If the Lead Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Lead Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a “Subsequent Transaction”) following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Lead Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by such Lenders. Each such notice (each, a “Notice of Borrowing”), except as otherwise expressly provided in Section 2.11, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing by or on behalf of the Borrowers, in the form of Exhibit A-1 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of the relevant Borrower, appropriately completed to specify: (i) the aggregate principal amount of the Term Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Initial Term Loans, Incremental Term Loans or Refinancing Term Loans, (iv) whether the Term Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Term Loans or LIBO Rate Term Loans and (v) in the case of LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender of the Tranche specified in the respective Notice of Borrowing, notice of such proposed Borrowing, of such Lender’s proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its pro rata portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in U.S. Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrowers at the Payment Office the aggregate of the
amounts so made available by the Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender’s portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrowers a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent shall promptly notify the Lead Lender and the Borrowers shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrowers interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrowers until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from the Borrowers, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Borrowers may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05 Notes.

(a) Each Borrower’s obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.15 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrowers substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a “Term Note”).

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrowers’ obligations in respect of such Term Loans.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to the Borrowers shall affect or in any manner impair the joint and several obligations of the Borrowers to pay the Term Loans (and all related Obligations) incurred by the Borrowers which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guarantees therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (d). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, the Borrowers shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions. The Borrowers shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan, provided that (i) except as otherwise provided in Section 2.11, (x) LIBO Rate Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of LIBO Rate Term Loans, as the case may be, shall reduce the outstanding principal amount of such LIBO Rate Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) unless the Required Lenders otherwise agree, Base Rate Term Loans may only be converted into LIBO Rate Term Loans if no Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a
greater number of Borrowings of LIBO Rate Term Loans than is permitted under Section 2.02. Such conversion shall be effected by the Lead Borrower by
giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three Business Days’ prior notice (in the case of any
conversion to or continuation of LIBO Rate Term Loans) or one Business Day’s notice (in the case of any conversion to Base Rate Term Loans) (each, a
“Notice of Conversion/Continuation”) in the form of Exhibit A-2, appropriately completed to specify the Term Loans of a given Tranche to be so converted,
the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into LIBO Rate Term Loans, the Interest Period to
be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term
Loans.

2.07 Pro Rata Borrowings. All Borrowings of Term Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of such
Lenders’ Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans
hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to
make its Term Loans hereunder.

2.08 Interest.

(a) Each Borrower agrees, jointly and severally, to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with
respect to any LIBO Rate Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06 or 2.09) made to the Borrowers hereunder from the
date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective
LIBO Rate Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion
of such Base Rate Term Loan to a LIBO Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate per annum which shall be equal to the sum
of the Applicable Margin plus the Base Rate, as in effect from time to time.

(b) Each Borrower agrees, jointly and severally, to pay interest in respect of the unpaid principal amount of each LIBO Rate Term Loan made to the
Borrowers from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of
such LIBO Rate Term Loan to a Base Rate Term Loan pursuant to Section 2.06 or 2.09, 2.09 or 2.10, as applicable, at a rate per annum which shall, during each
Interest Period applicable thereto, be equal to the sum of the Applicable Margin plus the applicable LIBO Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01 (x) overdue principal and, to the extent permitted by
law, overdue interest in respect of each Term Loan shall bear interest at a rate per annum equal to (i) for Base Rate Term Loans and associated interest,
2.00% per annum in excess of the Applicable Margin for Base Rate Term Loansplus the Base Rate, (ii) for LIBO Rate Term Loans and associated interest,
2.00% per annum in excess of the Applicable Margin for LIBO Rate Term Loansplus the LIBO Rate and (y) overdue amounts with respect to fees shall
bear interest at a rate per annum equal to 2.00% per annum in excess of the Applicable Margin for Base Rate Term Loansplus the Base Rate, each as in
effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any
conversion of a LIBO Rate Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto,
(x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after
such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the LIBO Rate for each Interest Period applicable to the
respective LIBO Rate Term Loans and shall promptly notify the Lead Borrower and the Lenders thereof. Each such determination shall, absent manifest
error, be final and conclusive and binding on all parties hereto.
(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

2.09 Interest Periods. At the time the Lead Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBO Rate Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBO Rate Term Loan (in the case of any subsequent Interest Period), the Lead Borrower shall have the right to elect the interest period (each, an “Interest Period”) applicable to such LIBO Rate Term Loan, which Interest Period shall, at the option of the Lead Borrower be a one, two, three or six month period, or, if agreed to by all Lenders, a twelve month period, or, if agreed to by the Administrative Agent a period less than one month; provided that (in each case):

(i) all LIBO Rate Term Loans comprising a Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any LIBO Rate Term Loan shall commence on the date of Borrowing of such LIBO Rate Term Loan (including, in the case of LIBO Rate Term Loans, the date of any conversion thereto from a Borrowing of Base Rate Term Loans and each Interest Period occurring thereafter in respect of such LIBO Rate Term Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a LIBO Rate Term Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided however, that if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a LIBO Rate Term Loan may be selected at any time when a Default or an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date therefor.

Notwithstanding the foregoing or anything to the contrary contained in this Agreement, (a) the initial Borrowing of the 2017 Additional Term Loans on the Amendment No. 1 Effective Date shall be a LIBO Rate Term Loan and (b) the Interest Period with respect to such 2017 Additional Term Loans shall commence on the Amendment No. 1 Effective Date and shall end on June 30, 2017 with the “LIBO Rate” equal to 1.044670% for such Interest Period.

With respect to any LIBO Rate Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, the Lead Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into a single Borrowing of the same Type under such Tranche, in each case, by having the Lead Borrower give notice thereof together with its election of one or more Interest Periods, in each case so long as each resulting Borrowing (x) has an Interest Period which complies with the foregoing requirements of this Section 2.09, (y) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (z) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBO Rate Term Loans, the Lead Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBO Rate, the Lead Borrower shall be deemed to have elected in the case of LIBO Rate Term Loans, to convert such LIBO Rate Term Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.
2.10 Increased Costs, Illegality, etc.

(a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank Eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBO Rate;

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBO Rate Term Loan because of any change since the Closing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the official interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, official guideline or request, such as, but not limited to: (A) any additional Tax imposed on any Lender (except Indemnified Taxes or Other Taxes indemnified under Section 5.04 or any Excluded Taxes) or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the LIBO Rate; or

(iii) at any time, that the making or continuance of any LIBO Rate Term Loan has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law) or (z) impracticable as a result of a contingency occurring after the Closing Date which materially and adversely affects the interbank Eurodollar market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Lead Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBO Rate Term Loans shall no longer be available until such time as the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by the Lead Borrower with respect to LIBO Rate Term Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrowers, (y) in the case of clause (ii) above, the Borrowers agree, jointly and severally, to pay to such Lender, upon such Lender’s written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice setting forth the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, shall be submitted to the Borrowers by such Lender and shall, absent manifest error, be final and conclusive and binding on all the parties hereto), (z) in the case of clause (iii) above, the Borrowers shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBO Rate Term Loan is affected by the circumstances described in Section 2.10(a)(ii), the Lead Borrower may, and in the case of a LIBO Rate Term Loan affected by the circumstances described in Section 2.10(a)(iii), the Lead Borrower shall, either (x) if the affected LIBO Rate Term Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the same date that the Lead Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected LIBO Rate Term Loan is then outstanding, upon at least three Business Days’ written notice to the Administrative Agent, require the affected Lender to convert such LIBO Rate Term Loan into a Base Rate Term Loan, provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.10(b).

52
(c) If any Lender determines that after the Closing Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital or liquidity requirements, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital or liquidity required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender’s Commitments hereunder or its obligations hereunder, then the Borrowers, jointly and severally, agree to pay to such Lender, upon its written demand therefor, such additional documented amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender’s determination of compensation owing under this Section 2.10(c) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Lead Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

(d) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III (xs) and (ys) collectively referred to as “Dodd-Frank and Basel III”, shall be deemed to be a change after the Closing Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented (including for purposes of this Section 2.10).

Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 2.10 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time.

2.11 Compensation. The Borrowers, jointly and severally, agree to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum “LIBO Rate”) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Term Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its LIBO Rate Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Term Loans is not made on any date specified in a notice of prepayment given by the Lead Borrower; or (iv) as a consequence of any other default by the Borrowers to repay LIBO Rate Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender, it will, if requested by the Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in Sections 2.10, 5.04 and 13.01(a)(ii).
2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender or (z) in the case of a refusal by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Lead Borrower shall have the right, if no Event of Default then exists (or, in the case of preceding clause (z), will exist immediately after giving effect to such replacement), to replace such Lender (the “Replacement Lender”) with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the “Replacement Lender”) and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent’s consent would be required for an assignment to such Replacement Lender pursuant to Section 13.04); provided that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among the Lead Borrower, the Replacement Lender and the Replaced Lender) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Term Loans of, the Replaced Lender and, in connection therewith, shall pay to (x) the Replacement Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replacement Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01 and (ii) all obligations of the Borrowers due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.15 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the Borrowers, (x) the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to facts and circumstances occurring prior to the effective date of such replacement. In connection with any replacement of Lenders pursuant to, and as contemplated by, this Section 2.13, each Borrower hereby irrevocably authorizes Holdings to take all necessary action, in the name of such Borrower, as described above in this Section 2.13 in order to effect the replacement of the respective Lender or Lenders in accordance with the preceding provisions of this Section 2.13.

2.14 Extended Term Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.14, the Lead Borrower may at any time and from time to time when no Event of Default then exists request that all or a portion of the Initial Term Loans, the Extended Term Loans or any Tranche of Incremental Term Loans (each, an “Existing Initial Term Loan Tranche,” “Existing Extended Term Loan Tranche” and “Existing Incremental Term Loan Tranche,” respectively), together with any related outstanding, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of the principal amount (and related outstandings) of such Initial Term Loans, Extended Term Loans or Incremental Term Loans (any such Term Loans which have been so converted, “Extended Initial Term Loans,” “Extended Existing Term Loans” and “Extended Incremental Term Loans,” respectively) and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, the Lead Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, an “Extension Request”) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) be identical to the Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the
scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; and (v) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by the Lead Borrower and the Lenders thereof; provided that no Extended Term Loans may be optionally prepaid prior to the date on which all Term Loans with an earlier final stated maturity (including Term Loans under the Existing Term Loan Tranche from which such Term Loans were converted) are repaid in full, unless such optional prepayment is accompanied by a pro rata optional prepayment of such other Term Loans; provided, however, that (A) in no event shall the final maturity date of any Extended Term Loans of a given Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Term Loans hereunder and (B) the Weighted Average Life to Maturity of any Extended Term Loans of a given Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of any other Tranche of Term Loans then outstanding. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an “Extension Series”) of Extended Term Loans, as applicable, for all purposes of this Agreement; provided that any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Term Loan Tranche.

(b) [Reserved]

(c) The Lead Borrower shall provide the applicable Extension Request at least ten (10) Business Days prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an “Extending Term Loan Lender”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a pro rata basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

(d) Extended Term Loans shall be established pursuant to an amendment (each, an “Extension Amendment”) to this Agreement among the Borrowers, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Initial Term Loan Commitments so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.
(e) Extensions consummated by the Borrowers pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14, provided that such consent shall not be deemed to be an acceptance of any Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) [reserved], (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d)(ii), (iv) establish new Tranches or sub-Tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches or sub-Tranches, in each case on terms consistent with this Section 2.14, and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.

2.15 Incremental Term Loan Commitments

(a) The Lead Borrower shall have the right, in consultation and coordination with the Administrative Agent as to all of the matters set forth below in this Section 2.15, but without requiring the consent of any of the Lenders, to request at any time and from time to time that one or more Lenders (and/or one or more other Persons which are Eligible Transferees and which will become Lenders) provide Incremental Term Loan Commitments to the Borrowers and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Commitment Agreement, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by the Lead Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in U.S. Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Commitment Agreement shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $25,000,000, (v) the aggregate amount of all Incremental Term Loan Commitments provided pursuant to this Section 2.15 after the Closing Date and all Indebtedness incurred pursuant to Section 10.04(xxviii)(A) shall not exceed the sum of (x) $100,000,000 (the “Second Lien Fixed Dollar Incremental Amount”) less the aggregate amount of Indebtedness and commitments incurred under the First Lien Fixed Dollar Incremental Amount, plus (y) the sum of all voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxvii) that ranks pari passu with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.19 or Section 2.20 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary therefor) (in each case other than with the proceeds of long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement)) in each case prior to the date of incurrence of any such Incremental Term Loan Commitments plus (z) an unlimited amount so long as the Consolidated Senior Secured Net Leverage Ratio, determined on a Pro Forma Basis as of such date would not exceed 5.25 to 1.00; (vi) the proceeds of all Incremental Term Loans incurred by the Borrowers may be used for any purpose not prohibited under this Agreement, (vii) each Incremental Term Loan Commitment Agreement shall specifically designate, with the approval of the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied), (viii) if to be incurred as a new Tranche of
Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of preceding clause (vi)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02; provided that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments)); provided, however, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Commitment Agreement; provided, however, that if the Effective Yield for any such Incremental Term Loans exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.50% per annum, the Applicable Margins for all then outstanding Initial Term Loans shall be increased as of such date in accordance with the requirements of the definition of “Applicable Margin” and (II) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans and such other differences as may be reasonably satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by the Borrowers shall be Obligations of the Borrowers under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under each relevant Guaranty, on a pari passu basis with all other Term Loans secured by the Security Agreement and guaranteed under each such Guaranty, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Commitment Agreement shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Commitment Agreement as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, the Borrowers, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an “Incremental Term Loan Lender”) shall execute and deliver to the Administrative Agent an Incremental Term Loan Commitment Agreement substantially in the form of Exhibit L (appropriately completed), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Commitment Agreement shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Commitment Agreement, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Term Notes will be issued at the Borrowers’ expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Commitment Agreement shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; provided that, with the consent of the Administrative Agent, the parties to a given Incremental Term Loan Commitment Agreement may
specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Commitment Agreement shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) [reserved]; and

on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a pro rata basis. To the extent the provisions of preceding clause (iii) require that Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of LIBO Rate Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having short Interest Periods i.e., an Interest Period that began during an Interest Period then applicable to outstanding LIBO Rate Term Loans of such Tranche and which will end on the last day of such Interest Period). All determinations by any Lender pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than Holdings, the Borrowers or a Subsidiary Guarantor;

(b) The Lead Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a "Refinancing Term Loan Lender"; provided that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans for all purposes of this Agreement; provided that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(a) [reserved].

(b) In addition to any other mandatory repayments pursuant to this Section 5.02, the Borrowers shall be required to make, with respect to each new Tranche (i.e., other than Initial Term Loans, which are addressed in the preceding clause (a)) of Term Loans to the extent then outstanding, scheduled amortization payments of such Tranche of Term Loans to the extent, and on the dates and in the principal amounts, set forth in the Incremental Term Loan Commitment Agreement, Refinancing Term Loan Amendment or Extension Amendment applicable thereto.

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale, an amount equal to 100% of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(e) and the provided, however, with respect to no more than $10,000,000 in the aggregate of such Net Sale Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Sale Proceeds shall not be required to be so applied or used to make mandatory repayments of Term Loans if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply all or a portion of such Net Sale Proceeds (i) in the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Sale Proceeds, within 180 days following such 12-month period during which the Lead Borrower so committed to such plan of reinvestment); provided, further, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or its Restricted Subsidiaries of such Net Sale Proceeds, the Lead Borrower or
its Restricted Subsidiaries have not so used all or a portion of such Net Sale Proceeds otherwise required to be applied as a mandatory repayment pursuant to this sentence, the remaining portion of such Net Sale Proceeds shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, on each Excess Cash Flow Payment Date, an amount equal to the remainder of (i) the Applicable Prepayment Percentage of the Excess Cash Flow for the related Excess Cash Flow Payment Period less (ii) the aggregate amount of all (x) voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxvii) that rank pari passu with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.20 or Section 2.21 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary therefor) and (y) prepayments of revolving loans under the ABL Credit Agreement or any other Indebtedness secured by a Lien on the Collateral ranking pari passu with the Lien on the Collateral securing the ABL Credit Agreement or senior or pari passu with the Lien on the Collateral securing the Indebtedness hereunder, in each case, to the extent accompanied by a permanent reduction in commitments therefor and not financed with the incurrence of other long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement), during such Excess Cash Flow Payment Period shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Recovery Event, an amount equal to 100% of the Net Insurance Proceeds from such Recovery Event shall be applied as a mandatory repayment in accordance with the requirements of Section 5.02(e) and (h); provided, however, with respect to no more than $10,000,000 in the aggregate of such Net Insurance Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply such Net Insurance Proceeds (i) in the case of ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness secured by Lien on the Collateral ranking pari passu with the Lien on the Collateral securing the ABL Credit Agreement or senior or pari passu with the Lien on the Collateral securing the Indebtedness hereunder, in each case, to the extent accompanied by a permanent reduction in commitments therefor and not financed with the incurrence of other long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement), during such Excess Cash Flow Payment Period shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(g) Each amount required to be applied pursuant to Sections 5.02(e), (f), (g) and (h) in accordance with this Section 5.02 shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied; provided that to the extent any Permitted Junior Notes or Permitted Junior Loans that are secured on pari passu basis with the Obligations (or any Permitted Refinancing Indebtedness in respect thereof that is secured on a pari passu basis with the Obligations) requires any mandatory prepayment or repurchase from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay Term Loans in accordance with clause (d) or (f) above, up to a pro rata portion (based on the aggregate principal amount of Term Loans and such pari passu secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds may be applied to prepay or repurchase such pari passu secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant to Section 5.02(e) shall be applied to the Tranche or Tranches of Term Loans selected by the Lead Borrower.
With respect to each repayment of Term Loans required by this Section 5.02, the Lead Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such LIBO Rate Term Loans were made, provided that: (i) repayments of LIBO Rate Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such LIBO Rate Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans. In the absence of a designation by the Lead Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion.

In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Asset Sale"), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a "Foreign Recovery Event") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Initial Term Loans at the times provided in this Section 5.02 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (the relevant Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of such Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law or applicable organizational documents of such Foreign Subsidiary, such repatriation will be immediately effected and such repatriated Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof and additional costs relating to such repatriation) to the repayment of the Initial Term Loans pursuant to this Section 5.02 or (ii) to the extent that such Borrower has reasonably determined in good faith that repatriation of any of or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Asset Sale or Foreign Recovery Event or Foreign Subsidiary Excess Cash Flow would have material adverse tax cost consequences with respect to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow, such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.

Notwithstanding anything to the contrary herein, so long as the First Lien Credit Agreement remains outstanding, in no event shall the Credit Parties be required to make any mandatory prepayment pursuant to Sections 5.02(d), (e) or (f) provided that during such time as the First Lien Credit Agreement remains outstanding, the Lead Borrower shall be required to apply any First Lien Declined Proceeds as a mandatory repayment of Term Loans in accordance with the requirements of Sections 5.02(g) and (h) no later than three Business Days after the deadline for First Lien Rejection Notices.

The Lead Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d) or (f) at least three Business Days (or, in the case of any such repayment in connection with the Pinnacle Transactions on or around the Pinnacle Transaction Closing Date, one Business Day) prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of the Lead Borrower’s repayment notice and of such Lender’s pro rata share of any repayment. Each Lender may reject all or a portion of its pro rata share of any mandatory repayment (such declined amounts, the “Declined Proceeds”) of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) by providing written notice (each, a “Rejection Notice”) to the Administrative Agent and the Lead Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender’s receipt of notice from the
Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled.

5.03 Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement and under any Note shall be made to the Administrative Agent or the account of the Lender or Lenders entitled thereto not later than 2:00 pm (New York City time) on the date when due and shall be made in U.S. Dollars in immediately available funds at the Payment Office of the Administrative Agent shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date shall, at the option of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension.

5.04 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable law. If any Taxes are required to be withheld or deducted from such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable shall be increased as necessary so that after making all required deductions or withholdings (including deduction or withholdings applicable to additional sums payable under this Section 5.04), the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Indemnified Taxes or Other Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by the applicable Credit Party. The Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 days of written request therefor, for the amount of any Indemnified Taxes (including any Indemnified Taxes imposed on amounts payable under this Section 5.04) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any Other Taxes, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documents required below in Section 5.04(c)) expired, obsolete or inaccurate in any respect, deliver promptly to the Lead Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Lead Borrower or the Administrative Agent) or promptly notify the Lead Borrower and the Administrative Agent in writing of its inability to do so.

67
(c) Without limiting the generality of the foregoing: (x) each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to the Lead Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 2.13 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, (i) two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or Form W-8BEN-E (or successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party or Form W-8ECI (or successor form), or (ii) in the case of a Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," "a certificate substantially in the form of Exhibit C (any such certificate, a "U.S. Tax Compliance Certificate") and two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or W-8BEN-E (or successor form) certifying to such Lender's entitlement as of such date to a complete exemption from U.S. withholding tax with respect to payments of interest to be made under this Agreement and under any Note; or (iii) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two accurate and complete signed copies of Internal Revenue Service Form W-8IMY (or successor form) of the Lender, accompanied by Form W-8ECI, Form W-8BEN, Form W-8BEN-E, U.S. Tax Compliance Certificate, Form W-8IMY, and/or any other required information (or successor or other applicable form) from each beneficial owner that would be required under this Section 5.04(c) if such beneficial owner were a Lender (provided that, if the Lender is a partnership for U.S. federal income Tax purposes (and not a participating Lender), and one or more beneficial owners are claiming the portfolio interest exemption), the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owners; (y) Each Lender that is a United States person, as defined in Section 7701(a)(30) of the Code, shall deliver to the Lead Borrower and the Administrative Agent, at the times specified in Section 5.04(b), two accurate and complete signed copies of Internal Revenue Service Form W-9, or any successor form that such Person is entitled to provide at such time, in order to qualify for an exemption from United States back-up withholding requirements; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times prescribed by applicable law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Lead Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.04(c)(z), “FATCA” shall include any amendment made to FATCA after the Closing Date.

Notwithstanding any other provision of this Section 5.04, a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.04(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.04(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses, including any Taxes, of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.04(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.04(d) to the extent that such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing in this Section 5.04(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

(a) Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Sections 12.08, 12.10 and 12.11) are solely for the benefit of the Administrative Agent and the Lenders, and neither any Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.
(b) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” or “security trustee” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” or “security trustee” under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement) hereby authorizes the Administrative Agent to enter into the ABL Intercreditor Agreements, the First Lien/Second Lien Intercreditor Agreement, any Additional Intercreditor Agreement and any other intercreditor agreement or arrangement permitted under this Agreement and any such intercreditor agreement shall be binding upon the Lenders.

12.02 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

12.03 Exculpatory Provisions. The Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger, as applicable, shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger, as applicable:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty or responsibility to disclose, and shall not be liable for the failure to disclose to any Lender, any information relating to the Lead Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as credit or other information concerning the business, prospects, operations, property, financial and other condition or
creditworthiness of any of the Credit Parties or any of their Affiliates, that is communicated to, obtained or in the possession of, the Administrative Agent or any of its Affiliates in any capacity, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger or any of their respective Related Parties in any capacity, except for notices, reports and other documents expressly required herein to be furnished to the Lenders by the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger, as applicable.

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Lead Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

12.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Term Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Term Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Lead Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender hereunder.

12.06 Non-reliance on Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers, the Amendment No. 2 Lead Arranger and Other Lenders. Each Lender acknowledges expressly acknowledges that none of the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger has made any representation or warranty to it, and that no act by the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Credit Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger to any Lender as to any matter, including whether the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger have disclosed material information in their (or their Related Parties”) possession. Each Lender represents to the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers and the Amendment No. 2 Lead Arranger that it has, independently and without reliance upon the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the
12.07 Indemnification by the Lenders. To the extent that the Lead Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by it to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender’s pro rata share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with the Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Lead Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and
(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Credit Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.04 of this Agreement, and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents. The Administrative Agent may at any time give notice of its resignation (including as Collateral Agent) to the Lenders and the Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by the Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, with the Lead Borrower’s consent (other than
during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Credit Documents, the retiring Administrative Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors’ security interest thereon until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of the Lead Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent’s resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

12.11 Collateral Matters and Guaranty Matters.

Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Credit Document (i) upon termination of the Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (iii) that constitutes Excluded Collateral, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty pursuant to clause (b) below or (v) if approved, authorized or ratified in writing in accordance with Section 13.12;

(b) to release any Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Credit Document to the holder of any Lien on such property that is permitted by Section 10.01(iv), 10.01(vi), 10.01(vii), 10.01(xiv), and 10.01(xxx) (in the case of clause (ii)) or any other Lien that is permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release any Lien securing the Obligations upon the incurrence of any Lien permitted by Section 10.01 with respect to specified assets if the Lien securing the Obligations is not allowed by the documentation creating such Lien or related documentation.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrowers’ expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.
The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements. No Guaranteed Creditor that obtains the benefits of Section 11, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor.

12.13 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrowers pursuant to Section 5.04 and without limiting or expanding the obligation of the Borrowers to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class
exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement.

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

Section 13. Miscellaneous

(a) The Credit Parties hereby jointly and severally agree to: (i) if the Closing Date occurs, pay all reasonable invoiced out-of-pocket costs and expenses of the Agents (including, without limitation, the reasonable fees and disbursements of one primary counsel to all Agents and Lenders and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person (as defined below) affected by such conflict informs the Lead Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnified Person but excluding, other than as indicated under Section 13.01(a)(ii), Taxes other than Taxes that represent liabilities, obligations, losses, damages, penalties, actions, costs, expenses and disbursements arising from a non-Tax claim) in connection with the preparation, execution and delivery of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein, the administration hereof and thereof and any amendment, waiver or consent relating hereto or thereto, of the Agents in connection with their syndication efforts with respect to this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein, and of the Agents and each Lender in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a “work-out” or pursuant to any insolvency or bankruptcy proceedings (which shall be limited to one primary counsel to all Agents and Lenders to be retained by the Agent and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict informs the Lead Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnified Person); (ii) pay and hold each Agent and
each Lender harmless from and against any and all Other Taxes with respect to the foregoing matters and save each Agent and each Lender harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to such Agent, such Lender or the Lead Arranger) to pay such Other Taxes; and (iii) indemnify each Agent and each Lender and their respective Affiliates, and the officers, directors, employees, agents, trustees, representatives and investment advisors of each of the foregoing (each, an "Indemnified Person") from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys’ and consultants’ fees and disbursements) (but excluding Taxes other than Taxes that represent liabilities, obligations, losses, damages, penalties, actions, costs, expenses and disbursements arising from a non-Tax claim) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not any Agent or any Lender is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document or the proceeds of any Term Loans hereunder or the consummation of the Transaction or any other transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or (b) the actual or alleged presence of Hazardous Materials in the Environment relating in any way to any Real Property owned, leased or operated, at any time, by the Lead Borrower or any of its Subsidiaries; the generation, storage, transportation, handling, Release or threat of Release of Hazardous Materials by the Lead Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by the Lead Borrower or any of its Subsidiaries; the non-compliance by the Lead Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any Real Property; or any Environmental Claim asserted against the Lead Borrower, any of its Subsidiaries or relating in any way to any Real Property at any time owned, leased or operated by the Lead Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnified Person (but excluding in each case any losses, liabilities, claims, damages or expenses (i) to the extent incurred by reason of the gross negligence, bad faith or willful misconduct of the applicable Indemnified Person, any Affiliate of such Indemnified Person or any of their respective directors, officers, employees, representatives, agents, Affiliates, trustees or investment advisors, (ii) to the extent incurred by reason of any material breach of the obligations of such Indemnified Person under this Agreement or the other Credit Documents (in the case of each of preceding clauses (i) and (ii), as determined by a court of competent jurisdiction in a final and non-appealable decision) or (iii) that do not involve or arise from an act or omission by any Borrower or the Guarantors or any of their respective affiliates and is brought by an Indemnified Person (other than claims against any Agent in its capacity as such or in its fulfilling such role). To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for (x) any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems or (z) any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Agreement or any other Credit Document or the financing contemplated hereby.

other Indebtedness at any time held or owing by the Administrative Agent or such Lender (including, without limitation, by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the credit or the account of the Lead Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to Section 13.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

(b) NOTWITHSTANDING THE FOREGOING SUBSECTION (a), AT ANY TIME THAT THE LOANS OR ANY OTHER OBLIGATION SHALL BE SECURED BY REAL PROPERTY LOCATED IN CALIFORNIA, NO LENDER SHALL EXERCISE A RIGHT OF SETOFF, LIEN OR COUNTERCLAIM OR TAKE ANY COURT OR ADMINISTRATIVE ACTION OR INSTITUTE ANY PROCEEDING TO ENFORCE ANY PROVISION OF THIS AGREEMENT OR ANY NOTE UNLESS IT IS TAKEN WITH THE CONSENT OF THE REQUIRED LENDERS OR APPROVED IN WRITING BY THE ADMINISTRATIVE AGENT, IF SUCH SETOFF OR ACTION OR PROCEEDING WOULD OR MIGHT (PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 580a, 580b, 580d AND 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE OR SECTION 2924 OF THE CALIFORNIA CIVIL CODE, IF APPLICABLE, OR OTHERWISE) AFFECT OR IMPAIR THE VALIDITY, PRIORITY OR ENFORCEABILITY OF THE LIENS GRANTED TO THE COLLATERAL AGENT PURSUANT TO THE SECURITY DOCUMENTS OR THE ENFORCEABILITY OF THE NOTES AND OTHER OBLIGATIONS HEREUNDER, AND ANY ATTEMPTED EXERCISE BY ANY LENDER OF ANY SUCH RIGHT WITHOUT OBTAINING SUCH CONSENT OF THE REQUIRED LENDERS OR THE ADMINISTRATIVE AGENT SHALL BE NULL AND VOID. Each of the Administrative Agent, the Lead Borrower or Holdings may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.
13.04 Benefit of Agreement; Assignments; Participations, etc.

(a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, that no Borrower may assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of the Lenders and, provided, further, that, although any Lender may transfer, assign or grant participation in its rights or obligations hereunder, such Lender shall remain a “Lender” for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 2.13 and 13.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a “Lender” hereunder and, provided, further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Term Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof or increases in the size of the Commitments, or increase the amount of the participant’s participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory repayment of any Term Loan shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Term Loan shall be permitted without the consent of any participant if the participant’s participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement, (iii) modify any of the voting percentages set forth in Section 13.12 or the underlying definitions, (iv) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral under all the Security Documents supporting the Term Loans in which such participant is participating or (v) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty supporting the Loans in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant’s rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto). Each Borrower agrees that each participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the limitations and requirements of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment; provided, however, that a participant shall not be entitled to receive any greater payment under Section 2.10 or Section 5.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant except to the extent such entitlement results from a change in law after the sale of the participation takes place. Each Lender that acquires a participation shall act solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each participant and the principal amounts (and interest amounts) of each participant’s interest in the Term Loans or other obligations under the Credit Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Term Loan, or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.
(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related rights or outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to (ii)(A) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this subclause (x)(ii)(B)); provided that no such assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender, or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a portion equal to at least $1,000,000 (or such lesser amount as may be agreed to by the Administrative Agent and, so long as no Event of Default then exists under Section 11.01 or 11.05, the Lead Borrower, which consent shall not be unreasonably withheld or delayed) in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement (which Assignment and Assumption Agreement shall contain an acknowledgement and agreement by the respective assignee that, as a Lender, it shall be subject to, and bound by the terms of the ABL Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement), provided that (i) at such time, Schedule 2.01 shall be deemed modified to reflect the Commitments and/or outstanding Term Loans, as the case may be, of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender’s indemnifying the Borrowers for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrowers’ expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Term Loans, as the case may be, (iii) the consent of the (A) Administrative Agent and (B) so long as no Event of Default then exists under Section 11.01 or 11.05, the consent of the Lead Borrower shall (in either case) be required in connection with any such assignment pursuant to clause (y) above (which consent, in the case of each of clauses (A) and (B), shall not be unreasonably withheld or delayed); provided that the Lead Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof, (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning assignee, Lender, a non-refundable assignment fee of $3,500 and (v) no such transfer or assignment shall be effective until recorded by the Administrative Agent on the Register pursuant to Section 13.15. To the extent of any assignment pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Term Loans. At the time of each assignment pursuant to this Section 13.04(b) to a Person that is not already a Lender hereunder, such assignee shall provide to the Administrative Agent and the Borrowers such Tax forms as are required to be provided under clauses (b) and (c) of Section 5.04 and shall deliver to the Administrative Agent an Administrative Questionnaire. To the extent that an assignment of all or any portion of a Lender’s Commitments and related outstanding Obligations pursuant to Section 2.13 or this Section 13.04(b) would, at the time of such assignment, result in increased costs under Section 2.10 or 5.04 from those being charged by the assigning Lender prior to such assignment, then the Lead Borrower shall not be obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment). Notwithstanding the foregoing, any sale or assignment pursuant to this Section 13.04(b) to a Sponsor Affiliate shall be made in accordance with Section 2.21 and evidenced via an assignment, in form reasonably satisfactory to the Administrative Agent (a “Sponsor Affiliate Assignment and Assumption”), in accordance with this Section 13.04(b).

c) The Borrowers shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.19 and 2.20, which purchases shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to the Lead Borrower. No such transfer or assignment shall be effective until recorded by the Administrative Agent (in a manner
consistent with the following sentence) on the Register pursuant to Section 13.15. All Term Loans purchased pursuant to Section 2.19 and 2.20 shall be immediately and automatically cancelled and retired, and the Lead Borrower shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as described in this clause (e), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(d) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrowers), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

(e) Each Lender acknowledges and agrees to comply with the provisions of Section 13.04 applicable to it as a Lender hereunder.

(f) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Sponsor Affiliate Assignment and Assumption shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law now or hereafter in effect (“Bankruptcy Proceedings”), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate’s claim with respect to its Term Loans (a “Claim”) (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders. For the avoidance of doubt, the Lenders and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(f) constitute a “subordination agreement” as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code, and, as such, would be enforceable for all purposes in any case where a Credit Party has filed for protection under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(f), the provisions of this Section 13.04(f) shall not be applicable to any Debt Fund Affiliate.

(g) If any Borrower wishes to replace the Term Loans or Commitments with Term Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days’ advance notice to the Lenders of such Term Loans or holdings such Commitments, instead of prepaying the Term Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to assign such Term Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Term Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Term Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08. By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Term Loans or Commitments pursuant to the terms of an Assignment and Assumption Agreement, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

124
The Administrative Agent shall have the right, and the Lead Borrower hereby expressly authorizes the Administrative Agent, to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by the Lead Borrower and any updates thereto. The Borrower hereby agrees that any such requesting Lender may share the Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledges and agrees that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrowers or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its pro rata share of such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker’s lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided therein.

13.07 Calculations; Computations.
(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); provided that (i) except as otherwise specifically provided herein, all computations of Excess Cash Flow and the Applicable Margin, and all computations and all definitions (including accounting terms) used in determining compliance with Section 9.14, shall utilize U.S. GAAP and policies in conformity with those used to prepare the audited financial statements of the Lead Borrower referred to in Section 8.05(a)(i) for the fiscal year of the Lead Borrower ended December 31, 2015 and, (ii) to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; provided further, that if the Lead Borrower notifies the Administrative Agent that the Lead Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies the Lead Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then the Lead Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; provided, further that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect).

(b) All computations of interest (other than interest based on the Prime Rate) and other Fees hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or Fees are payable. All computations of interest based determined by reference to the Prime Rate shall be based on a 365-day or 366-day year, as the case may be.

c) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clauses (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender’s Commitments and/or repay the outstanding Term Loans of each Lender in accordance with Section 5.01(b), provided that, unless the Commitments that are terminated, and Term Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Term Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto, provided, further, that in any event the Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Term Loans solely as a result of the exercise of such Lender’s rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each Incremental Term Loan Lender may, in accordance with the provisions of Section 2.15 enter into an Incremental Term Loan Commitment Agreement, provided that after the
execution and delivery by the Borrowers, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Commitment Agreement, such Incremental Term Loan Commitment Agreement, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.

(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

(h) For the avoidance of doubt, any increase, extension or renewal of this Agreement shall be subject to flood insurance due diligence and flood insurance compliance in accordance with Section 9.03 hereto and otherwise reasonably satisfactory to all Secured Creditors.

13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 2.10, 2.11, 5.04, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

13.14 Domicile of Term Loans. Each Lender may transfer and carry its Term Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Term Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 2.10, 2.11 or 5.04 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).
13.15 Register. The Borrowers hereby designate the Administrative Agent to serve as their agent, solely for purposes of this Section 13.15, to maintain a register (the “Register”) on which it will record the Commitments from time to time of each of the Lenders, the Term Loans made by each of the Lenders and the stated interest on, and each repayment in respect of the principal amount of, the Term Loans of each Lender. Holdings, each Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement (and the entries in the Register shall be conclusive absent manifest error for such purposes), notwithstanding notice to the contrary. With respect to any Lender, the transfer of the Commitments of, and the principal (and interest) amounts of the Term Loans owing to, such Lender and the rights to the principal of, and interest on, any Term Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Term Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Term Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Term Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Term Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Term Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The registration of any provision of Incremental Term Loan Commitments pursuant to Section 13.15, shall be recorded by the Administrative Agent on the Register only upon the acceptance of the Administrative Agent of a properly executed and delivered Incremental Term Loan Commitment Agreement. Coincident with the delivery of such an Incremental Term Loan Commitment Agreement for acceptance and registration of the provision of an Incremental Term Loan Commitment, as the case may be, or as soon thereafter as practicable, to the extent requested by such Incremental Term Loan Lenders, Term Notes shall be issued, at the Lead Borrower’s expense, to such Incremental Term Loan Lenders, to be in conformity with Section 3.05 (with appropriate modification) to the extent needed to reflect the Incremental Term Loan Commitments, and outstanding Incremental Term Loans made by such Incremental Term Loan Lender.

13.16 Confidentiality.

(a) Subject to the provisions of clause (b) of this Section 13.16, each Agent, Lead Arranger and Lender agrees that it will use its commercially reasonable efforts not to disclose without the prior consent of the Lead Borrower (other than to its affiliates and its and their respective directors, officers, employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender’s holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender (or language substantially similar to this Section 13.16(a)) any information with respect to any Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.16(a) by such Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any prospective or actual direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty’s professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 13.16 (or language substantially similar to this Section 13.16(a)), (vii) to any prospective or actual transferee, pledgee or participant in connection with any contemplated transfer, pledge or participation of any of the Notes or Commitments or any interest therein by such Lender and (viii) has become available to any Agent, the Lead Arranger, any Lender, or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, any Borrower or any Subsidiary thereof, and which source is not known by such Person to be subject to a confidentiality restriction in respect thereof in favor of each Borrower or any Affiliate of such Borrower, provided that such prospective transferee, pledge or participant agrees to be bound by the confidentiality provisions contained in this Section 13.16 (or language substantially similar to this Section 13.16(a));
provided, further, that, to the extent permitted pursuant to any applicable law, order, regulation or ruling, and other than in connection with credit and other bank examinations conducted in the ordinary course with respect to such Lender, in the case of any disclosure pursuant to the foregoing clauses (ii), (iii) or (iv), such Lender will use its commercially reasonable efforts to notify the Lead Borrower in advance of such disclosure so as to afford each Borrower the opportunity to protect the confidentiality of the information proposed to be so disclosed.

(b) The Borrowers hereby acknowledge and agree that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to Holdings, the Lead Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of Holdings, the Lead Borrower and its Subsidiaries), provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender.

13.17 USA Patriot Act Notice. Each Lender hereby notifies Holdings and the Lead Borrower that pursuant to the requirements of the USA PATRIOT Act Title III of Pub. 107-56 (signed into law October 26, 2001 and amended on March 9, 2009) (the “Patriot Act”), it is required to obtain, verify, and record information that identifies Holdings, each Borrower and each Subsidiary Guarantor, which information includes the name of each Credit Party and other information that will allow such Lender to identify the Credit Party in accordance with the Patriot Act, and each Credit Party agrees to provide such information from time to time to any Lender.

13.18 Joint and Several Liability. Each Borrower is jointly and severally liable for the Obligations as a primary obligor in respect thereof. The Obligations of each Borrower are independent of the Obligations of each other Borrower, and a separate action or actions may be brought and prosecuted against any Borrower to enforce this Agreement, irrespective of whether any action has been brought against any other Borrower or whether any other Borrower is joined in any such action.

13.19 Waiver of Sovereign Immunity. Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that Holdings, Borrowers, their respective Subsidiaries or any of their properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Term Loans or any Credit Document or any other liability or obligation of Holdings, the Borrowers or any of their respective Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon any judgment, Holdings and the Borrowers, for themselves and on behalf of their respective Subsidiaries, hereby expressly waive, to the fullest extent permissible under applicable law, any such immunity, and agree not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, Holdings and the Borrowers further agree that the waivers set forth in this Section 13.19 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

13.20 Lead Borrower. Each Borrower hereby designates PAE, in its capacity as the Lead Borrower, to act as its agent hereunder. The Lead Borrower may act as agent on behalf of each Borrower for purposes of delivering Notices of Borrowing, and notices of conversion/continuation or similar notices, giving instructions with respect to the disbursement of the proceeds of Loans, selecting interest rate options, giving and receiving all other notices and consents hereunder or under any of the other Credit Documents and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or the Borrowers under the Credit Documents. PAE hereby accepts such appointment. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Lead Borrower shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.
13.21 INTERCREDITOR AGREEMENTS

(a) EACH LENDER PARTY HERETO UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT, WHICH IN CERTAIN CIRCUMSTANCES MAY REQUIRE (AS MORE FULLY PROVIDED THEREIN) THE TAKING OF CERTAIN ACTIONS BY THE LENDERS, INCLUDING THE PURCHASE AND SALE OF PARTICIPATIONS BY VARIOUS LENDERS TO EACH OTHER IN ACCORDANCE WITH THE TERMS THEREOF.

(b) THE PROVISIONS OF THIS SECTION 13.21 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE ABL INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT OR ANY OF AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE ABL INTERCREDITOR AGREEMENT OR THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. COPIES OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM THE ADMINISTRATIVE AGENT.

(c) EACH OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT IS AN AGREEMENT SOLELY AMONGST THE LENDERS (AND THEIR SUCCESSORS AND ASSIGNS) AND IS NOT AN AGREEMENT TO WHICH HOLDINGS OR ANY OF ITS SUBSIDIARIES IS PARTY. AS MORE FULLY PROVIDED THEREIN, EACH OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

(i) none of the Lead Arrangers, the Amendment No. 1 Lead Arrangers, the Amendment No. 2 Lead Arranger or any Lender shall, solely by reason of this Agreement or any other Credit Document, have any fiduciary, advisory or agency relationship or duty in respect of any Lender or any other Person and

(ii) Holdings and the Lead Borrower hereby waive, to the fullest extent permitted by law, any claims they may have against the Lead Arrangers, the Amendment No. 1 Lead Arrangers, the Amendment No. 2 Lead Arranger or any Lender for breach of fiduciary duty or alleged breach of fiduciary duty. Each Agent, Lender and their Affiliates may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates.

13.23 Electronic Execution of Assignments and Certain Other Documents

The words "execution," "execute", "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumption Agreements, amendments or other Notices of Borrowing, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.
13.24 **Entire Agreement.** This Agreement and the other Credit Documents represent the final agreement among the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

13.25 **Acknowledgement and Consent to Bail-In of EEA Financial Institutions.** Solely to the extent an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(A) a reduction in full or in part or cancellation of any such liability;

(B) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(C) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

13.26 **Acknowledgement Regarding any Supported QFCs.** To the extent that the Credit Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, "QFC Credit Support", and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
(b) As used in this Section 13.26, the following terms have the following meanings:

“BHC Act Affiliate” of a party shall mean an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(b)) of such party.

“Covered Entity” shall mean any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. §§ 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

“Swap Contract” shall mean (a) any and all rate swap transactions, basis swaps, credit derivative transactions, forward rate transactions, commodity swaps, commodity options, forward commodity contracts, equity or equity index swaps or options, bond or bond price or bond index swaps or options or forward bond or forward bond price or forward bond index transactions, interest rate options, forward foreign exchange transactions, cap transactions, floor transactions, collar transactions, currency swap transactions, cross-currency rate swap transactions, currency options, spot contracts, or any other similar transactions or any combination of any of the foregoing (including any options to enter into any of the foregoing), whether or not any such transaction is governed by or subject to any master agreement, and (b) any and all transactions of any kind, and the related confirmations, which are subject to the terms and conditions of, or governed by, any form of master agreement published by the International Swaps and Derivatives Association, Inc., any International Foreign Exchange Master Agreement, or any other master agreement (any such master agreement, together with any related schedules, a “Master Agreement”), including any such obligations or liabilities under any Master Agreement.

14.01 The Guaranty. In order to induce the Agents, the Collateral Agent and the Lenders to enter into this Agreement and to extend credit hereunder, and to induce the other Guaranteed Creditors to enter into Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements in recognition of the direct benefits to be received by each Credit Agreement Party from the proceeds of the Term Loans and the entering into of such Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements, each Credit Agreement Party hereby agrees with the Guaranteed Creditors as follows: each Credit Agreement Party hereby unconditionally and irrevocably guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors. If any or all of the Relevant Guaranteed Obligations of any Credit Agreement Party to the Guaranteed Creditors becomes due and payable hereunder, such Credit Agreement Party, unconditionally and irrevocably, promises to pay such indebtedness to the Administrative Agent and/or the other Guaranteed Creditors, or order, together with any and all expenses which may be incurred by the Administrative Agent and the other Guaranteed Creditors in collecting any of the Relevant Guaranteed Obligations. This Credit Agreement Party Guaranty is a guaranty of payment and not of collection. This Credit Agreement Party Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Relevant Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise
of any such claim effected by such payee with any such claimant (including any Relevant Guaranteed Party), then and in such event the respective Credit Agreement Party agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Credit Agreement Party, notwithstanding any revocation of this Credit Agreement Party Guaranty or any other instrument evidencing any liability of any Relevant Guaranteed Party, and each Credit Agreement Party shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

14.02 Bankruptcy. Additionally, each Credit Agreement Party unconditionally and irrevocably guarantees the payment of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by any Relevant Guaranteed Party upon the occurrence of any of the events specified in Section 11.05, and irrevocably and unconditionally promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand, in lawful money of the United States.

14.03 Nature of Liability. The liability of each Credit Agreement Party hereunder is primary, absolute and unconditional, exclusive and independent of any security for or other guaranty of the Relevant Guaranteed Obligations, whether executed by any other guarantor or by any other party, and each Credit Agreement Party understands and agrees, to the fullest extent permitted under law, that the liability of such Credit Agreement Party hereunder shall not be affected or impaired by (a) any direction as to application of payment by any Relevant Guaranteed Party or by any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Relevant Guaranteed Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment in cash of the Relevant Guaranteed Obligations), or (d) any dissolution, termination or increase, decrease or change in personnel by any Relevant Guaranteed Party, or (e) any payment made to any Guaranteed Creditor on the Relevant Guaranteed Obligations which any such Guaranteed Creditor repays to any Relevant Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Credit Agreement Party waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 14.05, or (g) any invalidity, irregularity or enforceability of all or any part of the Relevant Guaranteed Obligations or of any security therefor.

14.04 Independent Obligation. The obligations of each Credit Agreement Party hereunder are independent of the obligations of any other guarantor, any other party or any Relevant Guaranteed Party, and a separate action or actions may be brought and prosecuted against any Credit Agreement Party whether or not action is brought against any other guarantor, any other party or any Relevant Guaranteed Party and whether or not any other guarantor, any other party or any Relevant Guaranteed Party be joined in any such action or actions. Each Credit Agreement Party waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Relevant Guaranteed Party or other circumstance which operates to toll any statute of limitations as to such Relevant Guaranteed Party shall operate to toll the statute of limitations as to the relevant Credit Agreement Party.

14.05 Authorization. To the fullest extent permitted under law, each Credit Agreement Party authorizes the Guaranteed Creditors without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Relevant Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Credit Agreement Party Guaranty shall apply to the Relevant Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Relevant Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Relevant Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset thereagainst;

135
(c) exercise or refrain from exercising any rights against any Relevant Guaranteed Party, any other Credit Party or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, guarantors, any Relevant Guaranteed Party, other Credit Parties or other obligors;

(e) settle or compromise any of the Relevant Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Relevant Guaranteed Party to its creditors other than the Guaranteed Creditors;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Relevant Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of such Relevant Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of such other instruments or agreements; and/or

(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Credit Agreement Party from its liabilities under this Credit Agreement Party Guaranty.

14.06 Reliance. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of any Relevant Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Relevant Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

14.07 Subordination. Any indebtedness of any Relevant Guaranteed Party now or hereafter owing to any Credit Agreement Party is hereby subordinated to the Relevant Guaranteed Obligations of such Relevant Guaranteed Party owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of such Relevant Guaranteed Party to such Credit Agreement Party shall be collected, enforced and received by such Credit Agreement Party for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Relevant Guaranteed Obligations of such Relevant Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of any Credit Agreement Party under the other provisions of this Credit Agreement Party Guaranty. Without limiting the generality of the foregoing, each Credit Agreement Party hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Credit Agreement Party Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Relevant Guaranteed Obligations have been irrevocably paid in full in cash.

14.08 Waiver.

(a) Each Credit Agreement Party waives any right (except as shall be required by applicable law and cannot be waived) any right to require any Guaranteed Creditor to (i) proceed against any Relevant Guaranteed Party, any other guarantor or any other party, (ii) proceed against or exhaust any security held from any Relevant Guaranteed Party, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor’s power whatsoever. Each Credit Agreement Party waives any defense (except as shall be required by applicable statute and cannot be waived) based on or arising out of any defense of any Relevant Guaranteed Party, any other guarantor or any other party, other than payment of the Relevant Guaranteed Obligations to the extent of such payment, based on or arising out of the disability of any Relevant Guaranteed Party, any other guarantor or any other party, or the validity, legality or unenforceability of the Relevant Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Relevant Guaranteed Party other than payment
of the Relevant Guaranteed Obligations to the extent of such payment. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against any Relevant Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Credit Agreement Party hereunder except to the extent the Relevant Guaranteed Obligations have been paid. Each Credit Agreement Party waives, to the fullest extent permitted under law, any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Credit Agreement Party against any Relevant Guaranteed Party or any other party or any security.

(b) Each Credit Agreement Party waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Credit Agreement Party Guaranty, and notices of the existence, creation or incurring of new or additional Relevant Guaranteed Obligations. Each Credit Agreement Party assumes all responsibility for being and keeping itself informed of each Relevant Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Relevant Guaranteed Obligations and the nature, scope and extent of the risks which such Credit Agreement Party assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any of the other Guaranteed Creditors shall have any duty to advise any Credit Agreement Party of information known to them regarding such circumstances or risks.

14.09 Maximum Liability. It is the desire and intent of each Credit Agreement Party and the Guaranteed Creditors that this Credit Agreement Party Guaranty shall be enforced against such Credit Agreement Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of any Credit Agreement Party under this Credit Agreement Party Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Credit Agreement Party’s obligations under this Credit Agreement Party Guaranty shall be deemed to be reduced and such Credit Agreement Party shall pay the maximum amount of the Relevant Guaranteed Obligations which would be permissible under applicable law.

14.10 Payments. All payments made by a Credit Agreement Party pursuant to this Section 14 will be made without setoff, counterclaim or other defense, and shall be subject to the provisions of Sections 5.03 and 5.04.

14.11 Keepwell. Each Credit Agreement Party that is a Qualified ECP Guarantor (as defined below) at the time the Credit Agreement Party Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Credit Party with respect to such Swap Obligation as may be needed by such Specified Credit Party from time to time to honor all of its obligations under this Credit Agreement Party Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 14.11 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 14.11 shall remain in full force and effect until the Guaranteed Obligations have been indefeasibly paid and performed in full. Each Qualified ECP Guarantor intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Credit Party for all purposes of the Commodity Exchange Act. “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Agreement Party that has total assets exceeding $10,000,000 at the time the Guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act. A Specified Credit Party means any Credit Agreement Party that is not “an eligible contract participant” under the Commodity Exchange Act (determined after giving effect to this Section 14.11).
SECOND LIEN SUBSIDIARIES GUARANTY

SECOND LIEN SUBSIDIARIES GUARANTY, dated as of October 20, 2016 (as amended, restated, amended and restated, modified or supplemented from time to time, this “Guaranty”), made by each of the undersigned guarantors (each a “Guarantor” and, together with any other entity that becomes a guarantor hereunder pursuant to Section 26 hereof, the “Guarantors”). Except as otherwise defined herein, capitalized terms used herein and defined in the Credit Agreement (as defined below) shall be used herein as therein defined.

WITNESSETH:

WHEREAS, Shay Intermediate Holding II Corporation, a Delaware corporation (“Holdings”), PAE Holding Corporation, a Delaware corporation (the “Lead Borrower”), the Subsidiary Borrowers party thereto (and together with the Lead Borrower, the “Borrowers”), the lenders party thereto from time to time (the “Lenders”) and Bank of America, N.A., as administrative agent (together with any successor administrative agent, the “Administrative Agent”) have entered into a Second Lien Term Loan Credit Agreement, dated as of even date herewith (as amended, modified, restated and/or supplemented from time to time, the “Credit Agreement”), providing for the making of Term Loans to the Borrowers, as contemplated therein (the Lenders, the Administrative Agent, the Collateral Agent and each other Agent are herein called the “Lender Creditors”);

WHEREAS, the Lead Borrower and/or one or more of its Restricted Subsidiaries may at any time and from time to time enter into one or more Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements with Lender Creditors or any Person that was the Administrative Agent, a Lender or an Affiliate of the Administrative Agent or any Lender (even if the Administrative Agent or such Lender subsequently ceases to be the Administrative Agent, or a Lender under the Credit Agreement for any reason) at the time of entry into a particular Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement (such persons, together with the Lender Creditors, the “Guaranteed Creditors”);

WHEREAS, each Guarantor is a direct or indirect Wholly-Owned Domestic Subsidiary of the Lead Borrower;

WHEREAS, it is a condition to the making of Term Loans to the Borrowers under the Credit Agreement that each Guarantor shall have executed and delivered this Guaranty; and

WHEREAS, each Guarantor will obtain benefits from the incurrence of Term Loans to the Borrowers under the Credit Agreement and the entering into by the Lead Borrower and/or one or more of its Subsidiaries of Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements with the Guaranteed Creditors and, accordingly, desires to execute this Guaranty in order to satisfy the condition described in the preceding paragraph;
NOW, THEREFORE, in consideration of the foregoing and other benefits accruing to each Guarantor, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby makes the following representations and warranties to the Guaranteed Creditors and hereby covenants and agrees with each Guaranteed Creditor as follows:

1. The Guaranty. Each Guarantor, jointly and severally, irrevocably, absolutely and unconditionally guarantees: (i) to the Lender Creditors the full and prompt payment when due (whether at the stated maturity, by acceleration or otherwise) of (x) the unpaid principal of, premium, if any, and interest on the Notes issued by, and the Term Loans made to, the Borrowers under the Credit Agreement and (y) all other obligations (including obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness owing by each Borrower to the Lender Creditors under the Credit Agreement and each other Credit Document to which such Borrower is a party (including, without limitation, indemnities, Fees and interest thereon (including, in each case, any interest, fees and other amounts accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the Credit Agreement, whether or not such interest, fees and other amounts is an allowed claim or allowable claim in any such proceeding)), whether now existing or hereafter incurred under, arising out of, or in connection with, the Credit Agreement and each such other Credit Document and the due performance and compliance by each Borrower with all of the terms, conditions and agreements contained in all such Credit Documents (all such principal, premium, interest, reimbursement obligations, liabilities, indebtedness and obligations being herein collectively called the “Credit Document Obligations”); and (ii) to each applicable Guaranteed Creditor the full and prompt payment when due (whether at the stated maturity, by acceleration or otherwise) of all obligations (including obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness (including, in each case, any interest accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the respective Designated Interest Rate Protection Agreements or Designated Treasury Services Agreements whether or not such interest is an allowed claim in any such proceeding) owing by the Lead Borrower and/or one or more of its Subsidiaries under any Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, whether now in existence or hereafter arising, and the due performance and compliance by such Borrower and such Subsidiaries with all of the terms, conditions and agreements contained in each Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement to which it is a party (all such obligations, liabilities and indebtedness being herein collectively called the “Other Obligations” and, together with the Credit Document Obligations, the “Guaranteed Obligations”); provided, that the “Guaranteed Obligations”, with respect to any Guarantor, shall exclude any Excluded Swap Obligations with respect to such Guarantor. As used herein, the term “Guaranteed Party” shall mean each Borrower and/or each Restricted Subsidiary thereof party to any Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement with the applicable Guaranteed Creditor. Each Guarantor understands, agrees and confirms that the Guaranteed Creditors may enforce this Guaranty up to the full amount of the Guaranteed Obligations against such Guarantor without proceeding against any other Guarantor, any Borrower, any other Guaranteed Party, against any security for the Guaranteed Obligations, or under any other guaranty covering all or a portion of the Guaranteed Obligations.

-2-
2. **Bankruptcy.** Additionally, each Guarantor, jointly and severally, unconditionally and irrevocably guarantees the payment of any and all of its Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by any Borrower or any such other Guaranteed Party upon the occurrence in respect of any Borrower or any such other Guaranteed Party of any of the events specified in Section 11.05 of the Credit Agreement, and irrevocably and unconditionally, jointly and severally, promises to pay such Guaranteed Obligations to the Guaranteed Creditors, or order, on demand, in lawful money of the United States.

3. **Nature of Liability.** This Guaranty shall constitute a guaranty of payment, and not of collection. The liability of each Guarantor hereunder is primary, absolute, joint and several, and unconditional and is exclusive and independent of any security for or other guaranty of the Guaranteed Obligations, whether executed by such Guarantor, any other Guarantor, any other guarantor or by any other party, and, to the fullest extent permitted under law, the liability of each Guarantor hereunder shall not be affected or impaired by: (a) any direction as to application of payment by any Borrower, any other Guaranteed Party or any other party, (b) any other continuing or other guaranty, undertaking or maximum liability of a Guarantor or of any other party as to the Guaranteed Obligations, (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment of the Guaranteed Obligations in cash), (d) any dissolution, termination or increase, decrease or change in personnel by any Borrower or any other Guaranteed Party, (e) any payment made to any Guaranteed Creditor on the Guaranteed Obligations which any Guaranteed Creditor repays pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 6 hereof or (g) any invalidity, irregularity or unenforceability of all or any part of the Guaranteed Obligations or of any security therefor.

4. **Independent Obligations.** The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party and whether or not any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party be joined in any such action or actions. Each Guarantor waives, to the fullest extent permitted by law, the benefits of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Borrower or any other Guaranteed Party or other circumstance which operates to toll any statute of limitations as to any Borrower or any such other Guaranteed Party shall operate to toll the statute of limitations as to each Guarantor.

5. **Certain Waivers.** To the fullest extent permitted under applicable law, each Guarantor hereby waives notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives promptness, diligence, presentment, demand of payment, protest, notice of dishonor or nonpayment of any such liabilities, suit or taking of other action by the Administrative Agent or any other Guaranteed Creditor against, and any other notice to, any party liable thereon (including such Guarantor, any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party).
6. **Authorization.** Any Guaranteed Creditor may at any time and from time to time without the consent of, or notice to, any Guarantor (except as shall be required by applicable statute and cannot be waived), without incurring responsibility to such Guarantor, without impairing or releasing the obligations of such Guarantor hereunder, upon or without any terms or conditions and in whole or in part:

(a) change the manner, place or terms of payment of, and/or change, increase or extend the time of payment of, renew or alter, any of the Guaranteed Obligations (including any increase or decrease in the rate of interest or fees thereon or the principal amount thereof), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Guaranty shall apply to the Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Guaranteed Obligations and sell, exchange, release, surrender, impair, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(c) exercise or refrain from exercising any rights against any Borrower, any other Guaranteed Party, any other Credit Party, any Subsidiary thereof or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, Guarantors, other guarantors, any Borrower, any other Guaranteed Party, or other obligors;

(e) settle or compromise any of the Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Borrower or any other Guaranteed Party to creditors of such Borrower or such other Guaranteed Party other than the Guaranteed Creditors;

(f) except as otherwise expressly required by the Security Documents, apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Borrower or any other Guaranteed Party to the Guaranteed Creditors regardless of what liabilities of such Borrower or such other Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, any of the Designated Interest Rate Protection Agreements, the Designated Treasury Services Agreements, the Credit Documents or any of the instruments or agreements referred to therein, or otherwise amend, modify or supplement any of the Designated Interest Rate Protection Agreements, the Designated Treasury Services Agreements and the Credit Documents or any of such other instruments or agreements.
(h) act or fail to act in any manner which may deprive such Guarantor of its right to subrogation against any Borrower or any other Guaranteed Party to recover full indemnity for any payments made pursuant to this Guaranty; and/or
(i) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Guarantor from its liabilities under this Guaranty.

7. **Continuing Guaranty.** This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. No failure or delay on the part of any Guaranteed Creditor in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly specified are cumulative and not exclusive of any rights or remedies which any Guaranteed Creditor would otherwise have. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Guaranteed Creditor to any other or further action in any circumstances without notice or demand. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of any Borrower or any other Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on its or their behalf, and any Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

8. **Subordination.** Any indebtedness of any Borrower or any other Guaranteed Party now or hereafter owing to any Guarantor is hereby subordinated to the Guaranteed Obligations of such Borrower or such other Guaranteed Party to the Guaranteed Creditors, and such Guaranteed Obligations of such Borrower or such other Guaranteed Party to any Guarantor, if the Administrative Agent or the Collateral Agent, after the occurrence and during the continuance of an Event of Default, so requests, shall be collected, enforced and received by such Guarantor for the benefit of the Guaranteed Creditors and be paid over to the Guaranteed Creditors on account of the Guaranteed Obligations of such Borrower or such other Guaranteed Parties to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of such Guarantor under the other provisions of this Guaranty. Without limiting the generality of the foregoing, each Guarantor hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Guaranteed Obligations have been irrevocably paid in full in cash.

9. **Waiver and Maximum Liability.** (a) Each Guarantor waives any right (except as shall be required by applicable law and cannot be waived) to require the Guaranteed Creditors to: (i) proceed against any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; (ii) proceed against or exhaust any security held from any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; or (iii) pursue any other remedy in the Guaranteed Creditors’ power whatsoever. Each Guarantor waives any defense (except as shall be required by applicable statute and cannot be waived) based on or
arising out of any defense of any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party other than payment in full of the Guaranteed Obligations including, without limitation, any defense based on or arising out of the disability of any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party, or the invalidity, illegality or unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Borrower or any other Guaranteed Party other than payment in full of the Guaranteed Obligations. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or the other Guaranteed Creditors by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against any Borrower, any other Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been paid in full. Each Guarantor waives, to the fullest extent permitted under law, any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any Borrower, any other Guaranteed Party or any other party or any security.

(b) Each Guarantor waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Guaranty, and notices of the existence, creation or incurring of new or additional Guaranteed Obligations. Each Guarantor assumes all responsibility for being and keeping itself informed of each Borrower’s and each other Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks which such Guarantor assumes and incurs hereunder, and agrees that the Guaranteed Creditors shall have no duty to advise any Guarantor of information known to them regarding such circumstances or risks.

10. Enforcement. The Guaranteed Creditors agree that this Guaranty may be enforced only by the action of the Administrative Agent or the Collateral Agent, in each case acting upon the instructions of the Required Lenders (or, after the date on which all Credit Document Obligations have been paid in full, the holders of at least a majority of the outstanding Other Obligations) and that no other Guaranteed Creditors shall have any right individually to seek to enforce or to enforce this Guaranty, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent or the Collateral Agent or, after all the Credit Document Obligations have been paid in full, by the holders of at least a majority of the outstanding Other Obligations, as the case may be, for the benefit of the Guaranteed Creditors upon the terms of this Guaranty. The Guaranteed Creditors further agree that this Guaranty may not be enforced against any director, officer, employee, partner, member or stockholder of any Guarantor (except to the extent such partner, member or stockholder is also a Guarantor hereunder).
11. Representations and Warranties. In order to induce the Lenders to make Term Loans to the Borrowers pursuant to the Credit Agreement, and in order to induce the Other Creditors to execute, deliver and perform the Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements to which they are a party, each Guarantor represents, warrants and covenants that:

(a) Such Guarantor (i) is a duly organized and validly existing corporation, partnership or limited liability company, as the case may be, in good standing under the laws of the jurisdiction of its organization, (ii) has the corporate, partnership or limited liability company power and authority, as the case may be, to own its property and assets and to transact the business in which it is engaged and presently proposes to engage and (iii) is, to the extent such concepts are applicable under the laws of the relevant jurisdiction, duly qualified and is authorized to do business and is in good standing in each jurisdiction where the ownership, leasing or operation of its property or the conduct of its business requires such qualification except for failures to be so qualified which, either individually or in the aggregate, has not had, and would not reasonably be expected to have, a Material Adverse Effect.

(b) Such Guarantor has the corporate, partnership or limited liability company power and authority, as the case may be, to execute, deliver and perform the terms and provisions of this Guaranty and each other Credit Document to which it is a party and has taken all necessary corporate, partnership or limited liability company action, as the case may be, to authorize the execution, delivery and performance by it of this Guaranty and each such other Credit Document. Such Guarantor has duly executed and delivered this Guaranty and each other Credit Document to which it is a party, and this Guaranty and each such other Credit Document constitutes the legal, valid and binding obligation of such Guarantor enforceable in accordance with its terms, except to the extent that the enforceability hereof or thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors’ rights and by equitable principles (regardless of whether enforcement is sought in equity or at law).

(c) Neither the execution, delivery or performance by such Guarantor of this Guaranty or any other Credit Document to which it is a party, nor compliance by it with the terms and provisions hereof and thereof, will (i) contravene any provision of any applicable law, statute, rule or regulation or any applicable order, writ, injunction or decree of any court or governmental instrumentality, (ii) conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents or Permitted Liens) upon any of the property or assets of such Guarantor or any of its Restricted Subsidiaries pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, credit agreement, or any other material agreement, contract or instrument, in each case to which such Guarantor or any of its Restricted Subsidiaries is a party or by which it or any of its property or assets is bound or to which it may be subject (except, in the case of preceding clauses (i) and (ii), other than in the case of any contravention, breach, default and/or conflict, that would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect) or (iii) violate any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of such Guarantor or any of its Restricted Subsidiaries.
(d) Except to the extent the failure to obtain or make the same would not reasonably be expected to have a Material Adverse Effect, no order, consent, approval, license, authorization or validation of, or filing, recording or registration with (except for (x) those that have otherwise been obtained or made on or prior to the Closing Date and which remain in full force and effect on the Closing Date and (y) filings which are necessary to perfect the security interests created under the Security Documents), or exemption by, any governmental or public body or authority, or any subdivision thereof, is required to be obtained or made by, or on behalf of, any Guarantor to authorize, or is required to be obtained or made by, or on behalf of, any Guarantor in connection with, the execution, delivery and performance of this Guaranty by such Guarantor or any other Credit Document to which such Guarantor is a party.

(e) There are no actions, suits or proceedings pending or, to such Guarantor’s knowledge, threatened (i) with respect to this Guaranty or any other Credit Document to which such Guarantor is a party or (ii) with respect to such Guarantor or any of its Restricted Subsidiaries that, either individually or in the aggregate, has had, or would reasonably be expected to have, a Material Adverse Effect.

12. Covenants. Each Guarantor covenants and agrees that on and after the Closing Date and until the Termination Date, such Guarantor will comply, and will cause each of its Restricted Subsidiaries to comply, with all of the applicable provisions, covenants and agreements contained in Sections 9 and 10 of the Credit Agreement, and will take, or will refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that it is not in violation of any provision, covenant or agreement contained in Section 9 or 10 of the Credit Agreement, and so that no Default or Event of Default is caused by the actions of such Guarantor or any of its Restricted Subsidiaries. As used in this Agreement, “Termination Date” shall mean the date upon which the Total Commitment under the Credit Agreement has been terminated and all Credit Document Obligations have been paid in full, no Note under the Credit Agreement is outstanding and all Term Loans thereunder have been repaid in full (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements).

13. Expenses. The Guarantors hereby jointly and severally agree to pay all reasonable invoiced out-of-pocket costs and expenses of the Administrative Agent in connection with the enforcement of this Guaranty and in connection with any amendment, waiver or consent relating hereto, in each case, in accordance with the terms and provisions of Section 13.01 of the Credit Agreement.

14. Successors and Assigns. This Guaranty shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the Guaranteed Creditors and their successors and permitted assigns.
15. **Amendments.** Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except with the written consent of each Guarantor directly affected thereby and with the written consent of either (x) the Required Lenders (or, to the extent required by Section 13.12 of the Credit Agreement, with the written consent of each Lender) at all times prior to the time at which all Credit Document Obligations have been paid in full or (y) the holders of at least a majority of the outstanding Other Obligations at all times after the time on which all Credit Document Obligations have been paid in full; provided, that any change, waiver, modification or variance affecting the rights and benefits of a single Class (as defined below) of Guaranteed Creditors (and not all Guaranteed Creditors in a like or similar manner) shall also require the written consent of the Requisite Creditors (as defined below) of such Class of Guaranteed Creditors (it being understood that the addition or release of any Guarantor hereunder in accordance with the terms hereof or the Credit Agreement shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released and shall not require the consent of any Guaranteed Creditor other than the Administrative Agent). For the purpose of this Guaranty, the term “Class” shall mean each class of Guaranteed Creditors, i.e., whether (x) the Lender Creditors as holders of the Credit Document Obligations or (y) the Other Creditors as the holders of the Other Obligations. For the purpose of this Guaranty, the term “Requisite Creditors” of any Class shall mean (x) with respect to the Credit Document Obligations, the Required Lenders (or, to the extent required by Section 13.12 of the Credit Agreement, each Lender) and (y) with respect to the Other Obligations, the holders of at least a majority of all obligations outstanding from time to time under the Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements.

16. **Documents.** Each Guarantor acknowledges that an executed (or conformed) copy of each of the Credit Documents, Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements has been made available to such Guarantor.

17. **Authorization.** Subject, in each case, to the limitations set forth in Section 13.02(b) of the Credit Agreement, in addition to any rights now or hereafter granted under applicable law (including, without limitation, Section 151 of the New York Debtor and Guaranteed Creditor Law) and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Guaranteed Creditor is hereby authorized, at any time or from time to time, without notice to any Guarantor or to any other Person, any such notice being expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other indebtedness at any time held or owing by such Guaranteed Creditor to or for the credit or the account of such Guarantor, against and on account of the obligations and liabilities of such Guarantor to such Guaranteed Creditor under this Guaranty, irrespective of whether or not such Guaranteed Creditor shall have made any demand hereunder and although said obligations, liabilities, deposits or claims, or any of them, shall be contingent or unmatured.

18. **Notices, etc.** All notices, requests, demands or other communications pursuant hereto shall be sent in accordance with the terms and provisions set forth in Section 13.03 of the Credit Agreement. All notices and other communications shall be in writing and addressed to such party at (i) in the case of any Lender Creditor, as provided in the Credit Agreement, (ii) in the case of any Guarantor, at: c/o PAE Holding Corporation, c/o Platinum Equity, LLC, 360 North Crescent Drive, Beverly Hills, CA 90210; Facsimile: 310-712-1863,
Attention: Legal Department, and (iii) in the case of any Other Creditor, at such address as such Other Creditor shall have specified in writing to the Lead Borrower and the Administrative Agent; or in any case at such other address as any of the Persons listed above may hereafter notify the others in writing.

19. Continuing Liability. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Lead Borrower or any other Guaranteed Party) then and in such event each Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Guarantor, notwithstanding any revocation hereof or other instrument evidencing any liability of any Borrower or any other Guaranteed Party, and such Guarantor shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

20. CHOICE OF LAW; CONSENT TO JURISDICTION; WAIVER OF JURY TRIAL. (a) THIS GUARANTY AND THE RIGHTS AND OBLIGATIONS OF THE GUARANTEED CREDITORS AND OF THE UNDERSIGNED HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK. Any legal action or proceeding with respect to this Guaranty (except that in the case of any bankruptcy, insolvency or similar proceedings with respect to any Guarantor, actions or proceedings related to this Guaranty and the other Credit Documents may be brought in such court holding such bankruptcy, insolvency or similar proceedings) may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York in each case which are located in the County of New York, and, by execution and delivery of this Guaranty, each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the exclusive jurisdiction of the aforesaid courts. Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby further irrevocably waives any claim that any such court lacks personal jurisdiction over it, and agrees not to plead or claim in any legal action or proceeding with respect to this Guaranty or any other Credit Document to which it is a party brought in any of the aforesaid courts that any such court lacks personal jurisdiction over it. Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) further irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to such party at its address set forth in Section 18 hereof, such service to become effective 30 days after such mailing. Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any other Credit Document to which it is a party that such service of process was in any way invalid or ineffective. Nothing herein shall affect the right of any such party to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction.
(b) Each Guarantor and each Secured Party (by its acceptance of the benefits of this Guaranty) hereby irrevocably waives (to the fullest extent permitted by applicable law) any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Guaranty or any other Credit Document to which such Guarantor is a party brought in the courts referred to in clause (a) above and hereby further irrevocably waives and agrees not to plead or claim in any such court that such action or proceeding brought in any such court has been brought in an inconvenient forum.

(c) EACH GUARANTOR AND EACH GUARANTEED CREDITOR (BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY) HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS GUARANTY, THE OTHER CREDIT DOCUMENTS TO WHICH SUCH GUARANTOR IS A PARTY OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

21. Release. In the event that a Guarantor becomes an Excluded Subsidiary or all of the capital stock of a Guarantor is sold or otherwise disposed of or liquidated in compliance with the requirements of Section 10.02 of the Credit Agreement (or such sale or other disposition has been approved in writing by the Required Lenders (or all the Lenders if required by Section 13.12 of the Credit Agreement)), such Guarantor shall upon consummation of such sale or other disposition (except to the extent that such sale or disposition is to Holdings or another Credit Party) be released from this Guaranty automatically and without further action and this Guaranty shall, as to each such Guarantor, terminate, and have no further force or effect (it being understood and agreed that the sale of one or more Persons that own, directly or indirectly, all of the capital stock of any Guarantor shall be deemed to be a sale of such Guarantor for the purposes of this Section 21). Upon the occurrence of the Termination Date, this Guaranty shall automatically and without further action, as to all Guarantors, terminate and have no further force and effect. The Administrative Agent will (and each Secured Creditor (by its acceptance of the benefits of this Guaranty) irrevocably authorizes the Administrative Agent to), at the Guarantors’ expense, execute and deliver to the Guarantors such documents as the Guarantors may reasonably request to evidence, as applicable, the release of such Guarantor from, or the termination in full of, this Guaranty.

22. Right of Contribution. At any time a payment in respect of the Guaranteed Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a “Relevant Payment”) is made on the Guaranteed Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Guarantor’s Contribution Percentage (as defined below) of the aggregate payments made by all Guarantors in respect of the Guaranteed Obligations to and including the date of the Relevant Payment (such excess, the “Aggregate Excess Amount”), each such Guarantor shall have a right of contribution against each other Guarantor who has made payments in respect of the Guaranteed Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Guarantor’s Contribution Percentage of the aggregate payments made to and including the date...
of the Relevant Payment by all Guarantors in respect of the Guaranteed Obligations (the aggregate amount of such deficit, the "Aggregate Deficit Amount") in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Guarantor and the denominator of which is the Aggregate Excess Amount of all Guarantors multiplied by (y) the Aggregate Deficit Amount of such other Guarantor. A Guarantor’s right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment to the time of each computation; provided that no Guarantor may take any action to enforce such right until the Guaranteed Obligations have been paid in full, it being expressly recognized and agreed by all parties hereto that any Guarantor’s right of contribution arising pursuant to this Section 22 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor’s obligations and liabilities in respect of the Guaranteed Obligations and any other obligations owing under this Guaranty. As used in this Section 22: (i) each Guarantor’s “Contribution Percentage” shall mean the percentage obtained by dividing (x) the Adjusted Net Worth (as defined below) of such Guarantor by (y) the aggregate Adjusted Net Worth of all Guarantors; (ii) the “Adjusted Net Worth” of each Guarantor shall mean the greater of (x) the Net Worth (as defined below) of such Guarantor and (y) zero; and (iii) the “Net Worth” of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor’s assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Guaranteed Obligations arising under this Guaranty) on such date. Notwithstanding anything to the contrary contained above, any Guarantor that is released from this Guaranty shall thereafter have no contribution obligations, or rights, pursuant to this Section 22, and at the time of any such release, if the released Guarantor had an Aggregate Excess Amount or an Aggregate Deficit Amount, same shall be deemed reduced to $0, and the contribution rights and obligations of the remaining Guarantors shall be recalculated on the respective date of release (as otherwise provided above) based on the payments made hereunder by the remaining Guarantors. All parties hereto recognize and agree that, except for any right of contribution arising pursuant to this Section 22, each Guarantor who makes any payment in respect of the Guaranteed Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Guaranteed Obligations have been paid in full. Each of the Guarantors recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive its contribution right against any Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the reasonable determination of the Required Lenders.

23. **Maximum Liability.** Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby confirms that it is its intention that this Guaranty not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act of any similar Federal or state law. To effectuate the foregoing intention, each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably agrees that the Guaranteed Obligations guaranteed by such Guarantor shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such laws and after giving effect to any rights to contribution pursuant to any agreement providing for an equitable contribution among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.
24. **Counterparts.** This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Guarantors and the Administrative Agent.

25. **Payments.** All payments made by any Guarantor hereunder will be made without setoff, counterclaim or other defense (other than payment in cash of such Guaranteed Obligations made in accordance with the terms of this Guaranty) and on the same basis as payments are made by the Borrowers under Sections 5.03 and 5.04 of the Credit Agreement.

26. **Additional Guarantors.** It is understood and agreed that any Restricted Subsidiary of the Lead Borrower that is required to become a party to this Guaranty after the date hereof pursuant to the requirements of the Credit Agreement or any other Credit Document, shall become a Guarantor hereunder by (x) executing and delivering a counterpart hereof, or a joinder agreement substantially in the form of Exhibit A hereto, and delivering same to the Administrative Agent and (y) taking all actions as specified in this Guaranty as would have been taken by such Guarantor had it been an original party to this Guaranty, in each case with all documents required by the Credit Documents to be delivered to the Administrative Agent and with all documents and actions required by the Credit Documents to be taken to the reasonable satisfaction of the Administrative Agent.

27. **Keepwell.** Each Guaranteed Party that is a Qualified ECP Guarantor (as defined below) at the time the Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under this Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 27 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 27 shall remain in full force and effect until the Guaranteed Obligations have been paid and performed in full. Each Qualified ECP Guarantor intends this Section 27 to constitute, and this Section 27 shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Loan Party for all purposes of the Commodity Exchange Act. A “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Party that has total assets exceeding $10,000,000 at the time the Guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement or in the Subsidiaries Guaranty, as applicable.

W I T N E S S E T H:

WHEREAS, the Subsidiary Guarantors have entered into the Subsidiaries Guaranty in order to induce the Lenders to make the Term Loans to the Borrowers and the Other Creditors to enter into Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements with the Lead Borrower and/or one or more of its Restricted Subsidiaries;

WHEREAS, pursuant to Section 9.12 of the Credit Agreement and Section 26 of the Subsidiaries Guaranty, each person that is or becomes a Wholly-Owned Domestic Subsidiary of a Restricted Subsidiary after the Closing Date (other than an Excluded Subsidiary) is required to become a Subsidiary Guarantor under the Credit Agreement. The undersigned Subsidiary (the "New Guarantor") is executing this joinder agreement (this "Joinder Agreement") to the Subsidiaries Guaranty as required by the Credit Agreement;

NOW, THEREFORE, the Administrative Agent and the New Guarantor hereby agree as follows:

1. Guarantee. In accordance with Section 26 of the Subsidiaries Guaranty, the New Guarantor by its signature below becomes a Guarantor (as defined in the Subsidiaries Guaranty) under the Subsidiaries Guaranty with the same force and effect as if originally named therein as a Guarantor (as defined in the Subsidiaries Guaranty).

4. **Counterparts.** This Joinder Agreement may be executed in counterparts, each of which shall constitute an original. Delivery of an executed signature page to this Joinder Agreement by facsimile transmission shall be as effective as delivery of a manually executed counterpart of this Joinder Agreement.

SECOND LIEN SECURITY AGREEMENT, dated as of October 20, 2016, made by each of the undersigned grantors (each, a "Grantor" and, together with any other entity that becomes a grantor hereunder pursuant to Section 10.12 hereof, the "Grantors") in favor of Bank of America, N.A., as Collateral Agent (together with any successor Collateral Agent, the "Collateral Agent"), for the benefit of the Secured Creditors (as defined below). Certain capitalized terms as used herein are defined in Article IX hereof. Except as otherwise defined herein, all capitalized terms used herein and defined in the Credit Agreement (as defined below) shall be used herein as therein defined.

WITNESSETH:

WHEREAS, Shay Intermediate Holding II Corporation, a Delaware corporation ("Holdings"), PAE Holding Corporation, a Delaware corporation (the "Lead Borrower"), the Subsidiary Borrowers party thereto (and together with the Lead Borrower, the "Borrowers"), the lenders party thereto from time to time (the "Lenders") and Bank of America, N.A., as administrative agent (together with any successor administrative agent, the "Administrative Agent"), have entered into a Second Lien Term Loan Credit Agreement dated as of even date herewith (as amended, modified, restated and/or supplemented from time to time, the "Credit Agreement"), providing for the making of Term Loans to the Borrower, as contemplated therein (the Lenders, the Administrative Agent, the Collateral Agent and each other Agent are herein called the "Lender Creditors");

WHEREAS, the Lead Borrower and/or one or more of its Restricted Subsidiaries may at any time and from time to time enter into one or more Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements with Guaranteed Creditors (the Administrative Agent, each Lender Creditor and each Guaranteed Creditor, together with their permitted successors and assigns, if any, collectively, the "Secured Creditors");

WHEREAS, pursuant to the Credit Agreement Party Guaranty, each of Holdings and each Borrower has guaranteed to the Secured Creditors the payment when due of all of its Relevant Guaranteed Obligations;

WHEREAS, pursuant to the Subsidiaries Guaranty, each Subsidiary Guarantor has jointly and severally guaranteed to the Secured Creditors the payment when due of all of its Relevant Guaranteed Obligations;

WHEREAS, it is a condition precedent to the making of Term Loans to the Borrowers under the Credit Agreement and to the Guaranteed Creditors entering into Interest Rate Protection Agreements, Other Hedging Agreements and Treasury Services Agreements that each Grantor shall have executed and delivered to the Collateral Agent this Agreement; and

WHEREAS, each Grantor will obtain benefits from the incurrence of Term Loans by the Borrowers under the Credit Agreement and the entering into by the Lead Borrower and/or one or more of its Restricted Subsidiaries of Interest Rate Protection Agreements, Other Hedging Agreements and Treasury Services Agreements, and, accordingly, desires to execute this Agreement in order to satisfy the condition described in the preceding paragraph and to induce the Lenders to make Term Loans to the Lead Borrower and the Guaranteed Creditors to enter into Interest Rate Protection Agreements, Other Hedging Agreements and Treasury Services Agreement with the Borrower and/or one or more of its Restricted Subsidiaries;
NOW, THEREFORE, in consideration of the benefits accruing to each Grantor, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby makes the following representations and warranties to the Collateral Agent for the benefit of the Secured Creditors and hereby covenants and agrees with the Collateral Agent for the benefit of the Secured Creditors as follows:

provided, however, that Excluded Collateral shall not include any Proceeds, substitutions or replacements of any Excluded Collateral referred to in any of clauses (a) through (p) (unless such Proceeds, substitutions or replacements would constitute Excluded Collateral referred to in any of clauses (a) through (p)). 2.1 **Necessary Perfection Action.** The security interest granted to the Collateral Agent pursuant to this Agreement in and to the Collateral for the benefit of the Collateral Agent and the Secured Creditors creates a valid security interest and Lien upon such Grantor’s right, title and interest in and to the Collateral. Except to the extent perfection is not required hereunder, such security interest will be duly perfected (A) upon the filing of the UCC financing statements delivered to the Collateral Agent for filing in the appropriate jurisdictions set forth on Schedule 6 of the Perfection Certificate, (B) in Deposit Accounts upon the obtaining and maintenance of “control” (as described in the UCC as in effect on the date hereof in the State of New York) by the Collateral Agent (it being understood that, notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, no “control” over any Excluded Deposit Accounts shall be required), (C) upon the recordation of a short form security agreement with respect to the U.S. registered intellectual property disclosed in Schedules 11(a) and 11(b) of the Perfection Certificate in the PTO or the United States Copyright Office, as the case may be; provided, however, that additional filings may be necessary to perfect the Collateral Agent’s security interest in, and Lien on, any Patents, Marks, Copyrights, Domain Names, Trade Secret Rights and other intellectual property acquired after the date hereof, and (D) upon the receipt by the Collateral Agent of all Instruments, Chattel Paper and certificated pledged Equity Interests that constitute “securities” governed by Article 8 of the UCC, in each case constituting Collateral in suitable form for transfer by delivery or accompanied by instruments of transfer or assignment duly executed in blank.

Upon the taking of the actions under this Section 2.1, such security interest will be superior to and prior to all other Liens of all other Persons (other than Permitted Liens), and enforceable as such against any other Persons (except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors’ rights and by equitable principles (regardless of whether enforcement is sought in equity or at law)) other than Ordinary Course Transferees.
2.2 No Liens. Such Grantor is, and as to all Collateral acquired by it from time to time after the date hereof such Grantor will be, the owner of, or otherwise have the right to use, all Collateral free from any Lien of any Person (other than Permitted Liens), and such Grantor shall, at its own expense, take all commercially reasonable actions necessary to defend the Collateral against all claims and demands of all Persons at any time claiming the same or any interest therein materially adverse to the Collateral Agent (other than Permitted Liens).

2.3 Other Financing Statements. As of the date hereof, no Grantor has filed, nor authorized the filing by any third party of any financing statement (or similar statement or instrument of registration under the law of any jurisdiction) covering or purporting to cover any interest of any kind in the Collateral (other than financing statements or other statements or instruments of registration under the law of any jurisdiction filed in respect of Permitted Liens), and so long as the Termination Date has not occurred, such Grantor will not authorize to be filed in any public office any financing statement (or similar statement or instrument of registration under the law of any jurisdiction) relating to the Collateral, except financing statements filed or to be filed in respect of and covering the security interests granted hereby by such Grantor or in connection with Permitted Liens.

2.5 Location of Goods, Inventory and Equipment. All Goods, Inventory and Equipment (having a fair market value in excess of $3,000,000 with respect to Collateral comprising Goods, Inventory and Equipment only) held on the date hereof, or held at any time during the four calendar months prior to the date hereof, by each Grantor, other than Goods, Inventory or Equipment in transit, out for repair or refurbishment, books and records temporarily located at the offices of such Grantor’s attorneys or accountants, or moved in the ordinary course of business, is located at one of the locations shown on Schedule 2(b) of the Perfection Certificate for such Grantor.

information listed on Schedule 1(a) of the Perfection Certificate (as adjusted for any subsequent changes thereto previously made in accordance with this sentence), together with a supplement to Schedule 1(a) of the Perfection Certificate which shall update all information contained therein for such Grantor within 30 days of such change (or such longer period as agreed to by the Collateral Agent) and (ii) in connection with such change or changes, it shall take all action reasonably requested by the Collateral Agent to maintain the security interests of the Collateral Agent in the Collateral intended to be granted hereby at all times fully perfected to the extent described in Section 2.1 and in full force and effect.

With respect to any transactions so described in Schedule 3 of the Perfection Certificate, the respective Grantor shall have furnished such information with respect to the Person (and the assets of the Person and locations thereof) which merged with or into or consolidated with such Grantor, or was liquidated into or transferred all or substantially all of its assets to such Grantor, and shall have furnished to the Collateral Agent such UCC lien searches as may have been reasonably requested by the Collateral Agent or Administrative Agent with respect to such Person and its assets, to establish that no security interest (excluding Permitted Liens) continues perfected on the date hereof with respect to any Person described above (or the assets transferred to the respective Grantor by such Person), including without limitation pursuant to Section 9-316(a)(3) of the UCC.

2.9 As-Extracted Collateral; Timber-to-be-Cut. On the date hereof, such Grantor does not own, or expect to acquire, any material property which constitutes, or would constitute, As-Extracted Collateral or Timber-to-be-Cut.

2.10 Collateral in the Possession of a Bailee. If any Inventory or other Goods, the aggregate fair market value of which is equal to or greater than $3,000,000, are at any time in the possession of a bailee, such Grantor shall on or prior to the next Quarterly Update Date furnish the Collateral Agent with written notice thereof and, if requested by the Collateral Agent after an Event of Default has occurred and is continuing, shall use its reasonable efforts to promptly obtain an acknowledgment from such bailee, in form and substance reasonably satisfactory to the Collateral Agent, that the bailee holds such Collateral for the benefit of the Collateral Agent and shall act upon the instructions of the Collateral Agent, without the further consent of such Grantor, subject to the Intercreditor Agreements. The Collateral Agent agrees with such Grantor that the Collateral Agent shall not give any such instructions unless an Event of Default has occurred and is continuing and upon notice from the Collateral Agent of its intent to exercise remedies.

3.1 Assignment of Claims Act. Subject to the terms of the Intercreditor Agreements, upon the occurrence and during the continuance of an Event of Default, at the Administrative Agent’s request, each Grantor shall provide a list of all contracts with Applicable Governmental Authorities (as defined below) which have resulted or will result in an Applicable Governmental Authority becoming an obligor on any Receivable required to be included in Collateral of an amount greater than $5,000,000 and, to the extent that the aggregate Receivables from such contracts with Applicable Governmental Authorities represent less than 90% of the aggregate revenue of the Grantors on a consolidated basis for the trailing twelve-month period ending on the last day of the period for which internally generated financial statements of the Lead Borrower and its Subsidiaries are available, such additional contracts with Applicable Governmental Authorities that would result in the Receivables under contracts on such list representing no less than 90% of the aggregate revenue of the Grantors on a consolidated basis for such trailing twelve-month period, and promptly execute whatever instruments and documents are required by the Administrative Agent in order that such Receivables shall be assigned to the Administrative Agent and that proper notice of such assignment shall be given under the Federal Assignment of Claims Act (or any successor statute) or any other applicable Requirement of Law; provided that, if any contract with any Applicable Governmental Authority requires consent by or on behalf of such Applicable Governmental Authority in order for any such Receivable to be assigned pursuant to the applicable Requirements of Law, such Grantor shall only be required to exercise commercially reasonably efforts to obtain such consent (and if such consent cannot be obtained, no Grantor shall be in breach hereof). As used in this Section 3.1, the term "Applicable Governmental Authority" shall mean the United States of America, or any state or political subdivision thereof, or any department, agency or instrumentality of any of the foregoing.

3.2 Maintenance of Records. Each Grantor will keep proper books of record and accounts in which full, true and correct entries in conformity with U.S. GAAP and all material Requirements of Law shall be made of all dealings and transactions in relation to its business and activities, and such Grantor will make the same available on such Grantor’s premises to officers and designated representatives of the Collateral Agent for inspection in accordance with the terms and conditions set forth in the Credit Agreement. Upon the occurrence and during the continuance of an Event of Default and at the request of the Collateral Agent, such Grantor shall, at its own cost and expense, deliver all tangible evidence of its Accounts and Contract Rights (including, without limitation, all documents evidencing the Accounts and all Contract Rights) and such books and records to the Collateral Agent or to its representatives (copies of which evidence and books and records may be retained by such Grantor). Subject to the terms of the Intercreditor Agreements, upon the occurrence and during the continuance of an Event of Default and if the Collateral Agent so requests, such Grantor shall legend, in form and manner reasonably satisfactory to the Collateral Agent, the Accounts and the Contracts, as well as books, records and documents (if any) of such Grantor evidencing or pertaining to such Accounts and Contracts with an appropriate reference to the fact that such Accounts and Contracts have been assigned to the Collateral Agent and that the Collateral Agent has a security interest therein.

3.3 Direction to Account Debtors; Contracting Parties; etc. Subject to the terms of the Intercreditor Agreements, upon the occurrence and during the continuance of an Event of Default, after giving notice to the relevant Grantor of its intent to do so, if the Collateral Agent so directs any Grantor, such Grantor agrees (i) [reserved], (ii) that the Collateral Agent may, at its option, directly notify the obligors in its own name or in the name of others with respect to any Accounts and/or under any Contracts to make payments with respect thereto as provided in the preceding clause (i), and (iii) that the
Collateral Agent may enforce collection of any such Accounts and Contracts and may adjust, settle or compromise the amount of payment thereof, in the same manner and to the same extent as such Grantor; provided that, (x) any failure by the Collateral Agent to give or any delay in giving such notice to the relevant Grantor shall not affect the effectiveness of such notice or the other rights of the Collateral Agent created by this Section 3.3 and (y) no such notice shall be required if an Event of Default of the type described in Section 11.05 of the Credit Agreement has occurred and is continuing. The reasonable costs and expenses of collection (including reasonable attorneys’ fees), whether incurred by a Grantor or the Collateral Agent, shall be borne by the relevant Grantor. The Collateral Agent shall deliver a copy of each notice referred to in the preceding clause (y) to the relevant Grantor, provided that (x) the failure by the Collateral Agent to so notify such Grantor shall not affect the effectiveness of such notice or the other rights of the Collateral Agent created by this Section 3.3 and (y) no such notice shall be required if an Event of Default of the type described in Section 11.05 of the Credit Agreement has occurred and is continuing.

3.4 Modification of Terms; etc. Except in accordance with such Grantor’s ordinary course of business, or consistent with reasonable business judgment or as permitted by Section 3.5 or the Credit Documents, no Grantor shall rescind or cancel any indebtedness evidenced by any Account, or modify any material term thereof or make any material adjustment with respect thereto, or extend or renew the same, or compromise or settle any material dispute, claim, suit or legal proceeding relating thereto, or sell any Account, or interest therein, without the prior written consent of the Collateral Agent unless such rescissions, cancellations, modifications, adjustments, extensions, renewals, compromises, settlements, releases, or sales would not reasonably be expected to materially adversely affect the value of the Accounts constituting Collateral taken as a whole.

3.5 Collection. Each Grantor shall endeavor in accordance with historical business practices or otherwise in accordance with reasonable business judgment to cause to be collected from the Account Debtor named in each of its Accounts or obligor under any Contract, as and when due (including, without limitation, amounts which are delinquent, such amounts to be collected in accordance with generally accepted lawful collection procedures) any and all amounts owing under or on account of such Account or Contract, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Account or under such Contract. Except as otherwise directed by the Collateral Agent after the occurrence and during the continuation of an Event of Default or otherwise required pursuant to the Credit Agreement, any Grantor may allow in the ordinary course of business as adjustments to amounts owing under its Accounts and Contracts (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, which such Grantor finds appropriate in accordance with reasonable business judgment, (ii) a refund or credit due as a result of returned or damaged merchandise or improperly performed services or for other reasons which such Grantor finds appropriate in accordance with reasonable business judgment and (iii) any other adjustments necessary or desirable in the Grantor’s reasonable business judgment. The reasonable costs and expenses (including, without limitation, reasonable attorneys’ fees) of collection, whether incurred by a Grantor or the Collateral Agent, shall be borne by the relevant Grantor (in the case of any such costs and expenses incurred by the Collateral Agent, in accordance with the terms and provisions of Section 13.01 of the Credit Agreement).

3.6 Instruments. If any Grantor at any time holds or acquires any Instrument constituting Collateral with a face value in excess of $1,000,000 individually (other than checks received and collected in the ordinary course of business), such Grantor shall, on or prior to the next Quarterly Update Date, notify the Collateral Agent thereof, and upon request by the Collateral Agent (subject to the Intercreditor Agreements), promptly deliver such Instrument to the Collateral Agent appropriately endorsed in blank or to the order of the Collateral Agent, provided that, so long as no Event of Default shall have occurred and be continuing, such Grantor may retain for collection in the ordinary course of
business any Instrument received by such Grantor in the ordinary course of business, and the Collateral Agent shall, promptly upon request of such Grantor, make appropriate arrangements for making any Instruments in its possession and pledged by such Grantor available to such Grantor for purposes of presentation, collection or renewal. If such Grantor retains possession of any Instruments pursuant to the terms hereof, upon request of the Collateral Agent, such Instrument shall be marked with the following legend: “This writing and the obligations evidenced or secured hereby are subject to the security interests of Bank of America, N.A., as collateral agent, for the benefit of itself and certain Secured Creditors.”

3.7 Grantors Remain Liable Under Accounts. Anything herein to the contrary notwithstanding, the Grantors shall remain liable under each of the Accounts to observe and perform all of the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to such Accounts. Neither the Collateral Agent nor any other Secured Creditor shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement, nor shall the Collateral Agent or any other Secured Creditor be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by them or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto), to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

3.8 Grantors Remain Liable Under Contracts. Anything herein to the contrary notwithstanding, the Grantors shall remain liable under each of the Contracts to observe and perform all of the conditions and obligations to be observed and performed by them thereunder, all in accordance with and pursuant to the terms and provisions of each Contract. Neither the Collateral Agent nor any other Secured Creditor shall have any obligation or liability under any Contract by reason of or arising out of this Agreement, nor shall the Collateral Agent or any other Secured Creditor be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any performance by any party under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

3.9 Deposit Accounts; Etc.

(a) Schedule 13 of the Perfection Certificate accurately sets forth, as of the date of this Agreement, for each Grantor, each Deposit Account maintained by such Grantor (including the respective account number) and the name of the respective bank with which such Deposit Account is maintained. Prior to the Discharge of Revolving Credit Obligations (as defined in the ABL Intercreditor Agreement), and to the extent similar requirements exist in the Revolving Credit Collateral Documents (as defined in the ABL Intercreditor Agreement), with respect to any Revolving Credit Obligations (as defined in the ABL Intercreditor Agreement), for each Deposit Account (other than the Excluded Deposit Accounts), the respective Grantor shall use commercially reasonable efforts to cause the bank with which the Deposit Account is maintained to execute and deliver to the Collateral Agent, within 90 days (or such later date as the Collateral Agent may determine in its sole discretion) after the date of this Agreement or, if later established or acquired, within 60 days (or such later date as the Collateral Agent may determine in its sole discretion) of the time of the establishment or acquisition of the respective Deposit Account, a “control agreement” in a form reasonably acceptable to the Collateral Agent.

3.10 [Reserved].

3.11 Commercial Tort Claims. As of the Closing Date, no Grantor has Commercial Tort Claims with an individual claimed value of $5,000,000 or more other than those described in Schedule 12 of the Perfection Certificate. If any Grantor shall at any time after the date of this Agreement hold or acquire a Commercial Tort Claim in an amount (taking the greater of the aggregate claimed damages thereunder or the reasonably estimated value thereof) of $5,000,000 or more, such Grantor shall, on or prior to the next Quarterly Update Date, notify the Collateral Agent thereof in a writing signed by such Grantor and describing the details thereof and shall grant to the Collateral Agent in such writing a security interest therein (subject to Permitted Liens) and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

3.12 Chattel Paper. Subject to the terms of the Intercreditor Agreements, each Grantor will, following any reasonable request by the Collateral Agent, deliver all of its Tangible Chattel Paper with a value in excess of $1,000,000 to the Collateral Agent on or prior to the next Quarterly Update Date, provided that, so long as no Event of Default shall have occurred and be continuing, such Grantor may retain for collection in the ordinary course of business any Chattel Paper received by such Grantor in the ordinary course of business, and the Collateral Agent shall, promptly upon request of such Grantor, make appropriate arrangements for making any Chattel Paper in its possession and pledged by such Grantor available to such Grantor for purposes of presentation, collection or renewal. If such Grantor retains possession of any Chattel Paper pursuant to the terms hereof, subject to the terms of the Intercreditor Agreements, upon request of the Collateral Agent, such Chattel Paper shall be marked with the following legend: “This writing and the obligations evidenced or secured hereby are subject to the security interests of Bank of America, N.A., as collateral agent, for the benefit of itself and certain Secured Creditors.”

3.13 Further Actions. ARTICLE IV
SPECIAL PROVISIONS CONCERNING TRADEMARKS AND DOMAIN NAMES

4.1 Additional Representations and Warranties. Schedule 11(a) of the Perfection Certificate sets forth a list of all active United States marks and applications for United States marks registered or filed in the PTO and all Domain Names that such Grantor owns. Each Grantor represents and warrants that it owns all Marks registered or applied for with the PTO and Domain Names listed on Schedule 11(a) of the Perfection Certificate, except for such failure to own that has not had, and would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.
Each Grantor further warrants that it has no knowledge of any third party claim received by it within the last twelve (12) months that any aspect of such Grantor’s present business operations infringes any trademark, service mark or trade name of any other Person other than as has not, and would not, reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect. Each Grantor represents and warrants that all material U.S. trademark registrations and applications and Domain Name registrations listed in Schedule 11(a) of the Perfection Certificate have not been canceled and are not presently being opposed and, to such Grantor’s knowledge, are valid and subsisting, and that such Grantor is not aware of any pending third-party claim that any of said registrations is invalid or unenforceable, and is not aware that there is any reason that any of said applications will not mature into registrations, other than as would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect. Each Grantor hereby grants to the Collateral Agent an absolute power of attorney to sign, solely upon the occurrence and during the continuance of an Event of Default, any document which may be required by the PTO or Domain Name registrar in order to effect an assignment of all right, title and interest in each Mark and/or Domain Name listed in Schedule 11(a) of the Perfection Certificate, and record the same.

4.2 Assignments. Except as otherwise permitted by the Secured Debt Agreements, each Grantor hereby agrees not to assign or otherwise transfer any rights to any third party all or substantially all rights in any material Mark or material Domain Name absent prior written approval of the Collateral Agent.

4.3 Infringements. Each Grantor agrees, promptly upon learning thereof, to notify the Collateral Agent in writing of the name and address of (if available to such Grantor), and to furnish such pertinent information that may be available to such Grantor with respect to, any party who such Grantor reasonably believes is infringing or diluting or otherwise violating any of such Grantor’s rights in and to any Mark or Domain Name in any manner that would reasonably be expected to have a Material Adverse Effect, or with respect to any party claiming that such Grantor’s use of any Mark or Domain Name material to such Grantor’s business violates in any material respect any intellectual property right of that party. Each Grantor further agrees to prosecute diligently in accordance with its reasonable business judgment, any Person infringing any Mark or Domain Name owned by it in any manner that would reasonably be expected to have a Material Adverse Effect.

4.4 Preservation of Marks. Each Grantor agrees to use its Marks that are material to such Grantor’s business in interstate commerce during the time in which this Agreement is in effect to the extent required by the laws of the United States to maintain its rights in such Mark and to take all such other actions as are reasonably necessary to preserve such Marks as trademarks or service marks under the laws of the United States (other than any such material Marks that are no longer material or are deemed by such Grantor in its reasonable business judgment to no longer be necessary in the conduct of Grantor’s business).

4.5 Maintenance of Registration. Each Grantor shall, at its own expense, diligently process all documents reasonably required to maintain all material Mark and/or Domain Name registrations, including but not limited to affidavits of use and applications for renewals of registration in the PTO for all of its material registered Marks, and shall pay all fees and disbursements in connection therewith and shall not abandon any such filing of affidavit of use or any such application of renewal prior to the exhaustion of all administrative and judicial remedies without prior written consent of the Collateral Agent, not to be unreasonably withheld (other than with respect to registrations and applications deemed by such Grantor in its reasonable business judgment to be no longer prudent to pursue or as otherwise permitted by the Credit Agreement).
4.6 Future Registered Marks and Domain Names. If any Mark registration is issued hereafter prior to the Termination Date to any Grantor as a result of any application now or hereafter prior to the Termination Date pending before the PTO or any Domain Name is registered by Grantor prior to the Termination Date, on or prior to the next Quarterly Update Date, such Grantor shall deliver to the Collateral Agent an updated Schedule 11(a) of the Perfection Certificate, and, if requested by the Collateral Agent, a grant of a security interest in such Mark and/or Domain Name, to the Collateral Agent and at the expense of such Grantor, confirming the grant of a security interest in such Mark and/or Domain Name to the Collateral Agent hereunder, the form of such security to be substantially in the form of Exhibit C hereto or in such other form as may be reasonably satisfactory to the Collateral Agent.

4.7 Remedies. If an Event of Default shall occur and be continuing, subject to the terms of the Intercreditor Agreements, the Collateral Agent may, by written notice to the relevant Grantor, take any or all of the following actions: (i) declare the entire right, title and interest of such Grantor in and to each of the Marks and Domain Names, together with all trademark rights and rights of protection to the same, vested in the Collateral Agent for the benefit of the Secured Creditors, in which event such right, title and interest shall immediately vest, in the Collateral Agent for the benefit of the Secured Creditors, and the Collateral Agent shall be entitled to exercise the power of attorney referred to in Section 4.1 hereof to execute, cause to be acknowledged and notarized and record said absolute assignment with the applicable agency or registrar; (ii) take and use or sell the Marks or Domain Names and the goodwill of such Grantor’s business symbolized by the Marks or Domain Names and the right to carry on the business and use the assets of such Grantor in connection with which the Marks or Domain Names have been used (provided that any license shall be subject to reasonable quality control); and (iii) direct such Grantor to refrain, in which event such Grantor shall refrain, from using the Marks or Domain Names in any manner whatsoever, directly or indirectly, and such Grantor shall execute such further documents that the Collateral Agent may reasonably request to further confirm this and to transfer ownership of the Marks or Domain Names owned by it and registrations and any pending trademark applications in the PTO or applicable Domain Name registrar therefor to the Collateral Agent. Solely for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Section 4.7 and at such time as the Collateral Agent shall be lawfully entitled, and permitted under the Credit Agreement, to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor), subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of said Trademarks, to use, operate under, license, or sublicense any Marks and Domain Names now owned or hereafter acquired by such Grantor to the extent constituting Collateral hereunder.

ARTICLE V
SPECIAL PROVISIONS CONCERNING PATENTS, COPYRIGHTS AND TRADE SECRETS

5.1 Additional Representations and Warranties. Each Grantor represents and warrants that it is the owner of all rights in (i) all Trade Secret Rights, (ii) the Patents listed in Schedule 11(a) of the Perfection Certificate for such Grantor and that said Patents include all the material registered United States patents and applications for United States patents that such Grantor owns as of the date hereof and (iii) the Copyrights listed in Schedule 11(b) of the Perfection Certificate for such Grantor and that said Copyrights include all the material United States copyrights registered with the United States Copyright Office and applications to United States copyrights that such Grantor owns as of the date hereof. Each Grantor further warrants that it has no knowledge of any third party claim received by it within the past twelve (12) months that any aspect of such Grantor’s present business operations infringes any patent or copyright of any other Person or such Grantor has misappropriated any Trade Secret or proprietary information which, either individually or in the aggregate, has, or would reasonably be
expected to have, a Material Adverse Effect. Each Grantor hereby grants to the Collateral Agent a power of attorney to sign, solely upon the occurrence and during the continuance of any Event of Default, any document which may be required by the PTO or the United States Copyright Office in order to effect an assignment of all right, title and interest in each Patent listed in Schedule 11(a) of the Perfection Certificate or Copyright listed in Schedule 11(b) of the Perfection Certificate, or any other issued or applied-for United States patent or registered or applied-for United States copyright hereinafter owned by such Grantor, and to record the same.

5.2 Assignments. Except as otherwise permitted by the Secured Debt Agreements, each Grantor hereby agrees not to assign or otherwise transfer to any third party all or substantially all rights in any material Patent or material Copyright absent prior written approval of the Collateral Agent.

5.3 Infringements. Each Grantor agrees, promptly upon learning thereof, to furnish the Collateral Agent in writing with all pertinent information available to such Grantor with respect to any infringement, contributing infringement or active inducement to infringe or other violation of such Grantor’s rights in any Patent or Copyright or to any claim that the practice of any Patent or use of any Copyright by such Grantor violates any intellectual property right of a third party, or with respect to any misappropriation of any Trade Secret Right by such Grantor or any claim that practice of any Trade Secret Right by such Grantor violates any intellectual property right of a third party, in each case, in any manner which, either individually or in the aggregate, has, or would reasonably be expected to have, a Material Adverse Effect. Each Grantor further agrees to diligently prosecute, in accordance with such Grantor’s reasonable business judgment, any Person infringing any Patent owned by it or Copyright or any Person misappropriating any Trade Secret Right, in each case to the extent that such infringement or misappropriation, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

5.4 Maintenance of Patents or Copyrights. At its own expense, each Grantor shall make timely payment of all post-issuance fees required to maintain in force its rights under each issued Patent or registered Copyright, absent prior written consent of the Collateral Agent (other than any such Patents or Copyrights that are no longer material or are deemed by such Grantor in its reasonable business judgment to no longer be necessary in the conduct of Grantor’s business).

5.5 Prosecution of Patent or Copyright Applications. At its own expense, each Grantor shall diligently prosecute all material applications for (i) United States Patents listed in Schedule 11(a) of the Perfection Certificate and (ii) Copyrights listed on Schedule 11(b) of the Perfection Certificate, in each case for such Grantor and shall not abandon any such application prior to exhaustion of all administrative and judicial remedies (other than applications that are no longer material or are deemed by such Grantor in its reasonable business judgment to no longer be necessary in the conduct of Grantor’s business), absent written consent of the Collateral Agent not to be unreasonably withheld.

5.6 Other Patents and Copyrights. Upon acquisition or issuance of a United States Patent, registration of a Copyright, or acquisition of a registered Copyright, or of filing of an application for a United States Patent or Copyright, the relevant Grantor shall deliver to the Collateral Agent an updated Schedule 11 of the Perfection Certificate on or prior to the next Quarterly Update Date, with, if requested by the Collateral Agent, a grant of a security interest as to such Patent or Copyright, as the case may be, to the Collateral Agent and at the expense of such Grantor, confirming the grant of a security interest, the form of such grant of a security interest to be substantially in the form of Exhibit A or B hereto, as appropriate, or in such other form as may be reasonably satisfactory to the Collateral Agent.
5.7 Remedies. If an Event of Default shall occur and be continuing, subject to the terms of the Intercreditor Agreements, the Collateral Agent may, by written notice to the relevant Grantor, take any or all of the following actions: (i) declare the entire right, title, and interest of such Grantor in each of the Patents, Copyrights and Trade Secret Rights vested in the Collateral Agent for the benefit of the Secured Creditors, in which event such right, title, and interest shall immediately vest in the Collateral Agent for the benefit of the Secured Creditors, and the Collateral Agent shall be entitled to exercise the power of attorney referred to in Section 5.1 hereof to execute, cause to be acknowledged and notarized and to record said assignment with the applicable agency; (ii) take and practice or sell the Patents, Copyrights and Trade Secrets, in each case, owned by such Grantor, and exercise any other rights vested in the Patents, Copyrights and Trade Secrets pursuant to Section 5.7(i) above; and (iii) direct such Grantor to refrain, in which event such Grantor shall refrain, from practicing the Patents and using the Copyrights and the Trade Secrets directly or indirectly, and such Grantor shall execute such further documents as the Collateral Agent may reasonably request further to confirm this and to transfer ownership of the Patents, Copyrights and Trade Secrets, in each case owned by it, to the Collateral Agent for the benefit of the Secured Creditors. Solely for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Section 5.7 and at such time as the Collateral Agent shall be lawfully entitled, and permitted under the Credit Agreement, to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor), to use, operate under, license, or sublicense any Patents, Copyrights and Trade Secrets now owned or hereafter acquired by such Grantor to the extent constituting Collateral hereunder.

ARTICLE VI
PROVISIONS CONCERNING ALL COLLATERAL

6.1 Protection of Collateral Agent’s Security. Except as otherwise permitted or not prohibited by the Secured Debt Agreements, each Grantor will do nothing to impair the rights of the Collateral Agent in the Collateral. Each Grantor or an affiliate on behalf of such Grantor will at all times maintain insurance, at such Grantor’s own expense to the extent and in the manner provided in the Secured Debt Agreements. If any Event of Default shall have occurred and be continuing, the Collateral Agent shall, at the time any proceeds of such insurance are distributed to the Secured Creditors, apply such proceeds in accordance with Section 7.4 hereof. Each Grantor assumes all liability and responsibility in connection with the Collateral acquired by it and the liability of such Grantor to pay the Obligations shall in no way be affected or diminished by reason of the fact that such Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to such Grantor.

6.2 Warehouse Receipts Non-Negotiable. To the extent practicable, each Grantor agrees that if any warehouse receipt or receipt in the nature of a warehouse receipt is issued with respect to any of its Inventory, such Grantor shall request that such warehouse receipt or receipt in the nature thereof shall not be “negotiable” (as such term is used in Section 7-104 of the UCC as in effect in any relevant jurisdiction or under other relevant law).

6.3 Additional Information. Each Grantor will, at its own expense, from time to time upon the reasonable request of the Collateral Agent, promptly furnish to the Collateral Agent such information with respect to the Collateral (including the identity of the Collateral or such components thereof as may have been reasonably requested by the Collateral Agent, the value and location of such Collateral, etc.) as may be requested by the Collateral Agent.

6.4 Further Actions. To the extent otherwise required by this Agreement or the other Credit Documents, each Grantor will, at its own expense and upon the reasonable request of the Collateral Agent, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent from time to time such lists, descriptions and designations of its Collateral, warehouse receipts, receipts in the nature of
warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Collateral Agent deems reasonably appropriate or advisable to perfect, preserve or protect its security interest in the Collateral at least to the extent described in Section 2.1.

6.5 Financing Statements. Each Grantor agrees to deliver to the Collateral Agent such financing statements, in form reasonably acceptable to the Collateral Agent, as the Collateral Agent may from time to time reasonably request to establish and maintain a valid, enforceable, perfected security interest in the Collateral as provided herein and for the purpose of obtaining and preserving the full benefits of the other rights and security contemplated hereby at least to the extent described in Section 2.1. Each Grantor will pay any applicable filing fees, recordation taxes and related expenses relating to its Collateral. Each Grantor hereby authorizes the Collateral Agent to file any such financing statements (and such authorization includes describing the Collateral as “all assets and all personal property whether now owned or hereafter acquired” of such Grantor or words of similar effect).

ARTICLE VII
REMEDIES UPON OCCURRENCE OF AN EVENT OF DEFAULT

7.1 Remedies; Obtaining the Collateral Upon an Event of Default. Each Grantor agrees that, subject to the terms of the Intercreditor Agreements, if any Event of Default shall have occurred and be continuing, then and in every such case, the Collateral Agent, in addition to any rights now or hereafter existing under applicable law and under the other provisions of this Agreement, shall have all rights as a secured creditor under any UCC, and such additional rights and remedies to which a secured creditor is entitled under the laws in effect in all relevant jurisdictions and may:

(i) personally, or by agents or attorneys, immediately take possession of the Collateral or any part thereof, from such Grantor or any other Person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon such Grantor’s premises where any of the Collateral is located and remove the same and use in connection with such removal any and all services, supplies, aids and other facilities of such Grantor, in each case without breach of the peace;

(ii) instruct the obligor or obligors on any agreement, instrument or other obligation (including, without limitation, the Accounts and the Contracts) constituting the Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Collateral Agent and may exercise any and all remedies of such Grantor in respect of such Collateral;

(iii) instruct all banks which have entered into a control agreement with the Collateral Agent to transfer all monies, securities and instruments held by such depositary bank to an Account designated by the Collateral Agent; it being understood and agreed that unless an Event of Default has occurred and is continuing, the Collateral Agent shall not deliver to such banks a “notice of exclusive control” under, and as defined in, the respective “control agreement” relating thereto;

(iv) sell, assign or otherwise liquidate any or all of the Collateral or any part thereof in accordance with Section 7.2 hereof, or direct such Grantor to sell, assign or otherwise liquidate any or all of the Collateral or any part thereof, and, in each case, take possession of the proceeds of any such sale or liquidation;

16
(v) take possession of the Collateral or any part thereof, by directing such Grantor in writing to deliver the same to the Collateral Agent at any reasonable place or places designated by the Collateral Agent, in which event such Grantor shall at its own expense:

(x) forthwith cause the same to be moved to the place or places so designated by the Collateral Agent and there delivered to the Collateral Agent;

(y) store and keep any Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent as provided in Section 7.2 hereof; and

(z) while the Collateral shall be so stored and kept, provide such security and maintenance services as shall be reasonably necessary to protect the same and to preserve and maintain it in good condition;

(vi) license or sublicense, whether on an exclusive (where permissible) or nonexclusive basis, any Marks (subject to reasonable quality control), Domain Names, Patents or Copyrights included in the Collateral for such term and on such conditions and in such manner as the Collateral Agent shall in its sole judgment determine;

(vii) apply any monies constituting Collateral or proceeds thereof in accordance with the provisions of Section 7.4; and

(viii) take any other action as specified in clauses (a)(1) through (a)(5), inclusive, of Section 9-607 of the UCC;

it being understood that each Grantor’s obligation so to deliver the Collateral is of the essence of this Agreement and that, accordingly, upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by such Grantor of said obligation. By accepting the benefits of this Agreement and each other Security Document, the Secured Creditors expressly acknowledge and agree that this Agreement and each other Security Document may be enforced only by the action of the Collateral Agent and that no Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Collateral Agent.

7.2 Remedies; Disposition of the Collateral. To the extent permitted by applicable law, if any Event of Default shall have occurred and be continuing, then any Collateral repossessed by the Collateral Agent under or pursuant to Section 7.1 hereof and any other Collateral whether or not so repossessed by the Collateral Agent, may be sold, assigned, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Collateral Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Collateral Agent or after any overhaul or repair at the expense of the relevant Grantor which the Collateral Agent shall determine to be commercially reasonable. Any such sale, lease or other disposition may be effected by means of a public disposition or private disposition, effected in accordance with the applicable requirements (in each case if and to the extent applicable) of Sections 9-610 through 9-613 of the UCC and/or such other mandatory requirements.
of applicable law as may apply to the respective disposition. The Collateral Agent may, without notice or publication, adjourn any public or private
disposition or cause the same to be adjourned from time to time by announcement at the time and place fixed for the disposition, and such disposition may
be made at any time or place to which the disposition may be so adjourned. To the extent permitted by any such requirement of law, the Collateral Agent
may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the
Collateral or any item thereof, offered for disposition in accordance with this Section 7.2 without accountability to the relevant Grantor. Each Grantor agrees
to do or cause to be done all such other acts and things as may be reasonably necessary to make such disposition or dispositions of all or any portion of the
Collateral valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all
courts, arbitrators or governmental instrumentalities, having jurisdiction over any such sale or sales, all at such Grantor’s expense.

7.3 Waiver of Claims. Except as otherwise provided in this Agreement, EACH GRANTOR HEREBY WAIVES, TO THE EXTENT
PERMITTED BY APPLICABLE LAW, NOTICE AND JUDICIAL HEARING IN CONNECTION WITH THE COLLATERAL AGENT’S TAKING
POSSESSION OR THE COLLATERAL AGENT’S DISPOSITION OF ANY OF THE COLLATERAL, INCLUDING, WITHOUT LIMITATION, ANY
AND ALL PRIOR NOTICE AND HEARING FOR ANY PREJUDGMENT REMEDY OR REMEDIES, and each Grantor hereby further waives, to the
extent permitted by law:

(a) all damages occasioned by such taking of possession or any such disposition except any damages which are the direct result of the Collateral
Agent’s gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision);
(b) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent’s
rights hereunder; and
(c) all rights of redemption, appraisement, valuation, stay, extension or moratorium now or hereafter in force under any applicable law in order
to prevent or delay the enforcement of this Agreement or the absolute sale of the Collateral or any portion thereof, and each Grantor, for itself and all
who may claim under it, insofar as it or they now or hereafter lawfully may, hereby waives the benefit of all such laws.

Any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and
demand, either at law or in equity, of the relevant Grantor therein and thereto, and shall be a perpetual bar both at law and in equity against such Grantor and
against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under
such Grantor.

7.4 Application of Proceeds.

(a) Subject to the terms of the Intercreditor Agreements, all moneys collected by the Collateral Agent (or, to the extent the Pledge Agreement
or any other Security Document requires proceeds of collateral under such other Security Document to be applied in accordance with the provisions of this
Agreement, the Pledgee under, and as defined in, the Pledge Agreement, or collateral agent under such other Security Document) upon any sale or other
disposition of the Collateral (or the collateral under the relevant Security Document), together with all other moneys received by the Collateral Agent
hereunder (or under the relevant Security Document), in each case, as a result of the exercise of remedies by the Collateral Agent after the occurrence and
during the continuance of an Event of Default, shall be applied as follows:

(i) first, to the payment of all amounts owing the Collateral Agent of the type described in clauses (iii), (iv) and (v) of the definition of
“Obligations”;

18
(ii) second, to the extent proceeds remain after the application pursuant to the preceding clause (i), to the payment of all amounts owing to any
Agent of the type described in clauses (v) and (vi) of the definition of “Obligations”;

(iii) third, to the extent proceeds remain after the application pursuant to the preceding clauses (i) and (ii), an amount equal, and payable ratably,
to all unpaid principal of, premium, if any, fees and interest (including interest accruing during the pendency of any bankruptcy, insolvency,
receivership or similar proceeding, regardless of whether allowed or allowable in such proceeding) on, all Term Loans, and all amounts due under each
Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement with a Guaranteed Creditor;

(iv) fourth, to the extent proceeds remain after the application pursuant to preceding clauses (i) through (iii), inclusive, ratably to any then
remaining unpaid Obligations; and

(v) fifth, to the extent proceeds remain after the application pursuant to the preceding clauses (i) through (iv), inclusive, and following the
termination of this Agreement pursuant to Section 10.8(a) hereof, to the relevant Grantor or to whomever may be lawfully entitled to receive such
surplus.

(b) [Reserved].

(c) [Reserved].

(d) All payments required to be made hereunder shall be made (x) if to the Lender Creditors, to the Administrative Agent for the account of
the Lender Creditors and (y) if to the Guaranteed Creditors, to the trustee, paying agent or other similar representative (each, a “Representative”) for the
Guaranteed Creditors or, in the absence of such a Representative, directly to the Guaranteed Creditors.

(e) For purposes of applying payments received in accordance with this Section 7.4, the Collateral Agent shall be entitled to rely upon (i) the
Administrative Agent and (ii) the Representative or, in the absence of such a Representative, upon the Guaranteed Creditors for a determination (which the
Administrative Agent, each Representative and the Guaranteed Creditors agree (or shall agree) to provide upon request of the Collateral Agent) of the
outstanding Primary Obligations and Secondary Obligations owed to the Lender Creditors or the Guaranteed Creditors, as the case may be. Unless it has
received written notice from a Lender Creditor or a Guaranteed Creditor to the contrary, the Administrative Agent and each Representative, in furnishing
information pursuant to the preceding sentence, and the Collateral Agent, in acting hereunder, shall be entitled to assume that no Secondary Obligations are
outstanding. Unless it has written notice from a Guaranteed Creditor to the contrary, the Collateral Agent, in acting hereunder, shall be entitled to assume
that no Designated Interest Rate Protection Agreements or Designated or Treasury Services Agreements that constitute Obligations are in existence.
(f) It is understood that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Obligations.

7.5 Remedies Cumulative. Each and every right, power and remedy hereby specifically given to the Collateral Agent shall be in addition to every other right, power and remedy specifically given to the Collateral Agent under this Agreement, the other Secured Debt Agreements or now or hereafter existing at law, in equity or by statute and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by the Collateral Agent. All such rights, powers and remedies shall be cumulative and the exercise or the beginning of the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Collateral Agent in the exercise of any such right, power or remedy and no renewal or extension of any of the Obligations shall impair any such right, power or remedy or shall be construed to be a waiver of any Default or Event of Default or an acquiescence thereof. No notice to or demand on any Grantor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Collateral Agent to any other or further action in any circumstances without notice or demand. In the event that the Collateral Agent shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Collateral Agent may recover reasonable invoiced out-of-pocket expenses, including reasonable attorneys’ fees, and the amounts thereof shall be included in such judgment, in each case, in accordance with the terms and provisions of Section 13.01 of the Credit Agreement.

7.6 Discontinuance of Proceedings. In case the Collateral Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case the relevant Grantor, the Collateral Agent and each holder of any of the Obligations shall be restored to their former positions and rights hereunder with respect to the Collateral subject to the security interest created under this Agreement, and all rights, remedies and powers of the Collateral Agent shall continue as if no such proceeding had been instituted.

Any amounts paid by any Indemnified Person as to which such Indemnified Person has the right to reimbursement shall constitute Obligations secured by the Collateral. The indemnity obligations of each Grantor contained in the Credit Agreement shall continue in full force and effect notwithstanding the full payment of all of the other Obligations and notwithstanding the full payment of all the Notes issued, and Term Loans made, under the Credit Agreement, the termination of all Designated Interest Rate Protection Agreements and Designated Treasury Services Agreement entered into with the Guaranteed Creditors and the payment of all other Obligations and notwithstanding the discharge thereof and the occurrence of the Termination Date.

10.8 Termination; Release.

(a) On the Termination Date, this Agreement shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors (provided that all indemnities set forth herein including, without limitation in Section 8.1 hereof, shall survive such termination) and the Collateral Agent, at the request and expense of the respective Grantor, will promptly execute and deliver to such Grantor a proper instrument or instruments (including, without limitation, UCC termination statements on form UCC-3) acknowledging the satisfaction and termination of this Agreement, and will duly assign, transfer and deliver to such Grantor (without recourse and without any representation or warranty) such of the Collateral as may be in the possession of the Collateral Agent and as has not theretofore been sold or otherwise applied or released pursuant to this Agreement. As used in this Agreement, “Termination Date” shall mean the date upon which the Total Commitment under the Credit Agreement has been terminated and all Credit Document Obligations have been paid in full, no Note under the Credit Agreement is outstanding and all Term Loans thereunder have been repaid in full (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements).

Furthermore, upon the release of any Subsidiary Guarantor from the Subsidiaries Guaranty in accordance with the provisions thereof, such Grantor (and the Collateral at such time assigned by the respective Grantor pursuant hereto) shall be released from this Agreement.

(c) At any time that a Grantor desires that the Collateral Agent take any action to acknowledge or give effect to any release of Collateral pursuant to the foregoing Section 10.8(b), such Grantor shall deliver to the Collateral Agent (and the relevant sub-agent, if any, designated hereunder) a certificate signed by a Responsible Officer of such Grantor stating that the release of the respective Collateral is permitted pursuant to such Section 10.8(b). At any time that either any Borrower or the respective Grantor desires that, in connection with a Subsidiary of the Lead Borrower which has been released from the Subsidiaries Guaranty, the Collateral Agent take any action in connection with the release of such Subsidiary hereunder as provided in the last sentence of Section 10.8(b), it shall deliver to the Collateral Agent a certificate signed by a Responsible Officer of the Lead Borrower and the respective Grantor stating that the release of the respective Grantor (and its Collateral) is permitted pursuant to such Section 10.8(b).
The Collateral Agent shall have no liability whatsoever to any other Secured Creditor as the result of any release of Collateral by it in accordance with (or which the Collateral Agent in the absence of gross negligence and willful misconduct believes to be in accordance with) this Section 10.8.

10.9 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall constitute an original, but all of which, when taken together, shall constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Lead Borrower and the Collateral Agent. Delivery of an executed signature page to this Agreement by facsimile, PDF or other electronic transmission shall be as effective as delivery of an original executed counterpart of this Agreement.

10.10 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.11 The Collateral Agent and the other Secured Creditors. The Collateral Agent shall hold in accordance with this Agreement all items of the Collateral at any time received under this Agreement. Until the occurrence and continuation of an Event of Default, the Collateral Agent shall not directly pledge any Collateral in its possession or control to secure its own debt. It is expressly understood and agreed that the obligations of the Collateral Agent as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in Article 12 of the Credit Agreement. The Collateral Agent shall act hereunder on the terms and conditions set forth herein and in Article 12 of the Credit Agreement.

10.12 Additional Grantors. It is understood and agreed that any Subsidiary Borrower or Subsidiary Guarantor that desires to become a Grantor hereunder, or is required to execute a counterpart of this Agreement after the date hereof pursuant to the requirements of the Credit Agreement or any other Credit Document, shall become a Grantor hereunder by executing a counterpart hereof and delivering same to the Collateral Agent, or by executing and delivering to the Collateral Agent a joinder agreement substantially in the form of Exhibit D attached hereto, (y) delivering a Perfection Certificate and (z) taking all actions as specified in this Agreement as would have been taken by such Grantor had it been an original party to this Agreement, in each case with all documents required above to be delivered to the Collateral Agent and with all documents and actions required above to be taken to the reasonable satisfaction of the Collateral Agent.

10.13 Intercreditor Agreements. This Agreement and the other Credit Documents are subject to the terms and conditions set forth in the Intercreditor Agreements in all respects and, in the event of any conflict between the terms of the ABL Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement and this Agreement, the terms of ABL Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement, as applicable, shall govern. Notwithstanding anything herein to the contrary, the Lien and security interest granted to the Collateral Agent pursuant to any Credit Document and the exercise of any right or remedy in respect of the Collateral by the Collateral Agent (or any Secured Creditor) hereunder or under any other Credit Document are subject to the provisions of the Intercreditor Agreements and in the event of any conflict between the terms of the ABL Intercreditor Agreement, First Lien/Second Lien Intercreditor Agreement, this Agreement and any other Credit Document, the terms of the ABL Intercreditor or First Lien/Second Lien Intercreditor Agreement, as applicable, shall govern and control with respect to the exercise of any such right or remedy. Without
limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, no Credit Party shall be required hereunder or under any Credit Document to take any action with respect to the Collateral that is inconsistent with such Credit Parties’ obligations under the Intercreditor Agreements. Prior to the Discharge of Revolving Credit Obligations, the delivery or granting of “control” (as defined in the UCC) to the extent only one Person can be granted “control” therein under applicable law of any ABL Collateral (as defined in the ABL Intercreditor Agreement) to the ABL Collateral Agent pursuant to the terms of the Revolving Credit Collateral Documents (as defined in the ABL Intercreditor Agreement) shall satisfy any such delivery or granting of “control” requirement hereunder or under any other Credit Document with respect to any ABL Collateral to the extent that such delivery or granting of “control” is consistent with the terms of the ABL Intercreditor Agreement. Prior to the Discharge of Senior Obligations (as such term is defined in the First Lien/Second Lien Intercreditor Agreement), the delivery or granting of “control” (as defined in the UCC) to the extent only one Person can be granted “control” therein under applicable law of any Collateral to a Senior Priority Representative (as such term is defined in the First Lien/Second Lien Intercreditor Agreement) pursuant to the terms of the Senior Priority Collateral Documents (as such term is defined in the First Lien/Second Lien Intercreditor Agreement) shall satisfy any such delivery or granting of “control” requirement hereunder or under any other Credit Document to the extent that such delivery or granting of “control” is consistent with the terms of the Intercreditor Agreements.
IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered by their duly authorized officers as of the date first above written.

(ii) at any time when an Event of Default shall have occurred and be continuing, with respect to a Certificated Security, Uncertificated Security, Partnership Interest or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary (including a Federal Reserve Bank, Participants Trust Company or The Depository Trust Company), such Pledgor shall promptly notify the Pledgee thereof and shall promptly take (x) all actions required (i) to comply with the applicable rules of such Clearing Corporation or Securities Intermediary and (ii) to perfect the security interest of the Pledgee under applicable law (including, in any event, under Sections 9-314(a), (b) and (c), 9-106 and 8-106(d) of the UCC) and (y) such other actions as the Pledgee deems necessary or desirable to effect the foregoing;

(iii) with respect to an Uncertificated Security (other than an Uncertificated Security credited on the books of a Clearing Corporation or Securities Intermediary), at any time any Event of Default under the Credit Agreement has occurred and is continuing, such Pledgor shall cause the issuer of such Uncertificated Security, promptly, upon the request of the Collateral Agent, to duly authorize, execute, and deliver to the Pledgee, an agreement for the benefit of the Pledgee and the other Secured Creditors substantially in the form of Annex A hereto (appropriately completed to the reasonable satisfaction of the Pledgee and with such modifications, if any, as shall be reasonably satisfactory to the Pledgee) pursuant to which such issuer agrees to comply with any and all instructions originated by the Pledgee without further consent by the registered owner and not to comply with instructions regarding such Uncertificated Security (and any Partnership Interests and Limited Liability Company Interests issued by such issuer) originated by any other Person other than a court of competent jurisdiction;

(iv) [reserved]; and

(v) with respect to any Note (other than a Note which does not have a principal amount in excess of $1,000,000), such Pledgor shall on the date hereof, with respect to any Note held on the date hereof, and on or prior to the next Quarterly Update Date, with respect to any Note acquired after the date hereof, physically deliver such Note to the Pledgee, endorsed in blank or endorsed to the Pledgee;

provided that, notwithstanding anything to the contrary contained in this Section 3.2(a), a Pledgor shall not be required to take the actions set forth in this Section with respect to any Equity Interests of a Person that is not a Subsidiary of such Pledgor to the extent the aggregate fair market value of all such Equity Interests does not exceed $1,000,000.

(b) In addition to the actions required to be taken pursuant to Section 3.2(a) hereof, each Pledgor shall take the following additional actions with respect to the Collateral:

(i) with respect to all Collateral of such Pledgor whereby or with respect to which the Pledgee may obtain “control” thereof within the meaning of Section 8-106 of the UCC (or under any provision of the UCC as same may be amended or supplemented from time to time, or under the laws of any relevant State other than the State of New York), such Pledgor shall take all actions as may be reasonably requested from time to time by the Pledgee so that “control” of such Collateral is obtained and at all times held by the Pledgee, in each case to the extent otherwise required by this Agreement; and

(ii) each Pledgor shall from time to time cause appropriate financing statements (on appropriate forms) under the Uniform Commercial Code, covering all Collateral hereunder (with the form of such financing statements to be reasonably satisfactory to the Pledgee), to be filed in the relevant filing offices, so that at all times the Pledgee’s security interest in the Investment Property and other Collateral which can be perfected by the filing of such financing statements (in each case to the maximum extent perfection by filing may be obtained under the laws of the relevant States, including, without limitation, Section 9-312(a) of the UCC) is so perfected.

Without limiting the foregoing, each Pledgor shall be required to pledge hereunder the Equity Interests of any FSHCO or Foreign Subsidiary at any time and from time to time after the date hereof acquired by such Pledgor, provided that (x) any such pledge of Voting Equity Interests of any FSHCO or Foreign Subsidiary that is a CFC shall be subject to the provisions of clauses (x) and (y) of the proviso to Section 3.1 hereof and (y) each Pledgor shall be required to pledge hereunder 100% of the Non-Voting Equity Interests of each FSHCO or Foreign Subsidiary at any time and from time to time acquired by such Pledgor.

3.4 Transfer Taxes. Each pledge of Collateral under Section 3.1 or Section 3.3 hereof shall be accompanied by any transfer tax stamps required in connection with the pledge of such Collateral and if paid by any Secured Creditor, shall be reimbursed in accordance with the terms and provisions set forth in the Credit Agreement.

3.5 Certain Representations and Warranties Regarding the Collateral. Each Pledgor represents and warrants that on the date hereof: (i) each Subsidiary of such Pledgor, and the direct ownership thereof, is listed in Schedule 9(a) of the Perfection Certificate; (ii) the Equity Interests (and any warrants or options to purchase Equity Interests), in each case of any such Equity Interests in a Person that is not a Subsidiary of the Lead Borrower to the extent valued in excess of $1,000,000, held by such Pledgor consists of the number and type of shares of the Equity Interests (or warrants or options to purchase any Equity Interests) of the corporations as described in Schedule 9(b) of the Perfection Certificate; (iii) such Equity Interests referenced in clause (ii) of this paragraph constitutes that percentage of the issued and outstanding Equity Interests of the issuing corporation (or other applicable issuer) as is set forth in Schedule 9(b) of the Perfection Certificate; (iv) the Notes held by such Pledgor consist of the intercompany notes and the promissory notes described in Schedule 10 of the Perfection Certificate where such Pledgor is listed as the lender, in each case to the extent any such Note exceeds $1,000,000; (v) the Limited Liability Company Interests held by such Pledgor and required to be pledged hereunder consist of the number and type of interests of the Persons described in Schedule 9(a) and Schedule 9(b) of the Perfection Certificate; (vi) each such Limited Liability Company Interest referenced in clause (v) of this paragraph constitutes that percentage of the issued and outstanding equity interest of the issuing Person as set forth in Schedule 9(a) and Schedule 9(b) of the Perfection Certificate; (vii) the Partnership Interests held by such Pledgor and required to be pledged hereunder consist of the number and type of interests of the Persons described in Schedule 9(a) and Schedule 9(b) of the Perfection Certificate; (viii) each such Partnership Interest referenced in clause (vii) of this paragraph constitutes that percentage or portion of the entire partnership interest of the Partnership as set forth in Schedule 9(a) and Schedule 9(b) of the Perfection Certificate; (ix) the Pledgor has complied with the respective procedure set forth in Section 3.2(a) hereof (to the extent applicable and required thereby) with respect to each item of Collateral described in Schedules 9(a), 9(b) and 10 of the Perfection Certificate; and (x) on the date hereof, such
Pledgor owns no other Securities, Equity Interests, Notes, Limited Liability Company Interests or Partnership Interests which are required to be listed on such Schedules and pledged under Section 3.1 hereof.

4. **Appointment of Sub-Agents.** The Pledgee shall have the right to appoint one or more sub-agents for the purpose of retaining physical possession of the Collateral.

5. **Voting, Etc., While No Event of Default.** For greater certainty, unless and until there shall have occurred and be continuing any Event of Default under the Credit Agreement, each Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Collateral owned by it, and to give consents, waivers or ratifications in respect thereof. All such rights of each Pledgor to vote and to give consents, waivers and ratifications shall cease at any time after the occurrence and during the continuance of an Event of Default and, except in the case of an Event of Default under Section 11.05 of the Credit Agreement, upon at least one Business Days’ prior written notice from the Pledgee of its intent to exercise its rights under this Agreement.

6. **Dividends and Other Distributions.** For greater certainty, except as permitted under the Credit Agreement, unless and until there shall have occurred and be continuing any Event of Default and, other than in the case of an Event of Default under Section 11.05 of the Credit Agreement, the Pledgee shall have given at least one Business Days’ prior written notice of its intent to exercise such rights to the Pledgor, all cash dividends, cash distributions, cash Proceeds and other cash amounts payable in respect of the Collateral shall be paid to the respective Pledgor. While this Agreement is in effect, the Pledgee shall be entitled to receive directly, and to retain as part of the Collateral, in each case, to the extent otherwise required by this Agreement:

   (i) all other or additional Equity Interests, Notes, Certificated Securities, Limited Liability Company Interests, Partnership Interests, Instruments or other securities or property (including, but not limited to, cash dividends other than as set forth above) paid or distributed by way of dividend or otherwise in respect of the Collateral;

   (ii) all other or additional Equity Interests, Notes, Certificated Securities, Limited Liability Company Interests, Partnership Interests, Instruments or other securities or property (including, but not limited to, cash (although such cash may be paid directly to the respective Pledgor so long as no Event of Default then exists)) paid or distributed in respect of the Collateral by way of stock-split, spin-off, split-up, reclassification, combination of shares or similar rearrangement; and

   (iii) all other or additional Equity Interests, Notes, Certificated Securities, Limited Liability Company Interests, Partnership Interests, Instruments or other securities or property (including, but not limited to, cash) which may be paid in respect of the Collateral by reason of any consolidation, merger, exchange of stock, conveyance of assets, liquidation or similar corporate or other reorganization.

Nothing contained in this Section 6 shall limit or restrict in any way the Pledgee’s right to receive the proceeds of the Collateral in any form in accordance with Section 3 of this Agreement. All dividends, distributions or other payments which are received by any Pledgor contrary to the provisions of this Section 6 or Section 7 hereof shall be received for the benefit of the Pledgee, shall be segregated from other property or funds of such Pledgor and shall be forthwith delivered to the Pledgee as Collateral in the same form as so received (with any necessary endorsement).
7. Remedies in Case of an Event of Default. (a) If there shall have occurred and be continuing an Event of Default, then and in every such case, subject to the terms of the Intercreditor Agreements, the Pledgee shall be entitled to exercise all of the rights, powers and remedies (whether vested in it by this Agreement, any other Secured Debt Agreement or by law) for the protection and enforcement of its rights in respect of the Collateral, and the Pledgee shall be entitled to exercise all the rights and remedies of a secured party under the UCC as in effect in any relevant jurisdiction and also shall be entitled, without limitation, to exercise the following rights, with each Pledgor hereby agreeing that the rights set forth in clauses (i), (ii), (iii), (iv) and (vi) below are commercially reasonable:

(i) to receive all amounts payable in respect of the Collateral otherwise payable under Section 6 hereof to the respective Pledgor;

(ii) to, upon at least one Business Day’s prior written notice, transfer all or any part of the Collateral into the Pledgee’s name or the name of its nominee or nominees;

(iii) to accelerate any Pledged Note which may be accelerated in accordance with its terms, and take any other lawful action to collect upon any Pledged Note (including, without limitation, to make any demand for payment thereon);

(iv) to, upon at least one Business Day’s prior written notice, vote (and exercise all rights and powers in respect of voting) all or any part of the Collateral (whether or not transferred into the name of the Pledgee) and give all consents, waivers and ratifications in respect of the Collateral and otherwise act with respect thereto as though it were the outright owner thereof (each Pledgor hereby irrevocably constituting and appointing the Pledgee the proxy and attorney-in-fact of such Pledgor, with full power of substitution to do so);

(v) at any time and from time to time to sell, assign and deliver, or grant options to purchase, all or any part of the Collateral, or any interest therein, at any public or private sale, without demand of performance, advertisement or, notice of intention to sell or of the time or place of sale or adjournment thereof or to redeem or otherwise purchase or dispose (all of which are hereby waived by each Pledgor), for cash, on credit or for other property, for immediate or future delivery without any assumption of credit risk, and for such price or prices and at such time or times, at such place or places and on such terms as the Pledgee may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable, provided at least 10 days’ prior written notice of the time and place of any such sale shall be given to the respective Pledgor. The Pledgee shall not be obligated to make any such sale of Collateral regardless of whether any such notice of sale has theretofore been given. Each Pledgor hereby waives and releases to the fullest extent permitted by law any right or equity of redemption with respect to the Collateral, whether before or after sale hereunder, and all rights, if any, of marshalling the Collateral and any other security or the Obligations or otherwise. At any such sale, unless prohibited by applicable law, the Pledgee on behalf of the Secured Creditors may bid for and purchase all or any part of the Collateral so sold free from any such right or equity of redemption. Neither the Pledgee nor any other Secured Creditor shall be liable for failure to collect or realize upon any or all of the Collateral or for any delay in so doing nor shall any of them be under any obligation to take any action whatsoever with regard thereto; and

(vi) to set off any and all Collateral against any and all Obligations, and to withdraw any and all cash or other Collateral from any and all Collateral Accounts and to apply such cash and other Collateral to the payment of any and all Obligations.
(b) It is understood and agreed that in respect of Collateral consisting of Uncertificated Securities, Partnership Interests and Limited Liability Company Interests subject of an agreement substantially in the form of Annex A and as described in Section 3.2(a)(ii), unless an Event of Default has occurred and is continuing, the Pledgee shall not deliver to the issuer of such Uncertificated Securities, Partnership Interests or Limited Liability Company Interests, as the case may be, a notice stating that the Pledgee is exercising exclusive control of such Uncertificated Securities, Partnership Interests or Limited Liability Company Interests, as the case may be, under, and as described in such respective agreement.

8. Remedies, Cumulative, Etc. Each and every right, power and remedy of the Pledgee provided for in this Agreement or in any other Secured Debt Agreement, or now or hereafter existing at law or in equity or by statute shall be cumulative and concurrent and, subject to Section 12(c) hereof, shall be in addition to every other such right, power or remedy. The exercise or beginning of the exercise by the Pledgee or any other Secured Creditor of any one or more of the rights, powers or remedies provided for in this Agreement or any other Secured Debt Agreement or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the Pledgee or any other Secured Creditor of all such other rights, powers or remedies, and no failure or delay on the part of the Pledgee or any other Secured Creditor to exercise any such right, power or remedy shall operate as a waiver thereof. No notice to or demand on any Pledgor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Pledgee or any other Secured Creditor to any other or further action in any circumstances without notice or demand. The Secured Creditors agree that this Agreement may be enforced only by the action of the Pledgee and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Pledgee for the benefit of the Secured Creditors upon the terms of this Agreement and the Security Agreement.

(a) Subject to the terms of the Intercreditor Agreements, all monies collected by the Pledgee upon any sale or other disposition of the Collateral as a result of the exercise of any remedies by the Pledgee after the occurrence and during the continuance of an Event of Default pursuant to the terms of this Agreement, together with all other monies received by the Pledgee hereunder, shall be applied in the manner provided in the Security Agreement.

(b) It is understood and agreed that each Pledgor shall remain jointly and severally liable with respect to its Obligations to the extent of any deficiency between the amount of the proceeds of the Collateral pledged by it hereunder and the aggregate amount of such Obligations.

10. Purchasers of Collateral. Upon any sale of the Collateral by the Pledgee hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt of the Pledgee or the officer making such sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Pledgee or such officer or be answerable in any way for the misapplication or nonapplication thereof.

11. Indemnity. The terms of Section 13.01 of the Credit Agreement are incorporated herein by reference, mutatis mutandis, and the parties hereto agree to such terms.
12. Pledgee Not A Partner or Member

(a) Nothing herein shall be construed to make the Pledgee or any other Secured Creditor liable as a member of any limited liability company or as a partner of any partnership and neither the Pledgee nor any other Secured Creditor by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that, unless the Pledgee shall become the absolute owner of Collateral consisting of a Limited Liability Company Interest or a Partnership Interest pursuant hereto, this Agreement shall not be construed as creating a partnership or joint venture among the Pledgee, any other Secured Creditor, any Pledgor and/or any other Person.

(b) Except as provided in the last sentence of paragraph (a) of this Section 12, the Pledgee, by accepting this Agreement, did not intend to become a member of any limited liability company or a partner of any partnership or otherwise be deemed to be a co-venturer with respect to any Pledgor, any limited liability company, partnership and/or any other Person either before or after an Event of Default shall have occurred. The Pledgee shall have only those powers set forth herein and the Secured Creditors shall assume none of the duties, obligations or liabilities of a member of any limited liability company or as a partner of any partnership or any Pledgor except as provided in the last sentence of paragraph (a) of this Section 12.

(c) The Pledgee and the other Secured Creditors shall not be obligated to perform or discharge any obligation of any Pledgor as a result of the pledge hereby effected.

(d) The acceptance by the Pledgee of this Agreement, with all the rights, powers, privileges and authority so created, shall not at any time or in any event obligate the Pledgee or any other Secured Creditor to appear in or defend any action or proceeding relating to the Collateral to which it is not a party, or to take any action hereunder or thereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Collateral.

13. Further Assurances; Power-of-Attorney

(a) To the extent otherwise required by this Agreement or the other Credit Documents, each Pledgor will, at its own expense and upon the reasonable request of the Pledgee, make, execute, endorse, acknowledge, file and/or deliver to the Pledgee from time to time such lists, descriptions and designations of its Collateral, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Pledgee deems reasonably appropriate or advisable to perfect, preserve or protect its security interest in the Collateral at least to the extent described in Section 3.

(b) Each Pledgor agrees to deliver to the Pledgee such financing statements, in form reasonably acceptable to the Pledgee, as the Pledgee may from time to time reasonably request to establish and maintain a valid, enforceable, perfected security interest in the Collateral as provided herein and for the purpose of obtaining and preserving the full benefits of the other rights and security contemplated hereby at least to the extent described in Section 3. Each Pledgor will pay any applicable filing fees, recordation taxes and related expenses relating to its Collateral. Each Pledgor hereby authorizes the Pledgee to file any such financing statements (and such authorization includes describing the Collateral as “all assets and all personal property whether now owned or hereafter acquired” of such Pledgor or words of similar effect).
(c) Subject to the terms of the Intercreditor Agreements, each Pledgor hereby constitutes and appoints the Pledgee its true and lawful attorney, irrevocably, with full power after the occurrence of and during the continuance of an Event of Default (in the name of such Pledgor or otherwise) to act, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys due or to become due to such Pledgor under or arising out of the Collateral, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Pledgee may deem to be reasonably necessary or advisable to protect the interests of the Secured Creditors, which appointment as attorney is coupled with an interest.

14. The Pledgee as Collateral Agent. The Pledgee shall hold in accordance with this Agreement all items of Collateral at any time received under this Agreement. Until the occurrence and continuation of an Event of Default, the Pledgee shall not directly pledge any Collateral in its possession or control to secure its own debt. It is expressly understood and agreed that the obligations of the Pledgee as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in Article 12 of the Credit Agreement. The Pledgee shall act hereunder on the terms and conditions set forth herein and in Article 12 of the Credit Agreement.

15. Transfer by the Pledgors. Except as permitted or not prohibited pursuant to the Credit Agreement, no Pledgor will sell or otherwise dispose of, grant any option with respect to, or mortgage, pledge or otherwise encumber any of the Collateral or any interest therein.

16. Representations, Warranties and Covenants of the Pledgors

(a) Each Pledgor represents, warrants and, until the Termination Date, covenants as to itself and each of its Subsidiaries that:

(i) it is the legal, beneficial and (except as to Securities credited on the books of a Clearing Corporation or a Securities Intermediary) record owner of, and has good and valid title to, all of its Collateral consisting of one or more Securities, Partnership Interests and Limited Liability Company Interests and that it has sufficient interest in all of its Collateral in which a security interest is purported to be created hereunder for such security interest to attach (subject, in each case, to no Lien or Adverse Claim except the Liens and security interests created by this Agreement and Permitted Liens);

(ii) it has full power and authority to pledge all the Collateral pledged by it pursuant to this Agreement;

(iii) this Agreement has been duly authorized, executed and delivered by such Pledgor and constitutes a legal, valid and binding obligation of such Pledgor enforceable against such Pledgor in accordance with its terms, subject to (A) the effects of bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors’ rights generally and by general equitable principles (regardless of whether enforcement is sought in equity or at law) and (B) as it relates to the pledge of any Equity Interests of any Foreign Corporations (including any Foreign Subsidiaries of the Lead Borrower), the effects of the possible judicial application of foreign laws or foreign governmental or judicial action affecting creditors’ rights;

(iv) except as would not reasonably be expected to have a Material Adverse Effect, no consent of any other party (including, without limitation, any stockholder, partner, member or creditor of such Pledgor or any of its Subsidiaries) and no material consent, license, permit, approval or authorization of, exemption by, notice or report to, or registration, filing or
declaration with, any governmental authority is required to be obtained by such Pledgor (except for (x) those that have otherwise been obtained or made on or prior to the Closing Date and which remain in full force and effect on the Closing Date and (y) filings which are necessary to perfect the security interests created under the this Agreement) in connection with (a) the execution, delivery or performance of this Agreement by such Pledgor, (b) the validity or enforceability of this Agreement against such Pledgor, (c) the filing of any financing statements, the perfection or enforceability of the Pledgee’s security interest in such Pledgor’s Collateral or (d) except for compliance with or as may be required by applicable securities laws, the exercise by the Pledgee of any of its rights or remedies provided herein;

(v) neither the execution, delivery or performance by such Pledgor of this Agreement, or any other Secured Debt Agreement to which it is a party, nor compliance by it with the terms and provisions hereof and thereof, (i) will contravene any provision of any applicable law, statute, rule or regulation, or any applicable order, writ, injunction or decree of any court or governmental instrumentality, domestic or foreign, applicable to such Pledgor, (ii) will conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents and Permitted Liens) upon any of the properties or assets of any such Pledgor or any of its Restricted Subsidiaries pursuant to the terms of, any indenture, mortgage, deed of trust, credit agreement or loan agreement, or any other material agreement, contract or instrument, in each case to which such Pledgor or any of its Subsidiaries is a party or by which it or any of its properties or assets is bound or to which it may be subject (except, in the case of preceding clauses (i) and (ii), other than in the case of any contravention, breach, default and/or conflict, that would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect); or (iii) will violate any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of such Pledgor or any of its Restricted Subsidiaries.

(vi) all of such Pledgor’s Collateral (consisting of Securities, Limited Liability Company Interests and Partnership Interests issued by any Pledgor or any Restricted Subsidiary of any Pledgor) has been duly and validly issued, is fully paid and non-assessable (other than any assessment on the shareholders of the applicable issuer that may be imposed as a matter of law) and is subject to no options to purchase or similar rights except as set forth on Schedule 9(a) or 9(b) of the Perfection Certificate;

(vii) except as would not reasonably be expected to have a Material Adverse Effect, each of such Pledgor’s Pledged Notes issued by any Pledgor or any Subsidiary of any Pledgor constitutes, or when executed by the obligor thereof will constitute, the legal, valid and binding obligation of such obligor, enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors’ rights generally and by general equitable principles (regardless of whether enforcement is sought in equity or at law);

(viii) the pledge, collateral assignment and delivery to the Pledgee of such Pledgor’s Collateral consisting of Certificated Securities and Pledged Notes consisting of Instruments pursuant to this Agreement and the continued possession thereof by the Pledgee or an Affiliate creates a valid and perfected security interest in such Certificated Securities and Pledged Notes, and the proceeds thereof, having the priority specified in the Intercreditor Agreements, subject to no prior Lien or encumbrance or to any agreement purporting to grant to any third party a Lien or
encumbrance on the property or assets of such Pledgor which would include the Securities (other than Permitted Liens) and the Pledgee is entitled to all the rights, priorities and benefits afforded by the UCC or other relevant law as enacted in any relevant jurisdiction to perfect security interests in respect of such Collateral; and

(ix) to the extent required by Section 3.2, the Pledgor shall have taken all steps in its control so that the Pledgee may obtain “control” (as defined in Section 8-106 of the UCC) over all of such Pledgor’s Collateral consisting of Securities (including, without limitation, Notes that are Securities) with respect to which such “control” may be obtained pursuant to Section 8-106 of the UCC, except to the extent that the obligation of the applicable Pledgor to provide the Pledgee with “control” of such Collateral has not yet arisen under this Agreement; provided that in the case of the Pledgee obtaining “control” over Collateral consisting of a Security Entitlement, such Pledgor shall have taken all steps in its control so that the Pledgee obtains “control” over such Security Entitlement.

(b) Each Pledgor covenants and agrees that it will defend the Pledgee’s right, title and security interest in and to such Pledgor’s Collateral (whether now owned or hereinafter acquired) and the proceeds thereof against the claims and demands of all persons whomsoever (other than Permitted Liens).

17. reserved.

18. Pledgors’ Obligations Absolute, Etc. To the maximum extent permitted by applicable law, the obligations of each Pledgor hereunder shall remain in full force and effect without regard to, and shall not be impaired by, (a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of such Pledgor; (b) any exercise or non-exercise, or any waiver of, any right, remedy, power or privilege under or in respect of this Agreement or any other Secured Debt Agreement; or (c) any amendment to or modification of any Secured Debt Agreement or any security for any of the Obligations; whether or not such Pledgor shall have notice or knowledge of any of the foregoing.

19. Sale of Collateral Without Registration. If at any time when the Pledgee shall determine to exercise its right to sell all or any part of the Collateral consisting of Securities or Equity Interests pursuant to Section 7 hereof, and such Collateral or the part thereof to be sold shall not, for any reason whatsoever, be effectively registered under the Securities Act, as then in effect, the Pledgee may, in its sole and absolute discretion, sell such Collateral or part thereof by private sale in such manner and under such circumstances as the Pledgee may deem necessary or advisable in order that such sale may legally be effected without such registration. Without limiting the generality of the foregoing, in any such event the Pledgee, in its sole and absolute discretion (i) may proceed to make such private sale notwithstanding that a registration statement for the purpose of registering such Collateral or part thereof shall have been filed under such Securities Act, (ii) may approach and negotiate with a single possible purchaser to effect such sale, and (iii) may restrict such sale to a purchaser who will represent and agree, among other things, that such purchaser is purchasing for its own account, for investment, and not with a view to the distribution or sale of such Collateral or part thereof. In the event of any such sale, the Pledgee shall incur no responsibility or liability for selling all or any part of the Collateral at a price which the Pledgee, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might be realized if the sale were deferred until the registration as aforesaid.
20. Termination; Release.

(a) On the Termination Date (as defined below), this Agreement shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Pledgors (provided that all indemnities set forth herein including, without limitation, in Section 11 hereof shall survive any such termination) and the Pledgee, at the request and expense of such Pledgor, will promptly execute and deliver to such Pledgor a proper instrument or instruments acknowledging the satisfaction and termination of this Agreement (including, without limitation, UCC termination statements and instruments of satisfaction, discharge and/or reconveyance), and will duly release from the security interest created hereby and assign, transfer and deliver to such Pledgor (without recourse and without any representation or warranty) such of the Collateral as may be in the possession of the Pledgee or any of its sub-agents hereunder and as has not theretofore been sold or otherwise applied or released pursuant to this Agreement, together with any moneys at the time held by the Pledgee or any of its sub-agents hereunder and, with respect to any Collateral consisting of an Uncertificated Security, a Partnership Interest or a Limited Liability Company Interest (other than an Uncertificated Security, Partnership Interest or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary), a termination of the agreement relating thereto executed and delivered by the issuer of such Uncertificated Security pursuant to Section 3.2(a)(ii). As used in this Agreement, “Termination Date” shall mean the date upon which the Total Commitment under the Credit Agreement has been terminated and all Credit Document Obligations have been paid in full, no Note (as such term is defined in the Credit Agreement) under the Credit Agreement is outstanding and all Term Loans thereunder have been repaid in full (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements).

Furthermore, upon the release of any Subsidiary Guarantor from the Subsidiaries Guaranty in accordance with the provisions thereof, such Pledgor (and the Collateral at such time assigned by the respective Pledgor pursuant hereto) shall be released from this Agreement.

(c) At any time that any Pledgor desires that the Pledgee take any action to acknowledge or give effect to any release of Collateral pursuant to the foregoing Section 20(a) or (b), such Pledgor shall deliver to the Pledgee (and the relevant sub-agent, if any, designated pursuant to Section 4 hereof) a certificate signed by a Responsible Officer of such Pledgor stating that the release of the respective Collateral is permitted pursuant to Section 20(a) or (b) hereof.

(d) The Pledgee shall have no liability whatsoever to any other Secured Creditor as the result of any release of Collateral by it in accordance with (or which the Collateral Agent in the absence of gross negligence and willful misconduct believes to be in accordance with) this Section 20.

26. **Pledgor’s Duties.** It is expressly agreed, anything herein contained to the contrary notwithstanding, that each Pledgor shall remain liable to perform all of the obligations, if any, assumed by it with respect to the Collateral and the Pledgee shall not have any obligations or liabilities with respect to any Collateral by reason of or arising out of this Agreement, except for the safekeeping of Collateral actually in Pledgor’s possession, nor shall the Pledgee be required or obligated in any manner to perform or fulfill any of the obligations of any Pledgor under or with respect to any Collateral.

27. **Counterparts.** This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall constitute an original, but all of which, when taken together, shall constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with each Pledgor and the Pledgee. Delivery of an executed signature page to this Agreement by facsimile, PDF or other electronic transmission shall be as effective as delivery of an original executed counterpart of this Agreement.

29. **[Reserved]**

30. **Additional Pledgors.** It is understood and agreed that any Subsidiary Guarantor that is required to become a party to this Agreement after the date hereof pursuant to the requirements of the Credit Agreement or any other Credit Document, shall become a Pledgor hereunder by executing and delivering to the Pledgee a joinder agreement substantially in the form of Exhibit A attached hereto and taking all actions as specified in this Agreement as would have been taken by such Pledgor had it been an original party to this Agreement, in each case with all documents required above to be delivered to the Pledgee and with all documents and actions required above to be taken to the reasonable satisfaction of the Pledgee.

31. **Limited Obligations.** It is the desire and intent of each Pledgor and the Secured Creditors that this Agreement shall be enforced against each Pledgor to the fullest extent permissible under the laws applied in each jurisdiction in which enforcement is sought. Notwithstanding anything to the contrary contained herein, in furtherance of the foregoing, it is noted that the obligations of each Pledgor constituting a Subsidiary Guarantor have been limited as provided in the Subsidiaries Guaranty.

32. **Release of Pledgors.** If at any time all of the Equity Interests of any Pledgor owned by the Lead Borrower or any of its Subsidiaries are sold (to a Person other than a Credit Party) in a transaction permitted pursuant to the Credit Agreement, then, such Pledgor shall be released as a Pledgor pursuant to this Agreement without any further action hereunder (it being understood that the sale of all of the Equity Interests in any Person that owns, directly or indirectly, all of the Equity Interests in any
Pledgor shall be deemed to be a sale of all of the Equity Interests in such Pledgor for purposes of this Section), and the Pledgee is authorized and directed to execute and deliver such instruments of release as are reasonably satisfactory to it. At any time that the Lead Borrower desires that the Pledgee take any action in accordance with this Section 32, the Lead Borrower shall deliver to the Pledgee a certificate signed by a Responsible Officer of the Lead Borrower stating that the release of such Pledgor is permitted pursuant to this Section 32.

Notwithstanding anything herein to the contrary, the Lien and security interest granted to the Pledgee pursuant to any Credit Document and the exercise of any right or remedy in respect of the Collateral by the Pledgee (or any Secured Creditor) hereunder or under any other Credit Document are subject to the provisions of the Intercreditor Agreements and in the event of any conflict between the terms of the ABL Intercreditor Agreement, the First Lien/Second Lien Intercreditor Agreement, this Agreement and any other Credit Document, the terms of the ABL Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement, as applicable, shall govern and control with respect to the exercise of any such right or remedy. Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, no Credit Party shall be required hereunder or under any Credit Document to take any action with respect to the Collateral that is inconsistent with such Credit Parties’ obligations under the Intercreditor Agreements. Prior to the Discharge of Revolving Credit Obligations (as defined in the ABL Intercreditor Agreement), the delivery or granting of “control” (as defined in the UCC), to the extent only one Person can be granted “control” therein under applicable law, of any ABL Collateral (as defined in the ABL Intercreditor Agreement) to the collateral agent under the ABL Credit Agreement pursuant to the terms of the Revolving Credit Collateral Documents (as defined in the ABL Intercreditor Agreement) shall satisfy any such delivery or granting of “control” requirement hereunder or under any other Credit Document with respect to any ABL Collateral to the extent that such delivery or granting of “control” is consistent with the terms of the ABL Intercreditor Agreement. Prior to the Discharge of Senior Obligations (as such term is defined in the First Lien/Second Lien Intercreditor Agreement), the delivery or granting of “control” (as defined in the UCC) to the extent only one Person can be granted “control” therein under applicable law of any Collateral to a Senior Priority Representative (as such term is defined in the First Lien/Second Lien Intercreditor Agreement) pursuant to the terms of the Senior Priority Collateral Documents (as such term is defined in the First Lien/Second Lien Intercreditor Agreement) shall satisfy any such delivery or granting of “control” requirement hereunder or under any other Credit Document to the extent that such delivery or granting of “control” is consistent with the terms of the Intercreditor Agreements.

TO
SECOND LIEN PLEDGE AGREEMENT

Form of Agreement Regarding Uncertificated Securities, Limited Liability Company Interests and Partnership Interests

AGREEMENT (as amended, modified, restated and/or supplemented from time to time, this “Agreement”), dated as of [______, 20__], among the undersigned pledgor (the “Pledgor”), [_______], not in its individual capacity but solely as Collateral Agent (the “Pledgee”), and [_______], as the issuer of the Uncertificated Securities, Limited Liability Company Interests and/or Partnership Interests (each as defined below) (the “Issuer”). Except as otherwise defined herein, all capitalized terms used herein and defined in the Pledge Agreement (as defined below) shall be used herein as therein defined.

WITNESSETH:

WHEREAS, the Pledgor, certain of its affiliates and the Pledgee have entered into a Second Lien Pledge Agreement, dated as of October 20, 2016 (as amended, modified, restated and/or supplemented from time to time, the “Pledge Agreement”), under which, among other things, in order to secure the payment of the Obligations (as defined in the Pledge Agreement), the Pledgor has or will pledge to the Pledgee for the benefit of the Secured Creditors (as defined in the Pledge Agreement), and grant a security interest in favor of the Pledgee for the benefit of the Secured Creditors in, all of the right, title and interest of the Pledgor in and to certain [“uncertificated securities” (as defined in Section 8-102(a)(18) of the Uniform Commercial Code, as adopted in the State of New York) ("Uncertificated Securities")] [Partnership Interests (as defined in the Pledge Agreement)] [Limited Liability Company Interests (as defined in the Pledge Agreement)], from time to time issued by the Issuer, whether now existing or hereafter from time to time acquired by the Pledgor (with all of such [Uncertificated Securities] [Partnership Interests] [Limited Liability Company Interests] being herein collectively called the “Issuer Pledged Interests”); and

WHEREAS, the Pledgor desires the Issuer to enter into this Agreement in order to perfect the security interest of the Pledgee under the Pledge Agreement in the Issuer Pledged Interests, to vest in the Pledgee control of the Issuer Pledged Interests and to provide for the rights of the parties under this Agreement;

NOW, THEREFORE, in consideration of the premises and the mutual promises and agreements contained herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. The Pledgor hereby irrevocably authorizes and directs the Issuer, and the Issuer hereby agrees, to comply with any and all instructions and orders originated by the Pledgee (and its successors and assigns) regarding any and all of the Issuer Pledged Interests without the further consent by the registered owner (including the Pledgor), and, following its receipt of a notice from the Pledgee stating that the Pledgee is exercising exclusive control of the Issuer Pledged Interests, not to comply with any instructions or orders regarding any or all of the Issuer Pledged Interests originated by any person or entity other than the Pledgee (and its successors and assigns) or a court of competent jurisdiction.

A-1
2. All notices, statements of accounts, reports, prospectuses, financial statements and other communications to be sent to the Pledgor by the Issuer in respect of the Issuer will also be sent to the Pledgee at the following address:

Bank of America, N.A.

Attention: [   ]

Telephone No.: (212) [   ]

Telecopier No.: (212) [   ]

3. Following its receipt of a notice from the Pledgee stating that the Pledgee is exercising exclusive control of the Issuer Pledged Interests and until the Pledgee shall have delivered written notice to the Issuer that the Termination Date has occurred and this Agreement is terminated, the Issuer will send any and all redemptions, distributions, interest or other payments in respect of the Issuer Pledged Interests from the Issuer for the account of the Pledgee only by wire transfers to such account as the Pledgee shall instruct.

4. Except as expressly provided otherwise in Sections 4 and 5, all notices, instructions, orders and communications hereunder shall be sent or delivered by mail, telegraph, telex, telecopy, cable or overnight courier service and all such notices and communications shall, when mailed, telexed, telecopied, cabled or sent by overnight courier, be effective when deposited in the mails or delivered to overnight courier, prepaid and properly addressed for delivery on such or the next Business Day, or sent by telex or telecopier, except that notices and communications to the Pledgee or the Issuer shall not be effective until received. All notices and other communications shall be in writing and addressed as follows:

(a) if to the Pledgor, at:

[   ]

Attention: [   ]

Telephone No.: (212) [   ]

Telecopier No.: (212) [   ]

(b) if to the Pledgee, at the address given in Section 4 hereof;

(c) if to the Issuer, at:

or at such other address as shall have been furnished in writing by any person described above to the party required to give notice hereunder. As used in this Section 6, "Business Day" means any day other than a Saturday, Sunday, or other day in which banks in New York are authorized to remain closed.
5. This Agreement shall be binding upon the successors and assigns of the Pledgor and the Issuer and shall inure to the benefit of and be enforceable by the Pledgee and its successors and permitted assigns. This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which shall constitute one instrument. In the event that any provision of this Agreement shall prove to be invalid or unenforceable, such provision shall be deemed to be severable from the other provisions of this Agreement which shall remain binding on all parties hereto. None of the terms and conditions of this Agreement may be changed, waived, modified or varied in any manner whatsoever except in writing signed by the Pledgee, the Issuer and the Pledgor.

6. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

7. The rights and powers granted herein to the Pledgee have been granted in order to perfect its security interest in the Issuer Pledged Interests. This Agreement shall continue in effect until the security interest of the Pledgee in the Issuer Pledged Interests has been terminated and the Pledgee has notified the Issuer of such termination in writing. Upon receipt of such notice the obligations of Issuer pursuant to this Agreement with respect to the Issuer Pledged Interests after the receipt of such notice shall terminate, the Pledgee shall have no further right to originate instructions concerning the Issuer Pledged Interests and the Issuer may thereafter take such steps as the Pledgee may request to vest full ownership and control of the Issuer Pledged Interests in the Pledgor. The Pledgor may only terminate this Agreement with the written consent of the Pledgee; provided that, by giving such notice with the Pledgee’s written consent, both the Pledgor and the Pledgee acknowledge that they will thereby be confirming that, as of the termination date set forth in such Notice, the Pledgee will no longer have a perfected security interest in the Issuer Pledged Interests via control pursuant to this Agreement. Subject to the foregoing, this Agreement automatically terminates when the Pledgee notifies the Issuer that all obligations owed to the Pledgee have been paid in full and the Pledgee has terminated its security interest in the Issuer Pledged Interests.

8. This Agreement is subject to the terms and conditions set forth in the ABL Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement (each, as defined in the Credit Agreement) in all respects and, in the event of any conflict between the terms of the ABL Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement and this Agreement, the terms of ABL Intercreditor Agreement or the First Lien/Second Lien Intercreditor Agreement, as applicable, shall govern.
IN WITNESS WHEREOF, the Pledgor, the Pledgee and the Issuer have caused this Agreement to be executed by their duly elected officers duly authorized as of the date first above written.

in each case, at the option of the Lead Borrower (the Lead Borrower’s election to exercise such option in connection with any Limited Condition Transaction, an “LCT Election”), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger) or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to which such acquisition or Investment or (y) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) (x) the declaration of such Dividend or (y) the making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07(a), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) (x) the delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the “LCT Test Date”), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), the Lead Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with, except that, for the avoidance of doubt, in no event will the determination of Availability (on a stand-alone basis or as a component of Payment Conditions or Distribution Conditions) be made on any date other than the date of any applicable acquisition, Dividend, or other transaction. For the avoidance of doubt, if the Lead Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated Total Assets of the Lead Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Lead Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Investment permitted under Section 10.05, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Lead Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a “Subsequent Transaction”) following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro
Section 1.04 Exchange Rates; Currency Equivalent. All references in the Credit Documents to Loans, Letters of Credit, Obligations, Borrowing Base components and other amounts shall be denominated in Dollars, unless expressly provided otherwise. The Dollar Equivalent of any amounts denominated or reported under a Credit Document in a currency other than Dollars shall be determined by the Administrative Agent on a daily basis, based on the current Spot Rate. The Lead Borrower shall report value and other Borrowing Base components to the Administrative Agent in the currency invoiced by the Lead Borrower or shown in the Lead Borrower’s financial records, and unless expressly provided otherwise, shall deliver financial statements and calculate financial covenants in Dollars. Notwithstanding anything herein to the contrary, if any Obligation is funded and expressly denominated in a currency other than Dollars, the Borrowers shall repay such Obligation in such other currency.

ARTICLE 2 Amount and Terms of Credit

Section 2.01 The Commitments. Subject to the terms and conditions and relying upon the representations and warranties herein set forth, each Lender agrees, severally and not jointly, to make Revolving Loans to the Borrowers, at any time and from time to time on and after the Closing Date until the earlier of one Business Day prior to the Maturity Date and the termination of the Commitment of such Lender in accordance with the terms hereof, in an aggregate principal amount at any time outstanding that will not result in (i) such Lender’s Revolving Exposure exceeding the lesser of (A) such Lender’s Revolving Commitment, and (B) such Lender’s Pro Rata Percentage multiplied by the Borrowing Base then in effect or (ii) the total Revolving Loans made on the Closing Date exceeding the maximum amount permitted to be used on the Closing Date pursuant to Section 8.08. Within the limits set forth above and subject to the terms, conditions and limitations set forth herein, the Borrowers may borrow, pay or prepay and reborrow Revolving Loans. All Borrowers shall be jointly and severally liable as borrowers for all Loans regardless of which Borrower receives the proceeds thereof.

Section 2.02 Loans.

(a) Each Loan (other than Swingline Loans) shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; provided that the failure of any Lender to make any Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). Except for Loans deemed made pursuant to Section 2.02(f), Loans (other than Swingline Loans) comprising any Borrowing shall be in an aggregate principal amount that is (i) (A) in the case of Base Rate Loans, not less than $500,000 and (B) in the case of LIBO Rate Loans, an integral multiple of $250,000 and not less than $1,000,000, or (ii) equal to the remaining available balance of the applicable Revolving Commitments.

(b) Subject to Section 3.01, each Borrowing shall be comprised entirely of Base Rate Loans or LIBO Rate Loans as the Lead Borrower may request pursuant to Section 2.03. Each Lender may at its option make any LIBO Rate Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement or cause the Borrowers to pay additional amounts pursuant to Section 3.01. Borrowings of more than one Type may be outstanding at the same time; provided further that the Borrowers shall not be entitled to request any Borrowing that, if made, would result in more than ten (10) Borrowings of LIBO Rate Loans outstanding hereunder at any one time. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Except with respect to Loans made pursuant to Section 2.02(f), each Lender shall make each Loan (other than Swingline Loans) to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account in New York City as the Administrative Agent may designate not later than 3:00 p.m., New York City time, and the Administrative Agent shall promptly credit the amounts so received to an account as directed by the Lead Borrower in the applicable Notice of Borrowing maintained with the Administrative Agent or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met or waived, return the amounts so received to the respective Lenders.

46
(d) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (c) above, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, such Lender and the Lead Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to such Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Lead Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error). If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender’s Loan as part of such Borrowing for purposes of this Agreement.

(e) Notwithstanding any other provision of this Agreement, the Lead Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

(f) If the Issuing Bank shall not have received from the Lead Borrower the payment required to be made by Section 2.13(e) within the time specified in such Section, the Issuing Bank will promptly notify the Administrative Agent of the LC Disbursement and the Administrative Agent will promptly notify each Revolving Lender of such LC Disbursement and its Pro Rata Percentage thereof. Each Revolving Lender shall pay by wire transfer of immediately available funds to the Administrative Agent on such date (or, if such Revolving Lender shall have received such notice later than 12:00 (noon), New York City time, on any day, not later than 11:00 a.m., New York City time, on the immediately following Business Day), an amount equal to such Lender’s Pro Rata Percentage of such LC Disbursement (it being understood that such amount shall be deemed to constitute a Base Rate Loan of such Lender, and such payment shall be deemed to have reduced the LC Exposure), and the Administrative Agent will promptly pay to the Issuing Bank amounts so received by it from the Revolving Lenders. The Administrative Agent will promptly pay to the Issuing Bank any amounts received by it from the Lead Borrower pursuant to Section 2.13(e) prior to the time that any Revolving Lender makes any payment pursuant to this paragraph (f); any such amounts received by the Administrative Agent thereafter will be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made such payments and to the Issuing Bank, as their interests may appear. If any Revolving Lender shall not have made its Pro Rata Percentage of such LC Disbursement available to the Administrative Agent as provided above, such Lender and the Lead Borrower severally agree to pay interest on such amount, for each day from and including the date such amount is required to be paid in accordance with this paragraph (f) to but excluding the date such amount is paid, to the Administrative Agent for the account of the Issuing Bank at (i) in the case of a Borrowing of LIBO Rate Loans pursuant to Section 2.06(a), and (ii) in the case of such Lender, for the first such day, the Federal Funds Rate, and for each day thereafter, the Base Rate.

Section 2.03 Borrowing Procedure. To request a Revolving Borrowing, the Lead Borrower shall notify the Administrative Agent of such request by telecopy or electronic transmission (if arrangements for doing so have been approved by the Administrative Agent, which approval shall not be unreasonably withheld, conditioned or delayed) or telephone (promptly confirmed by telecopy or electronic transmission) (i) in the case of a Borrowing of LIBO Rate Loans, not later than 1:00 p.m., New York City time, three Business Days before the date of the proposed Borrowing or (ii) in the case of a Borrowing of Base Rate Loans (other than Swingline Loans), not later than 1:00 p.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Notice of Borrowing shall be irrevocable, subject to Sections 2.04 and 3.01, and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Notice of Borrowing in a form approved by the Administrative Agent and signed by the Lead Borrower. Each such telephonic and written Notice of Borrowing shall specify the following information in compliance with Section 2.02:
(a) the aggregate amount of such Borrowing;
(b) the date of such Borrowing, which shall be a Business Day;
(c) whether such Borrowing is to be a Borrowing of Base Rate Loans or a Borrowing of LIBO Rate Loans;
(d) in the case of a Borrowing of LIBO Rate Loans, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term “Interest Period”; provided that if the Borrowers wish to request LIBO Rate Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of “Interest Period,” the applicable notice must be received by the Administrative Agent not later than 11:00 a.m., New York City time, four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to each Lender of such request and determine whether the requested Interest Period is acceptable to all of them and the Administrative Agent shall notify the Lead Borrower (which notice may be by telephone) not later than 11:00 a.m., New York City time, three Business Days before the requested date of such Borrowing, conversion or continuation whether or not the requested Interest Period has been consented to by such Lenders; and
(e) the location and number of the account to which funds are to be disbursed, which shall comply with the requirements of Section 2.02.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be a Borrowing of Base Rate Loans. If no Interest Period is specified with respect to any requested Borrowing of LIBO Rate Loans, then the Lead Borrower shall be deemed to have selected an Interest Period of one month’s duration. Promptly following receipt of a Notice of Borrowing in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender’s Loan to be made as part of the requested Borrowing.

Section 2.04 Evidence of Debt; Repayment of Loans

(a) Each Borrower, jointly and severally, hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender, the then unpaid principal amount of each Revolving Loan of such Lender on the Maturity Date and (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the Maturity Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement. The Lead Borrower shall be entitled to review records of such accounts with prior reasonable notice during normal business hours.

(c) The Administrative Agent shall maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto; (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder; and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender’s share thereof. Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender. The Lead Borrower shall be entitled to review records of such accounts with prior reasonable notice during normal business hours.

(d) The entries made in the accounts maintained pursuant to paragraphs (b) and (c) above shall be prima facie evidence of the existence and amounts of the obligations therein recorded absent manifest error; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrowers to repay the Loans in accordance with their terms.
Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the applicable Borrower shall promptly prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) substantially in the form of Exhibit B-1 or Exhibit B-2, as applicable.

Section 2.05 Fees.

(a) Unused Line Fee. The Borrowers shall, jointly and severally, pay to the Administrative Agent, for the Pro Rata benefit of the Lenders (other than any Defaulting Lender), a fee equal to the Unused Line Fee Rate multiplied by the amount by which the Revolving Commitments (other than Revolving Commitments of a Defaulting Lender) exceed the average daily balance of outstanding Revolving Loans (other than Swingline Loans) and stated amount of outstanding Letters of Credit during any calendar quarter (such fee, the “Unused Line Fee”). Such fee shall accrue commencing on the Closing Date, and will be payable in arrears, on each Adjustment Date, commencing with January 1, 2017.

(b) Administrative Agent Fees. The Borrowers, jointly and severally, agree to pay to the Administrative Agent, for its own account, the fees set forth in the Fee Letter or such other fees payable in the amounts and at the times separately agreed upon between the Lead Borrower and the Administrative Agent (the “Administrative Agent Fees”).

(c) LC and Fronting Fees. The Borrowers, jointly and severally, agree to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee (“LC Participation Fee”) with respect to its participations in Letters of Credit, which shall accrue at a rate equal to the Applicable Margin from time to time used to determine the interest rate on LIBO Rate Loans pursuant to Section 2.06, on the average daily amount of such Lender’s LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which such Lender’s Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the Issuing Bank a fronting fee (“Fronting Fee”), which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as the Issuing Bank’s standard and reasonable fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder as agreed among the Lead Borrower and the Issuing Bank from time to time. LC Participation Fees and Fronting Fees shall be payable on each Adjustment Date, commencing with January 1, 2017; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand (including documentation reasonably supporting such request). Any other fees payable to the Issuing Bank pursuant to this paragraph shall be payable within 10 days after written demand (together with backup documentation supporting such reimbursement request). All LC Participation Fees and Fronting Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(d) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders (other than Defaulting Lenders), except that the Fronting Fees shall be paid directly to the Issuing Bank. Once paid, none of the fees shall be refundable under any circumstances.

Section 2.06 Interest on Loans.

(a) Subject to the provisions of Section 2.06(c), the Loans comprising each Borrowing of Base Rate Loans, including each Swingline Loan, shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin in effect from time to time.

(b) Subject to the provisions of Section 2.06(c), the Loans comprising each Borrowing of LIBO Rate Loans shall bear interest at a rate per annum equal to the LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin in effect from time to time.
(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fees or other amount payable by the Borrowers hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of, or interest on, any Loan, 2% plus the rate otherwise applicable to such Loan or (ii) in the case of any other amount, 2% plus the rate applicable to Base Rate Loans.

(d) Accrued interest on each Loan shall be payable in arrears (i) in the case of Base Rate Loans, on each Adjustment Date, commencing with January 1, 2017, for such Base Rate Loans, (ii) in the case of LIBO Rate Loans, at the end of the current Interest Period therefor and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period and (iii) in the case of Revolving Loans, upon termination of the Revolving Commitments; provided that (x) interest accrued pursuant to paragraph (c) of this Section 2.06 shall be payable on demand and, absent demand, on each Adjustment Date, at the end of the current Interest Period and upon termination of the Revolving Commitments, as applicable, (y) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Base Rate Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (z) in the event of any conversion of any LIBO Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 365/366 days, except that interest computed by reference to the LIBO Rate (other than Base Rate Loans determined by reference to the LIBO Rate) and all fees shall be computed on the basis of a year of 360 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or LIBO Rate shall be determined by the Administrative Agent in accordance with the provisions of this Agreement and such determination shall be conclusive absent manifest error.

Section 2.07 Termination and Reduction of Commitments.

(a) The Revolving Commitments, the Swingline Commitment, and the LC Commitment shall automatically terminate on the Maturity Date.

(b) The Lead Borrower may at any time terminate, or from time to time reduce, the Revolving Commitments provided that (i) any such reduction shall be in an amount that is an integral multiple of $1,000,000 and (ii) the Revolving Commitments shall not be terminated or reduced if after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.09, the Aggregate Exposures would exceed the Aggregate Commitments.

(c) The Lead Borrower shall notify the Administrative Agent of any election to terminate or reduce the Aggregate Commitments under paragraph (b) of this Section 2.07 at least two Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Lead Borrower pursuant to this Section 2.07 shall be irrevocable except that, to the extent delivered in connection with a refinancing of the Obligations, such notice shall not be irrevocable until such refinancing is closed and funded. Any effectuated termination or reduction of the Aggregate Commitments shall be permanent. Each reduction of the Aggregate Commitments shall be made ratably among the Lenders in accordance with their respective Revolving Commitments.

Section 2.08 Interest Elections.

(a) Each Revolving Borrowing initially shall be of the Type specified in the applicable Notice of Borrowing and, in the case of a Borrowing of LIBO Rate Loans, shall have an initial Interest Period as specified in such Notice of Borrowing. Thereafter, the Lead Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Borrowing of LIBO Rate Loans, may elect Interest Periods therefor, all as provided in this Section 2.08. The Lead Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding

50
the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding anything to the contrary, the Lead Borrower shall not be entitled to request any conversion or continuation that, if made, would result in more than ten (10) Borrowings of LIBO Rate Loans outstanding hereunder at any one time. This Section 2.08 shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section 2.08, the Lead Borrower shall notify the Administrative Agent of such election by telephone or electronic transmission (if arrangements for doing so have been approved by the Administrative Agent, which approval shall not be unreasonably withheld, delayed or conditioned) by the time that a Notice of Borrowing would be required under Section 2.03 if the Lead Borrower was requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election, subject to Section 3.05. Each such telephonic Notice of Conversion/Continuation shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Notice of Conversion/Continuation substantially in the form of Exhibit A-2, unless otherwise agreed to by the Administrative Agent and the Lead Borrower.

(c) Each telephonic and written Notice of Conversion/Continuation shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Notice of Conversion/Continuation applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Notice of Conversion/Continuation, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be a Borrowing of Base Rate Loans or a Borrowing of LIBO Rate Loans; and

(iv) if the resulting Borrowing is a Borrowing of LIBO Rate Loans, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term “Interest Period”.

If any such Notice of Conversion/Continuation requests a Borrowing of LIBO Rate Loans but does not specify an Interest Period, then the Lead Borrower shall be deemed to have selected an Interest Period of one month’s duration.

(d) Promptly following receipt of an Notice of Conversion/Continuation, the Administrative Agent shall advise each Lender of the details thereof and of such Lender’s portion of each resulting Borrowing.

(e) If a Notice of Conversion/Continuation with respect to a Borrowing of LIBO Rate Loans is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Borrowing of Base Rate Loans. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Lead Borrower, then, after the occurrence and during the continuance of such Event of Default (i) no outstanding Borrowing may be converted to or continued as a Borrowing of LIBO Rate Loans and (ii) unless repaid, each Borrowing of LIBO Rate Loans shall be converted to a Borrowing of Base Rate Loans at the end of the Interest Period applicable thereto.

Section 2.09 Optional and Mandatory Prepayments of Loans

(a) Optional Prepayments. The Lead Borrower shall have the right at any time and from time to time to prepay, without premium or penalty, any Borrowing, in whole or in part, subject to the requirements of this Section 2.09; provided that each partial prepayment shall be in an amount that is an integral multiple of $100,000.
(b) Revolving Loan Prepayments.

(i) In the event of the termination of all the Revolving Commitments, the Lead Borrower shall, on the date of such termination, repay or prepay all the outstanding Revolving Borrowings and all outstanding Swingline Loans and Cash Collateralize or backstop on terms reasonably satisfactory to the Administrative Agent the LC Exposure in accordance with Section 2.13(j).

(ii) In the event of any partial reduction of the Revolving Commitments, then (A) at or prior to the effective date of such reduction, the Administrative Agent shall notify the Lead Borrower and the Revolving Lenders of the Aggregate Exposures after giving effect thereto and (B) if the Aggregate Exposures would exceed the Line Cap then in effect, after giving effect to such reduction, then the Lead Borrower shall, on the date of such reduction (or, if such reduction is due to the imposition of new Reserves or a change in the methodology of calculating existing Reserves, within five Business Days following such notice), first, repay or prepay all Swingline Loans, second, repay or prepay Revolving Borrowings and third, replace or Cash Collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.13(j), in an amount sufficient to eliminate such excess.

(iii) In the event that the Aggregate Exposures at any time exceeds the Line Cap then in effect, the Lead Borrower shall, immediately after demand (or, if such overadvance is due to the imposition of new Reserves or a change in the methodology of calculating existing Reserves, or change in eligibility standards, within five Business Days following notice), apply an amount equal to such excess to prepay the Loans and any interest accrued thereon, in accordance with this Section 2.09(b)(iii). The Lead Borrower shall, first, repay or prepay all Swingline Loans, second, repay or prepay Revolving Borrowings, and third, replace or Cash Collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.13(j), in an amount sufficient to eliminate such excess.

(iv) In the event that the aggregate LC Exposure exceeds the LC Commitment then in effect, the Lead Borrower shall, without notice or demand, immediately replace or Cash Collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.13(j), in an amount sufficient to eliminate such excess.

(c) Application of Prepayments.

(i) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Lead Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (i) of this Section 2.09(c). Unless during a Liquidity Period, except as provided in Section 2.09(b)(iii) hereof, all mandatory prepayments shall be applied as follows: first, to fees and reimbursable expenses of the Administrative Agent then due and payable pursuant to the Credit Documents; second, to interest then due and payable on the Borrowers’ Swingline Loans; third, to the principal balance of the Swingline Loan outstanding until the same has been prepaid in full; fourth, to interest then due and payable on the Revolving Loans and other amounts due pursuant to Sections 3.02 and 5.01; fifth, to the principal balance of the Revolving Loans until the same have been prepaid in full; sixth, to Cash Collateralize all LC Exposure plus any accrued and unpaid interest thereon (to be held and applied in accordance with Section 2.13(i) hereof); seventh, to all other Obligations pro rata in accordance with the amounts that such Lender certifies is outstanding; and eighth, as required by the Intercreditor Agreement or, in the absence of any such requirement, returned to the Lead Borrower or to such party as otherwise required by law.

(ii) Amounts to be applied pursuant to this Section 2.09 to the prepayment of Revolving Loans shall be applied, as applicable, first to reduce outstanding Base Rate Loans. Any amounts remaining after each such application shall be applied to prepaid LIBO Rate Loans. Notwithstanding the foregoing, if the amount of any prepayment of Loans required under this Section 2.09 shall be in excess of the amount of the Base Rate Loans at the time outstanding, only the portion of the amount of such prepayment that is equal to the amount of such outstanding Base Rate Loans shall be immediately prepaid and, at the election of the Lead Borrower, the balance of such required prepayment shall be either (A) deposited in the LC Collateral Account and applied to the prepayment of LIBO Rate Loans on the last day of the then next-expiring Interest Period for LIBO Rate Loans (with all interest accruing thereon for the account of the Lead Borrower) or (B) prepaid immediately, together with any amounts owing to the Lenders under Section 2.10. Notwithstanding any such deposit in the LC Collateral Account, interest shall continue to accrue on such Loans until prepayment.
(d) Notice of Prepayment. The Lead Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by telecopy) of any prepayment hereunder (i) in the case of prepayment of a Borrowing of LIBO Rate Loans, not later than 1:00 p.m., New York City time, three Business Days before the date of prepayment, (ii) in the case of prepayment of a Borrowing of Base Rate Loans, not later than 4:00 p.m., New York City time, on the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 1:00 p.m., New York City time, on the date of prepayment. Each such notice shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Each notice of prepayment pursuant to this Section shall be irrevocable, except that the Lead Borrower may, by subsequent notice to the Administrative Agent, revoke any such notice of prepayment if such notice of revocation is received not later than 10:00 a.m. (New York City time) on the day on which such prepayment is scheduled to occur and, provided that (i) the Lead Borrower reimburses each Lender pursuant to Section 3.02 for any funding losses within five Business Days after receiving written demand therefor and (ii) the amount of Loans as to which such revocation applies shall be deemed converted to (or continued as, as applicable) Base Rate Loans in accordance with the provisions of Section 2.08 as of the date of notice of revocation (subject to subsequent conversion in accordance with the provisions of this Agreement). Promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.06.

Section 2.10 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Each Borrower shall make each payment required to be made by it hereunder or under any other Credit Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Sections 3.01, 3.02 and 5.01 or otherwise) at or before the time expressly required hereunder or under such other Credit Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the reasonable discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the Payment Office, except payments to be made directly to the Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Sections 3.01, 3.02, 5.01 and 13.01 shall be made to the Administrative Agent for the benefit of to the Persons entitled thereto and payments pursuant to other Credit Documents shall be made to the Administrative Agent for the benefit of the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Credit Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Credit Document shall be made in U.S. Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied in the manner as provided in Section 2.09(c) or 11.11 hereof, as applicable, ratably among the parties entitled thereto.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements and Swingline Loans held by such other Lender, but only to the extent necessary to make the payment that would otherwise have resulted in such excess proportionate payment.

53
Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Lead Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Lead Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Credit Parties rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of a Credit Party in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Lead Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that the Lead Borrower will not make such payment, the Administrative Agent may assume that the Lead Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if the Lead Borrower has not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.02(c), 2.02(f), 2.10(d), 2.12(d) or 2.13(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender’s obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.11 Defaulting Lenders.

(a) Reallocation of Pro Rata Share: Amendments. For purposes of determining the Lenders’ obligations to fund or acquire participations in Loans or Letters of Credit, the Administrative Agent may exclude the Commitments and Loans of any Defaulting Lender(s) from the calculation of Pro Rata Shares; provided that such reallocation shall not cause the Revolving Exposure of any Non-Defaulting Lender to exceed its Revolving Commitment. A Defaulting Lender shall have no right to vote on any amendment, waiver or other modification of a Credit Document, except as provided in Section 13.12.

(b) Payments. Fees. The Administrative Agent may, in its discretion, receive and retain any amounts payable to a Defaulting Lender under the Credit Documents, and a Defaulting Lender shall be deemed to have assigned to the Administrative Agent such amounts until all Obligations owing to the Administrative Agent, Non-Defaulting Lenders and other Secured Creditors have been paid in full. The Administrative Agent may apply such amounts to the Defaulting Lender’s defaulted obligations, use the funds to Cash Collateralize such Lender’s Fronting Exposure, or readvance the amounts to the Borrowers hereunder. A Lender shall not be entitled to receive any fees accruing hereunder during the period in which it is a Defaulting Lender, and the unfunded portion of its Commitment shall be disregarded for purposes of calculating the Unused Line Fee under Section 2.05(a). To the extent any LC Obligations owing to a Defaulting Lender are reallocated to other Lenders, LC Participation Fees attributable to such LC Obligations under Section 2.05(c) shall be paid to such other Lenders. The Administrative Agent shall be paid all LC Participation Fees attributable to LC Obligations that are not so reallocated.

(c) Cure. The Lead Borrower, Administrative Agent and Issuing Bank may agree in writing that a Lender is no longer a Defaulting Lender. At such time, Pro Rata Shares shall be reallocated without exclusion of such Lender’s Commitments and Loans, and all outstanding Loans, LC Obligations and other exposures under the Commitments shall be reallocated among Lenders and settled by the Administrative Agent (with appropriate
Section 2.12 Swingline Loans.

(a) Swingline Commitment. Subject to the terms and conditions set forth herein, the Swingline Lender may, but shall not be obligated to, make Swingline Loans to the Borrowers from time to time during the Revolving Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding $10,000,000 or (ii) the Aggregate Exposures exceeding the lesser of (A) the Aggregate Commitments and (B) the Borrowing Base then in effect; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Lead Borrower may borrow, repay and reborrow Swingline Loans.

(b) Swingline Loans. To request a Swingline Loan, the Lead Borrower shall notify the Administrative Agent of such request by telephone (confirmed by telecopy), not later than 4:00 p.m., New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Lead Borrower. The Swingline Lender shall make each Swingline Loan available to the Borrowers by means of a credit to the general deposit account of the Lead Borrower with the Swingline Lender (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.02(f), by remittance to the Issuing Bank) by 5:00 p.m., New York City time, on the requested date of such Swingline Loan. The Lead Borrower shall not request a Swingline Loan if at the time of and immediately after giving effect to such request a Default has occurred and is continuing. Swingline Loans shall be made in minimum amounts of $100,000.

(c) Prepayment. The Lead Borrower shall have the right at any time and from time to time to repay, without premium or penalty, any Swingline Loan, in whole or in part, upon giving written or telecopy notice (or telephone notice promptly confirmed by written, or telecopy notice) to the Swingline Lender and to the Administrative Agent before 4:00 p.m., New York City time on the date of repayment at the Swingline Lender’s address for notices specified in the Swingline Lender’s administrative questionnaire. All principal payments of Swingline Loans shall be accompanied by accrued interest on the principal amount being repaid to the date of payment.

(d) Participations. The Swingline Lender may by written notice given to the Administrative Agent not later than 4:00 p.m., New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender’s Pro Rata Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender’s Pro Rata Percentage of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Aggregate Commitments or whether an OverAdvance exists or is created thereby, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever (provided that such payment shall not cause such Lender’s Revolving Exposure to exceed such Lender’s Revolving Commitment). Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.02(f) with respect to Loans made by such Lender (and Section 2.02 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Lead Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of
such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Lead Borrower (or any other party on behalf of the Lead Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve any Borrower of any default in the payment thereof.

(e) If the Maturity Date shall have occurred at a time when Extended Revolving Loan Commitments are in effect, then on the Maturity Date all then outstanding Swingline Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swingline Loans as a result of the occurrence of such Maturity Date); provided that, if on the occurrence of the Maturity Date (after giving effect to any repayments of Revolving Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.13(o)), there shall exist sufficient unutilized Extended Revolving Loan Commitments so that the respective outstanding Swingline Loans could be incurred pursuant to the Extended Revolving Loan Commitments which will remain in effect after the occurrence of the Maturity Date, then there shall be an automatic adjustment on such date of the participations in such Swingline Loans and same shall be deemed to have been incurred solely pursuant to the Extended Revolving Loan Commitments and such Swingline Loans shall not be so required to be repaid in full on the Maturity Date.

Section 2.13 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Lead Borrower may request the issuance of Letters of Credit in U.S. Dollars or in one or more Alternative Currencies for the Lead Borrower’s account or the account of a Subsidiary of the Lead Borrower in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Revolving Availability Period (provided that the Lead Borrower shall be a co-applicant with respect to each Letter of Credit issued for the account of or in favor of a Subsidiary). All Existing Letters of Credit shall be deemed, without further action by any party hereto, to have been issued on the Closing Date pursuant to this Agreement, and the Lenders shall thereupon acquire participations in the Existing Letters of Credit as if so issued without further action by any party hereto, to be acquired by the Lenders hereto. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Lead Borrower to, or entered into by the Lead Borrower with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Request for Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit, the Lead Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) a LC Request to the Issuing Bank and the Administrative Agent not later than 1:00 p.m. on the second Business Day preceding the requested date of issuance, amendment, renewal or extension (or such later date and time as is reasonably acceptable to the Issuing Bank). A request for an initial issuance of a Letter of Credit shall specify in form and detail reasonably satisfactory to the Issuing Bank: (i) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (ii) the amount and currency thereof; (iii) the expiry date thereof; (iv) the name and address of the beneficiary thereof; (v) the documents to be presented by such beneficiary in case of any drawing thereunder; (vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder, and (vii) such other matters as the Issuing Bank may reasonably require. A request for an amendment, renewal or extension of any outstanding Letter of Credit shall specify in form and detail reasonably satisfactory to the Issuing Bank (w) the Letter of Credit to be amended, renewed or extended; (x) the proposed date of amendment, renewal or extension thereof (which shall be a Business Day), (y) the nature of the proposed amendment, renewal or extension, and (z) such other matters as the Issuing Bank may reasonably require. If requested by the Issuing Bank, the Lead Borrower also shall submit a letter of credit application substantially on the Issuing Bank’s standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Lead Borrower shall be deemed to represent and warrant (solely in the case of (w) and (x) that), after giving effect to such issuance, amendment, renewal or extension (A) the LC Exposure shall not exceed
(c) **Expiration Date.** Each Letter of Credit shall expire at or prior to the close of business on the earlier of the date which is one year after the date of the issuance of such Letter of Credit (or such other longer period of time as the Administrative Agent and the applicable Issuing Bank may agree and, in the case of any renewal or extension thereof, one (1) year after such renewal or extension) and, unless Cash Collateralized or otherwise credit supported to the reasonable satisfaction of the Administrative Agent and the applicable Issuing Bank (in which case the expiry may extend no longer than twelve months after the Letter of Credit Expiration Date) the Letter of Credit Expiration Date. Each Letter of Credit may, upon the request of the Lead Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of twelve (12) months or less (but, subject to the foregoing, not beyond the date that is after the Letter of Credit Expiration Date) unless the applicable Issuing Bank notifies the beneficiary thereof at least thirty (30) days prior to the then-applicable expiration date that such Letter of Credit will not be renewed.

(d) **Participations.** By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Lender’s Pro Rata Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, such Lender’s Pro Rata Percentage of each LC Disbursement made by the Issuing Bank and not reimbursed by the Lead Borrower on the date due as provided in paragraph (e) of this Section 2.13, or of any reimbursement payment required to be refunded to the Borrowers for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Aggregate Commitments or whether or not an Overadvance exists or is created thereby, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) **Reimbursement.** If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Lead Borrower shall reimburse such LC Disbursement by paying to the Issuing Bank an amount equal to such LC Disbursement not later than (x) in the case of reimbursement in U.S. Dollars, 2:00 p.m., New York City time, on the Business Day after receiving notice from the Issuing Bank of such LC Disbursement or (y) in the case of reimbursement in an Alternative Currency, the Applicable Time on the Business Day after receiving notice from such Issuing Bank of such LC Disbursement provided that, whether or not the Lead Borrower submits a Notice of Borrowing, the Lead Borrower shall be deemed to have requested (except to the extent the Lead Borrower makes payment to reimburse such LC Disbursement when due) a Borrowing of Base Rate Loans in an amount necessary to reimburse such LC Disbursement by paying to the Issuing Bank an amount equal to such Lender’s Pro Rata Percentage of the aggregate amount available to be drawn under the applicable LC Disbursement. If the Lead Borrower fails to make such payment when due, the Issuing Bank shall notify the Administrative Agent and the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Lead Borrower in respect thereof and such Lender’s Pro Rata Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Pro Rata Percentage of each LC Disbursement made by the Issuing Bank under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, a participation in such Letter of Credit equal to such Lender’s Pro Rata Percentage of the aggregate amount available to be drawn under the applicable LC Disbursement. Unless the Issuing Bank shall otherwise agree, no Letter of Credit shall be denominated in a currency other than U.S. Dollars or an Alternative Currency.

(f) **Cash Collateral.** If at any time the Lead Borrower shall not be in strict compliance with any one or more conditions set forth in Section 2.13(b) with respect to Loans made by such Lender, and the Administrative Agent shall notify such Lender of such non-compliance, such Lender’s Pro Rata Percentage of the unreimbursed LC Disbursement in U.S. Dollars (except to the extent the Revolving Lenders agree to reimburse such amounts in an Alternative Currency) in the same manner as provided in Section 2.02(f) with respect to Loans made by such Lender, and the Administrative Agent shall promptly pay to the Issuing Bank the amounts so received by it from the Revolving Lenders. In the case of a Letter of Credit denominated in an Alternative Currency, the Lead Borrower shall reimburse the Issuing Bank in such Alternative Currency, unless (A) the Issuing Bank (at its option) shall have specified in such notice that it will require reimbursement in U.S. Dollars, or (B) in the absence of any such requirement for reimbursement in U.S. Dollars, the Lead Borrower shall have notified the Issuing Bank promptly following receipt of the notice of drawing that the Lead Borrower will reimburse the Issuing Bank in U.S. Dollars. In the case of any such reimbursement in U.S. Dollars of a drawing under a Letter of Credit denominated in an Alternative Currency, the Issuing Bank shall notify the Lead Borrower of
the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Promptly following receipt by the Administrative Agent of any payment from the Lead Borrower pursuant to this paragraph, the Administrative Agent shall, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse the Issuing Bank, distribute such payment to such Lenders and the Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse the Issuing Bank for any LC Disbursement (other than the funding of Base Rate Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Lead Borrower of its obligation to reimburse such LC Disbursement. In the event that (A) a drawing denominated in an Alternative Currency is to be reimbursed in U.S. Dollars pursuant to the third sentence in this Section 2.13(e) and (B) the U.S. Dollar amount paid by the Lead Borrower shall not be adequate on the date of that payment to purchase in accordance with normal banking procedures a sum denominated in the Alternative Currency equal to the drawing, the Lead Borrower agrees, as a separate and independent obligation, to indemnify the Issuing Bank for the loss resulting from its inability on that date to purchase the Alternative Currency in the full amount of the drawing.

(f) Obligations Absolute.

(i) Subject to the limitations set forth below, the obligation of the Lead Borrower to reimburse LC Disbursements as provided in paragraph (e) of this Section 2.13 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not strictly comply with the terms of such Letter of Credit, (iv) the existence of any claim, set-off, defense or other right which the Lead Borrower may have at any time against a beneficiary of any Letter of Credit, or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.13, constitute a legal or equitable discharge of, or provide a right of set-off against, the obligations of the Lead Borrower hereunder; provided that the Lead Borrower shall have no obligation to reimburse the Issuing Bank to the extent that such payment was made in error due to the gross negligence, bad faith, or willful misconduct of the Issuing Bank (as determined by a court of competent jurisdiction or another independent tribunal having jurisdiction). Neither the Administrative Agent, the Lenders nor the Issuing Bank, nor any of their Affiliates, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; provided that the foregoing shall not be construed to excuse the Issuing Bank from liability to the Lead Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Lead Borrower to the extent permitted by applicable law) suffered by the Lead Borrower that are caused by the Issuing Bank’s failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, willful misconduct, or bad faith on the part of the Issuing Bank (as determined by a court of competent jurisdiction or another independent tribunal having jurisdiction), the Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(ii) The Issuing Bank does not assume any responsibility for any failure or delay in performance or any breach by the Lead Borrower or other Person of any obligations under any LC Document.

58
The Issuing Bank does not make to the Lenders any express or implied warranty, representation or guaranty with respect to the Collateral, such documents or any Credit Party. The Issuing Bank shall not be responsible to any Lender for any recitals, statements, information, representations or warranties contained in, or for the execution, validity, genuineness, effectiveness or enforceability of any LC Document; the validity, genuineness, enforceability, collectability, value or sufficiency of any Collateral or the perfection of any Lien therein; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Credit Party.

(iii) No Issuing Bank or any of its Affiliates or any of its or their respective officers, directors, employees, agents and investment advisors shall be liable to any Lender or other Person for any action taken or omitted to be taken in connection with any LC Documents except as a result of its actual gross negligence or willful misconduct as determined by court of competent jurisdiction in a final nonappealable judgment. The Issuing Bank shall not have any liability to any Lender if the Issuing Bank refrains from any action under any Letter of Credit or such LC Documents until it receives written instructions from the Required Lenders.

(g) Disbursement Procedures. The Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly notify the Administrative Agent and the Lead Borrower by telephone (confirmed by telecopy) of such demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Lead Borrower of its obligation to reimburse the Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement (other than with respect to the timing of such reimbursement obligation set forth in Section 2.13(e)).

(h) Interim Interest. If the Issuing Bank shall make any LC Disbursement, then, unless the Lead Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Lead Borrower reimburses such LC Disbursement, at the rate per annum then applicable to Base Rate Loans; provided that, if the Lead Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section 2.13, then Section 2.06(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section 2.13 to reimburse the Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Resignation or Removal of the Issuing Bank. The Issuing Bank may resign as Issuing Bank hereunder at any time upon at least 30 days’ prior written notice to the Lenders, the Administrative Agent and the Lead Borrower. The Issuing Bank may be replaced at any time by agreement between the Lead Borrower and the Administrative Agent; provided that so long as no Default or Event of Default exists, such successor Issuing Bank shall be reasonably acceptable to the Lead Borrower. One or more Lenders may be appointed as additional Issuing Banks in accordance with subsection (k) below. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Bank or any such additional Issuing Bank. From and after the effective date of any such resignation or replacement or addition, as applicable, (i) the successor or additional Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term “Issuing Bank” shall be deemed to refer to such successor or such addition or to any previous Issuing Bank, or to such successor or such additional Issuing Bank and all previous Issuing Banks, as the context shall require. After the resignation or replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit. If at any time there is more than one Issuing Bank hereunder, the Lead Borrower may, in its discretion, select which Issuing Bank is to issue any particular Letter of Credit.
(j) Cash Collateralization.

   (i) If any Specified Event of Default shall occur and be continuing, on the Business Day that the Lead Borrower receives notice from the Administrative Agent (acting at the request of the Required Lenders) demanding the deposit of Cash Collateral pursuant to this paragraph, the Lead Borrower shall deposit in the LC Collateral Account, in the name of the Administrative Agent and for the benefit of the Secured Creditors, an amount in cash equal to 102.00% of the LC Exposure as of such date. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Lead Borrower under this Agreement, but shall be immediately released and returned to the Lead Borrower (in no event later than two (2) Business Days) once all Specified Events of Default are cured or waived. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made only in Cash Equivalents and at the direction of the Lead Borrower and at the Lead Borrower’s risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Lead Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Obligations of the Lead Borrower.

   (ii) The Lead Borrower shall, on demand by the Issuing Bank or the Administrative Agent from time to time, Cash Collateralize the Fronting Exposure associated with any Defaulting Lender.

(k) Additional Issuing Banks. The Lead Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld, delayed or conditioned) and such Lender, designate one or more additional Lenders to act as an issuing bank under the terms of this Agreement. Any Lender designated as an issuing bank pursuant to this paragraph (k) shall be deemed (in addition to being a Lender) to be the Issuing Bank with respect to Letters of Credit issued or to be issued by such Lender, and all references herein and in the other Credit Documents to the term “Issuing Bank” shall, with respect to such Letters of Credit, be deemed to refer to such Lender in its capacity as Issuing Bank, as the context shall require.

(l) The Issuing Bank shall be under no obligation to issue any Letter of Credit if:

   (i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Bank from issuing such Letter of Credit, or any law applicable to the Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Issuing Bank shall prohibit, or request that the Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the Issuing Bank in good faith deems material to it; or

   (ii) the issuance of such Letter of Credit would violate one or more policies of the Issuing Bank.

(m) The Issuing Bank shall be under no obligation to amend any Letter of Credit if (i) the Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (ii) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(n) LC Collateral Account.

   (i) The Administrative Agent is hereby authorized to establish and maintain at the Notice Office, in the name of the Administrative Agent and pursuant to a dominion and control agreement, a
restricted deposit account designated “The Lead Borrower LC Collateral Account.” Each Credit Party shall deposit into the LC Collateral Account from time to time the Cash Collateral required to be deposited under Section 2.13(i) hereof.

(ii) The balance from time to time in such LC Collateral Account shall constitute part of the Collateral and shall not constitute payment of the Obligations until applied as hereinafter provided. Notwithstanding any other provision hereof to the contrary, all amounts held in the LC Collateral Account shall constitute collateral security first for the liabilities in respect of Letters of Credit outstanding from time to time and second for the other Obligations hereunder until such time as all Letters of Credit shall have been terminated and all of the liabilities in respect of Letters of Credit have been paid in full. All funds in “The Lead Borrower LC Collateral Account” may be invested in accordance with the provisions of Section 2.13(i).

(o) Extended Commitments. If the Maturity Date shall have occurred at a time when Extended Revolving Loan Commitments are in effect, then
(i) such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Lenders to purchase participations therein and to make payments in respect thereof pursuant to Sections 2.13(d) and (e)) under (and ratably participated in by Lenders) the Extended Revolving Loan Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to the immediately preceding clause (i), the Borrowers shall Cash Collateralize any such Letter of Credit in accordance with Section 2.13(j). Except to the extent of reallocations of participations pursuant to the prior sentence, the occurrence of the Maturity Date with respect to Existing Revolving Loans shall have no effect upon (and shall not diminish) the percentage participations of the Lenders of Extended Revolving Loans in any Letter of Credit issued before the Maturity Date.

Section 2.14 Settlement Amongst Lenders.

(a) The Swingline Lender may, at any time (but, in any event shall weekly), on behalf of the Lead Borrower (which hereby authorizes the Swingline Lender to act on its behalf in that regard) request the Administrative Agent to cause the Lenders to make a Revolving Loan (which shall be a Base Rate Loan) in an amount equal to such Lender’s Pro Rata Percentage of the Outstanding Amount of Swingline Loans, which request may be made regardless of whether the conditions set forth in Section 7 have been satisfied. Upon such request, each Lender shall make available to the Administrative Agent the proceeds of such Revolving Loan for the account of the Swingline Lender. If the Swingline Lender requires a Revolving Loan to be made by the Lenders and the request therefor is received prior to 12:00 Noon on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if the request therefor is received after 12:00 Noon, then no later than 3:00 p.m. on the next Business Day. The obligation of each such Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent or the Swingline Lender. If and to the extent any Lender shall not have so made its transfer to the Administrative Agent, such Lender agrees to pay to the Administrative Agent, forthwith on demand, such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate.

(b) The amount of each Lender’s Pro Rata Percentage of outstanding Revolving Loans (including outstanding Swingline Loans) shall be computed weekly (or more frequently in the Administrative Agent’s discretion) and shall be adjusted upward or downward based on all Revolving Loans (including Swingline Loans) and repayments of Revolving Loans (including Swingline Loans) received by the Administrative Agent as of 3:00 p.m. on the first Business Day (such date, the “Settlement Date”) following the end of the period specified by the Administrative Agent.

(c) The Administrative Agent shall deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Revolving Loans (including Swingline Loans) for the period and the amount of repayments received for the period. As reflected on the summary statement, (i) the Administrative Agent shall transfer to each Lender its applicable Pro Rata Percentage of repayments, and (ii) each Lender shall transfer to the Administrative Agent (as provided below) or the Administrative Agent shall transfer to each Lender.
such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of Revolving Loans made by each Lender with respect to Revolving Loans to the Borrowers (including Swingline Loans) shall be equal to such Lender’s applicable Pro Rata Percentage of Revolving Loans (including Swingline Loans) outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Administrative Agent by the Lenders and is received prior to 12:00 Noon on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if received after 12:00 Noon, then no later than 3:00 p.m. on the next Business Day. The obligation of each Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent. If and to the extent any Lender shall not have so made its transfer to the Administrative Agent, such Lender agrees to pay to the Administrative Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate.

Section 2.15 Revolving Commitment Increase.

(a) Subject to the terms and conditions set forth herein, after the Closing Date, the Lead Borrower shall have the right to request, by written notice to the Administrative Agent, an increase in the Revolving Commitments (a “Revolving Commitment Increase”) in an aggregate amount not to exceed $50,000,000; provided that (a) the Lead Borrower shall only be permitted to request four Revolving Commitment Increases during the term of this Agreement and (b) any Revolving Commitment Increase shall be in a minimum amount of $10,000,000.

(b) Each notice submitted pursuant to this Section 2.15 (a “Revolving Commitment Increase Notice”) requesting a Revolving Commitment Increase shall specify the amount of the increase in the Revolving Commitments being requested. Upon receipt of a Revolving Commitment Increase Notice, the Administrative Agent may (at the direction of the Lead Borrower) promptly notify the Lenders and each Lender may (subject to the Lead Borrower’s consent) have the right to elect to have its Revolving Commitment increased by its Pro Rata share (it being understood and agreed that a Lender may elect to have its Revolving Commitment increased in excess of its Pro Rata share in its discretion if any other Lender declines to participate in the Revolving Commitment Increase) of the requested increase in Revolving Commitments; provided that (i) each Lender may elect or decline, in its sole discretion, to have its Revolving Commitment increased in connection with any requested Revolving Commitment Increase, it being understood that no Lender shall be obligated to increase its Revolving Commitment unless it, in its sole discretion, so agrees and, if a Lender fails to respond to any Revolving Commitment Increase Notice within five (5) Business Days after such Lender’s receipt of such request, such Lender shall be deemed to have declined to participate in such Revolving Commitment Increase, (ii) if any Lender declines to participate in any Revolving Commitment Increase and, as a result, commitments from additional financial institutions are required in connection with the Revolving Commitment Increase, any Person or Persons providing such commitment shall be subject to the written consent of the Administrative Agent, the Swingline Lender and the Issuing Bank (such consent not to be unreasonably withheld or delayed), if such consent would be required pursuant to the definition of Eligible Transferee and (iii) in no event shall a Defaulting Lender be entitled to participate in such Revolving Commitment Increase. In the event that any Lender or other Person agrees to participate in any Revolving Commitment Increase (each an “Increase Loan Lender”), such Revolving Commitment Increase shall become effective on such date as shall be mutually agreed upon by the Increase Loan Lenders and the Lead Borrower, which date shall be as soon as practicable after the date of receipt of the Revolving Commitment Increase Notice (such date, the “Increase Date”); provided that the establishment of such Revolving Commitment Increase shall be subject to the satisfaction of each of the following conditions: (1) no Event of Default would exist after giving effect thereto; (2) the representations and warranties under Section 8 shall be true in all material respects, provided that, solely with respect to Revolving Loans made under the Revolving Commitment Increases that are used to effect or finance a Permitted Acquisition or Investments permitted under this Agreement, the Borrowers shall have the option of making any representations and warranties under Section 8 and determinations as to the availability of any “basket-carveouts” under Section 10 effective as of the date of entering the definitive agreement for such Permitted Acquisition or such Investment in accordance with the Limited Condition Transaction provisions set forth in Section 10; (3) the Revolving Commitment Increase shall be effected pursuant to one or more joinder agreements executed and delivered by the Lead Borrower, the Administrative Agent, and the Increase Loan Lenders, each of which shall be reasonably satisfactory to the Lead Borrower, the Administrative Agent, and the Increase Loan Lenders; (4) the Credit Parties shall execute and deliver or cause to be executed and delivered to the Administrative Agent such amendments to the Credit Documents, legal opinions and other documents as the Administrative Agent may reasonably request in connection with such.
transaction, which amendments, legal opinions and other documents shall be reasonably satisfactory to the Administrative Agent; and (5) the Borrowers shall have paid to the Administrative Agent and the Lenders such additional fees as may be agreed to be paid by the Borrowers in connection therewith.

(c) On the Increase Date, upon fulfillment of the conditions set forth in this Section 2.15, (i) the Administrative Agent shall effect a settlement of all outstanding Revolving Loans among the Lenders that will reflect the adjustments to the Revolving Commitments of the Lenders as a result of the Revolving Commitment Increase, (ii) the Administrative Agent shall notify the Lenders and Credit Parties of the occurrence of the Revolving Commitment Increase to be effected on the Increase Date, (iii) Schedule 2.01 shall be deemed modified to reflect the revised Revolving Commitments of the affected Lenders and (iv) Notes will be issued, at the expense of the Borrowers, to any Lender participating in the Revolving Commitment Increase and requesting a Note.

(d) The terms and provisions of the Revolving Commitment Increase shall be identical to the Revolving Loans and the Revolving Commitments and, for purposes of this Agreement and the other Credit Documents, all Revolving Loans made under the Revolving Commitment Increase shall be deemed to be Revolving Loans. Without limiting the generality of the foregoing, (i) the rate of interest applicable to the Revolving Commitment Increase shall be the same as the rate of interest applicable to the existing Revolving Loans, (ii) unused line fees applicable to the Revolving Commitment Increase shall be calculated using the same Unused Line Fee Rates applicable to the existing Revolving Loans, (iii) the Revolving Commitment Increase shall share ratably in any mandatory prepayments of the Revolving Loans, (iv) after giving effect to such Revolving Commitment Increases, Revolving Commitments shall be reduced based on each Lender’s Pro Rata Percentage, and (v) the Revolving Commitment Increase shall rank pari passu in right of payment and security with the existing Revolving Loans. Each joinder agreement and any amendment to any Credit Document requested by the Administrative Agent in connection with the establishment of the Revolving Commitment Increase may, without the consent of any of the Lenders, effect such amendments to this Agreement (an “Incremental Revolving Commitment Agreement”) and the other Credit Documents as may be reasonably necessary or appropriate, in the opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.15.

Section 2.16 Lead Borrower. Each Borrower hereby designates the Lead Borrower as its representative and agent for all purposes under the Credit Documents, including requests for Revolving Loans and Letters of Credit, designation of interest rates, delivery or receipt of communications, preparation and delivery of Borrowing Base and financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Credit Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent, the Issuing Bank or any Lender. The Lead Borrower hereby accepts such appointment. The Administrative Agent and the Lenders shall be entitled to rely upon, any notice or communication (including any Notice of Borrowing) delivered by the Lead Borrower on behalf of any Borrower. The Administrative Agent and the Lenders may give any notice or communication with a Borrower hereunder to the Lead Borrower on behalf of any Borrower. Each of the Administrative Agent, the Issuing Bank and the Lenders shall have the right, in its discretion, to deal exclusively with the Lead Borrower for any or all purposes under the Credit Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by the Lead Borrower shall be binding upon and enforceable against it.

Section 2.17 Overadvances. If the aggregate Revolving Loans outstanding exceed the Line Cap (an “Overadvance”) at any time, the excess amount shall be payable by the Borrowers on demand by the Administrative Agent, but all such Revolving Loans shall nevertheless constitute Obligations secured by the Collateral and entitled to all benefits of the Credit Documents. The Administrative Agent may require the Lenders to honor requests for Overadvance Loans and to forbear from requiring the Borrowers to cure an Overadvance, (a) when no other Event of Default is known to the Administrative Agent, as long as (i) the Overadvance does not continue for more than 30 consecutive days (and no Overadvance may exist for at least five consecutive days thereafter before further Overadvance Loans are required) and (ii) the aggregate amount of all Overadvances and Protective Advances is not known by the Administrative Agent to exceed 10% of the Borrowing Base, (b) regardless of whether an Event of Default exists, if the Administrative Agent discovers an Overadvance not previously known by it to exist, as long as from the date of such discovery the Overadvance (i) is not increased by more than $500,000, and (ii) does not continue for more than 30 consecutive days. In no event shall Overadvance Loans be required that would cause the aggregate
outstanding Revolving Loans and LC Obligations to exceed the aggregate Revolving Commitments. The making of any Overadvance shall not create nor constitute a Default or Event of Default; it being understood that the making or continuance of an Overadvance shall not constitute a waiver by the Administrative Agent or the Lenders of the then existing Event of Default. In no event shall any Borrower or other Credit Party be permitted to require any Overadvance Loan to be made.

Section 2.18 Protective Advances. The Administrative Agent shall be authorized, in its discretion, following notice to and consultation with the Lead Borrower, at any time, to make Base Rate Loans ("Protective Advances") (a) in an aggregate amount, together with the aggregate amount of all Overadvance Loans, not to exceed 10% of the Borrowing Base, if the Administrative Agent deems such Protective Advances necessary or desirable to preserve and protect the Collateral, or to enhance the collectability or repayment of the Obligations; or (b) to pay any other amounts chargeable to Credit Parties under any Credit Documents, including costs, fees and expenses; provided that, the aggregate amount of outstanding Protective Advances plus the outstanding amount of Revolving Loans and LC Obligations shall not exceed the aggregate Revolving Commitments. Each Lender shall participate in each Protective Advance in accordance with its Pro Rata Percentage. Required Lenders may at any time revoke the Administrative Agent’s authority to make further Protective Advances under clause (a) by written notice to the Administrative Agent. Absent such revocation, the Administrative Agent’s determination that funding of a Protective Advance is appropriate shall be conclusive. The Administrative Agent may use the proceeds of such Protective Advances to (a) protect, insure, maintain or realize upon any Collateral; or (b) defend or maintain the validity or priority of the Administrative Agent’s Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, or any discharge of a Lien; provided that the Administrative Agent shall use reasonable efforts to notify the Lead Borrower after paying any such amount or taking any such action and shall not make payment of any item that is being Properly Contested.

Section 2.19 Extended Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.19, the Lead Borrower may at any time and from time to time request that all or a portion of the then-existing Revolving Loans (the “Existing Revolving Loans”), together with any related outstandings, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of the principal amount (and related outstandings) of such Revolving Loans (any such Revolving Loans which have been so converted, “Extended Revolving Loans”) and to provide for other terms consistent with this Section 2.19. In order to establish any Extended Revolving Loans, the Lead Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders) (each, an “Extension Request”) setting forth the proposed terms of the Extended Revolving Loans to be established, which shall (x) be identical as offered to each Lender (including as to the proposed interest rates and fees payable) and (y) be identical to the Existing Revolving Loans, except that: (i) repayments of principal of the Extended Revolving Loans may be delayed to later dates than the Maturity Date; (ii) the Effective Yield with respect to the Extended Revolving Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Existing Revolving Loans to the extent provided in the applicable Extension Amendment; and (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Maturity Date that is in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Revolving Loans); provided, however, that (A) in no event shall the final maturity date of any Extended Revolving Loans at the time of establishment thereof be earlier than the then Maturity Date of any other Revolving Loans hereunder and (B) the Weighted Average Life to Maturity of any Extended Revolving Loans at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of any other Revolving Loans then outstanding. Any Extended Revolving Loans converted pursuant to any Extension Request shall be designated a series (each, an “Extension Series”) of Extended Revolving Loans, as applicable, for all purposes of this Agreement; provided that any Extended Revolving Loans converted from Existing Revolving Loans may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Revolving Loans.

(b) With respect to any Extended Revolving Loans, subject to the provisions of Sections 2.12(e) and 2.13(a), to the extent dealing with Swingline Loans and Letters of Credit which mature or expire after the Maturity Date, all Swingline Loans and Letters of Credit shall be participated in on a pro rata basis by all Lenders with Re-
volving Commitments and/or Extended Revolving Loan Commitments in accordance with their Pro Rata Share of the Aggregate Commitments (and, except as provided in Sections 2.12(e) and 2.13(o), without giving effect to changes thereto on the Maturity Date with respect to Swingline Loans and Letters of Credit theretofore incurred or issued) and all borrowings under the Aggregate Commitments and repayments thereunder shall be made on a pro rata basis (except for (x) payments of interest and fees at different rates on Extended Revolving Loan Commitments (and related outstandings) and (y) repayments required upon any Maturity Date of any Revolving Commitments or Extended Revolving Loan Commitments).

(c) The Lead Borrower shall provide the applicable Extension Request at least ten (10) Business Days prior to the date on which Lenders under the Existing Revolving Loans, are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.19. No Lender shall have any obligation to agree to have any of its Existing Revolving Loans converted into Extended Revolving Loans pursuant to any Extension Request. Any Lender (each, an “Extending Lender”) wishing to have all or a portion of its Existing Revolving Loans subject to such Extension Request converted into Extended Revolving Loans shall notify the Administrative Agent (each, an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Existing Revolving Loans which it has elected to request be converted into Extended Revolving Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Existing Revolving Loans subject to Extension Elections relating to a particular Extension Request exceeds the amount of Extended Revolving Loans requested pursuant to such Extension Request, Revolving Loans subject to such Extension Elections shall be converted to Extended Revolving Loans, on a pro rata basis based on the aggregate principal amount of Revolving Loans included in each such Extension Elections or to the extent such option is expressly set forth in the respective Extension Request, the Lead Borrower shall have the option to increase the amount of Extended Revolving Loans so that such excess does not exist.

(d) Extended Revolving Loans shall be established pursuant to an amendment (each, an “Extension Amendment”) to this Agreement among the Borrowers, the Administrative Agent and each Extending Lender providing Extended Revolving Loans thereunder which shall be consistent with the provisions set forth in Section 2.19(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment.

(e) With respect to any Extension Amendment consummated by a Borrower pursuant to this Section 2.19, (i) such Extension Amendment shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement, (ii) with respect to Extended Revolving Loan Commitments, if the aggregate amount extended is less than (A) the LC Commitment, the LC Commitment shall be reduced upon the date that is five (5) Business Days prior to the Maturity Date (to the extent needed so that the LC Commitment does not exceed the aggregate Revolving Commitment which would be in effect after the Maturity Date), and, if applicable, the Borrowers shall Cash Collateralize obligations under any issued Letters of Credit in an amount equal to 102% of the stated amount of such Letters of Credit, or (B) the Swingline Commitment, the Swingline Commitment shall be reduced upon the date that is five (5) Business Days prior to the Maturity Date (to the extent needed so that the Swingline Commitment does not exceed the aggregate Revolving Commitment which would be in effect after the Maturity Date), and, if applicable, the Borrowers shall prepay any outstanding Swingline Loans. The Administrative Agent and the Lenders hereby consent to each Extension Amendment and the other transactions contemplated by this Section 2.19 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Revolving Loan Commitments on such terms as may be set forth in the Extension Request) and hereby waive the requirements of any provision of this Credit Agreement or any other Credit Document that may otherwise prohibit any Extension Amendment or any other transaction contemplated by this Section 2.19; provided that such consent shall not be deemed to be an acceptance of the Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of any Extended Revolving Loans incurred pursuant thereto, (ii) establish new tranches or sub-tranches in respect of Revolving Commitments so extended and such
technical amendments as may be necessary in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.19, and (iii) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment. Notwithstanding the foregoing, the Administrative Agent shall have the right (but not the obligation) to seek the advice or concurrence of the Required Lenders with respect to any matter contemplated by this Section 2.19 and, if the Administrative Agent seeks such advice or concurrence, the Administrative Agent shall be permitted to enter into such amendments with the Borrowers in accordance with any instructions actually received by such Required Lenders and shall also be entitled to refrain from entering into such amendments with the Borrowers unless and until it shall have received such advice or concurrence; provided, however, that whether or not there has been a request by the Administrative Agent for any such advice or concurrence, all such amendments entered into with the Borrowers by the Administrative Agent hereunder shall be binding and conclusive on the Lenders.

ARTICLE 3 Yield Protection, Illegality and Replacement of Lenders.

Section 3.01 Increased Costs, Illegality, etc.

(a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBO Rate;

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBO Rate Loan because of any change since the Closing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the official interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, official guideline or request, such as, but not limited to: (A) any additional Tax imposed on any Lender (except Indemnified Taxes or Other Taxes indemnified under Section 5.01 or any Excluded Taxes) or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the LIBO Rate; or

(iii) at any time, if the making or continuance of any LIBO Rate Loan has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law) or (z) impracticable as a result of a contingency occurring after the Closing Date which materially and adversely affects the interbank eurodollar market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Lead Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBO Rate Loans shall no longer be available until such time as the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by the Lead Borrower with respect to LIBO Rate Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrowers, (y) in the case of clause (ii) above, each Borrower, jointly and severally, agrees to pay to such Lender, upon such Lender’s written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice setting forth the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, shall be submitted to the Lead Borrower by such Lender and shall,
(b) At any time that any LIBO Rate Loan is affected by the circumstances described in Section 3.01(a)(iii), the Lead Borrower may, and in the case of a LIBO Rate Loan affected by the circumstances described in Section 3.01(a)(iii), the Lead Borrower shall, either (x) if the affected LIBO Rate Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the same date that the Lead Borrower was notified by the affected Lender that it was entitled to require conversion of the affected LIBO Rate Loan into a Base Rate Loan; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 3.01(b).

(c) If any Lender determines that after the Closing Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital or liquidity requirements, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital or liquidity required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender’s Commitments hereunder or its obligations hereunder, then each Borrower, jointly and severally, agrees to fund the additional capital or liquidity required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender’s Commitments hereunder or its obligations hereunder, upon written notice thereof from such Lender, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 3.01 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time.

Section 3.02 Compensation. Each Borrower, jointly and severally, agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for such compensation and the calculation of the amount of such compensation), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Loans but excluding loss of anticipated profits (and without giving effect to the minimum “LIBO Rate”)) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion; (ii) if any prepayment or repayment (including any termination or reduction of Commitments made pursuant to Section 2.07 or as a result of an acceleration of the Loans pursuant to Section 11) or conversion of any of its LIBO Rate Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Loans is not made on any date specified in a notice of termination or reduction given by the Lead Borrower; or (iv) as a consequence of any other default by any Borrower to repay its LIBO Rate Loans when required by the terms of this Agreement or any Note held by such Lender.
Section 3.03 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 3.01(a)(ii) or (iii), Section 3.01(c), Section 5.01 or Section 13.01(a)(ii) with respect to such Lender, it will, if requested by the Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 3.03 shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in Sections 3.01, 5.01 or 13.01(a)(ii).

Section 3.04 Replacement of Lenders. Upon receipt by the Replacement Lender of all amounts required to be paid to it pursuant to this Section 3.04, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 3.04 and Section 3.04. Lead Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBO Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the LIBO Rate component of the Base Rate, the utilization of the LIBO Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Lead Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of LIBO Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of LIBO Rate Loans in the amount specified therein.

ARTICLE 5 Taxes.

Section 5.01 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable law. If any Taxes are required to be withheld or deducted from such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable shall be increased as necessary so that after making all required deductions or withholding (including deduction or withholdings applicable to additional sums payable under this Section 5.01), the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by the applicable Credit Party. The Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 days of written request therefor, for the amount of any Indemnified Taxes (including any Indemnified Taxes imposed on amounts payable under this Section 5.01) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any Other Taxes, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documents required below in Section 5.01(c)) expired, obsolete or inaccurate in any respect, deliver promptly to the Lead Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Lead Borrower or the Administrative Agent) or promptly notify the Lead Borrower and the Administrative Agent in writing of its inability to do so.

(c) Without limiting the generality of the foregoing: (x) each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to the Lead Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferor of an interest under this Agreement pursuant to Section 3.04 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such
Lender, (i) two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or Form W-8BEN-E (or successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party or Form W-8ECI (or successor form), or (ii) in the case of a Lender claiming exemption from U.S. federal withholding tax under Section 871(b) or 881(c) of the Code with respect to payments of “portfolio interest,” a certificate substantially in the form of Exhibit C (any such certificate, a “U.S. Tax Compliance Certificate”) and two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or W-8BEN-E (or successor form) certifying to such Lender’s entitlement as of such date to a complete exemption from U.S. withholding tax with respect to payments of interest to be made under this Agreement and under any Note; or (iii) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two accurate and complete signed copies of Internal Revenue Service Form W-8IMY (or successor form) of the Lender, accompanied by Form W-8ECI, Form W-8BEN, Form W-8BEN-E, U.S. Tax Compliance Certificate, Form W-8IMY, and/or any other required information (or successor or other applicable form) from each beneficial owner that would be required under this Section 5.01(c) if such beneficial owner were a Lender (provided that, if the Lender is a partnership for U.S. federal income Tax purposes (and not a participating Lender), and one or more beneficial owners are claiming the portfolio interest exemption), the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owners; (y) Each Lender that is a United States person, as defined in Section 7701(a)(30) of the Code, shall deliver to the Lead Borrower and the Administrative Agent, at the times specified in Section 5.01(b), two accurate and complete signed copies of Internal Revenue Service Form W-9, or any successor form that such Person is entitled to provide at such time, in order to qualify for an exemption from United States back-up withholding requirements; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower or the Administrative Agent, at the times and in forms prescribed by applicable law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Lead Borrower or the Administrative Agent to comply with its obligations under FATCA, to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.01(c)(z), “FATCA” shall include any amendment made to FATCA after the Closing Date.

Notwithstanding any other provision of this Section 5.01, a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to this Section 5.01(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under this Section 5.01 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes) of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund; provided that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.01(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.01(d) to the extent that such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing in this Section 5.01(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.
(e) For the avoidance of doubt, for purposes of Section 5.01, the term “Lender” shall include any Issuing Bank.

The Additional Security Documents or instruments related thereto shall be duly recorded or filed in such manner and in such places as are required by law to establish, perfect, preserve and protect (subject to exceptions as are reasonably acceptable to the Administrative Agent) the Liens in favor of the Collateral Agent required to be granted pursuant to the Additional Security Documents and all Taxes, fees and other charges payable in connection therewith shall be paid in full. Notwithstanding any other provision in this Agreement or any other Credit Document, no FSHCO, Foreign Subsidiary that is a CFC or a Subsidiary of a CFC shall be required to pledge any of its assets to secure any obligations of the Borrowers under the Credit Documents or guarantee the obligations of the Lead Borrower under the Credit Documents unless it becomes a Guarantor pursuant to the proviso to the definition of Excluded Subsidiary.

(b) Subject to the terms of the Intercreditor Agreement, with respect to any person that is or becomes a Restricted Subsidiary after the Closing Date, promptly (i) deliver to the Collateral Agent the certificates, if any, representing all (or such lesser amount as is required) of the Equity Interests of such Subsidiary, together with undated stock powers or other appropriate instruments of transfer executed and delivered in blank by a duly authorized officer of the holder(s) of such Equity Interests, and all intercompany notes owing from such Subsidiary to any Credit Party together with instruments of transfer executed and delivered in blank by a duly authorized officer of such Credit Party (to the extent required pursuant to the Security Agreement), (ii) cause such new Subsidiary (other than an Excluded Subsidiary) (A) to execute a joinder agreement to the Subsidiaries Guaranty and a joinder agreement to each applicable Security Document, substantially in the form annexed thereto, and a certificate attested to by the Secretary or any Assistant Secretary of such Credit Party, in the form of Exhibit E with all appropriate insertions and (B) to take all actions necessary or advisable in the opinion of the Administrative Agent or the Collateral Agent to cause the Lien created by the applicable Security Document to be duly perfected to the extent required by such agreement in accordance with all applicable Requirements of Law, including the filing of financing statements in such jurisdictions as may be reasonably requested by the Administrative Agent or the Collateral Agent, (iii) at the request of the Administrative Agent, deliver to the Administrative Agent a signed copy of an opinion, addressed to the Administrative Agent and the other Lenders, of counsel to the Credit Parties reasonably acceptable to the Administrative Agent as to such matters set forth in this Section 9.12(b) as the Administrative Agent may reasonable request and (iv) comply with the requirements of Section 9.17(f).

(c) The Lead Borrower will, and will cause each of the other Credit Parties that are Restricted Subsidiaries of the Lead Borrower to, at the expense of the Lead Borrower, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent, promptly, upon the reasonable request of the Administrative Agent or the Collateral Agent, at the Lead Borrower’s expense, any document or instrument supplemental to or confirmatory of the Security Documents, including opinions of counsel, or otherwise deemed by the Administrative Agent or the Collateral Agent reasonably necessary for the continued validity, perfection and priority (subject to the Intercreditor Agreement) of the Liens on the Collateral covered thereby subject to no other Liens except for Permitted Liens or as otherwise permitted by the applicable Security Document.

(d) [Reserved].

(e) The Lead Borrower agrees that each action required by clauses (a) through (d) of this Section 9.12 shall be completed as soon as reasonably practicable, but in no event later than 90 days after such action is required to be taken pursuant to such clauses or requested to be taken by the Administrative Agent or the Required Lenders (or such longer period as the Administrative Agent shall otherwise agree), as the case may be; provided that, in no event will the Lead Borrower or any of its Restricted Subsidiaries be required to take any action, other than using its commercially reasonable efforts, to obtain consents from third parties with respect to its compliance with this Section 9.12.

Section 9.13 Post-Closing Actions. The Lead Borrower agrees that it will, or will cause its relevant Subsidiaries to, complete each of the actions described on Schedule 9.13 as soon as commercially reasonable and by no later than the date set forth in Schedule 9.13 with respect to such action or such later date as the Administrative Agent may reasonably agree.

(a) Subject to the provisions of this Section 9.14 and the requirements contained in the definition of Permitted Acquisition, the Lead Borrower and its Restricted Subsidiaries may from time to time after the Closing Date effect Permitted Acquisitions, so long as (in each case except to the extent the Required Lenders otherwise specifically agree in writing in the case of a specific Permitted Acquisition): (i) the Payment Conditions shall be satisfied on a Pro Forma Basis for such Permitted Acquisition and (ii) the Lead Borrower shall have delivered to the Administrative Agent and each Lender a certificate executed by its chief financial officer or treasurer, certifying to the best of such officer’s knowledge, compliance with the requirements of the preceding clause (i), and containing the calculations (in reasonable detail) required by the preceding clause (i).

(b) At the time of each Permitted Acquisition involving the creation or acquisition of a Restricted Subsidiary, or the acquisition of Equity Interests of any Person, the Equity Interests thereof created or acquired in connection with such Permitted Acquisition shall be pledged for the benefit of the Secured Creditors pursuant to (and to the extent required by) the Pledge Agreement; provided that the pledge of the outstanding capital stock of any FSHCO or Foreign Subsidiary that is a CFC directly owned by the Lead Borrower or a Domestic Subsidiary that is a Credit Party shall be limited to (x) no more than sixty-five percent (65%) of the total combined voting power for all classes of the voting Equity Interests of such FSHCO or Foreign Subsidiary that is a CFC and (y) one-hundred percent (100%) of the non-voting Equity Interest of such FSHCO or Foreign Subsidiary that is a CFC; provided that for the avoidance of doubt, no FSHCO, Foreign Subsidiary that is a CFC, or Subsidiary of a CFC shall be required to pledge any of its assets in connection with any such Permitted Acquisition.

(c) The Lead Borrower shall cause each Restricted Subsidiary (other than an Excluded Subsidiary) which is formed to effect, or is acquired pursuant to, a Permitted Acquisition to comply with, and to execute and deliver all of the documentation as and to the extent required by, Section 9.12, to the reasonable satisfaction of the Administrative Agent.

(d) The consummation of each Permitted Acquisition shall be deemed to be a representation and warranty by the Lead Borrower that the certifications pursuant to this Section 9.14 are true and correct in all material respects and that all conditions thereto have been satisfied and that same is permitted in accordance with the terms of this Agreement, which representation and warranty shall be deemed to be a representation and warranty for all purposes hereunder, including, without limitation, Sections 8 and 11.

(e) Notwithstanding anything to the contrary contained herein, if the Lead Borrower has made a LCT Election pursuant to Section 1.03 in respect of a Permitted Acquisition, then any determination of compliance with the provisions of Section 9.14(d) shall be made effective as of the date of entering the definitive agreement for such Permitted Acquisition.

Section 9.16 Designation of Subsidiaries. The Lead Borrower may at any time after the Closing Date designate any Restricted Subsidiary of the Lead Borrower as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary by written notice to the Administrative Agent; provided that (i) immediately before and after such designation, no Event of Default shall have occurred and be continuing, (ii) in the case of the designation of any Subsidiary as an Unrestricted Subsidiary, such designation shall constitute an Investment in such Unrestricted Subsidiary (calculated as an amount equal to the sum of (x) the fair market value of the Subsidiary designated immediately prior to such designation (such fair market value to be calculated without regard to any Obligations of such Subsidiary under the Subsidiaries Guaranty) and (y) the aggregate principal amount of any Indebtedness owed by the Subsidiary to the Lead Borrower or any of its Subsidiaries immediately prior to such designation, all calculated, except as set forth in the parenthetical to clause (x) above, on a consolidated basis in accordance with U.S. GAAP), and such Investment shall be permitted under Section 10.05, (iii) no Subsidiary may be designated as an Unrestricted Subsidiary if it is a “Restricted Subsidiary” for the purpose of (I) the First Lien Credit Agreement, (II) the Second Lien Credit Agreement or (III) any Refinancing Notes Indenture, any Permitted First Lien Notes Documents, any Permitted Junior Notes Document or other debt instrument, in each case of this clause (III), with a principal amount in excess of the Threshold Amount, (iv) immediately after giving effect to the designation of an
Unrestricted Subsidiary as a Restricted Subsidiary, the Lead Borrower shall comply with the provisions of Section 9.12 with respect to such designated Restricted Subsidiary, (v) no Restricted Subsidiary may be a Subsidiary of an Unrestricted Subsidiary, (vi) in the case of the designation of any Subsidiary as an Unrestricted Subsidiary, no recourse whatsoever (whether by contract or by operation of law or otherwise) may be had to the Lead Borrower or any of its Restricted Subsidiaries or any of their respective properties or assets for any obligations of such Unrestricted Subsidiary, and (vii) the Lead Borrower shall have delivered to the Administrative Agent and each Lender a certificate executed by its chief financial officer or treasurer, certifying to the best of such officer’s knowledge, compliance with the requirements of the preceding clauses (i) through (vi), inclusive. Section 9.17 Collateral Monitoring and Reporting.

(a) Borrowing Base Certificates. By the 20th day of each month, the Lead Borrower shall deliver to the Administrative Agent (and the Administrative Agent shall promptly deliver same to the Lenders) a Borrowing Base Certificate prepared as of the close of business on the last Business Day of the previous month (or more frequently, if the Lead Borrower in its sole discretion shall so elect; provided that if any such election is made by the Lead Borrower, the Lead Borrower shall continue to report on such more frequent basis for a period of at least 3 months; provided that, during a Liquidity Period, the Lead Borrower shall deliver to the Administrative Agent weekly Borrowing Base Certificates by Wednesday of every week prepared as of the close of business on Friday of the previous week, which weekly Borrowing Base Certificates shall be in standard form unless otherwise reasonably agreed to by the Administrative Agent; it being understood that the amount of Eligible Accounts, Eligible Billed Hybrid Account and Eligible Unbilled Account, as applicable, shown in such Borrowing Base Certificate will be based on the amount of the gross Accounts set forth in the most recent weekly report, less the amount of ineligible Accounts reported for the most recently ended month). All calculations of Availability in any Borrowing Base Certificate shall be made by the Lead Borrower and certified by a Responsible Officer, provided that the Administrative Agent may from time to time review and adjust any such calculation in consultation with the Lead Borrower to the extent the calculation is not made in accordance with this Agreement or does not accurately reflect the Reserves.

(b) Records and Schedules of Accounts. The Lead Borrower shall keep accurate and complete records of its Accounts, including all payments and collections thereon, and shall submit to the Administrative Agent, upon the Administrative Agent’s request, sales, collection, reconciliation and other reports in form reasonably satisfactory to the Administrative Agent on a periodic basis (but not more frequently than at the time of delivery of each of the financials required pursuant to Section 9.01(a) and (b)). The Lead Borrower shall also provide to the Administrative Agent (in the case of clause (i), upon the Administrative Agent’s request), or on or before the 20th day of each month, (i) a detailed aged trial balance of all Accounts as of the end of the preceding month, specifying each Account’s Account Debtor name and the amount, invoice date and due date as the Administrative Agent may reasonably request, (ii) an unbilled A/R reconciliation by category, together with any relevant supporting information as the Administrative Agent may reasonably request and (iii) a report of all cash collections received by the Borrowers arising from Accounts during the preceding 30-day period. If Accounts in an aggregate face amount of $10,000,000 or more cease to be Eligible Accounts, the Borrowers shall notify the Administrative Agent of such occurrence promptly (and in any event within three Business Days) after any Responsible Officer of the Lead Borrower has actual knowledge thereof.

(c) Maintenance of Dominion Account. Within ninety (90) days (or such later date as Administrative Agent may agree in its reasonable discretion) of the Closing Date (or, with respect to any Deposit Account other than Excluded Deposit Accounts opened following the Closing Date, within sixty (60) days (or such later date as the Administrative Agent may agree in its reasonable discretion) of the opening or establishment of such Deposit Account or the date any Person becomes a Credit Party hereunder), (i) each Credit Party shall cause each bank or other depository institution at which any Deposit Account other than any Excluded Deposit Account is maintained, to enter into a Deposit Account Control Agreement that provides for such bank or other depository institution to transfer to the Dominion Account, on a daily basis, all balances in each Deposit Account other than any Excluded Deposit Account maintained by any Credit Party with such depository institution for application to the Obligations then
outstanding following the receipt by such bank or other depository institution of a Liquidity Notice (it being understood that the Administrative Agent shall reasonably promptly deliver a copy of such Liquidity Notice to the Lead Borrower), (ii) each Credit Party irrevocably appoints the Administrative Agent as such Credit Party’s attorney-in-fact to collect such balances during a Liquidity Period to the extent any such delivery is not so made and (iii) each Credit Party shall instruct each Account Debtor to make all payments with respect to Revolver Priority Collateral into Deposit Accounts subject to Deposit Account Control Agreements, or the Credit Parties shall immediately direct any such payments into Deposit Accounts subject to Deposit Account Control Agreements (it being understood that it shall not be a Default or Event of Default if any such payments are deposited in an Excluded Deposit Account pursuant to clause (v) of the definition thereof). The Administrative Agent and the Lenders assume no responsibility to the Borrowers for any lockbox arrangement or Dominion Account, including any claim of accord and satisfaction or release with respect to any check, draft or other item of payment payable to a Borrower (including those constituting proceeds of Collateral) accepted by any bank.

(e) Administration of Deposit Accounts. Schedule 9.17(a) sets forth all Deposit Accounts (other than Excluded Deposit Accounts) maintained by the Credit Parties, including the Dominion Account, as of the Closing Date. Subject to Section 9.17(c), each Credit Party shall take all actions necessary to establish the Administrative Agent’s control (within the meaning of the UCC) over each such Deposit Account other than Excluded Deposit Accounts at all times. Each Credit Party shall be the sole account holder of each Deposit Account and shall not allow any other Person (other than the Collateral Agent, the First Lien Collateral Agent and the Second Lien Collateral Agent and the applicable depositary bank, or any other secured parties (or representative therefor) permitted to have a security interest therein pursuant to Section 10.01) to have control over a Deposit Account or any deposits therein. The Lead Borrower shall promptly notify the Administrative Agent of any opening or closing of a Deposit Account (other than any Excluded Deposit Accounts), and shall not open any Deposit Accounts (other than any Excluded Deposit Accounts) at a bank not reasonably acceptable to the Administrative Agent.

(f) Contract Assignment Requirement. Within ninety (90) days (or such later date as Administrative Agent may agree in its sole discretion) of the Closing Date, the Borrowers shall deliver to the Administrative Agent an officer’s certificate to the effect that all documentation necessary to comply with the Federal Assignment of Claims Act has been executed by the Borrowers with regard to each Government Contract from which any Account included in the Borrowing Base may arise together with such original documentation. All such documentation shall be in form and substance reasonably satisfactory to the Administrative Agent and shall be effective to create a valid and effective right in favor of the Collateral Agent to receive all moneys due or to become due under such Government Contract. With respect to each new Government Contract with Accounts anticipated to be included in the Borrowing Base after the date hereof, the Borrower shall promptly deliver to the Administrative Agent all documentation necessary to comply with the Assignment of Claims Act with respect to such Government Contract. If at any time Availability falls below 15% of the Line Cap or there is an Event of Default, the Borrowers shall, upon the request of the Administrative Agent, promptly (and in any event within 5 Business Days) submit any of such documentation as may be selected by the Administrative Agent in its sole discretion to each relevant governmental agency or other Account Debtor requesting prompt countersignature thereof and use commercially reasonable efforts to cause such documentation to be executed by such governmental agency or other Account Debtor and delivered to the Administrative Agent.

ARTICLE 10 Negative Covenants. The Lead Borrower and each of its Restricted Subsidiaries (and Holdings in the case of Section 10.09(b)) hereby covenant and agree that on and after the Closing Date and so long as any Lender shall have any Commitment hereunder, any Loan or other Obligation hereunder (other than (i) any indemnification obligations arising hereunder which are not then due and payable and (ii) Secured Bank Product Obligations) or any Letter of Credit shall remain outstanding (unless Cash Collateralized or backstopped on terms reasonably satisfactory to the Administrative Agent):
Section 10.01 Liens. The Lead Borrower will not, and will not permit any of its Restricted Subsidiaries to, create, incur, assume or suffer to exist any Lien upon or with respect to any property or assets (real or personal, tangible or intangible) of the Lead Borrower or any of its Restricted Subsidiaries, whether now owned or hereafter acquired, or sell accounts receivable with recourse to the Lead Borrower or any of its Restricted Subsidiaries or authorize the filing of any financing statement under the UCC with respect to any Lien or any other similar notice of any Lien under any similar recording or notice statute; provided that the provisions of this Section 10.01 shall not prevent the creation, incurrence, assumption or existence of, or any filing in respect of, the following (Liens described below are herein referred to as “Permitted Liens”):

(i) Liens for Taxes, assessments or governmental charges or levies not overdue or Liens for Taxes being contested in good faith and by appropriate proceedings for which adequate reserves have been established in accordance with U.S. GAAP (or, for Foreign Subsidiaries, in conformity with generally accepted accounting principles that are applicable in their respective jurisdiction of organization);

(ii) Liens in respect of property or assets of the Lead Borrower or any of its Restricted Subsidiaries imposed by law, which were incurred in the ordinary course of business and do not secure Indebtedness for borrowed money, such as carriers’, warehousemen’s, contractors’, materialmen’s and mechanics’ liens and other similar Liens arising in the ordinary course of business, and which are being contested in good faith by appropriate proceedings, which proceedings have the effect of preventing the forfeiture or sale of the property or assets, subject to any such Lien for which adequate reserves have been established in accordance with U.S. GAAP;

(iii) Liens in existence on the Closing Date which are listed, and the property subject thereto described, in Schedule 10.01(iii) (or to the extent not listed on such Schedule 10.01(iii), where the fair market value of all property to which such Liens under this clause (iii) attach is less than $5,000,000 in the aggregate), plus modifications, renewals, replacements, refinancings and extensions of such Liens, provided that (x) the aggregate principal amount of the Indebtedness, if any, secured by such Liens does not increase from that amount outstanding at the time of any such renewal, replacement or extension, plus accrued and unpaid interest and cash fees and expenses (including premium) incurred in connection with such renewal, replacement or extension and (y) any such renewal, replacement or extension does not encumber any additional assets or properties of the Lead Borrower or any of its Restricted Subsidiaries (other than after-acquired property that is affixed or incorporated into the property encumbered by such Lien on the Closing Date and the proceeds and products thereof) unless such Lien is permitted under the other provisions of this Section 10.01;

ARTICLE 12 The Administrative Agent

Section 12.01 Appointment and Authorization.

(a) Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Sections 12.08, 12.10 and 12.11) are solely for the benefit of the Administrative Agent, the Issuing Bank and the Lenders, and neither the Lead Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connotes any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.
(b) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as Secured Bank Product Provider) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” or “security trustee” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” or “security trustee” under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

c) The Lenders hereby authorize the Administrative Agent to enter into the Intercreditor Agreement, any Additional Intercreditor Agreement and any other intercreditor agreement or arrangement permitted under this Agreement and any such intercreditor agreement shall be binding upon the Lenders.

Section 12.02 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 12.03 Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Lead Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as pro-
vided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Lead Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (v) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 12.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers, the Syndication Agents or the Documentation Agents shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender hereunder.

Section 12.06 Non-reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has from time to time deemed appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

Section 12.07 Indemnification by the Lenders. To the extent that the Borrowers for any reason fail to pay any amount required under Section 13.01(a) to be paid by them to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) such Related Party, as the case may be, such Lender’s pro rata share (based on the amount of then outstanding Loans held by such Lender or, if the Loans have been repaid in full, based on the amount of outstanding Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.01.
Section 12.08 **Rights as a Lender.** The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 12.09 **Administrative Agent May File Proofs of Claim; Credit Bidding.** In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan or LC Exposure shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Issuing Bank and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Bank, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the Issuing Bank to authorize the Administrative Agent to vote in respect of the claim of any Lender or the Issuing Bank in any such proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Credit Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles *(provided* that any actions by the Administrative Agent with re-
spect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.04 of this Agreement), and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

Section 12.10 Resignation of the Agents

(a) The Administrative Agent may at any time give notice of its resignation (including as Collateral Agent) to the Lenders and the Borrowers. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by the Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above provided that if the Administrative Agent shall notify the Borrowers and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Credit Documents, the retiring Administrative Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors’ security interest thereon until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of the Lead Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Administrative Agent hereunder and under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent’s resignation hereunder and under the other Credit Documents, the provisions of this Section 12.10 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

(b) Any resignation by Bank of America, N.A. as administrative agent pursuant to this Section 12.10 shall also constitute its resignation as lender of the Swingline Loans to the extent that Bank of America, N.A. is acting in such capacity at such time. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring lender of the Swingline Loans and (ii) the retiring lender of the Swingline Loans shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents.

Section 12.11 Collateral Matters and Guaranty Matters. (a) The Lenders and the Issuing Bank irrevocably authorize the Administrative Agent and the Collateral Agent, as applicable (and subject to the provisions of the Intercreditor Agreement and any Additional Intercreditor Agreement),

(i) to release any Lien on any property granted to or held by the Collateral Agent under any Credit Document (A) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (i) contingent indemnification obligations and expense reimbursement obligations which

120
are not then due and payable and (ii) Secured Bank Product Obligations not then due) and the expiration or termination of all Letters of Credit (unless Cash Collateralized or backstopped on terms reasonably satisfactory to the Administrative Agent), (B) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (C) subject to Section 13.12, if approved, authorized or ratified in writing by the Required Lenders, (D) that constitutes Excluded Collateral or (E) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty pursuant to clause (ii) below;

(ii) to release any Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; and

(iii) at the request of the Lead Borrower, to subordinate any Lien on any property granted to or held by the Collateral Agent or Administrative Agent under any Credit Document to the holder of any Lien on such property that is permitted by Sections 10.01(iv)(y), (iv)(z), (vi), (xiv), (xxx) (in the case of clause (iii)) or any other Lien that is expressly permitted by Section 10.01 to be senior to the Lien securing the Obligations, but only to the extent such sections permit such Lien to be prior to the Liens held by the Collateral Agent and the Administrative Agent under the Credit Documents.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s or the Collateral Agent’s, as applicable, authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrowers’ expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representations or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Section 12.12 Bank Product Providers. Each Secured Bank Product Provider, by delivery of a notice to the Administrative Agent of such agreement, agrees to be bound by this Section 12. Each such Secured Bank Product Provider shall indemnify and hold harmless the Administrative Agent and the Collateral Agent, to the extent not reimbursed by the Credit Parties, against all claims that may be incurred by or asserted against the Administrative Agent and the Collateral Agent in connection with such provider’s Secured Bank Product Obligations.

Section 12.13 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrowers pursuant to Section 5.01 and without limiting or expanding the obligation of the Borrowers to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclu-
sive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

ARTICLE 13 Miscellaneous

(a) The Credit Parties hereby jointly and severally agree to: (i) if the Closing Date occurs, pay all reasonable invoiced-out-of-pocket costs and expenses of the Agents, Lenders and Issuing Banks (including, without limitation, the reasonable fees and disbursements of one primary counsel to all Agents, Lenders and Issuing Banks and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person (as defined below) affected by such conflict informs you of such conflict and thereafter, retains its own counsel, of another firm of counsel for such affected Indemnified Person but excluding, other than as indicated under Section 13.01(a)(ii), Taxes other than Taxes that represent liabilities, obligations, losses, damages, penalties, actions, costs, expenses and disbursements arising from a non-Tax claim) in connection with the preparation, execution and delivery of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein, the administration hereof and thereof and any amendment, waiver or consent relating hereto or thereto (whether or not effective), of the Agents in connection with their syndication efforts with respect to this Agreement and of the Agents, each Issuing Bank and each Lender in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a “work-out” or pursuant to any insolvency or bankruptcy proceedings (which shall be limited to one primary counsel to all Agents, Issuing Banks and Lenders to be retained by the Agent and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict informs you of such conflict and thereafter, retains its own counsel, of another firm of counsel for such affected Indemnified Person); (ii) pay and hold each Agent, each Lender and each Issuing Bank harmless from and against any and all Other Taxes with respect to the foregoing matters and save each Agent, each Issuing Bank and each Lender harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to such Agent, such Lender or such Issuing Bank) to pay such Other Taxes; and (iii) indemnify each Agent, each Lender, each Issuing Bank and their respective Affiliates, and the officers, directors, employees, agents, trustees, representatives and investment advisors of each of the foregoing (each, an “Indemnified Person”) from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys’ and consultants’ fees and disbursements) (but excluding Taxes other than Taxes that represent liabilities, obligations, losses, damages, penalties, actions, costs, expenses and disbursements arising from a non-Tax claim) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not any Agent, any Issuing Bank or any Lender is a party thereto) or pursuant to any insolvency or bankruptcy proceedings (which shall be limited to one primary counsel to all Agents, Issuing Banks and Lenders to be retained by the Agent and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict informs you of such conflict and thereafter, retains its own counsel, of another firm of counsel for such affected Indemnified Person); (b) the actual or alleged presence of Hazardous Materials in the Environment relating in any way to any Real Property owned, leased or operated, at any time, by the Lead Borrower or any of its Subsidiaries; the generation, storage, transportation, handling, Release or threat of Release of Hazardous Materials by the Lead Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by the Lead Borrower or any of its Subsidiaries; the non-compliance by the Lead Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder and applicable to any Real Property; or any Environmental Claim asserted against the Lead Borrower, any of its Subsidiaries or relating in any way to any Real Property at any time owned, leased or operated by the Lead Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding, in all cases, whether or not caused by or arising, in whole or in part, out
of the comparative, contributory or sole negligence of the Indemnified Person (but excluding in each case any losses, liabilities, claims, damages or expenses (i) to the extent incurred by reason of the gross negligence, bad faith or willful misconduct of the applicable Indemnified Person, any Affiliate of such Indemnified Person or any of their respective directors, officers, employees, representatives, agents, Affiliates, trustees or investment advisors, (ii) to the extent incurred by reason of any material breach of the obligations of such Indemnified Person under this Agreement or the other Credit Documents (in the case of each of preceding clauses (i) and (ii), as determined by a court of competent jurisdiction in a final and non-appealable decision) or (iii) that do not involve or arise from an act or omission by the Lead Borrower or Guarantors or any of their respective affiliates and is brought by an Indemnified Person (other than claims against any Agent in its capacity as such in its fulfilling such role)). To the extent that the undertaking to indemnify, pay or hold harmless any Agent, any Issuing Bank or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for (x) any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems or (z) any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Agreement or any other Credit Document or the financing contemplated hereby; provided that nothing in this Section 13.01(b) shall relieve any Credit Party of any obligation it may have to indemnify an Indemnified Person against special, indirect, consequential or punitive damages asserted against such Indemnified Person by a third party.

Section 13.02 Right of Set-off. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, each Issuing Bank and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used exclusively for payroll, payroll taxes, fiduciary and trust purposes, and employee benefits) and any other Indebtedness of the Credit Parties to the Administrative Agent, such Issuing Bank or such Lender (including, without limitation, by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the credit or the account of the Lead Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent, such Issuing Bank or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent, such Issuing Bank or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

Section 13.03 Notices.

(a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telex, telecopier, cable communication or electronic transmission) and mailed, telegraphed, telexed, telecopied, cabled, delivered or transmitted: if to any Credit Party, c/o PAE Holding Corporation, c/o Platinum Equity, LLC, 360 North Crescent Drive, Beverly Hills, CA 90210, Attention: Legal Department, Telecopier No.: (310) 712-1863; if to any Lender, at its address specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Lead Borrower); and if to the Administrative Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Lead Borrower and the Administrative Agent. All such notices and communications shall, when mailed, tele-
(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, the Lead Borrower or Holdings may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Holdings, the Borrowers, the Subsidiary Guarantors, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of a Borrower’s, any Credit Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet.

Section 13.04 Benefit of Agreement; Assignments; Participations, etc. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, that no Borrower may assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of the Lenders and, provided, further, that, although any Lender may transfer, assign or grant participation in its rights or obligations hereunder, such Lender shall remain a “Lender” for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 2.13 and 13.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a “Lender” hereunder and, provided, further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Revolving Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant’s participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory repayment of any Revolving Loan shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) of the Revolving Loan shall be permitted without the consent of any participant if the participant’s participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement, (iii) modify any of the voting percentages set forth in Section 13.12 or the underlying definitions, (iv) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral under all the Security Documents supporting the Revolving Loans in which such participant is participating or (v) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty supporting the Loans in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant’s rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto). Each Borrower agrees that each participant shall be entitled to the benefits of Sections 3.01 and 5.01 (subject to the limitations and requirements of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment; provided, however, that a participant shall not be entitled to receive any greater payment under Section 3.01 or Section 5.01 than the applicable Lender would have been entitled to receive with respect to the participation sold to

124
such participant except to the extent such entitlement to a greater payment results from a change in law after the sale of the participation takes place. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Lead Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and interest amounts) of each participant’s interest in the Loans or other obligations under the Credit Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Loan, or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related Obligations hereunder to (i)(A) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this subclause (x)(i) (B)); provided that no such assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender, or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a portion equal to at least $5,000,000 (or such lesser amount as may be agreed to by the Administrative Agent and, so long as no Event of Default then exists under Section 11.01 or 11.05, the Lead Borrower, whose consent shall not be unreasonably withheld or delayed) in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement (which Assignment and Assumption Agreement shall contain an acknowledgement and agreement by the respective assignee that, as a Lender, it shall be subject to, and bound by the terms of the Inter-creditor Agreement), provided that (i) at such time, Schedule 2.01 shall be deemed modified to reflect the Commitments of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender’s indemnifying the Borrowers for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrowers’ expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.04 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Loans, as the case may be, (iii) the consent of the (A) Administrative Agent, (B) the Issuing Bank and the Swingline Lender and (C) so long as no Event of Default then exists under Section 11.01 or 11.05, the consent of the Lead Borrower shall (in either case) be required in connection with any such assignment pursuant to clause (y) above (which consent, in the case of each of clauses (A), (B) and (C), shall not be unreasonably withheld or delayed); provided that the Lead Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof, (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of $3,500 and (v) no such transfer or assignment shall be effective until recorded by the Administrative Agent on the Register pursuant to Section 13.15. To the extent of any assignment pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Revolving Loans. At the time of each assignment pursuant to this Section 13.04(b) to a Person that is not already a Lender hereunder, such assignee shall provide to the Administrative Agent and the Borrowers such Tax forms as are required to be provided under clauses (b) and (c) of Section 5.01 and shall deliver to the Administrative Agent an Administrative Questionnaire. To the extent that an assignment of all or any portion of a Lender’s Commitments and related outstanding Obligations pursuant to this Section 13.04(b) would, at the time of such assignment, result in increased costs under Section 3.01 or 5.01 from those charged by the assigning Lender prior to such assignment, then the Borrowers

shall not be obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment).

(c) [Reserved].

(d) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrowers), any Lender which is a fund may pledge all or any portion of its Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

(e) Each Lender acknowledges and agrees to comply with the provisions of Section 13.04 applicable to it as a Lender hereunder.

(f) The Administrative Agent shall have the right, and the Lead Borrower hereby expressly authorizes the Administrative Agent, to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by the Lead Borrower and any updates thereto. The Lead Borrower hereby agrees that any such requesting Lender may share the list of Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and Lender acknowledges and agrees that the Administrative Agent shall not be responsible for or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

(g) Notwithstanding the foregoing, each Credit Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender is a Disqualified Lender and the Administrative Agent shall have no liability with respect to any assignment made to a Disqualified Lender.

Section 13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrowers or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

Section 13.06 [Reserved].

Section 13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); provided that (i) except as otherwise specifically provided herein, all computations of the Applicable Margin, and all computations and all definitions (including accounting terms) used in determining compliance with Section 9.14, shall utilize U.S. GAAP and policies in conformity with those used to prepare the audited financial
Statements of the Lead Borrower referred to in Section 8.05(a)(i) for the fiscal year of the Lead Borrower ended December 31, 2015 and, (ii) to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; provided, further, that if the Lead Borrower notifies the Administrative Agent that the Lead Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies the Lead Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then the Borrowers and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; provided, further, that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect).

(b) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

Section 13.08 Governing Law; Submission to Jurisdiction; Venue; Waiver of Jury Trial

(a) This Agreement and the other Credit Documents and the rights and obligations of the parties hereunder and thereunder shall, except as otherwise provided in the relevant security document, be construed in accordance with and be governed by the Law of the State of New York. Any legal action or proceeding with respect to this Agreement or any other Credit Document (except that, (x) in the case of any Security Document, proceedings may also be brought by the Administrative Agent or Collateral Agent in the state in which the relevant collateral is located or any other relevant jurisdiction and (y) in the case of any Bankruptcy, Insolvency or similar proceedings with respect to any Credit Party, actions or proceedings related to this Agreement and the other Credit Documents may be brought in such court holding such Bankruptcy, Insolvency or similar proceedings) may be brought in the courts of the State of New York or of the United States for the Southern District of New York, in each case which are located in the County of New York, and, by execution and delivery of this Agreement or any other Credit Document, each of the parties hereto or thereto hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the exclusive jurisdiction of the aforesaid courts. Each party hereto hereby further irrevocably consents to the service of process out of any of the aforesaid courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, such party, as the case may be, at its address set forth opposite its signature below, such service to become effective 30 days after such mailing. Each party hereto irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any other Credit Document that service of process was in any way invalid or ineffective. Nothing herein shall affect the right
(b) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER CREDIT DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 13.09 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Lead Borrower and the Administrative Agent.

Section 13.10 [Reserved].

Section 13.11 Headings Descriptive. The headings of the several Sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

Section 13.12 Amendment or Waiver; etc.

(a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions) the Subsidiaries Guaranty and the Security Documents in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders), provided that no such change, waiver, discharge or termination shall (i) without the prior written consent of each Lender (and Issuing Bank, if applicable) directly and adversely affected thereby, extend the final scheduled maturity of any Revolving Commitment, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with applicability of any post-default increase in interest rates) or reduce or forgive the principal amount thereof, (ii) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral under all the Security Documents without the prior written consent of each Lender, (iii) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty without the prior written consent of each Lender, (iv) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty without the prior written consent of each Lender, (iv) amend, modify or waive any pro rata sharing provision of Section 2.10, the payment waterfall provision of Section 11.11, or any provision of this Section 13.12(a) (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Revolving Commitments on the Closing Date), in each case, without the prior written consent of each Lender directly and adversely affected thereby, (v) reduce the percentage specified in the definition of Required Lenders or Supermajority Lenders without the prior written consent of each Lender (it being understood that, with the prior written consent of the Required Lenders or Supermajority Lenders, as applicable, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders or Supermajority Lenders, as applicable, on substantially the same basis as the extensions of Revolving Commitments are included on the Closing Date) or (vi) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement without the consent of each Lender; provided further that no such change, waiver, discharge or termination shall (1) increase the Commitments of any Lender over the amount thereof then in effect without the consent of such Lender (it being
understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Aggregate Commitments shall not constitute an increase of the Commitment of any Lender, and that an increase in the available portion of any Commitment of any Lender shall not constitute an increase of the Commitment of such Lender; (2) without the consent of each Agent adversely affected thereby, amend, modify or waive any provision of Section 12 or any other provision as same relates to the rights or obligations of such Agent, (3) without the consent of Collateral Agent, amend, modify or waive any provision relating to the rights or obligations of the Collateral Agent, (4) without the consent of an Issuing Bank or the Swingline Lender, amend, modify or waive any provision relating to the rights or obligations of the such Issuing Bank or Swingline Lender, (5) without the prior written consent of the Supermajority Lenders, change the definition of the term “Availability” or “Borrowing Base” or any component definition used therein (including, without limitation, the definition of “Eligible Accounts”) if, as a result thereof, the amounts available to be borrowed by the Borrowers would be increased; provided that the foregoing shall not limit the discretion of the Administrative Agent to change, establish or eliminate any Reserves or to add Accounts and Inventory acquired in a Permitted Acquisition to the Borrowing Base as provided herein or (6) without the prior written consent of the Supermajority Lenders, increase the percentages set forth in the term “Borrowing Base” or add any new classes of eligible assets thereto.

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 3.04 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender’s Commitments and/or repay the outstanding Revolving Loans of such Lender in accordance with Section 3.04: provided that, unless the Commitments that are terminated, and Revolving Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto; provided further that in any event the Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Revolving Loans solely as a result of the exercise of such Lender’s rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each Lender providing the relevant Revolving Commitment Increase may (i), in accordance with the provisions of Section 2.15, enter into an Incremental Revolving Commitment Agreement, and (ii) in accordance with the provisions of Section 2.19, enter into an Extension Amendment: provided that after the execution and delivery by the Borrowers, the Administrative Agent and each such Lender may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.

(d) [Reserved.]

(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of “Supermajority” and “Required Lenders” will automatically be deemed modified accordingly for the duration of such period); provided that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or
the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

Section 13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 3.01, 3.02, 5.01, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

Section 13.14 Domicile of Loans. Each Lender may transfer and carry its Revolving Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 3.01 or 5.01 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

Section 13.15 Register. The Borrowers hereby designate the Administrative Agent to serve as their agent, solely for purposes of this Section 13.15, to maintain a register (the "Register") on which the Administrative Agent will record the Commitments from time to time of each of the Lenders, the Revolving Commitments and principal amount of Revolving Loans and LC Obligations by each of the Lenders and each repayment in respect of the principal amount of the Loans of each Lender. Holdings, the Lead Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement (and the entries in the Register shall be conclusive for such purposes), notwithstanding notice to the contrary. With respect to any Lender, the transfer of the Commitments of, and the principal (and interest) amounts of the Revolving Loans owing to, such Lender and the rights to the principal of, and interest on, any Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Revolving Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Revolving Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Revolving Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Revolving Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The registration of any provision of Revolving Commitment Increases pursuant to Section 2.15 shall be recorded by the Administrative Agent on the Register only upon the acceptance of the Administrative Agent of a properly executed and delivered Incremental Revolving Commitment Agreement. Coincident with the delivery of such Incremental Revolving Commitment Agreement for acceptance and registration of the provision of Revolving Commitment Increases, as the case may be, or as soon thereafter as practicable, to the extent requested by any Lender of a Revolving Commitment Increase, Notes shall be issued, at the Borrowers' expense, to such Lender to be in conformity with Section 2.04 (with appropriate modification) to the extent needed to reflect Revolving Commitment Increases, and outstanding Revolving Loans made by such Lender.
Section 13.16 Confidentiality.

(a) Subject to the provisions of clause (b) of this Section 13.16, each Agent, Lead Arranger and Lender agrees that it will use its commercially reasonable efforts not to disclose without the prior consent of the Lead Borrower (other than to its affiliates and its and their respective directors, officers, employees, auditors, advisors or counsel) or to another Lender if such Lender or such Lender’s holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender (or language substantially similar to this Section 13.16(a)) any information with respect to the Lead Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.16(a) by such Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any prospective or actual direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 13.16 (or language substantially similar to this Section 13.16(a)), (vii) to any prospective or actual transferee, pledgee or participant in connection with any contemplated transfer, pledge or participation of any of the Notes or Commitments or any interest therein by such Lender, (viii) has become available to any Agent, the Lead Arranger, any Lender or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, the Borrowers or any Subsidiary thereof, and which source is not known by such Person to be subject to a confidentiality restriction in respect thereof in favor of the Borrowers or any Affiliate of the Borrowers, provided that such prospective transferee, pledge or participant agrees to be bound by the confidentiality provisions contained in this Section 13.16 (or language substantially similar to this Section 13.16(a)), (ix) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder or (x) on a confidential basis to (A) any rating agency in connection with rating any Credit Party or the credit facilities provided hereunder or (B) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers of other market identifiers with respect to the credit facilities provided hereunder; provided, further, that, to the extent permitted pursuant to any applicable law, order, regulation or ruling, and other than in connection with credit and other bank examinations conducted in the ordinary course with respect to such Lender, in the case of any disclosure pursuant to the foregoing clause (ii), (iii) or (iv), such Lender will use its commercially reasonable efforts to notify the Lead Borrower in advance of such disclosure so as to afford the Lead Borrower the opportunity to protect the confidentiality of the information proposed to be so disclosed. In addition, the Agents, Lead Arrangers and Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Agents, the Lead Arrangers and the Lenders in connection with the administration of this Agreement, the other Credit Documents, and the Commitments.

(b) The Borrowers hereby acknowledge and agree that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to Holdings, the Lead Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of Holdings, the Lead Borrower and its Subsidiaries); provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender.

Section 13.17 USA Patriot Act Notice. Each Lender hereby notifies Holdings and the Borrowers that pursuant to the requirements of the USA PATRIOT Act Title III of Pub. 107-56 (signed into law October 26, 2001 and amended on March 9, 2009) (the “Patriot Act”), it is required to obtain, verify, and record information that identifies Holdings, the Borrowers and each Subsidiary Guarantor, which information includes the name of each Credit Party and other information that will allow such Lender to identify the Credit Party in accordance with the Patriot Act, and each Credit Party agrees to provide such information from time to time to any Lender.
Section 13.18 [Reserved].

Section 13.19 Waiver of Sovereign Immunity. Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that Holdings, the Borrowers, or any of their respective Subsidiaries or any of their respective properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Loans or any Credit Document or any other liability or obligation of Holdings, the Borrowers, or any of their respective Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, Holdings and the Borrowers, for themselves and on behalf of their respective Subsidiaries, hereby expressly waive, to the fullest extent permissible under applicable law, any such immunity, and agree not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, Holdings and the Borrowers further agree that the waivers set forth in this Section 13.19 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

Section 13.20 [Reserved].

Section 13.21 INTERCREDITOR AGREEMENT.

(a) EACH LENDER PARTY HERETO UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE INTERCREDITOR AGREEMENT, WHICH IN CERTAIN CIRCUMSTANCES MAY REQUIRE (AS MORE FULLY PROVIDED THEREIN) THE TAKING OF CERTAIN ACTIONS BY THE LENDERS, INCLUDING THE PURCHASE AND SALE OF PARTICIPATIONS BY VARIOUS LENDERS TO EACH OTHER IN ACCORDANCE WITH THE TERMS THEREOF.

(b) THE PROVISIONS OF THIS SECTION 13.21 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT OR ANY OF AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE INTERCREDITOR AGREEMENT. A COPY OF THE INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM THE ADMINISTRATIVE AGENT.

(c) THE INTERCREDITOR AGREEMENT IS AN AGREEMENT SOLELY AMONGST THE LENDERS (AND THEIR SUCCESSORS AND ASSIGNS) AND IS NOT AN AGREEMENT TO WHICH HOLDINGS OR ANY OF ITS SUBSIDIARIES IS PARTY. AS MORE FULLY PROVIDED THEREIN, THE INTER-CREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

Section 13.22 Absence of Fiduciary Relationship. Notwithstanding any other provision of this Agreement or any provision of any other Credit Document, (i) none of the Lead Arrangers, the Documentation Agents, the Syndication Agents or any Lender shall, solely by reason of this Agreement or any other Credit Document, have any fiduciary, advisory or agency relationship or duty in respect of any Lender or any other Person and (ii) Holdings and the Borrowers hereby waive, to the fullest extent permitted by law, any claims they may have against the Lead Arrangers, the Documentation Agents, the Syndication Agents or any Lender for breach of fiduciary duty or alleged breach of fiduciary duty.
Section 13.23 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumption Agreements, amendments or other Notices of Borrowing, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 13.24 Entire Agreement. This Agreement and the other Credit Documents represent the final agreement among the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

Section 13.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Solely to the extent an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or Issuing Bank that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(A) a reduction in full or in part or cancellation of any such liability;

(B) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(C) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

ARTICLE 14 Credit Agreement Party Guaranty

Section 14.01 The Guaranty. In order to induce the Agents, the Collateral Agent and the Lenders to enter into this Agreement and to extend credit hereunder, and to induce the other Guaranteed Creditors to enter into Secured Bank Product Obligations in recognition of the direct benefits to be received by each Credit Agreement Party from the proceeds of the Revolving Loans and the entering into of such Secured Bank Product Obligations, each Credit Agreement Party hereby agrees with the Guaranteed Creditors as follows: each Credit Agreement Party hereby unconditionally and irrevocably guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors. If any or all of the Relevant Guaranteed Obligations of any Credit Agreement Party to the Guaranteed Creditors becomes due and payable hereunder, such Credit Agreement Party, unconditionally and irrevocably, promises to pay such indebtedness to the Administrative Agent and/or the other Guaranteed Creditors, or order, on demand, together with any and all expenses which may be incurred by the Administrative

133
Agent and the other Guaranteed Creditors in collecting any of the Relevant Guaranteed Obligations. This Credit Agreement Party Guaranty is a guaranty of payment and not of collection. This Credit Agreement Party Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Relevant Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including any Relevant Guaranteed Party), then and in such event the respective Credit Agreement Party agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Credit Agreement Party, notwithstanding any revocation of this Credit Agreement Party Guaranty or any other instrument evidencing any liability of any Relevant Guaranteed Party, and each Credit Agreement Party shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

Section 14.02 Bankruptcy. Additionally, each Credit Agreement Party unconditionally and irrevocably guarantees the payment of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by any Relevant Guaranteed Party upon the occurrence of any of the events specified in Section 11.05, and irrevocably and unconditionally promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand, in lawful money of the United States.

Section 14.03 Nature of Liability. The liability of each Credit Agreement Party hereunder is primary, absolute and unconditional, exclusive and independent of any security for or other guaranty of the Relevant Guaranteed Obligations, whether executed by any other guarantor or by any other party, and each Credit Agreement Party understands and agrees, to the fullest extent permitted under law, that the liability of such Credit Agreement Party hereunder shall not be affected or impaired by (a) any direction as to application of payment by any Relevant Guaranteed Party or by any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Relevant Guaranteed Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment in cash of the Relevant Guaranteed Obligations), or (d) any dissolution, termination or increase, decrease or change in personnel by any Relevant Guaranteed Party, or (e) any payment made to any Guaranteed Creditor on the Relevant Guaranteed Obligations which any such Guaranteed Creditor repays to any Relevant Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Credit Agreement Party waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 14.05, or (g) any invalidity, irregularity or enforceability of all or any part of the Relevant Guaranteed Obligations or of any security therefor.

Section 14.04 Independent Obligation. The obligations of each Credit Agreement Party hereunder are independent of the obligations of any other guarantor, any other party or any Relevant Guaranteed Party, and a separate action or actions may be brought and prosecuted against any Credit Agreement Party whether or not action is brought against any other guarantor, any other party or any Relevant Guaranteed Party and whether or not any other guarantor, any other party or any Relevant Guaranteed Party be joined in any such action or actions. Each Credit Agreement Party waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Relevant Guaranteed Party or other circumstance which operates to toll any statute of limitations as to such Relevant Guaranteed Party shall operate to toll the statute of limitations as to the relevant Credit Agreement Party.

Section 14.05 Authorization. To the fullest extent permitted under law, each Credit Agreement Party authorizes the Guaranteed Creditors without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Relevant Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security
therefor, or any liability incurred directly or indirectly in respect thereof, and this Credit Agreement Party Guaranty shall apply to the Relevant Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Relevant Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Relevant Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(c) exercise or refrain from exercising any rights against any Relevant Guaranteed Party, any other Credit Party or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, guarantors, any Relevant Guaranteed Party, other Credit Parties or other obligors;

(e) settle or compromise any of the Relevant Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Relevant Guaranteed Party to its creditors other than the Guaranteed Creditors;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Relevant Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of such Relevant Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, this Agreement, any other Credit Document, any Secured Bank Product Obligation or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Agreement, any other Credit Document, any Secured Bank Product Obligation or any of such other instruments or agreements; and/or

(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Credit Agreement Party from its liabilities under this Credit Agreement Party Guaranty.

Section 14.06 Reliance. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of any Relevant Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Relevant Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

Section 14.07 Subordination. Any indebtedness of any Relevant Guaranteed Party now or hereafter owing to any Credit Agreement Party is hereby subordinated to the Relevant Guaranteed Obligations of such Relevant Guaranteed Party owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of such Relevant Guaranteed Party to such Credit Agreement Party shall be collected, enforced and received by such Credit Agreement Party for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Relevant Guaranteed Obligations of such Relevant Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of any Credit Agreement Party under the other provisions of this Credit Agreement Party Guaranty. Without limiting the generality of the foregoing, each Credit Agreement Party hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Credit Agreement Party Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Relevant Guaranteed Obligations have been irrevocably paid in full in cash.

Section 14.08 Waiver.

(a) Each Credit Agreement Party waives any right (except as shall be required by applicable law and cannot be waived) any right to require any Guaranteed Creditor to (i) proceed against any Relevant Guaranteed Par-
ty, any other guarantor or any other party, (ii) proceed against or exhaust any security held from any Relevant Guaranteed Party, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor’s power whatsoever. Each Credit Agreement Party waives any defense (except as shall be required by applicable statute and cannot be waived) based on or arising out of any defense of any Relevant Guaranteed Party, any other guarantor or any other party, other than payment of the Relevant Guaranteed Obligations to the extent of such payment, based on or arising out of the disability of any Relevant Guaranteed Party, any other guarantor or any other party, or the validity, legality or unenforceability of the Relevant Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Relevant Guaranteed Party other than payment of the Relevant Guaranteed Obligations to the extent of such payment. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against any Relevant Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Credit Agreement Party hereunder except to the extent the Relevant Guaranteed Obligations have been paid. Each Credit Agreement Party waives, to the fullest extent permitted under law, any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Credit Agreement Party against any Relevant Guaranteed Party or any other party or any security.

(b) Each Credit Agreement Party waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Credit Agreement Party Guaranty, and notices of the existence, creation or incurring of new or additional Relevant Guaranteed Obligations. Each Credit Agreement Party assumes all responsibility for being and keeping itself informed of each Relevant Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Relevant Guaranteed Obligations and the nature, scope and extent of the risks which such Credit Agreement Party assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any of the other Guaranteed Creditors shall have any duty to advise any Credit Agreement Party of information known to them regarding such circumstances or risks.

Section 14.09 Maximum Liability. It is the desire and intent of each Credit Agreement Party and the Guaranteed Creditors that this Credit Agreement Party Guaranty shall be enforced against such Credit Agreement Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of any Credit Agreement Party under this Credit Agreement Party Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Credit Agreement Party’s obligations under this Credit Agreement Party Guaranty shall be deemed to be reduced and such Credit Agreement Party shall pay the maximum amount of the Relevant Guaranteed Obligations which would be permissible under applicable law.

Section 14.10 Payments. All payments made by a Credit Agreement Party pursuant to this Section 14 will be made without set-off, counterclaim or other defense, and shall be subject to the provisions of Section 2.06.

Section 14.11 Keepwell. Each Credit Agreement Party that is a Qualified ECP Guarantor (as defined below) at the time the Credit Agreement Party Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Credit Party with respect to such Swap Obligation as may be needed by such Specified Credit Party from time to time to honor all of its obligations under this Credit Agreement Party Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 14.11 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 14.11 shall remain in full force and effect until the Guaranteed Obligations have been indefeasibly paid and performed in full. Each Qualified ECP Guarantor intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified
Credit Party for all purposes of the Commodity Exchange Act. “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Agreement Party that has total assets exceeding $10,000,000 at the time the Guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act. A “Specified Credit Party” shall mean any Credit Agreement Party that is not “an eligible contract participant” under the Commodity Exchange Act (determined after giving effect to this Section 14.11).

WHEREAS, the Lead Borrower has notified the Administrative Agent that it is requesting an increase in Commitments in the amount set forth on Schedule 1 hereto (the “Revolving Commitment Increases”) pursuant to Section 2.15(b) of the Credit Agreement;

WHEREAS, each Person identified on Schedule 1 hereto (each, an “Increase Loan Lender”, and collectively, the “Increase Loan Lenders”) has agreed (on a several and not a joint basis), subject to the terms and conditions set forth herein and in the Credit Agreement, to provide a Revolving Commitment Increase in the amount set forth opposite such Increase Loan Lender’s name on Schedule 1 hereto (and the total amount of Revolving Commitment Increases made pursuant to this Amendment shall be $50,000,000); and

WHEREAS, the parties hereto have indicated their willingness to amend certain other terms of the Credit Agreement as set forth herein.

NOW, THEREFORE, in consideration of the premises and agreements, provisions and covenants herein contained, the parties hereto agree as follows:

Section 1. Defined Terms; References. Unless otherwise specifically defined herein, each term used herein which is defined in the Credit Agreement has the meaning assigned to such term in the Credit Agreement. Each reference to “hereof”, “hereunder”, “herein” and “hereby” and each other similar reference and each reference to “this Agreement” and each other similar reference contained in the Credit Agreement shall, after this Amendment becomes effective, refer to the Credit Agreement as amended hereby. This amendment is a “Credit Document” as defined under the Credit Agreement.

“Amendment No. 1 Effective Date” shall mean June 12, 2017.
Section 3. Additional Amendments to Credit Agreement.

(a) In the first paragraph of the recitals to the Credit Agreement, (i) “$45,000,000” shall be replaced with “$100,000,000” and (ii) “$10,000,000” shall be replaced with “$25,000,000”.

(b) In clause (b)(i) of the definition of “Borrowing Base” in the Credit Agreement, “70%” shall be replaced with “75%”.

(c) In clause (b)(ii) of the definition of “Borrowing Base” in the Credit Agreement, “45%” shall be replaced with “55%”.

Section 4. Revolving Commitment Increase.

(a) The Lead Borrower and each Increase Loan Lender hereby agree that, subject to the satisfaction of the conditions in Section 7 hereof, on the Amendment No. 1 Effective Date, the Revolving Commitment Increase of such Increase Loan Lender shall become effective and the Revolving Commitments shall be deemed increased by the amount of the Revolving Commitment Increases of such Increase Loan Lenders in the amounts set forth on Schedule 1 hereto. Pursuant to Section 2.15 of the Credit Agreement, the Revolving Commitment Increases shall be Revolving Commitments for all purposes under the Credit Agreement and each of the other Credit Documents and shall have terms identical to the Revolving Commitments outstanding under the Credit Agreement immediately prior to the date hereof (but giving effect to any amendments hereunder).

(b) Each Increase Loan Lender acknowledges and agrees that upon the Amendment No 1. Effective Date, such Increase Loan Lender shall be a “Lender” under, and for all purposes of, the Credit Agreement and the other Credit Documents, and shall be subject to and bound by the terms thereof, and shall perform all the obligations of and shall have all rights of a Lender thereunder.

(c) After giving effect to such Revolving Commitment Increases, the Revolving Commitment of each Revolving Lender shall be as set forth on Schedule 2 hereto (and such Schedule 2 shall supersede Schedule 2.01 to the Credit Agreement).

Section 5. Reallocation. The reallocation of the Lenders’ Revolving Loans contemplated by Section 2.15(c) of the Credit Agreement with respect to any increase in the Revolving Commitments shall occur with respect to the Revolving Commitment Increases contemplated hereby on the Amendment
Section 6. Representations Correct. By its execution of this Amendment, each Credit Party hereby certifies that:

(a) This Amendment has been duly authorized by all necessary corporate or other organizational action and has been duly executed and delivered by each Credit Party that is a party hereto and constitutes a legal, valid and binding obligation enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors’ rights and by equitable principles (regardless of whether enforcement is sought in equity or at law);

(b) Neither the execution, delivery or performance by any Credit Party of this Amendment (i) will contravene any provision of any law, statute, rule or regulation or any order, writ, injunction or decree of any court or governmental instrumentality, (ii) will conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except for Permitted Liens) upon any of the property or assets of any Credit Party or any of its Restricted Subsidiaries pursuant to the terms of, any indenture, mortgage, deed of trust, credit agreement or loan agreement, or any other material agreement, contract or instrument, in each case to which any Credit Party or any of its Restricted Subsidiaries is a party or by which it or any of its property or assets is bound or to which it may be subject (except, in the case of preceding clauses (i) and (ii), other than in the case of any contravention, breach, default and/or conflict, that would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect) or (iii) will violate any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of any Credit Party or any of its respective Restricted Subsidiaries;

(c) Except to the extent the failure to obtain or make the same would not reasonably be expected to have a Material Adverse Effect, no order, consent, approval, license, authorization or validation of, or filing, recording or registration with (except for (x) those that have otherwise been obtained or made on or prior to the Amendment No. 1 Effective Date and which remain in full force and effect on the Amendment No. 1 Effective Date and (y) filings which are necessary to perfect the security interests created under the Security Documents), or exemption by, any governmental or public body or authority, or any subdivision thereof, is required to be obtained or made by, or on behalf of, any Credit Party to authorize, or is required to be obtained or made by, or on behalf of, any Credit Party in connection with, the execution, delivery and performance of this Amendment; and

(d) All proceeds of the Loans incurred after the Amendment No. 1 Effective Date will be used in accordance with Section 9.11 of the Credit Agreement.

Section 7. Effectiveness. This Amendment shall become effective as of the date hereof (the "Amendment No. 1 Effective Date"), subject to the satisfaction or waiver of the following conditions:

(a) Counterparts of this Amendment shall have been executed and delivered by the Lead Borrower, the Credit Parties, each Increase Loan Lender party hereto, the Supermajority Lenders, each Issuing Bank and the Administrative Agent;
(b) The Administrative Agent’s receipt of a duly executed certificate of an appropriate officer of each Credit Party, certifying (i) that the copies of such Credit Party’s certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, (x) as certified and delivered to the Administrative Agent on the date that such Credit Party became a Credit Party, remain in full force and effect as of the Amendment No. 1 Effective Date without modification or amendment since such original delivery or (y) as certified as of a recent date by the appropriate Governmental Authority of the jurisdiction of such Credit Party’s organization or formation and attached to such officer’s certificate, are true, correct and complete and in full force and effect as of the Amendment No. 1 Effective Date, (ii) that the copies of such Credit Party’s resolutions approving and adopting the Credit Documents to which it is party, the transactions contemplated herein, and authorizing the execution and delivery thereof, as attached to such officer’s certificate, are true, correct and complete copies and in full force and effect as of the Amendment No. 1 Effective Date and (iii) as to incumbency certificates identifying the officers of such Credit Party that are authorized to execute Credit Documents and to act on such Credit Party’s behalf in connection with the Credit Documents and who will execute Credit Documents;

(c) The Administrative Agent shall have received certificates of good standing or the equivalent (if any) for each Credit Party from such Credit Party’s jurisdiction of organization or formation, in each case certified as of a recent date by the appropriate Governmental Authority;

(d) The Administrative Agent shall have received from (i) Latham & Watkins LLP, special counsel to the Credit Parties and (ii) Bean Kinney & Korman, P.C., special Virginia counsel to the Credit Parties, opinions addressed to the Administrative Agent and each of the Lenders and dated the Amendment No. 1 Effective Date in form and substance reasonably satisfactory to the Administrative Agent;

(e) Each of the representations and warranties made by any Credit Party set forth in Section 8 of the Credit Agreement or in any other Credit Document shall be true and correct in all material respects (without duplication of any materiality standard set forth in any such representation or warranty) on and as of the Amendment No. 1 Effective Date with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall be true and correct in all material respects as of such date (without duplication of any materiality standard set forth in any such representation or warranty);

(f) No Event of Default has occurred and is continuing;

(g) The Administrative Agent shall have received (i) for the account of each Increase Loan Lender, a commitment fee equal to 1.00% of the aggregate amount of each Increase Loan Lender’s Revolving Commitment Increase and (ii) all reasonable out-of-pocket fees and expenses of the Administrative Agent and Merrill Lynch, Pierce, Fenner & Smith Incorporated (the “Arranger”), including all invoiced fees and expenses of one primary counsel to the Administrative Agent and the Arranger, to the extent invoiced at least two (2) Business Days prior to the date hereof, shall have been paid or reimbursed, on or prior to the Amendment No. 1 Effective Date;

(h) The Administrative Agent shall have received evidence reasonably satisfactory to it that Amendment No. 1 to the First Lien Credit Agreement and Amendment No. 1 to the Second Lien Credit Agreement shall have, or will concurrently, become effective in accordance with their terms and the transactions contemplated thereby shall have been, or will concurrently be, consummated; and

(i) Each Increase Loan Lender shall have received all documentation and other information required by bank regulatory authorities under applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act, in each case, to the extent reasonably requested by such Person in writing at least ten (10) days prior to the Amendment No. 1 Effective Date.
Section 8. Fees Generally. All fees payable hereunder shall be in all respects fully earned, due and payable on the Amendment No. 1 Effective Date and non-refundable and non-creditable thereafter.

Section 9. Acknowledgments. Each Credit Party hereby expressly acknowledges the terms of this Amendment and reaffirms, as of the date hereof, (i) the covenants and agreements contained in each Credit Document to which it is a party, including, in each case, such covenants and agreements as in effect immediately after giving effect to this Amendment and the transactions contemplated hereby, (ii) its guarantee of the Obligations (including, without limitation, the Obligations that may arise pursuant to the Revolving Commitment Increases) under the Security Documents and (iii) its grant of Liens on the Collateral to secure the Obligations (including, without limitation, the Obligations that may arise pursuant to the Revolving Commitment Increases) pursuant to the Security Documents.

Section 10. Amendment, Modification and Waiver. This Amendment may not be amended, modified or waived except in accordance with Section 13.12 of the Credit Agreement.

Section 11. Liens Unimpaired. After giving effect to this Amendment, neither the modification of the Credit Agreement effected pursuant to this Amendment nor the execution, delivery, performance or effectiveness of this Amendment:

(a) impairs the validity, effectiveness or priority of the Liens granted pursuant to any Credit Document, and such Liens continue unimpaired with the same priority to secure repayment of all Obligations, whether heretofore or hereafter incurred; or

(b) requires that any new filings be made or other action taken to perfect or to maintain the perfection of such Liens.

Section 12. Entire Agreement. This Amendment, the Credit Agreement and the other Credit Documents constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties hereto with respect to the subject matter hereof. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of any party under, the Credit Agreement, nor alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement, all of which are ratified and affirmed in all respects and shall continue in full force and effect. It is understood and agreed that each reference in each Credit Document to the Credit Agreement, whether direct or indirect, shall hereafter be deemed to be a reference to the Credit Agreement as amended hereby and that this Amendment is a Credit Document. This Amendment shall not constitute a novation of the Credit Agreement or any other Credit Document.

Section 14. Severability. If any provision of this Amendment is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Amendment shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

-5-
Section 15. Counterparts. This Amendment may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery by facsimile or other electronic means of an executed counterpart of a signature page to this Amendment shall be effective as delivery of an original executed counterpart of this Amendment.

Section 16. Headings. The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.
IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed by their respective authorized officers as of the day and year first above written.

Section 2.01 Amendments to Credit Agreement. Each of the parties hereto agrees that, effective on the Amendment No. 2 Effective Date, the Credit Agreement shall be amended to delete the stricken text (indicated textually in the same manner as the following example: stricken text) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages of the Amended Credit Agreement attached as Exhibit A hereto.

(a) each of the representations and warranties made by any Credit Party set forth in Section 8 of the Credit Agreement or in any other Credit Document shall be true and correct in all material respects (in each case, any representation or warranty that is qualified as to "materiality or similar language" shall be true and correct in all respects on and as of the date hereof) on and as of the date hereof, with the same effect as though made on and as of the Closing Date, except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall be true and correct in all material respects as of such date (in each case, any representation or warranty that is qualified as to "materiality or similar language" shall be true and correct in all respects on and as of the date hereof); and

(b) at the time of and immediately after giving effect to this Amendment, no Default or Event of Default shall have occurred and be continuing.

ARTICLE IV

(c) **Consent Fee.** The Administrative Agent shall have received for the account of each Lender that executes and delivers a copy of this Amendment to the Administrative Agent (or its counsel) at or prior to 12:00 p.m. (noon) New York City time on January 23, 2020, a non-refundable consent fee in an amount equal to 0.05% of such consenting Lender’s Revolving Commitment outstanding as of the Amendment No. 2 Effective Date immediately prior to the effectiveness of this Amendment (it being understood that Borrowers shall have no liability for any such fee if the Amendment No. 2 Effective Date does not occur).

(d) **Fees and Expenses.** On the Amendment No. 2 Effective Date, the Borrowers shall have paid to the Administrative Agent and the Amendment No. 2 Arranger all costs, fees and expenses (including, without limitation, legal fees and expenses) to the extent invoiced at least three (3) Business Days prior to the Amendment No. 2 Effective Date and any other compensation payable to the Administrative Agent and the Amendment No. 2 Arranger or otherwise payable in respect of the 2019 Amendment Transactions to the extent then due.

Section 4.02 **Effects of this Amendment**

(a) Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Administrative Agent under the existing Credit Agreement or any other Credit Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the existing Credit Agreement or any other provision of the existing Credit Agreement or of any other Credit Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. This Amendment shall not constitute a novation of the Credit Agreement as in effect immediately prior to giving effect hereto or any of the Credit Documents. Except as expressly set forth herein, nothing herein shall be deemed to be a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Credit Document in similar or different circumstances.

(b) From and after the Amendment No. 2 Effective Date, each reference in the Credit Agreement to “this Agreement”, “hereunder”, “hereof”, “herein”, or words of like import, and each reference to the “Credit Agreement” in any other Credit Document shall in each case be deemed a reference to the Amended Credit Agreement as amended hereby. This Amendment shall constitute a “Credit Document” for all purposes of the Credit Agreement and the other Credit Documents.

**ARTICLE V**

**REAFFIRMATION**

Section 5.01 **Reaffirmation.** By signing this Amendment, each Credit Party hereby confirms that notwithstanding the effectiveness of this Amendment and the transactions contemplated hereby, the obligations of such Credit Parties under the Amended Credit Agreement and the other Credit Documents (i) are entitled to the benefits of the guarantees and the security interests set forth or created in the Amended Credit Agreement, the Security Agreement, the other Security Documents and the other Credit Documents, (ii) constitute “Guaranteed Obligations” and “Obligations” for purposes of the
Amended Credit Agreement, the Security Agreement, the other Security Documents and all other Credit Documents, (iii) each Guarantor hereby confirms and ratifies its continuing unconditional obligations as Guarantor under the Credit Agreement as amended hereby with respect to all of the Guaranteed Obligations and (iv) each Credit Document to which such Credit Party is a party is, and shall continue to be, in full force and effect and is hereby ratified and confirmed in all respects and shall remain in full force and effect according to its terms (in the case of the Credit Agreement, as amended hereby). Each Credit Party ratifies and confirms that all Liens granted, conveyed, or assigned to any Agent by such Person pursuant to any Credit Document to which it is a party remain in full force and effect, are not released or reduced, and continue to secure full payment and performance of the Obligations as increased hereby.

ARTICLE VI

MISCELLANEOUS

Section 6.01 Entire Agreement. This Amendment, the Credit Agreement and the other Credit Documents constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties hereto with respect to the subject matter hereof. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of any party under, the Credit Agreement, nor alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement, all of which are ratified and affirmed in all respects and shall continue in full force and effect. It is understood and agreed that each reference in each Credit Document to the Credit Agreement, whether direct or indirect, shall hereafter be deemed to be a reference to the Credit Agreement as amended hereby and that this Amendment is a Credit Document.

Section 6.02 Miscellaneous Provisions. The provisions of Sections 13.08 and 13.23 of the Amended Credit Agreement are hereby incorporated by reference and apply mutatis mutandis hereto.

Section 6.03 Severability. If any provision of this Amendment is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Amendment shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 6.04 Counterparts. This Amendment may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall constitute an original, but all of which, when taken together, shall constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Lead Borrower and the Administrative Agent.

Section 6.05 Headings. The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

Section 1.03 Limited Condition Transactions. Notwithstanding anything to the contrary in this Agreement, in connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated Senior Secured Net Leverage Ratio and Consolidated Total Net Leverage Ratio and Consolidated Fixed Charge Coverage Ratio;

(ii) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated Total Assets); or

(iii) determining other compliance with this Agreement (including the determination that no Default or Event of Default has occurred, is continuing or would result therefrom);

in each case, at the option of the Lead Borrower (the Lead Borrower’s election to exercise such option in connection with any Limited Condition Transaction, an “LCT Election”), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to which such acquisition or Investment or (y) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) either (x) the declaration of such Dividend or (y) the making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07(a), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) either (x) the delivery of irrevocable (which may be conditioned) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the “LCT Test Date”), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), the Lead Borrower or any of its Restricted Subsidiaries would have been

51
permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with, except that, for the avoidance of doubt, in no event will the determination of Availability (on a stand-alone basis or as a component of Payment Conditions or Distribution Conditions) be made on any date other than the date of any applicable acquisition, Dividend, or other transaction. For the avoidance of doubt, if the Lead Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated Total Assets of the Lead Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Lead Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Investment permitted under Section 10.05, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Lead Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a “Subsequent Transaction”) following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

Notwithstanding anything herein to the contrary, if any Obligation is funded and expressly denominated in a currency other than Dollars, the Borrowers shall repay such Obligation in such other currency.

ARTICLE 2 Amount and Terms of Credit

Section 2.01 The Commitments. Subject to the terms and conditions and relying upon the representations and warranties herein set forth, each Lender agrees, severally and not jointly, to make Revolving Loans to the Borrowers, at any time and from time to time on and after the Closing Date until the earlier of one Business Day prior to the Maturity Date and the termination of the Commitment of such Lender in accordance with the terms hereof, in an aggregate principal amount at any time outstanding that will not result in (i) such Lender’s Revolving Exposure exceeding the lesser of (A) such Lender’s Revolving Commitment, and (B) such Lender’s Pro Rata Percentage multiplied by the Borrowing Base then in effect or (ii) the total Revolving Loans made on the Closing Date exceeding the maximum amount permitted to be used on the Closing Date pursuant to Section 8.06. Within the limits set forth above and subject to the terms, conditions and limitations set forth herein, the Borrowers may borrow, pay or prepay and reborrow Revolving Loans. All Borrowers shall be jointly and severally liable as borrowers for all Loans regardless of which Borrower receives the proceeds thereof.

Section 2.02 Loans.

(a) Each Loan (other than Swingline Loans) shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; provided that the failure of any Lender to make any Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). Except for Loans deemed made pursuant to Section 2.03(f), Loans (other than Swingline Loans) comprising any Borrowing shall be in an aggregate principal amount that is (i) (A) in the case of Base Rate Loans, not less than $500,000 and (B) in the case of LIBO Rate Loans, an integral multiple of $250,000 and not less than $1,000,000, or (ii) equal to the remaining available balance of the applicable Revolving Commitments.
(b) Subject to Section 3.01, each Borrowing shall be comprised entirely of Base Rate Loans or LIBO Rate Loans as the Lead Borrower may request pursuant to Section 2.03. Each Lender may at its option make any LIBO Rate Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement or cause the Borrowers to pay additional amounts pursuant to Section 3.01. Borrowings of more than one Type may be outstanding at the same time; provided further that the Borrowers shall not be entitled to request any Borrowing that, if made, would result in more than ten (10) Borrowings of LIBO Rate Loans outstanding hereunder at any one time. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Except with respect to Loans made pursuant to Section 2.02(f), each Lender shall make each Loan (other than Swingline Loans) to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account in New York City as the Administrative Agent may designate not later than 3:00 p.m., New York City time, and the Administrative Agent shall promptly credit the amounts so received to an account as directed by the Lead Borrower in the applicable Notice of Borrowing maintained with the Administrative Agent or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met or waived, return the amounts so received to the respective Lenders.

(d) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (c) above, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, such Lender and the Lead Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to such Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Lead Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error). If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender’s Loan as part of such Borrowing for purposes of this Agreement.

(e) Notwithstanding any other provision of this Agreement, the Lead Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

(f) If the Issuing Bank shall not have received from the Lead Borrower the payment required to be made by Section 2.13(e) within the time specified in such Section, the Issuing Bank will promptly notify the Administrative Agent of the LC Disbursement and the Administrative Agent will promptly notify each Revolving Lender of such LC Disbursement and its Pro Rata Percentage thereof. Each Revolving Lender shall pay by wire transfer of immediately available funds to the Administrative Agent on such date (or, if such Revolving Lender shall have received such notice later than 12:00 (noon), New York City time, on any day, not later than 11:00 a.m., New York City time, on the immediately following Business Day), an amount equal to such Lender’s Pro Rata Percentage of such LC Disbursement (it being understood that such amount shall be deemed to constitute a Base Rate Loan of such Lender, and such payment shall be deemed to have reduced the LC Exposure), and the Administrative Agent will promptly pay to the Issuing Bank amounts so received by it from the Revolving Lenders. The Administrative Agent will promptly pay to the Issuing Bank any amounts received by it from the Lead Borrower pursuant to Section 2.13(e) prior to the time that any Revolving Lender makes any payment pursuant to this paragraph (f); any such amounts received by the Administrative Agent thereafter will be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made such payments and to the Issuing Bank, as their interests may appear. If any Revolving Lender shall not have made its Pro Rata Percentage of such LC Disbursement available to the

\[ \text{bank} \]
Administrative Agent as provided above, such Lender and the Lead Borrower severally agree to pay interest on such amount, for each day from and including the date such amount is required to be paid in accordance with this paragraph (f) to but excluding the date such amount is paid, to the Administrative Agent for the account of the Issuing Bank at (i) in the case of the Lead Borrower, a rate per annum equal to the interest rate applicable to Revolving Loans pursuant to Section 2.06(a), and (ii) in the case of such Lender, for the first such day, the Federal Funds Rate, and for each day thereafter, the Base Rate.

Section 2.03 Borrowing Procedure. To request a Revolving Borrowing, the Lead Borrower shall notify the Administrative Agent of such request by telecopy or electronic transmission (if arrangements for doing so have been approved by the Administrative Agent, which approval shall not be unreasonably withheld, conditioned or delayed) or telephone (promptly confirmed by telecopy or electronic transmission) (i) in the case of a Borrowing of LIBO Rate Loans, not later than 1:00 p.m., New York City time, three Business Days before the date of the proposed Borrowing or (ii) in the case of a Borrowing of Base Rate Loans (other than Swingline Loans), not later than 1:00 p.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Notice of Borrowing shall be irrevocable, subject to Sections 2.09 and 3.01, and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Notice of Borrowing in a form approved by the Administrative Agent and signed by the Lead Borrower. Each such telephonic and written Notice of Borrowing shall specify the following information in compliance with Section 2.02:

(a) the aggregate amount of such Borrowing;
(b) the date of such Borrowing, which shall be a Business Day;
(c) whether such Borrowing is to be a Borrowing of Base Rate Loans or a Borrowing of LIBO Rate Loans;
(d) in the case of a Borrowing of LIBO Rate Loans, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term “Interest Period”; provided that if the Borrowers wish to request LIBO Rate Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of “Interest Period,” the applicable notice must be received by the Administrative Agent not later than 11:00 a.m., New York City time, four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to each Lender of such request and determine whether the requested Interest Period is acceptable to all of them and the Administrative Agent shall notify the Lead Borrower (which notice may be by telephone) not later than 11:00 a.m., New York City time, three Business Days before the requested date of such Borrowing, conversion or continuation whether or not the requested Interest Period has been consented to by such Lenders; and
(e) the location and number of the account to which funds are to be disbursed, which shall comply with the requirements of Section 2.02.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be a Borrowing of Base Rate Loans. If no Interest Period is specified with respect to any requested Borrowing of LIBO Rate Loans, then the Lead Borrower shall be deemed to have selected an Interest Period of one month’s duration. Promptly following receipt of a Notice of Borrowing in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender’s Loan to be made as part of the requested Borrowing.

Section 2.04 Evidence of Debt; Repayment of Loans.

(a) Each Borrower, jointly and severally, hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender, the then unpaid principal amount of each Revolving Loan of such Lender on the Maturity Date and (ii) to the Swingline Lender the then unpaid principal amount of each Swingline Loan on the Maturity Date.
(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement. The Lead Borrower shall be entitled to review records of such accounts with prior reasonable notice during normal business hours.

(c) The Administrative Agent shall maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto; (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder; and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender’s share thereof. Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender. The Lead Borrower shall be entitled to review records of such accounts with prior reasonable notice during normal business hours.

(d) The entries made in the accounts maintained pursuant to paragraphs (b) and (c) above shall be prima facie evidence of the existence and amounts of the obligations therein recorded absent manifest error; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrowers to repay the Loans in accordance with their terms.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the applicable Borrower shall promptly prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) substantially in the form of Exhibit B-1 or Exhibit B-2, as applicable.

Section 2.05 Fees.

(a) Unused Line Fee. The Borrowers shall, jointly and severally, pay to the Administrative Agent, for the Pro Rata benefit of the Lenders (other than any Defaulting Lender), a fee equal to the Unused Line Fee Rate multiplied by the amount by which the Revolving Commitments (other than Revolving Commitments of a Defaulting Lender) exceed the average daily balance of outstanding Revolving Loans (other than Swingline Loans) and stated amount of outstanding Letters of Credit during any calendar quarter (such fee, the “Unused Line Fee”). Such fee shall accrue commencing on the Closing Date, and will be payable in arrears, on each Adjustment Date, commencing with January 1, 2017.

(b) Administrative Agent Fees. The Borrowers, jointly and severally, agree to pay to the Administrative Agent, for its own account, the fees set forth in the Fee Letter or such other fees payable in the amounts and at the times separately agreed upon between the Lead Borrower and the Administrative Agent (the “Administrative Agent Fees”).

(c) LC and Fronting Fees. The Borrowers, jointly and severally, agree to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee (“LC Participation Fee”) with respect to its participations in Letters of Credit, which shall accrue at a rate equal to the Applicable Margin from time to time used to determine the interest rate on LIBO Rate Loans pursuant to Section 2.06, on the average daily amount of such Lender’s LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which such Lender’s Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the Issuing Bank a fronting fee (“Fronting Fee”), which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as the Issuing Bank’s standard and reasonable fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder as agreed among the Lead Borrower and the Issuing Bank from time to time. LC Participation Fees and Fronting Fees shall be payable on each Adjustment Date, commencing with January 1, 2017; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand (including
documentation reasonably supporting such request). Any other fees payable to the Issuing Bank pursuant to this paragraph shall be payable within 10 days after written demand (together with backup documentation supporting such reimbursement request). All LC Participation Fees and Fronting Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(d) All fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders (other than Defaulting Lenders), except that the Fronting Fees shall be paid directly to the Issuing Bank. Once paid, none of the fees shall be refundable under any circumstances.

Section 2.06 Interest on Loans.

(a) Subject to the provisions of Section 2.06(c), the Loans comprising each Borrowing of Base Rate Loans, including each Swingline Loan, shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin in effect from time to time.

(b) Subject to the provisions of Section 2.06(c), the Loans comprising each Borrowing of LIBO Rate Loans shall bear interest at a rate per annum equal to the LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin in effect from time to time.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fees or other amount payable by the Borrowers hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of, or interest on, any Loan, 2% plus the rate otherwise applicable to such Loan or (ii) in the case of any other amount, 2% plus the rate applicable to Base Rate Loans.

(d) Accrued interest on each Loan shall be payable in arrears (i) in the case of Base Rate Loans, on each Adjustment Date, commencing with January 1, 2017, for such Base Rate Loans, (ii) in the case of LIBO Rate Loans, at the end of the current Interest Period therefor and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period and (iii) in the case of Revolving Loans, upon termination of the Revolving Commitments; provided that (x) interest accrued pursuant to paragraph (c) of this Section 2.06 shall be payable on demand and, absent demand, on each Adjustment Date, at the end of the current Interest Period and upon termination of the Revolving Commitments, as applicable; (y) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Base Rate Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (z) in the event of any conversion of any LIBO Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 365/366 days, except that interest computed by reference to the LIBO Rate (other than Base Rate Loans determined by reference to the LIBO Rate) and all fees shall be computed on the basis of a year of 360 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or LIBO Rate shall be determined by the Administrative Agent in accordance with the provisions of this Agreement and such determination shall be conclusive absent manifest error.

Section 2.07 Termination and Reduction of Commitments.

(a) The Revolving Commitments, the Swingline Commitment, and the LC Commitment shall automatically terminate on the Maturity Date.

(b) The Lead Borrower may at any time terminate, or from time to time reduce, the Revolving Commitments; provided that (i) any such reduction shall be in an amount that is an integral multiple of $1,000,000 and (ii) the Revolving Commitments shall not be terminated or reduced if after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.09, the Aggregate Exposures would exceed the Aggregate Commitments.
(c) The Lead Borrower shall notify the Administrative Agent of any election to terminate or reduce the Aggregate Commitments under paragraph (b) of this Section 2.07 at least two Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Lead Borrower pursuant to this Section 2.07 shall be irrevocable except that, to the extent delivered in connection with a refinancing of the Obligations, such notice shall not be irrevocable until such refinancing is closed and funded. Any effectuated termination or reduction of the Aggregate Commitments shall be permanent. Each reduction of the Aggregate Commitments shall be made ratably among the Lenders in accordance with their respective Revolving Commitments.

Section 2.08 Interest Elections.

(a) Each Revolving Borrowing initially shall be of the Type specified in the applicable Notice of Borrowing and, in the case of a Borrowing of LIBO Rate Loans, shall have an initial Interest Period as specified in such Notice of Borrowing. Thereafter, the Lead Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Borrowing of LIBO Rate Loans, may elect Interest Periods therefor, all as provided in this Section 2.08. The Lead Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding anything to the contrary, the Lead Borrower shall not be entitled to request any conversion or continuation that, if made, would result in more than ten (10) Borrowings of LIBO Rate Loans outstanding hereunder at any one time. This Section 2.08 shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section 2.08, the Lead Borrower shall notify the Administrative Agent of such election by telephone or electronic transmission (if arrangements for doing so have been approved by the Administrative Agent, which approval shall not be unreasonably withheld, delayed or conditioned) by the time that a Notice of Borrowing would be required under Section 2.03 if the Lead Borrower was requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election, subject to Section 3.05. Each such telephonic Notice of Conversion/Continuation shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Notice of Conversion/Continuation substantially in the form of Exhibit A-2, unless otherwise agreed to by the Administrative Agent and the Lead Borrower.

(c) Each telephonic and written Notice of Conversion/Continuation shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Notice of Conversion/Continuation applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Notice of Conversion/Continuation, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be a Borrowing of Base Rate Loans or a Borrowing of LIBO Rate Loans; and

(iv) if the resulting Borrowing is a Borrowing of LIBO Rate Loans, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term “Interest Period”.

\[ r = \frac{57}{2} \]
If any such Notice of Conversion/Continuation requests a Borrowing of LIBO Rate Loans but does not specify an Interest Period, then the Lead Borrower shall be deemed to have selected an Interest Period of one month’s duration.

(d) Promptly following receipt of an Notice of Conversion/Continuation, the Administrative Agent shall advise each Lender of the details thereof and of such Lender’s portion of each resulting Borrowing.

(e) If a Notice of Conversion/Continuation with respect to a Borrowing of LIBO Rate Loans is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Borrowing of Base Rate Loans. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Lead Borrower, then, after the occurrence and during the continuance of such Event of Default (i) no outstanding Borrowing may be converted to or continued as a Borrowing of LIBO Rate Loans and (ii) unless repaid, each Borrowing of LIBO Rate Loans shall be converted to a Borrowing of Base Rate Loans at the end of the Interest Period applicable thereto.

Section 2.09 Optional and Mandatory Prepayments of Loans

(a) Optional Prepayments. The Lead Borrower shall have the right at any time and from time to time to prepay, without premium or penalty, any Borrowing, in whole or in part, subject to the requirements of this Section 2.09; provided that each partial prepayment shall be in an amount that is an integral multiple of $100,000.

(b) Revolving Loan Prepayments.

(i) In the event of the termination of all the Revolving Commitments, the Lead Borrower shall, on the date of such termination, repay or prepay all the outstanding Revolving Borrowings and all outstanding Swingline Loans and Cash Collateralize or backstop on terms reasonably satisfactory to the Administrative Agent the LC Exposure in accordance with Section 2.13(j).

(ii) In the event of any partial reduction of the Revolving Commitments, then (A) at or prior to the effective date of such reduction, the Administrative Agent shall notify the Lead Borrower and the Revolving Lenders of the Aggregate Exposures after giving effect thereto and (B) if the Aggregate Exposures would exceed the Line Cap then in effect, after giving effect to such reduction, then the Lead Borrower shall, on the date of such reduction (or, if such reduction is due to the imposition of new Reserves or a change in the methodology of calculating existing Reserves, within five Business Days following such notice), first, repay or prepay all Swingline Loans, second, repay or prepay Revolving Borrowings and third, replace or Cash Collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.13(j), in an amount sufficient to eliminate such excess.

(iii) In the event that the Aggregate Exposures at any time exceeds the Line Cap then in effect, the Lead Borrower shall, immediately after demand (or, if such overadvance is due to the imposition of new Reserves or a change in the methodology of calculating existing Reserves, or change in eligibility standards, within five Business Days following notice), apply an amount equal to such excess to prepay the Loans and any interest accrued thereon, in accordance with this Section 2.09(b)(iii). The Lead Borrower shall, first, repay or prepay all Swingline Loans, second, repay or prepay Revolving Borrowings, and third, replace or Cash Collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.13(j), in an amount sufficient to eliminate such excess.

(iv) In the event that the aggregate LC Exposure exceeds the LC Commitment then in effect, the Lead Borrower shall, without notice or demand, immediately replace or Cash Collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.13(j), in an amount sufficient to eliminate such excess.

(c) Application of Prepayments.

(i) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Lead Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment.
pursuant to paragraph (i) of this Section 2.09(c). Unless during a Liquidity Period, except as provided in Section 2.09(b)(ii) hereof, all mandatory prepayments shall be applied as follows: first, to fees and reimbursable expenses of the Administrative Agent then due and payable pursuant to the Credit Documents; second, to interest then due and payable on the Borrowers’ Swingline Loans; third, to the principal balance of the Swingline Loan outstanding until the same has been prepaid in full; fourth, to interest then due and payable on the Revolving Loans and other amounts due pursuant to Sections 3.02 and 5.01; fifth, to the principal balance of the Revolving Loans until the same have been prepaid in full; sixth, to Cash Collateralize all LC Exposure plus any accrued and unpaid interest thereon (to be held and applied in accordance with Section 2.13(h) hereof); seventh, to all other Obligations pro rata in accordance with the amounts that such Lender certifies is outstanding; and eighth, as required by the Intercreditor Agreement or, in the absence of any such requirement, returned to the Lead Borrower or to such party as otherwise required by law.

(ii) Amounts to be applied pursuant to this Section 2.09 to the prepayment of Revolving Loans shall be applied, as applicable, first to reduce outstanding Base Rate Loans. Any amounts remaining after each such application shall be applied to prepay LIBO Rate Loans. Notwithstanding the foregoing, if the amount of any prepayment of Loans required under this Section 2.09 shall be in excess of the amount of the Base Rate Loans at the time outstanding, only the portion of the amount of such prepayment that is equal to the amount of such outstanding Base Rate Loans shall be immediately prepaid and, at the election of the Lead Borrower, the balance of such required prepayment shall be either (A) deposited in the LC Collateral Account and applied to the prepayment of LIBO Rate Loans on the last day of the then next-expiring Interest Period for LIBO Rate Loans (with all interest accruing thereon for the account of the Lead Borrower) or (B) prepaid immediately, together with any amounts owing to the Lenders under Section 2.10. Notwithstanding any such deposit in the LC Collateral Account, interest shall continue to accrue on such Loans until prepayment.

(d) Notice of Prepayment. The Lead Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by telephone (confirmed by telecopy) of any prepayment hereunder (i) in the case of prepayment of a Borrowing of LIBO Rate Loans, not later than 1:00 p.m., New York City time, three Business Days before the date of prepayment, (ii) in the case of prepayment of a Borrowing of Base Rate Loans, not later than 4:00 p.m., New York City time, on the date of prepayment or (iii) in the case of prepayment of a Swingline Loan, not later than 1:00 p.m., New York City time, on the date of prepayment. Each such notice shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Each notice of prepayment pursuant to this Section shall be irrevocable, except that the Lead Borrower may, by subsequent notice to the Administrative Agent, revoke any such notice of prepayment if such notice of revocation is received not later than 10:00 a.m. (New York City time) on the day on which such prepayment is scheduled to occur and, provided that (i) the Lead Borrower reimburses each Lender pursuant to Section 3.02 for any funding losses within five Business Days after receiving written demand therefor and (ii) the amount of Loans as to which such revocation applies shall be deemed converted to (or continued as, as applicable) Base Rate Loans in accordance with the provisions of Section 2.08 as of the date of notice of revocation (subject to subsequent conversion in accordance with the provisions of this Agreement). Promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.06.

Section 2.10 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Each Borrower shall make each payment required to be made by it hereunder or under any other Credit Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Sections 3.01, 3.02 and 5.01 or otherwise) at or before the time expressly required hereunder or under such other Credit Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the reasonable discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the Payment Office, except payments to be made directly to...
the Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Sections 3.01, 3.02, 5.01 and 13.01 shall be made to the Administrative Agent for the benefit of to the Persons entitled thereto and payments pursuant to other Credit Documents shall be made to the Administrative Agent for the benefit of the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Credit Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Credit Document shall be made in U.S. Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied in the manner as provided in Section 2.09(c) or 11.11 hereof, as applicable, ratably among the parties entitled thereto.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in LC Disbursements or Swingline Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in LC Disbursements and Swingline Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements and Swingline Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements and Swingline Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Lead Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Lead Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Credit Parties rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of a Credit Party in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Lead Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that the Lead Borrower will not make such payment, the Administrative Agent may assume that the Lead Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if the Lead Borrower has not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith the amount so distributed to the Lenders or the Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.02(c), 2.02(f), 2.10(d), 2.12(d) or 2.13(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender’s obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.11 Defaulting Lenders.

(a) Reallocations of Pro Rata Share; Amendments. For purposes of determining the Lenders’ obligations to fund or acquire participations in Loans or Letters of Credit, the Administrative Agent may exclude the

\[ x = 60 \]
Commitments and Loans of any Defaulting Lender(s) from the calculation of Pro Rata Shares; provided that such reallocation shall not cause the Revolving Exposure of any Non-Defaulting Lender to exceed its Revolving Commitment. A Defaulting Lender shall have no right to vote on any amendment, waiver or other modification of a Credit Document, except as provided in Section 2.12.

(b) Payments; Fees. The Administrative Agent may, in its discretion, receive and retain any amounts payable to a Defaulting Lender under the Credit Documents, and a Defaulting Lender shall be deemed to have assigned to the Administrative Agent such amounts until all Obligations owing to the Administrative Agent, Non-Defaulting Lenders and other Secured Creditors have been paid in full. The Administrative Agent may apply such amounts to the Defaulting Lender’s defaulted obligations, use the funds to Cash Collateralize such Lender’s Fronting Exposure, or readvance the amounts to the Borrowers hereunder. A Lender shall not be entitled to receive any fees accruing hereunder during the period in which it is a Defaulting Lender, and the unfunded portion of its Commitment shall be disregarded for purposes of calculating the Unused Line Fee under Section 2.05(a). To the extent any LC Obligations owing to a Defaulting Lender are reallocated to other Lenders, LC Participation Fees attributable to such LC Obligations under Section 2.05(c) shall be paid to such other Lenders. The Administrative Agent shall be paid all LC Participation Fees attributable to LC Obligations that are not so reallocated.

c) Cure. The Lead Borrower, Administrative Agent and Issuing Bank may agree in writing that a Lender is no longer a Defaulting Lender. At such time, Pro Rata Shares shall be reallocated without exclusion of such Lender’s Commitments and Loans, and all outstanding Loans, LC Obligations and other exposures under the Commitments shall be reallocated among Lenders and settled by the Administrative Agent (with appropriate payments by the reinstated Lender) in accordance with the readjusted Pro Rata Shares. Unless expressly agreed by the Lead Borrower, Administrative Agent and Issuing Bank, no reinstatement of a Defaulting Lender shall constitute a waiver or release of claims against such Lender. The failure of any Lender to fund a Loan, to make a payment in respect of LC Obligations or otherwise to perform its obligations hereunder shall not relieve any other Lender of its obligations, and no Lender shall be responsible for default by another Lender.

Section 2.12 Swingline Loans.

(a) Swingline Commitment. Subject to the terms and conditions set forth herein, the Swingline Lender may, but shall not be obligated to, make Swingline Loans to the Borrowers from time to time during the Revolving Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding $10,000,000 or (ii) the Aggregate Exposures exceeding the lesser of (A) the Aggregate Commitments and (B) the Borrowing Base then in effect; provided that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Lead Borrower may borrow, repay and reborrow Swingline Loans.

(b) Swingline Loans. To request a Swingline Loan, the Lead Borrower shall notify the Administrative Agent of such request by telephone (confirmed by telecopy), not later than 4:00 p.m., New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and specify the requested date (which shall be a Business Day) and amount of the requested Swingline Loan. The Administrative Agent will promptly advise the Swingline Lender of any such notice received from the Lead Borrower. The Swingline Lender shall make each Swingline Loan available to the Borrowers by means of a credit to the general deposit account of the Lead Borrower with the Swingline Lender (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.13(c), by remittance to the Issuing Bank) by 5:00 p.m., New York City time, on the requested date of such Swingline Loan. The Lead Borrower shall not request a Swingline Loan if at the time of and immediately after giving effect to such request a Default has occurred and is continuing. Swingline Loans shall be made in minimum amounts of $100,000.

(c) Prepayment. The Lead Borrower shall have the right at any time and from time to time to repay, without premium or penalty, any Swingline Loan, in whole or in part, upon giving written or telecopy notice (or telephone notice promptly confirmed by written, or telecopy notice) to the Swingline Lender and to the Administrative Agent before 4:00 p.m., New York City time on the date of repayment at the Swingline Lender’s address for notices specified in the Swingline Lender’s administrative questionnaire. All principal payments of Swingline Loans shall be accompanied by accrued interest on the principal amount being repaid to the date of payment.
(d) **Participations.** The Swingline Lender may by written notice given to the Administrative Agent not later than 4:00 p.m., New York City time, on any Business Day require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender’s Pro Rata Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender’s Pro Rata Percentage of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Aggregate Commitments or whether an Overadvances exists or is created thereby, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever (provided that such payment shall not cause such Lender’s Revolving Exposure to exceed such Lender’s Revolving Commitment). Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.02(f) with respect to Loans made by such Lender (and Section 2.02 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Lead Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Lead Borrower (or other party on behalf of the Lead Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve any Borrower of any default in the payment thereof.

(e) If the Maturity Date shall have occurred at a time when Extended Revolving Loan Commitments are in effect, then on the Maturity Date all then outstanding Swingline Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swingline Loans as a result of the occurrence of such Maturity Date); provided that, if on the occurrence of the Maturity Date (after giving effect to any repayments of Revolving Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.13(o)), there shall exist sufficient unutilized Extended Revolving Loan Commitments so that the respective outstanding Swingline Loans could be incurred pursuant to the Extended Revolving Loan Commitments which will remain in effect after the occurrence of the Maturity Date, then there shall be an automatic adjustment on such date of the participations in such Swingline Loans and same shall be deemed to have been incurred solely pursuant to the Extended Revolving Loan Commitments and such Swingline Loans shall not be so required to be repaid in full on the Maturity Date.

Section 2.13 Letters of Credit

(a) **General.** Subject to the terms and conditions set forth herein, the Lead Borrower may request the issuance of Letters of Credit in U.S. Dollars or in one or more Alternative Currencies for the Lead Borrower’s account or the account of a Subsidiary of the Lead Borrower in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Revolving Availability Period (provided that the Lead Borrower shall be a co-applicant with respect to each Letter of Credit issued for the account of or in favor of a Subsidiary). All Existing Letters of Credit shall be deemed, without further action by any party hereto, to have been issued on the Closing Date pursuant to this Agreement, and the Lenders shall thereupon acquire participations in the Existing Letters of Credit as if so issued without further action by any party hereto, to be acquired by the Lenders hereto. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Lead Borrower to, or entered into by the Lead Borrower with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.
(b) Request for Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit, the Lead Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) a LC Request to the Issuing Bank and the Administrative Agent not later than 1:00 p.m. on the second Business Day preceding the requested date of issuance, amendment, renewal or extension (or such later date and time as is reasonably acceptable to the Issuing Bank). A request for an initial issuance of a Letter of Credit shall specify in form and detail reasonably satisfactory to the Issuing Bank: (i) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (ii) the amount and currency thereof; (iii) the expiry date thereof; (iv) the name and address of the beneficiary thereof; (v) the documents to be presented by such beneficiary in case of any drawing thereunder; (vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder, and (vii) such other matters as the Issuing Bank may reasonably require. A request for an amendment, renewal or extension of any outstanding Letter of Credit shall specify in form and detail reasonably satisfactory to the Issuing Bank (w) the Letter of Credit to be amended, renewed or extended; (x) the proposed date of amendment, renewal or extension thereof (which shall be a Business Day), (y) the nature of the proposed amendment, renewal or extension, and (z) such other matters as the Issuing Bank may reasonably require. If requested by the Issuing Bank, the Lead Borrower also shall submit a letter of credit application substantially on the Issuing Bank’s standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Lead Borrower shall be deemed to represent and warrant (solely in the case of (w) and (x) that), after giving effect to such issuance, amendment, renewal or extension (A) the LC Exposure shall not exceed \(45,000,000 \text{ to } 100,000,000\), (B) the total Revolving Exposures shall not exceed the lesser of (1) the total Revolving Commitments and (2) the Borrowing Base then in effect and (C) if a Defaulting Lender exists, either such Lender or the Lead Borrower has entered into arrangements satisfactory to the Administrative Agent and Issuing Bank to eliminate any Fronting Exposure associated with such Lender. Unless the Issuing Bank shall otherwise agree, no Letter of Credit shall be denominated in a currency other than U.S. Dollars or an Alternative Currency.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of the date which is one year after the date of the issuance of such Letter of Credit (or such other longer period of time as the Administrative Agent and the applicable Issuing Bank may agree and, in the case of any renewal or extension thereof, one (1) year after such renewal or extension) and, unless Cash Collateralized or otherwise credit supported to the reasonable satisfaction of the Administrative Agent and the applicable Issuing Bank (in which case the expiry may extend no longer than twelve months after the Letter of Credit Expiration Date) the Letter of Credit Expiration Date. Each Letter of Credit may, upon the request of the Lead Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of twelve (12) months or less (but, subject to the foregoing, not beyond the date that is after the Letter of Credit Expiration Date) unless the applicable Issuing Bank notifies the beneficiary thereof at least thirty (30) days prior to the then-applicable expiration date that such Letter of Credit will not be renewed.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Lender’s Pro Rata Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the Issuing Bank, such Lender’s Pro Rata Percentage of each LC Disbursement made by the Issuing Bank and not reimbursed by the Lead Borrower on the date due as provided in paragraph (e) of this Section 2.13, or of any reimbursement payment required to be refunded to the Borrowers for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Aggregate Commitments or whether or not an Overadvances exists or is created thereby, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Lead Borrower shall reimburse such LC Disbursement by paying to the Issuing Bank an amount equal to such LC Disbursement not later than (x) in the case of reimbursement in U.S. Dollars, 2:00 p.m., New York City.
time, on the Business Day after receiving notice from the Issuing Bank of such LC Disbursement or (y) in the case of reimbursement in an Alternative Currency, the Applicable Time on the Business Day after receiving notice from such Issuing Bank of such LC Disbursement; provided that, whether or not the Lead Borrower submits a Notice of Borrowing, the Lead Borrower shall be deemed to have requested (except to the extent the Lead Borrower makes payment to reimburse such LC Disbursement when due) a Borrowing of Base Rate Loans in an amount necessary to reimburse such LC Disbursement. If the Lead Borrower fails to make such payment when due, the Issuing Bank shall notify the Administrative Agent and the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Lead Borrower in respect thereof and such Lender’s Pro Rata Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Pro Rata Percentage of the unreimbursed LC Disbursement in U.S. Dollars (except to the extent the Revolving Lenders agree to reimburse such amounts in an Alternative Currency) in the same manner as provided in Section 2.02(f) with respect to Loans made by such Lender, and the Administrative Agent shall promptly pay to the Issuing Bank the amounts so received by it from the Revolving Lenders. In the case of a Letter of Credit denominated in an Alternative Currency, the Lead Borrower shall reimburse the Issuing Bank in such Alternative Currency, unless (A) the Issuing Bank (at its option) shall have specified in such notice that it will require reimbursement in U.S. Dollars, or (B) in the absence of any such requirement for reimbursement in U.S. Dollars, the Lead Borrower shall have notified the Issuing Bank promptly following receipt of the notice of drawing that the Lead Borrower will reimburse the Issuing Bank in U.S. Dollars. In the event of any such reimbursement in U.S. Dollars of a drawing under a Letter of Credit denominated in an Alternative Currency, the Issuing Bank shall notify the Lead Borrower of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Promptly following receipt by the Administrative Agent of any payment from the Lead Borrower pursuant to this paragraph, the Administrative Agent shall, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse the Issuing Bank, distribute such payment to such Lenders and the Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse the Issuing Bank for any LC Disbursement (other than the funding of Base Rate Loans or a Swingline Loan as contemplated above) shall not constitute a Loan and shall not relieve the Lead Borrower of its obligation to reimburse such LC Disbursement. In the event that (A) a drawing denominated in an Alternative Currency is to be reimbursed in U.S. Dollars pursuant to the third sentence in this Section 2.13(e) and (B) the U.S. Dollar amount paid by the Lead Borrower shall not be adequate on the date of that payment to purchase in accordance with normal banking procedures a sum denominated in the Alternative Currency equal to the drawing, the Lead Borrower agrees, as a separate and independent obligation, to indemnify the Issuing Bank for the loss resulting from its inability on that date to purchase the Alternative Currency in the full amount of the drawing.

(f) Obligations Absolute

(i) Subject to the limitations set forth below, the obligation of the Lead Borrower to reimburse LC Disbursements as provided in paragraph (e) of this Section 2.13 shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement and any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not strictly comply with the terms of such Letter of Credit, (iv) the existence of any claim, set-off, defense or other right which the Lead Borrower may have at any time against a beneficiary of any Letter of Credit, or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.13, constitute a legal or equitable discharge of, or provide a right of set-off against, the obligations of the Lead Borrower hereunder; provided that the Lead Borrower shall have no obligation to reimburse the Issuing Bank to the extent that such payment was made in error due to the gross negligence, bad faith, or willful misconduct of the Issuing Bank (as determined by a court of competent jurisdiction or another independent tribunal having jurisdiction). Neither the Administrative Agent, the Lenders nor the Issuing Bank, nor any of their Affiliates, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a
drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; provided that the foregoing shall not be construed to excuse the Issuing Bank from liability to the Lead Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Lead Borrower to the extent permitted by applicable law) suffered by the Lead Borrower that are caused by the Issuing Bank’s failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, willful misconduct, or bad faith on the part of the Issuing Bank (as determined by a court of competent jurisdiction or another independent tribunal having jurisdiction), the Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(ii) The Issuing Bank does not assume any responsibility for any failure or delay in performance or any breach by the Lead Borrower or other Person of any obligations under any LC Document. The Issuing Bank does not make to the Lenders any express or implied warranty, representation or guaranty with respect to the Collateral, such documents or any Credit Party. The Issuing Bank shall not be responsible to any Lender for any recitals, statements, information, representations or warranties contained in, or for the execution, validity, genuineness, effectiveness or enforceability of any LC Document; the validity, genuineness, enforceability, collectability, value or sufficiency of any Collateral or the perfection of any Lien therein; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Credit Party.

(iii) No Issuing Bank or any of its Affiliates or any of its or their respective officers, directors, employees, agents and investment advisors shall be liable to any Lender or other Person for any action taken or omitted to be taken in connection with any LC Documents except as a result of its actual gross negligence or willful misconduct as determined by court of competent jurisdiction in a final nonappealable judgment. The Issuing Bank shall not have any liability to any Lender if the Issuing Bank refrains from any action under any Letter of Credit or such LC Documents until it receives written instructions from the Required Lenders.

(g) Disbursement Procedures. The Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly notify the Administrative Agent and the Lead Borrower by telephone (confirmed by telecopy) of such demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Lead Borrower of its obligation to reimburse the Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement (other than with respect to the timing of such reimbursement obligation set forth in Section 2.13(e)).

(h) Interim Interest. If the Issuing Bank shall make any LC Disbursement, then, unless the Lead Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made at the rate per annum then applicable to Base Rate Loans; provided that, if the Lead Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section 2.13, then Section 2.06(c) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section 2.13 to reimburse the Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Resignation or Removal of the Issuing Bank. The Issuing Bank may resign as Issuing Bank hereunder at any time upon at least 30 days’ prior written notice to the Lenders, the Administrative Agent and the Lead Borrower. The Issuing Bank may be replaced at any time by agreement between the Lead Borrower and the
Administrative Agent; provided that so long as no Default or Event of Default exists, such successor Issuing Bank shall be reasonably acceptable to the Lead Borrower. One or more Lenders may be appointed as additional Issuing Banks in accordance with subsection (k) below. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Bank or any such additional Issuing Bank. At the time any such resignation or replacement shall become effective, the Lead Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.05(c). From and after the effective date of any such resignation or replacement or addition, as applicable, (i) the successor or additional Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term “Issuing Bank” shall be deemed to refer to such successor or such addition or to any previous Issuing Bank, or to such successor or such additional Issuing Bank and all previous Issuing Banks, as the context shall require. After the resignation or replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit. If at any time there is more than one Issuing Bank hereunder, the Lead Borrower may, in its discretion, select which Issuing Bank is to issue any particular Letter of Credit.

(j) Cash Collateralization.

(i) If any Specified Event of Default shall occur and be continuing, on the Business Day that the Lead Borrower receives notice from the Administrative Agent (acting at the request of the Required Lenders) demanding the deposit of Cash Collateral pursuant to this paragraph, the Lead Borrower shall deposit in the LC Collateral Account, in the name of the Administrative Agent and for the benefit of the Secured Creditors, an amount in cash equal to 102.00% of the LC Exposure as of such date. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Lead Borrower under this Agreement, but shall be immediately released and returned to the Lead Borrower (in no event later than two (2) Business Days) once all Specified Events of Default are cured or waived. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made only in Cash Equivalents and at the direction of the Lead Borrower and at the Lead Borrower’s risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Lead Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Obligations of the Lead Borrower.

(ii) The Lead Borrower shall, on demand by the Issuing Bank or the Administrative Agent from time to time, Cash Collateralize the Fronting Exposure associated with any Defaulting Lender.

(k) Additional Issuing Banks. The Lead Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld, delayed or conditioned) and such Lender, designate one or more additional Lenders to act as an issuing bank under the terms of this Agreement. Any Lender designated as an issuing bank pursuant to this paragraph (k) shall be deemed (in addition to being a Lender) to be the Issuing Bank with respect to Letters of Credit issued or to be issued by such Lender, and all references herein and in the other Credit Documents to the term “Issuing Bank” shall, with respect to such Letters of Credit, be deemed to refer to such Lender in its capacity as Issuing Bank, as the context shall require.

(l) The Issuing Bank shall be under no obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Bank from issuing such Letter of Credit, or any law applicable to the Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Issuing Bank shall prohibit, or request that the Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall
impose upon the Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the Issuing Bank in good faith deems material to it; or

(ii) the issuance of such Letter of Credit would violate one or more policies of the Issuing Bank.

(m) The Issuing Bank shall be under no obligation to amend any Letter of Credit if (i) the Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (ii) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(n) **LC Collateral Account.**

(i) The Administrative Agent is hereby authorized to establish and maintain at the Notice Office, in the name of the Administrative Agent and pursuant to a dominion and control agreement, a restricted deposit account designated “The Lead Borrower LC Collateral Account.” Each Credit Party shall deposit into the LC Collateral Account from time to time the Cash Collateral required to be deposited under Section 2.13(j) hereof.

(ii) The balance from time to time in such LC Collateral Account shall constitute part of the Collateral and shall not constitute payment of the Obligations until applied as hereinafter provided. Notwithstanding any other provision hereof to the contrary, all amounts held in the LC Collateral Account shall constitute collateral security first for the liabilities in respect of Letters of Credit outstanding from time to time and second for the other Obligations hereunder until such time as all Letters of Credit shall have been terminated and all of the liabilities in respect of Letters of Credit have been paid in full. All funds in “The Lead Borrower LC Collateral Account” may be invested in accordance with the provisions of Section 2.13(j).

(o) **Extended Commitments.** If the Maturity Date shall have occurred at a time when Extended Revolving Loan Commitments are in effect, then (i) such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Lenders to purchase participations therein and to make payments in respect thereof pursuant to Sections 2.13(d) and (e)) under (and ratably participated in by Lenders) the Extended Revolving Loan Commitments, up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Extended Revolving Loan Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to the immediately preceding clause (i), the Borrowers shall Cash Collateralize any such Letter of Credit in accordance with Section 2.13(j). Except to the extent of reallocations of participations pursuant to the prior sentence, the occurrence of the Maturity Date with respect to Existing Revolving Loans shall have no effect upon (and shall not diminish) the percentage participations of the Lenders of Extended Revolving Loans in any Letter of Credit issued before the Maturity Date.

Section 2.14 **Settlement Amongst Lenders.**

(a) The Swingline Lender may, at any time (but, in any event shall weekly), on behalf of the Lead Borrower (which hereby authorizes the Swingline Lender to act on its behalf in that regard) request the Administrative Agent to cause the Lenders to make a Revolving Loan (which shall be a Base Rate Loan) in an amount equal to such Lender’s Pro Rata Percentage of the Outstanding Amount of Swingline Loans, which request may be made regardless of whether the conditions set forth in Section 7 have been satisfied. Upon such request, each Lender shall make available to the Administrative Agent the proceeds of such Revolving Loan for the account of the Swingline Lender. If the Swingline Lender requires a Revolving Loan to be made by the Lenders and the request therefor is received prior to 12:00 Noon on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if the request therefor is received after 12:00 Noon, then no later than 3:00 p.m. on the next Business Day. The obligation of each such Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent or the Swingline Lender.

\[67\]
If, and to the extent any Lender shall not have so made its transfer to the Administrative Agent, such Lender agrees to pay to the Administrative Agent, forthwith on demand, such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate.

(b) The amount of each Lender’s Pro Rata Percentage of outstanding Revolving Loans (including outstanding Swingline Loans) shall be computed weekly (or more frequently in the Administrative Agent’s discretion) and shall be adjusted upward or downward based on all Revolving Loans (including Swingline Loans) and repayments of Revolving Loans (including Swingline Loans) received by the Administrative Agent as of 3:00 p.m. on the first Business Day (such date, the “Settlement Date”) following the end of the period specified by the Administrative Agent.

(c) The Administrative Agent shall deliver to each of the Lenders promptly after a Settlement Date a summary statement of the amount of outstanding Revolving Loans (including Swingline Loans) for the period and the amount of repayments received for the period. As reflected on the summary statement, (i) the Administrative Agent shall transfer to each Lender its applicable Pro Rata Percentage of repayments, and (ii) each Lender shall transfer to the Administrative Agent (as provided below) or the Administrative Agent shall transfer to each Lender, such amounts as are necessary to insure that, after giving effect to all such transfers, the amount of Revolving Loans made by each Lender with respect to Revolving Loans to the Borrowers (including Swingline Loans) shall be equal to such Lender’s applicable Pro Rata Percentage of Revolving Loans (including Swingline Loans) outstanding as of such Settlement Date. If the summary statement requires transfers to be made to the Administrative Agent by the Lenders and is received prior to 12:00 Noon on a Business Day, such transfers shall be made in immediately available funds no later than 3:00 p.m. that day; and, if received after 12:00 Noon, then no later than 3:00 p.m. on the next Business Day. The obligation of each Lender to transfer such funds is irrevocable, unconditional and without recourse to or warranty by the Administrative Agent. If and to the extent any Lender shall not have so made its transfer to the Administrative Agent, such Lender agrees to pay to the Administrative Agent, forthwith on demand such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate.

Section 2.15 Revolving Commitment Increase.

(a) Subject to the terms and conditions set forth herein, after the Closing Date, the Lead Borrower shall have the right to request, by written notice to the Administrative Agent, an increase in the Revolving Commitments (a “Revolving Commitment Increase”) in an aggregate amount not to exceed $50,000,000; provided that (a) the Lead Borrower shall only be permitted to request four Revolving Commitment Increases during the term of this Agreement and (b) any Revolving Commitment Increase shall be in a minimum amount of $10,000,000.

(b) Each notice submitted pursuant to this Section 2.15 (a “Revolving Commitment Increase Notice”) requesting a Revolving Commitment Increase shall specify the amount of the increase in the Revolving Commitments being requested. Upon receipt of a Revolving Commitment Increase Notice, the Administrative Agent may (at the direction of the Lead Borrower) promptly notify the Lenders and each Lender may (subject to the Lead Borrower’s consent) have the right to elect to have its Revolving Commitment increased by its Pro Rata share (it being understood and agreed that a Lender may elect to have its Revolving Commitment increased in excess of its Pro Rata share in its discretion if any other Lender declines to participate in the Revolving Commitment Increase) of the requested increase in Revolving Commitments; provided that (i) each Lender may elect or decline, in its sole discretion, to have its Revolving Commitment increased in connection with any requested Revolving Commitment Increase, it being understood that no Lender shall be obligated to increase its Revolving Commitment unless it, in its sole discretion, so agrees and, if a Lender fails to respond to any Revolving Commitment Increase Notice within five (5) Business Days after such Lender’s receipt of such request, such Lender shall be deemed to have declined to participate in such Revolving Commitment Increase, (ii) if any Lender declines to participate in any Revolving Commitment Increase and, as a result, commitments from additional financial institutions are required in connection with the Revolving Commitment Increase, any Person or Persons providing such commitment shall be subject to the written consent of the Administrative Agent, the Swingline Lender and the Issuing Bank (such consent not to be unreasonably withheld or delayed), if such consent would be required pursuant to the definition of Eligible Transferee and (iii) in no event shall a Defaulting Lender be entitled to participate in such Revolving Commitment Increase. In the event that any Lender or other Person agrees to participate in any Revolving Commitment Increase...
(each an "Increase Loan Lender"), such Revolving Commitment Increase shall become effective on such date as shall be mutually agreed upon by the Increase Loan Lenders and the Lead Borrower, which date shall be as soon as practicable after the date of receipt of the Revolving Commitment Increase Notice (such date, the "Increase Date"); provided that the establishment of such Revolving Commitment Increase shall be subject to the satisfaction of each of the following conditions: (1) no Event of Default would exist after giving effect thereto; (2) the representations and warranties under Section 8 shall be true in all material respects, provided that, solely with respect to Revolving Loans made under the Revolving Commitment Increases that are used to effect or finance a Permitted Acquisition or Investments permitted under this Agreement, the Borrowers shall have the option of making any representations and warranties under Section 8 and determinations as to the availability of any "basket-carveouts" under Section 10 effective as of the date of entering the definitive agreement for such Permitted Acquisition or such Investment in accordance with the Limited Condition Transaction provisions set forth in Section 1.03; (3) the Revolving Commitment Increase shall be effected pursuant to one or more joinder agreements executed and delivered by the Lead Borrower, the Administrative Agent, and the Increase Loan Lenders, each of which shall be reasonably satisfactory to the Lead Borrower, the Administrative Agent, and the Increase Loan Lenders; (4) the Credit Parties shall execute and deliver or cause to be executed and delivered to the Administrative Agent such amendments to the Credit Documents, legal opinions and other documents as the Administrative Agent may reasonably request in connection with any such transaction, which amendments, legal opinions and other documents shall be reasonably satisfactory to the Administrative Agent; and (5) the Borrowers shall have paid to the Administrative Agent and the Lenders such additional fees as may be agreed to be paid by the Borrowers in connection therewith.

(c) On the Increase Date, upon fulfillment of the conditions set forth in this Section 2.15, (i) the Administrative Agent shall effect a settlement of all outstanding Revolving Loans among the Lenders that will reflect the adjustments to the Revolving Commitments of the Lenders as a result of the Revolving Commitment Increase, (ii) the Administrative Agent shall notify the Lenders and Credit Parties of the occurrence of the Revolving Commitment Increase to be effected on the Increase Date, (iii) Schedule 2.01 shall be deemed modified to reflect the revised Revolving Commitments of the affected Lenders and (iv) Notes will be issued, at the expense of the Borrowers, to any Lender participating in the Revolving Commitment Increase and requesting a Note.

(d) The terms and provisions of the Revolving Commitment Increase shall be identical to the Revolving Loans and the Revolving Commitments and, for purposes of this Agreement and the other Credit Documents, all Revolving Loans made under the Revolving Commitment Increase shall be deemed to be Revolving Loans. Without limiting the generality of the foregoing, (i) the rate of interest applicable to the Revolving Commitment Increase shall be the same as the rate of interest applicable to the existing Revolving Loans, (ii) unused line fees applicable to the Revolving Commitment Increase shall be calculated using the same Unused Line Fee Rates applicable to the existing Revolving Loans, (iii) the Revolving Commitment Increase shall share ratably in any mandatory prepayments of the Revolving Loans, (iv) after giving effect to such Revolving Commitment Increases, Revolving Commitments shall be reduced based on each Lender’s Pro Rata Percentage, and (v) the Revolving Commitment Increase shall rank pari passu in right of payment and security with the existing Revolving Loans. Each joinder agreement and any amendment to any Credit Document requested by the Administrative Agent in connection with the establishment of the Revolving Commitment Increase may, without the consent of any of the Lenders, effect such amendments to this Agreement (an "Incremental Revolving Commitment Agreement") and the other Credit Documents as may be reasonably necessary or appropriate, in the opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.15.

Section 2.16 Lead Borrower. Each Borrower hereby designates the Lead Borrower as its representative and agent for all purposes under the Credit Documents, including requests for Revolving Loans and Letters of Credit, designation of interest rates, delivery or receipt of communications, preparation and delivery of Borrowing Base and financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Credit Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent, the Issuing Bank or any Lender. The Lead Borrower hereby accepts such appointment. The Administrative Agent and the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any Notice of Borrowing) delivered by the Lead Borrower on behalf of any Borrower. The Administrative Agent and the Lenders may give any notice or communication with a Borrower hereunder to the Lead Borrower on behalf of such Borrower. Each of the Administrative Agent, the Issuing Bank and the Lenders shall have the right, in its discretion, to deal exclusively with the Lead Borrower for any or all purposes under the Credit Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by the Lead Borrower shall be binding upon and enforceable against it.
Section 2.17 Overadvances. If the aggregate Revolving Loans outstanding exceed the Line Cap (an "Overadvance") at any time, the excess amount shall be payable by the Borrowers on demand by the Administrative Agent, but all such Revolving Loans shall nevertheless constitute Obligations secured by the Collateral and entitled to all benefits of the Credit Documents. The Administrative Agent may require the Lenders to honor requests for Overadvance Loans and to forbear from requiring the Borrowers to cure an Overadvance, (a) when no other Event of Default is known to the Administrative Agent, as long as (i) the Overadvance does not continue for more than 30 consecutive days (and no Overadvance may exist for at least five consecutive days thereafter before further Overadvance Loans are required) and (ii) the aggregate amount of all Overadvances and Protective Advances is not known by the Administrative Agent to exceed 10% of the Borrowing Base, (b) regardless of whether an Event of Default exists, if the Administrative Agent discovers an Overadvance not previously known by it to exist, as long as from the date of such discovery the Overadvance (i) is not increased by more than $500,000, and (ii) does not continue for more than 30 consecutive days. In no event shall Overadvance Loans be required that would cause the aggregate outstanding Revolving Loans and LC Obligations to exceed the aggregate Revolving Commitments. The making of any Overadvance shall not create nor constitute a Default or Event of Default; it being understood that the making or continuance of an Overadvance shall not constitute a waiver by the Administrative Agent or the Lenders of the then existing Event of Default. In no event shall any Borrower or other Credit Party be permitted to require any Overadvance Loan to be made.

Section 2.18 Protective Advances. The Administrative Agent shall be authorized, in its discretion, following notice to and consultation with the Lead Borrower, at any time, to make Base Rate Loans ("Protective Advances") (a) in an aggregate amount, together with the aggregate amount of all Overadvance Loans, not to exceed 10% of the Borrowing Base, if the Administrative Agent deems such Protective Advances necessary or desirable to preserve and protect the Collateral, or to enhance the collectability or repayment of the Obligations; or (b) to pay any other amounts chargeable to Credit Parties under any Credit Documents, including costs, fees and expenses; provided that, the aggregate amount of outstanding Protective Advances plus the outstanding amount of Revolving Loans and LC Obligations shall not exceed the aggregate Revolving Commitments. Each Lender shall participate in each Protective Advance in accordance with its Pro Rata Percentage. Required Lenders may at any time revoke the Administrative Agent’s authority to make further Protective Advances under clause (a) by written notice to the Administrative Agent. Absent such revocation, the Administrative Agent’s determination that funding of a Protective Advance is appropriate shall be conclusive. The Administrative Agent may use the proceeds of such Protective Advances to (a) protect, insure, maintain or realize upon any Collateral; or (b) defend or maintain the validity or priority of the Administrative Agent’s Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, or any discharge of a Lien; provided that the Administrative Agent shall use reasonable efforts to notify the Lead Borrower after paying any such amount or taking any such action and shall not make payment of any item that is being Properly Contested.

Section 2.19 Extended Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.19, the Lead Borrower may at any time and from time to time request that all or a portion of the then-existing Revolving Loans (the "Existing Revolving Loans"), together with any related outstandings, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of the principal amount (and related outstandings) of such Revolving Loans (any such Revolving Loans which have been so converted, "Extended Revolving Loans") and to provide for other terms consistent with this Section 2.19. In order to establish an Extended Revolving Loan, the Lead Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders) (each, an “Extension Request”) setting forth the proposed terms of the Extended Revolving Loans to be established, which shall (x) be identical as offered to each Lender (including as to the proposed interest rates and fees payable) and (y) be identical to the Existing Revolving Loans, except that: (i) repayments of principal of the Extended Revolving Loans may be delayed to later dates than the Maturity Date; (ii) the Effective Yield with respect to the Extended Revolving Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Existing Revolving Loans to the extent provided in the applicable Extension Amendment; and (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Maturity Date that is
in effect on the effective date of the Extension Amendment (immediately prior to the establishment of such Extended Revolving Loans); provided, however, that (A) in no event shall the final maturity date of any Extended Revolving Loans at the time of establishment thereof be earlier than the then Maturity Date of any other Revolving Loans hereunder and (B) the Weighted Average Life to Maturity of any Extended Revolving Loans at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of any other Revolving Loans then outstanding. Any Extended Revolving Loans converted pursuant to any Extension Request shall be designated a series (each, an “Extension Series”) of Extended Revolving Loans, as applicable, for all purposes of this Agreement; provided that any Extended Revolving Loans converted from Existing Revolving Loans may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Revolving Loans.

(b) With respect to any Extended Revolving Loans, subject to the provisions of Sections 2.12(e) and 2.13(o), to the extent dealing with Swingline Loans and Letters of Credit which mature or expire after the Maturity Date, all Swingline Loans and Letters of Credit shall be participated in on a pro rata basis by all Lenders with Revolving Commitments and/or Extended Revolving Loan Commitments in accordance with their Pro Rata Share of the Aggregate Commitments (and, except as provided in Sections 2.13(e) and 2.13(o), without giving effect to changes thereto on the Maturity Date with respect to Swingline Loans and Letters of Credit theretofore incurred or issued) and all borrowings under the Aggregate Commitments and repayments thereunder shall be made on a pro rata basis (except for (x) payments of interest and fees at different rates on Extended Revolving Loan Commitments (and related outstanding amounts) and (y) repayments required upon any Maturity Date of any Revolving Commitments or Extended Revolving Loan Commitments).

(c) The Lead Borrower shall provide the applicable Extension Request at least ten (10) Business Days prior to the date on which Lenders under the Existing Revolving Loans, are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.19. No Lender shall have any obligation to agree to have any of its Existing Revolving Loans converted into Extended Revolving Loans pursuant to any Extension Request. Any Lender (each, an “Extending Lender”) wishing to have all or a portion of its Existing Revolving Loans subject to such Extension Request converted into Extended Revolving Loans shall notify the Administrative Agent (each, an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Existing Revolving Loans which it has elected to request be converted into Extended Revolving Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Existing Revolving Loans subject to Extension Elections relating to a particular Extension Request exceeds the amount of Extended Revolving Loans requested pursuant to such Extension Request, Revolving Loans subject to such Extension Elections shall be converted to Extended Revolving Loans, on a pro rata basis based on the aggregate principal amount of Revolving Loans included in each such Extension Elections or to the extent such option is expressly set forth in the respective Extension Request, the Lead Borrower shall have the option to increase the amount of Extended Revolving Loans so that such excess does not exist.

(d) Extended Revolving Loans shall be established pursuant to an amendment (each, an “Extension Amendment”) to this Agreement among the Borrowers, the Administrative Agent and each Extending Lender providing Extended Revolving Loans thereunder which shall be consistent with the provisions set forth in Section 2.19(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment.

(e) With respect to any Extension Amendment consummated by a Borrower pursuant to this Section 2.19, (i) such Extension Amendment shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement, (ii) with respect to Extended Revolving Loan Commitments, if the aggregate amount extended is less than (A) the LC Commitment, the LC Commitment shall be reduced upon the date that is five (5) Business Days prior to the Maturity Date (to the extent needed so that the LC Commitment does not exceed the aggregate Revolving Commitment which would be in effect after the Maturity Date), and, if applicable, the Borrowers shall Cash Collateralize obligations under any issued Letters of Credit in an amount equal to 102% of the stated amount of such Letters of Credit, or (B) the Swingline Commitment, the Swingline Commitment shall be reduced upon the date that is five (5) Business Days prior to the Maturity Date (to the extent needed so that the
Swingline Commitment does not exceed the aggregate Revolving Commitment which would be in effect after the Maturity Date), and, if applicable, the Borrowers shall prepay any outstanding Swingline Loans. The Administrative Agent and the Lenders hereby consent to each Extension Amendment and the other transactions contemplated by this Section 2.19 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Revolving Loan Commitments on such terms as may be set forth in the Extension Request) and hereby waive the requirements of any provision of this Credit Agreement or any other Credit Document that may otherwise prohibit any Extension Amendment or any other transaction contemplated by this Section 2.19; provided that such consent shall not be deemed to be an acceptance of the Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of any Extended Revolving Loans incurred pursuant thereto, (ii) establish new tranches or sub-tranches in respect of Revolving Commitments so extended and such technical amendments as may be necessary in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.19, and (iii) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment. Notwithstanding the foregoing, the Administrative Agent shall have the right (but not the obligation) to seek the advice or concurrence of the Required Lenders with respect to any matter contemplated by this Section 2.19 and, if the Administrative Agent seeks such advice or concurrence, the Administrative Agent shall be permitted to enter into such amendments with the Borrowers in accordance with any instructions actually received by such Required Lenders and shall also be entitled to refrain from entering into such amendments with the Borrowers unless and until it shall have received such advice or concurrence; provided, however, that whether or not there has been a request by the Administrative Agent for any such advice or concurrence, all such amendments entered into with the Borrowers by the Administrative Agent hereunder shall be binding and conclusive on the Lenders.

ARTICLE 3 Yield Protection, Illegality and Replacement of Lenders

Section 3.01 Increased Costs, Illegality, etc.

(a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBO Rate;

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBO Rate Loan because of any change since the Closing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the official interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, official guideline or request, such as, but not limited to: (A) any additional Tax imposed on any Lender (except Indemnified Taxes or Other Taxes indemnified under Section 5.01 or any Excluded Taxes) or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the LIBO Rate; or

(iii) at any time, if the making or continuance of any LIBO Rate Loan has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law) or (z) impracticable as a result of a contingency occurring after the Closing Date which materially and adversely affects the interbank eurodollar market;
then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Lead Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBO Rate Loans shall no longer be available until such time as the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by the Lead Borrower with respect to LIBO Rate Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrowers, (y) in the case of clause (ii) above, each Borrower, jointly and severally, agrees to pay to such Lender, upon such Lender’s written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice setting forth the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, shall be submitted to the Lead Borrower by such Lender and shall, absent manifest error, be final and conclusive and binding on all the parties hereto), (z) in the case of clause (iii) above, the Borrowers shall take one of the actions specified in Section 3.01(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBO Rate Loan is affected by the circumstances described in Section 3.01(a)(ii), the Lead Borrower may, and in the case of a LIBO Rate Loan affected by the circumstances described in Section 3.01(a)(iii), the Lead Borrower shall, either (x) if the affected LIBO Rate Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the same date that the Lead Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 3.01(a)(ii) or (iii) or (y) if the affected LIBO Rate Loan is then outstanding, upon at least three Business Days’ written notice to the Administrative Agent, request the affected Lender to convert such LIBO Rate Loan into a Base Rate Loan; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 3.01(b).

(c) If any Lender determines that after the Closing Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital or liquidity requirements, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital or liquidity required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender’s Commitments hereunder or its obligations hereunder, then each Borrower, jointly and severally, agrees to pay to such Lender, upon its written demand therefor, such additional documented amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable; provided that such Lender’s determination of compensation owing under this Section 3.01(c) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 3.01(c), will give prompt written notice thereof to the Lead Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

(d) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III (x) and (y) collectively referred to as “Dodd-Frank and Basel III”), shall be deemed to be a change after the Closing Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented (including for purposes of this Section 3.01).
Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 3.01 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time.

Section 3.02 Compensation. Each Borrower, jointly and severally, agrees to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Loans but excluding loss of anticipated profits (and without giving effect to the minimum “LIBO Rate”)) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion; (ii) if any prepayment or repayment (including any termination or reduction of Commitments made pursuant to Section 2.07 or as a result of an acceleration of the Loans pursuant to Section 11) or conversion of any of its LIBO Rate Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Loans is not made on any date specified in a notice of termination or reduction given by the Lead Borrower; or (iv) as a consequence of any other default by any Borrower to repay its LIBO Rate Loans when required by the terms of this Agreement or any Note held by such Lender.

Section 3.03 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 3.01(a)(ii) or (iii), Section 3.01(c), Section 5.01 or Section 13.01(a)(ii) with respect to such Lender, it will, if requested by the Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 3.03 shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in Sections 3.01, 5.01 or 13.01(a)(ii).

Section 3.04 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 3.01(a)(ii) or (iii), Section 3.01(c), Section 5.01 or Section 13.01(a)(ii) with respect to such Lender, it will, if requested by the Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; (z) in the case of a refusal by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Lead Borrower shall have the right, if no Event of Default then exists (or, in the case of preceding clause (z), will exist immediately after giving effect to such replacement), to replace such Lender (the “Replacement Lender”) with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the “Replacement Lender”) and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent’s consent would be required for an assignment to such Replacement Lender pursuant to Section 3.04); provided that (i) at the time of any replacement pursuant to this Section 3.04, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 3.04(b) and (with all fees payable pursuant to said Section 3.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among the Lead Borrower, the Replacement Lender and the Replaced Lender)) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Loans of, the Replaced Lender and, in connection therewith, shall pay to (x) the Replacement Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the respective Replaced Lender and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 2.05 and (ii) all obligations of each Borrower due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replacement Lender of all amounts required to be paid to it pursuant to this Section 3.04, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 3.04 and Section 13.04. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.15 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the
appropriate Note or Notes executed by the applicable Borrower, (x) the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 3.01, 3.02, 5.01, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to facts and circumstances occurring prior to the effective date of such replacement. In connection with any replacement of Lenders pursuant to, and as contemplated by, this Section 3.04, each Borrower hereby irrevocably authorizes Holdings to take all necessary action, in the name of such Borrower, as described above in this Section 3.04 in order to effect the replacement of the respective Lender or Lenders in accordance with the preceding provisions of this Section 3.04.

Section 3.05 Inability to Determine Rates. If the Required Lenders determine in good faith that for any reason (a) U.S. Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such LIBO Rate Loan, (b) adequate and reasonable means do not exist for determining the LIBO Rate for any requested Interest Period with respect to a proposed LIBO Rate Loan, or (c) that the LIBO Rate for any requested Interest Period with respect to a proposed LIBO Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Lead Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain LIBO Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the LIBO Rate component of the Base Rate, the utilization of the LIBO Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Lead Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of LIBO Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of LIBO Rate Loans in the amount specified therein.

ARTICLE 4 [Reserved].

ARTICLE 5 Taxes.

Section 5.01 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable law. If any Taxes are required to be withheld or deducted from such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable shall be increased as necessary so that after making all required deductions or withholdings (including deduction or withholdings applicable to additional sums payable under this Section 5.01), the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by the applicable Credit Party. The Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, within 10 days of written request therefor, for the amount of any Indemnified Taxes (including any Indemnified Taxes imposed on amounts payable under this Section 5.01) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any Other Taxes, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each
Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documents required below in Section 5.01(c)) expired, obsolete or inaccurate in any respect, deliver promptly to the Lead Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Lead Borrower or the Administrative Agent) or promptly notify the Lead Borrower and the Administrative Agent in writing of its inability to do so.

(c) Without limiting the generality of the foregoing: (x) each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to the Lead Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 3.04 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, (i) two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or Form W-8BEN-E (or successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party or Form W-8ECI (or successor form), or (ii) in the case of a Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of “portfolio interest,” a certificate substantially in the form of Exhibit C (any such certificate, a “U.S. Tax Compliance Certificate”) and two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or W-8BEN-E (or successor form) certifying to such Lender’s entitlement as of such date to a complete exemption from U.S. withholding tax with respect to payments of interest to be made under this Agreement and under any Note; or (ii) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two accurate and complete signed copies of Internal Revenue Service Form W-8IMY (or successor form) of the Lender, accompanied by Form W-8ECI, Form W-8BEN, Form W-8BEN-E, U.S. Tax Compliance Certificate, Form W-8IMY, and/or any other required information (or successor or other applicable form) from each beneficial owner that would be required under this Section 5.01(c) if such beneficial owner were a Lender (provided that, if the Lender is a partnership for U.S. federal income Tax purposes (and not a participating Lender), and one or more beneficial owners are claiming the portfolio interest exemption), the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owners; (y) Each Lender that is a United States person, as defined in Section 7701(a)(30) of the Code, shall deliver to the Lead Borrower and the Administrative Agent, at the times specified in Section 5.01(b), two accurate and complete signed copies of Internal Revenue Service Form W-9, or any successor form that such Person is entitled to provide at such time, in order to qualify for an exemption from United States back-up withholding requirements; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times prescribed by applicable law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Lead Borrower or the Administrative Agent to comply with its obligations under FATCA, to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.01(c)(z), “FATCA” shall include any amendment made to FATCA after the Closing Date.

Notwithstanding any other provision of this Section 5.01, a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.01(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.01(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes) of the
Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.01(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.01(d) to the extent that such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been if in such indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing in this Section 5.01(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

(e) For the avoidance of doubt, for purposes of Section 5.01, the term “Lender” shall include any Issuing Bank.

(iii) The pro forma consolidated balance sheet of the Lead Borrower furnished to the Lenders pursuant to clause (ii) of Section 6.11 has been prepared as of June 30, 2016 as if the Transaction and the financing therefor had occurred on such date. The pro forma consolidated income statement of the Lead Borrower furnished to the Lenders pursuant to clause (iii) of Section 6.11 has been prepared for the four fiscal quarters ended June 30, 2016, as if the Transaction and the financing therefor had occurred on the first day of such four-quarter period. (b) Notwithstanding anything to the contrary in the foregoing clause(a) of this Section 8.07, none of the Credit Parties makes any representation, warranty or covenant with respect to any information consisting of statements, estimates, forecasts and projections regarding the future performance of the Lead Borrower or any of its Subsidiaries, or regarding the future condition of the industries in which they operate other than that such information has been (and in the case of such information furnished after the Closing Date, will be) prepared in good faith based upon assumptions believed to be reasonable at the time of preparation thereof (it being understood and agreed that projections are not to be viewed as facts, projections are subject to significant uncertainties and contingencies, many of which are beyond the control of the Credit Parties, no assurances can be given that any particular projection will be realized and that actual results during the period or periods covered by such projections may differ from projected results, and such differences may be material).

(b) There exists no Unfunded Pension Liability with respect to any Plan, except as would not reasonably be expected to have a Material Adverse Effect.

(c) If each of the Lead Borrower, each Restricted Subsidiary of the Lead Borrower and each ERISA Affiliate were to withdraw from all Multiemployer Plans in a complete withdrawal as of the date this assurance is given, the aggregate withdrawal liability that would be incurred by the Lead Borrower and its Restricted Subsidiaries would not reasonably be expected to have a Material Adverse Effect.

(d) There are no actions, suits or claims pending against or involving a Plan (other than routine claims for benefits) or, to the knowledge of the Lead Borrower or any Restricted Subsidiary of the Lead Borrower, threatened, which would reasonably be expected to be asserted successfully against any Plan and, if so asserted successfully, would reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect.

“control” (within the meaning of the New York UCC) with respect to any deposit account, (iv) the recordation of the Patent Security Agreement, if applicable, and the Trademark Security Agreement, if applicable, in the respective form attached to the Security Agreement, in each case in the United States Patent and Trademark Office and (v) the Copyright Security Agreement in U.S. Copyrights, if applicable, in the form attached to the Security Agreement with the United States Copyright Office, the Collateral Agent, for the benefit of the Secured Creditors, has (to the extent provided in the Security Agreement) a fully perfected security interest in all right, title and interest in all of the Collateral (as described in the Security Agreement), subject to no other Liens other than Permitted Liens, in each case, to the extent perfection can be accomplished under applicable law through these actions.

(b) The provisions of the Pledge Agreement are effective to create in favor of the Collateral Agent for the benefit of the Secured Creditors a legal, valid and enforceable security interest (except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors’ rights and by equitable principles (regardless of whether enforcement is sought in equity or at law)) in all right, title and interest of the Credit Parties in the Collateral (as described in the Pledge Agreement), upon the timely and proper filing of financing statements listing each applicable Credit Party, as a debtor, and Collateral Agent, as secured creditor, in the secretary of state’s office (or other similar governmental entity) of the jurisdiction of organization of such Credit Party, the security interests created under the Pledge Agreement in favor of the Collateral Agent, as Pledgee, for the benefit of the Secured Creditors, constitute perfected (to the extent provided in the Pledge Agreement) security interests in the Collateral (as described in the Pledge Agreement (other than Collateral in which a security interest cannot be perfected under the UCC as in effect at the relevant time in the relevant jurisdiction or by the taking of the foregoing actions)), subject to no other Liens other than Permitted Liens, in each case, to the extent perfection can be accomplished under applicable law through these actions.

Section 8.13 Capitalization. All outstanding shares of capital stock of the Lead Borrower have been duly and validly issued and are fully paid and non-assessable (other than any assessment on the shareholders of the Lead Borrower that may be imposed as a matter of law) and are owned by Holdings. All outstanding shares of capital stock of each Subsidiary Borrower are owned directly or indirectly by the Lead Borrower. The Lead Borrower does not have outstanding any capital stock or other securities convertible into or exchangeable for its capital stock or any rights to subscribe for or to purchase, or any options for the purchase of, or any agreement providing for the issuance (contingent or otherwise) of, or any calls, commitments or claims of any character relating to, its capital stock.

On and as of the Closing Date and after giving effect to the consummation of the Transaction, (i) Holdings has no direct Subsidiaries other than the Lead Borrower and (ii) the Lead Borrower has no Subsidiaries other than those Subsidiaries listed on Schedule 8.14. Schedule 8.14 correctly sets forth, as of the Closing Date and after giving effect to the Transaction, the percentage ownership (direct and indirect) of the Lead Borrower in each class of capital stock of each of its Subsidiaries and also identifies the direct owner thereof.

Section 8.15 Anti-Corruption Laws; Sanctioned Persons. To the knowledge of any Credit Party, there are no pending or threatened Environmental Claims against the Lead Borrower or any of its Restricted Subsidiaries or any Real Property owned, leased or operated by the Lead Borrower or any of its Restricted Subsidiaries (including any such claim arising out of the ownership, lease or operation by the Lead Borrower or any of its Restricted Subsidiaries of any Real Property formerly owned, leased or operated by the Lead Borrower or any of its Restricted Subsidiaries but no longer owned, leased or operated by the Lead Borrower or any of its Restricted Subsidiaries). There are no facts, circumstances, conditions or occurrences with respect to the business or operations of the Lead Borrower or any of its Restricted Subsidiaries, or to the knowledge of any Credit Party, any Real Property owned, leased or operated by the Lead Borrower or any of its Restricted Subsidiaries (including any Real Property formerly owned, leased or operated by the Lead Borrower or any of its Restricted Subsidiaries but no longer owned, leased or operated by the Lead Borrower or any of its Restricted Subsidiaries) that would be reasonably expected (i) to form the basis of an Environmental Claim against the Lead Borrower or any of its Restricted Subsidiaries or (ii) to cause any Real Property owned, leased or operated by the Lead Borrower or any of its Restricted Subsidiaries to be subject to any restrictions on the ownership, lease, occupancy or transferability of such Real Property by the Lead Borrower or any of its Restricted Subsidiaries under any applicable Environmental Law.
