons or property caused by the acts or omissions of Persons under its control. The Revolving Credit Collateral Agent and the Fixed Asset Collateral Agents shall cooperate and use reasonable efforts to ensure that their activities during the Access Period as described above do not interfere materially with the activities of the other as described above, including the right of the Fixed Asset Collateral Agents to show the Fixed Asset Collateral to prospective purchasers and to ready the Fixed Asset Collateral for sale.
(d) If any order or injunction is issued or stay is granted which prohibits the Revolving Credit Collateral Agent from exercising any of its rights hereunder, then at the Revolving Credit Collateral Agent’s option, the Access Period granted to the Revolving Credit Collateral Agent under this Section 3.3 shall be stayed during the period of such prohibition and shall continue thereafter for the number of days remaining as required under this Section 3.3. If any Fixed Asset Collateral Agent shall foreclose or otherwise sell any of the Fixed Asset Collateral, such Fixed Asset Collateral Agent will notify the buyer thereof of the existence of this Agreement and that the buyer is acquiring the Fixed Asset Collateral subject to the terms of this Agreement.

(e) Each Fixed Asset Collateral Agent consents to such easement and to the recordation of a collateral access easement agreement, in form and substance reasonably acceptable to the Controlling Fixed Asset Collateral Agent, in the relevant real estate records with respect to each parcel of real property that is now or hereafter subject to a Fixed Asset Mortgage. The Revolving Credit Collateral Agent agrees that upon either a Discharge of Revolving Credit Obligations or the expiration of the final Access Period with respect to any parcel of property covered by a Fixed Asset Mortgage, it shall, upon request, execute and deliver to the Controlling Fixed Asset Collateral Agent, or if a Discharge of Fixed Asset Obligations has occurred, to the respective Grantor, such documentation, in recordable form, as may reasonably be requested to terminate any and all rights with respect to such Access Periods.

3.4. Exercise of Remedies – Intellectual Property Rights/Access to Information. Each Fixed Asset Collateral Agent hereby grants (to the full extent of their respective rights and interests) the Revolving Credit Collateral Agent and its agents, representatives and designees (a) a royalty free, rent free non-exclusive license and lease to use all of the Fixed Asset Collateral constituting Intellectual Property, to complete the sale of inventory and (b) a royalty free non-exclusive license (which will be binding on any successor or assignee of the Intellectual Property) to use any and all Intellectual Property, in each case, at any time in connection with its Collateral Enforcement Action; provided, however, the royalty free, rent free non-exclusive license and lease granted in clause (a) shall immediately expire upon the sale, lease, transfer or other disposition of all such inventory.

3.5. Exercise of Remedies – Set Off and Tracing of and Priorities in Proceeds

(a) The Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, acknowledges and agrees that, to the extent the Revolving Credit Collateral Agent or any Revolving Credit Claimholder exercises its rights of setoff against any Grantors’ Deposit Accounts or Securities Accounts that contain identifiable Proceeds of Fixed Asset Collateral, a percentage of the amount of such setoff equal to the percentage that such Proceeds bear to the total amount on deposit in or credited to the balance of such Deposit Accounts or Securities Accounts shall be deemed to constitute Fixed Asset Collateral, which amount shall be held and distributed pursuant to Section 4.3; provided, however that the foregoing shall not apply to any setoff by the Revolving Credit Collateral Agent against any ABL Collateral to the extent applied to the payment of Revolving Credit Obligations.
(b) Each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, also agrees that prior to an issuance of an Enforcement Notice, all funds deposited in an account subject to a Deposit Account Control Agreement or a Dominion Account (in each case as defined in the Revolving Credit Agreement) that constitute ABL Collateral and then applied to the Revolving Credit Obligations shall be treated as ABL Collateral and, unless the Revolving Credit Collateral Agent has actual knowledge to the contrary, any claim that payments made to the Revolving Credit Collateral Agent through the Deposit Accounts and Securities Accounts that are subject to such Deposit Account Control Agreements or Dominion Accounts, respectively, are Proceeds of or otherwise constitute Fixed Asset Collateral are waived by the Fixed Asset Collateral Agents and the Fixed Asset Claimholders; provided that after the issuance of an Enforcement Notice by the Controlling Fixed Asset Collateral Agent, all identifiable proceeds of Fixed Asset Collateral shall be deemed Fixed Asset Collateral, whether or not held in an account subject to a control agreement.

(c) The Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, and each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, further agree that prior to an issuance of an Enforcement Notice, any Proceeds of Collateral, whether or not deposited in an account subject to a deposit account control agreement or a securities account control agreement, shall not (as between the Collateral Agents, the Revolving Credit Claimholders and the Fixed Asset Claimholders) be treated as Proceeds of Collateral for purposes of determining the relative priorities in the Collateral.

SECTION 4. Payments.

4.1. Application of Proceeds.

(a) So long as the Discharge of Revolving Credit Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, all ABL Collateral or Proceeds thereof received in connection with the sale or other disposition of, or collection on, such Collateral upon the exercise of remedies by the Revolving Credit Collateral Agent or any Revolving Credit Claimholder (including any money or other funds from any Governmental Authority as a result of the compliance by the Grantors with the Federal Assignment of Claims Act ("FACA")), shall be applied by the Revolving Credit Collateral Agent to the Revolving Credit Obligations in such order as specified in the relevant Revolving Credit Documents. Upon the Discharge of Revolving Credit Obligations, the Revolving Credit Collateral Agent shall deliver to the Controlling Fixed Asset Collateral Agent any Collateral and Proceeds of Collateral held by it as a result of the exercise of remedies in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct to be applied by the Controlling Fixed Asset Collateral Agent to the Fixed Asset Obligations in such order as specified in Section 4.1(b).
(b) So long as the Discharge of Fixed Asset Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, subject to any intercreditor arrangements among the Fixed Asset Claimholders referred to in Section 8.17 hereof, all Fixed Asset Collateral or Proceeds thereof received in connection with the sale or other disposition of, or collection on, such Collateral upon the exercise of remedies by any Fixed Asset Collateral Agent or any Fixed Asset Claimholder, shall be applied by the Controlling Fixed Asset Collateral Agent to the Fixed Asset Obligations in the order specified in the Fixed Asset Documents. Upon the Discharge of Fixed Asset Obligations, each Fixed Asset Collateral Agent shall deliver to the Revolving Credit Collateral Agent any Collateral and Proceeds of Collateral held by it as a result of the exercise of remedies in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct to be applied by the Revolving Credit Collateral Agent to the Revolving Credit Obligations in such order as specified in the Revolving Credit Collateral Documents.

4.2. Payments Over in Violation of Agreement. So long as neither the Discharge of Revolving Credit Obligations nor the Discharge of Fixed Asset Obligations has occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Grantor, any Collateral or Proceeds thereof (including assets or Proceeds subject to Liens referred to in the final sentence of Section 2.3) received by any Collateral Agent or any Fixed Asset Claimholders or Revolving Credit Claimholders in connection with the exercise of any right or remedy (including set-off) relating to the Collateral or otherwise received in contravention of this Agreement shall be segregated and held in trust and forthwith paid over to the appropriate Collateral Agent for the benefit of the Fixed Asset Claimholders or the Revolving Credit Claimholders, as the case may be, in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. Each Collateral Agent is hereby authorized by the other Collateral Agent to make any such endorsements as agent for the other Collateral Agent or any Fixed Asset Claimholders or Revolving Credit Claimholders, as the case may be. This authorization is coupled with an interest and is irrevocable until the Discharge of Revolving Credit Obligations and Discharge of Fixed Asset Obligations.

4.3. Application of Payments. Subject to the other terms of this Agreement, all payments received by (a) the Revolving Credit Collateral Agent or the Revolving Credit Claimholders may be applied, reversed and reapplied, in whole or in part, to the Revolving Credit Obligations to the extent provided for in the Revolving Credit Documents and (b) the Fixed Asset Collateral Agents or the Fixed Asset Claimholders, subject to any intercreditor arrangements referred to in Section 8.17 hereof, may be applied, reversed and reapplied, in whole or in part, to the Fixed Asset Obligations.

4.4. Reinstatement. (a) To the extent any payment with respect to any Revolving Credit Obligation (whether by or on behalf of any Grantor, as Proceeds of security, enforcement of any right of setoff or otherwise) is avoided or otherwise declared to be a fraudulent conveyance or a preference in any respect, set aside or required to be paid to a debtor in possession, any Fixed Asset Claimholders, receiver or similar Person, whether in connection with any Insolvency or Liquidation Proceeding or otherwise, then the obligation or part thereof originally intended to be satisfied shall, for the purposes of this Agreement and the rights and obligations of the Revolving Credit Claimholders and the Fixed Asset Claimholders, be deemed to be reinstated and

-29-
outstanding as if such payment had not occurred. To the extent that any interest, fees, expenses or other charges (including, without limitation, Post-Petition Interest) to be paid pursuant to the Revolving Credit Documents are disallowed by order of any court, including, without limitation, by order of a Bankruptcy Court in any Insolvency or Liquidation Proceeding, such interest, fees, expenses and charges (including, without limitation, Post-Petition Interest) shall, as between the Revolving Credit Claimholders and the Fixed Asset Claimholders, be deemed to continue to accrue and be added to the amount to be calculated as the “Revolving Credit Obligations.”

(b) To the extent any payment with respect to any Fixed Asset Obligation (whether by or on behalf of any Grantor, as Proceeds of security, enforcement of any right of setoff or otherwise) is avoided or otherwise declared to be a fraudulent conveyance or a preference in any respect, set aside or required to be paid to a debtor in possession, any Revolving Credit Claimholders, receiver or similar Person, whether in connection with any Insolvency or Liquidation Proceeding or otherwise, then the obligation or part thereof originally intended to be satisfied shall, for the purposes of this Agreement and the rights and obligations of the Fixed Asset Claimholders and the Revolving Credit Claimholders, be deemed to be reinstated and outstanding as if such payment had not occurred. To the extent that any interest, fees, expenses or other charges (including, without limitation, Post-Petition Interest) to be paid pursuant to the Fixed Asset Documents are disallowed by order of any court, including, without limitation, by order of a Bankruptcy Court in any Insolvency or Liquidation Proceeding, such interest, fees, expenses and charges (including, without limitation, Post-Petition Interest) shall, as between the Fixed Asset Claimholders and the Revolving Credit Claimholders, be deemed to continue to accrue and be added to the amount to be calculated as the “Fixed Asset Obligations.”

SECTION 5. Other Agreements

5.1. Releases

(a) (i) If in connection with the exercise of the Revolving Credit Collateral Agent’s remedies in respect of any Collateral as provided for in Section 3.1, the Revolving Credit Collateral Agent, for itself or on behalf of any of the Revolving Credit Claimholders, releases any of its Liens on any part of the ABL Collateral, then the Liens, if any, of each Fixed Asset Collateral Agent, for itself or for the benefit of the applicable Fixed Asset Claimholders, on the ABL Collateral sold or disposed of in connection with such exercise, shall be automatically, unconditionally and simultaneously released. Each Fixed Asset Collateral Agent, for itself or on behalf of any such Fixed Asset Claimholders, promptly shall execute and deliver to the Revolving Credit Collateral Agent or such Grantor such termination statements, releases and other documents as the Revolving Credit Collateral Agent or such Grantor may request to effectively confirm such release.

(ii) If in connection with the exercise of the Controlling Fixed Asset Collateral Agent’s remedies in respect of any Collateral as provided for in Section 3.2, the Controlling Fixed Asset Collateral Agent, for itself or on behalf of any of the Fixed Asset Claimholders, releases any of its Liens on any part of the Fixed Asset Collateral, then the Liens, if any, of the Revolving Credit Collateral Agent, for itself or for the benefit of the Revolving Credit Claimholders, on the Fixed Asset Collateral sold or disposed of in connection with such exercise, shall be automatically, unconditionally and simultaneously released. The Revolving Credit
Collateral Agent, for itself or on behalf of any such Revolving Credit Claimholders, promptly shall execute and deliver to the Controlling Fixed Asset Collateral Agent or such Grantor such termination statements, releases and other documents as the Controlling Fixed Asset Collateral Agent or such Grantor may request to effectively confirm such release.

(b) If in connection with any sale, lease, exchange, transfer or other disposition of any Collateral (collectively, a "Disposition") permitted under the terms of both the Revolving Credit Documents and the Fixed Asset Documents (other than in connection with the exercise of the respective Collateral Agent’s rights and remedies in respect of the Collateral as provided for in Sections 3.1 and 3.2), (i) the Revolving Credit Collateral Agent, for itself or on behalf of any of the Revolving Credit Claimholders, releases any of its Liens on any part of the ABL Collateral, in each case other than (A) in connection with the Discharge of Revolving Credit Obligations or (B) after the occurrence and during the continuance of a Fixed Asset Default, then the Liens, if any, of each Fixed Asset Collateral Agent, for itself or for the benefit of the applicable Fixed Asset Claimholders, on such Collateral shall be automatically, unconditionally and simultaneously released, and (ii) the Controlling Fixed Asset Collateral Agent, for itself or on behalf of any of the applicable Fixed Asset Claimholders, releases any of its Liens on any part of the Fixed Asset Collateral, in each case other than (A) in connection with the Discharge of Fixed Asset Obligations or (B) after the occurrence and during the continuance of a Revolving Credit Default, then the Liens, if any, of the Revolving Credit Collateral Agent, for itself or for the benefit of the Revolving Credit Claimholders on such Collateral (or, if such Collateral includes the Equity Interests of any Subsidiary, the Liens on Collateral owned by such Subsidiary) shall be automatically, unconditionally and simultaneously released. The Revolving Credit Collateral Agent and each Fixed Asset Collateral Agent, each for itself and on behalf of any such Revolving Credit Claimholders or Fixed Asset Claimholders, as the case may be, promptly shall execute and deliver to the other Collateral Agents or such Grantor such termination statements, releases and other documents as the other Collateral Agents or such Grantor may request to effectively confirm such release.

(c) Until the Discharge of Revolving Credit Obligations and Discharge of Fixed Asset Obligations shall occur, the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, and each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, as the case may be, hereby irrevocably constitutes and appoints the other Collateral Agents and any officer or agent of the other Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the other Collateral Agent or such holder or in the Collateral Agent’s own name, from time to time in such Collateral Agent’s discretion, for the purpose of carrying out the terms of this Section 5.1, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 5.1, including any endorsements or other instruments of transfer or release.

(d) Until the Discharge of Revolving Credit Obligations and Discharge of Fixed Asset Obligations shall occur, to the extent that the Collateral Agents or the Revolving Credit Claimholders or the Fixed Asset Claimholders (i) have released any Lien on Collateral and such Lien is later reinstated or (ii) obtain any new Liens from any Grantor, then each other Collateral Agent, for itself and for the Revolving Credit Claimholders or applicable Fixed Asset Claimholders, as the case may be, shall be granted a Lien on any such Collateral, subject to the lien priority provisions of this Agreement.
5.2. **Insurance**

(a) Unless and until the Discharge of Revolving Credit Obligations has occurred, subject to the terms of, and the rights of the Grantors under, the Revolving Credit Documents, each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders agrees, that (i) in accordance with the terms of the applicable Credit Documents, the Revolving Credit Collateral Agent shall have the sole and exclusive right to adjust settlement for any insurance policy covering the ABL Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting such Collateral; (ii) in accordance with the terms of the applicable Credit Documents, all Proceeds of any such policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of such Collateral and to the extent required by the Revolving Credit Documents shall be paid to the Revolving Credit Collateral Agent for the benefit of the Revolving Credit Claimholders pursuant to the terms of the Revolving Credit Documents (including, without limitation, for purposes of cash collateralization of letters of credit) and thereafter, to the extent no Revolving Credit Obligations are outstanding, and subject to the rights of the Grantors under the Fixed Asset Documents, to the Fixed Asset Collateral Agents for the benefit of the Fixed Asset Claimholders to the extent required under the Fixed Asset Collateral Documents and then, to the extent no Fixed Asset Obligations are outstanding, and subject to the rights of the Grantors under the Revolving Credit Documents, to the Revolving Credit Collateral Agent for the benefit of the Revolving Credit Claimholders to the extent required under the Revolving Credit Collateral Documents and then, to the extent no Revolving Credit Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct, and (iii) if any Fixed Asset Collateral Agent or any Fixed Asset Claimholders shall, at any time, receive any Proceeds of any such insurance policy or any such award or payment in contravention of this Agreement, it shall segregate and hold in trust and forthwith pay such Proceeds over to the Revolving Credit Collateral Agent in accordance with the terms of Section 4.2.

(b) Unless and until the Discharge of Fixed Asset Obligations has occurred, subject to the terms of, and the rights of the Grantors under, the Fixed Asset Documents, the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, agrees that (i) in accordance with the terms of the applicable Credit Documents, the Controlling Fixed Asset Collateral Agent, for itself and on behalf of the Fixed Asset Claimholders shall have the sole and exclusive right to adjust settlement for any insurance policy covering the Fixed Asset Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting such Collateral; (ii) in accordance with the terms of the applicable Credit Documents, all Proceeds of any such policy and any such award (or any payments with respect to a deed in lieu of condemnation) if in respect of such Collateral and to the extent required by the Fixed Asset Documents shall be paid to the Fixed Asset Collateral Agents for the benefit of the Fixed Asset Claimholders pursuant to the terms of the Fixed Asset Documents and thereafter, to the extent no Fixed Asset Obligations are outstanding, and subject to the rights of the Grantors under the Revolving Credit Documents, to the Revolving Credit Collateral Agent for the benefit of the Revolving Credit Claimholders to the extent required under the Revolving Credit Collateral Documents and then, to the extent no Revolving Credit Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent
jurisdiction may otherwise direct, and (iii) in accordance with the terms of the applicable Credit Documents, if the Revolving Credit Collateral Agent or any
Revolving Credit Claimholders shall, at any time, receive any Proceeds of any such insurance policy or any such award or payment in contravention of this
Agreement, it shall segregate and hold in trust and forthwith pay such Proceeds over to the Controlling Fixed Asset Collateral Agent in accordance with the
terms of Section 4.2.

(c) To effectuate the foregoing, the Collateral Agents shall each receive separate lender’s loss payable endorsements naming themselves as
loss payee and additional insured, as their interests may appear, with respect to policies which insure Collateral hereunder. To the extent any Proceeds are
received for business interruption or for any liability or indemnification and those Proceeds are not compensation for a casualty loss with respect to the Fixed
Asset Collateral, such Proceeds shall first be applied to repay the Revolving Credit Obligations (to the extent required pursuant to the Revolving Credit
Agreement) and then be applied, to the extent required by the Fixed Asset Documents, to the Fixed Asset Obligations.

5.3. Amendments to Revolving Credit Documents and Fixed Asset Documents; Refinancing.

(a) The Fixed Asset Documents may be amended, amended and restated, replaced, supplemented or otherwise modified in accordance with
their terms and the Fixed Asset Obligations may be refinanced, in each case, without notice to, or the consent of the Revolving Credit Collateral Agent or
the Revolving Credit Claimholders, all without affecting the lien priorities or other provisions of this Agreement; provided, however, that any such
Refinancing shall comply with Section 5.5 and shall not contravene any provision of this Agreement.

(b) The Revolving Credit Documents may be amended, amended and restated, replaced, supplemented or otherwise modified in accordance
with their terms and the Revolving Credit Agreement may be refinanced, in each case, without notice to, or the consent of any Fixed Asset Collateral Agent
or the Fixed Asset Claimholders, all without affecting the lien priorities or other provisions of this Agreement; provided, however, that any such Refinancing
shall comply with Section 5.5 and shall not contravene any provision of this Agreement.

(c) On or after any refinancing, and the receipt of notice thereof, which notice shall include the identity of an new or replacement Collateral
Agent or other agent serving the same or similar function, each existing Collateral Agent shall promptly enter into such documents and agreements
(including amendments or supplements to this Intercreditor Agreement) as any Grantor or such new or replacement Collateral Agent may reasonably request
in order to provide to such new or replacement Collateral Agent the rights, remedies and powers and authorities contemplated hereby, in each case consistent
in all respects with the terms of this Intercreditor Agreement.

(d) The Revolving Credit Collateral Agent and each Fixed Asset Collateral Agent shall each use good faith efforts to notify the other parties
hereto of any written amendment or modification to any Revolving Credit Document or any Fixed Asset Document, as applicable, but the failure to do so
shall not create a cause of action against the party failing to give such notice or create any claim or right on behalf of any third party.
5.4. Bailees for Perfection

(a) Except as provided in Section 2.5, each Collateral Agent agrees to hold that part of the Collateral that is in its possession or control (or in the possession or control of its agents or bailees) to the extent that possession or control thereof is taken to perfect a Lien thereon under the UCC (such Collateral being the "Pledged Collateral") as collateral agent for the Revolving Credit Claimholders or the Fixed Asset Claimholders, as the case may be, and as bailee for the other Collateral Agents (such bailment being intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC) and any assignee solely for the purpose of perfecting the security interest granted under the Revolving Credit Documents and the Fixed Asset Documents, respectively, subject to the terms and conditions of this Section 5.4.

(b) No Collateral Agent shall have any obligation whatsoever to the other Collateral Agents, to any Revolving Credit Claimholder, or to any Fixed Asset Claimholder to ensure that the Pledged Collateral is genuine or owned by any of the Grantors or to preserve rights or benefits of any Person except as expressly set forth in this Section 5.4. The duties or responsibilities of the respective Collateral Agents under this Section 5.4 shall be limited solely to holding the Pledged Collateral as bailee in accordance with this Section 5.4 and delivering the Pledged Collateral upon a Discharge of Revolving Credit Obligations or Discharge of Fixed Asset Obligations, as the case may be, as provided in paragraph (d) below.

(c) No Collateral Agent acting pursuant to this Section 5.4 shall have by reason of the Revolving Credit Documents, the Fixed Asset Documents, this Agreement or any other document a fiduciary relationship in respect of the other Collateral Agent, or any Revolving Credit Claimholders or any Fixed Asset Claimholders. Each Collateral Agent, for itself and on behalf of each applicable Credit Party represented thereby, hereby waives and releases the other Collateral Agent from all claims and liabilities arising pursuant to such Collateral Agent’s role under this Section 5.4 as bailee with respect to the applicable Pledged Collateral.

(d) Upon the Discharge of Revolving Credit Obligations or the Discharge of Fixed Asset Obligations, as the case may be, the Collateral Agent under the debt facility which has been discharged shall deliver the remaining Pledged Collateral (if any) together with any necessary endorsements and without recourse or warranty, first, to the other Collateral Agent (for the avoidance of doubt, in the case of the Discharge of Revolving Credit Obligations, to the Controlling Fixed Asset Collateral Agent) to the extent the other Obligations (other than Contingent Obligations) remain outstanding, and second, to the applicable Grantor to the extent no Revolving Credit Obligations or Fixed Asset Obligations, as the case may be, remain outstanding (in each case, so as to allow such Person to obtain possession or control of such Pledged Collateral). Each Collateral Agent further agrees, to the extent that any other Obligations (other than applicable Contingent Obligations) remain outstanding, to take all other commercially reasonable action as shall be reasonably requested by the other Collateral Agent, at the sole cost and expense of the Credit Parties, to permit such other Collateral Agent to obtain, for the benefit of the Revolving Credit Claimholders or Fixed Asset Claimholders, as applicable, a first-priority interest in the Collateral or as a court of competent jurisdiction may otherwise direct.

-34-
(e) Subject to the terms of this Agreement, (i) so long as the Discharge of Revolving Credit Obligations has not occurred, the Revolving Credit Collateral Agent shall be entitled to deal with the Pledged Collateral or Collateral within its “control” in accordance with the terms of this Agreement and other Revolving Credit Documents, but only to the extent that such Collateral constitutes ABL Collateral, as if the Liens of the Fixed Asset Collateral Agents and Fixed Asset Claimholders did not exist and (ii) so long as the Discharge of Fixed Asset Obligations has not occurred, the Controlling Fixed Asset Collateral Agent shall be entitled to deal with the Pledged Collateral or Collateral within its “control” in accordance with the terms of this Agreement and other Fixed Asset Documents, but only to the extent that such Collateral constitutes Fixed Asset Collateral, as if the Liens of the Revolving Credit Collateral Agent and Revolving Credit Claimholders did not exist. In furtherance of the foregoing, promptly following the Discharge of Revolving Credit Obligations, unless a New Debt Notice in respect of new Revolving Credit Documents shall have been delivered as provided in Section 5.5 below, the Revolving Credit Collateral Agent hereby agrees to deliver, at the cost and expense of the Credit Parties, to each bank and securities intermediary, if any, that is counterparty to a deposit account control agreement or securities account control agreement, as applicable, written notice as contemplated in such deposit account control agreement or securities account control agreement, as applicable, directing such bank or securities intermediary, as applicable, to comply with the instructions of the Controlling Fixed Asset Collateral Agent, unless the Discharge of Fixed Asset Obligations has occurred (as certified to the Revolving Credit Collateral Agent by the Borrower), in which case, such deposit account control agreement or securities account control agreement, as the case may be, shall be terminated.

(f) In the event the Revolving Credit Collateral Agent receives any money or other funds from any Governmental Authority as a result of the compliance by the Grantors with FACA, then the Revolving Credit Collateral Agent agrees to also hold all such money and funds as agent and bailee for the benefit of the Fixed Asset Claimholders and all such money and funds shall be applied in accordance with Section 4.1 of this Agreement. Upon the Discharge of the Revolving Credit Obligations, at the request of the Controlling Fixed Asset Collateral Agent, the Revolving Credit Collateral Agent shall cooperate with the Controlling Fixed Asset Collateral Agents to assign any government contracts that are at such time assigned to the Revolving Credit Collateral Agent in compliance with the FACA to the Controlling Fixed Asset Collateral Agent.

(g) Notwithstanding anything in this Agreement to the contrary:

(1) each of the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, agrees that any requirement under any Revolving Credit Collateral Document that any Grantor deliver any Collateral that constitutes Fixed Asset Collateral to the Revolving Credit Collateral Agent, or that requires any Grantor to vest the Revolving Credit Collateral Agent with possession or “control” (as defined in the UCC) of any Collateral that constitutes Fixed Asset Collateral, in each case, shall be deemed satisfied to the extent that, prior to the Discharge of Fixed Asset Obligations (other than Contingent Obligations), such Collateral is delivered to the Controlling Fixed
Asset Collateral Agents, or the Controlling Fixed Asset Collateral Agents shall have been vested with such possession or (unless, pursuant to the UCC, control may be given concurrently to the Revolving Credit Collateral Agent and the Controlling Fixed Asset Collateral Agent) “control,” in each case, subject to the provisions of Section 5.4; and

(2) each of the Fixed Asset Collateral Agents, for itself and on behalf of the applicable Fixed Asset Claimholders, agrees that any requirement under any Fixed Asset Collateral Document that any Grantor deliver any Collateral that constitutes ABL Collateral to such Fixed Asset Collateral Agent, or that requires any Grantor to vest such Fixed Asset Collateral Agent with possession or “control” (as defined in the UCC) of any Collateral that constitutes ABL Collateral, in each case, shall be deemed satisfied to the extent that, prior to the Discharge of Revolving Credit Obligations (other than Contingent Obligations), such Collateral is delivered to the Revolving Credit Collateral Agent, or the Revolving Credit Collateral Agent shall have been vested with such possession or (unless, pursuant to the UCC, control may be given concurrently to the Fixed Asset Collateral Agent and the Revolving Credit Collateral Agent) “control,” in each case, subject to the provisions of Section 5.4.

5.5. When Discharge of Revolving Credit Obligations and Discharge of Fixed Asset Obligations Deemed to Not Have Occurred If in connection with the Discharge of Revolving Credit Obligations or the Discharge of Fixed Asset Obligations, any Borrower substantially concurrently or subsequently enters into any Refinancing of any Revolving Credit Obligation or Fixed Asset Obligation as the case may be, which Refinancing is permitted by both the Fixed Asset Documents and the Revolving Credit Documents, in each case, to the extent such documents will remain in effect following such Refinancing, then such Discharge of Revolving Credit Obligations or the Discharge of Fixed Asset Obligations, shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken pursuant to this Agreement as a result of the occurrence of such Discharge of Revolving Credit Obligations or Discharge of Fixed Asset Obligations, as applicable) and, from and after the date on which the New Debt Notice is delivered to the appropriate Collateral Agents in accordance with the next sentence, the obligations under such Refinancing shall automatically be treated as Revolving Credit Obligations or Fixed Asset Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the Revolving Credit Collateral Agent or Fixed Asset Collateral Agent, as the case may be, under such new Revolving Credit Documents or new Fixed Asset Documents shall be the Revolving Credit Collateral Agent or a Fixed Asset Collateral Agent for all purposes of this Agreement. Upon receipt of a notice (the “New Debt Notice”) stating that a Borrower has entered into new Revolving Credit Documents or new Fixed Asset Documents (which notice shall include a complete copy of the relevant new documents and provide the identity of the new collateral agent, the “New Agent”), the other Collateral Agents shall promptly (a) enter into such documents and agreements (including amendments or supplements to this Agreement) as such Borrower or such New Agent shall reasonably request in order to provide to the New Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (b) deliver to the New Agent any Pledged Collateral (that is Fixed Asset Collateral, in the case of a New Agent that is the agent under any new Fixed Asset Documents or that is ABL Collateral, in the case of a New Agent that is the agent under any new Revolving Credit Documents) held by it together with any necessary
endorsements (or otherwise allow the New Agent to obtain control of such Pledged Collateral). The New Agent shall agree in a writing addressed to the other Collateral Agents for the benefit of the Revolving Credit Claimholders or the Fixed Asset Claimholders, as the case may be, to be bound by the terms of this Agreement. If the new Revolving Credit Obligations under the new Revolving Credit Documents or the new Fixed Asset Obligations under the new Fixed Asset Documents are secured by assets of the Grantors constituting Collateral that do not also secure the other Obligations, then the other Obligations shall be secured at such time by a second priority Lien on such assets to the same extent provided in the Revolving Credit Documents, Fixed Asset Collateral Documents and this Agreement.

5.6. [Reserved.]

5.7. Additional Fixed Asset Debt. The Lead Borrower and the other applicable Grantors will be permitted to designate as an additional holder of Fixed Asset Obligations hereunder each Person who is, or who becomes or who is to become, the registered holder of any Additional Fixed Asset Debt incurred by the Lead Borrower or such Grantor after the date of this Agreement in accordance with the terms of all then existing Secured Revolver/Fixed Asset Documents. Upon the issuance or incurrence of any such Additional Fixed Asset Debt:

(a) the Lead Borrower shall deliver to the Fixed Asset Collateral Agents and the Revolving Credit Collateral Agent an Officers’ Certificate stating that the Lead Borrower or such Grantor intends to enter into an Additional Fixed Asset Instrument and certifying that the issuance or incurrence of Additional Fixed Asset Debt under such Additional Fixed Asset Instrument is permitted by each then existing Secured Revolver/Fixed Asset Documents;

(b) the administrative agent or trustee and collateral agent for such Additional Fixed Asset Debt shall execute and deliver to the Collateral Agents a Joinder Agreement;

(c) the Fixed Asset Collateral Documents in respect of such Additional Fixed Asset Debt shall be subject to, and shall comply with, Sections 2.3 and 2.4 of this Agreement; and

(d) each existing Collateral Agent shall promptly enter into such documents and agreements (including amendments or supplements to this Intercreditor Agreement) as the Lead Borrower or the administrative agent or trustee and collateral agent for such Additional Fixed Asset Debt may reasonably request in order to provide to them the rights, remedies and powers and authorities contemplated hereby, in each consistent in all respects with the terms of this Intercreditor Agreement.

Notwithstanding the foregoing, nothing in this Agreement will be construed to allow Holdings or any other Grantor to incur additional indebtedness unless otherwise permitted by the terms of each applicable Credit Document.
SECTION 6. Insolvency or Liquidation Proceedings

(a) Until the Discharge of Revolving Credit Obligations has occurred, if any Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Revolving Credit Collateral Agent shall desire to permit the use of “Cash Collateral” (as such term is defined in Section 363(a) of the Bankruptcy Code) constituting ABL Collateral on which the Revolving Credit Collateral Agent or any other creditor has a Lien or to permit any Grantor to obtain financing to be secured at least in part by the ABL Collateral, whether from the Revolving Credit Claimholders or any other Person under Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law (“DIP Financing”) then each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees that it will raise no objection to such Cash Collateral use or DIP Financing so long as such Cash Collateral use or DIP Financing meets the following requirements: (i) the Fixed Asset Collateral Agents and the Fixed Asset Claimholders retain the right to object to any ancillary agreements or arrangements regarding the Cash Collateral use or the DIP Financing that are materially prejudicial to their interests in the Fixed Asset Collateral, and (ii) the terms of the DIP Financing (A) do not expressly require the liquidation of the Collateral prior to a default under the DIP Financing documentation or Cash Collateral order and (B) do not require that any Lien of the Fixed Asset Collateral Agents on the Fixed Asset Collateral be subordinated to or pari passu with any Lien on the Fixed Asset Collateral securing such DIP Financing. To the extent the Liens securing the Revolving Credit Obligations are subordinated to or pari passu with such DIP Financing which meets the requirements of clauses (i) through (ii) above, each Fixed Asset Collateral Agent will subordinate its Liens in the ABL Collateral to the Liens thereon securing such DIP Financing (and all Obligations relating thereto) and will not request adequate protection or any other relief in connection therewith (except, as expressly agreed by the Revolving Credit Collateral Agent or to the extent permitted by Section 6.3).

(b) Until the Discharge of Fixed Asset Obligations has occurred, if any Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Controlling Fixed Asset Collateral Agent shall desire to permit the use of “Cash Collateral” (as such term is defined in Section 363(a) of the Bankruptcy Code) constituting Fixed Asset Collateral on which the Fixed Asset Collateral Agents or any other creditor has a Lien or to permit any Grantor to obtain financing to be secured at least in part by the Fixed Asset Collateral, whether from the Fixed Asset Claimholders or any other Person under Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law (“Fixed Asset DIP Financing”) then the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that it will raise no objection to such Cash Collateral use or Fixed Asset DIP Financing so long as such Cash Collateral use or Fixed Asset DIP Financing meets the following requirements: (i) the Revolving Credit Collateral Agent and the Revolving Credit Claimholders retain the right to object to any ancillary agreements or arrangements regarding the Cash Collateral use or the Fixed Asset DIP Financing that are materially prejudicial to their interests in the Revolving Credit Collateral, and (ii) the terms of the Fixed Asset DIP Financing (A) do not expressly require the liquidation of the Collateral prior to a default under the Fixed Asset DIP Financing documentation or Cash Collateral order and (B) do not require that any Lien of the Revolving Credit Collateral Agent on the Revolving Credit Collateral be subordinated to or pari passu with any Lien on the Revolving Credit Collateral securing such Fixed Asset DIP Financing. To the extent the Liens securing the Fixed Asset Obligations are subordinated to or pari passu with such Fixed Asset DIP Financing which meets the requirements of clauses (i) through (ii) above, the Revolving Credit Collateral Agent will subordinate its Liens in the Fixed
Asset Collateral to the Liens thereon securing such Fixed Asset DIP Financing (and all Obligations relating thereto) and will not request adequate protection or any other relief in connection therewith (except, as expressly agreed by the Controlling Fixed Asset Collateral Agent or to the extent permitted by Section 6.3).

6.2. Relief from the Automatic Stay.

(a) Until the Discharge of Revolving Credit Obligations has occurred, each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees that none of them shall seek (or support any other Person seeking) relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the ABL Collateral, without the prior written consent of the Revolving Credit Collateral Agent.

(b) Until the Discharge of Fixed Asset Obligations has occurred, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that none of them shall seek (or support any other Person seeking) relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Fixed Asset Collateral (other than to the extent such relief is required to exercise its rights under Section 3.3), without the prior written consent of the Controlling Fixed Asset Collateral Agent.

6.3. Adequate Protection.

(a) Each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees that none of them shall contest (or support any other Person contesting):

(1) any request by the Revolving Credit Collateral Agent or the Revolving Credit Claimholders for adequate protection with respect to the ABL Collateral; provided that (A) such adequate protection claim shall not seek the creation of any Lien over additional assets or property of any Grantor other than with respect to assets or property that constitute Revolving Credit Collateral and (B) if such additional assets or property shall also constitute Fixed Asset Collateral, (i) a Lien shall have been created in favor of the Fixed Asset Claimholders in respect of such Collateral and (ii) the Lien in favor of the Revolving Credit Claimholders on such Fixed Asset Collateral shall be subordinated to the extent set forth in this Agreement; or

(2) any objection by the Revolving Credit Collateral Agent or the Revolving Credit Claimholders to any motion, relief, action or proceeding based on the Revolving Credit Collateral Agent or the Revolving Credit Claimholders claiming a lack of adequate protection with respect to the ABL Collateral; provided that if the Revolving Credit Collateral Agent is granted adequate protection in the form of additional collateral, the Fixed Asset Collateral Agents and the Fixed Asset Claimholders may seek or request adequate protection in the form of a Lien on such additional collateral; it being understood and agreed that (1) if such additional collateral shall also constitute Fixed Asset Collateral, the Lien on such additional collateral that constitutes Fixed Asset Collateral in favor of and providing adequate protection for the Revolving Credit Collateral Agent shall be subordinate to the Lien on such Fixed Asset Collateral in favor
of or providing adequate protection for the Fixed Asset Collateral Agents and (2) if such additional collateral shall also constitute ABL Collateral, the Lien on such additional collateral that constitutes ABL Collateral in favor of or providing adequate protection for the Revolving Credit Collateral Agent shall be senior to the Lien on such ABL Collateral in favor of or providing adequate protection for the Fixed Asset Collateral Agents, in each case with respect to the foregoing clauses (1) and (2), to the extent required by this Agreement.

(b) The Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that none of them shall contest (or support any other Person contesting):

(1) any request by the Controlling Fixed Asset Collateral Agent for adequate protection with respect to the Fixed Asset Collateral; provided that (A) such adequate protection claim shall not seek the creation of any Lien over additional assets or property of any Grantor other than with respect to assets or property that constitute Fixed Asset Facility Collateral and (B) if such additional assets or property shall also constitute ABL Collateral, (i) a Lien shall have been created in favor of the Revolving Credit Claimholders in respect of such Collateral and (ii) the Lien in favor of the Fixed Asset Claimholders on such ABL Collateral shall be subordinated to the extent set forth in this Agreement; or

(2) any objection by the Controlling Fixed Asset Collateral Agent to any motion, relief, action or proceeding based on the Controlling Fixed Asset Collateral Agent claiming a lack of adequate protection with respect to the Fixed Asset Collateral; provided that if the Fixed Asset Collateral Agents are granted adequate protection in the form of additional collateral, the Revolving Credit Collateral Agent and the Revolving Credit Claimholders may seek or request adequate protection in the form of a Lien on such additional collateral; it being understood and agreed that (1) if such additional collateral shall also constitute ABL Collateral, the Lien on such additional collateral that constitutes ABL Collateral in favor of or providing adequate protection for the Fixed Asset Collateral Agents shall be subordinate to the Lien on such ABL Collateral in favor of and providing adequate protection for the Revolving Credit Collateral Agent and (2) if such additional collateral shall also constitute Fixed Asset Collateral, the Lien on such additional collateral that constitutes Fixed Asset Collateral in favor of or providing adequate protection for the Fixed Asset Collateral Agents shall be senior to the Lien on such Fixed Asset Collateral in favor of or providing adequate protection for the Revolving Credit Collateral Agent, in each case with respect to the foregoing clauses (1) and (2), to the extent required by this Agreement.
(c) Notwithstanding the foregoing provisions in this Section 6.3, in any Insolvency or Liquidation Proceeding:

(1) if the Revolving Credit Claimholders (or any subset thereof) are granted adequate protection with respect to the ABL Collateral in the form of additional collateral of the Credit Parties (even if such collateral is not of a type which would otherwise have constituted ABL Collateral) in connection with any Cash Collateral use or DIP Financing or Fixed Asset DIP Financing, then the Controlling Fixed Asset Collateral Agent, on behalf of itself or any of the Fixed Asset Claimholders, may seek or request adequate protection with respect to its interests in such Collateral in the form of a Lien on the same additional collateral, which Lien on any assets that constitute ABL Collateral will be subordinated to the Liens securing or providing adequate protection for the Revolving Credit Obligations on the same basis as the other Liens of the Fixed Asset Collateral Agents on ABL Collateral;

(2) if the Fixed Asset Claimholders (or any subset thereof) are granted adequate protection with respect to the Fixed Asset Collateral in the form of additional collateral of the Credit Parties (even if such collateral is not of a type which would otherwise have constituted Fixed Asset Collateral) in connection with any Cash Collateral use or DIP Financing or Fixed Asset DIP Financing, then the Revolving Credit Collateral Agent, on behalf of itself or any of the Revolving Credit Claimholders, may seek or request adequate protection with respect to its interests in such Collateral in the form of a Lien on the same additional collateral, which Lien on any assets that constitute Fixed Asset Collateral will be subordinated to the Liens securing or providing adequate protection for the Fixed Asset Obligations on the same basis as the other Liens of the Revolving Credit Collateral Agent on Fixed Asset Collateral;

(3) in the event the Revolving Credit Collateral Agent, on behalf of itself or any of the Revolving Credit Claimholders, seeks or requests adequate protection in respect of ABL Collateral and such adequate protection is granted in the form of additional collateral of the Credit Parties (even if such collateral is not of a type which would otherwise have constituted ABL Collateral), then the Revolving Credit Collateral Agent, on behalf of itself and any of the Revolving Credit Claimholders, agrees that the Fixed Asset Collateral Agents may also be granted a Lien on the same additional collateral as adequate protection for the Fixed Asset Obligations and for any Cash Collateral use or DIP Financing or Fixed Asset DIP Financing provided by the Fixed Asset Claimholders, and each Fixed Asset Collateral Agent, on behalf of itself and any of the applicable Fixed Asset Claimholders, agrees that any Lien on such additional collateral that constitutes ABL Collateral securing or providing adequate protection for the Fixed Asset Obligations shall be subordinated to the Liens on such collateral securing or providing adequate protection for the Revolving Credit Obligations in connection with any such use of Cash Collateral or any such DIP Financing or Fixed Asset DIP Financing provided by the Fixed Asset Claimholders (and all Obligations relating thereto), all on the same basis as the other Liens of the Fixed Asset Collateral Agents on ABL Collateral; and

(4) in the event any Fixed Asset Collateral Agent, on behalf of itself or any of the Fixed Asset Claimholders, seeks or requests adequate protection in respect of Fixed Asset Collateral and such adequate protection is granted in the form of additional collateral of the Credit Parties (even if such collateral is not of a type which would otherwise have constituted Fixed Asset Collateral), then each Fixed Asset Collateral Agent, on behalf of itself and any of the Fixed Asset Claimholders, agrees that the Revolving Credit Collateral Agent may also be granted a Lien on the same additional collateral as adequate protection for the Revolving Credit Obligations and for any Cash
Collateral use or DIP Financing or Fixed Asset DIP Financing provided by the Revolving Credit Claimholders, and the Revolving Credit Collateral Agent, on behalf of itself and any of the Revolving Credit Claimholders, agrees that any Lien on such additional collateral that constitutes Fixed Asset Collateral securing or providing adequate protection for the Revolving Credit Obligations shall be subordinated to the Liens on such collateral securing or providing adequate protection for the Fixed Asset Obligations in connection with any such use of cash Collateral or any such DIP Financing or Fixed Asset DIP Financing provided by the Revolving Credit Claimholders (and all Obligations relating thereto), all on the same basis as the other Liens of the Revolving Credit Collateral Agent on Fixed Asset Collateral.

(d) Except as otherwise expressly set forth in this Section 6 or in connection with the exercise of remedies with respect to (i) the ABL Collateral, nothing herein shall limit the rights of the Fixed Asset Collateral Agents or the Fixed Asset Claimholders from seeking adequate protection with respect to their rights in the Fixed Asset Collateral in any Insolvency or Liquidation Proceeding (including adequate protection in the form of a cash payment, periodic cash payments or otherwise, other than from the ABL Collateral) or (ii) the Fixed Asset Collateral, nothing herein shall limit the rights of the Revolving Credit Collateral Agent or the Revolving Credit Claimholders from seeking adequate protection with respect to their rights in the ABL Collateral in any Insolvency or Liquidation Proceeding (including adequate protection in the form of a cash payment, periodic cash payments or otherwise, other than from the Fixed Asset Collateral).

6.4. **Avoidance Issues**. If any Revolving Credit Claimholder or Fixed Asset Claimholder is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of the applicable Grantor any amount paid in respect of Revolving Credit Obligations or the Fixed Asset Obligations, as the case may be (a "Recovery"), then such Revolving Credit Claimholders or Fixed Asset Claimholders shall be entitled to a reinstatement of Revolving Credit Obligations or the Fixed Asset Obligations, as the case may be, with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement.

6.5. **Post-Petition Interest**.

(a) No Fixed Asset Collateral Agent nor any Fixed Asset Claimholder shall oppose or seek to challenge any claim by the Revolving Credit Collateral Agent or any Revolving Credit Claimholder for allowance in any Insolvency or Liquidation Proceeding of Revolving Credit Obligations consisting of Post-Petition Interest, fees or expenses to the extent of the value of the Lien securing any Revolving Credit Claimholder’s claim, without regard to the existence of the Lien of the Fixed Asset Collateral Agent on behalf of the Fixed Asset Claimholders on the Collateral.
6.6. Waivers – 506(c) and 1111(b)(2) Issues

(a) Each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, waives any claim it may hereafter have against any Revolving Credit Claimholder arising out of the election of any Revolving Credit Claimholder of the application of Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or out of any grant of a security interest in connection with the ABL Collateral in any Insolvency or Liquidation Proceeding.

(b) The Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, waives any claim it may hereafter have against any Fixed Asset Claimholder arising out of the election of any Fixed Asset Claimholder of the application of Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or out of any grant of a security interest in connection with the Fixed Asset Collateral in any Insolvency or Liquidation Proceeding.

(c) Until the Discharge of the Revolving Credit Obligations has occurred, each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens on ABL Collateral securing the Revolving Credit Obligations for costs or expenses of preserving or disposing of any Collateral. Until the Discharge of the Fixed Asset Obligations has occurred, the Revolving Credit Collateral Agent, for itself and on behalf of the other Revolving Credit Claimholders, will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens on Fixed Asset Collateral securing the Fixed Asset Obligations for costs or expenses of preserving or disposing of any Collateral.

6.7. Separate Grants of Security and Separate Classification

(a) Each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, and the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, acknowledges and agrees that the grants of Liens pursuant to the Revolving Credit Collateral Documents and the Fixed Asset Collateral Documents constitute separate and distinct grants of Liens, and because of, among other things, their differing rights in the Collateral, the Fixed Asset Obligations are fundamentally different from the Revolving Credit Obligations and must be separately classified in any plan of reorganization or similar dispositive restructuring plan proposed, confirmed or adopted in an Insolvency or Liquidation Proceeding. In furtherance of the foregoing, the Fixed Asset Collateral Agent, each for itself and on behalf of the applicable Fixed Asset Claimholders, and the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, each agrees that the Fixed Asset Claimholders and the Revolving Credit
Claimholders will vote as separate classes in connection with any plan of reorganization or similar dispositive restructuring plan in any Insolvency or Liquidation Proceeding and that no Collateral Agent nor any Claimholder will seek to vote with the other as a single class in connection with any plan of reorganization or similar dispositive restructuring plan in any Insolvency or Liquidation Proceeding.

(b) To further effectuate the intent of the parties as provided in this Section 6.7, if it is held that the claims of the Fixed Asset Claimholders and the Revolving Credit Claimholders in respect of the Fixed Asset Facility Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims with respect to such Fixed Asset Facility Collateral), then each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders and the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, hereby acknowledges and agrees that, subject to Sections 2.1 and 4.1, all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Fixed Asset Facility Collateral (with the effect being that, to the extent that the aggregate value of the Fixed Asset Facility Collateral is sufficient (for this purpose ignoring all claims held by the Revolving Credit Claimholders), the Fixed Asset Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest, fees, expenses and other claims, all amounts owing in respect of Post-Petition Interest, including any additional interest payable pursuant to the Fixed Asset Documents, arising from or related to a default, whether or not a claim therefor is allowed or allowable in any Insolvency or Liquidation Proceeding) before any distribution is made from the Fixed Asset Collateral in respect of the claims held by the Revolving Credit Claimholders, with the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, hereby acknowledging and agreeing to turn over to the Controlling Fixed Asset Collateral Agent, for itself and on behalf of the Non-Controlling Fixed Asset Collateral Agent and the Fixed Asset Claimholders, amounts otherwise received or receivable by them from the Fixed Asset Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Revolving Credit Claimholders.

(c) To further effectuate the intent of the parties as provided in this Section 6.7, if it is held that the claims of the Fixed Asset Claimholders and the Revolving Credit Claimholders in respect of the Revolving Credit Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims with respect to such Revolving Credit Collateral), then each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders and the Revolving Credit Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, hereby acknowledges and agrees that, subject to Sections 2.1 and 4.1, all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Revolving Credit Collateral (with the effect being that, to the extent that the aggregate value of the Revolving Credit Collateral is sufficient (for this purpose ignoring all claims held by the Fixed Asset Claimholders), the Revolving Credit Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest, fees, expenses and other claims, all amounts owing in respect of Post-Petition Interest, including any additional interest payable pursuant to the Revolving Credit Agreement, arising from or related to a default, whether or not a claim therefor is allowed or allowable in any Insolvency or Liquidation Proceeding) before any

-44-
distribution is made from the ABL Collateral in respect of the claims held by the Fixed Asset Claimholders, with each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, hereby acknowledging and agreeing to turn over to the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, amounts otherwise received or receivable by them from the ABL Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Fixed Asset Claimholders.

(d) Each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, and the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, acknowledges and agrees that no Revolving Credit Claimholder nor any Fixed Asset Claimholder (whether in the capacity of a secured creditor or an unsecured creditor) shall propose, vote for, or otherwise support directly or indirectly any plan of reorganization or similar dispositive restructuring plan that is inconsistent with the priorities or other provisions of this Agreement.

(e) If, in any Insolvency or Liquidation Proceeding involving a Grantor, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed or reinstated (in whole or in part) pursuant to a plan of reorganization or similar dispositive restructuring plan, both on account of Revolving Credit Obligations and on account of Fixed Asset Obligations, then, to the extent the debt obligations distributed on account of the Revolving Credit Obligations and on account of the Fixed Asset Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

6.8. **Enforceability and Continuing Priority.** This Agreement shall be applicable both before and after the commencement of any Insolvency or Liquidation Proceeding and all converted or succeeding cases in respect thereof. The relative rights of Claimholders in or to any distributions from or in respect of any Collateral or Proceeds of Collateral shall continue after the commencement of any Insolvency or Liquidation Proceeding. Accordingly, the provisions of this Agreement (including, without limitation, Section 2.1 hereof) are intended to be and shall be enforceable as a subordination agreement within the meaning of Section 510(a) of the Bankruptcy Code.

6.9. **Sales.** Subject to Sections 3.1(c)(5) and 3.2(c)(5) and 3.3, each Collateral Agent agrees that it will consent, and will not object or oppose, or support any party in opposing, a motion to dispose of any Priority Collateral of the other party free and clear of any Liens or other claims under Section 363 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law if the requisite Revolving Credit Claimholders under the Revolving Credit Agreement or Fixed Asset Claimholders under the applicable Fixed Asset Documents, as the case may be, have consented to such disposition of their respective Priority Collateral, such motion does not impair, subject to the priorities set forth in this Agreement, the rights of such party under Section 363(k) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law (so long as the right of any Fixed Asset Claimholder to offset its claim against the purchase price for any ABL Collateral exists only after the Revolving Credit Obligations have been paid in full in cash, and so long as the right of any Revolving Credit Claimholder to
offset its claim against the purchase price for any Fixed Asset Collateral exists only after the Fixed Asset Obligations have been paid in full in cash), and the terms of any proposed order approving such transaction provide for the respective Liens to attach to the proceeds of the Priority Collateral that is the subject of such disposition, subject to the Lien priorities in Section 2.1 and the other terms and conditions of this Agreement. Each Fixed Asset Collateral Agent and the Revolving Credit Collateral Agent further agrees that it will not oppose, or support any party in opposing, the right of the other party to credit bid under Section 363(k) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to its respective Priority Collateral, subject to the provision of the immediately preceding sentence with respect to the Priority Collateral or the other party.

SECTION 7. Reliance; Waivers, Etc

7.1. Reliance. Other than any reliance on the terms of this Agreement, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders under its Revolving Credit Documents, acknowledges that it and such Revolving Credit Claimholders have, independently and without reliance on any Fixed Asset Collateral Agent or any Fixed Asset Claimholders, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into such Revolving Credit Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Revolving Credit Agreement or this Agreement. Other than any reliance on the terms of this Agreement, each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, acknowledges that it and the Fixed Asset Claimholders have, independently and without reliance on the Revolving Credit Collateral Agent or any Revolving Credit Claimholder, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Fixed Asset Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Fixed Asset Documents or this Agreement.

7.2. No Warranties or Liability. The Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders under the Revolving Credit Documents, acknowledges and agrees that no Fixed Asset Collateral Agent nor any Fixed Asset Claimholder has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Fixed Asset Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided in this Agreement, the Fixed Asset Collateral Agents and the Fixed Asset Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the Fixed Asset Documents in accordance with law and the Fixed Asset Documents, as they may, in their sole discretion, deem appropriate. Each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, acknowledges and agrees that neither the Revolving Credit Collateral Agent nor any Revolving Credit Claimholder has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Revolving Credit Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided in this Agreement, the Revolving Credit Collateral Agent and the Revolving Credit Claimholders will be entitled to manage and supervise their
respective loans and extensions of credit under their respective Revolving Credit Documents in accordance with law and the Revolving Credit Documents, as they may, in their sole discretion, deem appropriate. No Fixed Asset Collateral Agent nor any Fixed Asset Claimholders shall have any duty to the Revolving Credit Collateral Agent or any of the Revolving Credit Claimholders, and the Revolving Credit Collateral Agent and the Revolving Credit Claimholders shall have no duty to any Fixed Asset Collateral Agent or any of the Fixed Asset Claimholders, to act or refrain from acting in a manner which allows, or results in, the occurrence or continuance of an event of default or default under any agreements with any Grantor (including the Revolving Credit Documents and the Fixed Asset Documents), regardless of any knowledge thereof which they may have or be charged with.

7.3. No Waiver of Lien Priorities.

(a) No right of the Collateral Agents, the Revolving Credit Claimholders or the Fixed Asset Claimholders to enforce any provision of this Agreement or any Revolving Credit Document or Fixed Asset Document shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act by such Collateral Agents, Revolving Credit Claimholders or Fixed Asset Claimholders or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement, any of the Revolving Credit Documents or any of the Fixed Asset Documents, regardless of any knowledge thereof which the Collateral Agents or the Revolving Credit Claimholders or Fixed Asset Claimholders, or any of them, may have or be otherwise charged with.

(b) Without in any way limiting the generality of the foregoing paragraph (but subject to the rights of the Grantors under the Revolving Credit Documents and Fixed Asset Documents and subject to the provisions of Sections 2.3, 2.4 and 5.3), the Collateral Agents, the Revolving Credit Claimholders and the Fixed Asset Claimholders may, at any time and from time to time in accordance with the Revolving Credit Documents and Fixed Asset Documents and/or applicable law, without the consent of, or notice to, the other Collateral Agent or the Revolving Credit Claimholders or the Fixed Asset Claimholders (as the case may be), without incurring any liabilities to such Persons and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy is affected, impaired or extinguished thereby) do any one or more of the following:

1) change the manner, place or terms of payment or change or extend the time of payment of, or amend, renew, exchange, increase or alter, the terms of any of the Obligations or any Lien or guaranty thereof or any liability of any Grantor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the Obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify or supplement in any manner any Liens held by the Collateral Agents or any rights or remedies under any of the Revolving Credit Documents or the Fixed Asset Documents;

2) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the Collateral (except to the extent provided in this Agreement) or any liability of any Grantor or any liability incurred directly or indirectly in respect thereof;
(3) settle or compromise any Obligation or any other liability of any Grantor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability in any manner or order that is not inconsistent with the terms of this Agreement; and

(4) exercise or delay in or refrain from exercising any right or remedy against any security or any Grantor or any other Person, elect any remedy and otherwise deal freely with any Grantor.

c) Except as otherwise provided herein, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, also agrees that the Fixed Asset Claimholders and the Fixed Asset Collateral Agents shall have no liability to the Revolving Credit Collateral Agent or any Revolving Credit Claimholders, and the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, hereby waives any claim against any Fixed Asset Claimholder or any Fixed Asset Collateral Agent, arising out of any and all actions which the Fixed Asset Claimholders or any Fixed Asset Collateral Agent may take or permit or omit to take with respect to:

(1) the Fixed Asset Documents;

(2) the collection of the Fixed Asset Obligations; or

(3) the foreclosure upon, or sale, liquidation or other disposition of, any Fixed Asset Collateral.

The Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that the Fixed Asset Claimholders and the Fixed Asset Collateral Agents have no duty to them in respect of the maintenance or preservation of the Fixed Asset Collateral, the Fixed Asset Obligations or otherwise.

d) Except as otherwise provided herein, each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, also agrees that the Revolving Credit Claimholders and the Revolving Credit Collateral Agent shall have no liability to the Fixed Asset Collateral Agents or any Fixed Asset Claimholders, and each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, hereby waives any claim against any Revolving Credit Claimholder or the Revolving Credit Collateral Agent, arising out of any and all actions which the Revolving Credit Claimholders or the Revolving Credit Collateral Agent may take or permit or omit to take with respect to:

(1) the Revolving Credit Documents;

(2) the collection of the Revolving Credit Obligations; or

(3) the foreclosure upon, or sale, liquidation or other disposition of, any ABL Collateral.

-48-
Each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees that the Revolving Credit Claimholders and the Revolving Credit Collateral Agent have no duty to them in respect of the maintenance or preservation of the ABL Collateral, the Revolving Credit Obligations or otherwise.

(e) Until the Discharge of Fixed Asset Obligations, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Fixed Asset Collateral or any other similar rights a junior secured creditor may have under applicable law.

(f) Until the Discharge of Revolving Credit Obligations, each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the ABL Collateral or any other similar rights a junior secured creditor may have under applicable law.

7.4. Obligations Unconditional. All rights, interests, agreements and obligations of the Revolving Credit Collateral Agent and the Revolving Credit Claimholders and the Fixed Asset Collateral Agents and the Fixed Asset Claimholders, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Revolving Credit Documents or any Fixed Asset Documents;

(b) except as otherwise expressly set forth in this Agreement, any change in the time, manner or place of payment of, or in any other terms of, all or any of the Revolving Credit Obligations or Fixed Asset Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Revolving Credit Document or any Fixed Asset Document;

(c) except as otherwise expressly set forth in this Agreement, any exchange of any security interest in any Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Revolving Credit Obligations or Fixed Asset Obligations or any guaranty thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the any Grantor; or

(e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, any Grantor in respect of the Revolving Credit Collateral Agent, the Revolving Credit Obligations, any Revolving Credit Claimholder, the Fixed Asset Collateral Agent, the Fixed Asset Obligations or any Fixed Asset Claimholder in respect of this Agreement.
SECTION 8. Miscellaneous.

8.1. Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any Revolving Credit Document or any Fixed Asset Document, the provisions of this Agreement shall govern and control.

8.2. Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement of lien subordination and the Revolving Credit Claimholders and Fixed Asset Claimholders may continue, at any time and without notice to any Collateral Agent, to extend credit and other financial accommodations and lend monies to or for the benefit of any Grantor in reliance hereon. Each of the Collateral Agents, on behalf of itself and the Revolving Credit Claimholders or the Fixed Asset Claimholders, as the case may be, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Consistent with, but not in limitation of, the preceding sentence, each Collateral Agent, on behalf of the applicable Claimholders, irrevocably acknowledges that this Agreement constitutes a “subordination agreement” within the meaning of both New York law and Section 510(a) of the Bankruptcy Code. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. All references to any Grantor shall include such Grantor as debtor and debtor-in-possession and any receiver or trustee for any Grantor (as the case may be) in any Insolvency or Liquidation Proceeding. This Agreement shall terminate and be of no further force and effect:

(a) with respect to the Revolving Credit Collateral Agent, the Revolving Credit Claimholders and the Revolving Credit Obligations, on the date of the Discharge of Revolving Credit Obligations, subject to the rights of the Revolving Credit Claimholders under Section 6.4; and

(b) with respect to the Fixed Asset Collateral Agents, the Fixed Asset Claimholders and the Fixed Asset Obligations, on the date of the Discharge of Fixed Asset Obligations, subject to the rights of the Fixed Asset Claimholders under Section 6.4.

8.3. Amendments; Waivers; Additional Grantors. No amendment, modification or waiver of any of the provisions of this Agreement by any Fixed Asset Collateral Agent or the Revolving Credit Collateral Agent shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time.

Notwithstanding the foregoing, (a) no Grantor shall have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent that such amendment, modification or waiver (i) adversely affects or impairs its rights hereunder, under the Fixed Asset Documents or under the Revolving Credit Documents, (ii) imposes any additional obligation or liability upon it or (iii)
amends, modifies or waives any provision of Section 6.1 of this Agreement and (b) this Agreement may be amended without the consent of the Collateral Agents, to add additional Grantors whereupon such Person will be bound by the terms hereof to the same extent as if it had executed and delivered this Agreement as of the date hereof.

8.4. Information Concerning Financial Condition of the Grantors and their Subsidiaries. The Revolving Credit Collateral Agent and the Revolving Credit Claimholders, on the one hand, and the Fixed Asset Collateral Agents and the Fixed Asset Claimholders, on the other hand, shall each be responsible for keeping themselves informed of (a) the financial condition of the Grantors and their Subsidiaries and all endorsers and/or guarantors of the Revolving Credit Obligations or the Fixed Asset Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Revolving Credit Obligations or the Fixed Asset Obligations. Neither the Revolving Credit Collateral Agent and the Revolving Credit Claimholders, on the one hand, nor the Fixed Asset Collateral Agents and the Fixed Asset Claimholders, on the other hand, shall have any duty to advise the other of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that either the Revolving Credit Collateral Agent or any of the Revolving Credit Claimholders, on the one hand, or any Fixed Asset Collateral Agent and the Fixed Asset Claimholders, on the other hand, undertakes at any time or from time to time to provide any such information to any of the others, it or they shall be under no obligation:

(a) to make, and shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided;
(b) to provide any additional information or to provide any such information on any subsequent occasion;
(c) to undertake any investigation; or
(d) to disclose any information, which pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

8.5. Subrogation.
(a) With respect to the value of any payments or distributions in cash, property or other assets that any of the Fixed Asset Claimholders or any Fixed Asset Collateral Agent pays over to the Revolving Credit Collateral Agent or the Revolving Credit Claimholders under the terms of this Agreement, the Fixed Asset Claimholders and Fixed Asset Collateral Agents shall be subrogated to the rights of the Revolving Credit Collateral Agent and the Revolving Credit Claimholders; provided, however, that, each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, hereby agrees not to assert or enforce all such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Revolving Credit Obligations has occurred. The Grantors acknowledge and agree that, to the extent permitted by applicable law, the value of any payments or distributions in cash, property or other assets received by any Fixed Asset Collateral Agent or the Fixed Asset Claimholders that are paid over to the Revolving Credit Collateral Agent or the Revolving Credit Claimholders pursuant to this Agreement shall not reduce any of the Fixed Asset Obligations.
(b) With respect to the value of any payments or distributions in cash, property or other assets that any of the Revolving Credit Claimholders or the Revolving Credit Collateral Agent pays over to any Fixed Asset Collateral Agent or the Fixed Asset Claimholders under the terms of this Agreement, the Revolving Credit Claimholders and the Revolving Credit Collateral Agent shall be subrogated to the rights of the Fixed Asset Collateral Agents and the Fixed Asset Claimholders; provided, however, that, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, hereby agrees not to assert or enforce all such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Fixed Asset Obligations has occurred. The Grantors acknowledge and agree that, to the extent permitted by applicable law, the value of any payments or distributions in cash, property or other assets received by the Revolving Credit Collateral Agent or the Revolving Credit Claimholders that are paid over to the Fixed Asset Collateral Agents or the Fixed Asset Claimholders pursuant to this Agreement shall not reduce any of the Revolving Credit Obligations.

8.6. SUBMISSION TO JURISDICTION, WAIVERS

(a) ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST ANY PARTY ARISING OUT OF OR RELATING HERETO MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE, COUNTY AND CITY OF NEW YORK, BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH PARTY FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, IRREVOCABLY:

THIS WAIVER IS IRREVOCABLE; MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 8.6(b) AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUEHT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

(c) EACH OF THE PARTIES HERETO WAIVES ANY RIGHT IT MAY HAVE TO TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER REVOLVING CREDIT DOCUMENT OR FIXED ASSET DOCUMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT OR ACTION OF ANY PARTY HERETO.

B. As a condition to the ability of the Lead Borrower or any other Grantor to incur Additional Fixed Asset Debt after the date of the Intercreditor Agreement and to secure such Additional Fixed Asset Debt with the Lien and to have such Additional Fixed Asset Debt guaranteed by the Grantors on a senior basis, in each case under and pursuant to the Fixed Asset Collateral Documents, the [collateral agent] in respect of such Additional Fixed Asset Debt is required to become an Additional Fixed Asset Collateral Agent under, and such Additional Fixed Asset Debt and the Fixed Asset Claimholders in respect thereof are required to become subject to and bound by, the Intercreditor Agreement. Section 5.7(b) of the Intercreditor Agreement provides that such collateral agent may become a Fixed Asset Collateral Agent under, and such Additional Fixed Asset Debt and such Fixed Asset Claimholders may become subject to and bound by, Intercreditor Agreement, pursuant to the execution and delivery by the New Additional Fixed Asset Collateral Agent (as defined below) of an instrument in the form of this Joinder Agreement and the satisfaction of the other conditions set forth in Section 5.7 of the Intercreditor Agreement. SECTION 5. THIS JOINDER AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 6. In case any one or more of the provisions contained in this Joinder Agreement should be held invalid, illegal or unenforceable in any respect, no party hereto shall be required to comply with such provision for so long as such provision is held to be invalid, illegal or unenforceable, but the validity, legality and enforceability of the remaining provisions contained herein and in the Intercreditor Agreement shall not in any way be affected or impaired. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

All communications and notices hereunder to the New Additional Fixed Asset Collateral Agent shall be given to it at the address set forth below its signature hereto.
SECTION 8. EMPLOYMENT AGREEMENT (this “Agreement”) dated as of March 14, 2016 (the “Effective Date”), by and between JOHN E. HELLER ("Executive") and PACIFIC ARCHITECTS AND ENGINEERS INCORPORATED, a California corporation ("PAE").

WHEREAS, PAE has entered into that certain Agreement and Plan of Merger, dated as of January 14, 2016 (the Merger Agreement), by and among (i) PAE Holding Corporation ("PAE Holding"), (ii) LG PAE, L.P., (iii) Shay Intermediate Holding II Corporation ("Parent") and (iv) Shay Merger Corporation ("Sub"), pursuant to which Sub will merge with and into PAE Holding, with PAE Holding continuing as the surviving corporation, subject to the terms and conditions of the Merger Agreement;

WHEREAS, PAE Holding and PAE have employed Executive pursuant to that certain Employment Agreement, dated as of December 16, 2013 (the Prior Agreement);

WHEREAS, PAE desires to continue to employ Executive, and Executive desires to continue such employment and enter into this Agreement, which sets forth the terms and conditions under which Executive will continue to serve PAE, effective as of the Effective Date; and

WHEREAS, the parties acknowledge that the terms of this Agreement shall, upon the Effective Date, replace and supersede the Prior Agreement, which will thereupon become null and void.

NOW, THEREFORE, in consideration of the premises and mutual agreements herein contained, the parties hereto do hereby agree as follows:

ARTICLE I
Employment

SECTION 1.01. Term. The term of Executive’s employment under this Agreement shall commence on the Effective Date and shall terminate on the second anniversary of the Effective Date (the Initial Period); provided that such term of employment shall automatically renew upon the expiration of the Initial Period and on each subsequent anniversary thereof for one year (Renewal Period), unless PAE delivers to Executive, or Executive delivers to PAE, written notice (Notice of Non-Renewal) at least 60 days in advance of the expiration of the Initial Period or any Renewal Period that such term of employment shall not be extended, in which case such term of employment shall end at the end of the Initial Period or Renewal Period in which such notice was delivered and shall not be further extended. Notwithstanding the foregoing, Executive’s employment with PAE shall be “at will” and, subject to the provisions of Article IV and the notice requirements set forth above, Executive’s employment under this Agreement may be terminated by PAE or Executive at any time and for any reason, with or without prior notice.

SECTION 1.02. Position and Duties. During the term of this Agreement, Executive shall serve as the Chief Executive Officer of PAE, performing duties and having responsibilities customary for the chief executive officer of similar companies. Executive shall perform such services and duties in accordance with the policies, practices and bylaws of PAE.
SECTION 1.03. **Time and Effort**. Executive shall serve PAE faithfully, loyally, honestly and to the best of Executive’s ability. Executive shall devote all of Executive’s business time and best efforts to the performance of Executive’s duties on behalf of PAE. During Executive’s term of employment, Executive shall not at any time or place or to any extent whatsoever, either directly or indirectly, without the express written consent of the Board of Directors or other governing body of PAE (the “Board”), engage in any outside employment or in any activity that, in the reasonable judgment of PAE, is competitive with or adverse to the business, practice or affairs of PAE or any of its affiliates, whether or not such activity is pursued for gain, profit or other pecuniary advantage. Notwithstanding the foregoing, it shall not be a violation of this Agreement for Executive to (i) serve as a director of charitable organizations to the extent such service has been approved by the Board (such approval not to be unreasonably withheld) or (ii) continue to serve on the University of Pittsburgh Business Alumni Association Board of Directors.

ARTICLE II

**Compensation**

SECTION 2.01. **Base Salary**. During the term of Executive’s employment under this Agreement, PAE shall, as compensation for the obligations set forth herein and for all services rendered by Executive in any capacity during Executive’s employment under this Agreement, including services as an officer, employee, director or member of any governing body, or committee thereof, of PAE or any of its affiliates, pay Executive a base salary (“Base Salary”) at the annual rate of $672,000 per year, payable in substantially equal installments in accordance with PAE’s standard payroll practices as in effect from time to time. In the event that sickness or disability payments under any insurance programs of PAE or otherwise shall become payable to Executive in respect of any period of Executive’s employment under this Agreement, the salary installment payable to Executive hereunder on the next succeeding salary installment payment date shall be an amount computed by subtracting (a) the amount of such sickness or disability payments that shall have become payable during the period between such date and the immediately preceding salary installment date from (b) the salary installment otherwise payable to Executive hereunder on such date.

SECTION 2.02. **Annual Bonus**. During the term of Executive’s employment under this Agreement, Executive shall be eligible to participate in the annual incentive compensation plans of PAE, as may be continued or established by the Board, in its discretion, from time to time (the “Bonus Plan”) and shall have the opportunity to earn a performance-based bonus (“Annual Bonus”) targeted at 100% of Executive’s Base Salary (“Target Bonus”) and a maximum bonus opportunity for above-target performance of up to 200% of Executive’s Base Salary for the fiscal year to which such Annual Bonus relates. The performance goals and Annual Bonus payable for a given fiscal year under the Bonus Plan shall be determined by the Board. Except as provided in Article IV, payment of the Annual Bonus will be conditioned upon Executive’s continued employment though the payment date.
ARTICLE III
Executive Benefits

SECTION 3.01. Benefit Plans. During the term of Executive’s employment under this Agreement, Executive shall be entitled to participate in any benefit plans (excluding severance, bonus, incentive or profit-sharing plans) offered by PAE as in effect from time to time (collectively, "Benefit Plans") on the same basis as that generally made available to other employees of PAE to the extent Executive may be eligible to do so under the terms of any such Benefit Plan. Executive understands that any such Benefit Plans may be terminated or amended from time to time by PAE in its discretion. Notwithstanding the first sentence of this Section 3.01, nothing shall preclude Executive from participating during the term of Executive’s employment under this Agreement in any present or future bonus, incentive or profit-sharing plan or other plan of PAE for the benefit of its employees, in each case as and to the extent approved or determined by the Board in its discretion and subject to the other terms of this Agreement.

SECTION 3.02. Business Expenses. PAE will reimburse Executive for all reasonably incurred business expenses, subject to the travel and expense policy established by PAE from time to time, incurred by Executive during the term of Executive’s employment under this Agreement in the performance of Executive’s duties hereunder, provided that Executive furnishes to PAE adequate records and other documentary evidence required to substantiate such expenditures.

SECTION 3.03. Vacation. During the term of Executive’s employment under this Agreement, Executive shall receive 20 paid vacation days per year, which shall be accrued and taken in accordance with PAE’s vacation policy.

ARTICLE IV
Termination

SECTION 4.01. Exclusive Rights. The amounts payable under this Article IV are intended to be, and are, exclusive and in lieu of any other rights or remedies to which Executive may otherwise be entitled, including under common, tort or contract law, under policies of PAE and its affiliates in effect from time to time, under this Agreement or otherwise, in the event of Executive’s termination of employment with PAE and its affiliates.

SECTION 4.02. Termination by PAE for Cause; Termination by Executive without Good Reason. (a) If PAE terminates Executive for Cause or if Executive elects to terminate Executive’s employment with PAE without Good Reason, Executive shall be entitled to receive (i) Base Salary earned through the date of termination that remains unpaid as of the date of Executive’s termination, (ii) any Annual Bonus for any previously completed bonus period that has been earned and remains unpaid as of the date of Executive’s termination, (iii) reimbursement for any unreimbursed business expenses properly incurred by Executive prior to the date of Executive’s termination to the extent such expenses are reimbursable under Section 3.02 and (iv) such benefits (excluding benefits under any severance plan, program or
(b) For purposes of this Agreement, the term “Cause” shall mean Executive’s:

(i) intentional failure to perform reasonably assigned duties;

(ii) personal dishonesty or willful misconduct in the performance of duties, which causes or threatens to cause material injury to PAE or any of its affiliates;

(iii) breach of fiduciary duties owed by Executive to PAE or any of its affiliates resulting in personal profit to Executive;

(iv) willful violation of any law, rule or regulation in connection with the performance of duties (other than traffic violations or similar offenses); or

(v) any act by Executive involving (a) fraud, (b) any breach by Executive of applicable regulations of competent authorities in relation to trading or dealing with stocks, securities, or investments or (c) any willful or grossly negligent act by the Executive resulting in an investigation by the Securities and Exchange Commission, which, in each of cases (a), (b) and (c) above, the Board determines in its reasonable and good faith discretion materially adversely affects PAE or any of its affiliates or Executive’s ability to perform his duties hereunder.

For purposes of this definition, an act, or failure to act, on Executive’s part shall be deemed “willful” if done, or omitted to be done, by Executive intentionally, in bad faith and without reasonable belief that the action or omission was in the best interest of PAE. If PAE desires to terminate Executive’s employment for Cause in the case of clauses (i), (ii), (iii) or (v) of Section 4.02(b) and the basis for Cause, by its nature, is capable of being cured, PAE shall first provide Executive with written notice of the applicable event that constitutes the basis for Cause (a “Cause Notice”) within ten days of the Board becoming aware of such event. Such notice shall specifically identify such claimed breach.

Executive shall have 15 days following receipt of such Cause Notice (the “Cause Cure Period”) to cure such basis for Cause, and PAE shall be entitled at the end of such Cause Cure Period to terminate Executive’s employment under this Agreement for Cause: provided, however, that, if such breach is cured within the Cause Cure Period or if PAE does not terminate Executive’s employment with PAE within ten days after the end of the Cause Cure Period, PAE shall not be entitled to terminate Executive’s employment for Cause based on the event described in the Cause Notice; and provided further that notwithstanding the foregoing, Executive will not be entitled to the opportunity to cure a particular basis for Cause more than once during any six-month period.
For purposes of this Agreement, the term “Good Reason” shall mean any of the following actions, without Executive’s express prior written approval:

(i) any material reduction in Executive’s Base Salary or Target Bonus opportunity;

(ii) subject to the terms and conditions of the applicable plan(s), any failure by PAE to continue to provide retirement, fringe and welfare benefits to Executive that are substantially similar in the aggregate to those afforded to senior management employees of PAE;

(iii) any material adverse change in Executive’s duties or responsibilities;

(iv) any relocation of Executive’s principal place of business of 50 miles or more, provided that such relocation also increases Executive’s commute by at least 25 miles;

(v) any delivery to Executive by PAE of a Notice of Non-Renewal; or

(vi) any failure to pay Executive’s Base Salary and other amounts earned by Executive within ten days after the date such compensation is due.

Executive must provide written notice to PAE pursuant to Section 6.05 of this Agreement of Executive’s intent to resign for Good Reason within 45 days of the occurrence of an event described in Section 4.02(c) above (each, a “Good Reason Event”) in order for Executive’s resignation for Good Reason to be effective hereunder. Upon receipt of such notice, PAE shall have 30 days (60 days in the case of the Good Reason Event described in Section 4.02(c)(v) above) (the applicable period, the “Good Reason Cure Period”) to rectify the Good Reason Event. If PAE fails to rectify the Good Reason Event prior to the expiration of the Good Reason Cure Period, then Executive may terminate employment within 10 days following the expiration of the Good Reason Cure Period and such termination will be considered for Good Reason and, in the event Executive’s termination is in respect of the Good Reason Event described in Section 4.02(c)(v) above, such termination will be considered for Good Reason for all purposes of this Agreement notwithstanding the earlier expiration of the term of Executive’s employment under this Agreement.

SECTION 4.03. Termination by PAE Other Than for Cause, Disability or Death; Termination by Executive for Good Reason If PAE elects to terminate Executive’s employment for any reason other than Cause, Disability (as defined below) or death or if Executive terminates Executive’s employment with PAE for Good Reason, Executive shall be entitled to the Accrued Rights and, provided that Executive has provided a general release in favor of PAE, PAE Holding, Parent and their subsidiaries and affiliates, and their respective directors, officers, employees, agents and representatives in form and substance reasonably acceptable to PAE (the “Release”) and the Release has become effective and irrevocable prior to the 60th day after such termination of employment, Executive shall be entitled to the following:

(a) Cash Payments. (i) PAE shall pay to Executive an amount equal to 1.5 times the sum of Executive’s then-current Base Salary and “Average Bonus” (as defined below), payable in installments through the date that is 18 months after the date of Executive’s termination of employment (the “Severance Period”) at the same times at which and in the same
manner in which Executive’s Base Salary would have been payable to Executive had a termination of employment not occurred and (ii) PAE shall provide to Executive, during the calendar year following the calendar year in which Executive’s termination of employment occurs, an Annual Bonus for the fiscal year in which the termination occurs equal to the Annual Bonus that Executive would have received if his employment had not terminated prior to the end of the fiscal year (e.g., after determining whether applicable performance goals have been achieved determined on a basis consistent with past practice), pro-rated based on a fraction, the numerator of which shall equal the number of days Executive was employed by PAE in the fiscal year in which Executive’s termination occurs and the denominator of which shall equal 365 (the “Pro-Rata Bonus”); provided, however, that, in the case of clause (i), PAE shall (x) commence such payments on the 60th day after termination of Executive’s employment, except that any payments that would have otherwise been paid to Executive following the date of the termination of employment and prior to such 60th day shall be accumulated and paid to Executive in a lump sum on the first payment date following such 60th day, and (y) not continue such payments at any time following either (A) breach of the provisions of Section 5.03 or 5.04 or (B) breach of the provisions of Article V (other than Section 5.03 or 5.04) that (X) is materially damaging to the business or reputation of PAE or any of its affiliates or (Y) occurs after PAE has notified Executive of a prior breach of such Article V (other than Section 5.03 or 5.04). For purposes of this Agreement, “Average Bonus” means the average of all Annual Bonuses paid or payable to Executive in respect of the three fiscal years ended prior to the fiscal year in which the employment of Executive is terminated (or, if Executive was not employed by PAE during each of such fiscal years, such lesser number of fiscal years during which Executive was so employed); provided, however, that, if, during the Severance Period, Executive becomes employed by a new employer that provides medical and dental coverage, PAE’s continuing medical and dental coverage (and any cash payments in lieu thereof)

(b) Medical, Dental and Life Insurance Benefit Continuation. During the Severance Period, Executive and Executive’s spouse and dependents (each as defined under the applicable program) shall receive the following benefits: (x) medical and dental insurance coverage at the same benefit levels as provided to active senior management employees of PAE, for which PAE will (A) reimburse Executive during the Severance Period, for the total amount of the monthly medical and dental insurance premiums payable by Executive for continued benefits coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, in excess of the cost Executive paid for such coverage (on a monthly premium basis) immediately prior to such termination of employment and (B) provide such coverage for any remaining portion of the Severance Period at the same cost to Executive as is generally provided to active senior management employees of PAE (or, if it is not possible, or is cost-prohibitive for PAE to provide such coverage for such remaining portion, PAE will pay Executive an additional monthly amount, at the same time as cash severance payments are made pursuant to Section 4.03(a), of cash equal to the premiums PAE would have paid if Executive had remained an active employee, subject to Section 6.13 hereof); provided, however, that if, during the Severance Period, Executive becomes employed by a new employer that provides medical and dental coverage, PAE’s continuing medical and dental coverage (and any cash payments in lieu thereof)
shall become secondary to such new employer’s coverage with respect to claims covered by such new employer’s medical and dental plans; and (y) life insurance coverage at the same benefit level as provided to active senior management employees of PAE and at the same cost to Executive as is generally provided to active senior management employees of PAE. Notwithstanding any provision of this Agreement to the contrary, to the extent necessary to satisfy Section 105(h) of the Internal Revenue Code of 1986, as amended (the “Code”), or if PAE determines is necessary to avoid the imposition of an excise tax on PAE, PAE will be permitted to alter the manner in which medical and dental benefits are provided to Executive following termination of Executive’s employment; provided that the after-tax cost to Executive of such benefits shall not be greater than the cost applicable to similarly situated executives of PAE who have not terminated employment.

(c) Outplacement. Executive shall receive reasonable outplacement services to be provided by a provider selected by Executive during the Severance Period, the cost of which shall be borne by PAE; provided, however, that, notwithstanding the foregoing, Executive shall commence using such services within 12 months of Executive’s termination of employment, such outplacement services shall end not later than the last day of the second calendar year that begins after the date of termination of Executive’s employment and PAE shall pay any amounts in respect of such outplacement services not later than the last day of the third calendar year that begins after such date of termination.

(d) Release. For the avoidance of doubt, (x) the Release shall not require Executive to release any rights to post-termination payments or benefits afforded to him by this Agreement, or any vested benefits or rights pursuant to the terms of PAE’s or its affiliates’ benefit plans or programs, and (y) if the Release does not become effective and irrevocable within 60 days following the date of Executive’s termination of employment pursuant to this Section 4.03(d), PAE shall not be obligated to make any payments or provide any benefits under Section 4.03(a), (b) or (c) above and Executive shall only be entitled to the Accrued Rights.

SECTION 4.04. Termination for Disability or Death. Executive’s employment shall terminate automatically upon Executive’s death. PAE may terminate Executive’s employment upon the occurrence of Executive’s Disability. In the event of Executive’s termination due to death or Disability, Executive, or Executive’s estate, as the case may be, shall be entitled to receive the Accrued Rights, and the Pro-Rata Bonus during the calendar year following the calendar year in which Executive’s termination of employment occurs. For purposes of this Agreement, the term “Disability” shall mean (a) the inability of Executive, due to illness, accident or any other physical or mental incapacity, to perform Executive’s duties in a normal manner for a period of 180 days (whether or not consecutive) in any twelve-month period during the term of Executive’s employment under this Agreement or (b) Executive being accepted for long-term disability benefits under any long-term disability plan in which he is then participating. The Board shall determine, according to the facts then available, whether and when the Disability of Executive has occurred. Such determination shall not be arbitrary or unreasonable and the Board will take into consideration the expert medical opinion of a physician chosen by PAE, after such physician has completed an examination of Executive. Executive agrees to make himself available for such examination upon the reasonable request of PAE.
ARTICLE V

Executive Covenants

SECTION 5.01. PAE Interests. Executive acknowledges that PAE has expended substantial amounts of time, money and effort to develop business strategies, customer relationships, employee relationships, trade secrets and goodwill and to build an effective organization, and that PAE has a legitimate business interest and right in protecting those assets as well as any similar assets that PAE may develop or obtain. Executive acknowledges that PAE is entitled to protect and preserve the going concern value of PAE and its business and trade secrets to the extent permitted by law. Executive acknowledges that PAE’s business is worldwide in nature and international in scope. Executive acknowledges and agrees that the restrictions imposed upon Executive under this Agreement are reasonable and necessary for the protection of PAE’s goodwill, confidential information, trade secrets and customer relationships, and that the restrictions set forth in this Agreement will not prevent Executive from earning a livelihood without violating any provision of this Agreement.

SECTION 5.02. Consideration to Executive. In consideration of PAE’s entering into this Agreement and PAE’s obligations hereunder and other good and valuable consideration, the receipt of which is hereby acknowledged, and acknowledging hereby that PAE would not have entered into this Agreement without the covenants contained in this Article V, Executive hereby agrees to be bound by the provisions and covenants contained in this Article V.

SECTION 5.03. Non-Solicitation. Executive agrees that, for the period commencing on the Effective Date and terminating 18 months after the date of Executive’s termination of employment with PAE for any reason, Executive shall not, and shall cause each of Executive’s affiliates (other than PAE) not to, directly or indirectly: (a) solicit any person or entity that is or was a customer (or prospective customer) of PAE to (i) purchase any goods or services related to any Competitive Business (as defined below) that are of the type sold by PAE, from anyone other than PAE or (ii) reduce its volume of goods or services purchased from PAE, (b) interfere with, or attempt to interfere with, business relationships (whether formed before, on or after the Effective Date) between PAE and suppliers, partners, members or investors of PAE, (c) other than on behalf of PAE, solicit, recruit or hire any employee or consultant of PAE or any person who has, at any time within two years prior to such solicitation, recruitment or hiring, worked for or provided services to PAE, (d) solicit or encourage any employee or consultant of PAE to leave the employment of, or to cease providing services to, PAE or (e) assist any person or entity in any way to do, or attempt to do, anything prohibited by this Section 5.03.

SECTION 5.04. Non-Competition. (a) Executive agrees that, for the period commencing on the Effective Date and terminating 18 months after the date of Executive’s termination of employment with PAE for any reason, Executive shall not, and shall cause each of Executive’s affiliates (other than PAE) not to, directly or indirectly: (i) engage in or establish any Competitive Business including selling goods or services relating to any Competitive Business that are of the type sold by PAE, (ii) assist any person or entity in any way to engage in or establish, or attempt to engage in or establish, any Competitive Business, (iii) except as provided in Section 5.04(c), be employed by, consult with, advise, permit his name to be used by, or be connected in any manner with the ownership, management, operation or control of any person or entity that directly or indirectly engages in any Competitive Business, or (iv) engage in any course of conduct that involves any Competitive Business that is substantially detrimental to the business reputation of PAE.
(b) The term “Competitive Business” shall mean (A) any business or entity that engages in business of the type conducted by PAE as of the date of Executive’s termination of employment with PAE, (B) any business that is a contractor or subcontractor under any government contract under which PAE is a contractor or subcontractor as of the date of Executive’s termination of employment with PAE or (C) any entity that is as of the date of Executive’s termination competing for any government contract (including any re-compete or follow-on procurement) on which PAE has bid or plans to bid.

(c) This Section 5.04 shall not be deemed breached solely as a result of the ownership by Executive or any of Executive’s affiliates of: (i) less than an aggregate of 5% of any class of stock of a public company engaged, directly or indirectly, in any Competitive Business; (ii) less than 5% in value of any instrument of indebtedness of a public company engaged, directly or indirectly, in any Competitive Business; or (iii) a public company that engages, directly or indirectly, in any Competitive Business if such Competitive Business accounts for less than 5% of such person’s or entity’s consolidated annual revenues. A “public company” for purposes of this Section 5.04(c) shall mean an entity whose common stock is traded on a nationally recognized securities exchange.

SECTION 5.05. Confidential Information. Executive hereby acknowledges that (a) in the performance of Executive’s duties and services pursuant to this Agreement, Executive has received, and may be given access to, Confidential Information and (b) all Confidential Information is or will be the property of PAE. For purposes of this Agreement, “Confidential Information” shall mean information, knowledge and data that is or will be used, developed, obtained or owned by PAE relating to the business, products and/or services of PAE or the business, products and/or services of any customer, sales officer, sales associate or independent contractor thereof, including products, services, fees, pricing, designs, marketing plans, strategies, analyses, forecasts, formulas, drawings, photographs, reports, records, computer software (whether or not owned by, or designed for, PAE), other operating systems, applications, program listings, flow charts, manuals, documentation, data, databases, specifications, technology, inventions, new developments and methods, improvements, techniques, trade secrets, devices, products, methods, know-how, processes, financial data, customer lists, contact persons, cost information, executive information, regulatory matters, personnel matters, accounting and business methods, copyrightable works and information with respect to any vendor, customer, sales officer, sales associate or independent contractor of PAE, in each case whether patentable or unpatentable and whether or not reduced to practice, and all similar and related information in whatever form, and all such items of any vendor, customer, sales officer, sales associate or independent contractor of PAE; provided, however, that Confidential Information shall not include information that is generally known to the public other than as a result of disclosure by Executive in breach of this Agreement or in breach of any similar covenant made by Executive prior to entering into this Agreement.
SECTION 5.06. **Non-Disclosure.** (a) Except as otherwise specifically provided in Section 5.07, Executive will not, directly or indirectly, disclose or cause or permit to be disclosed, to any person or entity whatsoever, or utilize or cause or permit to be utilized, by any person or to any entity whatsoever, any Confidential Information acquired pursuant to Executive’s employment with PAE (whether acquired prior to or subsequent to the execution of this Agreement) under this Agreement or otherwise.

(b) Executive will not disclose to anyone, other than Executive’s immediate family and legal or financial advisors, the existence or contents of this Agreement, except to the extent permitted in Section 5.07 or to comply with Section 5.12, and, to the extent such information is disclosed to Executive’s immediate family or legal or financial advisors, will instruct those parties to comply with the non-disclosure requirements of this Section 5.06.

SECTION 5.07. **Permitted Disclosure.** Executive may (a) utilize and disclose the Confidential Information only to the extent reasonably necessary and required in the discharge of Executive’s duties as an employee of PAE and (b) disclose Confidential Information only to the extent Executive (i) is obligated to disclose such Confidential Information pursuant to any confidentiality agreement executed by or on behalf of PAE or Executive prior to the Effective Date, (ii) is obligated to disclose such Confidential Information or else would reasonably likely be held in contempt by a court of law or suffer other censure, sanction, or penalty, (iii) is required to disclose such Confidential Information by law, or (iv) discloses such information in the context of litigation between PAE and Executive.

SECTION 5.08. **Assignment of Inventions; Further Assurances.** All rights to discoveries, inventions, improvements and innovations (including all data and records pertaining thereto) related to the business of PAE or its current or former affiliates, whether or not patentable, copyrightable, registrable as a trademark, or reduced to writing, that Executive may discover, invent or originate during the term of Executive’s service to PAE or its affiliates (whether before, on or after the Effective Date), either alone or with others and whether or not during working hours or by the use of the facilities of PAE (“Inventions”), shall be the exclusive property of PAE or its designee. Executive shall promptly disclose all Inventions to PAE. Executive shall take all requested actions and execute all requested documents to assist PAE, or its designee, at PAE’s expense, in every way to secure PAE’s or its designee’s above rights in the Inventions and any copyrights, patents, mask work rights or other intellectual property rights relating thereto in any and all countries, and to pursue any patents or registrations with respect thereto. This covenant shall survive the termination of this Agreement. If PAE or its designee is unable for any other reason to secure Executive’s signature on any document for this purpose, then Executive hereby irrevocably designates and appoints PAE or its designee and their duly authorized officers and agents, as the case may be, as Executive’s agent and attorney-in-fact, to act for and in Executive’s behalf and stead to execute any documents and to do all other lawfully permitted acts in connection with the foregoing.

SECTION 5.09. **Records.** All memoranda, books, records, documents, papers, plans, information, letters and other data relating to Confidential Information or the business and customer accounts of PAE, whether prepared by Executive or otherwise, coming into Executive’s possession shall be and remain the exclusive property of PAE and Executive shall not, during the term of Executive’s employment with PAE or thereafter, directly or indirectly assert any interest or property rights therein. Upon termination of employment with PAE for any reason, Executive will immediately return to PAE all such memoranda, books, records,
documents, papers, plans, information, letters and other data, and all copies thereof or therefrom, and Executive will not retain, or cause or permit to be retained, any copies or other embodiments of the materials so returned. Executive further agrees that he will not retain or use for Executive’s account at any time any trade names, trademark or other proprietary business designation used or owned in connection with the business of PAE.

SECTION 5.10. Non-Disparagement. Executive has not prior to the Effective Date, whether in writing or orally, criticized or disparaged PAE, nor shall Executive during the period commencing on the Effective Date and terminating five years after the date of Executive’s termination of employment with PAE for any reason (the “Non-Disparagement Period”), unless in the context of litigation between PAE and Executive or under penalty of perjury, whether in writing or orally, criticize or disparage PAE or any of its respective current or former affiliates, directors, officers, employees, members, partners, agents or representatives, including Platinum Equity, LLC and its affiliated investment funds. PAE shall instruct the PAE Parties (as defined below) not to, whether in writing or orally, criticize or disparage Executive during the Non-Disparagement Period, unless in the context of litigation between PAE and Executive or under penalty of perjury. For purposes of this Agreement, the term “PAE Parties” shall mean the executive officers and designated spokespersons of PAE, acting in their capacity as representatives of PAE.

SECTION 5.11. Specific Performance. Executive agrees that any breach by Executive of any of the provisions of this Article V shall cause irreparable harm to PAE that could not be made whole by monetary damages and that, in the event of such a breach, Executive shall waive the defense in any action for specific performance that a remedy at law would be adequate, and PAE shall be entitled to specifically enforce the terms and provisions of this Article V without the necessity of proving actual damages or posting any bond or providing prior notice, in addition to any other remedy to which PAE may be entitled at law or in equity.

SECTION 5.12. Notification of Subsequent Employer. Prior to accepting employment with any other person or entity during any period during which Executive remains subject to any of the covenants set forth in Section 5.03 or Section 5.04, Executive shall provide such prospective employer with written notice of such provisions of this Agreement, with a copy of such notice delivered simultaneously to PAE in accordance with Section 6.05.

ARTICLE VI

Miscellaneous

SECTION 6.01. Assignment. This Agreement shall not be assignable by Executive. The parties agree that any attempt by Executive to delegate Executive’s duties hereunder shall be null and void. This Agreement may be assigned by PAE to a person or entity that is an affiliate or a successor in interest to substantially all the business operations of PAE. Upon such assignment, the rights and obligations of PAE hereunder shall become the rights and obligations of such affiliate or successor person or entity. As used in this Agreement, the term “PAE” shall mean PAE as hereinbefore defined in the recital to this Agreement and any permitted assignee to which this Agreement is assigned.
SECTION 6.02. **Successors.** This Agreement shall be binding upon and shall inure to the benefit of the successors and permitted assigns of PAE and the personal or legal representatives, executors, administrators, successors, distributees, devisees and legatees of Executive. Executive acknowledges and agrees that all Executive’s covenants and obligations to PAE, as well as the rights of PAE under this Agreement, shall run in favor of and will be enforceable by PAE, its subsidiaries and its successors and permitted assigns.

SECTION 6.03. **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties and with respect to the transactions contemplated hereby and subject matter hereof and supersedes and replaces any and all prior agreements (including the Prior Agreement), understandings, statements, representations and warranties, written or oral, express or implied and/or whenever and howsoever made, directly or indirectly relating to the subject matter hereof. Notwithstanding the above, Executive’s covenants set forth in Article V shall operate independently of, and shall be in addition to, any similar covenants to which Executive is subject pursuant to any other agreement with PAE or any of PAE’s affiliates.

SECTION 6.04. **Amendment.** Except as provided in Section 6.14(d) hereof, this Agreement may not be altered, modified, or amended except by written instrument signed by the parties hereto.

SECTION 6.05. **Notice.** All documents, notices, requests, demands and other communications that are required or permitted to be delivered or given under this Agreement shall be in writing and shall be deemed to have been duly delivered or given when received.

SECTION 6.06. Governing Law and Jurisdiction. (a) This Agreement and any disputes arising under or related hereto (whether for breach of contract, tortious conduct or otherwise) shall be governed and construed in accordance with the laws of the State of New York, without reference to its conflicts of law principles. Each party irrevocably agrees that any legal action, suit or proceeding against them arising out of or in connection with this Agreement or the transactions contemplated by this Agreement or disputes relating hereto (whether for breach of contract, tortuous conduct or otherwise) shall be brought exclusively in the United States District Court for the Eastern District of Virginia, or, if such court does not have subject matter jurisdiction, the state courts of Virginia located in Arlington County and hereby irrevocably accepts and submits to the exclusive jurisdiction and venue of the aforesaid courts in personam, with respect to any such action, suit or proceeding.

(b) Each party hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement. Each party (i) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other parties hereto have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 6.06(b).

(c) Each party in any dispute or legal action arising under this Agreement shall be responsible for bearing its own expenses, attorneys’ fees and other costs in such dispute or legal action.

SECTION 6.07. Severability. If any term, provision, covenant or condition of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable in any jurisdiction, then such provision, covenant or condition shall, as to such jurisdiction, be modified or restricted to the extent necessary to make such provision valid, binding and enforceable, or, if such provision cannot be modified or restricted, then such provision shall, as to such jurisdiction, be deemed to be excised from this Agreement and any such invalidity, illegality or unenforceability with respect to such provision shall not invalidate or render unenforceable such provision in any other jurisdiction, and the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated.
SECTION 6.08. **Survival**. The rights and obligations of PAE and Executive under the provisions of this Agreement, including Articles V and VI, shall survive and remain binding and enforceable, notwithstanding any termination of Executive’s employment with PAE, to the extent necessary to preserve the intended benefits of such provisions.

SECTION 6.09. **Cooperation**. Executive shall provide Executive’s reasonable cooperation to PAE in connection with any suit, action or proceeding (or any appeal therefrom) that relates to events occurring during Executive’s employment with PAE or any of its affiliates other than a suit between Executive, on the one hand, and PAE, on the other hand, provided that PAE shall reimburse Executive for expenses reasonably incurred in connection with such cooperation.

SECTION 6.10. **Executive Representation**. Executive hereby represents to PAE that the execution and delivery of this Agreement by Executive and PAE and the performance by Executive of Executive’s duties hereunder shall not constitute a breach of, or otherwise contravene, or be prevented, interfered with or hindered by, the terms of any employment agreement or other agreement or policy to which Executive is a party or otherwise bound.

SECTION 6.11. **No Waiver**. The provisions of this Agreement may be waived only in writing signed by the party or parties entitled to the benefit thereof. A waiver or any breach or failure to enforce any provision of this Agreement shall not in any way affect, limit or waive a party’s rights hereunder at any time to enforce strict compliance thereafter with every provision of this Agreement.

SECTION 6.12. **Set Off**. PAE’s obligation to pay Executive the amounts provided and to make the arrangements provided hereunder shall be subject to set off, counterclaim or recoupment of amounts owed by Executive to PAE or its affiliates, except as provided in Section 6.14.

SECTION 6.13. **Withholding Taxes**. PAE may withhold from any amounts payable under this Agreement such Federal, state, local and foreign taxes as may be required to be withheld pursuant to any applicable law or regulation.

SECTION 6.14. **Section 409A**. (a) It is intended that the provisions of this Agreement comply with Section 409A (“Section 409A”) of the Code, and all provisions of this Agreement shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A.

(b) Neither Executive nor any of his creditors or beneficiaries shall have the right to subject any deferred compensation (within the meaning of Section 409A) payable under this Agreement or under any other plan, policy, arrangement or agreement of or with PAE or any of its affiliates (this Agreement and such other plans, policies, arrangements and agreements, the “Company Plans”) to any anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Except as permitted under Section 409A, any deferred compensation (within the meaning of Section 409A) payable to Executive or for Executive’s benefit under any Company Plan may not be reduced by, or offset against, any amount owing by Executive to PAE or any of its affiliates.
(c) If, at the time of Executive’s separation from service (within the meaning of Section 409A), (i) Executive shall be a specified employee (within the meaning of Section 409A and using the identification methodology selected by PAE from time to time) and (ii) PAE shall make a good faith determination that an amount payable under a Company Plan constitutes deferred compensation (within the meaning of Section 409A) the payment of which is required to be delayed pursuant to the six-month delay rule set forth in Section 409A in order to avoid taxes or penalties under Section 409A, then PAE (or its affiliate, as applicable) shall not pay such amount on the otherwise scheduled payment date but shall instead accumulate such amount and pay it on the first business day after such six-month period.

(d) Notwithstanding any provision of this Agreement or any Company Plan to the contrary, in light of the uncertainty with respect to the proper application of Section 409A, PAE reserves the right to make amendments to any Company Plan as PAE deems necessary or desirable to avoid the imposition of taxes or penalties under Section 409A. In any case, Executive is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on Executive or for Executive’s account in connection with any Company Plan (including any taxes and penalties under Section 409A), and neither PAE nor any affiliate shall have any obligation to indemnify or otherwise hold Executive harmless from any or all of such taxes or penalties.

(e) For purposes of Section 409A, each payment hereunder will be deemed to be a separate payment as permitted under Treasury Regulation Section 1.409A-2(b)(2)(iii). Notwithstanding anything herein to the contrary, Executive shall not be entitled to any payments or benefits payable hereunder as a result of Executive’s termination of employment with PAE that constitute “deferred compensation” under Section 409A unless such termination of employment qualifies as a “separation from service” within the meaning of Section 409A (and any related regulations or other pronouncements thereunder).

(f) Except as specifically permitted by Section 409A, any benefits and reimbursements provided to Executive under this Agreement during any calendar year shall not affect any benefits and reimbursements to be provided to Executive under this Agreement in any other calendar year, and the right to such benefits and reimbursements cannot be liquidated or exchanged for any other benefit. Furthermore, reimbursement payments shall be made to Executive as soon as practicable following the date that the applicable expense is incurred, but in no event later than the last day of the calendar year following the calendar year in which the underlying expense is incurred.

SECTION 6.15. Counterparts. This Agreement may be executed in any number of counterparts (including by facsimile of PDF), each of which shall be deemed to be an original instrument and all of which together shall constitute a single instrument. If any signature is delivered by facsimile transmission or by PDF, such signature shall create a valid and binding obligation of the party executing (or on whose behalf the signature is executed) with the same force and effect as if such facsimile or PDF signature were an original thereof.

SECTION 6.16. Construction. (a) The headings in this Agreement are for convenience only and shall not control or affect the meaning or construction of any provision of this Agreement.
(b) As used in this Agreement, words such as “herein,” “hereinafter,” “hereby” and “hereunder,” and the words of like import refer to this Agreement, unless the context requires otherwise. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation”.

(c) As used in Articles V and VI, the term “PAE” includes PAE and its subsidiaries and affiliates and their predecessors, successors and assigns.
IN WITNESS WHEREOF, the parties have duly executed this Agreement as of the date first written above.

JOHN E. HELLER,

/s/ John E. Heller
EMPLOYMENT AGREEMENT (this “Agreement”) dated as of March 14, 2016 (the “Effective Date”), by and between CHARLES D. PEIFFER (“Executive”) and PACIFIC ARCHITECTS AND ENGINEERS INCORPORATED, a California corporation (“PAE”).

WHEREAS, PAE has entered into that certain Agreement and Plan of Merger, dated as of January 14, 2016 (the “Merger Agreement”), by and among (i) PAE Holding Corporation (“PAE Holding”), (ii) LG PAE, L.P., (iii) Shay Intermediate Holding II Corporation (“Parent”) and (iv) Shay Merger Corporation (“Sub”), pursuant to which Sub will merge with and into PAE Holding, with PAE Holding continuing as the surviving corporation, subject to the terms and conditions of the Merger Agreement;

WHEREAS, PAE has employed Executive pursuant to that certain employment offer letter agreement, dated as of March 3, 2013 (the “Prior Agreement”);

WHEREAS, PAE desires to continue to employ Executive, and Executive desires to continue such employment and enter into this Agreement, which sets forth the terms and conditions under which Executive will continue to serve PAE, effective as of the Effective Date; and

WHEREAS, the parties acknowledge that the terms of this Agreement shall, upon the Effective Date, replace and supersede the Prior Agreement, which will thereupon become null and void.

NOW, THEREFORE, in consideration of the premises and mutual agreements herein contained, the parties hereto do hereby agree as follows:

ARTICLE I

Employment

SECTION 1.01. Term. The term of Executive’s employment under this Agreement shall commence on the Effective Date and shall terminate on the second anniversary of the Effective Date (the “Initial Period”); provided that such term of employment shall automatically renew upon the expiration of the Initial Period and on each subsequent anniversary thereof for one year (“Renewal Period”), unless PAE delivers to Executive, or Executive delivers to PAE, written notice (“Notice of Non-Renewal”) at least 60 days in advance of the expiration of the Initial Period or any Renewal Period that such term of employment shall not be extended, in which case such term of employment shall end at the end of the Initial Period or Renewal Period in which such notice was delivered and shall not be further extended. Notwithstanding the foregoing, Executive’s employment with PAE shall be “at will” and, subject to the provisions of Article IV and the notice requirements set forth above, Executive’s employment under this Agreement may be terminated by PAE or Executive at any time and for any reason, with or without prior notice.

SECTION 1.02. Position and Duties. During the term of this Agreement, Executive shall serve as the Chief Financial Officer of PAE reporting to the Chief Executive Officer of PAE, performing duties and having responsibilities customary for such position and as may from time to time be assigned to Executive by the Chief Executive Officer of PAE. Executive shall perform such services and duties in accordance with the policies, practices and bylaws of PAE.
SECTION 1.03. **Time and Effort** Executive shall serve PAE faithfully, loyally, honestly and to the best of Executive’s ability. Executive shall devote all of Executive’s business time and best efforts to the performance of Executive’s duties on behalf of PAE. During Executive’s term of employment, Executive shall not at any time or place or to any extent whatsoever, either directly or indirectly, without the express written consent of the Board of Directors or other governing body of PAE (the “Board”), engage in any outside employment or in any activity that, in the reasonable judgment of PAE, is competitive with or adverse to the business, practice or affairs of PAE or any of its affiliates, whether or not such activity is pursued for gain, profit or other pecuniary advantage. Notwithstanding the foregoing, it shall not be a violation of this Agreement for Executive to serve as a director of charitable organizations to the extent such service has been approved by the Board (such approval not to be unreasonably withheld).

ARTICLE II

Compensation

SECTION 2.01. **Base Salary** During the term of Executive’s employment under this Agreement, PAE shall, as compensation for the obligations set forth herein and for all services rendered by Executive in any capacity during Executive’s employment under this Agreement, including services as an officer, employee, director or member of any governing body, or committee thereof, of PAE or any of its affiliates, pay Executive a base salary (“Base Salary”) at the annual rate of $512,000 per year, payable in substantially equal installments in accordance with PAE’s standard payroll practices as in effect from time to time. In the event that sickness or disability payments under any insurance programs of PAE or otherwise shall become payable to Executive in respect of any period of Executive’s employment under this Agreement, the salary installment payable to Executive hereunder on the next succeeding salary installment payment date shall be an amount computed by subtracting (a) the amount of such sickness or disability payments that shall have become payable during the period between such date and the immediately preceding salary installment date from (b) the salary installment otherwise payable to Executive hereunder on such date.

SECTION 2.02. **Annual Bonus** During the term of Executive’s employment under this Agreement, Executive shall be eligible to participate in the annual incentive compensation plans of PAE, as may be continued or established by the Board, in its discretion, from time to time (the “Bonus Plan”) and shall have the opportunity to earn a performance-based bonus (“Annual Bonus”) targeted at 75% of Executive’s Base Salary (“Target Bonus”) and a maximum bonus opportunity for above-target performance of up to 200% of Executive’s Target Bonus for the fiscal year to which such Annual Bonus relates. The performance goals and Annual Bonus payable for a given fiscal year under the Bonus Plan shall be determined by the Board. Except as provided in Article IV, payment of the Annual Bonus will be conditioned upon Executive’s continued employment though the payment date.
ARTICLE III

Executive Benefits

SECTION 3.01. Benefit Plans. During the term of Executive’s employment under this Agreement, Executive shall be entitled to participate in any benefit plans (excluding severance, bonus, incentive or profit-sharing plans) offered by PAE as in effect from time to time (collectively, “Benefit Plans”) on the same basis as that generally made available to other employees of PAE to the extent Executive may be eligible to do so under the terms of any such Benefit Plan. Executive understands that any such Benefit Plans may be terminated or amended from time to time by PAE in its discretion. Notwithstanding the first sentence of this Section 3.01, nothing shall preclude Executive from participating during the term of Executive’s employment under this Agreement in any present or future bonus, incentive or profit-sharing plan or other plan of PAE for the benefit of its employees, in each case as and to the extent approved or determined by the Board in its discretion and subject to the other terms of this Agreement.

SECTION 3.02. Business Expenses. PAE will reimburse Executive for all reasonably incurred business expenses, subject to the travel and expense policy established by PAE from time to time, incurred by Executive during the term of Executive’s employment under this Agreement in the performance of Executive’s duties hereunder, provided that Executive furnishes to PAE adequate records and other documentary evidence required to substantiate such expenditures.

SECTION 3.03. Vacation. During the term of Executive’s employment under this Agreement, Executive shall receive not less than 25 paid vacation days per year, which shall be accrued and taken in accordance with PAE’s vacation policy.

ARTICLE IV

Termination

SECTION 4.01. Exclusive Rights. The amounts payable under this Article IV are intended to be, and are, exclusive and in lieu of any other rights or remedies to which Executive may otherwise be entitled, including under common, tort or contract law, under policies of PAE and its affiliates in effect from time to time, under this Agreement or otherwise, in the event of Executive’s termination of employment with PAE and its affiliates.

SECTION 4.02. Termination by PAE for Cause; Termination by Executive without Good Reason. (a) If PAE terminates Executive for Cause or if Executive elects to terminate Executive’s employment with PAE without Good Reason, Executive shall be entitled to receive (i) Base Salary earned through the date of termination that remains unpaid as of the date of Executive’s termination, (ii) any Annual Bonus for any previously completed bonus period that has been earned and remains unpaid as of the date of Executive’s termination, (iii) reimbursement for any unreimbursed business expenses properly incurred by Executive prior to the date of Executive’s termination to the extent such expenses are reimbursable under Section 3.02 and (iv) such benefits (excluding benefits under any severance plan, program or
(b) For purposes of this Agreement, the term “Cause” shall mean Executive’s:

(i) intentional failure to perform reasonably assigned duties;

(ii) personal dishonesty or willful misconduct in the performance of duties, which causes or threatens to cause material injury to PAE or any of its affiliates;

(iii) breach of fiduciary duties owed by Executive to PAE or any of its affiliates resulting in personal profit to Executive;

(iv) willful violation of any law, rule or regulation in connection with the performance of duties (other than traffic violations or similar offenses); or

(v) any act by Executive involving (a) fraud, (b) any breach by Executive of applicable regulations of competent authorities in relation to trading or dealing with stocks, securities, or investments or (c) any willful or grossly negligent act by the Executive resulting in an investigation by the Securities and Exchange Commission, which, in each of cases (a), (b) and (c) above, the Board determines in its reasonable and good faith discretion materially adversely affects PAE or any of its affiliates or Executive’s ability to perform his duties hereunder.

For purposes of this definition, an act, or failure to act, on Executive’s part shall be deemed “willful” if done, or omitted to be done, by Executive intentionally, in bad faith and without reasonable belief that the action or omission was in the best interest of PAE. If PAE desires to terminate Executive’s employment for Cause in the case of clauses (i), (ii), (iii) or (v) of Section 4.02(b) and the basis for Cause, by its nature, is capable of being cured, PAE shall first provide Executive with written notice of the applicable event that constitutes the basis for Cause (a “Cause Notice”) within ten days of the Board becoming aware of such event. Such notice shall specifically identify such claimed breach. Executive shall have 15 days following receipt of such Cause Notice (the “Cause Cure Period”) to cure such basis for Cause, and PAE shall be entitled at the end of such Cause Cure Period to terminate Executive’s employment under this Agreement for Cause; provided, however, that, if such breach is cured within the Cause Cure Period or if PAE does not terminate Executive’s employment with PAE within ten days after the end of the Cause Cure Period, PAE shall not be entitled to terminate Executive’s employment for Cause based on the event described in the Cause Notice; and provided further that notwithstanding the foregoing, Executive will not be entitled to the opportunity to cure a particular basis for Cause more than once during any six-month period.
(c) For purposes of this Agreement, the term “Good Reason” shall mean any of the following actions, without Executive’s express prior written approval:

(i) any material reduction in Executive’s Base Salary or Target Bonus opportunity;

(ii) subject to the terms and conditions of the applicable plan(s), any failure by PAE to continue to provide retirement, fringe and welfare benefits to Executive that are substantially similar in the aggregate to those afforded to senior management employees of PAE;

(iii) any material adverse change in Executive’s duties or responsibilities;

(iv) any relocation of Executive’s principal place of business of 50 miles or more, provided that such relocation also increases Executive’s commute by at least 25 miles;

(v) any delivery to Executive by PAE of a Notice of Non-Renewal; or

(vi) any failure to pay Executive’s Base Salary and other amounts earned by Executive within ten days after the date such compensation is due.

(d) Executive must provide written notice to PAE pursuant to Section 6.05 of this Agreement of Executive’s intent to resign for Good Reason within 45 days of the occurrence of an event described in Section 4.02(c) above (each, a “Good Reason Event”) in order for Executive’s resignation for Good Reason to be effective hereunder. Upon receipt of such notice, PAE shall have 30 days (60 days in the case of the Good Reason Event described in Section 4.02(c)(v) above) (the applicable period, the “Good Reason Cure Period”) to rectify the Good Reason Event. If PAE fails to rectify the Good Reason Event prior to the expiration of the Good Reason Cure Period, then Executive may terminate employment within 10 days following the expiration of the Good Reason Cure Period and such termination will be considered for Good Reason and, in the event Executive’s termination is in respect of the Good Reason Event described in Section 4.02(c)(v) above, such termination will be considered for Good Reason for all purposes of this Agreement notwithstanding the earlier expiration of the term of Executive’s employment under this Agreement.

SECTION 4.03. Termination by PAE Other Than for Cause, Disability or Death; Termination by Executive for Good Reason. If PAE elects to terminate Executive’s employment for any reason other than Cause, Disability (as defined below) or death or if Executive terminates Executive’s employment with PAE for Good Reason, Executive shall be entitled to the Accrued Rights and, provided that Executive has provided a general release in favor of PAE, PAE Holding, Parent and their subsidiaries and affiliates, and their respective directors, officers, employees, agents and representatives in form and substance reasonably acceptable to PAE (the “Release”) and the Release has become effective and irrevocable prior to the 60th day after such termination of employment, Executive shall be entitled to the following:

(a) Cash Payments. (i) PAE shall pay to Executive an amount equal to Executive’s then-current Base Salary, payable in installments through the date that is 12 months after the date of Executive’s termination of employment (the “Severance Period”) at the same times at which and in the same manner in which Executive’s Base Salary would have been
payable to Executive had a termination of employment not occurred and (ii) PAE shall provide to Executive, during the calendar year following the calendar year in which Executive’s termination of employment occurs, an Annual Bonus for the fiscal year in which the termination occurs equal to the Annual Bonus that Executive would have received if his employment had not terminated prior to the end of the fiscal year (e.g., after determining whether applicable performance goals have been achieved determined on a basis consistent with past practice), pro-rated based on a fraction, the numerator of which shall equal the number of days Executive was employed by PAE in the fiscal year in which Executive’s termination occurs and the denominator of which shall equal 365 (the “Pro-Rata Bonus”); provided, however, that, in the case of clause (i), PAE shall (x) commence such payments on the 60th day after termination of Executive’s employment, except that any payments that would have otherwise been paid to Executive following the date of the termination of employment and prior to such 60th day shall be accumulated and paid to Executive in a lump sum on the first payment date following such 60th day, and (y) not continue such payments at any time following either (A) breach of the provisions of Section 5.03 or 5.04 or (B) breach of the provisions of Article V (other than Section 5.03 or 5.04) that (X) is materially damaging to the business or reputation of PAE or any of its affiliates or (Y) occurs after PAE has notified Executive of a prior breach of such Article V (other than Section 5.03 or 5.04).

(b) Medical and Dental Insurance Benefit Continuation. During the Severance Period, Executive and Executive’s spouse and dependents (each as defined under the applicable program) shall receive medical and dental insurance coverage at the same benefit levels as provided to active senior management employees of PAE, for which PAE will (A) reimburse Executive during the Severance Period, for the total amount of the monthly medical and dental insurance premiums payable by Executive for continued benefits coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, in excess of the cost Executive paid for such coverage (on a monthly premium basis) immediately prior to such termination of employment and (B) provide such coverage for any remaining portion of the Severance Period at the same cost to Executive as is generally provided to active senior management employees of PAE (or, if it is not possible, or is cost-prohibitive for PAE to provide such coverage for such remaining portion, PAE will pay Executive an additional monthly amount, at the same time as cash severance payments are made pursuant to Section 4.03(a), of cash equal to the premiums PAE would have paid if Executive had remained an active employee, subject to Section 6.13 hereof); provided, however, that if, during the Severance Period, Executive becomes employed by a new employer that provides medical and dental coverage, PAE’s continuing medical and dental coverage (and any cash payments in lieu thereof) shall become secondary to such new employer’s coverage with respect to claims covered by such new employer’s medical and dental plans. Notwithstanding any provision of this Agreement to the contrary, to the extent necessary to satisfy Section 105(h) of the Internal Revenue Code of 1986, as amended (the “Code”), or if PAE determines is necessary to avoid the imposition of an excise tax on PAE, PAE will be permitted to alter the manner in which medical and dental benefits are provided to Executive following termination of Executive’s employment; provided that the after-tax cost to Executive of such benefits shall not be greater than the cost applicable to similarly situated executives of PAE who have not terminated employment.
(c) **Release.** For the avoidance of doubt, (x) the Release shall not require Executive to release any rights to post-termination payments or benefits afforded to him by this Agreement, or any vested benefits or rights pursuant to the terms of PAE’s or its affiliates’ benefit plans or programs, and (y) if the Release does not become effective and irrevocable within 60 days following the date of Executive’s termination of employment pursuant to this Section 4.03(c), PAE shall not be obligated to make any payments or provide any benefits under Section 4.03(a) or (b) above and Executive shall only be entitled to the Accrued Rights.

**SECTION 4.04. Termination for Disability or Death.** Executive’s employment shall terminate automatically upon Executive’s death. PAE may terminate Executive’s employment upon the occurrence of Executive’s Disability. In the event of Executive’s termination due to death or Disability, Executive, or Executive’s estate, as the case may be, shall be entitled to receive the Accrued Rights, and the Pro-Rata Bonus during the calendar year following the calendar year in which Executive’s termination of employment occurs. For purposes of this Agreement, the term “Disability” shall mean (a) the inability of Executive, due to illness, accident or any other physical or mental incapacity, to perform Executive’s duties in a normal manner for a period of 180 days (whether or not consecutive) in any twelve-month period during the term of Executive’s employment under this Agreement or (b) Executive being accepted for long-term disability benefits under any long-term disability plan in which he is then participating. The Board shall determine, according to the facts then available, whether and when the Disability of Executive has occurred. Such determination shall not be arbitrary or unreasonable and the Board will take into consideration the expert medical opinion of a physician chosen by PAE, after such physician has completed an examination of Executive. Executive agrees to make himself available for such examination upon the reasonable request of PAE.

**Executive Covenants**

**SECTION 5.01. PAE Interests.** Executive acknowledges that PAE has expended substantial amounts of time, money and effort to develop business strategies, customer relationships, employee relationships, trade secrets and goodwill and to build an effective organization, and that PAE has a legitimate business interest and right in protecting those assets as well as any similar assets that PAE may develop or obtain. Executive acknowledges that PAE is entitled to protect and preserve the going concern value of PAE and its business and trade secrets to the extent permitted by law. Executive acknowledges that PAE’s business is worldwide in nature and international in scope. Executive acknowledges and agrees that the restrictions imposed upon Executive under this Agreement are reasonable and necessary for the protection of PAE’s goodwill, confidential information, trade secrets and customer relationships, and that the restrictions set forth in this Agreement will not prevent Executive from earning a livelihood without violating any provision of this Agreement.

**SECTION 5.02. Consideration to Executive.** In consideration of PAE’s entering into this Agreement and PAE’s obligations hereunder and other good and valuable consideration, the receipt of which is hereby acknowledged, and acknowledging hereby that PAE would not have entered into this Agreement without the covenants contained in this Article V, Executive hereby agrees to be bound by the provisions and covenants contained in this Article V.
SECTION 5.03. Non-Solicitation. Executive agrees that, for the period commencing on the Effective Date and terminating 12 months after the date of Executive’s termination of employment with PAE for any reason, Executive shall not, and shall cause each of Executive’s affiliates (other than PAE) not to, directly or indirectly: (a) solicit any person or entity that is or was a customer (or prospective customer) of PAE to (i) purchase any goods or services related to any Competitive Business (as defined below) that are of the type sold by PAE, from anyone other than PAE or (ii) reduce its volume of goods or services purchased from PAE, (b) interfere with, or attempt to interfere with, business relationships (whether formed before, on or after the Effective Date) between PAE and suppliers, partners, members or investors of PAE, (c) other than on behalf of PAE, solicit, recruit or hire any employee or consultant of PAE or any person who has, at any time within two years prior to such solicitation, recruitment or hiring, worked for or provided services to PAE, (d) solicit or encourage any employee or consultant of PAE to leave the employment of, or to cease providing services to, PAE or (e) assist any person or entity in any way to do, or attempt to do, anything prohibited by this Section 5.03.

SECTION 5.04. Non-Competition. (a) Executive agrees that, for the period commencing on the Effective Date and terminating 12 months after the date of Executive’s termination of employment with PAE for any reason, Executive shall not, and shall cause each of Executive’s affiliates (other than PAE) not to, directly or indirectly: (i) engage in or establish any Competitive Business including selling goods or services relating to any Competitive Business that are of the type sold by PAE, (ii) assist any person or entity in any way to engage in or establish, or attempt to engage in or establish, any Competitive Business, (iii) except as provided in Section 5.04(c), be employed by, consult with, advise, permit his name to be used by, or be connected in any manner with the ownership, management, operation or control of any person or entity that directly or indirectly engages in any Competitive Business, or (iv) engage in any course of conduct that involves any Competitive Business that is substantially detrimental to the business reputation of PAE.

(b) The term “Competitive Business” shall mean (A) any business or entity that engages in business of the type conducted by PAE as of the date of Executive’s termination of employment with PAE, (B) any business that is a contractor or subcontractor under any government contract under which PAE is a contractor or subcontractor as of the date of Executive’s termination of employment with PAE or (C) any entity that is as of the date of Executive’s termination competing for any government contract (including any re-compete or follow-on procurement) on which PAE has bid or plans to bid.

(c) This Section 5.04 shall not be deemed breached solely as a result of the ownership by Executive or any of Executive’s affiliates of: (i) less than an aggregate of 5% of any class of stock of a public company engaged, directly or indirectly, in any Competitive Business; (ii) less than 5% in value of any instrument of indebtedness of a public company engaged, directly or indirectly, in any Competitive Business; or (iii) a public company that engages, directly or indirectly, in any Competitive Business if such Competitive Business accounts for less than 5% of such person’s or entity’s consolidated annual revenues. A “public company” for purposes of this Section 5.04(c) shall mean an entity whose common stock is traded on a nationally recognized securities exchange.
SECTION 5.05. Confidential Information. Executive hereby acknowledges that (a) in the performance of Executive’s duties and services pursuant to this Agreement, Executive has received, and may be given access to, Confidential Information and (b) all Confidential Information is or will be the property of PAE. For purposes of this Agreement, “Confidential Information” shall mean information, knowledge and data that is or will be used, developed, obtained or owned by PAE relating to the business, products and/or services of PAE or the business, products and/or services of any customer, sales officer, sales associate or independent contractor thereof, including products, services, fees, pricing, designs, marketing plans, strategies, analyses, forecasts, formulas, drawings, photographs, reports, records, computer software (whether or not owned by, or designed for, PAE), other operating systems, applications, program listings, flow charts, manuals, documentation, data, databases, specifications, technology, inventions, new developments and methods, improvements, techniques, trade secrets, devices, products, methods, know-how, processes, financial data, customer lists, contact persons, cost information, executive information, regulatory matters, personnel matters, accounting and business methods, copyrightable works and information with respect to any vendor, customer, sales officer, sales associate or independent contractor of PAE, in each case whether patentable or unpatentable and whether or not reduced to practice, and all similar and related information in whatever form, and all such items of any vendor, customer, sales officer, sales associate or independent contractor of PAE; provided, however, that Confidential Information shall not include information that is generally known to the public other than as a result of disclosure by Executive in breach of this Agreement or in breach of any similar covenant made by Executive prior to entering into this Agreement.

SECTION 5.06. Non-Disclosure. (a) Except as otherwise specifically provided in Section 5.07, Executive will not, directly or indirectly, disclose or cause or permit to be disclosed, to any person or entity whatsoever, or utilize or cause or permit to be utilized, by any person or to any entity whatsoever, any Confidential Information acquired pursuant to Executive’s employment with PAE (whether acquired prior to or subsequent to the execution of this Agreement) under this Agreement or otherwise.

(b) Executive will not disclose to anyone, other than Executive’s immediate family and legal or financial advisors, the existence or contents of this Agreement, except to the extent permitted in Section 5.07 or to comply with Section 5.12, and, to the extent such information is disclosed to Executive’s immediate family or legal or financial advisors, will instruct those parties to comply with the non-disclosure requirements of this Section 5.06.

SECTION 5.07. Permitted Disclosure. Executive may (a) utilize and disclose the Confidential Information only to the extent reasonably necessary and required in the discharge of Executive’s duties as an employee of PAE and (b) disclose Confidential Information only to the extent Executive (i) is obligated to disclose such Confidential Information pursuant to any confidentiality agreement executed by or on behalf of PAE or Executive prior to the Effective Date, (ii) is obligated to disclose such Confidential Information or else would reasonably likely be held in contempt by a court of law or suffer other censure, sanction, or penalty, (iii) is required to disclose such Confidential Information by law, or (iv) discloses such information in the context of litigation between PAE and Executive.
SECTION 5.08. Assignment of Inventions; Further Assurances. All rights to discoveries, inventions, improvements and innovations (including all data and records pertaining thereto) related to the business of PAE or its current or former affiliates, whether or not patentable, copyrightable, registrable as a trademark, or reduced to writing, that Executive may discover, invent or originate during the term of Executive’s service to PAE or its affiliates (whether before, on or after the Effective Date), either alone or with others and whether or not during working hours or by the use of the facilities of PAE (“Inventions”), shall be the exclusive property of PAE or its designee. Executive shall promptly disclose all Inventions to PAE. Executive shall take all requested actions and execute all requested documents to assist PAE, or its designee, at PAE’s expense, in every way to secure PAE’s or its designee’s above rights in the Inventions and any copyrights, patents, mask work rights or other intellectual property rights relating thereto in any and all countries, and to pursue any patents or registrations with respect thereto. This covenant shall survive the termination of this Agreement. If PAE or its designee is unable for any other reason to secure Executive’s signature on any document for this purpose, then Executive hereby irrevocably designates and appoints PAE or its designee and their duly authorized officers and agents, as the case may be, as Executive’s agent and attorney-in-fact, to act for and in Executive’s behalf and stead to execute any documents and to do all other lawfully permitted acts in connection with the foregoing.

SECTION 5.09. Records. All memoranda, books, records, documents, papers, plans, information, letters and other data relating to Confidential Information or the business and customer accounts of PAE, whether prepared by Executive or otherwise, coming into Executive’s possession shall be and remain the exclusive property of PAE and Executive shall not, during the term of Executive’s employment with PAE or thereafter, directly or indirectly assert any interest or property rights therein. Upon termination of employment with PAE for any reason, Executive will immediately return to PAE all such memoranda, books, records, documents, papers, plans, information, letters and other data, and all copies thereof or therefrom, and Executive will not retain, or cause or permit to be retained, any copies or other embodiments of the materials so returned. Executive further agrees that he will not retain or use for Executive’s account at any time any trade names, trademark or other proprietary business designation used or owned in connection with the business of PAE.

SECTION 5.10. Non-Disparagement. Executive has not prior to the Effective Date, whether in writing or orally, criticized or disparaged PAE, nor shall Executive during the period commencing on the Effective Date and terminating five years after the date of Executive’s termination of employment with PAE for any reason (the “Non-Disparagement Period”), unless in the context of litigation between PAE and Executive or under penalty of perjury, whether in writing or orally, criticize or disparage PAE or any of its respective current or former affiliates, directors, officers, employees, members, partners, agents or representatives, including Platinum Equity, LLC and its affiliated investment funds. PAE shall instruct the PAE Parties (as defined below) not to, whether in writing or orally, criticize or disparage Executive during the Non-Disparagement Period, unless in the context of litigation between PAE and Executive or under penalty of perjury. For purposes of this Agreement, the term “PAE Parties” shall mean the executive officers and designated spokespersons of PAE, acting in their capacity as representatives of PAE.
SECTION 5.11. Specific Performance. Executive agrees that any breach by Executive of any of the provisions of this Article V shall cause irreparable harm to PAE that could not be made whole by monetary damages and that, in the event of such a breach, Executive shall waive the defense in any action for specific performance that a remedy at law would be adequate, and PAE shall be entitled to specifically enforce the terms and provisions of this Article V without the necessity of proving actual damages or posting any bond or providing prior notice, in addition to any other remedy to which PAE may be entitled at law or in equity.

SECTION 5.12. Notification of Subsequent Employer. Prior to accepting employment with any other person or entity during any period during which Executive remains subject to any of the covenants set forth in Section 5.03 or Section 5.04, Executive shall provide such prospective employer with written notice of such provisions of this Agreement, with a copy of such notice delivered simultaneously to PAE in accordance with Section 6.05.

ARTICLE VI

Miscellaneous

SECTION 6.01. Assignment. This Agreement shall not be assignable by Executive. The parties agree that any attempt by Executive to delegate Executive’s duties hereunder shall be null and void. This Agreement may be assigned by PAE to a person or entity that is an affiliate or a successor in interest to substantially all the business operations of PAE. Upon such assignment, the rights and obligations of PAE hereunder shall become the rights and obligations of such affiliate or successor person or entity. As used in this Agreement, the term “PAE” shall mean PAE as hereinbefore defined in the recital to this Agreement and any permitted assignee to which this Agreement is assigned.

SECTION 6.02. Successors. This Agreement shall be binding upon and shall inure to the benefit of the successors and permitted assigns of PAE and the personal or legal representatives, executors, administrators, successors, distributees, devisees and legatees of Executive. Executive acknowledges and agrees that all Executive’s covenants and obligations to PAE, as well as the rights of PAE under this Agreement, shall run in favor of and will be enforceable by PAE, its subsidiaries and its successors and permitted assigns.

SECTION 6.03. Entire Agreement. This Agreement constitutes the entire agreement and understanding of the parties and with respect to the transactions contemplated hereby and subject matter hereof and supersedes and replaces any and all prior agreements (including the Prior Agreement), understandings, statements, representations and warranties, written or oral, express or implied and/or whenever and howsoever made, directly or indirectly relating to the subject matter hereof. Notwithstanding the above, Executive’s covenants set forth in Article V shall operate independently of, and shall be in addition to, any similar covenants to which Executive is subject pursuant to any other agreement with PAE or any of PAE’s affiliates.

SECTION 6.04. Amendment. Except as provided in Section 6.14(d) hereof, this Agreement may not be altered, modified, or amended except by written instrument signed by the parties hereto.
SECTION 6.05. **Notice.** All documents, notices, requests, demands and other communications that are required or permitted to be delivered or given under this Agreement shall be in writing and shall be deemed to have been duly delivered or given when received.

SECTION 6.06. **Governing Law and Jurisdiction.** (a) This Agreement and any disputes arising under or related hereto (whether for breach of contract, tortious conduct or otherwise) shall be governed and construed in accordance with the laws of the State of New York, without reference to its conflicts of law principles. Each party irrevocably agrees that any legal action, suit or proceeding against them arising out of or in connection with this Agreement or the transactions contemplated by this Agreement or disputes relating hereto (whether for breach of contract, tortuous conduct or otherwise) shall be brought exclusively in the United States District Court for the Eastern District of Virginia, or, if such court does not have subject matter jurisdiction, the state courts of Virginia located in Arlington County and hereby irrevocably accepts and submits to the exclusive jurisdiction and venue of the aforesaid courts in personam, with respect to any such action, suit or proceeding.

(b) Each party hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement. Each party (i) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other parties hereto have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 6.06(b).

12
(c) Each party in any dispute or legal action arising under this Agreement shall be responsible for bearing its own expenses, attorneys’ fees and other costs in such dispute or legal action.

SECTION 6.07. Severability. If any term, provision, covenant or condition of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable in any jurisdiction, then such provision, covenant or condition shall, as to such jurisdiction, be modified or restricted to the extent necessary to make such provision valid, binding and enforceable, or, if such provision cannot be modified or restricted, then such provision shall, as to such jurisdiction, be deemed to be excised from this Agreement and any such invalidity, illegality or unenforceability with respect to such provision shall not invalidate or render unenforceable such provision in any other jurisdiction, and the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

SECTION 6.08. Survival. The rights and obligations of PAE and Executive under the provisions of this Agreement, including Articles V and VI, shall survive and remain binding and enforceable, notwithstanding any termination of Executive’s employment with PAE, to the extent necessary to preserve the intended benefits of such provisions.

SECTION 6.09. Cooperation. Executive shall provide Executive’s reasonable cooperation to PAE in connection with any suit, action or proceeding (or any appeal therefrom) that relates to events occurring during Executive’s employment with PAE or any of its affiliates other than a suit between Executive, on the one hand, and PAE, on the other hand, provided that PAE shall reimburse Executive for expenses reasonably incurred in connection with such cooperation.

SECTION 6.10. Executive Representation. Executive hereby represents to PAE that the execution and delivery of this Agreement by Executive and PAE and the performance by Executive of Executive’s duties hereunder shall not constitute a breach of, or otherwise contravene, or be prevented, interfered with or hindered by, the terms of any employment agreement or other agreement or policy to which Executive is a party or otherwise bound.

SECTION 6.11. No Waiver. The provisions of this Agreement may be waived only in writing signed by the party or parties entitled to the benefit thereof. A waiver or any breach or failure to enforce any provision of this Agreement shall not in any way affect, limit or waive a party’s rights hereunder at any time to enforce strict compliance thereafter with every provision of this Agreement.

SECTION 6.12. Set Off. PAE’s obligation to pay Executive the amounts provided and to make the arrangements provided hereunder shall be subject to set off, counterclaim or recoupment of amounts owed by Executive to PAE or its affiliates, except as provided in Section 6.14.
SECTION 6.13. Withholding Taxes. PAE may withhold from any amounts payable under this Agreement such Federal, state, local and foreign taxes as may be required to be withheld pursuant to any applicable law or regulation.

SECTION 6.14. Section 409A. (a) It is intended that the provisions of this Agreement comply with Section 409A (“Section 409A”) of the Code, and all provisions of this Agreement shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A.

(b) Neither Executive nor any of his creditors or beneficiaries shall have the right to subject any deferred compensation (within the meaning of Section 409A) payable under this Agreement or under any other plan, policy, arrangement or agreement of or with PAE or any of its affiliates (this Agreement and such other plans, policies, arrangements and agreements, the “Company Plans”) to any anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Except as permitted under Section 409A, any deferred compensation (within the meaning of Section 409A) payable to Executive or for Executive’s benefit under any Company Plan may not be reduced by, or offset against, any amount owing by Executive to PAE or any of its affiliates.

(c) If, at the time of Executive’s separation from service (within the meaning of Section 409A), (i) Executive shall be a specified employee (within the meaning of Section 409A and using the identification methodology selected by PAE from time to time) and (ii) PAE shall make a good faith determination that an amount payable under a Company Plan constitutes deferred compensation (within the meaning of Section 409A) the payment of which is required to be delayed pursuant to the six-month delay rule set forth in Section 409A in order to avoid taxes or penalties under Section 409A, then PAE (or its affiliate, as applicable) shall not pay such amount on the otherwise scheduled payment date but shall instead accumulate such amount and pay it on the first business day after such six-month period.

(d) Notwithstanding any provision of this Agreement or any Company Plan to the contrary, in light of the uncertainty with respect to the proper application of Section 409A, PAE reserves the right to make amendments to any Company Plan as PAE deems necessary or desirable to avoid the imposition of taxes or penalties under Section 409A. In any case, Executive is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on Executive or for Executive’s account in connection with any Company Plan (including any taxes and penalties under Section 409A), and neither PAE nor any affiliate shall have any obligation to indemnify or otherwise hold Executive harmless from any or all of such taxes or penalties.

(e) For purposes of Section 409A, each payment hereunder will be deemed to be a separate payment as permitted under Treasury Regulation Section 1.409A-2(b)(2)(iii). Notwithstanding anything herein to the contrary, Executive shall not be entitled to any payments or benefits payable hereunder as a result of Executive’s termination of employment with PAE that constitute “deferred compensation” under Section 409A unless such termination of employment qualifies as a “separation from service” within the meaning of Section 409A (and any related regulations or other pronouncements thereunder),
(f) Except as specifically permitted by Section 409A, any benefits and reimbursements provided to Executive under this Agreement during any calendar year shall not affect any benefits and reimbursements to be provided to Executive under this Agreement in any other calendar year, and the right to such benefits and reimbursements cannot be liquidated or exchanged for any other benefit. Furthermore, reimbursement payments shall be made to Executive as soon as practicable following the date that the applicable expense is incurred, but in no event later than the last day of the calendar year following the calendar year in which the underlying expense is incurred.

SECTION 6.15. Counters. This Agreement may be executed in any number of counterparts (including by facsimile of PDF), each of which shall be deemed to be an original instrument and all of which together shall constitute a single instrument. If any signature is delivered by facsimile transmission or by PDF, such signature shall create a valid and binding obligation of the party executing (or on whose behalf the signature is executed) with the same force and effect as if such facsimile or PDF signature were an original thereof.

SECTION 6.16. Construction. (a) The headings in this Agreement are for convenience only and shall not control or affect the meaning or construction of any provision of this Agreement.

(b) As used in this Agreement, words such as “herein,” “hereinafter,” “thereby” and “hereunder,” and the words of like import refer to this Agreement, unless the context requires otherwise. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation”.

(c) As used in Articles V and VI, the term “PAE” includes PAE and its subsidiaries and affiliates and their predecessors, successors and assigns.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]
IN WITNESS WHEREOF, the parties have duly executed this Agreement as of the date first written above.

WHEREAS, PAE has entered into that certain Agreement and Plan of Merger, dated as of January 14, 2016 (the “Merger Agreement”), by and among (i) PAE Holding Corporation (“PAE Holding”), (ii) LG PAE, L.P., (iii) Shay Intermediate Holding II Corporation (“Parent”) and (iv) Shay Merger Corporation (“Sub”), pursuant to which Sub will merge with and into PAE Holding, with PAE Holding continuing as the surviving corporation, subject to the terms and conditions of the Merger Agreement;

WHEREAS, PAE has employed Executive pursuant to that certain letter agreement, dated as of August 3, 2015 (the “Prior Agreement”);

WHEREAS, PAE and Executive are party to a Retention Agreement, dated September 9, 2015 (as amended, the “Retention Agreement”);

WHEREAS, PAE desires to continue to employ Executive, and Executive desires to continue such employment and enter into this Agreement, which sets forth the terms and conditions under which Executive will continue to serve PAE, effective as of the Effective Date; and

WHEREAS, the parties acknowledge that the terms of this Agreement shall, upon the Effective Date, replace and supersedes the Prior Agreement, which will thereupon become null and void.

NOW, THEREFORE, in consideration of the premises and mutual agreements herein contained, the parties hereto do hereby agree as follows:

ARTICLE I

Employment

SECTION 1.01. Term. The term of Executive’s employment under this Agreement shall commence on the Effective Date and shall terminate on the second anniversary of the Effective Date (the “Initial Period”); provided that such term of employment shall automatically renew upon the expiration of the Initial Period and on each subsequent anniversary thereof for one year ("Renewal Period"), unless PAE delivers to Executive, or Executive delivers to PAE, written notice (“Notice of Non-Renewal”) at least 60 days in advance of the expiration of the Initial Period or any Renewal Period that such term of employment shall not be extended, in which case such term of employment shall end at the end of the Initial Period or Renewal Period in which such notice was delivered and shall not be further extended. Notwithstanding the foregoing, Executive’s employment with PAE shall be “at will” and, subject to the provisions of Article IV and the notice requirements set forth above, Executive’s employment under this Agreement may be terminated by PAE or Executive at any time and for any reason, with or without prior notice.
SECTION 1.02. Position and Duties. During the term of this Agreement, Executive shall serve as the Senior Vice President and General Counsel of PAE reporting to the Chief Executive Officer of PAE, performing duties and having responsibilities customary for such position and as may from time to time be assigned to Executive by the Chief Executive Officer of PAE. Executive shall perform such services and duties in accordance with the policies, practices and bylaws of PAE.

SECTION 1.03. Time and Effort. Executive shall serve PAE faithfully, loyally, honestly and to the best of Executive’s ability. Executive shall devote all of Executive’s business time and best efforts to the performance of Executive’s duties on behalf of PAE. During Executive’s term of employment, Executive shall not at any time or place or to any extent whatsoever, either directly or indirectly, without the express written consent of the Board of Directors or other governing body of PAE (the “Board”), engage in any outside employment or in any activity that, in the reasonable judgment of PAE, is competitive with or adverse to the business, practice or affairs of PAE or any of its affiliates, whether or not such activity is pursued for gain, profit or other pecuniary advantage. Notwithstanding the foregoing, it shall not be a violation of this Agreement for Executive to serve as a director of charitable organizations to the extent such service has been approved by the Board (such approval not to be unreasonably withheld).

ARTICLE II
Compensation

SECTION 2.01. Base Salary. During the term of Executive’s employment under this Agreement, PAE shall, as compensation for the obligations set forth herein and for all services rendered by Executive in any capacity during Executive’s employment under this Agreement, including services as an officer, employee, director or member of any governing body, or committee thereof, of PAE or any of its affiliates, pay Executive a base salary (“Base Salary”) at the annual rate of $387,000 per year, payable in substantially equal installments in accordance with PAE’s standard payroll practices as in effect from time to time. In the event that sickness or disability payments under any insurance programs of PAE or otherwise shall become payable to Executive in respect of any period of Executive’s employment under this Agreement, the salary installment payable to Executive hereunder on the next succeeding salary installment payment date shall be an amount computed by subtracting (a) the amount of such sickness or disability payments that shall have become payable during the period between such date and the immediately preceding salary installment date from (b) the salary installment otherwise payable to Executive hereunder on such date.

SECTION 2.02. Annual Bonus. During the term of Executive’s employment under this Agreement, Executive shall be eligible to participate in the annual incentive compensation plans of PAE, as may be continued or established by the Board, in its discretion, from time to time (the “Bonus Plan”) and shall have the opportunity to earn a performance-based bonus (“Annual Bonus”) targeted at 75% of Executive’s Base Salary (“Target Bonus”) and a maximum bonus opportunity for above-target performance of up to 200% of Executive’s Target Bonus for the fiscal year to which such Annual Bonus relates. The performance goals and Annual Bonus payable for a given fiscal year under the Bonus Plan shall be determined by the Board. Except as provided in Article IV, payment of the Annual Bonus will be conditioned upon Executive’s continued employment though the payment date.
ARTICLE III

Executive Benefits

SECTION 3.01. Benefit Plans. During the term of Executive’s employment under this Agreement, Executive shall be entitled to participate in any benefit plans (excluding severance, bonus, incentive or profit-sharing plans) offered by PAE as in effect from time to time (collectively, “Benefit Plans”) on the same basis as that generally made available to other employees of PAE to the extent Executive may be eligible to do so under the terms of any such Benefit Plan. Executive understands that any such Benefit Plans may be terminated or amended from time to time by PAE in its discretion. Notwithstanding the first sentence of this Section 3.01, nothing shall preclude Executive from participating during the term of Executive’s employment under this Agreement in any present or future bonus, incentive or profit-sharing plan or other plan of PAE for the benefit of its employees, in each case as and to the extent approved or determined by the Board in its discretion and subject to the other terms of this Agreement.

SECTION 3.02. Business Expenses. PAE will reimburse Executive for all reasonably incurred business expenses, subject to the travel and expense policy established by PAE from time to time, incurred by Executive during the term of Executive’s employment under this Agreement in the performance of Executive’s duties hereunder, provided that Executive furnishes to PAE adequate records and other documentary evidence required to substantiate such expenditures.

SECTION 3.03. Vacation. During the term of Executive’s employment under this Agreement, Executive shall receive not less than 25 paid vacation days per year, which shall be accrued and taken in accordance with PAE’s vacation policy.

ARTICLE IV

Termination

SECTION 4.01. Exclusive Rights. The amounts payable under this Article IV are intended to be, and are, exclusive and in lieu of any other rights or remedies to which Executive may otherwise be entitled, including under common, tort or contract law, under policies of PAE and its affiliates in effect from time to time, under this Agreement or otherwise, in the event of Executive’s termination of employment with PAE and its affiliates.

SECTION 4.02. Termination by PAE for Cause; Termination by Executive without Good Reason. (a) If PAE terminates Executive for Cause or if Executive elects to terminate Executive’s employment with PAE without Good Reason, Executive shall be entitled to receive (i) Base Salary earned through the date of termination that remains unpaid as of the date of Executive’s termination, (ii) any Annual Bonus for any previously completed bonus period that has been earned and remains unpaid as of the date of Executive’s termination,
(iii) reimbursement for any unreimbursed business expenses properly incurred by Executive prior to the date of Executive’s termination to the extent such expenses are reimbursable under Section 3.02 and (iv) such benefits (excluding benefits under any severance plan, program or policy then in effect), if any, to which Executive may be entitled under the Benefit Plans as of the date of Executive’s termination, which benefits shall be payable in accordance with the terms of such Benefit Plans (the amounts described in clauses (i) through (iv) of this Section 4.02(a) being referred to herein as the “Accrued Rights”).

(b) For purposes of this Agreement, the term “Cause” shall mean Executive’s:

(i) intentional failure to perform reasonably assigned duties;

(ii) personal dishonesty or willful misconduct in the performance of duties, which causes or threatens to cause material injury to PAE or any of its affiliates;

(iii) breach of fiduciary duties owed by Executive to PAE or any of its affiliates resulting in personal profit to Executive;

(iv) willful violation of any law, rule or regulation in connection with the performance of duties (other than traffic violations or similar offenses); or

(v) any act by Executive involving (a) fraud, (b) any breach by Executive of applicable regulations of competent authorities in relation to trading or dealing with stocks, securities, or investments or (c) any willful or grossly negligent act by the Executive resulting in an investigation by the Securities and Exchange Commission which, in each of cases (a), (b) and (c) above, the Board determines in its reasonable and good faith discretion materially adversely affects PAE or any of its affiliates or Executive’s ability to perform his duties hereunder.

For purposes of this definition, an act, or failure to act, on Executive’s part shall be deemed “willful” if done, or omitted to be done, by Executive intentionally, in bad faith and without reasonable belief that the action or omission was in the best interest of PAE. If PAE desires to terminate Executive’s employment for Cause in the case of clauses (i), (ii), (iii) or (v) of Section 4.02(b) and the basis for Cause, by its nature, is capable of being cured, PAE shall first provide Executive with written notice of the applicable event that constitutes the basis for Cause (a “Cause Notice”) within ten days of the Board becoming aware of such event. Such notice shall specifically identify such claimed breach. Executive shall have 15 days following receipt of such Cause Notice (the “Cause Cure Period”) to cure such basis for Cause, and PAE shall be entitled at the end of such Cause Cure Period to terminate Executive’s employment under this Agreement for Cause; provided, however, that, if such breach is cured within the Cause Cure Period or if PAE does not terminate Executive’s employment with PAE within ten days after the end of the Cause Cure Period, PAE shall not be entitled to terminate Executive’s employment for Cause based on the event described in the Cause Notice; and provided further that notwithstanding the foregoing, Executive will not be entitled to the opportunity to cure a particular basis for Cause more than once during any six-month period.
For purposes of this Agreement, the term “Good Reason” shall mean any of the following actions, without Executive’s express prior written approval:

(i) any material reduction in Executive’s Base Salary or Target Bonus opportunity;

(ii) subject to the terms and conditions of the applicable plan(s), any failure by PAE to continue to provide retirement, fringe and welfare benefits to Executive that are substantially similar in the aggregate to those afforded to senior management employees of PAE;

(iii) any material adverse change in Executive’s duties or responsibilities;

(iv) any relocation of Executive’s principal place of business of 50 miles or more, provided that such relocation also increases Executive’s commute by at least 25 miles;

(v) any delivery to Executive by PAE of a Notice of Non-Renewal; or

(vi) any failure to pay Executive’s Base Salary and other amounts earned by Executive within ten days after the date such compensation is due.

Executive must provide written notice to PAE pursuant to Section 6.05 of this Agreement of Executive’s intent to resign for Good Reason within 45 days of the occurrence of an event described in Section 4.02(c) above (each, a “Good Reason Event”) in order for Executive’s resignation for Good Reason to be effective hereunder. Upon receipt of such notice, PAE shall have 30 days (60 days in the case of the Good Reason Event described in Section 4.02(c)(v) above) (the applicable period, the “Good Reason Cure Period”) to rectify the Good Reason Event. If PAE fails to rectify the Good Reason Event prior to the expiration of the Good Reason Cure Period, then Executive may terminate employment within 10 days following the expiration of the Good Reason Cure Period and such termination will be considered for Good Reason and, in the event Executive’s termination is in respect of the Good Reason Event described in Section 4.02(c)(v) above, such termination will be considered for Good Reason for all purposes of this Agreement notwithstanding the earlier expiration of the term of Executive’s employment under this Agreement.

SECTION 4.03. Termination by PAE Other Than for Cause, Disability or Death; Termination by Executive for Good Reason

If PAE elects to terminate Executive’s employment for any reason other than Cause, Disability (as defined below) or death or if Executive terminates Executive’s employment with PAE for Good Reason, Executive shall be entitled to the Accrued Rights and, provided that Executive has provided a general release in favor of PAE, PAE Holding, Parent and their subsidiaries and affiliates, and their respective directors, officers, employees, agents and representatives in form and substance reasonably acceptable to PAE (the “Release”) and the Release has become effective and irrevocable prior to the 60th day after such termination of employment, Executive shall be entitled to the following:
(a) If such termination occurs on or before January 1, 2017:

   (i) Cash Payment. PAE shall pay to Executive a lump-sum cash payment in an amount equal to 1.5 times the sum of Executive’s Base Salary (at the rate in effect on the Effective Date or the date of Executive’s termination of employment, whichever is greater) and Executive’s then-current Target Bonus, which amount will be paid on or following the date the Release becomes effective and in no event later than 65 days following the date of such termination.

   (ii) Medical and Dental Insurance Benefit Continuation. For the 18 months after the date of Executive’s termination of employment or, if earlier, the date on which Executive becomes employed by a new employer that maintains a major medical plan, Executive and Executive’s spouse and dependents (each as defined under the applicable program) may elect to continue to participate in PAE’s medical and dental plans at the level provided to similarly situated active employees of PAE at PAE’s sole expense pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (“COBRA”); provided that Executive timely elects COBRA continuation coverage in connection with his termination of employment. Notwithstanding any provision of this Agreement to the contrary, to the extent necessary to satisfy Section 105(h) of the Internal Revenue Code of 1986, as amended (the “Code”), or if PAE determines is necessary to avoid the imposition of an excise tax on PAE, PAE will be permitted to alter the manner in which medical and dental benefits are provided to Executive following termination of Executive’s employment; provided that such alteration shall not increase the after-tax cost to Executive of such benefits.

   (iii) Retention Bonus. PAE will pay the unpaid portion of your Bonus (as defined in the Retention Agreement) to you in a lump-sum within 30 days following the date of such termination, which amount will be paid without regard to any requirement that you execute the Release.

(b) If such termination occurs after January 1, 2017:

   (i) Cash Payments. (i) PAE shall pay to Executive an amount equal to Executive’s then-current Base Salary, payable in installments through the date that is 12 months after the date of Executive’s termination of employment (the “Severance Period”) at the same times at which and in the same manner in which Executive’s Base Salary would have been payable to Executive had a termination of employment not occurred and (ii) PAE shall provide to Executive, during the calendar year following the calendar year in which Executive’s Base Salary would have been payable to Executive had a termination of employment not occurred and (i) PAE shall provide to Executive, during the calendar year following the calendar year in which Executive’s termination of employment occurs, an Annual Bonus for the fiscal year in which the termination occurs equal to the Annual Bonus that Executive would have received if his employment had not terminated prior to the end of the fiscal year (e.g., after determining whether applicable performance goals have been achieved determined on a basis consistent with past practice), pro-rated based on a fraction, the numerator of which shall equal the number of days Executive was employed by PAE in the fiscal year in which Executive’s termination occurs and the denominator of which shall equal 365 (the “Pro-Rata Bonus”); provided, however, that, in the
case of clause (i), PAE shall (x) commence such payments on the 60th day after termination of Executive’s employment, except that any payments that would have otherwise been paid to Executive following the date of the termination of employment and prior to such 60th day shall be accumulated and paid to Executive in a lump sum on the first payment date following such 60th day, and (y) not continue such payments at any time following either (A) breach of the provisions of Section 5.03 or 5.04 or (B) breach of the provisions of Article V (other than Section 5.03 or 5.04) that (X) is materially damaging to the business or reputation of PAE or any of its affiliates or (Y) occurs after PAE has notified Executive of a prior breach of such Article V (other than Section 5.03 or 5.04).

(ii) **Medical and Dental Insurance Benefit Continuation.** During the Severance Period, Executive and Executive’s spouse and dependents (each as defined under the applicable program) shall receive medical and dental insurance coverage at the same benefit levels as provided to active senior management employees of PAE, for which PAE will (A) reimburse Executive during the Severance Period, for the total amount of the monthly medical and dental insurance premiums payable by Executive for continued benefits coverage pursuant to the COBRA, in excess of the cost Executive paid for such coverage (on a monthly premium basis) immediately prior to such termination of employment and (B) provide such coverage for any remaining portion of the Severance Period at the same cost to Executive as is generally provided to active senior management employees of PAE (or, if it is not possible, or is cost-prohibitive for PAE to provide such coverage for such remaining portion, PAE will pay Executive an additional monthly amount, at the same time as cash severance payments are made pursuant to Section 4.03(b)(i), of cash equal to the premiums PAE would have paid if Executive had remained an active employee, subject to Section 6.13 hereof); provided, however, that if, during the Severance Period, Executive becomes employed by a new employer that provides medical and dental coverage, PAE’s continuing medical and dental coverage (and any cash payments in lieu thereof) shall become secondary to such new employer’s coverage with respect to claims covered by such new employer’s medical and dental plans. Notwithstanding any provision of this Agreement to the contrary, to the extent necessary to satisfy Section 105(h) of the Code, or if PAE determines is necessary to avoid the imposition of an excise tax on PAE, PAE will be permitted to alter the manner in which medical and dental benefits are provided to Executive following termination of Executive’s employment; provided that the after-tax cost to Executive of such benefits shall not be greater than the cost applicable to similarly situated executives of PAE who have not terminated employment.

(c) **Release.** For the avoidance of doubt, (x) the Release shall not require Executive to release any rights to post-termination payments or benefits afforded to him by this Agreement, or any vested benefits or rights pursuant to the terms of PAE’s or its affiliates’ benefit plans or programs, and (y) if the Release does not become effective and irrevocable within 60 days following the date of Executive’s termination of employment pursuant to this Section 4.03(c), PAE shall not be obligated to make any payments or provide any benefits under Section 4.03(a) or (b) above and Executive shall only be entitled to the Accrued Rights.
SECTION 4.04 Termination for Disability or Death. Executive’s employment shall terminate automatically upon Executive’s death. PAE may terminate Executive’s employment upon the occurrence of Executive’s Disability. In the event of Executive’s termination due to death or Disability, Executive, or Executive’s estate, as the case may be, shall be entitled to receive the Accrued Rights, and the Pro-Rata Bonus during the calendar year following the calendar year in which Executive’s termination of employment occurs. For purposes of this Agreement, the term “Disability” shall mean (a) the inability of Executive, due to illness, accident or any other physical or mental incapacity, to perform Executive’s duties in a normal manner for a period of 180 days (whether or not consecutive) in any twelve-month period during the term of Executive’s employment under this Agreement or (b) Executive being accepted for long-term disability benefits under any long-term disability plan in which he is then participating. The Board shall determine, according to the facts then available, whether and when the Disability of Executive has occurred. Such determination shall not be arbitrary or unreasonable and the Board will take into consideration the expert medical opinion of a physician chosen by PAE, after such physician has completed an examination of Executive. Executive agrees to make himself available for such examination upon the reasonable request of PAE.

ARTICLE V

Executive Covenants

SECTION 5.01 PAE Interests. Executive acknowledges that PAE has expended substantial amounts of time, money and effort to develop business strategies, customer relationships, employee relationships, trade secrets and goodwill and to build an effective organization, and that PAE has a legitimate business interest and right in protecting those assets as well as any similar assets that PAE may develop or obtain. Executive acknowledges that PAE’s business is worldwide in nature and international in scope. Executive acknowledges and agrees that the restrictions imposed upon Executive under this Agreement are reasonable and necessary for the protection of PAE’s goodwill, confidential information, trade secrets and customer relationships, and that the restrictions set forth in this Agreement will not prevent Executive from earning a livelihood without violating any provision of this Agreement.

SECTION 5.02 Consideration to Executive. In consideration of PAE’s entering into this Agreement and PAE’s obligations hereunder and other good and valuable consideration, the receipt of which is hereby acknowledged, and acknowledging hereby that PAE would not have entered into this Agreement without the covenants contained in this Article V, Executive hereby agrees to be bound by the provisions and covenants contained in this Article V.

SECTION 5.03 Non-Solicitation. Executive agrees that, for the period commencing on the Effective Date and terminating 12 months after the date of Executive’s termination of employment with PAE for any reason, Executive shall not, and shall cause each of Executive’s affiliates (other than PAE) not to, directly or indirectly: (a) solicit any person or entity that is or was a customer (or prospective customer) of PAE to (i) purchase any goods or services related to any Competitive Business (as defined below) that are of the type sold by PAE, from anyone other than PAE or (ii) reduce its volume of goods or services purchased from PAE, (b) interfere with, or attempt to interfere with, business relationships (whether formed before, on or after the Effective Date) between PAE and suppliers, partners, members or investors of PAE, (c) other than on behalf of PAE, solicit, recruit or hire any employee or consultant of PAE or any person who has, at any time within two years prior to such solicitation, recruitment or hiring, worked for or provided services to PAE, (d) solicit or encourage any employee or consultant of PAE to leave the employment of, or to cease providing services to, PAE or (e) assist any person or entity in any way to do, or attempt to do, anything prohibited by this Section 5.03.

(b) The term “Competitive Business” shall mean (A) any business or entity that engages in business of the type conducted by PAE as of the date of Executive’s termination of employment with PAE, (B) any business that is a contractor or subcontractor under any government contract under which PAE is a contractor or subcontractor as of the date of Executive’s termination of employment with PAE or (C) any entity that is as of the date of Executive’s termination competing for any government contract (including any re-compete or follow-on procurement) on which PAE has bid or plans to bid.

(c) This Section 5.04 shall not prohibit Executive from practicing law or be deemed breached solely as a result of the ownership by Executive or any of Executive’s affiliates of: (i) less than an aggregate of 5% of any class of stock of a public company engaged, directly or indirectly, in any Competitive Business; (ii) less than 5% in value of any instrument of indebtedness of a public company engaged, directly or indirectly, in any Competitive Business; or (iii) a public company that engages, directly or indirectly, in any Competitive Business if such Competitive Business accounts for less than 5% of such person’s or entity’s consolidated annual revenues. A “public company” for purposes of this Section 5.04(c) shall mean an entity whose common stock is traded on a nationally recognized securities exchange.

SECTION 5.05. Confidential Information. Executive hereby acknowledges that (a) in the performance of Executive’s duties and services pursuant to this Agreement, Executive has received, and may be given access to, Confidential Information and (b) all Confidential Information is or will be the property of PAE. For purposes of this Agreement, “Confidential Information” shall mean information, knowledge and data that is or will be used, developed, obtained or owned by PAE relating to the business, products and/or services of PAE or the business, products and/or services of any customer, sales officer, sales associate or independent contractor thereof, including products, services, fees, pricing, designs, marketing plans, strategies, analyses, forecasts, formulas, drawings, photographs, reports, records, computer
Section 5.06. Non-Disclosure. (a) Except as otherwise specifically provided in Section 5.07, Executive will not, directly or indirectly, disclose or cause or permit to be disclosed, to any person or entity whatsoever, or utilize or cause or permit to be utilized, by any person or to any entity whatsoever, any Confidential Information acquired pursuant to Executive’s employment with PAE (whether acquired prior to or subsequent to the execution of this Agreement) under this Agreement or otherwise.

(b) Executive will not disclose to anyone, other than Executive’s immediate family and legal or financial advisors, the existence or contents of this Agreement, except to the extent permitted in Section 5.07 or to comply with Section 5.12, and, to the extent such information is disclosed to Executive’s immediate family or legal or financial advisors, will instruct those parties to comply with the non-disclosure requirements of this Section 5.06.

Section 5.07. Permitted Disclosure. Executive may (a) utilize and disclose the Confidential Information only to the extent reasonably necessary and required in the discharge of Executive’s duties as an employee of PAE and (b) disclose Confidential Information only to the extent Executive (i) is obligated to disclose such Confidential Information pursuant to any confidentiality agreement executed by or on behalf of PAE or Executive prior to the Effective Date, (ii) is obligated to disclose such Confidential Information or else would reasonably likely be held in contempt by a court of law or suffer other censure, sanction, or penalty, (iii) is required to disclose such Confidential Information by law, or (iv) discloses such information in the context of litigation between PAE and Executive.

Section 5.08. Assignment of Inventions; Further Assurances. All rights to discoveries, inventions, improvements and innovations (including all data and records pertaining thereto) related to the business of PAE or its current or former affiliates, whether or not patentable, copyrightable, registrable as a trademark, or reduced to writing, that Executive may discover, invent or originate during the term of Executive’s service to PAE or its affiliates (whether before, on or after the Effective Date), either alone or with others and whether or not during working hours or by the use of the facilities of PAE (“Inventions”), shall be the exclusive property of PAE or its designee. Executive shall promptly disclose all Inventions to PAE. Executive shall take all requested actions and execute all requested documents to assist PAE, or its designee, at PAE’s expense, in every way to secure PAE’s or its designee’s above rights in...
the Inventions and any copyrights, patents, mask work rights or other intellectual property rights relating thereto in any and all countries, and to pursue any patents or registrations with respect thereto. This covenant shall survive the termination of this Agreement. If PAE or its designee is unable for any other reason to secure Executive’s signature on any document for this purpose, then Executive hereby irrevocably designates and appoints PAE or its designee and their duly authorized officers and agents, as the case may be, as Executive’s agent and attorney-in-fact, to act for and in Executive’s behalf and stand to execute any documents and to do all other lawfully permitted acts in connection with the foregoing.

SECTION 5.09. Records. All memoranda, books, records, documents, papers, plans, information, letters and other data relating to Confidential Information or the business and customer accounts of PAE, whether prepared by Executive or otherwise, coming into Executive’s possession shall be and remain the exclusive property of PAE and Executive shall not, during the term of Executive’s employment with PAE or thereafter, directly or indirectly assert any interest or property rights therein. Upon termination of employment with PAE for any reason, Executive will immediately return to PAE all such memoranda, books, records, documents, papers, plans, information, letters and other data, and all copies thereof or therefrom, and Executive will not retain, or cause or permit to be retained, any copies or other embodiments of the materials so returned. Executive has not prior to the Effective Date, whether in writing or orally, criticized or disparaged PAE, nor shall Executive during the period commencing on the Effective Date and terminating five years after the date of Executive’s termination of employment with PAE for any reason (the “Non-Disparagement Period”), unless in the context of litigation between PAE and Executive or under penalty of perjury, whether in writing or orally, criticize or disparage PAE or any of its respective current or former affiliates, directors, officers, employees, members, partners, agents or representatives, including Platinum Equity, LLC and its affiliated investment funds. PAE shall instruct the PAE Parties (as defined below) not to, whether in writing or orally, criticize or disparage Executive during the Non-Disparagement Period, unless in the context of litigation between PAE and Executive or under penalty of perjury. For purposes of this Agreement, the term “PAE Parties” shall mean the executive officers and designated spokespersons of PAE, acting in their capacity as representatives of PAE.

SECTION 5.11. Specific Performance. Executive agrees that any breach by Executive of any of the provisions of this Article V shall cause irreparable harm to PAE that could not be made whole by monetary damages and that, in the event of such a breach, Executive shall waive the defense in any action for specific performance that a remedy at law would be adequate, and PAE shall be entitled to specifically enforce the terms and provisions of this Article V without the necessity of proving actual damages or posting any bond or providing prior notice, in addition to any other remedy to which PAE may be entitled at law or in equity.

SECTION 5.12. Notification of Subsequent Employer. Prior to accepting employment with any other person or entity during any period during which Executive remains subject to any of the covenants set forth in Section 5.03 or Section 5.04, Executive shall provide such prospective employer with written notice of such provisions of this Agreement, with a copy of such notice delivered simultaneously to PAE in accordance with Section 6.05.
ARTICLE VI

Miscellaneous

SECTION 6.01. Assignment. This Agreement shall not be assignable by Executive. The parties agree that any attempt by Executive to delegate Executive’s duties hereunder shall be null and void. This Agreement may be assigned by PAE to a person or entity that is an affiliate or a successor in interest to substantially all the business operations of PAE. Upon such assignment, the rights and obligations of PAE hereunder shall become the rights and obligations of such affiliate or successor person or entity. As used in this Agreement, the term “PAE” shall mean PAE as hereinbefore defined in the recital to this Agreement and any permitted assignee to which this Agreement is assigned.

SECTION 6.02. Successors. This Agreement shall be binding upon and shall inure to the benefit of the successors and permitted assigns of PAE and the personal or legal representatives, executors, administrators, successors, distributees, devisees and legatees of Executive. Executive acknowledges and agrees that all Executive’s covenants and obligations to PAE, as well as the rights of PAE under this Agreement, shall run in favor of and will be enforceable by PAE, its subsidiaries and its successors and permitted assigns.

SECTION 6.03. Entire Agreement. This Agreement constitutes the entire agreement and understanding of the parties and with respect to the transactions contemplated hereby and subject matter hereof and supersedes and replaces any and all prior agreements (including the Prior Agreement and the Retention Agreement), understandings, statements, representations and warranties, written or oral, express or implied and/or whenever and howsoever made, directly or indirectly relating to the subject matter hereof. Notwithstanding the above, Executive’s covenants set forth in Article V shall operate independently of, and shall be in addition to, any similar covenants to which Executive is subject pursuant to any other agreement with PAE or any of PAE’s affiliates.

SECTION 6.04. Amendment. Except as provided in Section 6.14(d) hereof, this Agreement may not be altered, modified, or amended except by written instrument signed by the parties hereto.

SECTION 6.05. Notice. All documents, notices, requests, demands and other communications that are required or permitted to be delivered or given under this Agreement shall be in writing and shall be deemed to have been duly delivered or given when received.
SECTION 6.06. Governing Law and Jurisdiction. (a) This Agreement and any disputes arising under or related hereto (whether for breach of contract, tortious conduct or otherwise) shall be governed and construed in accordance with the laws of the State of New York, without reference to its conflicts of law principles. Each party irrevocably agrees that any legal action, suit or proceeding against them arising out of or in connection with this Agreement or the transactions contemplated by this Agreement or disputes relating hereto (whether for breach of contract, tortuous conduct or otherwise) shall be brought exclusively in the United States District Court for the Eastern District of Virginia, or, if such court does not have subject matter jurisdiction, the state courts of Virginia located in Arlington County and hereby irrevocably accepts and submits to the exclusive jurisdiction and venue of the aforesaid courts in personam, with respect to any such action, suit or proceeding.

(b) Each party hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement. Each party (i) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (ii) acknowledges that it and the other parties hereto have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 6.06(b).
(c) Each party in any dispute or legal action arising under this Agreement shall be responsible for bearing its own expenses, attorneys’ fees and other costs in such dispute or legal action.

SECTION 6.07. **Severability.** If any term, provision, covenant or condition of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable in any jurisdiction, then such provision, covenant or condition shall, as to such jurisdiction, be modified or restricted to the extent necessary to make such provision valid, binding and enforceable, or, if such provision cannot be modified or restricted, then such provision shall, as to such jurisdiction, be deemed to be excised from this Agreement and any such invalidity, illegality or unenforceability with respect to such provision shall not invalidate or render unenforceable such provision in any other jurisdiction, and the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

SECTION 6.08. **Survival.** The rights and obligations of PAE and Executive under the provisions of this Agreement, including Articles V and VI, shall survive and remain binding and enforceable, notwithstanding any termination of Executive’s employment with PAE, to the extent necessary to preserve the intended benefits of such provisions.

SECTION 6.09. **Cooperation.** Executive shall provide Executive’s reasonable cooperation to PAE in connection with any suit, action or proceeding (or any appeal therefrom) that relates to events occurring during Executive’s employment with PAE or any of its affiliates other than a suit between Executive, on the one hand, and PAE, on the other hand, provided that PAE shall reimburse Executive for expenses reasonably incurred in connection with such cooperation.

SECTION 6.10. **Executive Representation.** Executive hereby represents to PAE that the execution and delivery of this Agreement by Executive and PAE and the performance by Executive of Executive’s duties hereunder shall not constitute a breach of, or otherwise contravene, or be prevented, interfered with or hindered by, the terms of any employment agreement or other agreement or policy to which Executive is a party or otherwise bound.

SECTION 6.11. **No Waiver.** The provisions of this Agreement may be waived only in writing signed by the party or parties entitled to the benefit thereof. A waiver or any breach or failure to enforce any provision of this Agreement shall not in any way affect, limit or waive a party’s rights hereunder at any time to enforce strict compliance thereafter with every provision of this Agreement.

SECTION 6.12. **Set Off.** PAE’s obligation to pay Executive the amounts provided and to make the arrangements provided hereunder shall be subject to set off, counterclaim or recoupment of amounts owed by Executive to PAE or its affiliates, except as provided in Section 6.14.

SECTION 6.13. **Withholding Taxes.** PAE may withhold from any amounts payable under this Agreement such Federal, state, local and foreign taxes as may be required to be withheld pursuant to any applicable law or regulation.
SECTION 6.14. Section 409A. (a) It is intended that the provisions of this Agreement comply with Section 409A ("Section 409A") of the Code, and all provisions of this Agreement shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A.

(b) Neither Executive nor any of his creditors or beneficiaries shall have the right to subject any deferred compensation (within the meaning of Section 409A) payable under this Agreement or under any other plan, policy, arrangement or agreement of or with PAE or any of its affiliates (this Agreement and such other plans, policies, arrangements and agreements, the "Company Plans") to any anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Except as permitted under Section 409A, any deferred compensation (within the meaning of Section 409A) payable to Executive or for Executive’s benefit under any Company Plan may not be reduced by, or offset against, any amount owing by Executive to PAE or any of its affiliates.

(c) If, at the time of Executive’s separation from service (within the meaning of Section 409A), (i) Executive shall be a specified employee (within the meaning of Section 409A and using the identification methodology selected by PAE from time to time) and (ii) PAE shall make a good faith determination that an amount payable under a Company Plan constitutes deferred compensation (within the meaning of Section 409A) the payment of which is required to be delayed pursuant to the six-month delay rule set forth in Section 409A in order to avoid taxes or penalties under Section 409A, then PAE (or its affiliate, as applicable) shall not pay such amount on the otherwise scheduled payment date but shall instead accumulate such amount and pay it on the first business day after such six-month period.

(d) Notwithstanding any provision of this Agreement or any Company Plan to the contrary, in light of the uncertainty with respect to the proper application of Section 409A, PAE reserves the right to make amendments to any Company Plan as PAE deems necessary or desirable to avoid the imposition of taxes or penalties under Section 409A. In any case, Executive is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on Executive or for Executive’s account in connection with any Company Plan (including any taxes and penalties under Section 409A), and neither PAE nor any affiliate shall have any obligation to indemnify or otherwise hold Executive harmless from any or all of such taxes or penalties.

(e) For purposes of Section 409A, each payment hereunder will be deemed to be a separate payment as permitted under Treasury Regulation Section 1.409A-2(b)(2)(iii). Notwithstanding anything herein to the contrary, Executive shall not be entitled to any payments or benefits payable hereunder as a result of Executive’s termination of employment with PAE that constitute “deferred compensation” under Section 409A unless such termination of employment qualifies as a “separation from service” within the meaning of Section 409A (and any related regulations or other pronouncements thereunder).

(f) Except as specifically permitted by Section 409A, any benefits and reimbursements provided to Executive under this Agreement during any calendar year shall not affect any benefits and reimbursements to be provided to Executive under this Agreement in any other calendar year, and the right to such benefits and reimbursements cannot be liquidated or exchanged for any other benefit. Furthermore, reimbursement payments shall be made to Executive as soon as practicable following the date that the applicable expense is incurred, but in no event later than the last day of the calendar year following the calendar year in which the underlying expense is incurred.
SECTION 6.15. **Counterparts.** This Agreement may be executed in any number of counterparts (including by facsimile of PDF), each of which shall be deemed to be an original instrument and all of which together shall constitute a single instrument. If any signature is delivered by facsimile transmission or by PDF, such signature shall create a valid and binding obligation of the party executing (or on whose behalf the signature is executed) with the same force and effect as if such facsimile or PDF signature were an original thereof.

SECTION 6.16. **Construction.** (a) The headings in this Agreement are for convenience only and shall not control or affect the meaning or construction of any provision of this Agreement.

Ms. Patricia Munchel

Dear Patricia:

Congratulations! As we have discussed, I am pleased to promote you to the position of Senior Vice President, Human Resources, effective immediately. In this role you will report directly to me. Retroactive to December 28, 2014, your base compensation will be increased to $275,000.00 on an annualized basis.

Beginning with the 2015 plan year, your target bonus in the Leadership Incentive Compensation Plan (LICP) will be increased to fifty (50) percent of your base compensation. Payout is based on a combination of the Company’s financial performance and your personal contributions and is subject to other terms and conditions of the LICP.

In addition, following the preparation of the December 31, 2014 valuation of the Company, you will be awarded options pursuant to the PAE Holding Corporation 2011 Stock Option Plan. The number of options you will be awarded will be calculated by dividing $250,000 by the value of a share of company stock at the time of the award. (The share value is currently $1.68.) One-half of your options will be time-vested options; the other half will be performance vested options.

Should your employment be terminated by the Company for reasons other than cause, disability, or death, you will be eligible for severance equal to twelve (12) months of your base compensation, subject to the execution of an appropriate release.

All other terms and conditions of your employment will remain unchanged. Please understand that this promotion offer cannot be construed as an employment agreement and is not intended to imply any specific term of employment. Employment with the Company is "at-will", which means that employment can be terminated by either employer or employee for any reason, at any time, with or without notice.

Again, congratulations. I know you will add great value to the Company in your new capacity.

Please let Whit or me know if you have any questions about your promotion.

ARTICLE I.
PURPOSE

The Plan’s purpose is to enhance the Company’s ability to attract, retain and motivate persons who make (or are expected to make) important contributions to the Company by providing these individuals with equity ownership opportunities. Capitalized terms used in the Plan are defined in Article XI.

ARTICLE II.
ELIGIBILITY

Service Providers are eligible to be granted Awards under the Plan, subject to the limitations described herein.

ARTICLE III.
ADMINISTRATION AND DELEGATION

3.1 Administration. The Plan is administered by the Administrator. The Administrator has authority to determine which Service Providers receive Awards, grant Awards and set Award terms and conditions, subject to the conditions and limitations in the Plan. The Administrator also has the authority to take all actions and make all determinations under the Plan, to interpret the Plan and Award Agreements and to adopt, amend and repeal Plan administrative rules, guidelines and practices as it deems advisable. The Administrator may correct defects and ambiguities, supply omissions and reconcile inconsistencies in the Plan or any Award as it deems necessary or appropriate to administer the Plan and any Awards. The Administrator’s determinations under the Plan are in its sole discretion and will be final and binding on all persons having or claiming any interest in the Plan or any Award.

3.2 Appointment of Committees. To the extent Applicable Laws permit, the Board may delegate any or all of its powers under the Plan to one or more Committees or officers of the Company or any of its Subsidiaries. The Board may abolish any Committee or re-vest in itself any previously delegated authority at any time.

ARTICLE IV.
STOCK AVAILABLE FOR AWARDS

4.1 Number of Shares. Subject to adjustment under Article VIII and the terms of this Article IV, Awards may be made under the Plan covering up to the Overall Share Limit.

4.2 Share Recycling. If all or any part of an Award expires, lapses or is terminated, surrendered, repurchased, canceled without having been fully exercised or forfeited, in any case, in a manner that results in the Company acquiring Shares covered by the Award at a price not greater than the price (as adjusted to reflect any Equity Restructuring) paid by the Participant for such Shares or not issuing any Shares covered by the Award, the unused Shares covered by the Award will again be available for Award grants under the Plan. The payment of Dividend Equivalents in cash in conjunction with any outstanding Awards shall not count against the Overall Share Limit. Notwithstanding anything to the contrary contained herein, the following Shares shall not be added to the Shares authorized for grant under Section 4.1 and shall not be available for future grants of Awards: (i) Shares tendered by the Participant or withheld by the Company in payment of the exercise price of an Option; (ii) Shares tendered by the Participant or withheld by the Company to satisfy any tax withholding obligation with respect to an Award; (iii) Shares subject to a Stock Appreciation Right that are not issued in connection with the stock settlement of the Stock Appreciation Right on exercise thereof; and (iv) Shares purchased on the open market with the cash proceeds from the exercise of Options.
4.3 **Incentive Stock Option Limitations.** Notwithstanding anything to the contrary herein, no more than 7,781,063 Shares may be issued pursuant to the exercise of Incentive Stock Options.

4.4 **Substitute Awards.** In connection with an entity’s merger or consolidation with the Company or any Subsidiary or the Company’s or any Subsidiary’s acquisition of an entity’s property or stock, the Administrator may grant Awards in substitution for any options or other stock or stock-based awards granted before such merger or consolidation by such entity or its affiliate. Substitute Awards may be granted on such terms as the Administrator deems appropriate, notwithstanding limitations on Awards in the Plan. Substitute Awards will not count against the Overall Share Limit (nor shall Shares subject to a Substitute Award be added to the Shares available for Awards under the Plan as provided above), except that Shares acquired by exercise of substitute Incentive Stock Options will count against the maximum number of Shares that may be issued pursuant to the exercise of Incentive Stock Options under the Plan. Additionally, in the event that a company acquired by the Company or any Subsidiary or with which the Company or any Subsidiary combines has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares available for Awards under the Plan (and Shares subject to such Awards shall not be added to the Shares available for Awards under the Plan as provided above); provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Employees or Directors prior to such acquisition or combination.

4.5 **Non-Employee Director Compensation.** Notwithstanding any provision to the contrary in the Plan, the Administrator may establish compensation for non-employee Directors from time to time, subject to the limitations in the Plan. The Administrator will from time to time determine the terms, conditions and amounts of all such non-employee Director compensation in its discretion and pursuant to the exercise of its business judgment, taking into account such factors, circumstances and considerations as it shall deem relevant from time to time, provided that the sum of any cash compensation, or other compensation, and the value (determined as of the grant date in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, or any successor thereto) of Awards granted to a non-employee Director as compensation for services as a non-employee Director during any fiscal year of the Company may not exceed $750,000, increased to $1,000,000 in the fiscal year in which the Plan’s effective date occurs or in the fiscal year of a non-employee Director’s initial service as a non-employee Director.

**ARTICLE V. STOCK OPTIONS AND STOCK APPRECIATION RIGHTS**

5.1 **General.** The Administrator may grant Options or Stock Appreciation Rights to Service Providers subject to the limitations in the Plan, including any limitations in the Plan that apply to Incentive Stock Options. The Administrator will determine the number of Shares covered by each Option and Stock Appreciation Right, the exercise price of each Option and Stock Appreciation Right and the conditions and limitations applicable to the exercise of each Option and Stock Appreciation Right. A Stock Appreciation Right...
Right will entitle the Participant (or other person entitled to exercise the Stock Appreciation Right) to receive from the Company upon exercise of the exercisable portion of the Stock Appreciation Right an amount determined by multiplying the excess, if any, of the Fair Market Value of one Share on the date of exercise over the exercise price per Share of the Stock Appreciation Right by the number of Shares with respect to which the Stock Appreciation Right is exercised, subject to any limitations of the Plan or that the Administrator may impose and payable in cash, Shares valued at Fair Market Value or a combination of the two as the Administrator may determine or provide in the Award Agreement.

5.2 **Exercise Price.** The Administrator will establish each Option’s and Stock Appreciation Right’s exercise price and specify the exercise price in the Award Agreement. The exercise price will not be less than 100% of the Fair Market Value on the grant date of the Option or Stock Appreciation Right.

5.3 **Duration.** Each Option or Stock Appreciation Right will be exercisable at such times and as specified in the Award Agreement, provided that the term of an Option or Stock Appreciation Right will not exceed ten years. Notwithstanding the foregoing and unless determined otherwise by the Company, in the event that on the last business day of the term of an Option or Stock Appreciation Right (other than an Incentive Stock Option) (i) the exercise of the Option or Stock Appreciation Right is prohibited by Applicable Law, as determined by the Company, or (ii) Shares may not be purchased or sold by the applicable Participant due to any Company insider trading policy (including blackout periods) or a “lock-up” agreement undertaken in connection with an issuance of securities by the Company, the term of the Option or Stock Appreciation Right shall be extended until the date that is thirty (30) days after the end of the legal prohibition, black-out period or lock-up agreement, as determined by the Company; provided, however, in no event shall the extension last beyond the ten year term of the applicable Option or Stock Appreciation Right. Notwithstanding the foregoing, if the Participant, prior to the end of the term of an Option or Stock Appreciation Right, violates the non-competition, non-solicitation, confidentiality or other similar restrictive covenant provisions of any employment contract, confidentiality and nondisclosure agreement or other agreement between the Participant and the Company or any of its Subsidiaries, the right of the Participant and the Participant’s transferees to exercise any Option or Stock Appreciation Right issued to the Participant shall terminate immediately upon such violation, unless the Company otherwise determines. In addition, if, prior to the end of the term of an Option or Stock Appreciation Right, the Participant is given notice by the Company or any of its Subsidiaries of the Participant’s Termination of Service by the Company or any of its Subsidiaries for Cause, and the effective date of such Termination of Service is subsequent to the date of delivery of such notice, the right of the Participant and the Participant’s transferees to exercise any Option or Stock Appreciation Right issued to the Participant shall be suspended from the time of the delivery of such notice until the earlier of (i) such time as it is determined or otherwise agreed that the Participant’s service as a Service Provider will not be terminated for Cause as provided in such notice or (ii) the effective date of the Participant’s Termination of Service by the Company or any of its Subsidiaries for Cause (in which case the right of the Participant and the Participant’s transferees to exercise any Option or Stock Appreciation Right issued to the Participant will terminate immediately upon the effective date of such Termination of Service).

5.4 **Exercise.** Options and Stock Appreciation Rights may be exercised by delivering to the Company a written notice of exercise, in a form the Administrator approves (which may be electronic), signed by the person authorized to exercise the Option or Stock Appreciation Right, together with, as applicable, payment in full (i) as specified in Section 5.5 for the number of Shares for which the Award is exercised and (ii) as specified in Section 9.5 for any applicable taxes. Unless the Administrator otherwise determines, an Option or Stock Appreciation Right may not be exercised for a fraction of a Share.
5.5 Payment Upon Exercise. Subject to Section 10.8, any Company insider trading policy (including blackout periods) and Applicable Laws, the exercise price of an Option must be paid by:

(a) cash, wire transfer of immediately available funds or by check payable to the order of the Company, provided that the Company may limit the use of one of the foregoing payment forms if one or more of the payment forms below is permitted;

(b) if there is a public market for Shares at the time of exercise, unless the Company otherwise determines, (A) delivery (including telephonically to the extent permitted by the Company) of an irrevocable and unconditional undertaking by a broker acceptable to the Company to deliver promptly to the Company sufficient funds to pay the exercise price, or (B) the Participant’s delivery to the Company of a copy of irrevocable and unconditional instructions to a broker acceptable to the Company to deliver promptly to the Company cash or a check sufficient to pay the exercise price; provided that such amount is paid to the Company at such time as may be required by the Administrator;

(c) to the extent permitted by the Administrator, delivery (either by actual delivery or attestation) of Shares owned by the Participant valued at their Fair Market Value;

(d) to the extent permitted by the Administrator, surrendering Shares then issuable upon the Option’s exercise valued at their Fair Market Value on the exercise date;

(e) to the extent permitted by the Administrator, delivery of a promissory note or any other property that the Administrator determines is good and valuable consideration; or

(f) to the extent permitted by the Company, any combination of the above payment forms approved by the Administrator.

ARTICLE VI.
RESTRICTED STOCK; RESTRICTED STOCK UNITS

6.1 General. The Administrator may grant Restricted Stock, or the right to purchase Restricted Stock, to any Service Provider, subject to the Company’s right to repurchase all or part of such shares at their issue price or other stated or formula price from the Participant (or to require forfeiture of such shares) if conditions the Administrator specifies in the Award Agreement are not satisfied before the end of the applicable restriction period or periods that the Administrator establishes for such Award. In addition, the Administrator may grant to Service Providers Restricted Stock Units, which may be subject to vesting and forfeiture conditions during the applicable restriction period or periods, as set forth in an Award Agreement. The Administrator will determine and set forth in the Award Agreement the terms and conditions for each Restricted Stock and Restricted Stock Unit Award, subject to the conditions and limitations contained in the Plan. Notwithstanding the foregoing, if a Participant violates the non-competition, non-solicitation, confidentiality or other similar restrictive covenant provisions of any employment contract, confidentiality and nondisclosure agreement or other agreement between the Participant and the Company or any of its Subsidiaries, any Restricted Stock or Restricted Stock Units held by the Participant and the Participant’s transferees shall terminate immediately upon such violation, unless the Company otherwise determines.

6.2 Restricted Stock.

(a) Dividends. Participants holding shares of Restricted Stock will be entitled to all ordinary cash dividends paid with respect to such Shares, unless the Administrator provides otherwise in the Award Agreement. In addition, unless the Administrator provides otherwise, if any dividends or distributions are paid in Shares, or consist of a dividend or distribution to holders of Common Stock of property other than an ordinary cash dividend, the Shares or other property will be subject to the same restrictions on transferability and forfeitability as the shares of Restricted Stock with respect to which they were paid. In addition, with respect to a share of Restricted Stock, dividends which are paid prior to vesting shall only be paid out to the Participant to the extent that the vesting conditions are subsequently satisfied and the share of Restricted Stock vests.
6.3 Restricted Stock Units

(a) Settlement. The Administrator may provide that settlement of Restricted Stock Units will occur upon or as soon as reasonably practicable after the Restricted Stock Units vest or will instead be deferred, on a mandatory basis or at the Participant’s election, in a manner intended to comply with Section 409A.

(b) Stockholder Rights. A Participant will have no rights of a stockholder with respect to Shares subject to any Restricted Stock Unit unless and until the Shares are delivered in settlement of the Restricted Stock Unit.

(c) Dividend Equivalents. If the Administrator provides, a grant of Restricted Stock Units may provide a Participant with the right to receive Dividend Equivalents. Dividend Equivalents may be paid currently or credited to an account for the Participant, settled in cash or Shares and subject to the same restrictions on transferability and forfeitability as the Restricted Stock Units with respect to which the Dividend Equivalents are granted and subject to other terms and conditions as set forth in the Award Agreement. In addition, Dividend Equivalents with respect to an Award of Restricted Stock Units that are based on dividends paid prior to the vesting of such Award shall only be paid out to the Participant to the extent that the vesting conditions are subsequently satisfied and the Award vests.

ARTICLE VII
OTHER STOCK OR CASH BASED AWARDS

Other Stock or Cash Based Awards may be granted to Participants, including Awards entitling Participants to receive Shares to be delivered in the future and including annual or other periodic or long-term cash bonus awards (whether based on specified Performance Criteria or otherwise), in each case subject to any conditions and limitations in the Plan. Such Other Stock or Cash Based Awards will also be available as a payment form in the settlement of other Awards, as standalone payments and as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock or Cash Based Awards may be paid in Shares, cash or other property, as the Administrator determines. Subject to the provisions of the Plan, the Administrator will determine the terms and conditions of each Other Stock or Cash Based Award, including any purchase price, performance goal (which may be based on the Performance Criteria), transfer restrictions, and vesting conditions, which will be set forth in the applicable Award Agreement. Notwithstanding the foregoing, if a Participant violates the non-competition, non-solicitation, confidentiality or other similar restrictive covenant provisions of any employment contract, confidentiality and nondisclosure agreement or other agreement between the Participant and the Company or any of its Subsidiaries, any Other Stock or Cashed Based Awards held by the Participant and the Participant’s transferees shall terminate immediately upon such violation, unless the Company otherwise determines.
ARTICLE VIII.
ADJUSTMENTS FOR CHANGES IN COMMON STOCK
AND CERTAIN OTHER EVENTS

8.1 Equity Restructuring. In connection with any Equity Restructuring, notwithstanding anything to the contrary in this Article VIII, the Administrator will equitably adjust each outstanding Award as it deems appropriate to reflect the Equity Restructuring, which may include adjusting the number and type of securities subject to each outstanding Award and/or the Award’s exercise price or grant price (if applicable), granting new Awards to Participants, and making a cash payment to Participants. The adjustments provided under this Section 8.1 will be final and binding on the affected Participant and the Company; provided that the Administrator will determine whether an adjustment is equitable.

8.2 Corporate Transactions. In the event of any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), reorganization, merger, consolidation, combination, amalgamation, repurchase, recapitalization, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or sale or exchange of Common Stock or other securities of the Company, Change in Control, issuance of warrants or other rights to purchase Common Stock or other securities of the Company, other similar corporate transaction or event, other unusual or nonrecurring transaction or event affecting the Company or its financial statements or any change in any Applicable Laws or accounting principles, the Administrator, on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event (except that action to give effect to a change in Applicable Law or accounting principles may be made within a reasonable period of time after such change) and either automatically or upon the Participant’s request, is hereby authorized to take any one or more of the following actions whenever the Administrator determines that such action is appropriate in order to (x) prevent dilution or enlargement of the benefits or potential benefits intended by the Company to be made available under the Plan or with respect to any Award granted or issued under the Plan, (y) to facilitate such transaction or event or (z) give effect to such changes in Applicable Laws or accounting principles:

(a) To provide for the cancellation of any such Award in exchange for either an amount of cash or other property with a value equal to the amount that could have been obtained upon the exercise or settlement of the vested portion of such Award or realization of the Participant’s rights under the vested portion of such Award, as applicable; provided that, if the amount that could have been obtained upon the exercise or settlement of the vested portion of such Award or realization of the Participant’s rights, in any case, is equal to or less than zero, then the Award may be terminated without payment;

(b) To provide that such Award shall vest and, to the extent applicable, be exercisable as to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the provisions of such Award;

(c) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and/or applicable exercise or purchase price, in all cases, as determined by the Administrator;

(d) To make adjustments in the number and type of shares of Common Stock (or other securities or property) subject to outstanding Awards and/or with respect to which Awards may be granted under the Plan (including, but not limited to, adjustments of the limitations in Article IV hereof on the maximum number and kind of shares which may be issued) and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding Awards;

(e) To replace such Award with other rights or property selected by the Administrator; and/or

(f) To provide that the Award will terminate and cannot vest, be exercised or become payable after the applicable event.
8.3 **Administrative Stand Still.** In the event of any pending stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other extraordinary transaction or change affecting the Shares or the share price of Common Stock, including any Equity Restructuring or any securities offering or other similar transaction, for administrative convenience, the Administrator may refuse to permit the exercise of any Award for up to sixty days before or after such transaction.

8.4 **General.** Except as expressly provided in the Plan or the Administrator’s action under the Plan, no Participant will have any rights due to any subdivision or consolidation of Shares of any class, dividend payment, increase or decrease in the number of Shares of any class or dissolution, liquidation, merger, or consolidation of the Company or other corporation. Except as expressly provided with respect to an Equity Restructuring under Section 8.1 above or the Administrator’s action under the Plan, no issuance by the Company of Shares of any class, or securities convertible into Shares of any class, will affect, and no adjustment will be made regarding, the number of Shares subject to an Award or the Award’s grant or exercise price. The existence of the Plan, any Award Agreements and the Awards granted hereunder will not affect or restrict in any way the Company’s right or power to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company’s capital structure or its business, (ii) any merger, consolidation dissolution or liquidation of the Company or sale of Company assets or (iii) any sale or issuance of securities, including securities with rights superior to those of the Shares or securities convertible into or exchangeable for Shares. The Administrator may treat Participants and Awards (or portions thereof) differently under this Article VIII.

**ARTICLE IX.**

**GENERAL PROVISIONS APPLICABLE TO AWARDS**

9.1 **Transferability.** Except as the Administrator may determine or provide in an Award Agreement or otherwise for Awards other than Incentive Stock Options, Awards may not be sold, assigned, transferred, pledged or otherwise encumbered, either voluntarily or by operation of law, except by will or the laws of descent and distribution, or, subject to the Administrator’s consent, pursuant to a domestic relations order, and, during the life of the Participant, will be exercisable only by the Participant. References to a Participant, to the extent relevant in the context, will include references to a Participant’s authorized transferee that the Administrator specifically approves.

9.2 **Documentation.** Each Award will be evidenced in an Award Agreement, which may be written or electronic, as the Administrator determines. Each Award may contain terms and conditions in addition to those set forth in the Plan.

9.3 **Discretion.** Except as the Plan otherwise provides, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award to a Participant need not be identical, and the Administrator need not treat Participants or Awards (or portions thereof) uniformly.

9.4 **Termination of Status.** The Administrator will determine how the disability, death, retirement, authorized leave of absence or any other change or purported change in a Participant’s Service Provider status affects an Award and the extent to which, and the period during which, the Participant, the Participant’s legal representative, conservator, guardian or Designated Beneficiary may exercise rights under the Award, if applicable.
9.5 Withholding. Each Participant must pay the Company, or make provision satisfactory to the Administrator for payment of, any taxes required by law to be withheld in connection with such Participant’s Awards by the date of the event creating the tax liability. The Company may deduct an amount sufficient to satisfy such tax obligations based on the applicable statutory withholding rate (or such other rate as may be determined by the Company after considering any accounting consequences or costs) from any payment of any kind otherwise due to a Participant. Subject to Section 10.8 and any Company insider trading policy (including blackout periods), Participants may satisfy such tax obligations (i) in cash, by wire transfer of immediately available funds, by check made payable to the order of the Company, provided that the Company may limit the use of the foregoing payment forms if one or more of the payment forms below is permitted, (ii) to the extent permitted by the Administrator, in whole or in part by delivery of Shares, including Shares retained from the Award creating the tax obligation, valued at their Fair Market Value, (iii) if there is a public market for Shares at the time the tax obligations are satisfied, unless the Company otherwise determines, (A) delivery (including telephonically to the extent permitted by the Company) of an irrevocable and unconditional undertaking by a broker acceptable to the Company to deliver promptly to the Company sufficient funds to satisfy the tax obligations, or (B) delivery by the Participant to the Company of a copy of irrevocable and unconditional instructions to a broker acceptable to the Company to deliver promptly to the Company cash or a check sufficient to satisfy the tax withholding; provided that such amount is paid to the Company at such time as may be required by the Administrator, or (iv) to the extent permitted by the Company, any combination of the foregoing payment forms approved by the Administrator. If any tax withholding obligation will be satisfied under clause (ii) of the immediately preceding sentence by the Company’s retention of Shares from the Award creating the tax obligation and there is a public market for Shares at the time the tax obligation is satisfied, the Company may elect to instruct any brokerage firm determined acceptable to the Company to sell on the applicable Participant’s behalf some or all of the Shares retained and to remit the proceeds of the sale to the Company or its designee, and each Participant’s acceptance of an Award under the Plan will constitute the Participant’s authorization to the Company and instruction and authorization to such brokerage firm to complete the transactions described in this sentence.

9.6 Amendment of Award; Prohibition on Repricing. The Administrator may amend, modify or terminate any outstanding Award, including by substituting another Award of the same or a different type, changing the exercise or settlement date, and converting an Incentive Stock Option to a Non-Qualified Stock Option. The Participant’s consent to such action will be required unless (i) the action, taking into account any related action, does not materially and adversely affect the Participant’s rights under the Award, or (ii) the change is permitted under Article VIII or pursuant to Section 10.6. Notwithstanding the foregoing or anything in the Plan to the contrary, the Administrator may not except pursuant to Article VIII, without the approval of the stockholders of the Company, reduce the exercise price per share of outstanding Options or Stock Appreciation Rights or cancel outstanding Options or Stock Appreciation Rights in exchange for cash, other Awards or Options or Stock Appreciation Rights with an exercise price per share that is less than the exercise price per share of the original Options or Stock Appreciation Rights.

9.7 Conditions on Delivery of Stock. The Company will not be obligated to deliver any Shares under the Plan or remove restrictions from Shares previously delivered under the Plan until (i) all Award conditions have been met or removed to the Company’s satisfaction, (ii) as determined by the Company, all other legal matters regarding the issuance and delivery of such Shares have been satisfied, including any applicable securities laws and stock exchange or stock market rules and regulations, and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Administrator deems necessary or appropriate to satisfy any Applicable Laws. The Company’s inability to obtain authority from any regulatory body having jurisdiction, which the Administrator determines is necessary to the lawful issuance and sale of any securities, will relieve the Company of any liability for failing to issue or sell such Shares as to which such requisite authority has not been obtained.
9.8 Additional Terms of Incentive Stock Options. The Administrator may grant Incentive Stock Options only to employees of the Company, any of its present or future parent or subsidiary corporations, as defined in Sections 424(e) or (f) of the Code, respectively, and any other entities the employees of which are eligible to receive Incentive Stock Options under the Code. If an Incentive Stock Option is granted to a Greater Than 10% Stockholder, the exercise price will not be less than 110% of the Fair Market Value on the Option’s grant date, and the term of the Option will not exceed five years. All Incentive Stock Options will be subject to and construed consistently with Section 422 of the Code. By accepting an Incentive Stock Option, the Participant agrees to give prompt notice to the Company of dispositions or other transfers (other than in connection with a Change in Control) of Shares acquired under the Option made within (i) two years from the grant date of the Option or (ii) one year after the transfer of such Shares to the Participant, specifying the date of the disposition or other transfer and the amount the Participant realized, in cash, other property, assumption of indebtedness or other consideration, in such disposition or other transfer. Neither the Company nor the Administrator will be liable to a Participant, or any other party, if an Incentive Stock Option fails or ceases to qualify as an “incentive stock option” under Section 422 of the Code. Any Incentive Stock Option or portion thereof that fails to qualify as an “incentive stock option” under Section 422 of the Code for any reason, including becoming exercisable with respect to Shares having a fair market value exceeding the $100,000 limitation under Treasury Regulation Section 1.422-4, will be a Non-Qualified Stock Option.

ARTICLE X.
MISCELLANEOUS

10.1 No Right to Employment or Other Status. No person will have any claim or right to be granted an Award, and the grant of an Award will not be construed as giving a Participant the right to continued employment or any other relationship with the Company or any Subsidiary. The Company and its Subsidiaries expressly reserve the right at any time to dismiss or otherwise terminate its relationship with a Participant free from any liability or claim under the Plan or any Award, except as expressly provided in an Award Agreement.

10.2 No Rights as Stockholder; Certificates. Subject to the Award Agreement, no Participant or Designated Beneficiary will have any rights as a stockholder with respect to any Shares to be distributed under an Award until becoming the record holder of such Shares. Notwithstanding any other provision of the Plan, unless the Administrator otherwise determines or Applicable Laws require, the Company will not be required to deliver to any Participant certificates evidencing Shares issued in connection with any Award and instead such Shares may be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator). The Company may place legends on stock certificates issued under the Plan that the Administrator deems necessary or appropriate to comply with Applicable Laws.

10.3 Effective Date and Term of Plan. Unless earlier terminated by the Board, the Plan will become effective upon the consummation of the Company’s initial business combination, subject to the approval of the Company’s stockholders, and will remain in effect until the tenth anniversary of the earlier of (i) the date the Board adopted the Plan or (ii) the date the Company’s stockholders approved the Plan, but Awards previously granted may extend beyond that date in accordance with the Plan. If the Plan is not approved by the Company’s stockholders, the Plan will not become effective and no Awards will be granted under the Plan.

10.4 Amendment of Plan. The Administrator may amend, suspend or terminate the Plan at any time; provided that no amendment, other than an increase to the Overall Share Limit, may materially and adversely affect any Award outstanding at the time of such amendment without the affected Participant’s consent. No Awards may be granted under the Plan during any suspension period or after Plan termination. Awards outstanding at the time of any Plan suspension or termination will continue to be governed by the Plan and the Award Agreement, as in effect before such suspension or termination. The Board will obtain stockholder approval of any Plan amendment to the extent necessary to comply with Applicable Laws.
10.5 **Provisions for Foreign Participants.** The Administrator may modify Awards granted to Participants who are foreign nationals or employed outside the United States or establish subplans or procedures under the Plan to address differences in laws, rules, regulations or customs of such foreign jurisdictions with respect to tax, securities, currency, employee benefit or other matters.

10.6 **Section 409A.**

(a) **General.** The Company intends that all Awards be structured to comply with, or be exempt from, Section 409A, such that no adverse tax consequences, interest, or penalties under Section 409A apply. Notwithstanding anything in the Plan or any Award Agreement to the contrary, the Administrator may, without a Participant’s consent, amend this Plan or Awards, adopt policies and procedures, or take any other actions (including amendments, policies, procedures and retroactive actions) as are necessary or appropriate to preserve the intended tax treatment of Awards, including any such actions intended to (A) exempt this Plan or any Award from Section 409A, or (B) comply with Section 409A, including regulations, guidance, compliance programs and other interpretative authority that may be issued after an Award’s grant date. The Company makes no representations or warranties as to an Award’s tax treatment under Section 409A or otherwise. The Company and its Subsidiaries will have no obligation under this Section 10.6 or otherwise to avoid the taxes, penalties or interest under Section 409A with respect to any Award and will have no liability to any Participant or any other person if any Award, compensation or other benefits under the Plan are determined to constitute noncompliant “nonqualified deferred compensation” subject to taxes, penalties or interest under Section 409A.

(b) **Separation from Service.** If an Award constitutes “nonqualified deferred compensation” under Section 409A, any payment or settlement of such Award upon a termination of a Participant’s Service Provider relationship will, to the extent necessary to avoid taxes under Section 409A, be made only upon the Participant’s “separation from service” (within the meaning of Section 409A), whether such “separation from service” occurs upon or after the termination of the Participant’s Service Provider relationship. For purposes of this Plan or any Award Agreement relating to any such payments or benefits, references to a “termination,” “termination of employment” or like terms means a “separation from service.”

(c) **Payments to Specified Employees.** Notwithstanding any contrary provision in the Plan or any Award Agreement, any payment(s) of “nonqualified deferred compensation” required to be made under an Award to a “specified employee” (as defined under Section 409A and as the Administrator determines) due to his or her “separation from service” will, to the extent necessary to avoid taxes under Section 409A(a)(2)(B)(i) of the Code, be delayed for the six-month period immediately following such “separation from service” (or, if earlier, until the specified employee’s death) and will instead be paid (as set forth in the Award Agreement) on the day immediately following such six-month period or as soon as administratively practicable thereafter (without interest). Any payments of “nonqualified deferred compensation” under such Award payable more than six months following the Participant’s “separation from service” will be paid at the time or times the payments are otherwise scheduled to be made.

10.7 **Limitations on Liability.** Notwithstanding any other provisions of the Plan, no individual acting as a director, officer, other employee or agent of the Company or any Subsidiary will be liable to any Participant, former Participant, spouse, beneficiary, or any other person for any claim, loss, liability, or expense incurred in connection with the Plan or any Award, and such individual will not be personally liable with respect to the Plan because of any contract or other instrument executed in his or her capacity as an Administrator, director, officer, other employee or agent of the Company or any Subsidiary.
Company will indemnify and hold harmless each director, officer, other employee and agent of the Company or any Subsidiary that has been or will be granted or delegated any duty or power relating to the Plan’s administration or interpretation, against any cost or expense (including attorneys’ fees) or liability (including any sum paid in settlement of a claim with the Administrator’s approval) arising from any act or omission concerning this Plan unless arising from such person’s own fraud or bad faith.

10.8 **Lock-Up Period.** The Company may, at the request of any underwriter representative or otherwise, in connection with registering the offering of any Company securities under the Securities Act, prohibit Participants from, directly or indirectly, selling or otherwise transferring any Shares or other Company securities during a period of up to one hundred eighty days following the effective date of a Company registration statement filed under the Securities Act, or such longer period as determined by the underwriter.

10.9 **Data Privacy.** As a condition for receiving any Award, each Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this section by and among the Company and its Subsidiaries and affiliates exclusively for implementing, administering and managing the Participant’s participation in the Plan. The Company and its Subsidiaries and affiliates may hold certain personal information about a Participant, including the Participant’s name, address and telephone number; birthdate; social security, insurance number or other identification number; salary; nationality; job title(s); any Shares held in the Company or its Subsidiaries and affiliates; and Award details, to implement, manage and administer the Plan and Awards (the “Data”). The Company and its Subsidiaries and affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage a Participant’s participation in the Plan, and the Company and its Subsidiaries and affiliates may transfer the Data to third parties assisting the Company with Plan implementation, administration and management. These recipients may be located in the Participant’s country, or elsewhere, and the Participant’s country may have different data privacy laws and protections than the recipients’ country. By accepting an Award, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, to implement, administer and manage the Participant’s participation in the Plan. The Company and its Subsidiaries and affiliates may hold certain personal information about a Participant, including the Participant’s name, address and telephone number; birthdate; social security, insurance number or other identification number; salary; nationality; job title(s); any Shares held in the Company or its Subsidiaries and affiliates; and Award details, to implement, manage and administer the Plan and Awards (the “Data”). The Company and its Subsidiaries and affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage a Participant’s participation in the Plan, and the Company and its Subsidiaries and affiliates may transfer the Data to third parties assisting the Company with Plan implementation, administration and management. These recipients may be located in the Participant’s country, or elsewhere, and the Participant’s country may have different data privacy laws and protections than the recipients’ country. By accepting an Award, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, to implement, administer and manage the Participant’s participation in the Plan, including any required Data transfer to a broker or other third party with whom the Company or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as necessary to implement, administer, and manage the Participant’s participation in the Plan. A Participant may, at any time, view the Data that the Company holds regarding such Participant, request additional information about the storage and processing of the Data regarding such Participant, recommend any necessary corrections to the Data regarding the Participant or refuse or withdraw the consents in this Section 10.9 in writing, without cost, by contacting the local human resources representative. The Company may cancel Participant’s ability to participate in the Plan and, in the Administrator’s discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws the consents in this Section 10.9. For more information on the consequences of refusing or withdrawing consent, Participants may contact their local human resources representative.

10.10 **Severability.** If any portion of the Plan or any action taken under it is held illegal or invalid for any reason, the illegality or invalidity will not affect the remaining parts of the Plan, and the Plan will be construed and enforced as if the illegal or invalid provisions had been excluded, and the illegal or invalid action will be null and void.

10.11 **Governing Documents.** If any contradiction occurs between the Plan and any Award Agreement or other written agreement between a Participant and the Company (or any Subsidiary) that the Administrator has approved, the Plan will govern, unless it is expressly specified in such Award Agreement or other written document that a specific provision of the Plan will not apply.
10.12 **Governing Law.** The Plan and all Awards will be governed by and interpreted in accordance with the laws of the State of Delaware, disregarding any state’s choice-of-law principles requiring the application of a jurisdiction’s laws other than the State of Delaware.

10.13 **Claw-back Provisions.** All Awards (including any proceeds, gains or other economic benefit the Participant actually or constructively receives upon receipt or exercise of any Award or the receipt or resale of any Shares underlying the Award) will be subject to any Company claw-back policy, including any claw-back policy adopted to comply with Applicable Laws (including the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder) as set forth in such claw-back policy or the Award Agreement.

10.14 **Titles and Headings.** The titles and headings in the Plan are for convenience of reference only and, if any conflict, the Plan’s text, rather than such titles or headings, will control.

10.15 **Conformity to Securities Laws.** Participant acknowledges that the Plan is intended to conform to the extent necessary with Applicable Laws. Notwithstanding anything herein to the contrary, the Plan and all Awards will be administered only in conformance with Applicable Laws. To the extent Applicable Laws permit, the Plan and all Award Agreements will be deemed amended as necessary to conform to Applicable Laws.

10.16 **Relationship to Other Benefits.** No payment under the Plan will be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except as expressly provided in writing in such other plan or an agreement thereunder.

10.17 **Broker-Assisted Sales.** In the event of a broker-assisted sale of Shares in connection with the payment of amounts owed by a Participant under or with respect to the Plan or Awards, including amounts to be paid under the final sentence of Section 9.5: (a) any Shares to be sold through the broker-assisted sale will be sold on the day the payment first becomes due, or as soon thereafter as practicable; (b) such Shares may be sold as part of a block trade with other Participants in the Plan in which all participants receive an average price; (c) the applicable Participant will be responsible for all broker’s fees and other costs of sale, and by accepting an Award, each Participant agrees to indemnify and hold the Company harmless from any losses, costs, damages, or expenses relating to any such sale; (d) to the extent the Company or its designee receives proceeds of such sale that exceed the amount owed, the Company will pay such excess in cash to the applicable Participant as soon as reasonably practicable; (e) the Company and its designees are under no obligation to arrange for such sale at any particular price; and (f) in the event the proceeds of such sale are insufficient to satisfy the Participant’s applicable obligation, the Participant may be required to pay immediately upon demand to the Company or its designee an amount in cash sufficient to satisfy any remaining portion of the Participant’s obligation.

10.18 **No Fractional Shares.** Notwithstanding any provision in the Plan to the contrary, no fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Administrator shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

**ARTICLE XI. DEFINITIONS**

As used in the Plan, the following words and phrases will have the following meanings:
11.1 “Administrator” means the Board or a Committee to the extent that the Board’s powers or authority under the Plan have been delegated to such Committee.

11.2 “Applicable Laws” means the requirements relating to the administration of equity incentive plans under U.S. federal and state securities, tax and other applicable laws, rules and regulations, the applicable rules of any stock exchange or quotation system on which the Common Stock is listed or quoted and the applicable laws and rules of any foreign country or other jurisdiction where Awards are granted.

11.3 “Award” means, individually or collectively, a grant under the Plan of Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units or Other Stock or Cash Based Awards.

11.4 “Award Agreement” means a written agreement evidencing an Award, which may be electronic, that contains such terms and conditions as the Administrator determines, consistent with and subject to the terms and conditions of the Plan. An Award Agreement may be a unilateral agreement, if determined by the Administrator.

11.5 “Board” means the Board of Directors of the Company.

11.6 “Cause” means (i) if a Participant is a party to a written employment or consulting agreement with the Company or any of its Subsidiaries or an Award Agreement in which the term “cause” is defined (a “Relevant Agreement”), “Cause” as defined in the Relevant Agreement, and (ii) if no Relevant Agreement exists, (A) the Administrator’s determination that the Participant failed to substantially perform the Participant’s duties (other than a failure resulting from the Participant’s Disability); (B) the Administrator’s determination that the Participant failed to carry out, or comply with any lawful and reasonable directive of the Board or the Participant’s immediate supervisor; (C) the occurrence of any act or omission by the Participant that could reasonably be expected to result in (or has resulted in) the Participant’s conviction, plea of no contest, plea of nolo contendere, or imposition of unadjudicated probation for any felony or indictable offense or crime involving moral turpitude; (D) the Participant’s unlawful use (including being under the influence) or possession of illegal drugs on the premises of the Company or any of its Subsidiaries or while performing the Participant’s duties and responsibilities for the Company or any of its Subsidiaries; or (E) the Participant’s commission of an act of fraud, embezzlement, misappropriation, misconduct, or breach of fiduciary duty against the Company or any of its Subsidiaries.

11.7 “Change in Control” means and includes each of the following:

(a) A transaction or series of transactions (other than an offering of Common Stock to the general public through a registration statement filed with the Securities and Exchange Commission or a transaction or series of transactions that meets the requirements of clauses (i) and (ii) of subsection (c) below) whereby any “person” or related “group” of “persons” (as such terms are used in Sections 13(d) and 14(d)(2) of the Exchange Act) (other than the Company, any of its Subsidiaries, an employee benefit plan maintained by the Company or any of its Subsidiaries or a “person” that, prior to such transaction, directly or indirectly controls, is controlled by, or is under common control with, the Company) directly or indirectly acquires beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of securities of the Company possessing more than 50% of the total combined voting power of the Company’s securities outstanding immediately after such acquisition; or

(b) During any period of two consecutive years, individuals who, at the beginning of such period, constitute the Board together with any new Director(s) (other than a Director designated by a person who shall have entered into an agreement with the Company to effect a transaction described in subsections (a) or (c)) whose election by the Board or nomination for election by the Company’s
stockholders was approved by a vote of at least two-thirds of the Directors then still in office who either were Directors at the beginning of the two-year period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof; or

(c) The consummation by the Company (whether directly involving the Company or indirectly involving the Company through one or more intermediaries) of (x) a merger, consolidation, reorganization, or business combination or (y) a sale or other disposition of all or substantially all of the Company’s assets in any single transaction or series of related transactions or (z) the acquisition of assets or stock of another entity, in each case other than a transaction:

(i) which results in the Company’s voting securities outstanding immediately before the transaction continuing to represent (either by remaining outstanding or by being converted into voting securities of the Company or the person that, as a result of the transaction, controls, directly or indirectly, the Company or owns, directly or indirectly, all or substantially all of the Company’s assets or otherwise succeeds to the business of the Company (the Company or such person, the “Successor Entity”)) directly or indirectly, at least a majority of the combined voting power of the Successor Entity’s outstanding voting securities immediately after the transaction, and

(ii) after which no person or group beneficially owns voting securities representing 50% or more of the combined voting power of the Successor Entity; provided, however, that no person or group shall be treated for purposes of this clause (ii) as beneficially owning 50% or more of the combined voting power of the Successor Entity solely as a result of the voting power held in the Company prior to the consummation of the transaction.

Notwithstanding the foregoing, if a Change in Control constitutes a payment event with respect to any Award (or portion of any Award) that provides for the deferral of compensation that is subject to Section 409A, to the extent required to avoid the imposition of additional taxes under Section 409A, the transaction or event described in subsection (a), (b) or (c) with respect to such Award (or portion thereof) shall only constitute a Change in Control for purposes of the payment timing of such Award if such transaction also constitutes a “change in control event,” as defined in Treasury Regulation Section 1.409A-3(i)(5).

The Administrator shall have full and final authority, which shall be exercised in its discretion, to determine conclusively whether a Change in Control has occurred pursuant to the above definition, the date of the occurrence of such Change in Control and any incidental matters relating thereto; provided that any exercise of authority in conjunction with a determination of whether a Change in Control is a “change in control event” as defined in Treasury Regulation Section 1.409A-3(i)(5) shall be consistent with such regulation.

11.9 “Committee” means one or more committees or subcommittees of the Board, which may include one or more Company directors or executive officers, to the extent Applicable Laws permit. To the extent required to comply with the provisions of Rule 16b-3, it is intended that each member of the Committee will be, at the time the Committee takes any action with respect to an Award that is subject to Rule 16b-3, a “non-employee director” within the meaning of Rule 16b-3; however, a Committee member’s failure to qualify as a “non-employee director” within the meaning of Rule 16b-3 will not invalidate any Award granted by the Committee that is otherwise validly granted under the Plan.

11.10 “Common Stock” means the Class A common stock of the Company.
11.11 “Company” means PAE Incorporated, a Delaware corporation, or any successor.

11.12 “Consultant” means any person, including any adviser, engaged by the Company or its parent or Subsidiary to render services to such entity if the consultant or adviser: (i) renders bona fide services to the Company; (ii) renders services not in connection with the offer or sale of securities in a capital-raising transaction and does not directly or indirectly promote or maintain a market for the Company’s securities; and (iii) is a natural person.

11.13 “Designated Beneficiary” means the beneficiary or beneficiaries the Participant designates, in a manner the Administrator determines, to receive amounts due or exercise the Participant’s rights if the Participant dies or becomes incapacitated. Without a Participant’s effective designation, “Designated Beneficiary” will mean the Participant’s estate.

11.14 “Director” means a Board member.

11.15 “Disability” means a permanent and total disability under Section 22(e)(3) of the Code, as amended.

11.16 “Dividend Equivalents” means a right granted to a Participant under the Plan to receive the equivalent value (in cash or Shares) of dividends paid on Shares.

11.17 “Employee” means any employee of the Company or its Subsidiaries.

11.18 “Equity Restructuring” means a nonreciprocal transaction between the Company and its stockholders, such as a stock dividend, stock split, spin-off or recapitalization through a large, nonrecurring cash dividend, that affects the number or kind of Shares (or other Company securities) or the share price of Common Stock (or other Company securities) and causes a change in the per share value of the Common Stock underlying outstanding Awards.

11.20 “Fair Market Value” means, as of any date, the value of Common Stock determined as follows: (i) if the Common Stock is listed on any established stock exchange, its Fair Market Value will be the closing sales price for such Common Stock as quoted on such exchange for such date, or if no sale occurred on such date, the last day preceding such date during which a sale occurred, as reported in The Wall Street Journal or another source the Administrator deems reliable; (ii) if the Common Stock is not traded on a stock exchange but is quoted on a national market or other quotation system, the closing sales price on such date, or if no sales occurred on such date, then on the last date preceding such date during which a sale occurred, as reported in The Wall Street Journal or another source the Administrator deems reliable; or (iii) without an established market for the Common Stock, the Administrator will determine the Fair Market Value in its discretion.

11.21 “Greater Than 10% Stockholder” means an individual then owning (within the meaning of Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or its parent or subsidiary corporation, as defined in Section 424(e) and (f) of the Code, respectively.

11.22 “Incentive Stock Option” means an Option intended to qualify as an “incentive stock option” as defined in Section 422 of the Code.
11.23 “Non-Qualified Stock Option” means an Option not intended or not qualifying as an Incentive Stock Option.
11.24 “Option” means an option to purchase Shares.

1.1 Award of RSUs and Dividend Equivalents

(a) The Company has granted the RSUs to Participant effective as of the grant date set forth in the Grant Notice (the "Grant Date"). Each RSU represents the right to receive one Share or, at the option of the Company, an amount of cash, in either case, as set forth in this Agreement. Participant will have no right to the distribution of any Shares or payment of any cash until the time (if ever) the RSUs have vested.

(b) The Company hereby grants to Participant, with respect to each RSU, a Dividend Equivalent for ordinary cash dividends paid to substantially all holders of outstanding Shares with a record date after the Grant Date and prior to the date the applicable RSU is settled, forfeited or otherwise expires. Each Dividend Equivalent entitles Participant to receive the equivalent value of any such ordinary cash dividends paid on a single Share. The Company will establish a separate Dividend Equivalent bookkeeping account (a "Dividend Equivalent Account") for each Dividend Equivalent and credit the Dividend Equivalent Account (without interest) on the applicable dividend payment date with the amount of any such cash paid.

1.2 Incorporation of Terms of Plan. The RSUs are subject to the terms and conditions set forth in this Agreement and the Plan, which is incorporated herein by reference. In the event of any inconsistency between the Plan and this Agreement, the terms of the Plan will control.

1.3 Definitions. Capitalized terms not specifically defined in this Agreement have the meanings specified in the Grant Notice or, if not defined in the Grant Notice, in the Plan. When used in this Agreement or the Grant Notice, the following capitalized terms have the following meanings:

(a) "Change of Control" means any transaction or series of transactions the result of which is: (a) the acquisition by any person or entity or "group" (as defined in the Exchange Act) of persons or entities of direct or indirect beneficial ownership of securities representing 50% or more of the combined voting power of the then outstanding securities of the Company; (b) a merger, consolidation, reorganization or other business combination, however effected, resulting in any person or entity or "group" (as defined in the Exchange Act) of persons or entities acquiring at least 50% of the combined voting power of the then outstanding securities of the Company or the surviving entity outstanding immediately after such combination; or (c) a sale of all or substantially all of the assets of the Company.

(b) "Disability" means (i) if Participant is a party to a written employment agreement or offer letter with the Company or any of its Subsidiaries in which the term "disability" is defined, "Disability" as defined in the employment agreement or offer letter, or (ii) if no such employment agreement or offer letter exists, a permanent and total disability under Section 22(e)(3) of the Code, as amended.

(c) "Good Reason" means (i) if Participant is a party to a written employment agreement or offer letter with the Company or any of its Subsidiaries in which the term "good reason" is defined, "good reason" as defined in the employment agreement or offer letter, or (ii) if no such employment agreement or offer letter exists, the occurrence of any of the following without Participant’s prior written consent: (1) a material reduction in annual base salary or target annual cash bonus opportunity or (2) a relocation of Participant’s principal place of business of 50 miles or more, provided such relocation also
increases Participant’s commute by at least 25 miles, provided in the case of this clause (ii), Participant must provide written notice to the Company or its Subsidiary of Participant’s intent to resign for Good Reason within 45 days of the occurrence of the applicable event (each, a “Good Reason Event”) in order for Participant’s resignation for Good Reason to be effective hereunder. Upon receipt of such notice, the Company or its Subsidiary shall have 30 days (the “Good Reason Cure Period”) to rectify the Good Reason Event. If the Company or its Subsidiary fails to rectify the Good Reason Event prior to the expiration of the Good Reason Cure Period, then Participant may terminate employment within 10 days following the expiration of the Good Reason Cure Period and such termination will be considered for Good Reason.

1.4 Unsecured Promise. The RSUs and Dividend Equivalents will at all times prior to settlement represent an unsecured Company obligation payable only from the Company’s general assets.

ARTICLE II.
VESTING; FORFEITURE AND SETTLEMENT

2.1 Vesting; Forfeiture. The RSUs will vest according to the vesting schedule in the Grant Notice. In the event of Participant’s Termination of Service for any reason, all unvested RSUs will immediately and automatically be cancelled and forfeited, except as provided in the Grant Notice or otherwise determined by the Administrator or provided in a binding written agreement between Participant and the Company. Dividend Equivalents (including any Dividend Equivalent Account balance) will vest or be forfeited, as applicable, upon the vesting or forfeiture of the RSU with respect to which the Dividend Equivalent (including the Dividend Equivalent Account) relates.

2.2 Settlement.
(a) RSUs and Dividend Equivalents (including any Dividend Equivalent Account balance) will be paid in Shares or cash at the Company’s option as soon as administratively practicable after the vesting of the applicable RSU, but in no event more than thirty (30) days after the RSU’s vesting date. Notwithstanding the foregoing, the Company may delay any payment under this Agreement that the Company reasonably determines would violate Applicable Law until the earliest date the Company reasonably determines the making of the payment will not cause such a violation (in accordance with Treasury Regulation Section 1.409A-2(b)(7)(ii)), provided the Company reasonably believes the delay will not result in the imposition of excise taxes under Section 409A.

(b) If an RSU is paid in cash, the amount of cash paid with respect to the RSU will equal the Fair Market Value of a Share on the day immediately preceding the payment date. If a Dividend Equivalent is paid in Shares, the number of Shares paid with respect to the Dividend Equivalent will equal the quotient, rounded down to the nearest whole Share, of the Dividend Equivalent Account balance divided by the Fair Market Value of a Share on the day immediately preceding the payment date.

ARTICLE III.
TAXATION AND TAX WITHHOLDING

3.1 Representation. Participant represents to the Company that Participant has reviewed with Participant’s own tax advisors the tax consequences of this Award and the transactions contemplated by the Grant Notice and this Agreement. Participant is relying solely on such advisors and not on any statements or representations of the Company or any of its agents.

3.2 Tax Withholding.
(a) The Company has the right and option, but not the obligation, to treat Participant’s failure to provide timely payment in accordance with the Plan of any withholding tax arising in connection with the RSUs or Dividend Equivalents as Participant’s election to satisfy all or any portion of the withholding tax by requesting the Company retain Shares otherwise issuable under the Award.

(b) Participant acknowledges that Participant is ultimately liable and responsible for all taxes owed in connection with the RSUs and the Dividend Equivalents, regardless of any action the Company or any Subsidiary takes with respect to any tax withholding obligations that arise in connection with the RSUs or Dividend Equivalents. Neither the Company nor any Subsidiary makes any representation or undertaking regarding the treatment of any tax withholding in connection with the awarding, vesting or payment of the RSUs or the Dividend Equivalents or the subsequent sale of Shares. The Company and the Subsidiaries do not commit and are under no obligation to structure the RSUs or Dividend Equivalents to reduce or eliminate Participant’s tax liability.

ARTICLE IV.
OTHER PROVISIONS

4.1 Adjustments. Participant acknowledges that the RSUs, the Shares subject to the RSUs and the Dividend Equivalents are subject to adjustment, modification and termination in certain events as provided in this Agreement and the Plan.

4.2 Notices. Any notice to be given under the terms of this Agreement to the Company must be in writing and addressed to the Company in care of the Company’s Secretary at the Company’s principal office or the Secretary’s then-current email address or facsimile number. Any notice to be given under the terms of this Agreement to Participant must be in writing and addressed to Participant at Participant’s last known mailing address, email address or facsimile number in the Company’s personnel files. By a notice given pursuant to this Section, either party may designate a different address for notices to be given to that party. Any notice will be deemed duly given when actually received, when sent by email, when sent by certified mail (return receipt requested) and deposited with postage prepaid in a post office or branch post office regularly maintained by the United States Postal Service, when delivered by a nationally recognized express shipping company or upon receipt of a facsimile transmission confirmation.

4.3 Titles. Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Agreement.

4.4 Conformity to Securities Laws. Participant acknowledges that the Plan, the Grant Notice and this Agreement are intended to conform to the extent necessary with all Applicable Laws and, to the extent Applicable Laws permit, will be deemed amended as necessary to conform to Applicable Laws.

4.5 Successors and Assigns. The Company may assign any of its rights under this Agreement to single or multiple assignees, and this Agreement will inure to the benefit of the successors and assigns of the Company. Subject to the restrictions on transfer set forth in the Plan, this Agreement will be binding upon and inure to the benefit of the heirs, legatees, legal representatives, successors and assigns of the parties hereto.

4.6 Limitations Applicable to Section 16 Persons. Notwithstanding any other provision of the Plan or this Agreement, if Participant is subject to Section 16 of the Exchange Act, the Plan, the Grant Notice, this Agreement, the RSUs and the Dividend Equivalents will be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3) that are requirements for the application of such exemptive rule. To the extent Applicable Laws permit, this Agreement will be deemed amended as necessary to conform to such applicable exemptive rule.

A-3
4.7 **Entire Agreement.** The Plan, the Grant Notice and this Agreement (including any exhibit hereto) constitute the entire agreement of the parties and supersede in their entirety all prior undertakings and agreements of the Company and Participant with respect to the subject matter hereof.

4.8 **Agreement Severable.** In the event that any provision of the Grant Notice or this Agreement is held illegal or invalid, the provision will be severable from, and the illegality or invalidity of the provision will not be construed to have any effect on, the remaining provisions of the Grant Notice or this Agreement.

4.9 **Limitation on Participant’s Rights.** Participation in the Plan confers no rights or interests other than as herein provided. This Agreement creates only a contractual obligation on the part of the Company as to amounts payable and may not be construed as creating a trust. Neither the Plan nor any underlying program, in and of itself, has any assets. Participant will have only the rights of a general unsecured creditor of the Company with respect to amounts credited and benefits payable, if any, with respect to the RSUs and Dividend Equivalents, and rights no greater than the right to receive cash or the Shares as a general unsecured creditor with respect to the RSUs and Dividend Equivalents, as and when settled pursuant to the terms of this Agreement.

4.10 **Not a Contract of Employment.** Nothing in the Plan, the Grant Notice or this Agreement confers upon Participant any right to continue in the employ or service of the Company or any Subsidiary or interferes with or restricts in any way the rights of the Company and its Subsidiaries, which rights are hereby expressly reserved, to discharge or terminate the services of Participant at any time for any reason whatsoever, with or without Cause, except to the extent expressly provided otherwise in a written agreement between the Company or a Subsidiary and Participant.

4.11 **Counterparts.** The Grant Notice may be executed in one or more counterparts, including by way of any electronic signature, subject to Applicable Law, each of which will be deemed an original and all of which together will constitute one instrument.

INDEMNITY AGREEMENT

THIS INDEMNITY AGREEMENT (this "Agreement") is made as of [●], 2020, by and between PAE INCORPORATED, a Delaware corporation (the "Company"), and [●] ("Indemnitee").

RECITALS

WHEREAS, highly competent persons have become more reluctant to serve publicly-held corporations as directors, officers or in other capacities unless they are provided with adequate protection through insurance or adequate indemnification against inordinate risks of claims and actions against them arising out of their service to and activities on behalf of such corporations;

WHEREAS, the Board of Directors of the Company (the "Board") has determined that, in order to attract and retain qualified individuals, the Company will attempt to maintain on an ongoing basis, at its sole expense, liability insurance to protect persons serving the Company and its subsidiaries from certain liabilities. Although the furnishing of such insurance has been a customary and widespread practice among publicly traded corporations and other business enterprises, the Company believes that, given current market conditions and trends, such insurance may be available to it in the future only at higher premiums and with more exclusions. At the same time, directors, officers and other persons in service to corporations or business enterprises are being increasingly subjected to expensive and time-consuming litigation relating to, among other things, matters that traditionally would have been brought only against the Company or business enterprise itself. The Second Amended and Restated Certificate of Incorporation of the Company (as it may be from time to time amended, the "Charter") and the Amended and Restated Bylaws of the Company (as they may be from time to time amended, the "Bylaws") require indemnification of the officers and directors of the Company. Indemnitee may also be entitled to indemnification pursuant to applicable provisions of the Delaware General Corporation Law ("DGCL"). The Charter, Bylaws and the DGCL expressly provide that the indemnification provisions set forth therein are not exclusive, and thereby contemplate that contracts may be entered into between the Company and members of the board of directors, officers and other persons with respect to indemnification, hold harmless, exoneration, advancement and reimbursement rights;

WHEREAS, the uncertainties relating to such insurance and to indemnification have increased the difficulty of attracting and retaining such persons;

WHEREAS, the Board has determined that the increased difficulty in attracting and retaining such persons is detrimental to the best interests of the Company’s stockholders and that the Company should act to assure such persons that there will be increased certainty of such protection in the future;

WHEREAS, it is reasonable, prudent and necessary for the Company contractually to obligate itself to indemnify, hold harmless, exonerate and to advance expenses on behalf of, such persons to the fullest extent permitted by applicable law so that they will serve or continue to serve the Company free from undue concern that they will not be so protected against liabilities;

WHEREAS, this Agreement is a supplement to and in furtherance of the Charter and Bylaws of the Company and any resolutions adopted pursuant thereto, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of Indemnitee thereunder;

WHEREAS, Indemnitee may not be willing to serve as an officer or director, advisor or in another capacity without adequate protection, and the Company desires Indemnitee to serve in such capacity. Indemnitee is willing to serve, continue to serve and to take on additional service for or on behalf of the Company on the condition that he be so indemnified; and

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:
1. SERVICES TO THE COMPANY. Indemnitee will serve or continue to serve as an officer, director, advisor, key employee or in any other capacity of the Company, as applicable, for so long as Indemnitee is duly elected, appointed or retained or until Indemnitee tenders his resignation.

2. DEFINITIONS. As used in this Agreement:

2.1. References to “agent” shall mean any person who is or was a director, officer or employee of the Company or a subsidiary of the Company or other person authorized by the Company to act for the Company, to include such person serving in such capacity as a director, officer, employee, advisor, fiduciary or other official of another corporation, partnership, limited liability company, joint venture, trust or other enterprise at the request of, for the convenience of, or to represent the interests of the Company or a subsidiary of the Company.

2.2. The terms “Beneficial Owner” and “Beneficial Ownership” shall have the meanings set forth in Rule 13d-3 promulgated under the Exchange Act (as defined below) as in effect on the date hereof.

2.3. A “Change in Control” shall be deemed to occur upon the earliest to occur after the date of this Agreement of any of the following events:

2.3.1. Acquisition of Stock by Third Party. Other than an affiliate of Platinum Equity Advisors, LLC or The Gores Group, LLC, any Person (as defined below) is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing fifteen percent (15%) or more of the combined voting power of the Company’s then outstanding securities entitled to vote generally in the election of directors, unless (1) the change in the relative Beneficial Ownership of the Company’s securities by any Person results solely from a reduction in the aggregate number of outstanding shares of securities entitled to vote generally in the election of directors, or (2) such acquisition was approved in advance by the Continuing Directors (as defined below) and such acquisition would not constitute a Change in Control under part 2.3.3 of this definition;

2.3.2. Change in Board of Directors. Individuals who, as of the date hereof, constitute the Board, and any new director whose election by the Board or nomination for election by the Company’s stockholders was approved by a vote of at least two thirds of the directors then still in office who were directors on the date hereof or whose election or nomination for election was previously so approved (collectively, the “Continuing Directors”), cease for any reason to constitute at least a majority of the members of the Board;

2.3.3. Corporate Transactions. The effective date of a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination, involving the Company and one or more businesses (a “Business Combination”), in each case, unless, following such Business Combination: (1) all or substantially all of the individuals and entities who were the Beneficial Owners of securities entitled to vote generally in the election of directors immediately prior to such Business Combination beneficially own, directly or indirectly, more than 51% of the combined voting power of the then outstanding securities of the Company entitled to vote generally in the election of directors resulting from such Business Combination (including, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company’s assets either directly or through one or more Subsidiaries) in substantially the same proportions as their ownership immediately prior to such Business Combination, of the securities entitled to vote generally in the election of directors; (2) other than an affiliate of Platinum Equity Advisors, LLC or The Gores Group, LLC, no Person (excluding any corporation resulting from such Business Combination) is the Beneficial Owner, directly or indirectly, of 15% or more of the combined voting power of the then outstanding securities entitled to vote generally in the election of directors of the surviving corporation except to the extent that such ownership existed prior to the Business Combination; and (3) at least a majority of the Board of Directors of the corporation resulting from such Business Combination were Continuing Directors at the time of the execution of the initial agreement, or of the action of the Board of Directors, providing for such Business Combination;
2.3.4. **Liquidation**. The approval by the stockholders of the Company of a complete liquidation of the Company or an agreement or series of agreements for the sale or disposition by the Company of all or substantially all of the Company’s assets, other than factoring the Company’s current receivables or escrows due (or, if such approval is not required, the decision by the Board to proceed with such a liquidation, sale, or disposition in one transaction or a series of related transactions); or

2.3.5. **Other Events**. There occurs any other event of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or a response to any similar item on any similar schedule or form) promulgated under the Exchange Act (as defined below), whether or not the Company is then subject to such reporting requirement.

2.4. “**Corporate Status**” describes the status of a person who is or was a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of the Company or of any other Enterprise (as defined below) which such person is or was serving at the request of the Company.

2.5. “**Delaware Court**” shall mean the Court of Chancery of the State of Delaware.

2.6. “**Disinterested Director**” shall mean a director of the Company who is not and was not a party to the Proceeding (as defined below) in respect of which indemnification is sought by Indemnitee.

2.7. “**Enterprise**” shall mean the Company and any other corporation, constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger to which the Company (or any of its wholly owned subsidiaries) is a party, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise of which Indemnitee is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent.

2.9. “**Expenses**” shall include all direct and indirect costs, fees and expenses of any type or nature whatsoever, including, without limitation, all attorneys’ fees and costs, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, fees of private investigators and professional advisors, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, fax transmission charges, secretarial services and all other disbursements, obligations or expenses in connection with prosecuting, defending, preparing to prosecute or defend, investigating, being or preparing to be a witness in, settlement or appeal of, or otherwise participating in, a Proceeding (as defined below), including reasonable compensation for time spent by Indemnitee for which he or she is not otherwise compensated by the Company or any third party. Expenses also shall include Expenses incurred in connection with any appeal resulting from any Proceeding (as defined below), including without limitation the principal, premium, security for, and other costs relating to any cost bond, supersedeas bond, or other appeal bond or its equivalent. Expenses, however, shall not include amounts paid in settlement by Indemnitee or the amount of judgments or fines against Indemnitee.

2.10. “**Independent Counsel**” shall mean a law firm or a member of a law firm with significant experience in matters of corporation law and neither presently is, nor in the past five years has been, retained to represent: (i) the Company or Indemnitee in any matter material to either such party (other than with respect to matters concerning Indemnitee under this Agreement, or of other indemnitees under similar indemnification agreements); or (ii) any other party to the Proceeding (as defined below) giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement.

2.11. References to “**fines**” shall include any excise tax assessed on Indemnitee with respect to any employee benefit plan; references to “serving at the request of the Company” shall include any service as a director, officer, employee, agent or fiduciary of the Company which imposes duties on, or involves services by, such director, officer, employee, agent or fiduciary with respect to an employee benefit plan, its participants or beneficiaries; and if Indemnitee acted in good faith and in a manner Indemnitee reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan, Indemnitee shall be deemed to have acted in a manner “not opposed to the best interests of the Company” as referred to in this Agreement.
2.12. The term “Person” shall have the meaning as set forth in Sections 13(d) and 14(d) of the Exchange Act as in effect on the date hereof; provided, however, that “Person” shall exclude: (i) the Company; (ii) any Subsidiaries (as defined below) of the Company; (iii) any employment benefit plan of the Company or of a Subsidiary (as defined below) of the Company or of any corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company; and (iv) any trustee or other fiduciary holding securities under an employee benefit plan of the Company or of a Subsidiary (as defined below) of the Company or of a corporation owned directly or indirectly by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company.

2.13. The term “Proceeding” shall include any threatened, pending or completed action, suit, arbitration, mediation, alternate dispute resolution mechanism, investigation, inquiry, administrative hearing or any other actual, threatened or completed proceeding, whether brought in the right of the Company or otherwise and whether of a civil (including intentional or unintentional tort claims), criminal, administrative, or investigative or related nature, in which Indemnitee was, is, will or might be involved as a party or otherwise by reason of the fact that Indemnitee is or was a director or officer of the Company, by reason of any action (or failure to act) taken by him or of any action (or failure to act) on his part while acting as a director or officer of the Company, or by reason of the fact that he is or was serving at the request of the Company as a director, officer, trustee, general partner, managing member, fiduciary, employee or agent of any other Enterprise, in each case whether or not serving in such capacity at the time any liability or expense is incurred for which indemnification, reimbursement, or advancement of expenses can be provided under this Agreement.

2.14. The term “Subsidiary,” with respect to any Person, shall mean any corporation or other entity of which a majority of the voting power of the voting equity securities or equity interest is owned, directly or indirectly, by that Person.

3. INDEMNITY IN THIRD-PARTY PROCEEDINGS.

To the fullest extent permitted by applicable law, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Section 3 if Indemnitee was, is, or is threatened to be made, a party to or a participant (as a witness or otherwise) in any Proceeding, other than a Proceeding by or in the right of the Company to procure a judgment in its favor. Pursuant to this Section 3, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses, judgments, liabilities, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, judgments, fines, penalties and amounts paid in settlement) actually and reasonably incurred by Indemnitee or on his behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company and, in the case of a criminal Proceeding, had no reasonable cause to believe that his conduct was unlawful.

4. INDEMNITY IN PROCEEDINGS BY OR IN THE RIGHT OF THE COMPANY.

To the fullest extent permitted by applicable law, the Company shall indemnify, hold harmless and exonerate Indemnitee in accordance with the provisions of this Section 4 if Indemnitee was, is, or is threatened to be made, a party to or a participant (as a witness or otherwise) in any Proceeding by or in the right of the Company to procure a judgment in its favor. Pursuant to this Section 4, Indemnitee shall be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by him or on his behalf in connection with such Proceeding or any claim, issue or matter therein, if Indemnitee acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company. No indemnification, hold harmless or exoneration for Expenses shall be made under this Section 4 in respect of any claim, issue or matter as to which Indemnitee shall have been finally adjudged by a court to be liable to the Company, unless and only to the extent that any court in which the Proceeding was brought or the Delaware Court shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnification, to be held harmless or to exoneration.
5. INDEMNIFICATION FOR EXPENSES OF A PARTY WHO IS WHOLLY OR PARTLY SUCCESSFUL.
Notwithstanding any other provisions of this Agreement except for Section 27, to the extent that Indemnitee is a party to (or a participant in) and is successful, on the merits or otherwise, in any Proceeding or in defense of any claim, issue or matter therein, in whole or in part, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnitee against all Expenses actually and reasonably incurred by him in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnitee against all Expenses actually and reasonably incurred by him or on his behalf in connection with each successfully resolved claim, issue or matter. If Indemnitee is not wholly successful in such Proceeding, the Company also shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnitee against all Expenses reasonably incurred in connection with a claim, issue or matter related to any claim, issue, or matter on which Indemnitee was successful. For purposes of this Section 5 and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, shall be deemed to be a successful result as to such claim, issue or matter.

6. INDEMNIFICATION FOR EXPENSES OF A WITNESS.
Notwithstanding any other provision of this Agreement except for Section 27, to the extent that Indemnitee is, by reason of his Corporate Status, a witness in any Proceeding to which Indemnitee is not a party, he shall, to the fullest extent permitted by applicable law, be indemnified, held harmless and exonerated against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith.

7. ADDITIONAL INDEMNIFICATION, HOLD HARMLESS AND EXONERATION RIGHTS.
7.1. Notwithstanding any limitation in Sections 3, 4, or 5, except for Section 27, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnitee if Indemnitee is a party to or threatened to be made a party to any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor) against all Expenses, judgments, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, judgments, fines, penalties and amounts paid in settlement) actually and reasonably incurred by Indemnitee in connection with the Proceeding. No indemnification, hold harmless or exoneration rights shall be available under this Section 7.1 on account of Indemnitee’s conduct which constitutes a breach of Indemnitee’s duty of loyalty to the Company or its stockholders or is an act or omission not in good faith or which involves intentional misconduct or a knowing violation of the law.

7.2. Notwithstanding any limitation in Sections 3, 4, 5 or 7.1, except for Section 27, the Company shall, to the fullest extent permitted by applicable law, indemnify, hold harmless and exonerate Indemnitee if Indemnitee is a party to or threatened to be made a party to any Proceeding (including a Proceeding by or in the right of the Company to procure a judgment in its favor) against all Expenses, judgments, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such Expenses, judgments, fines, penalties and amounts paid in settlement) actually and reasonably incurred by Indemnitee in connection with the Proceeding.

8. CONTRIBUTION IN THE EVENT OF JOINT LIABILITY.
8.1. To the fullest extent permissible under applicable law, if the indemnification, hold harmless and/or exoneration rights provided for in this Agreement are unavailable to Indemnitee in whole or in part for any reason whatsoever, the Company, in lieu of indemnifying, holding harmless or exonerating Indemnitee, shall pay, in the first instance, the entire amount incurred by Indemnitee, whether for judgments, liabilities, fines, penalties, amounts paid or to be paid in settlement and/or for Expenses, in connection with any Proceeding without requiring Indemnitee to contribute to such payment, and the Company hereby waives and relinquishes any right of contribution it may have at any time against Indemnitee.
8.2. The Company shall not enter into any settlement of any Proceeding in which the Company is jointly liable with Indemnitee (or would be if joined in such Proceeding) unless such settlement provides for a full and final release of all claims asserted against Indemnitee.

8.3. The Company hereby agrees to fully indemnify, hold harmless and exonerate Indemnitee from any claims for contribution which may be brought by officers, directors or employees of the Company other than Indemnitee who may be jointly liable with Indemnitee.

9. EXCLUSIONS.

Notwithstanding any provision in this Agreement except for Section 27, the Company shall not be obligated under this Agreement to make any indemnification, hold harmless or exoneration payment in connection with any claim made against Indemnitee:

(a) for which payment has actually been received by or on behalf of Indemnitee under any insurance policy or other indemnity provision, except with respect to any excess beyond the amount actually received under any insurance policy, contract, agreement, other indemnity provision or otherwise;

(b) for an accounting of profits made from the purchase and sale (or sale and purchase) by Indemnitee of securities of the Company within the meaning of Section 16(b) of the Exchange Act or similar provisions of state statutory law or common law; or

(c) except as otherwise provided in Sections 14.5 and 14.6 hereof, prior to a Change in Control, in connection with any Proceeding (or any part of any Proceeding) initiated by Indemnitee, including any Proceeding (or any part of any Proceeding) initiated by Indemnitee against the Company or its directors, officers, employees or other indemnitees, unless (i) the Board authorized the Proceeding (or any part of any Proceeding) prior to its initiation or (ii) the Company provides the indemnification, hold harmless or exoneration payment, in its sole discretion, pursuant to the powers vested in the Company under applicable law.

10. ADVANCES OF EXPENSES; DEFENSE OF CLAIM.

10.1. Notwithstanding any provision of this Agreement to the contrary except for Section 27, and to the fullest extent not prohibited by applicable law, the Company shall pay the Expenses incurred by Indemnitee (or reasonably expected by Indemnitee to be incurred by Indemnitee within three months) in connection with any Proceeding within ten (10) days after the receipt by the Company of a statement or statements requesting such advances from time to time, prior to the final disposition of any Proceeding. Advances shall be unsecured and interest free. Advances shall be made without regard to Indemnitee’s ability to repay the Expenses and without regard to Indemnitee’s ultimate entitlement to be indemnified, held harmless or exonerated under the other provisions of this Agreement. Advances shall include any and all reasonable Expenses incurred preparing and forwarding statements to the Company to support the advances claimed. To the fullest extent required by applicable law, such payments of Expenses in advance of the final disposition of the Proceeding shall be made only upon the Company’s receipt of an undertaking, by or on behalf of Indemnitee, to repay the advance to the extent that it is ultimately determined that Indemnitee is not entitled to be indemnified by the Company under the provisions of this Agreement, the Charter, the Bylaws of the Company, applicable law or otherwise. This Section 10.1 shall not apply to any claim made by Indemnitee for which an indemnification, hold harmless or exoneration payment is excluded pursuant to Section 9.

10.2. The Company will be entitled to participate in the Proceeding at its own expense.

10.3. The Company shall not settle any action, claim or Proceeding (in whole or in part) which would impose any Expense, judgment, fine, penalty or limitation on Indemnitee without Indemnitee’s prior written consent.
11. PROCEDURE FOR NOTIFICATION AND APPLICATION FOR INDEMNIFICATION.

11.1. Indemnitee agrees to notify promptly the Company in writing upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating to any proceeding or matter which may be subject to indemnification, hold harmless or exonerate rights, or advancement of expenses covered hereunder. The failure of Indemnitee to so notify the Company shall not relieve the Company of any obligation which it may have to Indemnitee under this Agreement, or otherwise.

11.2. Indemnitee may deliver to the Company a written application to indemnify, hold harmless or exonerate Indemnitee in accordance with this Agreement. Such application(s) may be delivered from time to time and at such time(s) as Indemnitee deems appropriate in his or her sole discretion. Following such a written application for indemnification by Indemnitee, Indemnitee’s entitlement to indemnification shall be determined according to Section 12.1 of this Agreement.

12. PROCEDURE UPON APPLICATION FOR INDEMNIFICATION.

12.1. A determination, if required by applicable law, with respect to Indemnitee’s entitlement to indemnification shall be made in the specific case by one of the following methods, which shall be at the election of Indemnitee: (i) by a majority vote of the Disinterested Directors, even though less than a quorum of the Board; (ii) by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee; or (iii) by vote of the stockholders. The Company promptly will advise Indemnitee in writing with respect to any determination that Indemnitee is or is not entitled to indemnification, including a description of any reason or basis for which indemnification has been denied. If it is so determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten (10) days after such determination. Indemnitee shall reasonably cooperate with the person, persons or entity making such determination with respect to Indemnitee’s entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. Any costs or Expenses (including attorneys’ fees and disbursements) incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee’s entitlement to indemnification) and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

12.2. In the event the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 12.1 hereof, the Independent Counsel shall be selected as provided in this Section 12.2. The Independent Counsel shall be selected by Indemnitee (unless Indemnitee shall request that such selection be made by the Board), and Indemnitee shall give written notice to the Company advising it of the identity of the Independent Counsel so selected and certifying that the Independent Counsel so selected meets the requirements of “Independent Counsel” as defined in Section 2 hereof. If the Independent Counsel is selected by the Board, the Company shall give written notice to Indemnitee advising him of the identity of the Independent Counsel so selected and certifying that the Independent Counsel so selected meets the requirements of “Independent Counsel” as defined in Section 2 of this Agreement. In either event, Indemnitee or the Company, as the case may be, may, within ten (10) days after such written notice of selection shall have been received, deliver to the Company or to Indemnitee, as the case may be, a written objection to such selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not meet the requirements of “Independent Counsel” as defined in Section 2 of this Agreement, and the objection shall be set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If such written objection is so made and substantiated, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court of competent jurisdiction has determined that such objection is without merit. If, within twenty (20) days after submission by Indemnitee of a written request for indemnification pursuant to Section 11.2 hereof, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may petition the Delaware Court for resolution of any objection which shall have been made by the Company or Indemnitee to the other’s selection of Independent Counsel and/or for appointment as Independent Counsel of a person selected by the Delaware Court, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 12.1 hereof. Upon the due commencement of any judicial proceeding or arbitration pursuant to Section 14.1 of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).
12.3. The Company agrees to pay the reasonable fees and expenses of Independent Counsel and to fully indemnify and hold harmless such Independent Counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

13. PRESUMPTIONS AND EFFECT OF CERTAIN PROCEEDINGS.

13.1. In making a determination with respect to entitlement to indemnification hereunder, the person, persons or entity making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 11.2 of this Agreement, and the Company shall have the burden of proof to overcome that presumption in connection with the making by any person, persons or entity of any determination contrary to that presumption. Neither the failure of the Company (including by its directors or Independent Counsel) to have made a determination prior to the commencement of any action pursuant to this Agreement that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Company (including by its directors or Independent Counsel) that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct.

13.2. If the person, persons or entity empowered or selected under Section 12 of this Agreement to determine whether Indemnitee is entitled to indemnification shall not have made a determination within thirty (30) days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee’s statement not materially misleading, in connection with the request for indemnification, or (ii) a final judicial determination that any or all such indemnification is expressly prohibited under applicable law; provided, however, that such 30-day period may be extended for a reasonable time, not to exceed an additional fifteen (15) days, if the person, persons or entity making the determination with respect to entitlement to indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating thereto.

13.3. The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that his conduct was unlawful.

13.4. For purposes of any determination of good faith, Indemnitee shall be deemed to have acted in good faith if Indemnitee’s action is based on the records or books of account of the Enterprise, including financial statements, or on information supplied to Indemnitee by the directors or officers of the Enterprise in the course of their duties, or on the advice of legal counsel for the Enterprise, its Board, any committee of the Board or any director, or on information or records given or reports made to the Enterprise, its Board, any committee of the Board or any director, by an independent certified public accountant or by an appraiser or other expert selected by the Enterprise, its Board, any committee of the Board or any director. The provisions of this Section 13.4 shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed or found to have met the applicable standard of conduct set forth in this Agreement.

13.5. The knowledge and/or actions, or failure to act, of any other director, officer, trustee, partner, managing member, fiduciary, agent or employee of the Enterprise shall not be imputed to Indemnitee for purposes of determining the right to indemnification under this Agreement.
14. REMEDIES OF INDEMNITEE.

14.1. In the event that (i) a determination is made pursuant to Section 12 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses, to the fullest extent permitted by applicable law, is not timely made pursuant to Section 10 of this Agreement, (iii) no determination of entitlement to indemnification shall have been made pursuant to Section 12.1 of this Agreement within thirty (30) days after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to Sections 5, 6, 7 or the last sentence of Section 12.1 of this Agreement within ten (10) days after receipt by the Company of a written request therefor, (v) a contribution payment is not made in a timely manner pursuant to Section 8 of this Agreement, (vi) payment of indemnification pursuant to Section 3 or 4 of this Agreement is not made within ten (10) days after a determination has been made that Indemnitee is entitled to indemnification, or (vii) payment to Indemnitee pursuant to any hold harmless or exoneration rights under this Agreement or otherwise is not made within ten (10) days after receipt by the Company of a written request therefor, Indemnitee shall be entitled to an adjudication by the Delaware Court to such indemnification, hold harmless, exoneration, contribution or insurance recovery, as the case may be (unless such judicial proceeding or arbitration was not brought by Indemnitee in good faith).

14.2. In the event that a determination shall have been made pursuant to Section 12.1 of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 14 shall be conducted in all respects as a de novo trial, or arbitration, on the merits and Indemnitee shall not be prejudiced by reason of that adverse determination. In any judicial proceeding or arbitration commenced pursuant to this Section 14, Indemnitee shall be presumed to be entitled to be indemnified, held harmless, exonerated, and to receive advances of Expenses under this Agreement and the Company shall have the burden of proving Indemnitee is not entitled to be indemnified, held harmless, exonerated, and to receive advances of Expenses, as the case may be, and the Company may not refer to or introduce into evidence any determination pursuant to Section 12.1 of this Agreement adverse to Indemnitee for any purpose. If Indemnitee commences a judicial proceeding or arbitration pursuant to this Section 14, Indemnitee shall not be required to reimburse the Company for any advances pursuant to Section 10 until a final determination is made with respect to Indemnitee’s entitlement to indemnification (as to which all rights of appeal have been exhausted or lapsed).

14.3. If a determination shall have been made pursuant to Section 12.1 of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 14, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee’s statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law.

14.4. The Company shall be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 14 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Company is bound by all the provisions of this Agreement.

14.5. The Company shall indemnify and hold harmless Indemnitee to the fullest extent permitted by law against all Expenses and, if requested by Indemnitee, shall (within ten (10) days after the Company’s receipt of such written request) pay to Indemnitee, to the fullest extent permitted by applicable law, such Expenses which are incurred by Indemnitee in connection with any judicial proceeding or arbitration brought by Indemnitee (i) to enforce his rights under, or to recover damages for breach of, this Agreement or any other indemnification, hold harmless, exoneration, advancement or contribution agreement or provision of the Charter, or the Company’s Bylaws now or hereafter in effect; or (ii) for recovery or advances under any insurance policy maintained by any person for the benefit of Indemnitee, regardless of the outcome and whether Indemnitee ultimately is determined to be entitled to such indemnification, hold harmless or exonerated right, advancement, contribution or insurance recovery, as the case may be (unless such judicial proceeding or arbitration was not brought by Indemnitee in good faith).
14.6. Interest shall be paid by the Company to Indemnitee at the legal rate under Delaware law for amounts which the Company indemnifies, holds
harmless or exonerates, or is obliged to indemnify, hold harmless or exonerate for the period commencing with the date on which Indemnitee requests
indemnification, to be held harmless, exonerated, contribution, reimbursement or advancement of any Expenses and ending with the date on which such
payment is made to Indemnitee by the Company.

15. SECURITY.
Notwithstanding anything herein to the contrary except for Section 27, to the extent requested by Indemnitee and approved by the Board, the Company may
at any time and from time to time provide security to Indemnitee for the Company’s obligations hereunder through an irrevocable bank line of credit, funded
trust or other collateral. Any such security, once provided to Indemnitee, may not be revoked or released without the prior written consent of Indemnitee.

16. NON-EXCLUSIVITY; SURVIVAL OF RIGHTS; INSURANCE; SUBROGATION.

16.1. The rights of Indemnitee as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time
be entitled under applicable law, the Charter, the Company’s Bylaws, any agreement, a vote of stockholders or a resolution of directors, or otherwise. No
amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect
of any Proceeding (regardless of when such Proceeding is first threatened, commenced or completed) arising out of, or related to, any action taken or
omitted by such Indemnitee in his Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in applicable law, whether by
statute or judicial decision, permits greater indemnification, hold harmless or exoneration rights or advancement of Expenses than would be afforded
currently under the Charter, the Company’s Bylaws or this Agreement, then this Agreement (without any further action by the parties hereto) shall
automatically be deemed to be amended to require that the Company indemnify Indemnitee to the fullest extent permitted by law. No right or remedy herein
conferred is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right
and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or
otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

16.2. The DGCL, the Charter and the Company’s Bylaws permit the Company to purchase and maintain insurance or furnish similar protection or
make other arrangements including, but not limited to, providing a trust fund, letter of credit, or surety bond ("Indemnification Arrangements") on behalf
of Indemnitee against any liability asserted against him or incurred by or on behalf of him or in such capacity as a director, officer, employee or agent of the
Company, or arising out of his status as such, whether or not the Company would have the power to indemnify him against such liability under the
provisions of this Agreement or under the DGCL, as it may then be in effect. The purchase, establishment, and maintenance of any such Indemnification
Arrangement shall not in any way limit or affect the rights and obligations of the Company or of Indemnitee under this Agreement except as expressly
provided herein, and the execution and delivery of this Agreement by the Company and Indemnitee shall not in any way limit or affect the rights and
obligations of the Company or the other party or parties thereto under any such Indemnification Arrangement.

16.3. To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, trustees, partners,
managing members, fiduciaries, employees, or agents of the Company or of any other Enterprise which such person serves at the request of the Company,
Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such
director, officer, trustee, partner, managing member, fiduciary, employee or agent under such policy or policies. If, at the time the Company receives notice
from any source of a Proceeding as to which Indemnitee is a party or a participant (as a witness or otherwise), the Company has director and officer liability
insurance in effect, the Company shall give prompt notice of such Proceeding to the insurers in accordance with the procedures set forth in the respective
policies. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a
result of such Proceeding in accordance with the terms of such policies.
16.4. In the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

16.5. The Company’s obligation to indemnify, hold harmless, exonerate or advance Expenses hereunder to Indemnitee who is or was serving at the request of the Company as a director, officer, trustee, partner, managing member, fiduciary, employee or agent of any other Enterprise shall be reduced by any amount Indemnitee has actually received as indemnification, hold harmless or exonation payments or advancement of expenses from such Enterprise. Notwithstanding any other provision of this Agreement to the contrary except for Section 27, (i) Indemnitee shall have no obligation to reduce, offset, allocate, pursue or apportion any indemnification, hold harmless, exoneration, advancement, contribution or insurance coverage among multiple parties possessing such duties to Indemnitee prior to the Company’s satisfaction and performance of all its obligations under this Agreement, and (ii) the Company shall perform fully its obligations under this Agreement without regard to whether Indemnitee holds, may pursue or has pursued any indemnification, advancement, hold harmless, exoneration, contribution or insurance coverage rights against any person or entity other than the Company.

17. DURATION OF AGREEMENT.

All agreements and obligations of the Company contained herein shall continue during the period Indemnitee serves as a director or officer of the Company or as a director, officer, trustee, partner, managing member, fiduciary, employee or agent of any other corporation, partnership, joint venture, trust, employee benefit plan or other Enterprise which Indemnitee serves at the request of the Company and shall continue thereafter so long as Indemnitee shall be subject to any possible Proceeding (including any rights of appeal thereto and any Proceeding commenced by Indemnitee pursuant to Section 14 of this Agreement) by reason of his Corporate Status, whether or not he is acting in any such capacity at the time any liability or expense is incurred for which indemnification can be provided under this Agreement.

18. SEVERABILITY.

If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including, without limitation, each portion of any Section, paragraph or sentence of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and shall remain enforceable to the fullest extent permitted by law; (b) such provision or provisions shall be deemed reformed to the extent necessary to conform to applicable law and to give the maximum effect to the intent of the parties hereto; and (c) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section, paragraph or sentence of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby.

19. ENFORCEMENT AND BINDING EFFECT.

19.1. The Company expressly confirms and agrees that it has entered into this Agreement and assumed the obligations imposed on it hereby in order to induce Indemnitee to serve as a director, officer or key employee of the Company, and the Company acknowledges that Indemnitee is relying upon this Agreement in serving as a director, officer or key employee of the Company.

19.2. Without limiting any of the rights of Indemnitee under the Charter or Bylaws of the Company as they may be amended from time to time, this Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral, written and implied, between the parties hereto with respect to the subject matter hereof.
19.3. The indemnification, hold harmless, exoneration and advancement of expenses rights provided by or granted pursuant to this Agreement shall be binding upon and be enforceable by the parties hereto and their respective successors and assigns (including any direct or indirect successor by purchase, merger, consolidation or otherwise to all or substantially all of the business or assets of the Company), shall continue as to an Indemnitee who has ceased to be a director, officer, employee or agent of the Company or of any other Enterprise at the Company’s request, and shall inure to the benefit of Indemnitee and his or her spouse, assigns, heirs, devises, executors and administrators and other legal representatives.

19.4. The Company shall require and cause any successor (whether direct or indirect by purchase, merger, consolidation or otherwise) to all, substantially all or a substantial part, of the business and/or assets of the Company, by written agreement in form and substance satisfactory to Indemnitee, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

19.5. The Company and Indemnitee agree herein that a monetary remedy for breach of this Agreement, at some later date, may be inadequate, impracticable and difficult of proof, and further agree that such breach may cause Indemnitee irreparable harm. Accordingly, the parties hereto agree that Indemnitee may enforce this Agreement by seeking, among other things, injunctive relief and/or specific performance hereof, without any necessity of showing actual damage or irreparable harm and that by seeking injunctive relief and/or specific performance, Indemnitee shall not be precluded from seeking or obtaining any other relief to which he may be entitled. The Company and Indemnitee further agree that Indemnitee shall be entitled to such specific performance and injunctive relief, including temporary restraining orders, preliminary injunctions and permanent injunctions, without the necessity of posting bonds or other undertaking in connection therewith. The Company acknowledges that in the absence of a waiver, a bond or undertaking may be required of Indemnitee by a Court of competent jurisdiction and the Company hereby waives any such requirement of such a bond or undertaking.

20. MODIFICATION AND WAIVER.

No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions of this Agreement nor shall any waiver constitute a continuing waiver.

21. NOTICES.

All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given (i) if delivered by hand and receipted for by the party to whom said notice or other communication shall have been directed, or (ii) mailed by certified or registered mail with postage prepaid, on the third (3rd) business day after the date on which it is so mailed:

(a) If to Indemnitee, at the address indicated on the signature page of this Agreement, or such other address as Indemnitee shall provide in writing to the Company.

(b) If to the Company, to:

PAE Incorporated
7799 Leesburg Pike, Ste. 300N
Falls Church, VA 22043 Attn: Whit Cobb, EVP & GC

With a copy, which shall not constitute notice, to:

Latham & Watkins LLP
555 Eleventh Street, NW, Suite 1000
Washington, D.C. 20004
Attn: Patrick Shannon

or to any other address as may have been furnished to Indemnitee in writing by the Company.
22. APPLICABLE LAW AND CONSENT TO JURISDICTION.

This Agreement and the legal relations among the parties shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, without regard to its conflict of laws rules. Except with respect to any arbitration commenced by Indemnitee pursuant to Section 14.1 of this Agreement, the Company and Indemnitee hereby irrevocably and unconditionally: (a) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Delaware Court and not in any other state or federal court in the United States of America or any court in any other country; (b) consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action or proceeding arising out of or in connection with this Agreement; (c) waive any objection to the laying of venue of any such action or proceeding in the Delaware Court; and (d) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court has been brought in an improper or inconvenient forum, or is subject (in whole or in part) to a jury trial.

23. IDENTICAL COUNTERPARTS.

This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement. Only one such counterpart signed by the party against whom enforceability is sought needs to be produced to evidence the existence of this Agreement.

24. MISCELLANEOUS.

Use of the masculine pronoun shall be deemed to include usage of the feminine pronoun where appropriate. The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

25. PERIOD OF LIMITATIONS.

No legal action shall be brought and no cause of action shall be asserted by or in the right of the Company against Indemnitee, Indemnitee’s spouse, heirs, executors or personal or legal representatives after the expiration of two years from the date of accrual of such cause of action, and any claim or cause of action of the Company shall be extinguished and deemed released unless asserted by the timely filing of a legal action within such two-year period; provided, however, that if any shorter period of limitations is otherwise applicable to any such cause of action such shorter period shall govern.

26. ADDITIONAL ACTS.

If for the validation of any of the provisions in this Agreement any act, resolution, approval or other procedure is required, the Company undertakes to cause such act, resolution, approval or other procedure to be affected or adopted in a manner that will enable the Company to fulfill its obligations under this Agreement.

27. WAIVER OF CLAIMS TO TRUST ACCOUNT.

Indemnitee hereby agrees that it does not have any right, title, interest or claim of any kind (each, a “Claim”) in or to any monies in the trust account established in connection with the Company’s initial public offering for the benefit of the Company and holders of shares issued in such offering, and hereby waives any Claim it may have in the future as a result of, or arising out of, any services provided to the Company and will not seek recourse against such trust account for any reason whatsoever.

Pro Forma net income per share basis - basic and diluted

NOTE 1 – DESCRIPTION OF THE BUSINESS COMBINATION

On February 10, 2020 the Company consummated the previously announced business combination pursuant to that certain Agreement and Plan of Merger dated November 1, 2019 by and among Gores Holdings III, Inc. (“Gores Holdings III”), EAP Merger Sub, Inc. (“First Merger Sub”), EAP Merger Sub II, LLC (“Second Merger Sub”), Shay Holding Corporation (“Shay”) and Platinum Equity Advisors, LLC (in its capacity as the Stockholder Representative, the “Stockholder Representative”) (as amended, the “Merger Agreement”), which provided for: (i) the merger of First Merger Sub with and into Shay, with Shay continuing as the surviving corporation (the “First Merger”) and (ii) immediately following the First Merger and as part of the same overall transaction as the First Merger, the merger of Shay with and into Second Merger Sub, with Second Merger Sub continuing as the surviving entity (the “Second Merger” and, together with the First Merger, the “Merger” and, together with the other transactions contemplated by the Merger Agreement, the “Business Combination”). As a result of the First Merger, the registrant owns 100% of the outstanding common stock of Shay and each share of common stock of Shay has been cancelled and converted into the right to receive a portion of the consideration payable in connection with the Merger. As a result of the Second Merger, the registrant owns 100% of the outstanding interests in the Second Merger Sub. In connection with the closing of the Business Combination (the “Closing”), the registrant owns, directly or indirectly, 100% of the stock of Shay and its subsidiaries and the stockholders of Shay as of immediately prior to the effective time of the First Merger (the “Shay Stockholders”) hold a portion of the Class A Common Stock, par value $0.0001 per share, of the registrant (the “Class A Stock”).

Under the Merger Agreement, PAE was required to (i) sell, transfer or otherwise dispose of the business of ISR (through a sale of equity, assets or otherwise), and/or (ii) terminate the operations of ISR effective prior to the closing in order to effect an orderly liquidation of the assets of ISR. On December 13, 2019, the sale of substantially all of the assets of ISR was completed.

At Closing, the Shay Stockholders received consideration of $416.5 million (“Cash Consideration”), ownership interests in the Combined Company of approximately 21.1 million shares valued at $235.6 million based on a stock price of $11.15 per share (as of February 10, 2020) and a cash contribution to Shay to pay down existing debt by $138.3 million. In addition, the Company assumed $779.8 million of debt.

The foregoing consideration paid to the Shay Stockholders may be further increased by amounts payable as earn-out shares of Class A Stock pursuant to the terms of the Merger Agreement. The earn-out shares are not reflected in the accompanying unaudited pro forma combined financial statements as the triggering event for the issuance of these shares has not occurred.

In order to facilitate the Business Combination, the Sponsor agreed to the cancellation of approximately 3,000,000 shares of the Company’s Class F common stock, par value $0.0001 per share (the “Class F Stock”), held by it, 1,086,956 shares of which were cancelled and automatically converted into Class A Stock on a one-for-one basis and issued to the Shay Stockholders as additional Stock Consideration and 1,913,044 shares of which were cancelled in respect of the Private Placement representing a portion of the total number of shares of Class A Stock that the Company sold to the participants in the Private Placement (pursuant to subscription agreements entered into in connection therewith) at a discounted price of $9.20 per share. The remaining shares of Class F Stock were automatically converted into shares of Class A Stock on a one-for-one basis at the Closing and will continue to be subject to the transfer restrictions applicable to such shares of Class F Stock.
NOTE 2 – BASIS OF PRO FORMA PRESENTATION

The unaudited pro forma condensed combined statements of operations for the year ended December 31, 2018 and for the nine months ended September 30, 2019 give pro forma effect to the Business Combination as if it had occurred on January 1, 2018. The unaudited pro forma condensed combined balance sheet as of September 30, 2019 assumes that the Business Combination was completed on September 30, 2019.

The unaudited pro forma condensed combined financial statements do not give effect to any anticipated synergies, operating efficiencies or cost savings that may be associated with the Business Combination.

The pro forma adjustments are based on the information currently available. The assumptions and estimates underlying the pro forma adjustments are described in the accompanying notes.

Under the terms of the Merger Agreement, the Company has agreed to issue restricted stock units representing the right to receive up to an aggregate of 3,200,000 shares of its Class A Stock (which number will be subject to equitable adjustment in the event of any stock split, reverse stock split, stock dividend or other similar event after the date hereof and prior to the date such restricted stock units are issued) out of which 1,581,960 will be issued (subject to S-8 effectiveness) to PAE employees, as designated by Platinum Equity and provided that the Company’s stockholders have approved an equity incentive plan permitting the issuance of the restricted stock units. Because the terms of any such issuance have not been finalized as of the date of the unaudited pro forma condensed combined financial statements and the amounts are not known and not deemed factually supportable, management has not included a pro forma adjustment to reflect this issuance. For more information, see the section of the Proxy Statement entitled “Executive Compensation—Awards of Company Restricted Stock Units.”

The unaudited pro forma condensed combined statements of operations are not necessarily indicative of what the actual results of operations would have been had the Business Combination taken place on the date indicated, nor are they indicative of the future consolidated results of operations of the Combined Company. They should be read in conjunction with the historical financial statements and the related notes of the Company and PAE, respectively.

The Business Combination is accounted for as a reverse merger under the scope of the Financial Accounting Standards Board’s Accounting Standards Codification 805, Business Combinations (“ASC 805”), in accordance with U.S. GAAP. Under this method of accounting, the Company is treated as the “acquired” company for financial reporting purposes and PAE is treated as the accounting acquiror. The Business Combination is treated as the equivalent of PAE issuing stock for the net assets of the Company, accompanied by a recapitalization. The net assets of the Company are stated at historical cost, with no goodwill or intangible assets recorded. Operations prior to the Business Combination are those of PAE. PAE has been determined to be the accounting acquirer based on the evaluation of the following facts and circumstances:

- PAE’s existing management comprises all key management positions of the Combined Company, including the CEO and the CFO;
- Initially PE Shay Holdings, LLC (the “Platinum Stockholder”) has the right to nominate up to two directors to the Company’s board of directors, initially one of whom will be the PAE CEO and the other a representative of the Platinum Stockholder, and the remaining three directors will be independent directors whose nomination must be reasonably acceptable to the Company. Going forward, the Platinum Stockholder will have the right to designate directors to the board based on its ownership percentage of the total outstanding shares of Class A Stock. If the Platinum Stockholder holds: (i) 10% or greater of the outstanding Class A Stock, it will have the right to appoint two directors; (ii) less than 10% but greater than or equal to 5% of the outstanding Class A Stock, it will have the right to appoint one director; and (iii) less than 5% of the outstanding Class A Stock, it will not have the right to appoint any directors.
The Platinum Stockholder is the individual investor with the largest voting interest, with beneficial ownership of 25.2% after taking into account shares of our Class A Stock underlying warrants held by the Platinum Stockholder; and

PAE comprises all the ongoing operations of the Combined Company.

The preponderance of the evidence discussed above supports the conclusion that PAE is the accounting acquirer in the Business Combination.

Assuming the pro forma date of September 30, 2019, the estimated Cash Consideration of $407.5 million reflects the following adjustments to the Base Value of $1.4 billion:

- Reduction for Estimated Closing Working Capital Adjustment Amount of $53.3 million,
- Increase for Estimated Company Cash of $88.5 million,
- Increase for Estimated Tax Overpayment/Underpayment Amount of $4.7 million,
- Reduction for Estimated Rollover Indebtedness Amount of $806.5 million,
- Reduction for Estimated Company Transaction Costs Adjustment Amount of $28.0 million (net of $5 million allowance),
- Reduction for Participation Plan Costs of $17.4 million, and
- Reduction of $207.1 million for consideration paid in shares based on the terms of the Merger Agreement.

In addition to the consideration transferred as discussed above, the Company assumed PAE existing debt as of the Business Combination date less $145.9 million paydown which would have been made if the Business Combination had closed on September 30, 2019. For the calculation of the adjustment to Long Term Debt as of September 30, 2019, please refer to Note 3, Adjustment H below.

NOTE 3 – PRO FORMA ADJUSTMENTS

The unaudited pro forma condensed combined financial information has been prepared to illustrate the effect of the Business Combination and has been prepared for informational purposes only. The unaudited pro forma condensed combined statements of operations are not necessarily indicative of what the actual results of operations would have been had the Business Combination taken place on the date indicated, nor is it indicative of the future consolidated results of operations of the Combined Company. The unaudited pro forma condensed combined financial statements should be read in conjunction with the historical financial statements, and the related notes of the Companies.

The historical financial statements have been adjusted in the unaudited pro forma condensed combined financial statements to give effect to pro forma events that are (1) directly attributable to the Business Combination, (2) factually supportable, and (3) with respect to the statements of operations, expected to have a continuing impact on the results of the Combined Company.

There were no significant intercompany balances or transactions between the Companies as of the date and for the periods of these unaudited pro forma condensed combined financial statements.

The pro forma condensed combined provision for income taxes does not necessarily reflect the amounts that would have resulted had the Companies filed consolidated income tax returns during the periods presented.

The pro forma basic and diluted earnings per share amounts presented in the unaudited pro forma condensed combined statements of operations are based upon the number of the Company’s shares outstanding, assuming the Business Combination occurred on January 1, 2018.
Adjustments to Unaudited Pro Forma Condensed Combined Balance Sheet

A – Adjustments to Eliminate ISR

These adjustments are to eliminate the amounts of assets and liabilities of ISR because under the terms of the Merger Agreement, ISR was required to either be sold, transferred or shutdown prior to or shortly after the Closing Date. On December 13, 2019, the sale of substantially all of the assets of ISR was completed. Only the items that are no longer a part of the Combined Company have been eliminated.
