Item 2.01 Completion of Acquisition or Disposition of Assets.

The disclosure set forth in the “Introductory Note” above is incorporated into this Item 2.01 by reference. On February 7, 2020, the Business Combination was approved by the Company’s stockholders at a special meeting thereof (the “Special Meeting”), held in lieu of the 2020 annual meeting of the Company’s stockholders.

Pursuant to the terms of the Merger Agreement, the aggregate merger consideration paid for the Business Combination was approximately $1.4 billion. The consideration paid to the Shay Stockholders consisted of a combination of cash and stock consideration. The aggregate cash consideration paid to the Shay Stockholders at the Closing was approximately $417 million, consisting of (a) approximately $408 million of cash available to the Company from the trust account that held the proceeds from the IPO (the “Trust Account”), after giving effect to income and franchise taxes payable in respect of interest income earned in the Trust Account and redemptions that were elected by the Company’s public stockholders, plus (b) all of the Company’s other cash and cash equivalents, plus (c) gross proceeds of approximately $220.0 million from the Company’s private placement of an aggregate of 23,913,044 shares of Class A Stock (the “Private Placement”) with a limited number of accredited investors (as defined by Rule 501 of Regulation D) without any form of general solicitation or general advertising pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”), less (d) certain transaction fees and expenses, including the payment of deferred underwriting commissions agreed to at the time of the IPO, less (e) certain payments to participants in the Pacific Architects and Engineers Incorporated 2016 Participation Plan, less (f) approximately $138 million used to repay a portion of the indebtedness of PAE immediately prior to the Closing, less (g) approximately $33 million of transaction fees and expenses of PAE. The remainder of the consideration paid to the Shay Stockholders consisted of 21,127,823 newly issued shares of Class A Stock (the “Stock Consideration”).

The foregoing consideration paid to the Shay Stockholders may be further increased by amounts payable in earn-out shares of Class A Stock pursuant to the terms of the Merger Agreement.

In order to facilitate the Business Combination, the Sponsor agreed to the cancellation of approximately 3,000,000 shares of the Company’s Class F common stock, par value $0.0001 per share (the “Class F Stock”), held by it, 1,086,956 shares of which were cancelled and reissued as Class A Stock on a one-for-one basis and issued to the Shay Stockholders as additional Stock Consideration and 1,913,044 shares of which were cancelled in respect of the Private Placement representing a portion of the total number of shares of Class A Stock that the Company sold to the participants in the Private Placement (pursuant to subscription agreements entered into in connection therewith) at a discounted price of $9.20 per share. The remaining shares of Class F Stock were automatically converted into shares of Class A Stock on a one-for-one basis at the Closing and will continue to be subject to the transfer restrictions applicable to such shares of Class F Stock.

The material terms and conditions of the Merger Agreement are described in greater detail in the section of the Proxy Statement entitled “Proposal No. 1 – Approval of the Business Combination – The Merger Agreement” beginning on page 131, which information is incorporated herein by reference.

The general compensation programs of the Company’s executive officers after the Business Combination are described in the section of the Proxy Statement entitled “Management After the Business Combination – Compensation of Executive Officers and Directors Following the Business Combination” beginning on page 279, which information is incorporated herein by reference.
As of the filing of the Proxy Statement, PAE had not determined the level of attainment of 2019 goals under PAE’s Leadership Incentive Compensation Plan (“LICP”) or the 2019 annual bonuses for PAE’s named executive officers. Accordingly, the Proxy Statement did not include these amounts. On February 8, 2020, PAE determined to pay the following 2019 annual bonuses to its named executive officers under the LICP: Mr. Heller—$951,612; Mr. Peiffer—$524,162; Mr. Cobb—$390,531; Mr. Anderson—$384,396; and Mr. Moline—$243,750. Adjusted EBITDA is a non-GAAP financial measure that PAE calculates as net income adjusted to exclude net interest expense, tax expense, depreciation and amortization and related party expenses, and further adjusted to eliminate the impact of certain items that are not considered indicative of PAE’s ongoing operating performance. Days sales outstanding, or “DSO,” is a non-GAAP financial measure that PAE calculates as accounts receivable divided by the sum of the last three months of revenue multiplied by the accounting days included in the last three months. In this calculation, accounts receivable may be adjusted to eliminate the impact of certain items that PAE does not consider indicative of its ongoing operating performance.

Based on the achievement of corporate goals and its review of the individual performance of the named executive officers based on their performance on the company-wide goals, as well as achievement of individual goals in each of the three individual performance categories of “Contribute to Growth,” “Demonstrate Integrity,” and “Perform with Excellence,” PAE established the Financial Performance Factors and Individual Performance Factors set forth in the table below. The Financial Performance Factor for Mr. Heller, Mr. Peiffer and Mr. Cobb was adjusted upward to recognize success in cash management, the PAE transaction, and the sale of the ISR business. Mr. Anderson’s Financial Performance Factor was increased to recognize his role in overseeing the strong financial performance of PAE’s GMS business. The Financial Performance Factor for Mr. Moline was decreased due to contract award delays; his Individual Performance Factor was adjusted upward to recognize success in cash management, the sale of the ISR business, successful performance on contracts with intelligence community customers and awards under the ETSC contract.

ARTICLE IV
CAPITALIZATION

Section 4.1 Authorized Capital Stock. Subject to Section 4.2, the total number of shares of all classes of capital stock, each with a par value of $0.0001 per share, which the Corporation is authorized to issue is 211,000,000 shares, consisting of (a) 210,000,000 shares of common stock (the “Common Stock”), including (i) 200,000,000 shares of Class A Common Stock (the “Class A Common Stock”), and (ii) 10,000,000 shares of Class F Common Stock (the “Class F Common Stock”); and (b) 1,000,000 shares of preferred stock (the “Preferred Stock”).

Section 4.2 Class F Common Stock. Following the filing of this Second Amended and Restated Certificate with the Secretary of State of the State of Delaware and immediately prior to the Corporation’s consummation of any business combination, each share of Class F Common Stock outstanding immediately prior to the filing of this Second Amended and Restated Certificate shall automatically be converted into one share of Class A Common Stock without any action on the part of any person, including the Corporation, and concurrently with such conversion, the number of authorized shares of Class F Common Stock shall be reduced to zero. It is intended that the conversion of Class F Common Stock into Class A Common Stock will be treated as a reorganization within the meaning of Section 368(a)(1)(E) of the Internal Revenue Code of 1986, as amended.

Section 4.3 Preferred Stock. The Preferred Stock may be issued from time to time in one or more series. The Board is hereby expressly authorized to provide for the issuance of shares of the Preferred Stock in one or more series and to establish from time to time the number of shares to be included in each such series and to fix the voting rights, if any, designations, powers, preferences and relative, participating, optional, special and other rights, if any, of each such series and any qualifications, limitations and restrictions thereof, as shall be stated in the resolution or resolutions adopted by the Board providing for the issuance of such series and included in a certificate of designation (a “Preferred Stock Designation”) filed pursuant to the DGCL, and the Board is hereby expressly vested with the authority to the full extent provided by law, now or hereafter, to adopt any such resolution or resolutions.

Section 4.4 Common Stock.
(a) Except as otherwise required by law or this Second Amended and Restated Certificate (including any Preferred Stock Designation), the holders of the Common Stock shall exclusively possess all voting power with respect to the Corporation. The holders of shares of Common Stock shall be entitled to one vote for each such share on each matter properly submitted to the stockholders on which the holders of the Common Stock are entitled to vote. The holders of shares of Class A Common Stock shall at all times vote together as one class on all matters submitted to a vote of the stockholders of the Corporation.

(b) Except as otherwise required by law or this Second Amended and Restated Certificate (including any Preferred Stock Designation), at any annual or special meeting of the stockholders of the Corporation, the holders of the Common Stock shall have the exclusive right to vote for the election of directors and on all other matters properly submitted to a vote of the stockholders. Notwithstanding the foregoing, except as otherwise required by law or this Second Amended and Restated Certificate (including any Preferred Stock Designation), the holders of the Common Stock shall not be entitled to vote on any amendment to this Second Amended and Restated Certificate (including any amendment to any Preferred Stock Designation) that relates solely to the terms of one or more outstanding series of the Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Second Amended and Restated Certificate (including any Preferred Stock Designation) or the DGCL.
Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, the holders of the Common Stock shall be entitled to receive such dividends and other distributions (payable in cash, property or capital stock of the Corporation) when, as and if declared thereon by the Board from time to time out of any assets or funds of the Corporation legally available therefor, and shall share equally on a per share basis in such dividends and distributions.

Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, in the event of any voluntary or involuntary liquidation, dissolution or winding-up of the Corporation, after payment or provision for payment of the debts and other liabilities of the Corporation, the holders of the Common Stock shall be entitled to receive all the remaining assets of the Corporation available for distribution to its stockholders, ratably in proportion to the number of shares of the Common Stock held by them.

Section 4.5 Rights and Options. The Corporation has the authority to create and issue rights, warrants and options entitling the holders thereof to purchase shares of any class or series of the Corporation’s capital stock or other securities of the Corporation, and such rights, warrants and options shall be evidenced by instrument(s) approved by the Board. The Board is empowered to set the exercise price, duration, times for exercise and other terms and conditions of such rights, warrants or options; provided, however, that the consideration to be received for any shares of capital stock subject thereto may not be less than the par value thereof.

Section 4.6 No Class Vote on Changes in Authorized Number of Shares of Stock. Subject to the rights of the holders of any outstanding series of Preferred Stock, the number of authorized shares of any class or classes of stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of at least a majority of the voting power of the stock entitled to vote thereon irrespective of the provisions of Section 242(b)(2) of the DGCL.

ARTICLE V
BOARD OF DIRECTORS

Section 5.1 Board Powers. The business and affairs of the Corporation shall be managed by, or under the direction of, the Board. In addition to the powers and authority expressly conferred upon the Board by statute, this Second Amended and Restated Certificate or the Amended and Restated Bylaws of the Corporation (“Bylaws”), the Board is hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the DGCL and this Second Amended and Restated Certificate.

Section 5.2 Number, Election and Term.

(a) The number of directors of the Corporation shall be fixed from time to time exclusively by the Board pursuant to a resolution adopted by a majority of the Board.

(b) Subject to Section 5.5 hereof, the Board shall be divided into three classes, as nearly equal in number as possible, and designated Class I, Class II and Class III. The Board is authorized to assign members of the Board already in office to Class I, Class II or Class III. The term of the initial Class I Directors shall expire at the first annual meeting of the stockholders of the Corporation following the effectiveness of this Second Amended and Restated Certificate; the term of the initial Class II Directors shall expire at the second annual meeting of the stockholders of the
Corporation following the effectiveness of this Second Amended and Restated Certificate; and the term of the initial Class III Directors shall expire at the third annual meeting of the stockholders of the Corporation following the effectiveness of this Second Amended and Restated Certificate. At each succeeding annual meeting of the stockholders of the Corporation, beginning with the first annual meeting of the stockholders of the Corporation following the effectiveness of this Second Amended and Restated Certificate, successors to the class of directors whose term expires at that annual meeting shall be elected for a three-year term. Subject to Section 5.5 hereof, if the number of directors is changed, any increase or decrease shall be apportioned by the Board among the classes so as to maintain the number of directors in each class as nearly equal as possible, but in no case shall a decrease in the number of directors shorten the term of any incumbent director. Directors shall be elected by a plurality of the votes cast at an annual meeting of stockholders by holders of the Common Stock.

(c) Subject to Section 5.5 hereof, a director shall hold office until the annual meeting for the year in which his or her term expires and until his or her successor has been elected and qualified, subject, however, to such director’s earlier death, resignation, retirement, disqualification or removal.

(d) Unless and except to the extent that the Bylaws shall so require, the election of directors need not be by written ballot.

Section 5.3 Newly Created Directorships and Vacancies. Subject to Section 5.5 hereof, newly created directorships resulting from an increase in the number of directors and any vacancies on the Board resulting from death, resignation, retirement, disqualification, removal or other cause shall be filled solely by a majority vote of the remaining directors then in office, even if less than a quorum, or by a sole remaining director (and not by stockholders), and any director so chosen shall hold office for the remainder of the full term of the class of directors to which the new directorship was added or in which the vacancy occurred and until his or her successor has been elected and qualified, subject, however, to such director’s earlier death, resignation, retirement, disqualification or removal.

Section 5.4 Removal. Subject to Section 5.5 hereof, any or all of the directors may be removed from office at any time, but only for cause and only by the affirmative vote of holders of a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

Section 5.5 Preferred Stock – Directors. Notwithstanding any other provision of this Article V, and except as otherwise required by law, whenever the holders of one or more series of the Preferred Stock shall have the right, voting separately by class or series, to elect one or more directors, the term of office, the filling of vacancies, the removal from office and other features of such directorships shall be governed by the terms of such series of the Preferred Stock as set forth in this Second Amended and Restated Certificate (including any Preferred Stock Designation) and such directors shall not be included in any of the classes created pursuant to this Article V unless expressly provided by such terms.

ARTICLE VI
BYLAWS

In furtherance and not in limitation of the powers conferred upon it by law, the Board shall have the power to adopt, amend, alter or repeal the Bylaws. The affirmative vote of a majority of the Board shall be required to adopt, amend, alter or repeal the Bylaws. The Bylaws also may be adopted, amended, altered or repealed by the stockholders; provided, however, that in addition to any vote of the holders of any class or series of capital stock of the Corporation required by law or by this Second Amended and Restated Certificate (including any Preferred Stock Designation), the affirmative vote of the holders of at least a majority of the outstanding power of all then outstanding shares of capital stock of the Corporation entitled to
vote generally in the election of directors, voting together as a single class, shall be required for the stockholders to adopt, amend, alter or repeal the Bylaws;
and provided further, however, that no Bylaws hereafter adopted by the stockholders shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

ARTICLE VII
MEETINGS OF STOCKHOLDERS; ACTION BY WRITTEN CONSENT

Section 7.1 Meetings. Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, and to the requirements of applicable law, special meetings of stockholders of the Corporation may be called only by the Chairman of the Board, Chief Executive Officer of the Corporation, or the Board pursuant to a resolution adopted by a majority of the Board, and the ability of the stockholders to call a special meeting is hereby specifically denied.

Section 7.2 Advance Notice. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the Bylaws.

Section 7.3 Action by Written Consent. Any action required or permitted to be taken by the stockholders of the Corporation must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders.

ARTICLE VIII
LIMITED LIABILITY; INDEMNIFICATION

Section 8.1 Limitation of Director Liability. A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or may hereafter be amended. Any amendment, modification or repeal of the foregoing sentence shall not adversely affect any right or protection of a director of the Corporation hereunder in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

Section 8.2 Indemnification and Advancement of Expenses.
(a) To the fullest extent permitted by Delaware law, as the same exists or may hereafter be amended, the Corporation shall indemnify and hold harmless each person who is or was made a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of the Corporation to procure a judgment in its favor (each, a “proceeding”), by reason of the fact that he or she is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, other enterprise or nonprofit entity, including service with respect to an employee benefit plan (an “indemnitee”), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent, or in any other capacity while serving as a director, officer, employee or agent, against all liability and loss suffered and expenses (including, without limitation, attorneys’ fees and disbursements, judgments, fines, ERISA excise taxes, damages, claims and penalties and amounts paid in settlement) reasonably incurred by such indemnitee in connection with such proceeding. The Corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including attorneys’ fees) incurred by an indemnitee in defending or otherwise participating in any proceeding in advance of its final disposition; provided, however, that, to the extent required by applicable law, such payment of expenses
in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking, by or on behalf of the indemnitee, to repay all amounts so advanced if it shall ultimately be determined that the indemnitee is not entitled to be indemnified under this Section 8.2 or otherwise. The rights to indemnification and advancement of expenses conferred by this Section 8.2 shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators. Notwithstanding the foregoing provisions of this Section 8.2(a), except for proceedings to enforce rights to indemnification and advancement of expenses, the Corporation shall indemnify and advance expenses to an indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board.

(b) The rights to indemnification and advancement of expenses conferred on any indemnitee by this Section 8.2 shall not be exclusive of any other rights that any indemnitee may have or hereafter acquire under law, this Second Amended and Restated Certificate, the Bylaws, an agreement, vote of stockholders or disinterested directors, or otherwise.

(c) Any repeal or amendment of this Section 8.2 by the stockholders of the Corporation or by changes in law, or the adoption of any other provision of this Second Amended and Restated Certificate inconsistent with this Section 8.2, shall, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to provide broader indemnification rights on a retroactive basis than permitted prior thereto), and shall not in any way diminish or adversely affect any right or protection existing at the time of such repeal or amendment or adoption of such inconsistent provision in respect of any proceeding (regardless of when such proceeding is first threatened, commenced or completed) arising out of, or related to, any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision.

(d) This Section 8.2 shall not limit the right of the Corporation, to the extent and in the manner authorized or permitted by law, to indemnify and to advance expenses to persons other than indemnitees.

ARTICLE IX
CORPORATE OPPORTUNITY

Section 9.1 The doctrine of corporate opportunity, or any other analogous doctrine, shall not apply with respect to the Corporation or any of its officers or directors in circumstances where the application of any such doctrine to a corporate opportunity would conflict with any fiduciary duties or contractual obligations they may have as of the date of this Second Amended and Restated Certificate or in the future. In addition to the foregoing, the doctrine of corporate opportunity shall not apply to any other corporate opportunity with respect to any of the directors or officers of the Corporation unless such corporate opportunity is offered to such person solely in his or her capacity as a director or officer of the Corporation and such opportunity is one the Corporation is legally and contractually permitted to undertake and would otherwise be reasonable for the Corporation to pursue.

Section 9.2 Without limiting the foregoing, to the extent permitted by applicable law, each of Platinum Equity Advisors, LLC and the investment funds affiliated with Platinum Equity Advisors, LLC and their respective successors and Affiliates (as defined in Section 10.3) (other than the Corporation and its subsidiaries) and all of their respective partners, principals, directors, officers, members, managers, equity holders and/or employees, including any of the foregoing who serve as officers or directors of the Corporation (each, an “Exempted Person”) shall not have any fiduciary duty to refrain from engaging directly or indirectly in the same or similar business activities or lines of business as the Corporation or any of its subsidiaries, except as otherwise expressly provided in any agreement entered into between the
Corporation and such Exempted Person. To the fullest extent permitted by applicable law, the Corporation, on behalf of itself and its subsidiaries, renounces any interest or expectancy of the Corporation and its subsidiaries in, or in being offered an opportunity to participate in, business opportunities that are from time to time available to the Exempted Persons, even if the opportunity is one that the Corporation or its subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and each such Exempted Person shall have no duty to communicate or offer such business opportunity to the Corporation (and there shall be no restriction on the Exempted Persons using the general knowledge and understanding of the industry in which the Corporation operates which it has gained as an Exempted Person in considering and pursuing such opportunities or in making investment, voting, monitoring, governance or other decisions relating to other entities or securities) and, to the fullest extent permitted by applicable law, shall not be liable to the Corporation or any of its subsidiaries or stockholders for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such Exempted Person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Corporation or its subsidiaries, or uses such knowledge and understanding in the manner described herein, in each case, except as otherwise expressly provided in any agreement entered into between the Corporation and such Exempted Person. In addition to and notwithstanding the foregoing, a corporate opportunity shall not be deemed to belong to the Corporation if it is a business opportunity that the Corporation is not financially able or contractually permitted or legally able to undertake, or that is, from its nature, not in the line of the Corporation’s business or is of no practical advantage to it or that is one in which the Corporation has no interest or reasonable expectancy. Any person or entity purchasing or otherwise acquiring any interest in any shares of stock of the Corporation shall be deemed to have notice of the provisions of this Article IX.

Section 9.3 Neither the alteration, amendment, addition to or repeal of this Article IX, nor the adoption of any provision of this Second Amended and Restated Certificate (including any Preferred Stock Designation) inconsistent with this Article IX, shall eliminate or reduce the effect of this Article IX in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Article IX, would accrue or arise, prior to such alteration, amendment, addition, repeal or adoption. This Article IX shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director or officer of the Corporation under this Second Amended and Restated Certificate, the Bylaws or applicable law.

ARTICLE X
BUSINESS COMBINATIONS

Section 10.1 Opt Out of DGCL 203. The Corporation shall not be governed by Section 203 of the DGCL.

Section 10.2 Limitations on Business Combinations. Notwithstanding the foregoing, the Corporation shall not engage in any business combination, at any point in time at which the Common Stock is registered under Section 12(b) or 12(g) of the Securities Exchange Act of 1934, as amended, with any interested stockholder for a period of three (3) years following the time that such stockholder became an interested stockholder, unless:

(a) prior to such time, the Board approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder; or

(b) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the Corporation outstanding at the time the transaction commenced, excluding for purposes of determining

7
the voting stock outstanding (but not the outstanding voting stock owned by the interested stockholder) those shares owned by: (i) persons who are
directors and also officers; or (ii) employee stock plans in which employee participants do not have the right to determine confidentially whether
shares held subject to the plan will be tendered in a tender or exchange offer; or

(c) at or subsequent to such time, the business combination is approved by the Board and authorized at an annual or special meeting of
stockholders, and not by written consent, by the affirmative vote of at least two thirds of the outstanding voting stock of the Corporation which is not
owned by the interested stockholder.

Section 10.3 Definitions. For purposes of this Article X, the term:

(a) “Affiliate” means, with respect to any person, any other person that controls, is controlled by, or is under common control with such
person.

(b) “associate,” when used to indicate a relationship with any person, means: (i) any corporation, partnership, unincorporated association
or other entity of which such person is a director, officer or partner or is, directly or indirectly, the owner of 20% or more of any class of voting stock;
(ii) any trust or other estate in which such person has at least a 20% beneficial interest or as to which such person serves as trustee or in a similar
fiduciary capacity; and (iii) any relative or spouse of such person, or any relative of such spouse, who has the same residence as such person.

(c) “business combination,” when used in reference to the Corporation and any interested stockholder of the Corporation, means:

(i) any merger or consolidation of the Corporation or any direct or indirect majority-owned subsidiary of the Corporation:
(A) with the interested stockholder; or (B) with any other corporation, partnership, unincorporated association or other entity if the
merger or consolidation is caused by the interested stockholder and as a result of such merger or consolidation Section 10.2 is not
applicable to the surviving entity;

(ii) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), except
proportionately as a stockholder of the Corporation, to or with the interested stockholder, whether as part of a dissolution or otherwise,
of assets of the Corporation or of any direct or indirect majority-owned subsidiary of the Corporation which assets have an aggregate
market value equal to 10% or more of either the aggregate market value of all the assets of the Corporation determined on a consolidated
basis or the aggregate market value of all the outstanding stock of the Corporation;

(iii) any transaction which results in the issuance or transfer by the Corporation or by any direct or indirect majority-owned
subsidiary of the Corporation of any stock of the Corporation or of such subsidiary to the interested stockholder, except: (A) pursuant to
the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into stock of the Corporation or any
such subsidiary which securities were outstanding prior to the time that the interested stockholder became such; (B) pursuant to a
merger under Section 251(g) of the DGCL; (C) pursuant to a dividend or distribution paid or made, or the exercise, exchange or
conversion of securities exercisable for, exchangeable for or convertible into stock of the Corporation or any such subsidiary which
security is distributed, pro rata to all holders of a class or series of stock of the Corporation subsequent to the time the interested
stockholder became such; (D) pursuant to an exchange
offer by the Corporation to purchase stock made on the same terms to all holders of said stock; or (E) any issuance or transfer of stock by the Corporation; provided, however, that in no case under items (C) – (E) of this subsection (iii) shall there be an increase in the interested stockholder’s proportionate share of the stock of any class or series of the Corporation or of the voting stock of the Corporation (except as a result of immaterial changes due to fractional share adjustments);

(iv) any transaction involving the Corporation or any direct or indirect majority-owned subsidiary of the Corporation which has the effect, directly or indirectly, of increasing the proportionate share of the stock of any class or series, or securities convertible into the stock of any class or series, of the Corporation or of any such subsidiary which is owned by the interested stockholder, except as a result of immaterial changes due to fractional share adjustments or as a result of any purchase or redemption of any shares of stock not caused, directly or indirectly, by the interested stockholder; or

(v) any receipt by the interested stockholder of the benefit, directly or indirectly (except proportionately as a stockholder of the Corporation), of any loans, advances, guarantees, pledges, or other financial benefits (other than those expressly permitted in subsections (i)-(iv) above) provided by or through the Corporation or any direct or indirect majority-owned subsidiary.

(d) “control,” including the terms “controlling,” “controlled by” and “under common control with,” means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting stock, by contract, or otherwise. A person who is the owner of 20% or more of the outstanding voting stock of the Corporation, partnership, unincorporated association or other entity shall be presumed to have control of such entity, in the absence of proof by a preponderance of the evidence to the contrary. Notwithstanding the foregoing, a presumption of control shall not apply where such person holds voting stock in good faith and not for the purpose of circumventing this Article X, as an agent, bank, broker, nominee, custodian or trustee for one or more owners who do not individually or as a group have control of such entity.

(e) “interested stockholder” means any person (other than the Corporation or any direct or indirect majority-owned subsidiary of the Corporation) that: (i) is the owner of 15% or more of the outstanding voting stock of the Corporation; or (ii) is an Affiliate or associate of the Corporation and was the owner of 15% or more of the outstanding voting stock of the Corporation at any time within the three (3) year period immediately prior to the date on which it is sought to be determined whether such person is an interested stockholder; or (iii) an Affiliate or associate of any such person described in clauses (i) and (ii); provided, however, that the term “interested stockholder” shall not include: (A) the Sponsor Holders or their transferees; or (B) any person whose ownership of shares in excess of the 15% limitation set forth herein is the result of any action taken solely by the Corporation; provided, that such person specified in this clause (B) shall be an interested stockholder if thereafter such person acquires additional shares of voting stock of the Corporation, except as a result of further corporate action not caused, directly or indirectly, by such person. For the purpose of determining whether a person is an interested stockholder, the voting stock of the Corporation deemed to be outstanding shall include stock deemed to be owned by the person through application of the definition of “owner” below but shall not include any other unissued stock of the Corporation which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

9
(f) “owner,” including the terms “own” and “owned,” when used with respect to any stock, means a person that individually or with or through any of its Affiliates or associates:

(i) beneficially owns such stock, directly or indirectly; or

(ii) has: (A) the right to acquire such stock (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise; provided, however, that a person shall not be deemed the owner of stock tendered pursuant to a tender or exchange offer made by such person or any of such person’s Affiliates or associates until such tendered stock is accepted for purchase or exchange; or (B) the right to vote such stock pursuant to any agreement, arrangement or understanding; provided, however, that a person shall not be deemed the owner of any stock because of such person’s right to vote such stock if the agreement, arrangement or understanding to vote such stock arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made to 10 or more persons; or

(iii) has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting (except voting pursuant to a revocable proxy or consent as described in item (B) of subsection (ii) above), or disposing of such stock with any other person that beneficially owns, or whose Affiliates or associates beneficially own, directly or indirectly, such stock.

(g) “person” means any individual, corporation, partnership, unincorporated association or other entity.

(h) “stock” means, with respect to any corporation, capital stock and, with respect to any other entity, any equity interest.

(i) “Sponsor Holders” means: (i) the investment funds affiliated with The Gores Group LLC and their respective successors and Affiliates; and (ii) the investment funds affiliated with or managed by Platinum Equity Advisors, LLC and their respective successors and Affiliates.

(j) “voting stock” means stock of any class or series entitled to vote generally in the election of directors.

Section 2.2. Special Meetings. Subject to the rights of the holders of any outstanding series of the Preferred Stock, and to the requirements of applicable law, special meetings of stockholders, for any purpose or purposes, may be called only by the Chairman of the Board, Chief Executive Officer, or the Board pursuant to a resolution adopted by a majority of the Board. Special meetings of stockholders shall be held at such place and time and on such date as shall be determined by the Board and stated in the Corporation’s notice of the meeting; provided that the Board may in its sole discretion determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication pursuant to Section 9.5(a).

Section 2.3. Notices. Notice of each stockholders meeting stating the place, if any, date, and time of the meeting, and the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, shall be given in the manner permitted by Section 9.3 to each stockholder entitled to vote thereat by the Corporation not less than 10 nor more than 60 days before the date of the meeting. If said notice is for a stockholders meeting other than an annual meeting, it shall in addition state the purpose or purposes for which the meeting is called, and the business transacted at such meeting shall be limited to the matters so stated in the Corporation’s notice of meeting (or any supplement thereto). Any meeting of stockholders as to which notice has been given may be postponed, and any special meeting of stockholders as to which notice has been given may be cancelled, by the Board upon public announcement (as defined in Section 2.7(c)) given before the date previously scheduled for such meeting.

Section 2.4. Quorum. Except as otherwise provided by applicable law, the Corporation’s Second Amended and Restated Certificate of Incorporation, as the same may be amended or restated from time to time (the “Certificate of Incorporation”) or these Bylaws, the presence, in person or by proxy, at a stockholders meeting of the holders of shares of outstanding capital stock of the Corporation representing a majority of the voting power of all outstanding shares of capital stock of the Corporation entitled to vote at such meeting shall constitute a quorum for the transaction of business at such meeting, except that when specified business is to be voted on by a class or series of stock voting as a class, the holders of shares representing a majority of the voting power of the outstanding shares of such class or series shall constitute a quorum of such class or series for the transaction of such business. If a quorum shall not be present or represented by proxy at any meeting of the stockholders of the Corporation, the chairman of the meeting.

Exhibit 3.2
may adjourn the meeting from time to time in the manner provided in Section 2.6 until a quorum shall attend. The stockholders present at a duly convened meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum. Shares of its own stock belonging to the Corporation or to another corporation, if a majority of the voting power of the shares entitled to vote in the election of directors of such other corporation is held, directly or indirectly, by the Corporation, shall neither be entitled to vote nor be counted for quorum purposes; provided, however, that the foregoing shall not limit the right of the Corporation or any such other corporation to vote shares held by it in a fiduciary capacity.

Section 2.5. Voting of Shares.

(a) Voting Lists. The Secretary shall prepare, or shall cause the officer or agent who has charge of the stock ledger of the Corporation to prepare, at least 10 days before every meeting of stockholders, a complete list of the stockholders of record entitled to vote at such meeting and showing the address and the number of shares registered in the name of each stockholder. Nothing contained in this Section 2.5(a) shall require the Corporation to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours for a period of at least 10 days prior to the meeting: (i) on a reasonably accessible electronic network; provided that the information required to gain access to such list is provided with the notice of the meeting; or (ii) during ordinary business hours, at the principal place of business of the Corporation. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If a meeting of stockholders is to be held solely by means of remote communication as permitted by Section 9.5(a), the list shall be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of meeting. The stock ledger shall be the only evidence as to who are the stockholders entitled to examine the list required by this Section 2.5(a) or to vote in person or by proxy at any meeting of stockholders.

(b) Manner of Voting. At any stockholders meeting, every stockholder entitled to vote may vote in person or by proxy. If authorized by the Board, the voting by stockholders or proxy holders at any meeting conducted by remote communication may be effected by a ballot submitted by electronic transmission (as defined in Section 9.3); provided that any such electronic transmission must either set forth or be submitted with information from which the Corporation can determine that the electronic transmission was authorized by the stockholder or proxy holder. The Board, in its discretion, or the chairman of the meeting of stockholders, in such person’s discretion, may require that any votes cast at such meeting shall be cast by written ballot.

(c) Proxies. Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. Proxies need not be filed with the Secretary of the Corporation until the meeting is called to order, but shall be filed with the Secretary before being voted. Without limiting the manner in which a stockholder may authorize another person or persons to act for such stockholder as proxy, either of the following shall constitute a valid means by which a stockholder may grant such authority.

(i) A stockholder may execute a writing authorizing another person or persons to act for such stockholder as proxy. Execution may be accomplished by the stockholder or such stockholder’s authorized officer, director, employee or agent signing such writing or causing such person’s signature to be affixed to such writing by any reasonable means, including, but not limited to, by facsimile signature.

(ii) A stockholder may authorize another person or persons to act for such stockholder as proxy by transmitting or authorizing the transmission of an electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such transmission; provided that any such electronic transmission must either set forth or be submitted with information from which it can be determined that the electronic transmission was authorized by the stockholder. Any copy, facsimile telecommunication or other reliable reproduction of the writing or transmission authorizing another person or persons to act as proxy for a stockholder may be substituted or used in lieu of the original writing or transmission for any and all purposes for which the original writing or transmission could be used; provided that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing or transmission.
(d) **Required Vote.** Subject to the rights of the holders of one or more series of preferred stock of the Corporation ("Preferred Stock"), voting separately by class or series, to elect directors pursuant to the terms of one or more series of Preferred Stock, the election of directors shall be determined by a plurality of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon. All other matters shall be determined by the vote of a majority of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon, unless the matter is one upon which, by applicable law, the Certificate of Incorporation, these Bylaws or applicable stock exchange rules, a different vote is required, in which case such provision shall govern and control the decision of such matter.

(e) **Inspectors of Election.** The Board, and shall if required by law, in advance of any meeting of stockholders, appoint one or more persons as inspectors of election, who may be employees of the Corporation or otherwise serve the Corporation in other capacities, to act at such meeting of stockholders or any adjournment thereof and to make a written report thereof. The Board may appoint one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspectors of election or alternates are appointed by the Board, the chairman of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before discharging his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall ascertain and report the number of outstanding shares and the voting power of each; determine the number of shares present in person or represented by proxy at the meeting and the validity of proxies and ballots; count all votes and ballots and report the results; determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors; and certify their determination of the number of shares represented at the meeting and their count of all votes and ballots. No person who is a candidate for an office at an election may serve as an inspector at such election. Each report of an inspector shall be in writing and signed by the inspector or by a majority of them if there is more than one inspector acting at such meeting. If there is more than one inspector, the report of a majority shall be the report of the inspectors.

**Section 2.6. Adjournments.** Any meeting of stockholders, annual or special, may be adjourned by the chairman of the meeting, from time to time, whether or not there is a quorum, to reconvene at the same or some other place. Notice need not be given of any such adjourned meeting if the date, time, and place, if any, thereof, and the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the stockholders or the holders of any class or series of stock entitled to vote separately as a class, as the case may be, may transact any business that might have been transacted at the original meeting. If the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

**Section 2.7. Advance Notice for Business.**

(a) **Annual Meetings of Stockholders.** No business may be transacted at an annual meeting of stockholders, other than business that is either:

(i) specified in the Corporation’s notice of meeting (or any supplement thereto) given by or at the direction of the Board; (ii) otherwise properly brought before the annual meeting by or at the direction of the Board; or (iii) otherwise properly brought before the annual meeting by any stockholder of the Corporation: (A) who is a stockholder of record on the date of the giving of the notice provided for in this Section 2.7(a) and on the record date for the determination of stockholders entitled to vote at such annual meeting; and (B) who complies with the notice procedures set forth in this Section 2.7(a). Notwithstanding anything in this Section 2.7(a) to the contrary, only persons nominated for election as a director to fill any term of a directorship that expires on the date of the annual meeting pursuant to Section 3.2 will be considered for election at such meeting.

(i) In addition to any other applicable requirements, for business (other than nominations) to be properly brought before an annual meeting by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary of the Corporation and such business must otherwise be a proper matter for stockholder action. Subject to Section 2.7(a)(iii), a stockholder’s notice to the Secretary with respect to such business, to be timely, must be received by the Secretary at the principal executive offices of the Corporation not later than the close of...
business on the 90th day nor earlier than the opening of business on the 120th day before the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within 45 days before or after such anniversary date, notice by the stockholder to be timely must be so received not earlier than the opening of business on the 120th day before the meeting and not later than the later of: (A) the close of business on the 90th day before the meeting; or (B) the close of business on the 10th day following the day on which public announcement of the date of the annual meeting is first made by the Corporation. The public announcement of an adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder’s notice as described in this Section 2.7(a).

(ii) To be in proper written form, a stockholder’s notice to the Secretary with respect to any business (other than nominations) must set forth as to each such matter such stockholder proposes to bring before the annual meeting: (A) a brief description of the business desired to be brought before the annual meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event such business includes a proposal to amend these Bylaws, the language of the proposed amendment) and the reasons for conducting such business at the annual meeting; (B) the name and record address of such stockholder and the name and address of the beneficial owner, if any, upon whose behalf the proposal is made; (C) the class or series and number of shares of capital stock of the Corporation that are owned beneficially and of record by such stockholder and by the beneficial owner, if any, upon whose behalf the proposal is made; (D) a description of all arrangements or understandings between such stockholder and the beneficial owner, if any, upon whose behalf the proposal is made and any other person or persons (including their names) in connection with the proposal of such business by such stockholder; (E) any material interest of such stockholder and the beneficial owner, if any, upon whose behalf the proposal is made in such business; and (F) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

(iii) The foregoing notice requirements of this Section 2.7(a) shall be deemed satisfied by a stockholder to any proposal (other than nominations) if the stockholder has notified the Corporation of such stockholder’s intention to present such proposal at an annual meeting in compliance with Rule 14a-8 (or any successor thereof) of the Securities Exchange Act of 1934, as amended (the ‘Exchange Act’), and such stockholder has complied with the requirements of such Rule for inclusion of such proposal in a proxy statement prepared by the Corporation to solicit proxies for such annual meeting. No business shall be conducted at the annual meeting of stockholders except business brought before the annual meeting in accordance with the procedures set forth in this Section 2.7(a); provided, however, that once business has been properly brought before the annual meeting in accordance with such procedures, nothing in this Section 2.7(a) shall be deemed to preclude discussion by any stockholder of any such business. If the Board or the chairman of the annual meeting determines that any stockholder proposal was not made in accordance with the provisions of this Section 2.7(a) or that the information provided in a stockholder’s notice does not satisfy the information requirements of this Section 2.7(a), such proposal shall not be presented for action at the annual meeting. Notwithstanding the foregoing provisions of this Section 2.7(a), if the stockholder (or a qualified representative of the stockholder) does not appear at the annual meeting of stockholders of the Corporation to present the proposed business, such proposed business shall not be transacted, notwithstanding that proxies in respect of such matter may have been received by the Corporation.

(iv) In addition to the provisions of this Section 2.7(a), a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth herein. Nothing in this Section 2.7(a) shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation’s proxy statement pursuant to Rule 14a-8 under the Exchange Act.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation’s notice of meeting. Nominations of persons for election to the Board may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation’s notice of meeting only pursuant to Section 3.2.

(c) Public Announcement. For purposes of these Bylaws, “public announcement” shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Exchange Act.
Section 2.8. Conduct of Meetings. The chairman of each annual and special meeting of stockholders shall be the Chairman of the Board or, in the absence (or inability or refusal to act) of the Chairman of the Board, the Chief Executive Officer (if he or she shall be a director) or, in the absence (or inability or refusal to act) of the Chief Executive Officer or if the Chief Executive Officer is not a director, the President (if he or she shall be a director) or, in the absence (or inability or refusal to act) of the President or if the President is not a director, such other person as shall be appointed by the Board. The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting by the chairman of the meeting. The Board may adopt such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with these Bylaws or such rules and regulations as adopted by the Board, the chairman of any meeting of stockholders shall have the right and authority to convene and to adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board or prescribed by the chairman of the meeting, may include, without limitation, the following: (a) the establishment of an agenda or order of business for the meeting; (b) rules and procedures for maintaining order at the meeting and the safety of those present; (c) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (d) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (e) limitations on the time allotted to questions or comments by participants. Unless and to the extent determined by the Board or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure. The secretary of each annual and special meeting of stockholders shall be the Secretary or, in the absence (or inability or refusal to act) of the Secretary, an Assistant Secretary so appointed to act by the chairman of the meeting. In the absence (or inability or refusal to act) of the Secretary and all Assistant Secretaries, the chairman of the meeting may appoint any person to act as secretary of the meeting.

Section 2.9. Consents in Lieu of Meeting. Any action required or permitted to be taken by the stockholders of the Corporation must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders.

ARTICLE III

DIRECTORS

Section 3.1. Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board, which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these Bylaws required to be exercised or done by the stockholders. Directors need not be stockholders or residents of the State of Delaware.

Section 3.2. Advance Notice for Nomination of Directors.

(a) Only persons who are nominated in accordance with the following procedures or, with respect to Platinum Equity Advisors, LLC ("Platinum") and its affiliates, the Investor Rights Agreement between the Corporation and Platinum, dated as of February 10, 2020 (the "Investor Rights Agreement"), shall be eligible for election as directors of the Corporation, except as may be otherwise provided by the terms of one or more series of Preferred Stock with respect to the rights of holders of one or more series of Preferred Stock to elect directors. Nominations of persons for election to the Board at any annual meeting of stockholders, or at any special meeting of stockholders called for the purpose of electing directors as set forth in the Corporation’s notice of such special meeting, may be made: (i) by or at the direction of the Board; or (ii) by any stockholder of the Corporation: (A) who is a stockholder of record on the date of the giving of the notice provided for in this Section 3.2 and on the record date for the determination of stockholders entitled to vote at such meeting; and (B) who complies with the notice procedures set forth in this Section 3.2.

(b) In addition to any other applicable requirements, for a nomination to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary of the Corporation. To be timely, a stockholder’s notice to the Secretary must be received by the Secretary at the principal executive offices of the Corporation: (i) in the case of an annual meeting, not later than the close of business on the 90th day nor earlier than the opening of business on the 120th day before the anniversary date of the immediately preceding annual meeting.
of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within 45 days before or after such anniversary date, notice by the stockholder to be timely must be so received not earlier than the opening of business on the 120th day before the meeting and not later than the later of: (A) the close of business on the 90th day before the meeting; or (B) the close of business on the 10th day following the day on which public announcement of the date of the annual meeting was first made by the Corporation; and (ii) in the case of a special meeting of stockholders called for the purpose of electing directors, not later than the close of business on the 10th day following the day on which public announcement of the date of the special meeting is first made by the Corporation. In no event shall the public announcement of an adjournment of an annual meeting or special meeting commence a new time period for the giving of a stockholder’s notice as described in this Section 3.2.

(c) Notwithstanding anything in paragraph (b) to the contrary, in the event that the number of directors to be elected to the Board at an annual meeting is greater than the number of directors whose terms expire on the date of the annual meeting and there is no public announcement by the Corporation naming all of the nominees for the additional directors to be elected or specifying the size of the increased Board before the close of business on the 90th day prior to the anniversary date of the immediately preceding annual meeting of stockholders, a stockholder’s notice required by this Section 3.2 shall also be considered timely, but only with respect to nominees for the additional directorships created by such increase that are to be filled by election at such annual meeting, if it shall be received by the Secretary at the principal executive offices of the Corporation not later than the close of business on the 10th day following the date on which such public announcement was first made by the Corporation.

(d) To be in proper written form, a stockholder’s notice to the Secretary must set forth: (i) as to each person whom the stockholder proposes to nominate for election as a director: (A) the name, age, business address and residence address of the person; (B) the principal occupation or employment of the person; (C) the class or series and number of shares of capital stock of the Corporation, if any, that are owned beneficially or of record by the person; and (D) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder; and (ii) as to the stockholder giving the notice: (A) the name and record address of such stockholder and the name and address of the beneficial owner, if any, on whose behalf the nomination is made; (B) the class or series and number of shares of capital stock of the Corporation that are owned beneficially and of record by the person; (C) a description of all arrangements or understandings relating to the nomination to be made by such stockholder among such stockholder, the beneficial owner, if any, on whose behalf the nomination is made, each proposed nominee and any other person or persons (including their names); (D) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and (E) any other information relating to such stockholder and the beneficial owner, if any, on whose behalf the nomination is made that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

(e) If the Board or the chairman of the meeting of stockholders determines that any nomination was not made in accordance with the provisions of this Section 3.2, then such nomination shall not be considered at the meeting in question. Notwithstanding the foregoing provisions of this Section 3.2, if the stockholder (or a qualified representative of the stockholder) does not appear at the meeting of stockholders of the Corporation to present the nomination, such nomination shall be disregarded, notwithstanding that proxies in respect of such nomination may have been received by the Corporation.

(f) In addition to the provisions of this Section 3.2, a stockholder shall also comply with all of the applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth herein. Nothing in this Section 3.2 shall be deemed to affect any rights of the holders of Preferred Stock to elect directors pursuant to the Certificate of Incorporation.

Section 3.3. Compensation. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, the Board shall have the authority to fix the compensation of directors. The directors may be reimbursed their expenses, if any, of attendance at each meeting of the Board and may be paid either a fixed sum for attendance at each meeting of the Board or other compensation as director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of committees of the Board may be allowed like compensation and reimbursement of expenses for service on the committee.
Section 3.4. Newly Created Directorships and Vacancies. Unless otherwise provided by the Certificate of Incorporation, newly created directorships resulting from an increase in the number of directors and any vacancies on the Board resulting from death, resignation, retirement, disqualification, removal or other cause shall be filled solely by a majority vote of the remaining directors then in office, even if less than a quorum, or by a sole remaining director (and not by stockholders), and any director so chosen shall hold office for the remainder of the full term of the class of directors to which the new directorship was added or in which the vacancy occurred and until his or her successor has been elected and qualified, subject, however, to such director’s earlier death, resignation, retirement, disqualification or removal.

ARTICLE IV
BOARD MEETINGS

Section 4.1. Annual Meetings. The Board shall meet as soon as practicable after the adjournment of each annual stockholders meeting at the place of the annual stockholders meeting unless the Board shall fix another time and place and give notice thereof in the manner required herein for special meetings of the Board. No notice to the directors shall be necessary to legally convene this meeting, except as provided in this Section 4.1.

Section 4.2. Regular Meetings. Regularly scheduled, periodic meetings of the Board may be held without notice at such times, dates and places as shall from time to time be determined by the Board.

Section 4.3. Special Meetings. Special meetings of the Board: (a) may be called by the Chairman of the Board or President; and (b) shall be called by the Chairman of the Board, President or Secretary on the written request of at least a majority of directors then in office, or the sole director, as the case may be, and shall be held at such time, date and place as may be determined by the person calling the meeting or, if called upon the request of directors or the sole director, as specified in such written request. Notice of each special meeting of the Board shall be given, as provided in Section 9.3, to each director: (i) at least 24 hours before the meeting if such notice is oral notice given personally or by telephone or written notice given by hand delivery or by means of a form of electronic transmission and delivery; (ii) at least two days before the meeting if such notice is sent by a nationally recognized overnight delivery service; and (iii) at least five days before the meeting if such notice is sent through the United States mail. If the Secretary shall fail or refuse to give such notice, then the notice may be given by the officer who called the meeting or the directors who requested the meeting. Any and all business that may be transacted at a regular meeting of the Board may be transacted at a special meeting. Except as may be otherwise expressly provided by applicable law, the Certificate of Incorporation, or these Bylaws, neither the business to be transacted at, nor the purpose of, any special meeting need be specified in the notice or waiver of notice of such meeting. A special meeting may be held at any time without notice if all the directors are present or if those not present waive notice of the meeting in accordance with Section 9.4.

Section 4.4. Quorum; Required Vote. A majority of the Board shall constitute a quorum for the transaction of business at any meeting of the Board, and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board, except as may be otherwise specifically provided by applicable law, the Certificate of Incorporation or these Bylaws. If a quorum shall not be present at any meeting, a majority of the directors present may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present.

Section 4.5. Consent In Lieu of Meeting. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board or any committee thereof may be taken without a meeting if all members of the Board or committee, as the case may be, consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions (or paper reproductions thereof) are filed with the minutes of proceedings of the Board or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.
Section 4.6. Organization. The chairman of each meeting of the Board shall be the Chairman of the Board or, in the absence (or inability or refusal to act) of the Chairman of the Board, the Chief Executive Officer (if he or she shall be a director) or, in the absence (or inability or refusal to act) of the Chief Executive Officer or if the Chief Executive Officer is not a director, the President (if he or she shall be a director) or in the absence (or inability or refusal to act) of the President or if the President is not a director, a chairman elected from the directors present. The Secretary shall act as secretary of all meetings of the Board. In the absence (or inability or refusal to act) of the Secretary, an Assistant Secretary shall perform the duties of the Secretary at such meeting. In the absence (or inability or refusal to act) of the Secretary and all Assistant Secretaries, the chairman of the meeting may appoint any person to act as secretary of the meeting.

ARTICLE V
COMMITTEES OF DIRECTORS

Section 5.1. Establishment. The Board may by resolution passed by a majority of the Board designate one or more committees, each committee to consist of one or more of the directors of the Corporation and, other than the audit committee, to include a representative appointed by Platinum for so long as Platinum has the right to nominate a director for election to the board under the Investor Rights Agreement (subject to applicable laws and stock exchange regulations, and unless waived by Platinum in its sole discretion). Each committee shall keep regular minutes of its meetings and report the same to the Board when required. The Board shall have the power at any time to fill vacancies in, to change the membership of, or to dissolve any such committee.

Section 5.2. Available Powers. Any committee established pursuant to Section 5.1 hereof, to the extent permitted by applicable law and by resolution of the Board, shall have and may exercise all of the powers and authority of the Board in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers that may require it.

Section 5.3. Alternate Members. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee.

Section 5.4. Procedures. Unless the Board otherwise provides, the time, date, place, if any, and notice of meetings of a committee shall be determined by such committee. At meetings of a committee, a majority of the number of members of the committee (but not including any alternate member, unless such alternate member has replaced any absent or disqualified member at the time of, or in connection with, such meeting) shall constitute a quorum for the transaction of business. The act of a majority of the members present at any meeting at which a quorum is present shall be the act of the committee, except as otherwise specifically provided by applicable law, the Certificate of Incorporation, these Bylaws or the Board. If a quorum is not present at a meeting of a committee, the members present may adjourn the meeting from time to time, without notice other than an announcement at the meeting, until a quorum is present. Unless the Board otherwise provides and except as provided in these Bylaws, each committee designated by the Board may make, alter, amend and repeal rules for the conduct of its business. In the absence of such rules each committee shall conduct its business in the same manner as the Board is authorized to conduct its business pursuant to Article III and Article IV of these Bylaws.

ARTICLE VI
OFFICERS

Section 6.1. Officers. The officers of the Corporation elected by the Board shall be a Chief Executive Officer, a President, a Chief Financial Officer, a Secretary and such other officers (including without limitation, Vice Presidents, Assistant Secretaries and a Treasurer) as the Board from time to time may determine. Officers elected by the Board shall each have such powers and duties as generally pertain to their respective offices, subject to the specific provisions of this Article VI. Such officers shall also have such powers and duties as from time to time may be conferred by the Board. The Chief Executive Officer or President may also appoint such other officers (including without limitation one or more Vice Presidents and Controllers) as may be necessary or desirable for the conduct of the business of the Corporation. Such other officers shall have such powers and duties and shall hold their offices for such terms as may be provided in these Bylaws or as may be prescribed by the Board or, if such officer has been appointed by the Chief Executive Officer or President, as may be prescribed by the appointing officer.
(a) **Chief Executive Officer.** The Chief Executive Officer shall be the chief executive officer of the Corporation, shall have general supervision of the affairs of the Corporation and general control of all of its business subject to the ultimate authority of the Board, and shall be responsible for the execution of the policies of the Board with respect to such matters. In the absence (or inability or refusal to act) of the Chairman of the Board, the Chief Executive Officer (if he or she shall be a director) shall preside when present at all meetings of the stockholders and the Board. The position of Chief Executive Officer and President may be held by the same person.

(b) **President.** The President shall make recommendations to the Chief Executive Officer on all operational matters that would normally be reserved for the final executive responsibility of the Chief Executive Officer. In the absence (or inability or refusal to act) of the Chairman of the Board and Chief Executive Officer, the President (if he or she shall be a director) shall preside when present at all meetings of the stockholders and the Board. The President shall also perform such duties and have such powers as shall be designated by the Board. The position of President and Chief Executive Officer may be held by the same person.

(c) **Vice Presidents.** In the absence (or inability or refusal to act) of the President, the Vice President (or in the event there be more than one Vice President, the Vice Presidents in the order designated by the Board) shall perform the duties and have the powers of the President. Any one or more of the Vice Presidents may be given an additional designation of rank or function.

(d) **Secretary.**

(i) The Secretary shall attend all meetings of the stockholders, the Board and (as required) committees of the Board and shall record the proceedings of such meetings in books to be kept for that purpose. The Secretary shall give, or cause to be given, notice of all meetings of the stockholders and special meetings of the Board and shall perform such other duties as may be prescribed by the Board, the Chairman of the Board, Chief Executive Officer or President. The Secretary shall have custody of the corporate seal of the Corporation and the Secretary, or any Assistant Secretary, shall have authority to affix the same to any instrument requiring it, and when so affixed, it may be attested by his or her signature or by the signature of such Assistant Secretary. The Board may give general authority to any other officer to affix the seal of the Corporation and to attest the affixing thereof by his or her signature.

(ii) The Secretary shall keep, or cause to be kept, at the principal executive office of the Corporation or at the office of the Corporation’s transfer agent or registrar, if one has been appointed, a stock ledger, or duplicate stock ledger, showing the names of the stockholders and their addresses, the number and classes of shares held by each and, with respect to certificated shares, the number and date of certificates issued for the same and the number and date of certificates cancelled.

(e) **Assistant Secretaries.** The Assistant Secretary or, if there be more than one, the Assistant Secretaries in the order determined by the Board shall, in the absence (or inability or refusal to act) of the Secretary, perform the duties and have the powers of the Secretary.

(f) **Chief Financial Officer.** The Chief Financial Officer shall perform all duties commonly incident to that office (including, without limitation, the care and custody of the funds and securities of the Corporation, which from time to time may come into the Chief Financial Officer’s hands and the deposit of the funds of the Corporation in such banks or trust companies as the Board, the Chief Executive Officer or the President may authorize).
Section 6.2. Term of Office; Removal; Vacancies. The elected officers of the Corporation shall be appointed by the Board and shall hold office until their successors are duly elected and qualified by the Board or until their earlier death, resignation, retirement, disqualification, or removal from office. Any officer may be removed, with or without cause, at any time by the Board. Any officer appointed by the Chief Executive Officer or President may also be removed, with or without cause, by the Chief Executive Officer or President, as the case may be, unless the Board otherwise provides. Any vacancy occurring in any elected office of the Corporation may be filled by the Board. Any vacancy occurring in any office appointed by the Chief Executive Officer or President may be filled by the Chief Executive Officer, or President, as the case may be, unless the Board then determines that such office shall thereupon be elected by the Board, in which case the Board shall elect such officer.

Section 6.3. Other Officers. The Board may delegate the power to appoint such other officers and agents, and may also remove such officers and agents or delegate the power to remove same, as it shall from time to time deem necessary or desirable.

Section 6.4. Multiple Officeholders; Stockholder and Director Officers. Any number of offices may be held by the same person unless the Certificate of Incorporation or these Bylaws otherwise provide; provided, however, that no officer shall execute, acknowledge or verify any instrument in more than one capacity if such instrument is required by law, the Certificate of Incorporation or these Bylaws to be executed, acknowledged or verified by two or more parties. Officers need not be stockholders or residents of the State of Delaware.

ARTICLE VII
SHARES

Section 7.1. Certificated and Uncertificated Shares. The shares of the Corporation may be certificated or uncertificated, subject to the sole discretion of the Board and the requirements of the General Corporation Law of the State of Delaware (the “DGCL”).

Section 7.2. Multiple Classes of Stock. If the Corporation shall be authorized to issue more than one class of stock or more than one series of any class, the Corporation shall: (a) cause the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences or rights to be set forth in full or summarized on the face or back of any certificate that the Corporation issues to represent shares of such class or series of stock; or (b) in the case of uncertificated shares, within a reasonable time after the issuance or transfer of such shares, send to the registered owner thereof a written notice containing the information required to be set forth on certificates as specified in clause (a) above; provided, however, that, except as otherwise provided by applicable law, in lieu of the foregoing requirements, there may be set forth on the face or back of such certificate or, in the case of uncertificated shares, on such written notice a statement that the Corporation will furnish without charge to each stockholder who so requests the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences or rights.

Section 7.3. Signatures. Each certificate representing capital stock of the Corporation shall be signed by or in the name of the Corporation by: (a) the Chairman of the Board, Chief Executive Officer, the President or a Vice President; and (b) the Treasurer, the Secretary or an Assistant Secretary of the Corporation. Any or all of the signatures on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, such certificate may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar on the date of issue.
Section 7.4. Consideration and Payment for Shares.

(a) Subject to applicable law and the Certificate of Incorporation, shares of stock may be issued for such consideration, having in the case of shares with par value a value not less than the par value thereof, and to such persons, as determined from time to time by the Board. The consideration may consist of any tangible or intangible property or any benefit to the Corporation, including cash, promissory notes, services performed, contracts for services to be performed or other securities, or any combination thereof.

(b) Subject to applicable law and the Certificate of Incorporation, shares may not be issued until the full amount of the consideration has been paid, unless upon the face or back of each certificate issued to represent any partly paid shares of capital stock or upon the books and records of the Corporation in the case of partly paid uncertificated shares, there shall have been set forth the total amount of the consideration to be paid therefor and the amount paid thereon up to and including the time said certificate representing certificated shares or said uncertificated shares are issued.

Section 7.5. Lost, Destroyed or Wrongfully Taken Certificates

(a) If an owner of a certificate representing shares claims that such certificate has been lost, destroyed or wrongfully taken, the Corporation shall issue a new certificate representing such shares or such shares in uncertificated form if the owner: (i) requests such a new certificate before the Corporation has notice that the certificate representing such shares has been acquired by a protected purchaser; (ii) if requested by the Corporation, delivers to the Corporation a bond sufficient to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, wrongful taking or destruction of such certificate or the issuance of such new certificate or uncertificated shares; and (iii) satisfies other reasonable requirements imposed by the Corporation.

(b) If a certificate representing shares has been lost, apparently destroyed or wrongfully taken, and the owner fails to notify the Corporation of that fact within a reasonable time after the owner has notice of such loss, apparent destruction or wrongful taking and the Corporation registers a transfer of such shares before receiving notification, the owner shall be precluded from asserting against the Corporation any claim for registering such transfer or a claim to a new certificate representing such shares or such shares in uncertificated form.

Section 7.6. Transfer of Stock.

(a) If a certificate representing shares of the Corporation is presented to the Corporation with an endorsement requesting the registration of transfer of such shares or an instruction is presented to the Corporation requesting the registration of transfer of uncertificated shares, the Corporation shall register the transfer as requested if:

   (i) in the case of certificated shares, the certificate representing such shares has been surrendered;

   (ii)(A) with respect to certificated shares, the endorsement is made by the person specified by the certificate as entitled to such shares; (B) with respect to uncertificated shares, an instruction is made by the registered owner of such uncertificated shares; or (C) with respect to certificated shares or uncertificated shares, the endorsement or instruction is made by any other appropriate person or by an agent who has actual authority to act on behalf of the appropriate person;

   (iii) the Corporation has received a guarantee of signature of the person signing such endorsement or instruction or such other reasonable assurance that the endorsement or instruction is genuine and authorized as the Corporation may request;

   (iv) the transfer does not violate any restriction on transfer imposed by the Corporation that is enforceable in accordance with Section 7.8(a);

   and

   (v) such other conditions for such transfer as shall be provided for under applicable law have been satisfied.

(b) Whenever any transfer of shares shall be made for collateral security and not absolutely, the Corporation shall so record such fact in the entry of transfer if, when the certificate for such shares is presented to the Corporation for transfer or, if such shares are uncertificated, when the instruction for registration of transfer thereof is presented to the Corporation, both the transferor and transferee request the Corporation to do so.
Section 7.7. Registered Stockholders. Before due presentment for registration of transfer of a certificate representing shares of the Corporation or of an instruction requesting registration of transfer of uncertificated shares, the Corporation may treat the registered owner as the person exclusively entitled to inspect for any proper purpose the stock ledger and the other books and records of the Corporation, vote such shares, receive dividends or notifications with respect to such shares and otherwise exercise all the rights and powers of the owner of such shares, except that a person who is the beneficial owner of such shares (if held in a voting trust or by a nominee on behalf of such person) may, upon providing documentary evidence of beneficial ownership of such shares and satisfying such other conditions as are provided under applicable law, may also so inspect the books and records of the Corporation.

Section 7.8. Effect of the Corporation’s Restriction on Transfer.

(a) A written restriction on the transfer or registration of transfer of shares of the Corporation or on the amount of shares of the Corporation that may be owned by any person or group of persons, if permitted by the DGCL and noted conspicuously on the certificate representing such shares or, in the case of uncertificated shares, contained in a notice, offering circular or prospectus sent by the Corporation to the registered owner of such shares within a reasonable time prior to or after the issuance or transfer of such shares, may be enforced against the holder of such shares or any successor or transferee of the holder including an executor, administrator, trustee, guardian or other fiduciary entrusted with like responsibility for the person or estate of the holder.

(b) A restriction imposed by the Corporation on the transfer or the registration of shares of the Corporation or on the amount of shares of the Corporation that may be owned by any person or group of persons, even if otherwise lawful, is ineffective against a person without actual knowledge of such restriction unless: (i) the shares are certificated and such restriction is noted conspicuously on the certificate; or (ii) the shares are uncertificated and such restriction was contained in a notice, offering circular or prospectus sent by the Corporation to the registered owner of such shares prior to or within a reasonable time after the issuance or transfer of such shares.

Section 7.9. Regulations. The Board shall have power and authority to make such additional rules and regulations, subject to any applicable requirement of law, as the Board may deem necessary and appropriate with respect to the issue, transfer or registration of transfer of shares of stock or certificates representing shares. The Board may appoint one or more transfer agents or registrars and may require for the validity thereof that certificates representing shares bear the signature of any transfer agent or registrar so appointed.

ARTICLE VIII

INDEMNIFICATION

Section 8.1. Right to Indemnification. To the fullest extent permitted by applicable law, as the same exists or may hereafter be amended, the Corporation shall indemnify and hold harmless each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a “proceeding”), by reason of the fact that he or she is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, other enterprise or nonprofit entity, including service with respect to an employee benefit plan (hereinafter an “Indemnitee”), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent, or in any other capacity while serving as a director, officer, employee or agent, against all liability and loss suffered and expenses (including, without limitation, attorneys’ fees, judgments, fines, ERISA excise taxes and penalties and amounts paid in settlement) reasonably incurred by such Indemnitee in connection with such proceeding; provided, however, that, except as provided in Section 8.3 with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify an Indemnitee in connection with a proceeding (or part thereof) initiated by such Indemnitee only if such proceeding (or part thereof) was authorized by the Board.

Section 8.2. Right to Advancement of Expenses. In addition to the right to indemnification conferred in Section 8.1, an Indemnitee shall also have the right to be paid by the Corporation to the fullest extent not prohibited by applicable law the expenses (including, without limitation, attorneys’ fees) incurred in defending or otherwise participating in any such proceeding in advance of its final disposition (hereinafter an “advancement of expenses”);
provided, however, that, if the DGCL requires, an advancement of expenses incurred by an Indemnitee in his or her capacity as a director or officer of the Corporation (and not in any other capacity in which service was or is rendered by such Indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon the Corporation’s receipt of an undertaking (hereinafter an “undertaking”), by or on behalf of such Indemnitee, to repay all amounts so advanced if it shall ultimately be determined that such Indemnitee is not entitled to be indemnified under this Article VIII or otherwise.

Section 8.3. Right of Indemnitee to Bring Suit. If a claim under Section 8.1 or Section 8.2 is not paid in full by the Corporation within 60 days after a written claim therefor has been received by the Corporation, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be 20 days, the Indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. If successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Indemnitee shall also be entitled to be paid the expense of prosecuting or defending such suit. In (a) any suit brought by the Indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by an Indemnitee to enforce a right to an advancement of expenses) it shall be a defense that, and (b) any suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final judicial decision from which there is no further right to appeal (hereinafter a “final adjudication”) that, the Indemnitee has not met any applicable standard for indemnification set forth in the DGCL. Neither the failure of the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such suit that indemnification of the Indemnitee is proper in the circumstances because the Indemnitee has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including a determination by its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its stockholders) that the Indemnitee has not met such applicable standard of conduct, shall create a presumption that the Indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the Indemnitee, shall be a defense to such suit. In any suit brought by the Indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the Indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article VIII or otherwise shall be on the Corporation.

Section 8.4. Non-Exclusivity of Rights. The rights provided to any Indemnitee pursuant to this Article VIII shall not be exclusive of any other right, which such Indemnitee may have or hereafter acquire under applicable law, the Certificate of Incorporation, these Bylaws, an agreement, a vote of stockholders or disinterested directors, or otherwise.

Section 8.5. Insurance. The Corporation may maintain insurance, at its expense, to protect itself and/or any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

Section 8.6. Indemnification of Other Persons. This Article VIII shall not limit the right of the Corporation to the extent and in the manner authorized or permitted by law to indemnify and to advance expenses to persons other than Indemnitees. Without limiting the foregoing, the Corporation may, to the extent authorized from time to time by the Board, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Corporation and to any other person who is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, to the fullest extent of the provisions of this Article VIII with respect to the indemnification and advancement of expenses of Indemnitees under this Article VIII.

Section 8.7. Amendments. Any repeal or amendment of this Article VIII by the Board or the stockholders of the Corporation or by changes in applicable law, or the adoption of any other provision of these Bylaws inconsistent with this Article VIII, will, to the extent permitted by applicable law, be prospective only (except to the extent such amendment or change in applicable law permits the Corporation to provide broader indemnification rights to Indemnitees on a retroactive basis than permitted prior thereto), and will not in any way diminish or adversely affect any right or protection existing hereunder in respect of any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision; provided, further, that amendments or repeals of this Article VIII shall require the affirmative vote of the stockholders holding at least 66.7% of the voting power of all outstanding shares of capital stock of the Corporation.
Section 8.8. Certain Definitions. For purposes of this Article VIII: (a) references to “other enterprise” shall include any employee benefit plan; (b) references to “fines” shall include any excise taxes assessed on a person with respect to an employee benefit plan; (c) references to “serving at the request of the Corporation” shall include any service that imposes duties on, or involves services by, a person with respect to any employee benefit plan, its participants, or beneficiaries; and (d) a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “not opposed to the best interest of the Corporation” for purposes of Section 145 of the DGCL.

Section 8.9. Contract Rights. The rights provided to Indemnitees pursuant to this Article VIII shall be contract rights and such rights shall continue as to an Indemnitee who has ceased to be a director, officer, agent or employee and shall inure to the benefit of the Indemnitee’s heirs, executors and administrators.

Section 8.10. Severability. If any provision or provisions of this Article VIII shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Article VIII shall not in any way be affected or impaired thereby; and (b) to the fullest extent possible, the provisions of this Article VIII (including, without limitation, each such portion of this Article VIII containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

ARTICLE IX

MISCELLANEOUS

Section 9.1. Place of Meetings. If the place of any meeting of stockholders, the Board or committee of the Board for which notice is required under these Bylaws is not designated in the notice of such meeting, such meeting shall be held at the principal business office of the Corporation; provided, however, if the Board has, in its sole discretion, determined that a meeting shall not be held at any place, but instead shall be held by means of remote communication pursuant to Section 9.5 hereof, then such meeting shall not be held at any place.

Section 9.2. Fixing Record Dates.

(a) In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the Board may fix a record date, which shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which record date shall not be more than 60 nor less than 10 days before the date of such meeting. If no record date is fixed by the Board, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the business day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

(b) In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than 60 days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.
Section 9.3. Means of Giving Notice.

(a) Notice to Directors. Whenever under applicable law, the Certificate of Incorporation or these Bylaws notice is required to be given to any director, such notice shall be given either: (i) in writing and sent by mail, or by a nationally recognized delivery service; (ii) by means of facsimile telecommunication or other form of electronic transmission; or (iii) by oral notice given personally or by telephone. A notice to a director will be deemed given as follows: (A) if given by hand delivery, orally, or by telephone, when actually received by the director; (B) if sent through the United States mail, when deposited in the United States mail, with postage and fees thereon prepaid, addressed to the director at the director’s address appearing on the records of the Corporation; (C) if sent for next day delivery by a nationally recognized overnight delivery service, when deposited with such service, with fees thereon prepaid, addressed to the director at the director’s address appearing on the records of the Corporation; (D) if sent by facsimile telecommunication, when sent to the facsimile transmission number for such director appearing on the records of the Corporation; (E) if sent by electronic mail, when sent to the electronic mail address for such director appearing on the records of the Corporation; or (F) if sent by any other form of electronic transmission, when sent to the address, location or number (as applicable) for such director appearing on the records of the Corporation.

(b) Notice to Stockholders. Whenever under applicable law, the Certificate of Incorporation or these Bylaws notice is required to be given to any stockholder, such notice may be given: (i) in writing and sent either by hand delivery, through the United States mail, or by a nationally recognized overnight delivery service for next day delivery; or (ii) by means of a form of electronic transmission consented to by the stockholder, to the extent permitted by, and subject to the conditions set forth in Section 232 of the DGCL. A notice to a stockholder shall be deemed given as follows: (A) if given by hand delivery, when actually received by the stockholder; (B) if sent through the United States mail, when deposited in the United States mail, with postage and fees thereon prepaid, addressed to the stockholder at the stockholder’s address appearing on the stock ledger of the Corporation; (C) if sent for next day delivery by a nationally recognized overnight delivery service, when deposited with such service, with fees thereon prepaid, addressed to the stockholder at the stockholder’s address appearing on the stock ledger of the Corporation; and (D) if given by a form of electronic transmission consented to by the stockholder to whom the notice is given and otherwise meeting the requirements set forth above: (1) if by facsimile transmission, when directed to a number at which the stockholder has consented to receive notice; (2) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice; (3) if by a posting on an electronic network together with separate notice to the stockholder of such specified posting, upon the later of: (x) such posting; and (y) the giving of such separate notice; and (4) if by any other form of electronic transmission, when directed to the stockholder. A stockholder may revoke such stockholder’s consent to receiving notice by means of electronic communication by giving written notice of such revocation to the Corporation. Any such consent shall be deemed revoked if: (x) the Corporation is unable to deliver by electronic transmission two consecutive notices given by the Corporation in accordance with such consent; and (y) such inability becomes known to the Secretary or an Assistant Secretary or to the Corporation’s transfer agent, or other person responsible for the giving of notice; provided, however, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action.

(c) Electronic Transmission. “Electronic transmission” means any form of communication, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process, including but not limited to transmission by telex, facsimile telecommunication, electronic mail, telegram and cablegram.

(d) Notice to Stockholders Sharing Same Address. Without limiting the manner by which notice otherwise may be given effectively by the Corporation to stockholders, any notice to stockholders given by the Corporation under any provision of the DGCL, the Certificate of Incorporation or these Bylaws shall be effective if given by a single written notice to stockholders who share an address if consented to by the stockholders at that address to whom such notice is given. A stockholder may revoke such stockholder’s consent by delivering written notice of such revocation to the Corporation. Any stockholder who fails to object in writing to the Corporation within 60 days of having been given written notice by the Corporation of its intention to send such a single written notice shall be deemed to have consented to receiving such single written notice.

(e) Exceptions to Notice Requirements. Whenever notice is required to be given, under the DGCL, the Certificate of Incorporation or these Bylaws, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting that shall be taken or held without
Whenever notice is required to be given by the Corporation, under any provision of the DGCL, the Certificate of Incorporation or these Bylaws, to any stockholder to whom: (1) notice of two consecutive annual meetings of stockholders and all notices of stockholder meetings or of the taking of action by written consent of stockholders without a meeting to such stockholder during the period between such two consecutive annual meetings; or (2) all, and at least two payments (if sent by first-class mail) of dividends or interest on securities during a 12-month period, have been mailed addressed to such stockholder at such stockholder’s address as shown on the records of the Corporation and have been returned undeliverable, the giving of such notice to such stockholder shall not be required. Any action or meeting that shall be taken or held without notice to such stockholder shall have the same force and effect as if such notice had been duly given. If any such stockholder shall deliver to the Corporation a written notice setting forth such stockholder’s then current address, the requirement that notice be given to such stockholder shall be reinstated. In the event that the action taken by the Corporation is such as to require the filing of a certificate with the Secretary of State of Delaware, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

Section 9.4. Waiver of Notice. Whenever any notice is required to be given under applicable law, the Certificate of Incorporation, or these Bylaws, a written waiver of such notice, signed before or after the date of such meeting by the person or persons entitled to said notice, or a waiver by electronic transmission by the person entitled to said notice, shall be deemed equivalent to such required notice. All such waivers shall be kept with the books of the Corporation. Attendance at a meeting shall constitute a waiver of notice of such meeting, except where a person attends for the express purpose of objecting to the transaction of any business on the ground that the meeting was not lawfully called or convened.

Section 9.5. Meeting Attendance via Remote Communication Equipment.

(a) Stockholder Meetings. If authorized by the Board in its sole discretion, and subject to such guidelines and procedures as the Board may adopt, stockholders and proxy holders not physically present at a meeting of stockholders may, by means of remote communication:

(i) participate in a meeting of stockholders; and

(ii) be deemed present in person and vote at a meeting of stockholders, whether such meeting is to be held at a designated place or solely by means of remote communication; provided that: (A) the Corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a stockholder or proxy holder; (B) the Corporation shall implement reasonable measures to provide such stockholders and proxy holders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the stockholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings; and (C) if any stockholder or proxy holder votes or takes other action at the meeting by means of remote communication, a record of such votes or other action shall be maintained by the Corporation.

(b) Board Meetings. Unless otherwise restricted by applicable law, the Certificate of Incorporation or these Bylaws, members of the Board or any committee thereof may participate in a meeting of the Board or any committee thereof by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Such participation in a meeting shall constitute presence in person at the meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting was not lawfully called or convened.
Section 9.6. Dividends. The Board may from time to time declare, and the Corporation may pay, dividends (payable in cash, property or shares of the Corporation’s capital stock) on the Corporation’s outstanding shares of capital stock, subject to applicable law and the Certificate of Incorporation.

Section 9.7. Reserves. The Board may set apart out of the funds of the Corporation available for dividends a reserve or reserves for any proper purpose and may abolish any such reserve.

Section 9.8. Contracts and Negotiable Instruments. Except as otherwise provided by applicable law, the Certificate of Incorporation or these Bylaws, any contract, bond, deed, lease, mortgage or other instrument may be executed and delivered in the name and on behalf of the Corporation by such officer or officers or other employee or employees of the Corporation as the Board may from time to time authorize. Such authority may be general or confined to specific instances as the Board may determine. The Chairman of the Board, the Chief Executive Officer, the President, the Chief Financial Officer, the Treasurer or any Vice President may execute and deliver any contract, bond, deed, lease, mortgage or other instrument in the name and on behalf of the Corporation. Subject to any restrictions imposed by the Board, the Chairman of the Board, Chief Executive Officer, President, the Chief Financial Officer, the Treasurer or any Vice President may delegate powers to execute and deliver any contract, bond, deed, lease, mortgage or other instrument in the name and on behalf of the Corporation to other officers or employees of the Corporation under such person’s supervision and authority, it being understood, however, that any such delegation of power shall not relieve such officer of responsibility with respect to the exercise of such delegated power.

Section 9.9. Fiscal Year. The fiscal year of the Corporation shall be fixed by the Board.

Section 9.10. Seal. The Board may adopt a corporate seal, which shall be in such form as the Board determines. The seal may be used by causing it or a facsimile thereof to be impressed, affixed or otherwise reproduced.

Section 9.11. Books and Records. The books and records of the Corporation may be kept within or outside the State of Delaware at such place or places as may from time to time be designated by the Board.

Section 9.12. Resignation. The Registration Statement filed with the Commission pursuant to this subsection 2.1.1 shall be on Form S-3 or, if Form S-3 is not then available to the Company, on Form S-1 or such other form of registration statement as is then available to effect a registration for resale of such Registrable Securities, covering such Registrable Securities, and shall contain a Prospectus in such form as to permit any Holder to sell such Registrable Securities pursuant to Rule 415 under the Securities Act (or any successor or similar provision adopted by the Commission then in effect) at any time beginning on the effective date for such Registration Statement. A Registration Statement filed pursuant to this subsection 2.1.1 shall provide for the resale pursuant to any method or combination of methods legally available to, and requested by, the Holders. The Company shall use its best efforts to cause a Registration Statement filed pursuant to this subsection 2.1.1 to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the
Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities. As soon as practicable following the effective date of a Registration Statement filed pursuant to this subsection 2.1.1, but in any event within one (1) business day of such date, the Company shall notify the Holders of the effectiveness of such Registration Statement. When effective, a Registration Statement filed pursuant to this subsection 2.1.1 (including the documents incorporated therein by reference) will comply as to form in all material respects with all applicable requirements of the Securities Act and the Exchange Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (in the case of any Prospectus contained in such Registration Statement, in the light of the circumstances under which such statement is made).

2.1.2 If the Company files a shelf registration statement on Form S-3 (a “Form S-3 Shelf”) and thereafter the Company becomes ineligible to use Form S-3 for secondary sales, the Company shall use its best efforts to file a shelf registration on Form S-1 (a “Form S-1 Shelf”) as promptly as practicable to replace the shelf registration statement that is a Form S-3 Shelf and have the Form S-1 Shelf declared effective as promptly as practicable and to cause such Form S-1 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities. Upon such date as the Company becomes eligible to use Form S-3 for secondary sales or, in the case of a Form S-1 Shelf filed to register the resale of Removed Shares pursuant to Section 2.6 hereof, upon such date as the Company becomes eligible to register all of the Removed Shares for resale on a Form S-3 Shelf pursuant to the Commission Guidance and, if applicable, without a requirement that any of the Gores-Shay Holders be named as an “underwriter” therein, the Company shall use its best efforts to file a Form S-3 Shelf as promptly as practicable to replace the applicable Form S-1 Shelf and have the Form S-3 Shelf declared effective as promptly as practicable and to cause such Form S-3 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities thereunder held by the applicable Holders until all such Registrable Securities have ceased to be Registrable Securities.

2.1.3 At any time and from time to time following the effectiveness of the shelf registration statement required by subsection 2.1.1, any Holder may request to sell all or a portion of their Registrable Securities in an underwritten offering that is registered pursuant to such shelf registration statement, including a Block Trade (a “Shelf Underwritten Offering”) provided that such Holder(s) (a) reasonably expects to sell Registrable Securities yielding aggregate gross proceeds in excess of $15,000,000 from such Shelf Underwritten Offering or (b) reasonably expects to sell all of the Registrable Securities held by such Holder in such Shelf Underwritten Offering (the amount of Registrable Securities pursuant to clause (a) or (b), as applicable, the “Minimum Amount”). All requests for a Shelf Underwritten Offering shall be made by giving written notice to the Company (the “Shelf Take Down Notice”). Each Shelf Take Down Notice shall specify the approximate number of Registrable Securities proposed to be sold in the Shelf Underwritten Offering and the expected price range (net of underwriting discounts and commissions) of such Shelf Underwritten Offering. Except with respect to any Registrable Securities distributed by the Sponsor to its members following the expiration of the Founder Shares Lock-up Period or the Private Placement Lock-up Period, as applicable, within three (3) days after receipt of any Shelf Take Down Notice, the Company shall give written notice of such requested Shelf Underwritten Offering to all other Holders of Registrable Securities (the “Company Shelf Takedown Notice”) and, subject to the provisions of subsection 2.2.4, shall include in such Shelf Underwritten Offering all Registrable Securities with respect to which the Company has received written requests for inclusion therein, within five (5) days after sending the Company Shelf Takedown Notice, or, in the case of a Block Trade, as provided in Section 2.5. The Company shall enter into an underwriting agreement in a form as is customary in Underwritten Offerings of securities by the Company with the managing Underwriter or Underwriters selected by the Holders after consultation with the Company and shall take all such other reasonable actions as are requested by the managing Underwriter or Underwriters in order to expedite or facilitate the disposition of such Registrable Securities. In connection with any Shelf Underwritten Offering contemplated by this subsection 2.1.3, subject to Section 3.3 and Article IV, the underwriting agreement into which each Holder and the Company shall enter shall contain such representations, covenants, indemnities and other rights and obligations as are customary in underwritten offerings of securities by the Company.
2.2 Demand Registration.

2.2.1 Request for Registration. Subject to the provisions of subsection 2.2.5 and Sections 2.4 and 3.4 hereof, at any time and from time to time on or after the Closing Date, each of (a) the Gores Holders of at least a majority in interest of the then-outstanding number of Registrable Securities held by the Gores Holders (the “Gores Demanding Holders”), and (b) the Shay Holders of at least a majority in interest of the then-outstanding number of Registrable Securities held by the Shay Holders (the “Shay Demanding Holders,” together with the Gores Demanding Holders, the “Demanding Holders”), may make a written demand for Registration of all or part of their Registrable Securities on (i) Form S-1 or (ii) if available, Form S-3, which in the case of either clause (i) or (ii), may be a shelf registration statement filed pursuant to Rule 415 under the Securities Act, which written demand shall describe the amount and type of securities to be included in such Registration and the intended method(s) of distribution thereof (such written demand a “Demand Registration”). The Company shall, promptly following the Company’s receipt of a Demand Registration, notify, in writing all other Holders of Registrable Securities (other than a Demand Registration with respect to any Registrable Securities to be distributed by the Sponsor to its members following the expiration of the Founder Shares Lock-up Period or the Private Placement Lock-up Period, as applicable) of such demand, and each Holder of Registrable Securities who thereafter wishes to include all or a portion of such Holder’s Registrable Securities in a Registration pursuant to a Demand Registration (each such Holder that includes all or a portion of such Holder’s Registrable Securities in such Registration, a “Requesting Holder”) shall so notify the Company, in writing, within five (5) days after the receipt by the Holder of the notice from the Company. For the avoidance of doubt, to the extent a Requesting Holder also separately possesses Demand Registration rights pursuant to this Section 2.2, but is not the Holder who exercises such Demand Registration rights, the exercise by such Requesting Holder of its rights pursuant to the foregoing sentence shall not count as the exercise by it of one of its Demand Registration rights. Upon receipt by the Company of any such written notification from a Requesting Holder(s) to the Company, subject to subsection 2.2.4 below, such Requesting Holder(s) shall be entitled to have their Registrable Securities included in a Registration pursuant to a Demand Registration and the Company shall effect, as soon thereafter as practicable, but not more than forty five (45) days immediately after the Company’s receipt of the Demand Registration, the Registration of all Registrable Securities requested by the Demanding Holders and Requesting Holders pursuant to such Demand Registration. The Company shall not be obligated to effect more than (A) an aggregate of six (6) Registrations pursuant to a Demand Registration initiated by the Gores Holders and (B) an aggregate of six (6) Registrations pursuant to a Demand Registration initiated by the Shay Holders, in each case under this subsection 2.2.1 with respect to any or all Registrable Securities; provided, however, that a Registration shall not be counted for such purposes unless a Registration Statement that may be available at such time has become effective and all of the Registrable Securities requested by the Demanding Holders and the Requesting Holders to be registered on behalf of the Demanding Holders and the Requesting Holders in such Registration have been sold, in accordance with Section 3.1 of this Agreement; provided, further that if after a Demanding Holder executes the maximum number of Demand Registrations permitted hereunder and the related offerings are completed, such Demanding Holder continues to hold Registrable Securities that would reasonably exceed the Minimum Amount if sold in a single public offering, such Demanding Holder shall have the right to execute at least one (1) additional Demand Registration.

2.2.2 Effective Registration. Notwithstanding the provisions of subsection 2.2.1 above or any other part of this Agreement, a Registration pursuant to a Demand Registration shall not count as a Registration unless and until (a) the Registration Statement filed with the Commission with respect to a Registration pursuant to a Demand Registration has been declared effective by the Commission and (b) the Company has complied with all of its obligations under this Agreement with respect thereto; provided, further, that if, after such Registration Statement has been declared effective, an offering of Registrable Securities in a Registration pursuant to a Demand Registration is subsequently interfered with by any stop order or injunction of the Commission, federal or state court or any other governmental agency, the Registration Statement with respect to such Registration shall be deemed not to have been declared effective, unless and until, (i) such stop order or injunction is removed, rescinded or otherwise terminated, and (ii) a majority-in-interest of the Demanding Holders initiating such Demand Registration thereafter affirmatively elect to continue with such Registration and accordingly notify the Company in writing, but in no event later than five (5) days after the removal, rescission or other termination of such stop order or injunction, of such election; provided, further, that the Company shall not be obligated or required to file another Registration Statement until the Registration Statement that has been previously filed with respect to a Registration pursuant to a Demand Registration by the same Demand Holder becomes effective or is subsequently terminated.
2.2.3 Underwritten Offering. Subject to the provisions of subsection 2.2.4 and Sections 2.4 and 3.4 hereof, if a majority-in-interest of the Demandings hold so advise the Company as part of their Demand Registration that the offering of the Registrable Securities pursuant to such Demand Registration shall be in the form of an Underwritten Offering, then the right of such Demanding Holder or Requesting Holder (if any) to include its Registrable Securities in such Registration shall be conditioned upon such Holder’s participation in such Underwritten Offering and the inclusion of such Holder’s Registrable Securities in such Underwritten Offering to the extent provided herein. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.2.3, subject to Section 3.3 and Article IV, shall enter into an underwriting agreement in customary form with the Company and the Underwriter(s) selected for such Underwritten Offering by the majority-in-interest of the Demandings initiating the Demand Registration, which Underwriter(s) shall be reasonably satisfactory to the Company.

2.2.4 Reduction of Underwritten Offering. If a Demand Registration is to be an Underwritten Offering and the managing Underwriter or Underwriters, in good faith, advises the Company, the Demanding Holders and the Requesting Holders (if any) in writing that, in its opinion, the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other Common Stock or other equity securities that the Company desires to sell for its own account and the Common Stock, if any, as to which a Registration has been requested pursuant to separate written contractual piggy-back registration rights held by any other stockholders of the Company who desire to sell, exceeds the maximum dollar amount or maximum number of equity securities that can be sold in such Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the “Maximum Number of Securities”), then the Company shall include in such Underwritten Offering, as follows: (a) first, the Registrable Securities of the Demanding Holders and the Requesting Holders (if any) (pro rata based on the total amount of Registrable Securities held by each such Demanding Holder and Requesting Holder (if any) (such proportion is referred to herein as “Pro Rata”)) that can be sold without exceeding the Maximum Number of Securities; (b) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (a), the Common Stock or other equity securities that the Company desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; and (c) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a) and (b), the Common Stock or other equity securities of other persons or entities that the Company is obligated to register in a Registration pursuant to separate written contractual arrangements with such persons and that can be sold without exceeding the Maximum Number of Securities.

2.2.5 Demand Registration Withdrawal. A Demanding Holder or a Requesting Holder shall have the right to withdraw all or a portion of its Registrable Securities included in a Demand Registration pursuant to subsection 2.2.1, or a Shelf Underwritten Offering pursuant to subsection 2.1.3 for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of its intention to so withdraw at any time prior to (a) in the case of a Demand Registration not involving an Underwritten Offering, the effectiveness of the applicable Registration Statement or (b) in the case of any Demand Registration involving an Underwritten Offering or any Shelf Underwritten Offering, prior to the pricing of such Underwritten Offering or Shelf Underwritten Offering; provided, however, that upon withdrawal by a majority-in-interest of the Demandings initiating a Demand Registration (or in the case of a Shelf Underwritten Offering, withdrawal of an amount of Registrable Securities included by the Holders in such Shelf Underwritten Offering, in their capacity as Demanding Holders, being less than the Minimum Amount), the Company shall cease all efforts to secure effectiveness of the applicable Registration Statement or complete the Underwritten Offering, as applicable. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Registration pursuant to a Demand Registration or a Shelf Underwritten Offering prior to and including its withdrawal under this subsection 2.2.5.

2.3 Piggyback Registration.

2.3.1 Piggyback Rights. If the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own account or for the account of stockholders of the Company (or by the Company and by the stockholders of the Company including, without limitation, pursuant to Section 2.2 hereof), other than a Registration Statement (a) filed in connection with any employee stock option or
other benefit plan, (b) for an exchange offer or offering of securities solely to the Company’s existing stockholders, (c) for an offering of debt that is convertible into equity securities of the Company, (d) for a dividend reinvestment plan, or (e) filed pursuant to subsection 2.1.1, then the Company shall give written notice of such proposed filing to all of the Holders of Registrable Securities (excluding the Sponsor with respect to any Registrable Securities distributed by the Sponsor to its members following the expiration of the Founder Shares Lock-up Period or the Private Placement Lock-up Period, as applicable) as soon as practicable but not less than twenty (20) days (or, in the case of a Block Trade, three (3) business days) before the anticipated filing date of such Registration Statement, which notice shall (i) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution (including whether such registration will be pursuant to a shelf registration statement), and the proposed price and name of the proposed managing Underwriter or Underwriters, if any, in such offering, (ii) such Holders’ rights under this Section 2.3 and (iii) offer to all of the Holders of Registrable Securities the opportunity to register the sale of such number of Registrable Securities as such Holders may request in writing within ten (10) days after receipt of such written notice (or in the case of a Block Trade, within two (2) business days) (such Registration a “Piggyback Registration”). The Company shall, in good faith, cause such Registrable Securities identified in a Holder’s response noticed described in the foregoing sentence to be included in such Piggyback Registration and shall use its best efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering, if any, to permit the Registrable Securities requested by the Holders pursuant to this subsection 2.3.1 to be included in a Piggyback Registration on the same terms and conditions as any similar securities of the Company or Company stockholder(s) for whose account the Registration Statement is to be filed included in such Registration and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.3.1, subject to Section 3.3 and Article IV, shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Company or Company stockholder(s) for whose account the Registration Statement is to be filed. For purposes of this Section 2.3, the filing by the Company of an automatic shelf registration statement for offerings pursuant to Rule 415(a) that omits information with respect to any specific offering pursuant to Rule 430B shall not trigger any notification or participation rights hereunder until such time as the Company amends or supplements such Registration Statement to include information with respect to a specific offering of Securities (and such amendment or supplement shall trigger the notice and participation rights provided for in this Section 2.3).

2.3.2 Reduction of Piggyback Registration. If a Piggyback Registration is to be an Underwritten Offering and the managing Underwriter or Underwriters, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that, in its opinion, the dollar amount or number of the Common Stock that the Company desires to sell, taken together with (a) the Common Stock, if any, as to which Registration has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder, (b) the Registrable Securities as to which registration has been requested pursuant to Section 2.3 hereof, and (c) the Common Stock, if any, as to which Registration has been requested pursuant to separate written contractual piggy-back registration rights of other stockholders of the Company, exceeds the Maximum Number of Securities, then:

2.3.2.1 if the Registration is undertaken for the Company’s account, the Company shall include in any such Registration (a) first, the Common Stock or other equity securities that the Company desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; (b) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (a), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.3.1 hereof, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; and (c) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a) and (b), the Common Stock, if any, as to which Registration has been requested pursuant to written contractual piggy-back registration rights of other stockholders of the Company, which can be sold without exceeding the Maximum Number of Securities; and

2.3.2.2 if the Registration is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration (a) first, the Common Stock or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (b) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (a), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.3.1 hereof, Pro Rata,
which can be sold without exceeding the Maximum Number of Securities; (c) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a) and (b), the Common Stock or other equity securities that the Company desires to sell for its own account, which can be sold without exceeding the Maximum Number of Securities; and (d) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a), (b) and (c), the Common Stock or other equity securities for the account of other persons or entities that the Company is obligated to register pursuant to separate written contractual arrangements with such persons or entities, which can be sold without exceeding the Maximum Number of Securities.

2.3.3 Piggyback Registration Withdrawal. Any Holder of Registrable Securities shall have the right to withdraw all or any portion of its Registrable Securities in a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw such Registrable Securities from such Piggyback Registration prior to (a) in the case of a Piggyback Registration not involving an Unwritten Offering or Shelf Underwritten Offering, the effectiveness of the applicable Registration Statement or (b), in the case of any Piggyback Registration involving an Unwritten Offering or any Shelf Underwritten Offering, prior to the pricing of such Underwritten Offering or Shelf Underwritten Offering. The Company (whether on its own good faith determination or as the result of a request for withdrawal by persons pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to and including its withdrawal under this subsection 2.3.3.

2.3.4 Unlimited Piggyback Registration Rights. For purposes of clarity, any Registration effected pursuant to Section 2.3 hereof shall not be counted as a Registration pursuant to a Demand Registration effected under Section 2.2 hereof or a Shelf Underwritten Offering effected under subsection 2.1.3.

2.4 Restrictions on Registration Rights. If (a) during the period starting with the date sixty (60) days prior to the Company’s good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Company initiated Registration and provided that the Company has delivered written notice to the Holders prior to receipt of a Demand Registration pursuant to subsection 2.2.1 and it continues to actively employ, in good faith, all reasonable efforts to cause the applicable Registration Statement to become effective; (b) the Holders have requested an Underwritten Registration and the Company and the Holders are unable to obtain the commitment of underwriters to firmly underwrite the offer; or (c) in the good faith judgment of the Board such Registration would be seriously detrimental to the Company and the Board concludes as a result that it is essential to defer the filing of such Registration Statement at such time, then in each case the Company shall furnish to such Holders a certificate signed by the Chairman of the Board stating that in the good faith judgment of the Board it would be seriously detrimental to the Company for such Registration Statement to be filed in the near future and that it is therefore essential to defer the filing of such Registration Statement. In such event, the Company shall have the right to defer such filing for a period of not more than thirty (30) days; provided, however, that the Company shall not defer its obligation in this manner more than once in any twelve (12)-month period (the “Aggregate Blocking Period”).

2.5 Block Trades. Notwithstanding any other provision of this Article II, but subject to Sections 2.4 and 3.4, if the Holders desire to effect a Block Trade, then notwithstanding any other time periods in this Article II, the Holders shall provide written notice to the Company at least three (3) business days prior to the date such Block Trade will commence. As expeditiously as possible, the Company shall use its reasonable best efforts to facilitate such Block Trade. The Holders shall use reasonable best efforts to work with the Company and the Underwriters (including by disclosing the maximum number of Registrable Securities proposed to be the subject of such Block Trade) in order to facilitate preparation of the Registration Statement, Prospectus and other offering documentation related to the Block Trade and any related due diligence and comfort procedures. In the event of a Block Trade, and after consultation with the Company, the Demanding Holders and the Requesting Holders (if any) shall determine the Maximum Number of Securities, the underwriter or underwriters and share price of such offering.

2.6 Rule 415, Removal. If at any time the Commission takes the position that the offering of some or all of the Registrable Securities in a Registration Statement on Form S-3 filed pursuant to this Section 2 is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the Securities Act (provided, however, the Company shall be obligated to use diligent efforts to advocate with the Commission for the registration
of all of the Registrable Securities in accordance with the Commission Guidance, including without limitation, Compliance and Disclosure Interpretation 612.09 or requires a Gores-Shay Holder to be named as an “underwriter,” the Company shall (i) promptly notify each holder of Registrable Securities thereof (or in the case of the Commission requiring a Gores-Shay Holder to be named as an “underwriter,” the Gores-Shay Holders) and (ii) use reasonable best efforts to persuade the SEC that the offering contemplated by such Registration Statement is a valid secondary offering and not an offering “by or on behalf of the issuer” as defined in Rule 415 and that none of the Gores-Shay Holders is an “underwriter.” The Holders shall have the right to select one legal counsel designated by the holders of a majority of the Registrable Securities subject to such Registration Statement to review and oversee any registration or matters pursuant to this Section 2.6, including participation in any meetings or discussions with the Commission regarding the Commission’s position and to comment on any written submission made to the Commission with respect thereto. No such written submission with respect to this matter shall be made to the Commission to which the applicable Holders’ counsel reasonably objects. In the event that, despite the Company’s reasonable best efforts and compliance with the terms of this Section 2.6, the Commission refuses to alter its position, the Company shall (i) remove from such Registration Statement such portion of the Registrable Securities (the “Removed Shares”) and/or (ii) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the Commission may require to assure the Company’s compliance with the requirements of Rule 415; provided, however, that the Company shall not agree to name any Gores-Shay Holder as an “underwriter” in such Registration Statement without the prior written consent of such Gores-Shay Holder. In the event of a share removal pursuant to this Section 2.6, the Company shall give the applicable Holders at least five (5) days prior written notice along with the calculations as to such Holder’s allotment. Any removal of shares of the Holders pursuant to this Section 2.6 shall first be applied to Holders other than the Gores-Shay Holders with securities registered for resale under the applicable Registration Statement and thereafter allocated between the Gores-Shay Holders on a pro rata basis based on the aggregate amount of Registrable Securities held by the Gores-Shay Holders. In the event of a share removal of the Holders pursuant to this Section 2.6, the Company shall promptly register the resale of any Removed Shares pursuant to subsection 2.1.2 hereof and in no event shall the filing of such Registration Statement on Form S-1 or subsequent Registration Statement on Form S-3 filed pursuant to the terms of subsection 2.1.2 be counted as a Demand Registration hereunder. Until such time as the Company has registered all of the Removed Shares for resale pursuant to Rule 415 on an effective Registration Statement, the Company shall not be able to defer the filing of a Registration Statement pursuant to Section 2.4 hereof.

ARTICLE III
COMPANY PROCEDURES

3.1 General Procedures. If the Company is required to effect the Registration of Registrable Securities, the Company shall use its best efforts to effect such Registration to permit the sale of such Registrable Securities in accordance with the intended plan of distribution thereof, and pursuant thereto the Company shall, as expeditiously as possible:

3.1.1 prepare and file with the Commission as soon as practicable a Registration Statement with respect to such Registrable Securities and use its reasonable best efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities covered by such Registration Statement have been sold;

3.1.2 prepare and file with the Commission such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus, as may be requested by the Holders or any Underwriter of Registrable Securities or as may be required by the rules, regulations or instructions applicable to the registration form used by the Company or by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or supplement to the Prospectus;

3.1.3 prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and the Holders of Registrable Securities included in such Registration, and such Holders’ legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary
Prospectus), and such other documents as the Underwriters and the Holders of Registrable Securities included in such Registration or the legal counsel for any such Holders may request in order to facilitate the disposition of the Registrable Securities owned by such Holders;

3.1.4 prior to any public offering of Registrable Securities, but in any case no later than the effective date of the applicable Registration Statement, use its best efforts to (a) register or qualify the Registrable Securities covered by the Registration Statement under such securities or “blue sky” laws of such jurisdictions in the United States as the Holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request and to keep such registration or qualification in effect for so long as such Registration Statement remains in effect and (b) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of the Company or otherwise and do any and all other acts and things that may be necessary or advisable, in each case, to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

3.1.5 cause all such Registrable Securities to be listed on each securities exchange or automated quotation system on which similar securities issued by the Company are then listed no later than the effective date of such Registration Statement;

3.1.6 provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

3.1.7 promptly furnish to each seller of Registrable Securities covered by such Registration Statement such number of conformed copies of such Registration Statement and of each such amendment and supplement thereto (in each case including all exhibits), such number of copies of the Prospectus contained in such Registration Statement (including each preliminary Prospectus and any summary Prospectus) and any other Prospectus filed under Rule 424 under the Securities Act, in conformity with the requirements of the Securities Act, and such other documents as such seller may reasonably request;

3.1.8 advise each seller of such Registrable Securities, promptly after it shall receive notice or obtain knowledge thereof, of any request by the Commission that the Company amend or supplement such Registration Statement or Prospectus or the issuance of any stop order by the Commission suspending the effectiveness of such Registration Statement or Prospectus the initiation or threatening of any proceeding for such purpose and promptly use its best efforts to amend or supplement such Registration Statement or Prospectus or prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued, as applicable;

3.1.9 advise each Holder of Registrable Securities covered by such Registration Statement, promptly after the Company receives notice thereof, of the time when such registration statement has been declared effective or a supplement to any Prospectus forming a part of such registration statement has been filed;

3.1.10 at least five (5) business days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus or any document that is to be incorporated by reference into such Registration Statement or Prospectus, furnish a copy thereof to each seller of such Registrable Securities or its counsel, and not to file any such Registration Statement or Prospectus, or amendment or supplement thereto, to which any such Holder or Registrable Securities shall have reasonably objected on the grounds that such Registration Statement or Prospectus or supplement or amendment thereto, does not comply in all material respects with the requirements of the Securities Act or the rules and regulations thereunder;

3.1.11 notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event or the existence of any condition as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, or in the opinion of counsel for the Company it is necessary to supplement or amend such Prospectus to comply with law, and then to correct such Misstatement or include such information as is necessary to comply with law, in each
case as set forth in Section 3.4 hereof, at the request of any such Holder promptly prepare and furnish to such Holder a reasonable number of copies of a supplement to or an amendment of such Prospectus as may be necessary so that, as thereafter delivered to the purchasers of such securities, such Prospectus shall not include a Misstatement or such Prospectus, as supplemented or amended, shall comply with law;

3.1.12 permit a representative of the Holders, the Underwriters, if any, and any attorney or accountant retained by such Holders or Underwriter to participate in the preparation of any Registration Statement, each such Prospectus included therein or filed with the Commission, and each amendment or supplement thereto, and will give each of them such access to its books and records and such opportunities to discuss the business, finances and accounts of the Company and its subsidiaries with its officers, directors and the independent public accountants who have certified its financial statements as shall be necessary, in the opinion of such Holders’ and such Underwriters’ respective counsel, to conduct a reasonable investigation within the meaning of the Securities Act, and will cause the Company’s officers, directors and employees to supply all information reasonably requested by any such representative, Underwriter, attorney or accountant in connection with the Registration; provided, however, that if requested by the Company, such representatives or Underwriters enter into a confidentiality agreement, in form and substance reasonably satisfactory to the Company, prior to the release or disclosure of any such information;

3.1.13 obtain a “cold comfort” letter (including a bring-down letter dated as of the date the Registrable Securities are delivered for sale pursuant to such Registration) from the Company’s independent registered public accountants in the event of an Underwritten Offering, in customary form and covering such matters of the type customarily covered by “cold comfort” letters as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Holders and any Underwriter;

3.1.14 on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion and negative assurance letter, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the Holders, the placement agent or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the Holders, placement agent, sales agent, or Underwriter may reasonably request and as are customarily included in such opinions and negative assurance letters, and reasonably satisfactory to a majority in interest of the participating Holders and any Underwriter;

3.1.15 in the event of any Underwritten Offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing Underwriter of such offering;

3.1.16 otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission, and to make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months beginning with the first day of the Company’s first full calendar quarter after the effective date of the Registration Statement which satisfies the provisions of Section 11(a) of the Securities Act and the rules and regulations thereunder, including Rule 158 thereunder (or any successor rule promulgated thereafter by the Commission);

3.1.17 use its reasonable efforts to make available senior executives of the Company to participate in customary “road show” presentations that may be reasonably requested by the Underwriter in any Underwritten Offering; and

3.1.18 otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested by the Holders, including causing the officers and directors of the Company to enter into customary “lock-up agreements,” in connection with such Registration.

3.2 Registration Expenses. The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters’ commissions and discounts, brokerage fees and, other than as set forth in the definition of “Registration Expenses,” all reasonable fees and expenses of any legal counsel representing the Holders.
3.3 Participation in Underwritten Offerings

3.3.1 No person may participate in any Underwritten Offering for equity securities of the Company pursuant to a Registration initiated by the Company hereunder unless such person (a) agrees to sell such person’s securities on the basis provided in any underwriting arrangements approved by the Company and (b) completes and executes all customary questionnaires, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements.

3.3.2 Holders participating in an Underwritten Offering may, at their option, require that any or all of the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of the Underwriters shall also be made to and for the benefit of such Holders and that any or all of the conditions precedent to the obligations of such Underwriters shall also be made to and for the benefit of such Holders; provided, however, that the Company shall not be required to make any representations or warranties with respect to written information specifically provided by a Holder in writing for inclusion in the Registration Statement.

3.3.3 The Company will use its commercially reasonable efforts to ensure that no Underwriter shall require any Holder to make any representations or warranties to or agreements with the Company or the Underwriters other than representations, warranties or agreements regarding such Holder and such Holder’s intended method of distribution and any other representation required by law, and if, despite the Company’s commercially reasonable efforts, an Underwriter requires any Holder to make additional representation or warranties to or agreements with such Underwriter, such Holder may elect not to participate in such Underwritten Offering (but shall not have any claims against the Company as a result of such election). Any liability of such Holder to any Underwriter or other person under such underwriting agreement shall be limited to an amount equal to the proceeds (net of expenses and underwriting discounts and commissions) that it derives from such registration.

3.4 Suspension of Sales; Adverse Disclosure. Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, or in the opinion of counsel for the Company it is necessary to supplement or amend such Prospectus to comply with law, each of the Holders shall forthwith discontinue disposition of Registrable Securities until it has received copies of a supplemented or amended Prospectus correcting the Misstatement or including the information counsel for the Company believes to be necessary to comply with law (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after the time of such notice such that the Registration Statement or Prospectus, as so amended or supplemented, as applicable, will not include a Misstatement and complies with law), or until it is advised in writing by the Company that the use of the Prospectus may be resumed. If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would require the Company to make an Adverse Disclosure or would require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company’s control, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time, but in no event more than thirty (30) days, determined in good faith by the Board to be necessary for such purpose; provided, that each day of any such suspension pursuant to this Section 3.4 shall correspondingly decrease the Aggregate Blocking Period available to the Company during any twelve (12)-month period pursuant to Section 2.4 hereof. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities. The Company shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this Section 3.4.

3.5 Covenants of the Company. As long as any Holder shall own Registrable Securities, the Company hereby covenants and agrees:

3.5.1 the Company will not file any Registration Statement or Prospectus included therein or any other filing or document (other than this Agreement) with the Commission which refers to any Holder of Registrable Securities by name or otherwise without the prior written approval of such Holder, which may not be unreasonably withheld;
3.5.2 the Company will not effect or permit to occur any combination or subdivision of securities which would adversely affect the ability of the Holders to effect registration of Registrable Securities in the manner contemplated by this Agreement;

3.5.3 at all times while it shall be a reporting company under the Exchange Act, to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings. The Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell shares of Common Stock held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (or any successor rule promulgated thereafter by the Commission), including providing any legal opinions. Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements; and

3.5.4 promptly following the effectiveness of the shelf registration statement required by subsection 2.1.1 (and in any event within three (3) business days from such effectiveness), the Company shall cause the transfer agent to remove any restrictive legends (including any electronic transfer restrictions) from any Common Stock or Private Placement Warrants held by such Holder and provide or cause any customary opinions of counsel to be delivered to the transfer agent in connection with such removal.

ARTICLE IV
INDEMNIFICATION AND CONTRIBUTION

4.1 Indemnification.

4.1.1 The Company agrees to indemnify, to the extent permitted by law, each Holder of Registrable Securities, its officers, directors, partners, stockholders or members, employees, agents, investment advisors and each person who controls such Holder (within the meaning of the Securities Act and Exchange Act) from and against all losses, claims, damages, liabilities and expenses (including attorneys’ fees), joint or several (or actions or proceedings, whether commenced or threatened, in respect thereof) (collectively, “Claims”), to which any such Holder or other persons may become subject, insofar as such Claims arise out of or are based on any untrue or alleged untrue statement of any material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company will reimburse such Holder or other person for any legal or any other expenses reasonably incurred by them in connection with investigating or defending any such Claim; except insofar as the Claim or expense arises out of or is based upon an untrue statement or alleged untrue statement of any material fact contained in any filing in reliance upon and in conformity with information furnished in writing to the Company by such Holder expressly for use therein. The Company shall indemnify the Underwriters, their officers and directors and each person who controls such Underwriters (within the meaning of the Securities Act and Exchange Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

4.1.2 In connection with any Registration Statement in which a Holder of Registrable Securities is participating, the Company may require that, as a condition to including any Registrable Securities in any Registration Statement, the Company shall have received an undertaking reasonably satisfactory to it from such Holder, to indemnify the Company, its directors and officers and agents and each person who controls the Company (within the meaning of the Securities Act and Exchange Act) from and against any Claims, to which any the Company or such other persons may become subject, insofar as such Claims arise out of or are based on any untrue statement of any material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information furnished in writing by such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable
Securities shall indemnify the Underwriters, their officers, directors and each person who controls such Underwriters (within the meaning of the Securities Act and Exchange Act) to the same extent as provided in the foregoing with respect to indemnification of the Company and the Company shall use its commercially reasonable efforts to ensure that no Underwriter shall require any Holder of Registrable Securities to provide any indemnification other than that provided hereinabove in this subsection 4.1.2 and, if, despite the Company’s commercially reasonable efforts, an Underwriter requires any Holder of Registrable Securities to provide additional indemnification, such Holder may elect not to participate in such Underwritten Offering (but shall not have any claim against the Company as a result of such election).

4.1.3 Any person entitled to indemnification herein shall (a) give prompt written notice to the indemnifying party of any Claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person’s right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (b) unless in such indemnifying party’s reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such Claim, permit such indemnifying party to assume the defense of such Claim with counsel reasonably satisfactory to the indemnified party. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one (1) counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) and which settlement includes a statement or admission of fault or culpability on the part of such indemnified party or does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

4.1.4 The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director, partners, stockholders or members, employees, agents, investment advisors or controlling person of such indemnified party and shall survive the transfer of Registrable Securities.

4.1.5 If the indemnification provided under Section 4.1 hereof from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any Claims, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such Claims (a) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party or parties on the other hand from the offering of the Registrable Securities or (b) if the allocation provided by clause (a) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (a) above but also to reflect the relative fault of the indemnifying party or parties on the other hand in connection with the statements or omissions that resulted in such Claims, as well as any other relevant equitable considerations; provided, however, that the liability of any Holder or any director, officer, employee, agent, investment advisor or controlling person thereof under this subsection 4.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in subsections 4.1.1, 4.1.2 and 4.1.3 above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this subsection 4.1.5 were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this subsection 4.1.5. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this subsection 4.1.5 from any person who was not guilty of such fraudulent misrepresentation.

4.1.6 The indemnification required by this Section 4.1 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or expense, loss, damage or liability is incurred.

No course of dealing between any Holder or the Company and any other party hereto or any failure or delay on the part of a Holder or the Company in exercising any rights or remedies under this Agreement shall operate as a waiver of any rights or remedies of any Holder or the Company. No single or partial exercise of any rights or remedies under this Agreement by a party shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder or thereunder by such party.

5.6 Other Registration Rights. Other than pursuant to the terms of the Subscription Agreements, the Company represents and warrants that no person, other than a Holder of Registrable Securities, has any right to require the Company to register any securities of the Company for sale or to include such securities of the Company in any Registration filed by the Company for the sale of securities for its own account or for the account of any other person. WHEREAS, in connection with the transactions contemplated by the Merger Agreement, the Company and Platinum desire to set forth certain understandings between the Company and Platinum, including with respect to certain governance matters.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

ARTICLE I
COVENANTS, REPRESENTATIONS AND WARRANTIES

Each party hereby represents and warrants to the other party and acknowledges that: (a) the execution, delivery and performance of this Agreement have been duly authorized by such party and do not require such party to obtain any consent or approval that has not been obtained and do not contravene or result in a default under any provision of any law or regulation applicable to such party or other governing documents or any agreement or instrument to which such party is a party or by which such party is bound; (b) such party has the power and authority to enter into this Agreement and to carry out its obligations hereunder; and (c) this Agreement is valid, binding and enforceable against such party in accordance with its terms.

ARTICLE II
BOARD OF DIRECTORS; OBSERVERS; VOTING

Section 2.1. Board Composition. The authorized number of directors on the Board shall initially be five (5), two (2) of whom shall be nominated by Platinum (each, a “Platinum Director” and who shall initially be Louis Samson and John Heller), and three (3) of whom shall be independent directors initially nominated by Platinum and reasonably acceptable to the Company. John Heller shall be a Class II Director, and Louis Samson shall be a Class III Director, each pursuant to the Second Amended and Restated Certificate of Incorporation of the Company.
Section 2.2. **Platinum Representation.**

(a) For so long as Platinum holds a number of shares of Common Stock representing at least ten percent (10%) of the shares of Common Stock then outstanding, unless there are two (2) Platinum Directors who are not standing for election, the Company shall take all Necessary Action to include in the slate of nominees recommended by the Board for election as directors at each applicable annual or special meeting of stockholders at which directors are to be elected such number of individuals designated by Platinum so that if elected, there will be two (2) Platinum Directors.

(b) For so long as Platinum holds a number of shares of Common Stock representing at least five percent (5%) (but less than ten percent (10%)) of the shares of Common Stock then outstanding, unless there is one Platinum Director who is not standing for election, the Company shall take all Necessary Action to include in the slate of nominees recommended by the Board for election as directors at each applicable annual or special meeting of stockholders at which directors are to be elected an individual so that if elected, there will be one (1) Platinum Director. For the avoidance of doubt, at any time after Platinum ceases to hold at least ten percent (10%) of the shares of Common Stock then outstanding, if there is more than one Platinum Director, Platinum may by written notice designate which director shall be the Platinum Director and the other person shall cease to be a Platinum Director for all purposes under this Agreement.

(c) For the avoidance of doubt, at any time Platinum ceases to hold at least five percent (5%) of the shares of Common Stock then outstanding, Platinum shall not be entitled to nominate any director to serve on the Board and the Company shall have no further obligation to take any action to include in the slate of nominees recommended by the Board for election as directors at any subsequent annual or special meeting of stockholders at which directors are to be elected any individual nominated by Platinum.

(d) For the avoidance of doubt, if at any time Platinum holds a number of shares of Common Stock representing less than ten percent (10%) of the shares of Common Stock such that the rights set forth in Section 2.2(a) no longer apply, or less than five percent (5%) of the shares of Common Stock such that the rights set forth in Section 2.2(b) no longer apply, then in each case, any director previously appointed by Platinum and then serving on the Board shall not be required to resign from the Board and shall be entitled serve for the remainder of his or her term as a Class II or Class III director, as applicable.

Section 2.3. **Board Observer.** For so long as Platinum has the right to nominate a director for election to the Board under this Agreement, Platinum shall have the right to designate one Board observer ("Board Observer") to attend and participate in all meetings of the Board or any committees thereof in a non-voting capacity by the giving of written notice to the Company of such election ("Observation Election"). In connection therewith, the Company shall simultaneously give such Board Observer copies of all notices, consents, minutes and other materials, financial or otherwise, which the Company provides to the Board; provided, however, that the Company reserves the right to withhold any information and to exclude such Board Observer from any meeting or portion thereof if access to such information or attendance at such meeting could (a) adversely affect the attorney-client privilege between the Company and its counsel, (b) result in disclosures of trade secrets or highly confidential information or (c) result in a conflict of interest. Platinum may revoke any such Observation Election at any time upon written notice to the Company after which Platinum shall be entitled, but not required, to designate a replacement Board Observer.
Section 2.4. **Chairman.** For so long as Platinum has the right to nominate a director for election to the Board under this Agreement, Platinum shall have the right to designate the Chairman of the Board, which Chairman may, but is not required to, be a Platinum Director.

Section 2.5. **Committee Representation.** Subject to applicable laws and stock exchange regulations, Platinum shall have the right to have at least one (1) Platinum Director serve on each committee of the Board, other than the audit committee of the Board, for so long as Platinum has the right to nominate a director for election to the Board under this Agreement.

Section 2.6. **Vacancies and Removal.** To the extent not inconsistent with Section 141(k) of the General Corporation Law of the State of Delaware and the Company’s Governing Documents: (a) Platinum shall have the exclusive right to remove any Platinum Director from the Board, and the Board and Platinum shall take all Necessary Action to cause the removal of any Platinum Director at the request of Platinum; and (b) subject to Section 2.2, Platinum shall have the exclusive right to appoint or nominate for election, as the case may be, to the Board a director to fill vacancies created by reason of death, removal or resignation of any then-serving Platinum Director, and the Board and Platinum shall take all Necessary Action to cause any such vacancies to be filled by replacement directors nominated by Platinum as promptly as reasonably practicable.

Section 2.7. **Additional Unaffiliated Directors.** For so long as Platinum has the right to nominate a director for election to the Board under this Agreement, the Company will take all Necessary Action to ensure that the number of directors serving on the Board shall not exceed five (5); provided, that the number of directors may be increased if necessary to satisfy the requirements of applicable laws and stock exchange regulations.

Section 2.8. **Board Meeting Expenses.** The Company shall pay all reasonable reimbursable out-of-pocket costs and expenses (including, but not limited to, travel and lodging) incurred by each member of the Board and each Board Observer incurred in the course of his or her service hereunder, including in connection with attending regular and special meetings of the Board, any board of directors or board of managers of each of the Company’s Subsidiaries and/or any of their respective committees.

Section 2.9. **Indemnification.** The Company shall obtain customary director and officer indemnity insurance on reasonable terms. The Company hereby acknowledges that any director, officer or other indemnified person covered by any such indemnity insurance policy (any such Person, an “Indemnitee”) may have certain rights to indemnification, advancement of expenses and/or insurance provided by Platinum or one or more of its Affiliates (collectively, the “Fund Indemnitors”). The Company hereby: (a) agrees that the Company and any of its Subsidiaries that provides indemnification shall be the indemnitor of first resort (i.e., its or their obligations to an Indemnitee shall be primary and any obligation of any Fund Indemnitor to advance expenses or to provide indemnification for the same expenses or liabilities incurred by an Indemnitee shall be secondary); (b) agrees that it shall be required to advance the full amount of expenses incurred by an Indemnitee and shall be liable for the full amount of all expenses, judgments, penalties, fines
and amounts paid in settlement to the extent legally permitted and as required by the terms of this Agreement or any other agreement between the Company and an Indemnitee, without regard to any rights an Indemnitee may have against any Fund Indemnitor or its insurers; and (c) irrevocably waives, relinquishes and releases the Fund Indemnitors from any and all claims against the Fund Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. The Company further agrees that no advancement or payment by the Fund Indemnitors on behalf of an Indemnitee with respect to any claim for which such Indemnitee has sought indemnification from the Company shall affect the foregoing and the Fund Indemnitors shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of such Indemnitee against the Company.

Concurrently with the distribution of the Company’s quarterly financial statements to the audit committee of the Board for review, for so long as Platinum has the right to designate a director for nomination under this Agreement, the Company shall deliver to Platinum an unaudited balance sheet of the Company as of the last day of each of the first three (3) fiscal quarters of each fiscal year and the related unaudited consolidated statements of income, stockholders equity and cash flows for such fiscal quarter and for the fiscal year-to-date period then ended, including any related notes thereto, if available.

All references herein to Sections, paragraphs, clauses, subclauses, Exhibits and Schedules shall be deemed references to Sections, paragraphs, clauses and subclauses of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. Unless otherwise expressly provided herein, (a) all references to documents, instruments and other agreements (including the Credit Documents and organizational documents) shall be deemed to include all subsequent amendments, restatements, amendments and restatements, supplements and other modifications thereto, but only to the extent that such amendments, restatements, amendments and restatements, supplements and other modifications are not prohibited by any Credit Document and (b) references to any law, statute, rule or regulation shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such law. 1.03 Limited Condition Transactions. Notwithstanding anything to the contrary in this Agreement, in connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated First Lien Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio and Consolidated Total Net Leverage Ratio (and, for the avoidance of doubt, any financial ratio set forth in Section 2.15(a)); or

(ii) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated EBITDA or Consolidated Total Assets); or

(iii) determining other compliance with this Agreement (including the determination that no Default or Event of Default (or any type of Default or Event of Default) has occurred, is continuing or would result therefrom);

in each case, at the option of the Lead Borrower (the Lead Borrower’s election to exercise such option in connection with any Limited Condition Transaction, an “LCT Election”), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger) or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition or Investment or (y) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) (x) the declaration of such Dividend or (y) the
making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07(a), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the “LCT Test Date”), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), the Lead Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Lead Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Total Assets of the Lead Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Lead Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Lead Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a “Subsequent Transaction”) following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

Section 2. Amount and Terms of Credit

2.01 The Commitments.

(a) Subject to and upon the terms and conditions set forth herein, each Lender with an Initial Term Loan Commitment severally agrees to make an Initial Term Loan or Initial Term Loans to the Borrowers, which Initial Term Loans (i) shall be incurred by the Borrowers pursuant to a single drawing on the Closing Date, (ii) shall be denominated in U.S. Dollars, (iii) shall except as hereinafter provided, at the option of the Lead Borrower, be incurred and maintained as, and/or converted into, one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans, provided that except as otherwise specifically provided in Section 2.10(b), all Initial Term Loans comprising the same Borrowing shall at all times be of the same Type, and (iv) shall be made by each such Lender in that aggregate principal amount which does not exceed the Initial Term Loan Commitment of such Lender on the Closing Date (before giving effect to the termination thereof pursuant to Section 4.02(a)). Once repaid, Initial Term Loans may not be reborrowed. All Borrowers shall be jointly and severally liable as borrowers for all Term Loans regardless of which Borrower receives the proceeds thereof.

(b) Subject to and upon the terms and conditions set forth herein, each Lender with an Incremental Term Loan Commitment from time to time severally agrees to make term loans (each, an “Incremental Term Loan” and, collectively, the “Incremental Term Loans”) to the Borrowers, which Incremental Term Loans (i) shall be incurred pursuant to a single drawing on the applicable Incremental Term Loan Borrowing Date, (ii) shall be denominated in U.S. Dollars, (iii) shall, except as hereinafter provided, at the option of the Lead Borrower, be incurred and maintained as, and/or converted into one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans; provided that all Incremental Term Loans of a given Tranche made as part of the same Borrowing shall at all times consist of Incremental Term Loans of the same Type, and (iv) shall not exceed for any such Incremental Term Loan Lender at any time of any incurrence thereof, the Incremental Term Loan Commitment of such Incremental Term Loan Lender for such Tranche (before giving effect to the termination thereof on such date pursuant to Section 4.02(b)). Once repaid, Incremental Term Loans may not be reborrowed.
2.02 Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing of Term Loans under any Tranche shall not be less than the Minimum Borrowing Amount. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than eight (8) Borrowings of LIBO Rate Term Loans in the aggregate for all Tranches of Term Loans.

2.03 Notice of Borrowing. Whenever the Borrowers desire to make a Borrowing of Term Loans hereunder, the Lead Borrower shall give the Administrative Agent at its Notice Office at least one Business Day’s prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Base Rate Term Loans to be made hereunder and at least three Business Days’ (or such shorter period as the Administrative Agent shall agree in its sole and absolute discretion) prior written notice (or telephonic notice promptly confirmed in writing) of each LIBO Rate Term Loan to be made hereunder, provided that (in each case) any such notice shall be deemed to have been given on a certain day only if given before 12:00 Noon (New York City time) on such day (or such later time as the Administrative Agent shall agree in it its sole and absolute discretion); provided further that that if the Borrowers wish to request LIBO Rate Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of “Interest Period,” the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to each Lender with a Commitment of the relevant Tranche of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Lead Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by such Lenders. Each such notice (each, a “Notice of Borrowing”), except as otherwise expressly provided in Section 2.11, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing by or on behalf of the Borrowers, in the form of Exhibit A-1, or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of the relevant Borrower, appropriately completed to specify: (i) the aggregate principal amount of the Term Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Initial Term Loans, Incremental Term Loans or Refinancing Term Loans, (iv) whether the LIBO Rate Term Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Term Loans or LIBO Rate Term Loans and (v) in the case of LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender of the Tranche specified in the respective Notice of Borrowing, notice of such proposed Borrowing, of such Lender’s proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its pro rata portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in U.S. Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrowers at the Payment Office the aggregate of the amounts so made available by the Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender’s portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrowers a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent shall promptly notify the Lead Borrower and the Borrowers shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrowers interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrowers until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from the
Borrowers, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Borrowers may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05 Notes

(a) Each Borrower’s obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.15 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrowers substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a “Term Note”).

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrowers’ obligations in respect of such Term Loans.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to the Borrowers shall affect or in any manner impair the joint and several obligations of the Borrowers to pay the Term Loans (and all related Obligations) incurred by the Borrowers which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (d). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, the Borrowers shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions

The Borrowers shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan, provided that (i) except as otherwise provided in Section 2.11, (x) LIBO Rate Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of LIBO Rate Term Loans, as the case may be, shall reduce the outstanding principal amount of such LIBO Rate Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) unless the Required Lenders otherwise agree, Base Rate Term Loans may only be converted into LIBO Rate Term Loans if no Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of LIBO Rate Term Loans than is permitted under Section 2.02. Such conversion shall be effected by the Lead Borrower by giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three Business Days’ prior notice (in the case of any conversion to or continuation of LIBO Rate Term Loans) or one Business Day’s notice (in the case of any conversion to Base Rate Term Loans) (each, a “Notice of Conversion/Continuation”) in the form of Exhibit A-2, appropriately completed to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.

2.07 Pro Rata Borrowings

All Borrowings of Term Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of such Lenders’ Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.
2.08 Interest.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a LIBO Rate Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the LIBO Rate for each Interest Period applicable to the respective LIBO Rate Term Loans and shall promptly notify the Lead Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

2.09 Interest Periods. At the time the Lead Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBO Rate Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBO Rate Term Loan (in the case of any subsequent Interest Period), the Lead Borrower shall have the right to elect the interest period (each, an "Interest Period") applicable to such LIBO Rate Term Loan, which Interest Period shall, at the option of the Lead Borrower be a one, two, three or six month period, or, if agreed to by all Lenders, a twelve month period, or, if agreed to by the Administrative Agent a period less than one month; provided that (in each case):

(iv) if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided, however, that if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a LIBO Rate Term Loan may be selected at any time when a Default or an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date therefor.

With respect to any LIBO Rate Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, the Lead Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into a single Borrowing of the same Type under such Tranche, in each case, by having the Lead Borrower give notice thereof together with its election of one or more Interest Periods, in each case so long as each resulting Borrowing (x) has an Interest Period which complies with the foregoing requirements of this Section 2.09, (y) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (z) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBO Rate Term Loans, the Lead Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBO Rate, the Lead Borrower shall be deemed to have elected in the case of LIBO Rate Term Loans, to convert such LIBO Rate Term Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.

2.10 Increased Costs, Illegality, etc.

(a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank Eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBO Rate;

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBO Rate Term Loan because of any change since the Closing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the official interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, official guideline or request, such as, but not limited to: (A) any additional Tax imposed on any Lender (except Indemnified Taxes or Other Taxes indemnified under Section 5.04 or any Excluded Taxes) or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the LIBO Rate; or
(iii) at any time, that the making or continuance of any LIBO Rate Term Loan has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law) or (z) impracticable as a result of a contingency occurring after the Closing Date which materially and adversely affects the interbank Eurodollar market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of the clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Lead Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBO Rate Term Loans shall no longer be available until such time as the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by the Lead Borrower with respect to LIBO Rate Term Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrowers, (y) in the case of clause (ii) above, the Borrowers agree, jointly and severally, to pay to such Lender, upon such Lender’s written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice setting forth the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, shall be submitted to the Borrowers by such Lender and shall, absent manifest error, be final and conclusive and binding on all the parties hereto), (z) in the case of clause (iii) above, the Borrowers shall take one of the actions specified in Section 2.10(a)(iii) provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.10(b).

(b) At any time that any LIBO Rate Term Loan is affected by the circumstances described in Section 2.10(a)(ii), the Lead Borrower may, and in the case of a LIBO Rate Term Loan affected by the circumstances described in Section 2.10(a)(iii), the Lead Borrower shall, either (x) if the affected LIBO Rate Term Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the same date that the Lead Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected LIBO Rate Term Loan is then outstanding, upon at least three Business Days’ written notice to the Administrative Agent, require the affected Lender to convert such LIBO Rate Term Loan into a Base Rate Term Loan, provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.10(b).

(c) If any Lender determines that after the Closing Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital or liquidity requirements, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital or liquidity required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender’s Commitments hereunder or its obligations hereunder, then the Borrowers, jointly and severally, agree to pay to such Lender, upon its written demand therefor, such additional documented amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender’s determination of compensation owing under this Section 2.10(c) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Lead Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

(d) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III (x) and (y) collectively referred to as “Dodd-Frank and Basel III”), shall be deemed to be a change after the Closing Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented (including for purposes of this Section 2.10).
Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 2.10 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time.

2.11 Compensation. The Borrowers, jointly and severally, agree to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum “LIBO Rate”) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Term Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its LIBO Rate Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Term Loans is not made on any date specified in a notice of prepayment given by the Lead Borrower; or (iv) as a consequence of any other default by the Borrowers to repay LIBO Rate Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender, it will, if requested by the Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in Sections 2.10, 5.04 and 13.01(a)(ii).

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender or (z) in the case of a refusal by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Lead Borrower shall have the right, if no Event of Default then exists (or, in the case of preceding clause (z), will exist immediately after giving effect to such replacement), to replace such Lender (the “Replaced Lender”) with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the “Replacement Lender”) and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent’s consent would be required for an assignment to such replacement Lender pursuant to Section 13.04); provided that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among the Lead Borrower, the Replacement Lender and the Replaced Lender) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Term Loans of, the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01 and (ii) all obligations of the Borrowers due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and
2.14 Extended Term Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of Section 2.14, the Lead Borrower may at any time and from time to time when no Event of Default then exists request that all or a portion of the Initial Term Loans, the Extended Term Loans or any Tranche of Incremental Term Loans (each, an “Existing Initial Term Loan Tranche,” “Existing Extended Term Loan Tranche” and “Existing Incremental Term Loan Tranche,” respectively), together with any related outstandings, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of the principal amount (and related outstandings) of such Initial Term Loans, Extended Term Loans or Incremental Term Loans (any such Term Loans which have been so converted, “Extended Initial Term Loans,” “Extended Existing Term Loans” and “Extended Incremental Term Loans,” respectively) and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, the Lead Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, an “Extension Request”) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) be identical to the Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; and (v) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by the Lead Borrower and the Lenders thereof; provided that no Extended Term Loans may be optionally prepaid prior to the date on which all Term Loans with an earlier final stated maturity (including Term Loans under the Existing Term Loan Tranche from which such Term Loans were converted) are repaid in full, unless such optional prepayment is accompanied by a pro rata optional prepayment of such other Term Loans; provided, however, that (A) in no event shall the final maturity date of any Extended Term Loans of a given Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Term Loans hereunder and (B) the Weighted Average Life to Maturity of any Extended Term Loans of a given Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of any other Tranche of Term Loans then outstanding. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an “Extension Series”) of Extended Term Loans, as applicable, for all purposes of this Agreement; provided that any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Term Loan Tranche.
(c) The Lead Borrower shall provide the applicable Extension Request at least ten (10) Business Days prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an “Extending Term Loan Lender”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a pro rata basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

(d) Extended Term Loans shall be established pursuant to an amendment (each, an “Extension Amendment”) to this Agreement among the Borrowers, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Initial Term Loan Commitments so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.

(e) Extensions consummated by the Borrowers pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14, provided that such consent shall not be deemed to be an acceptance of any Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 5.02(a) with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans converted pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 5.02(a)), (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d)(i), (iv) establish new Tranches or sub-Tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches or sub-Tranches, in each case on terms consistent with this Section 2.14, and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or
appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.

2.15 Incremental Term Loan Commitments

(a) The Lead Borrower shall have the right, in consultation and coordination with the Administrative Agent as to all of the matters set forth below in this Section 2.15, but without requiring the consent of any of the Lenders, to request at any time and from time to time that one or more Lenders (and/or one or more other Persons which are Eligible Transferees and which will become Lenders) provide Incremental Term Loan Commitments to the Borrowers and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Commitment Agreement, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by the Lead Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in U.S. Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Commitment Agreement shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $25,000,000, (v) the aggregate amount of all Incremental Term Loan Commitments provided pursuant to this Section 2.15 after the Closing Date and all Indebtedness incurred pursuant to Section 10.04(xxvii)(A) shall not exceed the sum of (x) $100,000,000 (the “First Lien Fixed Dollar Incremental Amount”) less the aggregate amount of Indebtedness and commitments incurred under the Second Lien Fixed Dollar Incremental Amount, plus (y) the sum of all voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxvii) that ranks pari passu with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.19 or Section 2.20 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary therefor) (in each case other than with the proceeds of long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement)) in each case prior to the date of incurrence of any such Incremental Term Loan Commitments plus (z) an unlimited amount so long as the Consolidated First Lien Net Leverage Ratio, determined on a Pro Forma Basis as of such date would not exceed 3.50 to 1.00; (vi) the proceeds of all Incremental Term Loans incurred by the Borrowers may be used for any purpose not prohibited under this Agreement, (vii) each Incremental Term Loan Commitment Agreement shall specifically designate, with the approval of the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied, (viii) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of preceding clause (vii)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02 provided that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments)); provided, however, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Commitment Agreement; provided, however, that if the Effective Yield for any such Incremental Term Loans exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.50% per annum, the Applicable Margins for all then outstanding Initial Term Loans shall be
increased as of such date in accordance with the requirements of the definition of “Applicable Margin” and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans and such other differences as may be reasonably satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by the Borrowers shall be Obligations of the Borrowers under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under each relevant Guaranty, on a pari passu basis with all other Term Loans secured by the Security Agreement and guaranteed under each such Guaranty, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Commitment Agreement shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Commitment Agreement as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, the Borrowers, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an “Incremental Term Loan Lender”) shall execute and deliver to the Administrative Agent an Incremental Term Loan Commitment Agreement substantially in the form of Exhibit L (appropriately completed), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Commitment Agreement shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Commitment Agreement, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Term Notes will be issued at the Borrowers’ expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Commitment Agreement shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; provided that, with the consent of the Administrative Agent, the parties to a given Incremental Term Loan Commitment Agreement may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Commitment Agreement shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) the new Incremental Term Loans shall have the same Scheduled Repayment dates as then remain with respect to the Tranche to which such new Incremental Term Loans are being added (with the amount of each Scheduled Repayment applicable to such new Incremental Term Loans to be the same (on a proportionate basis) as theretofore applicable to the Tranche to which such new Incremental Term Loans are being added, thereby increasing the amount of each then remaining Scheduled Repayment of the respective Tranche proportionately; and
on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incidence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a pro rata basis. To the extent the provisions of preceding clause (iii) require that Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of LIBO Rate Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having short Interest Periods i.e., an Interest Period that began during an Interest Period then applicable to outstanding LIBO Rate Term Loans of such Tranche and which will end on the last day of such Interest Period. All determinations by any Lender pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

2.18 Refinancing Term Loans.

(a) The Lead Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement ("Refinancing Term Loans"), which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement selected by the Lead Borrower; provided, that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded plus unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; provided that such aggregate principal amount may also be increased to the extent such additional amount is capable of being incurred at such time pursuant to Section 2.15 and such excess incurrence shall for all purposes hereof be an incurrence under the relevant subclauses of Section 2.15. Each such notice shall specify the date (each, a “Refinancing Effective Date”) on which the Lead Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; provided that:

(i) the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final maturity before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than pro rata basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by the Lead Borrower and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than Holdings, the Borrowers or a Subsidiary Guarantor;

(iv) in the case of any such Refinancing Term Loans that are secured such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of the Lead Borrower or any of its Subsidiaries other than the Collateral;

(v) all other terms applicable to such Refinancing Term Loans (except as set forth above) shall (I) be substantially identical to, or (II) (taken as a whole) be otherwise not materially more favorable to the Refinancing Term Loan Lenders than those applicable to the then outstanding Term Loans, except to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date as of the date such Indebtedness was incurred (provided that a certificate of a Responsible Officer of the Lead
Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material terms and conditions of such Indebtedness or drafts of the documentation relating thereto, stating that the Lead Borrower has determined in good faith that such terms and conditions satisfy the requirement set out in the foregoing clause (v), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to the Lead Borrower of an objection during such five Business Day period (including a reasonable description of the basis upon which it objects)).

(b) The Lead Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a “Refinancing Term Loan Lender”); provided that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans for all purposes of this Agreement; provided that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(c) The Administrative Agent and the Lenders hereby consent to the transactions contemplated by Section 2.18(a) (including, for the avoidance of doubt, the payment of interest, fees, amortization or premium in respect of the Refinancing Term Loans on the terms specified by the Lead Borrower) and hereby waive the requirements of this Agreement or any other Credit Document that may otherwise prohibit any transaction contemplated by Section 2.18(a). The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with the Borrowers to effect the foregoing.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, the Lead Borrower, on behalf of the other Borrowers, may, at any time and from time to time, conduct reverse Dutch auctions in order to purchase Term Loans of a particular Tranche (each, an “Auction”)(each such Auction to be managed exclusively by the Administrative Agent or any other bank or another investment bank of recognized standing selected by the Lead Borrower (with the consent of the Administrative Agent or such other bank or investment bank) following consultation with the Administrative Agent (in such capacity, the “Auction Manager”)); provided that the Administrative Agent shall have no obligation to act as the Auction Manager), so long as the following conditions are satisfied:

(iv) the Lead Borrower shall not use the proceeds of any borrowing under the ABL Credit Agreement to finance any such repurchase;

With respect to all purchases of Term Loans made by the Lead Borrower pursuant to this Section 2.19, (x) the Lead Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date of such purchase and (y) such purchases (and the payments made by the Lead Borrower and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 mutatis mutandis as if each reference therein to the “Administrative Agent” were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Auction.

(c) no Default or Event of Default shall have occurred and be continuing on the date of such purchase or would occur as a result of such assignment;

(d) the Sponsor and Affiliates thereof (other than Debt Fund Affiliates) shall make the No Undisclosed Information Representation;

(e) the Sponsor and Affiliates thereof shall be prohibited from being appointed as, or succeeding to the rights and duties of, Administrative Agent or Collateral Agent under this Agreement and the other Credit Documents until such time (if any) as when all Obligations (other than those held by the Sponsor or any of its Affiliates) have been paid in full in cash;

(g) the Sponsor or such Affiliate (other than Debt Fund Affiliates) identifies itself as an Affiliate of the Credit Parties prior to the assignment of Term Loans to it pursuant to the applicable Assignment and Assumption Agreement;

(h) Term Loans acquired by the Sponsor and Affiliates thereof shall be subject to the voting limitations set forth in Section 13.04(f); and

Section 5. Prepayments; Payments; Taxes

5.01 Voluntary Prepayments

(a) The Borrowers shall have the right to prepay the Term Loans, without premium or penalty (other than as provided in Section 4.01(c)), in whole or in part at any time and from time to time on the following terms and conditions: (i) the Lead Borrower shall give the Administrative Agent at its Notice Office written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay the Term Loans, whether such Term Loans are Initial Term Loans or Incremental Term Loans of a given Tranche, the amount of the Term Loans to be prepaid, the Types of Term Loans to be repaid, the manner in which such prepayment shall apply to reduce the Scheduled Repayments and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings pursuant to which made, which notice shall be given by the Lead Borrower (x) prior to 12:00 Noon (New York City time) at least one Business Day prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y), such shorter period as the Administrative Agent shall agree in its sole and absolute discretion, and be promptly transmitted by the Administrative Agent to each of the Lenders; (ii) each partial prepayment of Term Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least $1,000,000 or such lesser amount as is acceptable to the Administrative Agent; provided that if any partial prepayment of LIBO Rate Term Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of LIBO Rate Term Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount, then if such Borrowing is a

Notwithstanding the foregoing, the Lead Borrower may apply all or a portion of such Net Sale Proceeds (i) in the case of ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness secured by Liens ranking senior to the Liens securing the Indebtedness hereunder on such ABL Collateral (as defined in the Intercreditor Agreement) and in the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Sale Proceeds, within 180 days following such 12-month period during which the Lead Borrower so committed to such plan of reinvestment); provided, further, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or its Restricted Subsidiaries of such Net Insurance Proceeds, the Lead Borrower or its Restricted Subsidiaries have not so used all or a portion of such Net Sale Proceeds otherwise required to be applied as a mandatory repayment pursuant to this sentence, the remaining portion of such Net Sale Proceeds shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Insurance Event, an amount equal to 100% of the Net Insurance Proceeds from such Insurance Event shall be applied as a mandatory repayment in accordance with the requirements of Section 5.02(g) and (h), provided, however, with respect to no more than $10,000,000 in the aggregate of such Net Insurance Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply such Net Insurance Proceeds (i) in the case of ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness secured by Liens ranking senior to the Liens securing the Indebtedness hereunder on such ABL Collateral (as defined in the Intercreditor Agreement) and in the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest in such Net Sale Proceeds, within 18 months following the date of receipt of such proceeds) (and, in connection therewith, shall thereafter promptly provide such other information with respect to such reinvestment as the Administrative Agent may from time to time reasonably request); provided, further, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or any of its Restricted Subsidiaries of such Net Insurance Proceeds, the Lead

Borrower or any of its Restricted Subsidiaries have not so used all or a portion of such Net Insurance Proceeds otherwise required to be applied as a mandatory repayment pursuant to this sentence, the remaining portion of such Net Insurance Proceeds shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period, as the case may be.

(g) Each amount required to be applied pursuant to Sections 5.02(c), (d), (e) and (f) in accordance with this Section 5.02(g) shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied; provided that to the extent any Permitted Pari Passu Notes (or any Permitted Refinancing Indebtedness in respect thereof that is secured on a pari passu basis with the Obligations) requires any mandatory prepayment or repurchase from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay Term Loans in accordance with clause (d) or (f) above, up to a pro rata portion (based on the aggregate principal amount of Term Loans and such pari passu secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds may be applied to prepay or repurchase such pari passu secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant to Section 5.02(c) shall be applied to the Tranche or Tranches of Term Loans selected by the Lead Borrower. Except as otherwise provided below, all repayments of outstanding Term Loans of a given Tranche pursuant to Sections 5.02(c), (d), (e) and (f) (and applied pursuant to this clause (g)) shall be applied to reduce the Scheduled Repayments of the applicable Tranche in direct order of maturity of such Scheduled Repayments.

(h) With respect to each repayment of Term Loans required by this Section 5.02, the Lead Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such LIBO Rate Term Loans were made, provided that: (i) repayments of LIBO Rate Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such LIBO Rate Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans. In the absence of a designation by the Lead Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

(j) Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a “Foreign Asset Sale”), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a “Foreign Recovery Event”) or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Initial Term Loans at the times provided in this Section 5.02 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (the relevant Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of such Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law or applicable organizational documents of such Foreign Subsidiary, such repatriation will be immediately effected and such repatriated Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof and additional costs relating to such repatriation) to the repayment of the Initial Term Loans pursuant to this Section 5.02 or (ii) to the extent that such Borrower has reasonably determined in good faith that repatriation of any of or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Asset Sale or Foreign Recovery Event or Foreign Subsidiary Excess Cash Flow would have material adverse tax cost consequences with respect to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow, such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.
The Lead Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of the Lead Borrower’s repayment notice and of such Lender’s pro rata share of any repayment. Each Lender may reject all or a portion of its pro rata share of any mandatory repayment (such declined amounts, the “Declined Proceeds”) of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) by providing written notice (each, a “Rejection Notice”) to the Administrative Agent and the Lead Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender’s receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled. Any Declined Proceeds must first be offered to prepay Indebtedness under the Second Lien Credit Agreement in accordance with the terms thereof and, if further declined, may be retained by the Lead Borrower in accordance with this Agreement (“Retained Declined Proceeds”).

Method and Place of Payment

Except as otherwise specifically provided herein, all payments under this Agreement and under any Note shall be made to the Administrative Agent or the account of the Lender or Lenders entitled thereto not later than 2:00 pm (New York City time) on the date when due and shall be made in U.S. Dollars in immediately available funds at the Payment Office of the Administrative Agent shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date shall, at the option of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension.

Net Payments

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable law. If any Taxes are required to be withheld or deducted from such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable shall be increased as necessary so that after making all required deductions or withholdings (including deduction or withholdings applicable to additional sums payable under this Section 5.04), the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Indemnified Taxes or Other Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by the applicable Credit Party. The Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 days of written request therefor, for the amount of any Indemnified Taxes (including any Indemnified Taxes imposed on amounts payable under this Section 5.04) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any Other Taxes, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.
(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documents required below in Section 5.04(c)) expired, obsolete or inaccurate in any respect, deliver promptly to the Lead Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Lead Borrower or the Administrative Agent) or promptly notify the Lead Borrower and the Administrative Agent in writing of its inability to do so.

(c) Without limiting the generality of the foregoing: (x) each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to the Lead Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 2.13 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, (i) two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or Form W-8BEN-E (or successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party or Form W-8ECI (or successor form), or (ii) in the case of a Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of “portfolio interest,” a certificate substantially in the form of Exhibit C (any such certificate, a “U.S. Tax Compliance Certificate”) and two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or W-8BEN-E (or successor form) certifying to such Lender’s entitlement as of such date to a complete exemption from U.S. withholding tax with respect to payments of interest to be made under this Agreement and under any Note; or (iii) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two accurate and complete signed copies of Internal Revenue Service Form W-8IMY (or successor form) of the Lender, accompanied by Form W-8ECI, Form W-8BEN, Form W-8BEN-E, U.S. Tax Compliance Certificate, Form W-8IMY, and/or any other required information (or successor or other applicable form) from each beneficial owner that would be required under this Section 5.04(c) if such beneficial owner were a Lender (provided that, if the Lender is a partnership for U.S. federal income Tax purposes (and not a participating Lender), and one or more beneficial owners are claiming the portfolio interest exemption), the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owners; (y) Each Lender that is a United States person, as defined in Section 7701(a)(30) of the Code, shall deliver to the Lead Borrower and the Administrative Agent, at the times specified in Section 5.04(b), two accurate and complete signed copies of Internal Revenue Service Form W-9, or any successor form that such Person is entitled to provide at such time, in order to qualify for an exemption from United States back-up withholding requirements; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times prescribed by applicable law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Lead Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.04(c)(z), “FATCA” shall include any amendment made to FATCA after the Closing Date.

Notwithstanding any other provision of this Section 5.04, a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.
If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.04(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.04(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses, including any Taxes, of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.04(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.04(d) to the extent that such payment would place the Administrative Agent or any Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing in this Section 5.04(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

8.07 True and Complete Disclosure.

(b) Notwithstanding anything to the contrary in the foregoing clause (a) of this Section 8.07, none of the Credit Parties makes any representation, warranty or covenant with respect to any information consisting of statements, estimates, forecasts and projections regarding the future performance of the Lead Borrower or any of its Subsidiaries, or regarding the future condition of the industries in which they operate other than that such information has been (and in the case of such information furnished after the Closing Date, will be) prepared in good faith based upon assumptions believed to be reasonable at the time of preparation thereof (it being understood and agreed that projections are not to be viewed as facts, projections are subject to significant uncertainties and contingencies, many of which are beyond the control of the Credit Parties, no assurances can be given that any particular projection will be realized and that actual results during the period or periods covered by such projections may differ from projected results, and such differences may be material).

Neither the making of any Term Loan nor the use of the proceeds thereof nor the occurrence of any other Credit Event will violate the provisions of Regulation T, Regulation U or Regulation X of the Board of Governors of the Federal Reserve System.

(d) The Lead Borrower will not request any Borrowing, and the Borrowers shall not use, and shall procure that their respective Subsidiaries and each of their respective directors, officers, employees and agents shall not use, the proceeds of any Borrowing (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

(d) The consummation of each Permitted Acquisition shall be deemed to be a representation and warranty by each Borrower that the certifications pursuant to this Section 9.14 are true and correct in all material respects and that all conditions thereto have been satisfied and that same is permitted in accordance with the terms of this Agreement, which representation and warranty shall be deemed to be a representation and warranty for all purposes hereunder, including, without limitation, Sections 8 and 11.

(x) negative pledges and restrictions on Liens in favor of any holder of Indebtedness for borrowed money entered into after the Closing Date and otherwise permitted under Section 10.04 but only if such negative pledge or restriction expressly permits Liens for the benefit of the Administrative Agent and/or the Collateral Agent and the Secured Creditors with respect to the credit facilities established hereunder and the Obligations under the Credit Documents on a senior basis and without a requirement that such holders of such Indebtedness be secured by such Liens securing the Obligations under the Credit Documents equally and ratably or on a junior basis;

Section 12. The Administrative Agent.

12.01 Appointment and Authorization.

(a) Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Sections 12.08, 12.10 and 12.11) are solely for the benefit of the Administrative Agent and the Lenders, and neither any Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” or “security trustee” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral
agent” or “security trustee” under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement) hereby authorizes the Administrative Agent to enter into the ABL Intercreditor Agreements, the First Lien/Second Lien Intercreditor Agreement, any Additional Intercreditor Agreement, any Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement permitted under this Agreement and any such intercreditor agreement shall be being binding upon the Lenders.

12.02 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

12.03 Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Lead Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, under the circumstances as provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Lead Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.
12.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Term Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Term Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Lead Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender hereunder.

12.06 Non-reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

12.07 Indemnification by the Lenders. To the extent that the Lead Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by it to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender’s pro rata share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Lead Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

-112-
(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Credit Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.04 of this Agreement, and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.
12.10 Resignation of the Agents. The Administrative Agent may at any time give notice of its resignation (including as Collateral Agent) to the Lenders and the Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by the Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Credit Documents, the retiring Administrative Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors’ security interest thereon until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of the Lead Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent’s resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

12.11 Collateral Matters and Guaranty Matters.

Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Credit Document (i) upon termination of the Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (iii) that constitutes Excluded Collateral, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty pursuant to clause (b) below or (v) if approved, authorized or ratified in writing in accordance with Section 13.12;

(b) to release any Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Credit Document to the holder of any Lien on such property that is permitted by Section 10.01(iv), 10.01(vi), 10.01(vii), 10.01(xiv), and 10.01(xxx) (in the case of clause (ii)) or any other Lien that is permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release any Lien securing the Obligations upon the incurrence of any Lien permitted by Section 10.01 with respect to specified assets if the Lien securing the Obligations is not allowed by the documentation creating such Lien or related documentation.
Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrowers’ expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements. No Guaranteed Creditor that obtains the benefits of Section 11, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor.

12.13 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrowers pursuant to Section 5.04 and without limiting or expanding the obligation of the Borrowers to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

Section 13. Miscellaneous

(a) The Credit Parties hereby jointly and severally agree to: (i) if the Closing Date occurs, pay all reasonable invoiced-out-of-pocket costs and expenses of the Agents (including, without limitation, the reasonable fees and disbursements of one primary counsel to all Agents and Lenders and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person (as defined below) affected by such conflict informs the Lead Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnified Person but excluding, other than as indicated under Section 13.01(a)(ii), Taxes other than Taxes that represent liabilities, obligations, losses, damages, penalties, actions, costs, expenses and disbursements arising from a non-Tax claim) in connection with the preparation, execution and delivery of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein, the administration hereof and thereof and any amendment, waiver or consent relating hereto or thereto (whether or not effective), of the Agents in connection with their syndication efforts with respect to this Agreement and of the Agents and each Lender in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings (which shall be limited to one primary counsel to all Agents and Lenders to be retained by the Agent and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict informs the Lead Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnified Person); (ii) pay and hold each Agent and each Lender harmless from and against any and all Other Taxes with respect to the foregoing matters and save each Agent and each Lender harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to such Agent, such Lender or the Lead Arranger) to pay such Other Taxes; and (iii) indemnify each Agent and each Lender and their respective Affiliates, and the officers, directors, employees, agents, trustees, representatives and investment advisors of each of the foregoing (each, an “Indemnified Person”) from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys’ and consultants’ fees and disbursements) (but excluding Taxes other than Taxes that represent liabilities, obligations, losses, damages, penalties, actions, costs, expenses and disbursements arising from a non-Tax claim) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not any Agent or any Lender is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document or the proceeds of any Term Loans hereunder or the consummation of the Transaction or any other transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or (b) the actual or alleged presence of Hazardous Materials in the Environment relating in any way to any Real Property owned, leased or operated, at any time, by the Lead Borrower or any of its Subsidiaries; the generation, storage, transportation, handling, Release or threat of Release of Hazardous Materials by the Lead Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by the Lead Borrower or any of its Subsidiaries; the non-compliance by the Lead Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any Real Property; or any Environmental Claim asserted against the Lead Borrower, any of its Subsidiaries or relating in any way to any Real Property at any time owned, leased or operated by the Lead Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnified Person (but excluding in each case any losses, liabilities, claims, damages or expenses (i) to the extent incurred by reason of the gross negligence, bad faith or willful misconduct of the applicable Indemnified Person, any Affiliate of such Indemnified Person or any of their respective directors, officers, employees, representatives, agents, Affiliates, trustees or investment advisors, (ii) to the extent incurred by reason of any material breach of the obligations of such Indemnified Person under this Agreement or the other Credit Documents (in the case of each of preceding clauses (i) and (ii), as determined by a court of competent jurisdiction in a final and non-appealable decision) or (iii) that do not involve or arise from an act or omission by any Borrower or the Guarantors or any of their respective affiliates and is brought by an Indemnified Person (other than claims against any Agent in its capacity as such or in its fulfilling such role). To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.
(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for (x) any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems or (z) any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Agreement or any other Credit Document or the financing contemplated hereby.

13.02 Right of Setoff.

(a) In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used exclusively for payroll, payroll taxes, fiduciary and trust purposes, and employee benefits) and any other Indebtedness at any time held or owing by the Administrative Agent or such Lender (including, without limitation, by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the credit or the account of the Lead Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to Section 13.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

(b) NOTWITHSTANDING THE FOREGOING SUBSECTION (a), AT ANY TIME THAT THE LOANS OR ANY OTHER OBLIGATION SHALL BE SECURED BY REAL PROPERTY LOCATED IN CALIFORNIA, NO LENDER SHALL EXERCISE A RIGHT OF SETOFF, LIEN OR COUNTERCLAIM OR TAKE ANY COURT OR ADMINISTRATIVE ACTION OR INSTITUTE ANY PROCEEDING TO ENFORCE ANY PROVISION OF THIS AGREEMENT OR ANY NOTE UNLESS IT IS TAKEN WITH THE CONSENT OF THE REQUIRED LENDERS OR APPROVED IN WRITING BY THE ADMINISTRATIVE AGENT, IF SUCH SETOFF OR ACTION OR PROCEEDING WOULD OR MIGHT (PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 580a, 580b, 580d AND 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE OR SECTION 2924 OF THE CALIFORNIA CIVIL CODE, IF APPLICABLE, OR OTHERWISE) AFFECT OR IMPAIR THE VALIDITY, PRIORITY OR ENFORCEABILITY OF THE LIENS GRANTED TO THE COLLATERAL AGENT PURSUANT TO THE SECURITY DOCUMENTS OR THE ENFORCEABILITY OF THE NOTES AND OTHER OBLIGATIONS HEREUNDER, AND ANY ATTEMPTED EXERCISE BY ANY LENDER OF ANY SUCH RIGHT WITHOUT OBTAINING SUCH CONSENT OF THE REQUIRED LENDERS OR THE ADMINISTRATIVE AGENT SHALL BE NULL AND VOID. THIS SUBSECTION (b) SHALL BE SOLELY FOR THE BENEFIT OF EACH OF THE LENDERS AND THE ADMINISTRATIVE AGENT HEREUNDER.

13.03 Notices.

(a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telex, teletype, cable communication or electronic transmission) and mailed, telegraphed, telexed, telecopied, cabled, delivered or transmitted: if to any Credit Party, c/o PAE Holding Corporation, c/o Platinum Equity, LLC, 360 North Crescent Drive, Beverly Hills, CA 90210, Attention: Legal Department, Telecopier No.: (310) 712-1863; if to any Lender, at its address specified in its
Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Lead Borrower); and if to the Administrative Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Lead Borrower and the Administrative Agent. All such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by overnight courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopy, except that notices and communications to the Administrative Agent and the Lead Borrower shall not be effective until received by the Administrative Agent or the Lead Borrower, as the case may be.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, the Lead Borrower or Holdings may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

c) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Holdings, the Borrowers, the Subsidiary Guarantors, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of a Borrower’s, any Credit Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet.

13.04 Benefit of Agreement; Assignments; Participations, etc.

(a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, that no Borrower may assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of the Lenders and, provided, further, that, although any Lender may transfer, assign or grant participation in its rights or obligations hereunder, such Lender shall remain a “Lender” for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 2.13 and 13.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a “Lender” hereunder and, provided, further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Term Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof or increases in the size of the Commitments, or increase the amount of the participant’s participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory repayment of any Term Loan shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Term Loan shall be permitted without the consent of any participant if the participant’s participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement, (iii) modify any of the voting percentages set forth in Section 13.12 or the underlying definitions, (iv) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral under all the Security Documents supporting the Term
Loans in which such participant is participating or (v) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty supporting the Loans in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant’s rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto). Each Borrower agrees that each participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the limitations and requirements of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment, provided, however, that a participant shall not be entitled to receive any greater payment under Section 2.10 or Section 5.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant except to the extent such entitlement to a greater payment results from a change in law after the sale of the participation takes place. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each participant and the principal amounts (and interest amounts) of each participant’s interest in the Term Loans or other obligations under the Credit Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Term Loan, or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related rights or outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to (i)(A) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this subclause (x)(i)(B)); provided that no such assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender, or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a portion equal to at least $1,000,000 (or such lesser amount as may be agreed to by the Administrative Agent and, so long as no Event of Default then exists under Section 11.01 or 11.05, the Lead Borrower, which consent shall not be unreasonably withheld or delayed) in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement (which Assignment and Assumption Agreement shall contain an acknowledgement and agreement by the respective assignee that, as a Lender, it shall be subject to, and bound by the terms of the ABL Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement), provided that (i) at such time, Schedule 2.01 shall be deemed modified to reflect the Commitments and/or outstanding Term Loans, as the case may be, of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender’s indemnifying the Borrowers for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrowers’ expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Term Loans, as the case may be, (iii) the consent of the (A) Administrative Agent and (B) so long as no Event of Default then exists under Section 11.01 or 11.05, the consent of the Lead Borrower shall (in either case) be required in connection with any such assignment pursuant to clause (y) above (which consent, in the case of each of clauses (A) and (B), shall not be unreasonably withheld or delayed); provided that the Lead Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by
written notice to the Administrative Agent within 10 Business Days after having received notice thereof, (iv) the Administrative Agent shall receive at the
time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of $3,500 and (v) no such transfer or
assignment shall be effective until recorded by the Administrative Agent on the Register pursuant to Section 13.15. To the extent of any assignment
pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and
outstanding Term Loans. At the time of each assignment pursuant to this Section 13.04(b) to a Person that is not already a Lender hereunder, such assignee
shall provide to the Administrative Agent and the Borrowers such Tax forms as are required to be provided under clauses (b) and (c) of Section 5.04 and
shall deliver to the Administrative Agent an Administrative Questionnaire. To the extent that an assignment of all or any portion of a Lender’s
Commitments and related outstanding Obligations pursuant to Section 2.13 or this Section 13.04(b) would, at the time of such assignment, result in
increased costs under Section 2.10 or 5.04 from those being charged by the assigning Lender prior to such assignment, then the Lead Borrower shall not be
obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated
to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment). Notwithstanding the
foregoing, any sale or assignment pursuant to this Section 13.04(b) to a Sponsor Affiliate shall be made in accordance with Section 2.21 and evidenced via
an assignment, in form reasonably satisfactory to the Administrative Agent (a “Sponsor Affiliate Assignment and Assumption”), in accordance with this
Section 13.04(b).

(c) The Borrowers shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections
2.19 and 2.20, which purchases shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender
to the Lead Borrower. No such transfer or assignment shall be effective until recorded by the Administrative Agent (in a manner consistent with the
following sentence) on the Register pursuant to Section 13.15. All Term Loans purchased pursuant to Section 2.19 and 2.20 shall be immediately and
automatically cancelled and retired, and the Lead Borrower shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as
described in this clause (c), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(d) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank in
support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the
consent of the Administrative Agent or the Borrowers), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee
or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such
obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

(e) Each Lender acknowledges and agrees to comply with the provisions of Section 13.04 applicable to it as a Lender hereunder.

(f) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Sponsor Affiliate Assignment and Assumption shall provide a
confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law now or hereafter
in effect (“Bankruptcy Proceedings”), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or
delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the
Administrative Agent) in relation to such Sponsor Affiliate’s claim with respect to its Term Loans (a “Claim”) (including, without limitation, objecting to
any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as
such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any
matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization),
the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same
proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in
connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders. For the avoidance of doubt, the Lenders

-120-
and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(f) constitute a “subordination agreement” as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code, and, as such, would be enforceable for all purposes in any case where a Credit Party has filed for protection under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(f), the provisions of this Section 13.04(f) shall not be applicable to any Debt Fund Affiliate.

(g) If any Borrower wishes to replace the Term Loans or Commitments with Term Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' advance notice to the Lenders of such Term Loans or holdings such Commitments, instead of prepaying the Term Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to assign such Term Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Term Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Term Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08. By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Term Loans or Commitments pursuant to the terms of an Assignment and Assumption Agreement, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

The Administrative Agent shall have the right, and the Lead Borrower hereby expressly authorizes the Administrative Agent, to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by the Lead Borrower and any updates thereto. The Borrower hereby agrees that any such requesting Lender may share the Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledges and agrees that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrowers or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise of any right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its pro rata share of such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.
(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker’s lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided herein.

additional Term Loans are made pursuant to a given Tranche, the scheduled repayments of such Tranche may be increased on a proportionate basis without the consent otherwise required by this clause (6)), or amend the definition of Supermajority Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Supermajority Lenders on substantially the same basis as the Initial Term Loans and Initial Term Loan Commitments are included on the Closing Date; and provided further that only the consent the Administrative Agent shall be necessary for amendments described in clause (y) of the second proviso contained in clause (vi) of the definition of “Permitted Junior Loans.”

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clauses (A) or (B) below, to either

(A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender’s Commitments and/or repay the outstanding Term Loans of each Lender in accordance with Section 5.01(b), provided that, unless the Commitments that are terminated, and Term Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Term Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto, provided, further, that in any event the Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Term Loans solely as a result of the exercise of such Lender’s rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each Incremental Term Loan Lender may, in accordance with the provisions of Section 2.15 enter into an Incremental Term Loan Commitment Agreement, provided that after the execution and delivery by the Borrowers, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Commitment Agreement, such Incremental Term Loan Commitment Agreement, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.

(d) Notwithstanding anything to the contrary in clause (a) above of this Section 13.12, this Agreement may be amended (or amended and restated) (i) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers, (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loan and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and (ii) with the written consent of the Administrative Agent, the Borrowers and the Refinancing Term Loan Lenders, this Agreement and the other Credit Documents shall be amended (or amended and restated) in connection with any refinancing facilities permitted pursuant to Section 2.18.

(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Term Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Majority Lenders, the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of “Majority Lenders” and “Required Lenders” will automatically be deemed modified accordingly for the duration of such period), provided that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

-125-
(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

(h) For the avoidance of doubt, any increase, extension or renewal of this Agreement shall be subject to flood insurance due diligence and flood insurance compliance in accordance with Section 9.03 hereeto and otherwise reasonably satisfactory to all Secured Creditors.

13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 2.10, 2.11, 5.04, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

13.14 Domicile of Term Loans. Each Lender may transfer and carry its Term Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Term Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 2.10, 2.11 or 5.04 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

13.15 Register. The Borrowers hereby designate the Administrative Agent to serve as their agent, solely for purposes of this Section 13.15, to maintain a register (the “Register”) on which it will record the Commitments from time to time of each of the Lenders, the Term Loans made by each of the Lenders and the stated interest on, and each repayment in respect of the principal amount of, the Term Loans of each Lender. Holdings, each Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement (and the entries in the Register shall be conclusive absent manifest error for such purposes), notwithstanding notice to the contrary. With respect to any Lender, the transfer of the Commitments of, and the principal (and interest) amounts of the Term Loans owing to, such Lender and the rights to the principal of, and interest on, any Term Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Term Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Term Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Term Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Term Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Term Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The registration of any provision of Incremental Term Loan Commitments pursuant to Section 2.15, shall be recorded by the Administrative Agent on the Register only upon the acceptance of the Administrative Agent of a properly executed and delivered Incremental Term Loan Commitment Agreement. Coincident with the delivery of such Incremental Term Loan Commitment Agreement for acceptance and registration of the provision of an Incremental Term Loan Commitment, as the case may be, or as soon thereafter as practicable, to the extent requested by such Incremental Term Loan Lenders, Term Notes shall be issued, at the Lead Borrower’ expense, to such Incremental Term Loan Lenders, to be in conformity with Section 2.05 (with appropriate modification) to the extent needed to reflect the Incremental Term Loan Commitments, and outstanding Incremental Term Loans made by such Incremental Term Loan Lender.

(b) The Borrowers hereby acknowledge and agree that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to Holdings, the Lead Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of Holdings, the Lead Borrower and its Subsidiaries), provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender.

Each Lender hereby notifies Holdings and the Lead Borrower that pursuant to the requirements of the USA PATRIOT Act Title III of Pub. 107-56 (signed into law October 26, 2001 and amended on March 9, 2009) (the "Patriot Act"), it is required to obtain, verify, and record information that identifies Holdings, each Borrower and each Subsidiary Guarantor, which information includes the name of each Credit Party and other information that will allow such Lender to identify the Credit Party in accordance with the Patriot Act, and each Credit Party agrees to provide such information from time to time to any Lender.

13.18 Joint and Several Liability. Each Borrower is jointly and severally liable for the Obligations as a primary obligor in respect thereof. The Obligations of each Borrower are independent of the Obligations of each other Borrower, and a separate action or actions may be brought and prosecuted against any Borrower to enforce this Agreement, irrespective of whether any action has been brought against any other Borrower or whether any other Borrower is joined in any such action.

-127-
13.19 Waiver of Sovereign Immunity. Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that Holdings, Borrowers, their respective Subsidiaries or any of their properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Term Loans or any Credit Document or any other liability or obligation of Holdings, the Borrowers or any of their respective Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, Holdings and the Borrowers, for themselves and on behalf of their respective Subsidiaries, hereby expressly waive, to the fullest extent permissible under applicable law, any such immunity, and agree not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, Holdings and the Borrowers further agree that the waivers set forth in this Section 13.19 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

PAE hereby accepts such appointment. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Lead Borrower shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

13.21 INTERCREDITOR AGREEMENTS.

(a) EACH LENDER PARTY HERETO UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT, WHICH IN CERTAIN CIRCUMSTANCES MAY REQUIRE (AS MORE FULLY PROVIDED THEREIN) THE TAKING OF CERTAIN ACTIONS BY THE LENDERS, INCLUDING THE PURCHASE AND SALE OF PARTICIPATIONS BY VARIOUS LENDERS TO EACH OTHER IN ACCORDANCE WITH THE TERMS THEREOF.

(b) THE PROVISIONS OF THIS SECTION 13.21 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE ABL INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. Each Agent, Lender and their Affiliates may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates.

13.23 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumption Agreements, amendments or other Notices of Borrowing, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

13.24 Entire Agreement. This Agreement and the other Credit Documents represent the final agreement among the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

Section 14. Credit Agreement Party Guaranty

14.01 The Guaranty. In order to induce the Agents, the Collateral Agent and the Lenders to enter into this Agreement and to extend credit hereunder, and to induce the other Guaranteed Creditors to enter into Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements in recognition of the direct benefits to be received by each Credit Agreement Party from the proceeds of the Term Loans and the entering into of such Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements, each Credit Agreement Party hereby agrees with the Guaranteed Creditors as follows: each Credit Agreement Party hereby unconditionally and irrevocably guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors. If any or all of the Relevant Guaranteed Obligations of any Credit Agreement Party to the Guaranteed Creditors becomes due and payable hereunder, such Credit Agreement Party, unconditionally and irrevocably, promises to pay such indebtedness to the Administrative Agent and/or the other Guaranteed Creditors, or order, on demand, together with any and all expenses which may be incurred by the Administrative Agent and the other Guaranteed Creditors in collecting any of the Relevant Guaranteed Obligations. This Credit Agreement Party Guaranty is a guaranty of payment and not of collection. This Credit Agreement Party Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Relevant Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including any Relevant Guaranteed Party), then and in such event the respective Credit Agreement Party agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Credit Agreement Party, notwithstanding any revocation of this Credit Agreement Party Guaranty or any other instrument evidencing any liability of any Relevant Guaranteed Party, and each Credit Agreement Party shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

14.02 Bankruptcy. Additionally, each Credit Agreement Party unconditionally and irrevocably guarantees the payment of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by any Relevant Guaranteed Party upon the occurrence of any of the events specified in Section 11.05, and irrevocably and unconditionally promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand, in lawful money of the United States.

14.03 Nature of Liability. The liability of each Credit Agreement Party hereunder is primary, absolute and unconditional, exclusive and independent of any security for or other guaranty of the Relevant Guaranteed Obligations, whether executed by any other guarantor or by any other party, and each Credit Agreement Party understands and agrees, to the fullest extent permitted under law, that the liability of such Credit Agreement Party hereunder shall not be affected or impaired by (a) any direction as to application of payment by any Relevant Guaranteed Party or by any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Relevant Guaranteed Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment in cash of the Relevant Guaranteed Obligations), or (d) any dissolution, termination or increase, decrease or change in personnel by any Relevant Guaranteed Party, or (e) any payment made to any Guaranteed Creditor on the Relevant Guaranteed Obligations which any such Guaranteed Creditor repays to any Relevant Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Credit Agreement Party waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 14.05, or (g) any invalidity, irregularity or enforceability of all or any part of the Relevant Guaranteed Obligations or of any security therefor.

14.04 Independent Obligation. The obligations of each Credit Agreement Party hereunder are independent of the obligations of any other guarantor, any other party or any Relevant Guaranteed Party, and a separate action or actions may be brought and prosecuted against any Credit Agreement Party whether or not action is brought against any other guarantor, any other party or any Relevant Guaranteed Party and whether or not any
other guarantor, any other party or any Relevant Guaranteed Party be joined in any such action or actions. Each Credit Agreement Party waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Relevant Guaranteed Party or other circumstance which operates to toll any statute of limitations as to such Relevant Guaranteed Party shall operate to toll the statute of limitations as to the relevant Credit Agreement Party.

14.05 Authorization. To the fullest extent permitted under law, each Credit Agreement Party authorizes the Guaranteed Creditors without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Relevant Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Credit Agreement Party Guaranty shall apply to the Relevant Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Relevant Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Relevant Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset thereagainst;

(c) exercise or refrain from exercising any rights against any Relevant Guaranteed Party, any other Credit Party or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, guarantors, any Relevant Guaranteed Party, other Credit Parties or other obligors;

(e) settle or compromise any of the Relevant Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Relevant Guaranteed Party to its creditors other than the Guaranteed Creditors;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Relevant Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of such Relevant Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of such other instruments or agreements; and/or

(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Credit Agreement Party from its liabilities under this Credit Agreement Party Guaranty.

14.06 Reliance. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of any Relevant Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Relevant Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

14.07 Subordination. Any indebtedness of any Relevant Guaranteed Party now or hereafter owing to any Credit Agreement Party is hereby subordinated to the Relevant Guaranteed Obligations of such Relevant Guaranteed Party owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of
Default exists, all such indebtedness of such Relevant Guaranteed Party to such Credit Agreement Party shall be collected, enforced and received by such Credit Agreement Party for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Relevant Guaranteed Obligations of such Relevant Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of any Credit Agreement Party under the other provisions of this Credit Agreement Party Guaranty. Without limiting the generality of the foregoing, each Credit Agreement Party hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Credit Agreement Party Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Relevant Guaranteed Obligations have been irrevocably paid in full in cash.

(a) Each Credit Agreement Party waives any right (except as shall be required by applicable law and cannot be waived) any right to require any Guaranteed Creditor to (i) proceed against any Relevant Guaranteed Party, any other guarantor or any other party, (ii) proceed against or exhaust any security held from any Relevant Guaranteed Party, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor’s power whatsoever. Each Credit Agreement Party waives any defense (except as shall be required by applicable statute and cannot be waived) based on or arising out of any defense of any Relevant Guaranteed Party, any other guarantor or any other party, or the validity, legality or unenforceability of the Relevant Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Relevant Guaranteed Party other than payment of the Relevant Guaranteed Obligations to the extent of such payment. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against any Relevant Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Credit Agreement Party hereunder except to the extent the Relevant Guaranteed Obligations have been paid. Each Credit Agreement Party waives, to the fullest extent permitted under law, any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Credit Agreement Party against any Relevant Guaranteed Party or any other party or any security.

(b) Each Credit Agreement Party waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Credit Agreement Party Guaranty, and notices of the existence, creation or incurring of new or additional Relevant Guaranteed Obligations. Each Credit Agreement Party assumes all responsibility for being and keeping itself informed of each Relevant Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Relevant Guaranteed Obligations and the nature, scope and extent of the risks which such Credit Agreement Party assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any of the other Guaranteed Creditors shall have any duty to advise any Credit Agreement Party of information known to them regarding such circumstances or risks.

14.09 Maximum Liability. It is the desire and intent of each Credit Agreement Party and the Guaranteed Creditors that this Credit Agreement Party Guaranty shall be enforced against such Credit Agreement Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of any Credit Agreement Party under this Credit Agreement Party Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Credit Agreement Party’s obligations under this Credit Agreement Party Guaranty shall be deemed to be reduced and such Credit Agreement Party shall pay the maximum amount of the Relevant Guaranteed Obligations which would be permissible under applicable law. Payments. All payments made by a Credit Agreement Party pursuant to this Section 14 will be made without setoff, counterclaim or other defense, and shall be subject to the provisions of Sections 5.03 and 5.04.
14.11 Keepwell. Each Credit Agreement Party that is a Qualified ECP Guarantor (as defined below) at the time the Credit Agreement Party Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Credit Party with respect to such Swap Obligation as may be needed by such Specified Credit Party from time to time to honor all of its obligations under this Credit Agreement Party Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 14.11 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 14.11 shall remain in full force and effect until the Guaranteed Obligations have been indefeasibly paid and performed in full. Each Qualified ECP Guarantor intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Credit Party for all purposes of the Commodity Exchange Act. “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Agreement Party that has total assets exceeding $10,000,000 at the time the Guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act. A Specified Credit Party means any Credit Agreement Party that is not “an eligible contract participant” under the Commodity Exchange Act (determined after giving effect to this Section 14.11).
IN WITNESS WHEREOF, the parties hereto have caused their duly authorized officers to execute and deliver this Agreement as of the date first above written.

The Administrative Agent shall have received the executed opinions of (i) Latham & Watkins LLP, counsel to the Credit Parties and (ii) Bean Kinney & Korman, P.C., special Virginia counsel to the Credit Parties, each dated as of the Amendment Effective Date and in form and substance reasonably satisfactory to the Administrative Agent.

(i) The FCI Acquisition shall be consummated in accordance with the FCI Acquisition Agreement without amendment or other modification thereof (or waiver of, or granting of any consent under, any provision thereof), in each case in a manner that is materially adverse to the 2017 Additional Term Loan Lenders without the consent of the Amendment No. 1 Lead Arrangers (not to be unreasonably withheld or delayed) (it being understood and agreed that any amendment, other modification or waiver with respect to Sections 20(b) or 24 of the FCI Acquisition Agreement shall be deemed materially adverse to the 2017 Additional Term Loan Lenders); provided that (a) subject to clause (c), any reduction in the purchase price shall be deemed not to be materially adverse to the 2017 Additional Term Loan Lenders if 100% of such reduction is applied to reduce the incremental term loans to be funded on the Amendment No. 1 Effective Date under the Second Lien Credit Agreement, (b) subject to clause (c), any increase in the purchase price shall be deemed not to be materially adverse to the 2017 Additional Term
Loan Lenders if such increase is funded solely by (x) equity investments directly or indirectly in the Lead Borrower, all of which investments, if any, shall be made in cash (or in the case of members of management, by way of exchange of equity in Holdings or any direct or indirect parent thereof) in the form of common equity or preferred equity on terms and conditions reasonably acceptable to the Amendment No. 1 Lead Arrangers, the cash proceeds of which shall be contributed to the Lead Borrower in cash as common equity and/or (y) borrowings under the ABL Credit Agreement and (c) any reduction or increase in the purchase price shall be deemed not to be materially adverse to the 2017 Additional Term Loan Lenders if such reduction or increase is pursuant to any purchase price adjustment provisions, without limitation, working capital adjustments, set forth in the FCI Acquisition Agreement (as in effect on the date hereof).

(ii) FCI shall have repaid in full all Indebtedness outstanding under that certain Amended and Restated Loan Agreement, dated as of October 28, 2013, by and between FCI and Capital One, N.A., as lender (as amended on October 16, 2015 and as further amended, restated, supplemented or modified prior to the date hereof, the “FCI Existing Credit Agreement”), together with all accrued but unpaid interest, fees and other amounts owing thereunder (other than contingent indemnification obligations not yet due and payable) and (i) all commitments to lend or make other extensions of credit thereunder shall have been terminated and (ii) all security interests in respect of, and Liens securing, the Indebtedness and other obligations thereunder created pursuant to the security documentation relating thereto shall have been terminated and released (or arrangements therefor reasonably satisfactory to the Administrative Agent shall have been made), and the Administrative Agent shall have received all such releases as may have been reasonably requested by the Administrative Agent, including, without limiting the foregoing, (a) proper termination statements (Form UCC-3 or the appropriate equivalent) for filing under the UCC or equivalent statute or regulation of each jurisdiction where a financing statement or application for registration (Form UCC-1 or the appropriate equivalent) was filed with respect to FCI in connection with the security interests created with respect to the FCI Existing Credit Agreement and (b) terminations or reassignments of any security interest in, or Lien on, any patents, trademarks, copyrights, or similar interests of FCI.

- 5 -
(n) **Consent Fee.** The Administrative Agent shall have received for the account of each Lender that executes and delivers a copy of this Amendment to the Administrative Agent (or its counsel) at or prior to 12:00 noon New York City time on April 28, 2017, a non-refundable consent fee in an amount equal to 0.10% of such consenting Lender’s Initial Term Loans outstanding as of the Amendment Effective Date immediately prior to the effectiveness of this Amendment (excluding, for the avoidance of doubt, 2017 Additional Term Loans) (it being understood that Borrowers shall have no liability for any such fee if the Amendment Effective Date does not occur).

(o) **Fees and Expenses.** On the Amendment Effective Date, the Borrowers shall have paid to the Administrative Agent, the Amendment No. 1 Lead Arrangers and the 2017 Additional Term Loan Lenders all costs, fees and expenses (including, without limitation, legal fees and expenses) to the extent invoiced at least five (5) Business Days prior to the Amendment Effective Date and any other compensation payable to the Administrative Agent, the Amendment No. 1 Lead Arrangers and the Additional Term Loan Lenders or otherwise payable in respect of the 2017 Amendment Transactions to the extent then due.

(p) **Compliance with the Credit Agreement.** After giving effect to the 2017 Amendment Transactions, the Lead Borrower shall be in compliance with the Requirements of Section 2.15 of the Credit Agreement, subject to Section 1.03 thereof, and Section 2.15 of the Second Lien Credit Agreement, subject to Section 1.03 thereof.

Section 5.02 **Effects of this Amendment.**

(a) Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Administrative Agent under the existing Credit Agreement or any other Credit Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the existing Credit Agreement or any other provision of the existing Credit Agreement or of any other Credit Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. This Amendment shall not constitute a novation of the Credit Agreement as in effect immediately prior to giving effect hereto or any of the Credit Documents. (iii) determining other compliance with this Agreement (including the determination that no Default or Event of Default (or any type of Default or Event of Default) has occurred, is continuing or would result therefrom);

in each case, at the option of the Lead Borrower (the Lead Borrower’s election to exercise such option in connection with any Limited Condition Transaction, an “LCT Election”), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger) or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition or Investment or (y) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) (x) the declaration of such Dividend or (y) the making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07(a), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the “LCT Test Date”), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), the Lead Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Lead Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Total Assets of the Lead Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction.
or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Lead Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Lead Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a “Subsequent Transaction”) following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

Section 2. Amount and Terms of Credit

2.01 The Commitments.

(a) (i) On the Closing Date, certain Lenders made Initial Term Loans to the Borrowers, which Initial Term Loans (i) were incurred by the Borrowers pursuant to a single drawing on the Closing Date, (ii) were denominated in U.S. Dollars, (iii) were and shall be, except as hereinafter provided, at the option of the Lead Borrower, incurred and maintained as, and/or converted into, one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans, provided that except as otherwise specifically provided in Section 2.10(b), all Initial Term Loans comprising the same Borrowing shall at all times be of the same Type.

(ii) Subject to and upon the terms and conditions set forth herein and in Amendment No. 1, each Lender with an Initial Term Loan Commitment severally agrees to make an Initial Term Loan or Initial Term Loans to the Borrowers, which Initial Term Loans (i) shall be incurred by the Borrowers pursuant to a single drawing on the Closing Amendment No. 1 Effective Date, (ii) shall be denominated in U.S. Dollars, (iii) shall except, as hereinafter provided, at the option of the Lead Borrower, be incurred and maintained as, and/or converted into, one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans, provided that except as otherwise specifically provided in Section 2.10(b), all Initial Term Loans comprising the same Borrowing shall at all times be of the same Type, and (iv) shall be made by each such Lender in that aggregate principal amount which does not exceed the Initial 2017 Additional Term Loan Commitment of such Lender on the Closing Amendment No. 1 Effective Date (before giving effect to the termination thereof pursuant to Section 4.02(a)).

Once repaid, Initial Term Loans may not be reborrowed. All Borrowers shall be jointly and severally liable as borrowers for all Term Loans regardless of which Borrower receives the proceeds thereof.

(b) Subject to and upon the terms and conditions set forth herein, each Lender with an Incremental Term Loan Commitment from time to time severally agrees to make term loans (each, an "Incremental Term Loan" and, collectively, the "Incremental Term Loans") to the Borrowers, which Incremental Term Loans (i) shall be incurred pursuant to a single drawing on the applicable Incremental Term Loan Borrowing Date, (ii) shall be denominated in U.S. Dollars, (iii) shall, except as hereinafter provided, at the option of the Lead Borrower, be incurred and maintained as, and/or converted into one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans; provided that all Incremental Term Loans of a given Tranche made as part of the same Borrowing shall at all times consist of Incremental Term Loans of the same Type, and (iv) shall not exceed for any such Incremental Term Loan Lender at any time of any incurrence thereof, the Incremental Term Loan Commitment of such Incremental Term Loan Lender for such Tranche (before giving effect to the termination thereof on such date pursuant to Section 4.02(b)). Once repaid, Incremental Term Loans may not be reborrowed.

2.02 Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing of Term Loans under any Tranche shall not be less than the Minimum Borrowing Amount. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than eight (8) Borrowings of LIBO Rate Term Loans in the aggregate for all Tranches of Term Loans.

- 46 -
2.03 Notice of Borrowing. Whenever the Borrowers desire to make a Borrowing of Term Loans hereunder, the Lead Borrower shall give the Administrative Agent at its Notice Office at least one Business Day’s prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Base Rate Term Loans to be made hereunder and at least three Business Days’ (or such shorter period as the Administrative Agent shall agree in its sole and absolute discretion) prior written notice (or telephonic notice promptly confirmed in writing) of each LIBO Rate Term Loan to be made hereunder; provided that (in each case) any such notice shall be deemed to have been given on a certain day only if given before 12:00 Noon (New York City time) on such day (or such later time as the Administrative Agent shall agree in its sole and absolute discretion); provided further that such, except for the Borrowing of the 2017 Additional Term Loans on the Amendment No. 1 Effective Date, if the Borrowers wish to request LIBO Rate Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of “Interest Period,” the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to each Lender with a Commitment of the relevant Tranche of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Lead Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by such Lenders. Each such notice (each, a “Notice of Borrowing”), except as otherwise expressly provided in Section 2.11, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing by or on behalf of the Borrowers, in the form of Exhibit A-1 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of the relevant Borrower, appropriately completed to specify: (i) the aggregate principal amount of the Term Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Initial Term Loans, Incremental Term Loans or Refinancing Term Loans, (iv) whether the Term Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Term Loans or LIBO Rate Term Loans and (v) in the case of LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender of the Tranche specified in the respective Notice of Borrowing, notice of such proposed Borrowing, of such Lender’s proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its pro rata portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in U.S. Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrowers at the Payment Office the aggregate of the amounts so made available by the Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender’s portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrowers a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent shall promptly notify the Lead Borrower and the Borrowers shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrowers interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrowers until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from the Borrowers, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Borrowers may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.
2.05 Notes.

(a) Each Borrower’s obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.15 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrowers substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a “Term Note”).

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrowers’ obligations in respect of such Term Loans.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to the Borrowers shall affect or in any manner impair the joint and several obligations of the Borrowers to pay the Term Loans (and all related Obligations) incurred by the Borrowers which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (d). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, the Borrowers shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions. The Borrowers shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan, provided that (i) except as otherwise provided in Section 2.11, (x) LIBO Rate Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of LIBO Rate Term Loans, as the case may be, shall reduce the outstanding principal amount of such LIBO Rate Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) unless the Required Lenders otherwise agree, Base Rate Term Loans may only be converted into LIBO Rate Term Loans if Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of LIBO Rate Term Loans than is permitted under Section 2.02. Such conversion shall be effected by the Lead Borrower by giving the Administrative Agent at the Notice Office at least three Business Days’ prior notice (in the case of any conversion to or continuation of LIBO Rate Term Loans) or one Business Day’s notice (in the case of any conversion to Base Rate Term Loans) (each, a “Notice of Conversion/Continuation”) in the form of Exhibit A-2, appropriately completed to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.

2.07 Pro Rata Borrowings. All Borrowings of Term Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of such Lenders’ Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.
2.08 Interest.

(a) Each Borrower agrees, jointly and severally, to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with respect to any LIBO Rate Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06 or 2.09) made to the Borrowers hereunder from the date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective LIBO Rate Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Term Loan to a LIBO Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate per annum which shall be equal to the sum of the Applicable Margin plus the Base Rate, as in effect from time to time.

(b) Each Borrower agrees, jointly and severally, to pay interest in respect of the unpaid principal amount of each LIBO Rate Term Loan made to the Borrowers from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such LIBO Rate Term Loan to a Base Rate Term Loan pursuant to Section 2.06, 2.09 or 2.10, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin plus the applicable LIBO Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01 (x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Term Loan shall bear interest at a rate per annum equal to (i) for Base Rate Term Loans and associated interest, 2.00% per annum in excess of the Applicable Margin for Base Rate Term Loans plus the Base Rate, (ii) for LIBO Rate Term Loans and associated interest, 2.00% per annum in excess of the Applicable Margin for LIBO Rate Term Loans plus the LIBO Rate and (y) overdue amounts with respect to fees shall bear interest at a rate per annum equal to 2.00% per annum in excess of the Applicable Margin for Base Rate Term Loans plus the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a LIBO Rate Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the LIBO Rate for each Interest Period applicable to the respective LIBO Rate Term Loans and shall promptly notify the Lead Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

2.09 Interest Periods. At the time the Lead Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBO Rate Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBO Rate Term Loan (in the case of any subsequent Interest Period), the Lead Borrower shall have the right to elect the interest period (each, an “Interest Period”) applicable to such LIBO Rate Term Loan, which Interest Period shall, at the option of the Lead Borrower be a one, two, three or six month period; or, if agreed to by all Lenders, a twelve month period, or, if agreed to by the Administrative Agent a period less than one month; provided that (in each case):

(i) all LIBO Rate Term Loans comprising a Borrowing shall at all times have the same Interest Period;
(ii) the initial Interest Period for any LIBO Rate Term Loan shall commence on the date of Borrowing of such LIBO Rate Term Loan (including, in the case of LIBO Rate Term Loans, the date of any conversion thereto from a Borrowing of Base Rate Term Loans and each Interest Period occurring thereafter in respect of such LIBO Rate Term Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a LIBO Rate Term Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided, however, that if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a LIBO Rate Term Loan may be selected at any time when a Default or an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date thereof.

Notwithstanding the foregoing or anything to the contrary contained in this Agreement, (a) the initial Borrowing of the 2017 Additional Term Loans on the Amendment No. 1 Effective Date shall be a LIBO Rate Term Loan and (b) the Interest Period with respect to such 2017 Additional Term Loans shall commence on the Amendment No. 1 Effective Date and shall end on June 30, 2017 with the “LIBO Rate” equal to 1.044670% for such Interest Period.

With respect to any LIBO Rate Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, the Lead Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into a single Borrowing of the same Type under such Tranche, in each case, by having the Lead Borrower give notice thereof together with its election of one or more Interest Periods, in each case so long as each resulting Borrowing (x) has an Interest Period which complies with the foregoing requirements of this Section 2.09, (y) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (z) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBO Rate Term Loans, the Lead Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBO Rate, the Lead Borrower shall be deemed to have elected in the case of LIBO Rate Term Loans, to convert such LIBO Rate Term Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.

2.10 Increased Costs, Illegality, etc.

(a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank Eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBO Rate;

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBO Rate Term Loan because of any change since the Closing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the official interpretation or administration thereof and including the
introduction of any new law or governmental rule, regulation, order, official guideline or request, such as, but not limited to: (A) any additional Tax imposed on any Lender (except Indemnified Taxes or Other Taxes indemnified under Section 5.04 or any Excluded Taxes) or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the LIBO Rate; or

(iii) at any time, that the making or continuance of any LIBO Rate Term Loan has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law) or (z) impracticable as a result of a contingency occurring after the Closing Date which materially and adversely affects the interbank Eurodollar market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Lead Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBO Rate Term Loans shall no longer be available until such time as the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by the Lead Borrower with respect to LIBO Rate Term Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrowers, (y) in the case of clause (ii) above, the Borrowers agree, jointly and severally, to pay to such Lender, upon such Lender’s written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice setting forth the additional amounts owed to such Lender, showing in reasonable detail the basis for calculation thereof, shall be submitted to the Borrowers by such Lender and shall, absent manifest error, be final and conclusive and binding on all the parties hereto), (z) in the case of clause (iii) above, the Borrowers shall take one of the actions specified in Section 2.10(c) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBO Rate Term Loan is affected by the circumstances described in Section 2.10(a)(ii), the Lead Borrower may, and in the case of a LIBO Rate Term Loan affected by the circumstances described in Section 2.10(a)(iii), the Lead Borrower shall, either (x) if the affected LIBO Rate Term Loan is then outstanding, upon at least three Business Days’ written notice to the Administrative Agent pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected LIBO Rate Term Loan is then outstanding, upon at least three Business Days’ written notice to the Administrative Agent, require the affected Lender to convert such LIBO Rate Term Loan into a Base Rate Term Loan, provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.10(b).

(c) If any Lender determines that after the Closing Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital or liquidity requirements, or any change in interpretation or administration thereof by the NAIC or any other Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital or liquidity required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender’s Commitments hereunder or its obligations hereunder, then the Borrowers, jointly and severally, agree to pay to such Lender, upon its written demand therefor, such additional documented amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender’s determination of compensation owing under this Section 2.10(c) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Lead Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.
(d) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III ((x) and (y) collectively referred to as “Dodd-Frank and Basel III”), shall be deemed to be a change after the Closing Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented (including for purposes of this Section 2.10).

Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 2.10 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time.

2.11 Compensation. The Borrowers, jointly and severally, agree to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum “LIBO Rate”) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Term Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its LIBO Rate Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Term Loans is not made on any date specified in a notice of prepayment given by the Lead Borrower; or (iv) as a consequence of any other default by the Borrowers to repay LIBO Rate Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(a)(i) or (ii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender, it will, if requested by the Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in Sections 2.10, 5.04 and 13.01(a)(ii).

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender or (z) in the case of a refusal by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Lead Borrower shall have the right, if no Event of Default then exists (or, in the case of preceding clause (z), will exist immediately after giving effect to such replacement), to replace such Lender (the “Replaced Lender”) with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the “Replacement Lender”) and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent’s consent would be required for an assignment to such Replacement Lender pursuant to Section 13.04); provided that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among the Lead Borrower, the Replacement Lender and the Replaced Lender) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Term Loans of, the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender

Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.15 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the Borrowers, (x) the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to facts and circumstances occurring prior to the effective date of such replacement. In connection with any replacement of Lenders pursuant to, and as contemplated by, this Section 2.13, each Borrower hereby irrevocably authorizes Holdings to take all necessary action, in the name of such Borrower, as described above in this Section 2.13 in order to effect the replacement of the respective Lender or Lenders in accordance with the preceding provisions of this Section 2.13.

2.14 Extended Term Loans

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.14, the Lead Borrower may at any time and from time to time when no Event of Default then exists request that all or a portion of the Initial Term Loans, the Extended Term Loans or any Tranche of Incremental Term Loans (each, an “Existing Initial Term Loan Tranche,” “Existing Extended Term Loan Tranche” and “Existing Incremental Term Loan Tranche,” respectively), together with any related outstandings, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of the principal amount (and related outstandings) of such Initial Term Loans, Extended Term Loans or Incremental Term Loans (any such Loans which have been so converted, “Extended Initial Term Loans,” “Extended Existing Term Loans” and “Extended Incremental Term Loans,” respectively) and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, the Lead Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, an “Extension Request”) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) be identical to the Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; and (v) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans were converted) are repay in full, unless such optional prepayment is accompanied by a pro rata optional prepayment of such other Term Loans; provided, however, that (A) in no event shall the final maturity date of any Extended Term Loans of a given Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Term Loans hereunder and (B) the Weighted
Average Life to Maturity of any Extended Term Loans of a given Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of any other Tranche of Term Loans then outstanding. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an “Extension Series”) of Extended Term Loans, as applicable, for all purposes of this Agreement; provided that any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Term Loan Tranche.

(b) [Reserved]

c) The Lead Borrower shall provide the applicable Extension Request at least ten (10) Business Days prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an “Extending Term Loan Lender”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a pro rata basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

d) Extended Term Loans shall be established pursuant to an amendment (each, an “Extension Amendment”) to this Agreement among the Borrowers, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Initial Term Loan Commitments so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.

e) Extensions consummated by the Borrowers pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14, provided that such consent shall not be deemed to be an acceptance of any Extension Request.

f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 5.02(a) with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans converted pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 5.02(a)), (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d)(i), (iv) establish new Tranches or sub-Tranches in
respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches or sub- Tranches, in each case on terms consistent with this Section 2.14, and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.

2.15 Incremental Term Loan Commitments

(a) The Lead Borrower shall have the right, in consultation and coordination with the Administrative Agent as to all of the matters set forth below in this Section 2.15, but without requiring the consent of any of the Lenders, to request at any time and from time to time that one or more Lenders (and/or one or more other Persons which are Eligible Transferees and which will become Lenders) provide Incremental Term Loan Commitments to the Borrowers and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Commitment Agreement, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by the Lead Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in U.S. Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Commitment Agreement shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $25,000,000,000, (v) the aggregate amount of all Incremental Term Loan Commitments provided pursuant to this Section 2.15 after the Closing Date and all Indebtedness incurred pursuant to Section 10.04(xxvii)(A) shall not exceed the sum of (x) $100,000,000 (the "First Lien Fixed Dollar Incremental Amount") less the aggregate amount of Indebtedness and commitments incurred under the Second Lien Fixed Dollar Incremental Amount, plus (y) the sum of all voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxvii) that ranks pari passu with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.19 or Section 2.20 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary therefor) (in each case other than with the proceeds of long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement)) in each case prior to the date of incurrence of any such Incremental Term Loan Commitments plus (z) an unlimited amount so long as the Consolidated First Lien Net Leverage Ratio, determined on a Pro Forma Basis as of such date would not exceed 3.50 to 1.00; (vi) the proceeds of all Incremental Term Loans incurred by the Borrowers may be used for any purpose not prohibited under this Agreement, (vii) each Incremental Term Loan Commitment Agreement shall specifically designate, with the approval of the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied), (viii) to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of preceding clause (vii)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02; provided that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments)); provided, however, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Commitment Agreement; provided, however, that if the Effective Yield for any such Incremental Term
Loans exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.50% per annum, the Applicable Margins for all then outstanding Initial Term Loans shall be increased as of such date in accordance with the requirements of the definition of “Applicable Margin” and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans and such other differences as may be reasonably satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by the Borrowers shall be Obligations of the Borrowers under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under each relevant Guaranty, on a pari passu basis with all other Term Loans secured by the Security Agreement and guaranteed under each such Guaranty, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Commitment Agreement shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Commitment Agreement as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, the Borrowers, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an “Incremental Term Loan Lender”) shall execute and deliver to the Administrative Agent an Incremental Term Loan Commitment Agreement substantially in the form of Exhibit L (appropriately completed), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Commitment Agreement shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Commitment Agreement, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Term Notes will be issued at the Borrowers’ expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Commitment Agreement shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; provided that, with the consent of the Administrative Agent, the parties to a given Incremental Term Loan Commitment Agreement may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Commitment Agreement shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) the new Incremental Term Loans shall have the same Scheduled Repayment dates as then remain with respect to the Tranche to which such new Incremental Term Loans are being added (with the amount of each Scheduled Repayment applicable to such new Incremental Term Loans to be the same (on a proportionate basis) as is theretofore applicable to the Tranche to which such new Incremental Term Loans are being added, thereby increasing the amount of each then remaining Scheduled Repayment of the respective Tranche proportionately; and

- 56 -
on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a pro rata basis. To the extent the provisions of preceding clause (iii) require that Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of LIBO Rate Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having short Interest Periods i.e., an Interest Period that began during an Interest Period then applicable to outstanding LIBO Rate Term Loans of such Tranche and which will end on the last day of such Interest Period). All determinations by any Lender pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(a) The Lead Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement (“Refinancing Term Loans”), which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement selected by the Lead Borrower; provided, that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded plus unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; provided that such aggregate principal amount may also be increased to the extent such additional amount is capable of being incurred at such time pursuant to Section 2.15 and such excess incurrence shall for all purposes hereof be an incurrence under the relevant subclauses of Section 2.15. Each such notice shall specify the date (each, a “Refinancing Effective Date”) on which the Lead Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; provided that:

(i) the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final maturity before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than pro rata basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by the Lead Borrower and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than Holdings, the Borrowers or a Subsidiary Guarantor;

(iv) in the case of any such Refinancing Term Loans that are secured such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of the Lead Borrower or any of its Subsidiaries other than the Collateral;
(v) all other terms applicable to such Refinancing Term Loans (except as set forth above) shall (I) be substantially identical to, or (II) (taken as a whole) be otherwise not materially more favorable to the Refinancing Term Loan Lenders than those applicable to the then outstanding Term Loans, except to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date as of the date such Indebtedness was incurred (provided that a certificate of a Responsible Officer of the Lead Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material terms and conditions of such Indebtedness or drafts of the documentation relating thereto, stating that the Lead Borrower has determined in good faith that such terms and conditions satisfy the requirement set out in the foregoing clause (v), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to the Lead Borrower of an objection during such five Business Day period (including a reasonable description of the basis upon which it objects)).

(b) The Lead Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a “Refinancing Term Loan Lender”); provided that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans for all purposes of this Agreement; provided that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(c) The Administrative Agent and the Lenders hereby consent to the transactions contemplated by Section 2.18(a) (including, for the avoidance of doubt, the payment of interest, fees, amortization or premium in respect of the Refinancing Term Loans on the terms specified by the Lead Borrower) and hereby waive the requirements of this Agreement or any other Credit Document that may otherwise prohibit any transaction contemplated by Section 2.18(a). The Refinancing Term Loans shall be established pursuant to an amendment to this Agreement among Holdings, the Borrowers and the Refinancing Term Loan Lenders providing such Refinancing Term Loans (a “Refinancing Term Loan Amendment”) which shall be consistent with the provisions set forth in Section 2.18(a). Each Refinancing Term Loan Amendment shall be binding on the Lenders, the Administrative Agent, the Credit Parties party thereto and the other parties hereto without the consent of any other Lender and the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of Section 2.18 including such technical amendments as may be necessary or appropriate in connection therewith and to adjust the amortization schedule in Section 5.02(a) (insofar as such schedule relates to payments due to Lenders the Term Loans of which are refinanced with the proceeds of Refinancing Term Loans; provided that no such amendment shall reduce the pro rata share of any such payment that would have otherwise been payable to the Lenders, the Term Loans of which are not refinanced with the proceeds of Refinancing Term Loans). The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with the Borrowers to effect the foregoing.

If the Lead Borrower commences any Auction (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of such Auction have in fact been satisfied), and if at such time of commencement the Lead Borrower believes in good faith that all required conditions set forth above which are required to be satisfied at the time of the purchase of Term Loans pursuant to such Auction shall be satisfied, then the Lead Borrower shall have no liability to any Lender for any termination of such Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Auction, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans made by the Lead Borrower pursuant to this Section 2.19, (x) the Lead Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date of such purchase and (y) such purchases (and the payments made by the Lead Borrower and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 mutatis mutandis as if each reference therein to the “Administrative Agent” were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Auction.

(v) each Borrower shall make the No Undisclosed Information Representation; and

(b) notwithstanding anything to the contrary in the definition of “Required Lenders,” or in Section 13.12, the holder of any Term Loans acquired pursuant to this Section 2.21(b) (other than Debt Fund Affiliates) shall not be entitled to vote such Term Loans in any “Required Lender” vote pursuant to the terms of this Agreement or any other Credit Document (it being understood that the holder of such Term Loans shall have the right to consent to votes requiring the consent of “all Lenders” or “all Lenders directly and affected thereby” pursuant to Section 13.12 or otherwise, or any other amendment which treats such Lenders differently from other Lenders), and for purposes of any such vote such Term Loans shall be deemed not to be outstanding.

(h) Term Loans acquired by the Sponsor and Affiliates thereof shall be subject to the voting limitations set forth in Section 13.04(f); and

(i) notwithstanding anything in Section 13.12 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Term Loans held by the Sponsor and its Affiliates (including Debt Fund Affiliates) may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 13.12.

Such fees shall be due and payable upon the date of the effectiveness of such Repricing Transaction.

4.02 Mandatory Reduction of Commitments

(a) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, (i) prior to the Amendment No. 1 Effective Date, the Total Initial Term Loan Commitment terminated in its entirety on the Closing Date and (ii) the 2017 Additional Term Commitment shall terminate in its entirety on the Closing Amendment No. 1 Effective Date (after giving effect to the incurrence of Initial 2017 Additional Term Loans on such date).

(b) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Incremental Term Loan Commitment pursuant to an Incremental Term Loan Commitment Agreement (and the Incremental Term Loan Commitment of each Lender with such a Commitment) shall terminate in its entirety on the Incremental Term Loan Borrowing Date for such Total Incremental Term Loan Commitment (after giving effect to the incurrence of the relevant Incremental Term Loans on such date).

(c) Each reduction to the Total Initial Term Loan Commitment and the Total Incremental Term Loan Commitment under a given Tranche pursuant to this Section 4.02 as provided above (or pursuant to Section 5.02) shall be applied proportionately to reduce the Initial Term Loan Commitment or the Incremental Term Loan Commitment under such Tranche, as the case may be, of each Lender with such a Commitment.

Section 5. Prepayments; Payments; Taxes

5.01 Voluntary Prepayments

(a) The Borrowers shall have the right to prepay the Term Loans, without premium or penalty (other than as provided in Section 4.01(c)), in whole or in part at any time and from time to time on the following terms and conditions: (i) the Lead Borrower shall give the Administrative Agent at its Notice Office written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay the Term Loans, whether such Term Loans are Initial Term Loans or Incremental Term Loans of a given Tranche, the amount of the Term Loans to be prepaid, the Types of Term Loans to be repaid, the manner in which such prepayment shall apply to reduce the Scheduled Repayments and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings pursuant to which made, which notice shall be given by the Lead Borrower (x) prior to 12:00 Noon (New York City time) at least one Business Day prior to the date of such prepayment in the case of Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of LIBO Rate Term Loans (or, in the case of clause (x) and (y), such shorter period as the Administrative Agent shall agree in its sole and absolute discretion), and be promptly transmitted by the Administrative Agent to each of the Lenders; (ii) each partial prepayment of Term Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least $1,000,000 or such lesser amount as is acceptable to the Administrative Agent; provided that if any partial prepayment of LIBO Rate Term Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of LIBO Rate Term Loans made pursuant to such
Borrowing to an amount less than the Minimum Borrowing Amount, then if such Borrowing is a Borrowing of LIBO Rate Term Loans, such Borrowing shall automatically be converted into a Borrowing of Base Rate Term Loans and any election of an Interest Period with respect thereto given by the Lead Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans; provided that it is understood and agreed that this clause (iii) may be modified as expressly provided in Section 2.14 in connection with an Extension Amendment; and (iv) each prepayment of principal of Term Loans of a given Tranche pursuant to this Section 5.01(a) shall be applied as directed by the Lead Borrower in the applicable notice of prepayment delivered pursuant to Section 5.01(a) or, if no such direction is given, in direct order of maturity. Notwithstanding anything to the contrary contained in this Agreement, any such notice of prepayment pursuant to this Section 5.01(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities, the occurrence of a Change of Control or any similar event), in which case such notice may be revoked by the Lead Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) In the event (i) of a refusal by a Lender to consent to certain proposed changes, amendments, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), or (ii) any Lender becomes a Defaulting Lender, Borrowers may, upon five Business Days’ prior written notice from the Lead Borrower to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders) repay all Term Loans, together with accrued and unpaid interest, Fees and other amounts owing to such Lender in accordance with, and subject to the requirements of, said Section 13.12(b), so long as the consents, if any, required under Section 13.12(b) in connection with the repayment pursuant to clause (b) have been obtained. Each prepayment of any Term Loan pursuant to this Section 5.01(b) shall reduce the then remaining Scheduled Repayments of the applicable Tranche of Term Loans on a pro rata basis (based upon the then remaining unpaid principal amounts of Scheduled Repayments of the respective Tranche after giving effect to all prior reductions thereto).

5.02 Mandatory Repayments.

(a) In addition to any other mandatory repayments pursuant to this Section 5.02, the Borrowers, jointly and severally, shall be required to repay to the Administrative Agent for the ratable account of the Lenders (i) on the last Business Day of each March, June, September and December, commencing with the last Business Day of the first full fiscal quarter after the Closing Date, June 30, 2017, an aggregate principal amount of Initial Term Loans equal to 1.25% of the aggregate principal amount of all Initial Term Loans outstanding on the Closing Date, $7,452,532.00 and (ii) on the Initial Maturity Date for Initial Term Loans, the aggregate principal amount of all Initial Term Loans outstanding on such date (each such repayment described in clauses (i) and (ii), as the same may be reduced as provided in this Agreement, including in Section 2.19, 2.20, 5.01 or 5.02(g), or as a result of the application of prepayments in connection with any Extension as provided in Section 2.14, a “Scheduled Repayment”).

(b) In addition to any other mandatory repayments pursuant to this Section 5.02, the Borrowers shall be required to make, with respect to each new Tranche (i.e., other than Initial Term Loans, which are addressed in the preceding clause (a)) of Term Loans to the extent then outstanding, scheduled amortization payments of such Tranche of Term Loans to the extent, and on the dates and in the principal amounts, set forth in the Incremental Term Loan Commitment Agreement, Refinancing Term Loan Amendment or Extension Amendment applicable thereto.

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any issuance or incurrence of Indebtedness (other than Indebtedness permitted to be incurred pursuant to Section 10.04 (other than Refinancing Term Loans and Refinancing Notes, an amount equal to 100% of the Net Debt Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h)).
(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale, an amount equal to 100% of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(e) and (h); provided, however, with respect to no more than $10,000,000 in the aggregate of such Net Sale Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Sale Proceeds shall not be required to be so applied or used to make mandatory repayments of Term Loans if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply all or a portion of such Net Sale Proceeds (i) in the case of ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness secured by Liens ranking senior to the Lead Borrower and the Indebtedness hereunder on such ABL Collateral (as defined in the Intercreditor Agreement) and in the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest in such Net Sale Proceeds, within 18 months following the date of receipt by the Lead Borrower or its Restricted Subsidiaries of such Net Sale Proceeds, the Lead Borrower or its Restricted Subsidiaries have not so used all or a portion of such Net Sale Proceeds otherwise required to be applied as a mandatory repayment pursuant to this sentence, the remaining portion of such Net Sale Proceeds shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, on each Excess Cash Flow Payment Date, an amount equal to the remainder of (i) the Applicable Prepayment Percentage of the Excess Cash Flow for the related Excess Cash Flow Payment Period less (ii) the aggregate amount of all (x) voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxxvii) that rank pari passu with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.19 or Section 2.20 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary therefor) and (y) prepayments of revolving loans under the ABL Credit Agreement or any other Indebtedness secured by a Lien on the Collateral ranking pari passu with the Lien on the Collateral securing the ABL Credit Agreement or senior or pari passu with the Lien on the Collateral securing the Indebtedness hereunder, in each case, to the extent accompanied by a permanent reduction in commitments therefor and not financed with the incurrence of other long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement), during such Excess Cash Flow Payment Period shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Insurance Event, an amount equal to 100% of the Net Insurance Proceeds from such Insurance Event shall be applied as a mandatory repayment in accordance with the requirements of Section 5.02(e) and (h); provided, however, with respect to no more than $10,000,000 in the aggregate of such Net Insurance Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply such Net Insurance Proceeds (i) in the case of ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness secured by Liens ranking senior to the Lead Borrower and the Indebtedness hereunder on such ABL Collateral (as defined in the Intercreditor Agreement) and in the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such proceeds (or, if within such 12-month period, that if within 12 months (or, to the extent applicable, 18 months) after the

Prepayments pursuant to Section 5.02(c) shall be applied to the Tranche or Tranches of Term Loans selected by the Lead Borrower. Except as otherwise provided below, all repayments of outstanding Term Loans of a given Tranche pursuant to Sections 5.02(c), (d), (e) and (f) and applied pursuant to this clause (g) shall be applied to reduce the Scheduled Repayments of the applicable Tranche in direct order of maturity of such Scheduled Repayments.

(h) With respect to each repayment of Term Loans required by this Section 5.02, the Lead Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such LIBO Rate Term Loans were made, provided that: (i) repayments of LIBO Rate Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such LIBO Rate Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans. In the absence of a designation by the Lead Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

(j) Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Asset Sale"), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a "Foreign Recovery Event") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Initial Term Loans at the times provided in this Section 5.02 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (the relevant Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of such Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law or applicable organizational documents of such Foreign Subsidiary, such repatriation will be immediately effected and such repatriated Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof and additional costs relating to such repatriation) to the repayment of the Initial Term Loans pursuant to this Section 5.02 or (ii) to the extent that such Borrower has reasonably determined in good faith that repatriation of any or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Asset Sale or Foreign Recovery Event or Foreign Subsidiary Excess Cash Flow would have material adverse tax cost consequences with respect to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow, such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.
(k) The Lead Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of the Lead Borrower’s repayment notice and of such Lender’s pro rata share of any repayment. Each Lender may reject all or a portion of its pro rata share of any mandatory repayment (such declined amounts, the “Declined Proceeds”) of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) by providing written notice (each, a “Rejection Notice”) to the Administrative Agent and the Lead Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender’s receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled. Any Declined Proceeds must first be offered to prepay Indebtedness under the Second Lien Credit Agreement in accordance with the terms thereof and, if further declined, may be retained by the Lead Borrower in accordance with this Agreement (“Retained Declined Proceeds”).

5.03 Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement and under any Note shall be made to the Administrative Agent or the account of the Lender or Lenders entitled thereto not later than 2:00 pm (New York City time) on the date when due and shall be made in U.S. Dollars in immediately available funds at the Payment Office of the Administrative Agent shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date shall, at the option of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension.

5.04 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable law. If any Taxes are required to be withheld or deducted from such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable shall be increased as necessary so that after making all required deductions or withholdings (including deduction or withholdings applicable to additional sums payable under this Section 5.04), the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Indemnified Taxes or Other Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by the applicable Credit Party. The Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 days of written request therefor, for the amount of any Indemnified Taxes (including any Indemnified Taxes imposed on amounts payable under this Section 5.04) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any Other Taxes, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.
(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documents required below in Section 5.04(c)) expired, obsolete or inaccurate in any respect, deliver promptly to the Lead Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Lead Borrower or the Administrative Agent) or promptly notify the Lead Borrower and the Administrative Agent in writing of its inability to do so.

(c) Without limiting the generality of the foregoing: (x) each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to the Lead Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 2.13 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, (i) two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or Form W-8BEN-E (or successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party or Form W-8ECI (or successor form), or (ii) in the case of a Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of “portfolio interest,” a certificate substantially in the form of Exhibit C (any such certificate, a “U.S. Tax Compliance Certificate”) and two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or W-8BEN-E (or successor form) certifying to such Lender’s entitlement as of such date to a complete exemption from U.S. withholding tax with respect to payments of interest to be made under this Agreement and under any Note; or (ii) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two accurate and complete signed copies of Internal Revenue Service Form W-8IMY (or successor form) of the Lender, accompanied by Form W-8ECI, Form W-8BEN, Form W-8BEN-E, U.S. Tax Compliance Certificate, Form W-8IMY, and/or any other required information (or successor or other applicable form) from each beneficial owner that would be required under this Section 5.04(c) if such beneficial owner were a Lender (provided that, if the Lender is a partnership for U.S. federal income Tax purposes (and not a participating Lender), and one or more beneficial owners are claiming the portfolio interest exemption), the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owners; (y) Each Lender that is a United States person, as defined in Section 7701(a)(30) of the Code, shall deliver to the Lead Borrower and the Administrative Agent, at the times specified in Section 5.04(b), two accurate and complete signed copies of Internal Revenue Service Form W-9, or any successor form that such Person is entitled to provide at such time, in order to qualify for an exemption from United States back-up withholding requirements; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times prescribed by applicable law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Lead Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.04(c)(z), “FATCA” shall include any amendment made to FATCA after the Closing Date.
Notwithstanding any other provision of this Section 5.04, a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

Notwithstanding any other provision in this Agreement or any other Credit Document, no FSHCO, Foreign Subsidiary, or Subsidiary of a CFC or FSHCO shall be required to pledge any of its assets to secure any obligations of the Borrowers under the Credit Documents or guarantee the obligations of the Borrowers under the Credit Documents.

(b) Subject to the terms of the ABL Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement, with respect to any person that is or becomes a Restricted Subsidiary after the Closing Date, promptly (i) deliver to the Collateral Agent the certificates, if any, representing all (or such lesser amount as is

(c) The Lead Borrower will, and will cause each of the other Credit Parties that are Restricted Subsidiaries of the Lead Borrower to, at the expense of the Lead Borrower, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent, promptly, upon the reasonable request of the Administrative Agent or the Collateral Agent, at Borrower’s expense, any document or instrument supplemental to or confirmatory of the Security Documents, including opinions of counsel, or otherwise deemed by the Administrative Agent or the Collateral Agent reasonably necessary for the continued validity, perfection and priority (subject to the ABL Intercreditor Agreement) of the Liens on the Collateral covered thereby subject to no other Liens except for Permitted Liens or as otherwise permitted by the applicable Security Document.

(d) If the Administrative Agent reasonably determines that it or the Lenders are required by law or regulation to have appraisals prepared in respect of any Mortgaged Property, the Lead Borrower will, at its own expense, provide to the Administrative Agent appraisals which satisfy the applicable requirements of the Real Estate Appraisal Reform Amendments of the Financial Institution Reform, Recovery and Enforcement Act of 1989, as amended, and which shall otherwise be in form and substance reasonably satisfactory to the Administrative Agent.

(e) the Lead Borrower agrees that each action required by clauses (a) through (d) of this Section 9.12 shall be completed as soon as reasonably practicable, but in no event later than 90 days after such action is required to be taken pursuant to such clauses or requested to be taken by the Administrative Agent or the Required Lenders (or such longer period as the Administrative Agent shall otherwise agree), as the case may be; provided that, in no event will the Lead Borrower or any of its Restricted Subsidiaries be required to take any action, other than using its commercially reasonable efforts, to obtain consents from third parties with respect to its compliance with this Section 9.12.

(f) Upon request from the Administrative Agent, the Lead Borrower shall provide the Administrative Agent with evidence of flood insurance in accordance with Section 9.03 and any additional information necessary to ensure compliance with the Flood Insurance Laws.

9.13 Post-Closing Actions. The Lead Borrower agrees that it will, or will cause its relevant Subsidiaries to, complete each of the actions described on Schedule 9.13 as soon as commercially reasonable and by no later than the date set forth in Schedule 9.13 with respect to such action or such later date as the Administrative Agent may reasonably agree.

9.14 Permitted Acquisitions.

(a) Subject to the provisions of this Section 9.14 and the requirements contained in the definition of Permitted Acquisition, the Lead Borrower and its Restricted Subsidiaries may from time to time after the Closing Date effect Permitted Acquisitions, so long as (in each case except to the extent the Required Lenders otherwise specifically agree in writing in the case of a specific Permitted Acquisition): (i) no Event of Default shall have
occurred and be continuing at the time of the consummation of the proposed Permitted Acquisition or immediately after giving effect thereto and (ii) at the
time of the consummation of any Permitted Acquisition, the Consolidated Total Net Leverage Ratio, determined on a Pro Forma Basis as of the last day of
the most recently ended Test Period for which Section 9.01 Financials were required to have been delivered, does not exceed 5.25 to 1.00; provided that the
aggregate consideration paid by the Lead Borrower and its Restricted Subsidiaries in connection with Permitted Acquisitions consummated from and after
the Closing Date where the Acquired Entity or Business does not become a Credit Party or owned by a Credit Party, shall not exceed the sum of (x) the
greater of $25,000,000 and 2.5% of Consolidated Total Assets (measured at the time of such Permitted Acquisition is consummated), plus (y) the Available
Amount.

(b) At the time of each Permitted Acquisition involving the creation or acquisition of a Restricted Subsidiary, or the acquisition of Equity Interests of
any Person, the Equity Interests thereof created or acquired in connection with such Permitted Acquisition shall be pledged for the benefit of the Secured
Creditors pursuant to (and to the extent required by) the Pledge Agreement; provided that the pledge of the outstanding capital stock of any FSHCO or
Foreign Subsidiary that is a CFC directly owned by the Lead Borrower or a Domestic Subsidiary that is a Credit Party shall be limited to (x) no more than
sixty-five percent (65%) of the total combined voting power for all classes of the voting Equity Interests of such FSHCO or Foreign Subsidiary that is a CFC
and (y) one-hundred percent (100%) of the non-voting Equity Interest of such FSHCO or Foreign Subsidiary that is a CFC; provided that for the avoidance
of doubt, no FSHCO, Foreign Subsidiary that is a CFC, or Subsidiary of a CFC shall be required to pledge any of its assets in connection with any such
Permitted Acquisition.

(c) Each Borrower shall cause each Restricted Subsidiary (other than an Excluded Subsidiary) which is formed to effect, or is acquired pursuant to, a
Permitted Acquisition to comply with, and to execute and deliver all of the documentation as and to the extent required by, Section 9.12, to the reasonable
satisfaction of the Administrative Agent.

(d) The consummation of each Permitted Acquisition shall be deemed to be a representation and warranty by each Borrower that the certifications
pursuant to this Section 9.14 are true and correct in all material respects and that all conditions thereto have been satisfied and that same is permitted in
accordance with the terms of this Agreement, which representation and warranty shall be deemed to be a representation and warranty for all purposes
hereunder, including, without limitation, Sections 8 and 11.

(e) Notwithstanding anything to the contrary contained herein, if the Lead Borrower has made a LCT Election pursuant to Section 1.03 in respect of a
Permitted Acquisition, then any determination of compliance with the provisions of Section 9.14(a)(i) and 9.14(d) shall be made effective as of the date of
entering the definitive agreement for such Permitted Acquisition.

9.15 Credit Ratings. The Lead Borrower shall use commercially reasonable efforts to maintain a corporate credit rating from S&P and a corporate
family rating from Moody’s, in each case, with respect to the Lead Borrower, and a credit rating from S&P and Moody’s with respect to the Indebtedness

9.16 Designation of Subsidiaries. The Lead Borrower may at any time after the Closing Date designate any Restricted Subsidiary of the Lead
Borrower as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary by written notice to the Administrative Agent; provided
that (i) immediately before and after such designation, no Event of Default shall have occurred and be continuing, (ii) immediately after giving effect to such
designation, the Consolidated Total Net Leverage Ratio, determined on a Pro Forma Basis as of the last day of the most recently ended Test Period for
which Section 9.01 Financials were required to have been delivered, does not exceed 5.25 to 1.00, (iii) in the case of the designation of any Subsidiary as an
Unrestricted Subsidiary, such designation shall constitute an Investment in such Unrestricted Subsidiary (calculated as an amount equal to the sum of (x) the
fair market value of the Subsidiary designated immediately prior to such designation (such fair market value to be calculated without regard to any
Obligations of such Subsidiary under the Subsidiaries Guaranty) and (y) the aggregate principal amount of any Indebtedness owed by the Subsidiary to the
Lead Borrower or any of its Subsidiaries immediately prior to such designation, all calculated, except as set forth in the parenthetical to clause (x) above, on
a consolidated basis in accordance with U.S. GAAP), and such Investment shall be permitted under Section 10.05. (iv) no Subsidiary may be designated as

The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary existing at such time and (ii) a return on any Investment by the Lead Borrower in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the fair market value at the date of such designation of the Lead Borrower’s Investment in such Subsidiary.

Section 12. The Administrative Agent.

12.01 Appointment and Authorization.

(a) Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Sections 12.08, 12.10 and 12.11) are solely for the benefit of the Administrative Agent and the Lenders, and neither any Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” or “security trustee” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies hereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” or “security trustee” under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement) hereby authorizes the Administrative Agent to enter into the ABL Intercreditor Agreements, the First Lien/Second Lien Intercreditor Agreement, any Additional Intercreditor Agreement, any Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement permitted under this Agreement and any such intercreditor agreement shall be binding upon the Lenders.

12.02 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.
12.03 *Exculpatory Provisions.* The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Lead Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Lead Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

12.04 *Reliance by Administrative Agent.* The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Term Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Term Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Lead Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

12.05 *No Other Duties, Etc.* Anything herein to the contrary notwithstanding, none of the Lead Arrangers or the Amendment No. 1 Lead Arrangers shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender hereunder.

12.06 *Non-reliance on Administrative Agent and Other Lenders.* Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.
12.07 Indemnification by the Lenders. To the extent that the Lead Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by it to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender’s pro rata share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Lead Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.
The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Credit Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a) through (a)(v) of Section 13.04 of this Agreement, and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents. The Administrative Agent may at any time give notice of its resignation (including as Collateral Agent) to the Lenders and the Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by the Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Credit Documents, the retiring Administrative Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors’ security interest thereon until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of the Lead Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent’s resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.
12.11 Collateral Matters and Guaranty Matters

Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Credit Document (i) upon termination of the Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (iii) that constitutes Excluded Collateral, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty pursuant to clause (b) below or (v) if approved, authorized or ratified in writing in accordance with Section 13.12;

(b) to release any Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Credit Document to the holder of any Lien on such property that is permitted by Section 10.01(iv), 10.01(vi), 10.01(vii), 10.01(xiv), and 10.01(xxx) (in the case of clause (ii)) or any other Lien that is permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release any Lien securing the Obligations upon the incurrence of any Lien permitted by Section 10.01 with respect to specified assets if the Lien securing the Obligations is not allowed by the documentation creating such Lien or related documentation.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrowers’ expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements. No Guaranteed Creditor that obtains the benefits of Section 11, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor.
12.13 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrowers pursuant to Section 5.04 and without limiting or expanding the obligation of the Borrowers to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any and all amounts due and owing to the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

Section 13. Miscellaneous

To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for (x) any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems or (z) any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Agreement or any other Credit Document or the financing contemplated hereby.

13.02 Right of Setoff

(a) In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used exclusively for payroll, payroll taxes, fiduciary and trust purposes, and employee benefits) and any other Indebtedness at any time held or owing by the Administrative Agent or such Lender (including, without limitation, by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the credit or the account of the Lead Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to Section 13.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

ANY PROVISION OF THIS AGREEMENT OR ANY NOTE UNLESS IT IS TAKEN WITH THE CONSENT OF THE REQUIRED LENDERS OR APPROVED IN WRITING BY THE ADMINISTRATIVE AGENT, IF SUCH SETOFF OR ACTION OR PROCEEDING WOULD OR MIGHT (PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 580a, 580b, 580d AND 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE OR SECTION 2924 OF THE CALIFORNIA CIVIL CODE, IF APPLICABLE, OR OTHERWISE) AFFECT OR IMPAIR THE VALIDITY, PRIORITY OR ENFORCEABILITY OF THE LIENS GRANTED TO THE COLLATERAL AGENT PURSUANT TO THE SECURITY DOCUMENTS OR THE ENFORCEABILITY OF THE NOTES AND OTHER OBLIGATIONS HEREUNDER, AND ANY ATTEMPTED EXERCISE BY ANY LENDER OF ANY SUCH RIGHT WITHOUT OBTAINING SUCH CONSENT OF THE REQUIRED LENDERS OR THE ADMINISTRATIVE AGENT SHALL BE NULL AND VOID. THIS SUBSECTION (b) SHALL BE SOLELY FOR THE BENEFIT OF EACH OF THE LENDERS AND THE ADMINISTRATIVE AGENT HEREUNDER.

13.03 Notices.

All such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by overnight courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Administrative Agent and the Lead Borrower shall not be effective until received by the Administrative Agent or the Lead Borrower, as the case may be.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, the Lead Borrower or Holdings may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Holdings, the Borrowers, the Subsidiary Guarantors, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of a Borrower’s, any Credit Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet.
(a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, that no Borrower may assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of the Lenders and, provided, further, that, although any Lender may transfer, assign or grant participation in its rights or obligations hereunder, such Lender shall remain a “Lender” for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 2.13 and 13.04(b) and the transferee, assignee or participant, as the case may be, shall not constitute a “Lender” hereunder and, provided, further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Term Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof or increases in the size of the Commitments, or increase the amount of the participant’s participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory repayment of any Term Loan shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Term Loan shall be permitted without the consent of any participant if the participant’s participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement, (iii) modify any of the voting percentages set forth in Section 13.12 or the underlying definitions, (iv) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral under all the Security Documents supporting the Term Loans in which such participant is participating or (v) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty supporting the Loans in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant’s rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participating lender relating thereto). Each Borrower agrees that each participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the limitations and requirements of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment; provided, however, that a participant shall not be entitled to receive any greater payment under Section 2.10 or Section 5.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant except to the extent such entitlement to a greater payment results from a change in law after the sale of the participation takes place. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each participant and the principal amounts (and interest amounts) of each participant’s interest in the Term Loans or other obligations under the Credit Documents (the “Participant Register”), provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Term Loan, or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such Loan or other obligation notwithstanding any notice to the contrary.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related rights or outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to (i) a person that is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such Lender for the purposes of this subclause (x)(i)(B)); provided that no such assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender, or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (v) assign all, or if less than all, a portion equal to at least $1,000,000 (or such lesser amount as may be agreed to by the Administrative Agent and, so long as no Event of Default then exists under Section 11.01 or 11.05, the Lead Borrower, which consent shall not be unreasonably withheld or delayed) in the aggregate for the assigning Lender or
assigning Lenders, of such Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement (which Assignment and Assumption Agreement shall contain an acknowledgement and agreement by the respective assignee that, as a Lender, it shall be subject to, and bound by the terms of the ABL Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement), provided that (i) at such time, Schedule 2.01 shall be deemed modified to reflect the Commitments and/or outstanding Term Loans, as the case may be, of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender’s indemnifying the Borrowers for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrowers’ expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Term Loans, as the case may be, (iii) the consent of the (A) Administrative Agent and (B) so long as no Event of Default then exists under Section 11.01 or 11.05, the consent of the Lead Borrower shall (in either case) be required in connection with any such assignment pursuant to clause (y) above (which consent, in the case of each of clauses (A) and (B), shall not be unreasonably withheld or delayed); provided that the Lead Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof, (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of $3,500 and (v) no such transfer or assignment shall be effective until recorded by the Administrative Agent (in a manner consistent with the procedures of Section 13.15). To the extent of any assignment pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Term Loans. At the time of each assignment pursuant to this Section 13.04(b) to a Person that is not already a Lender hereunder, such assignee shall provide to the Administrative Agent and the Borrowers such Tax forms as are required to be provided under clauses (b) and (c) of Section 5.04 and shall deliver to the Administrative Agent an Administrative Questionnaire. To the extent that an assignment of all or any portion of a Lender’s Commitments and related outstanding Obligations pursuant to Section 2.13 or this Section 13.04(b) would, at the time of such assignment, result in increased costs under Section 2.10 or 5.04 from those being charged by the assigning Lender prior to such assignment, then the Lead Borrower shall not be obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment). Notwithstanding the foregoing, any sale or assignment pursuant to this Section 13.04(b) to a Sponsor Affiliate shall be made in accordance with Section 2.21 and evidenced via an assignment, in form reasonably satisfactory to the Administrative Agent (a “Sponsor Affiliate Assignment and Assumption”), in accordance with this Section 13.04(b).

(c) The Borrowers shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.19 and 2.20, which purchases shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to the Lead Borrower. No such transfer or assignment shall be effective until recorded by the Administrative Agent (in a manner consistent with the following sentence) on the Register pursuant to Section 13.15. All Term Loans purchased pursuant to Section 2.19 and 2.20 shall be immediately and automatically cancelled and retired, and the Lead Borrower shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as described in this clause (c), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(d) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrowers), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.
(e) Each Lender acknowledges and agrees to comply with the provisions of Section 13.04 applicable to it as a Lender hereunder.

(f) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Sponsor Affiliate Assignment and Assumption shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law now or hereafter in effect ("Bankruptcy Proceedings"), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate’s claim with respect to its Term Loans (a "Claim") (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be held by the Administrative Agent and the Lead Borrower and any updates thereto. The Borrower hereby agrees that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender or prospective Lender or participant.

The Administrative Agent shall have the right, and the Lead Borrower hereby expressly authorizes the Administrative Agent, to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by the Lead Borrower and any updates thereto. The Borrower hereby agrees that any such requesting Lender may share the Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledges and agrees that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrowers or any other Credit Party and the Administrative Agent,
the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its pro rata share of such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker’s lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided therein.

13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); provided that (i) except as otherwise specifically provided herein, all computations of Excess Cash Flow and the Applicable Margin, and all computations and all definitions (including accounting terms) used in determining compliance with Section 9.14, shall utilize U.S. GAAP and policies in conformity with those used to prepare the audited financial statements of the Lead Borrower referred to in Section 8.05(a)(i) for the fiscal year of the Lead Borrower ended December 31, 2015 and, (ii) to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; provided further, that if the Lead Borrower notifies the Administrative Agent that the Lead Borrower wishes to amend any leverage test or any financial definition used therein for such purpose, then the Lead Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; provided, further that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect).
(b) All computations of interest (other than interest based on the Prime Rate) and other Fees hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or Fees are payable. All computations of interest based determined by reference to the Prime Rate shall be based on a 365-day or 366-day year, as the case may be.

(c) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Lead Borrower and the Administrative Agent.

13.10 [Reserved].

13.11 Headings Descriptive. The headings of the several Sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

lesser prepayment, repayment or commitment reduction, alter the required application of any prepayments or repayments (or commitment reduction), as between the various Tranches, pursuant to Section 5.01 or 5.02 (although (x) the Required Lenders may waive, in whole or in part, any such prepayment, repayment or commitment reduction, so long as the application, as amongst the various Tranches, of any such prepayment, repayment or commitment reduction which is still required to be made is not altered and (y) any conversion of any Tranche of Term Loans into another Tranche of Term Loans hereunder in like principal amount and any other conversion of any Tranche of Term Loans into Extended Term Loans pursuant to an Extension Amendment shall not be considered a “prepayment” or “repayment” for purposes of this clause (4)), (5) without the consent of the Majority Lenders of the respective Tranche affected thereby, amend the definition of Majority Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Majority Lenders on substantially the same basis as the extensions of Term Loans and Commitments are included on the Closing Date) or (6) without the consent of the Supermajority Lenders of the relevant Tranche, reduce the amount of or extend the date of, any Scheduled Repayment (except that, if additional Term Loans are made pursuant to a given Tranche, the scheduled repayments of such Tranche may be increased on a proportionate basis without the consent otherwise required by this clause (6)), or amend the definition of Supermajority Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Supermajority Lenders on substantially the same basis as the Initial Term Loans and Initial Term Loan Commitments are included on the Closing Date; and provided further that only the consent the Administrative Agent shall be necessary for amendments described in clause (y) of the second proviso contained in clause (vi) of the definition of “Permitted Junior Loans.”

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clauses (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender’s Commitments and/or repay the outstanding Term Loans of each Tranche of such Lender in accordance with Section 5.01(b), provided that, unless the Commitments that are terminated, and Term Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Term Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto, provided, further, that in any event the Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Term Loans solely as a result of the exercise of such Lender’s rights (and the withholding of any required consent by such Lender pursuant to the second proviso to Section 13.12(a)).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each Incremental Term Loan Lender may, in accordance with the provisions of Section 2.15 enter into an Incremental Term Loan Commitment Agreement, provided that after the execution and delivery by the Borrowers, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Commitment Agreement, such Incremental Term Loan Commitment Agreement, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.

(d) Notwithstanding anything to the contrary in clause (a) above of this Section 13.12, this Agreement may be amended (or amended and restated) (i) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers, (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loan and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and (ii) with the written consent of the Administrative Agent, the Borrowers and the Refinancing Term Loan Lenders, this Agreement and the other Credit Documents shall be amended (or amended and restated) in connection with any refinancing facilities permitted pursuant to Section 2.18.
(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Term Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Majority Lenders, the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of “Majority Lenders” and “Required Lenders” will automatically be deemed modified accordingly for the duration of such period); provided that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

(h) For the avoidance of doubt, any increase, extension or renewal of this Agreement shall be subject to flood insurance due diligence and flood insurance compliance in accordance with Section 9.03 hereof and otherwise reasonably satisfactory to all Secured Creditors.

13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 2.10, 2.11, 5.04, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

13.14 Domicile of Term Loans. Each Lender may transfer and carry its Term Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Term Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 2.10, 2.11 or 5.04 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

13.15 Register. The Borrowers hereby designate the Administrative Agent to serve as their agent, solely for purposes of this Section 13.15, to maintain a register (the “Register”) on which it will record the Commitments from time to time of each of the Lenders, the Term Loans made by each of the Lenders and the stated interest on, and each repayment in respect of the principal amount of, the Term Loans of each Lender. Holdings, each Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, and such Person shall be deemed to have the rights and the duties of, and interest on, the Term Loans made by each Lender, as the case may be, as set forth herein. The Register shall be maintained by the Administrative Agent with respect to ownership of such Commitments and Term Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Term Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Term Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment
or transfer of all or part of a Term Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Term Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The registration of any provision of Incremental Term Loan Commitments pursuant to Section 2.15, as the case may be, or as soon thereafter as practicable, to the extent requested by such Incremental Term Loan Lenders, Term Notes shall be issued, at the Lead Borrower’s expense, to such Incremental Term Loan Lenders, to be in conformity with Section 2.05 (with appropriate modification) to the extent needed to reflect the Incremental Term Loan Commitments, and outstanding Incremental Term Loans made by such Incremental Term Loan Lender.

13.16 Confidentiality

(a) Subject to the provisions of clause (b) of this Section 13.16, each Agent, Lead Arranger and Lender agrees that it will use its commercially reasonable efforts not to disclose without the prior consent of the Lead Borrower (other than to its affiliates and its and their respective directors, officers, employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender’s holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender (or language substantially similar to this Section 13.16(a)) any information with respect to any Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.16(a) by such Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any prospective or actual direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty’s professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 13.16 (or language substantially similar to this Section 13.16(a)), (vii) to any prospective or actual transferee, pledgee or participant in connection with any contemplated transfer, pledge or participation of any of the Notes or Commitments or any interest therein by such Lender and (viii) has become available to any Agent, the Lead Arranger, any Lender, or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, any Borrower or any Subsidiary thereof, and which source is not known by such Person to be subject to a confidentiality restriction in respect thereof in favor of each Borrower or any Affiliate of such Borrower, provided that such prospective transferee, pledge or participant agrees to be bound by the confidentiality provisions contained in this Section 13.16 (or language substantially similar to this Section 13.16(a)); provided, further, that, to the extent permitted pursuant to any applicable law, order, regulation or ruling, and other than in connection with credit and other bank examinations conducted in the ordinary course with respect to such Lender, in the case of any disclosure pursuant to the foregoing clauses (ii), (iii) or (iv), such Lender will use its commercially reasonable efforts to notify the Lead Borrower in advance of such disclosure so as to afford each Borrower the opportunity to protect the confidentiality of the information proposed to be so disclosed.

(b) The Borrowers hereby acknowledge and agree that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to Holdings, the Lead Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of Holdings, the Lead Borrower and its Subsidiaries), provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender.

13.17 USA Patriot Act Notice. Each Lender hereby notifies Holdings and the Lead Borrower that pursuant to the requirements of the USA PATRIOT Act Title III of Pub. 107-56 (signed into law October 26, 2001 and amended on March 9, 2009) (the “Patriot Act”), it is required to obtain, verify, and record information that identifies Holdings, each Borrower and each Subsidiary Guarantor, which information includes the name of each Credit Party and other information that will allow such Lender to identify the Credit Party in accordance with the Patriot Act, and each Credit Party agrees to provide such information from time to time to any Lender.
13.18 Joint and Several Liability. Each Borrower is jointly and severally liable for the Obligations as a primary obligor in respect thereof. The Obligations of each Borrower are independent of the Obligations of each other Borrower, and a separate action or actions may be brought and prosecuted against any Borrower to enforce this Agreement, irrespective of whether any action has been brought against any other Borrower or whether any other Borrower is joined in any such action.

13.19 Waiver of Sovereign Immunity. Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that Holdings, Borrowers, their respective Subsidiaries or any of their properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Term Loans or any Credit Document or any other liability or obligation of Holdings, the Borrowers or any of their respective Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, Holdings and the Borrowers, for themselves and on behalf of their respective Subsidiaries, hereby expressly waive, to the fullest extent permissible under applicable law, any such immunity, and agree not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, Holdings and the Borrowers further agree that the waivers set forth in this Section 13.19 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

13.20 Lead Borrower. Each Borrower hereby designates PAE, in its capacity as the Lead Borrower, to act as its agent hereunder. The Lead Borrower may act as agent on behalf of each Borrower for purposes of delivering Notices of Borrowing, and notices of conversion/continuation or similar notices, giving instructions with respect to the disbursement of the proceeds of Loans, selecting interest rate options, giving and receiving all other notices and consents hereunder or under any of the other Credit Documents and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or the Borrowers under the Credit Documents. PAE hereby accepts such appointment. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Lead Borrower shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

13.21 INTERCREDITOR AGREEMENTS.

(a) EACH LENDER PARTY HERETO UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT, WHICH IN CERTAIN CIRCUMSTANCES MAY REQUIRE (AS MORE FULLY PROVIDED THEREIN) THE TAKING OF CERTAIN ACTIONS BY THE LENDERS, INCLUDING THE PURCHASE AND SALE OF PARTICIPATIONS BY VARIOUS LENDERS TO EACH OTHER IN ACCORDANCE WITH THE TERMS THEREOF.

(b) THE PROVISIONS OF THIS SECTION 13.21 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE ABL INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT, AND NO AGENT OR ANY OF AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE ABL INTERCREDITOR AGREEMENT OR THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. COPIES OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM THE ADMINISTRATIVE AGENT.
13.22 Absence of Fiduciary Relationship. Notwithstanding any other provision of this Agreement or any provision of any other Credit Document, (i) none of the Lead Arrangers, the Amendment No. 1 Lead Arrangers or any Lender shall, solely by reason of this Agreement or any other Credit Document, have any fiduciary, advisory or agency relationship or duty in respect of any Lender or any other Person and (ii) Holdings and the Lead Borrower hereby waive, to the fullest extent permitted by law, any claims they may have against the Lead Arrangers, the Amendment No. 1 Lead Arrangers or any Lender for breach of fiduciary duty or alleged breach of fiduciary duty. Each Agent, Lender and their Affiliates may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates.

13.23 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “execute”, “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumption Agreements, amendments or other Notices of Borrowing, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

13.24 Entire Agreement. This Agreement and the other Credit Documents represent the final agreement among the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

13.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Solely to the extent an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(A) a reduction in full or in part or cancellation of any such liability;
(B) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document, or (C) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

14.01 The Guarantee. In order to induce the Agents, the Collateral Agent and the Lenders to enter into this Agreement and to extend credit hereunder, and to induce the other Guaranteed Creditors to enter into Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements in recognition of the direct benefits to be received by each Credit Agreement Party from the proceeds of the Term Loans and the entering into of such Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements, each Credit Agreement Party hereby agrees with the Guaranteed Creditors as follows: each Credit Agreement Party hereby unconditionally and irrevocably guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors. If any or all of the Relevant Guaranteed Obligations of any Credit Agreement Party to the Guaranteed Creditors becomes due and payable hereunder, such Credit Agreement Party, unconditionally and irrevocably, promises to pay such indebtedness to the Administrative Agent and/or the other Guaranteed Creditors, or order, on demand, together with any and all expenses which may be incurred by the Administrative Agent and the other Guaranteed Creditors in collecting any of the Relevant Guaranteed Obligations. This Credit Agreement Party Guaranty is a guaranty of payment and not of collection. This Credit Agreement Party Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Relevant Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including any Relevant Guaranteed Party), then and in such event the respective Credit Agreement Party agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Credit Agreement Party, notwithstanding any revocation of this Credit Agreement Party Guaranty or any other instrument evidencing any liability of any Relevant Guaranteed Party, and each Credit Agreement Party shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

14.02 Bankruptcy. Additionally, each Credit Agreement Party unconditionally and irrevocably guarantees the payment of any and all of its Relevant Guaranteed Obligations whether or not due or payable by any Relevant Guaranteed Party upon the occurrence of any of the events specified in Section 11.05, and irrevocably and unconditionally promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand, in lawful money of the United States.

14.03 Nature of Liability. The liability of each Credit Agreement Party hereunder is primary, absolute and unconditional, exclusive and independent of any security for or other guaranty of the Relevant Guaranteed Obligations, whether executed by any other guarantor or by any other party, and each Credit Agreement Party understands and agrees, to the fullest extent permitted under law, that the liability of such Credit Agreement Party hereunder shall not be affected or impaired by (a) any direction as to application of payment by any Relevant Guaranteed Party or by any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Relevant Guaranteed Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment in cash of the Relevant Guaranteed Obligations), or (d) any dissolution, termination or increase, decrease or change in personnel by any Relevant Guaranteed Party, or (e) any payment made to any Guaranteed Creditor on the Relevant Guaranteed Obligations which any such Guaranteed Creditor repays to any Relevant Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Credit Agreement Party waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 14.05, or (g) any invalidity, irregularity or enforceability of all or any part of the Relevant Guaranteed Obligations or of any security therefor.
14.04 **Independent Obligation.** The obligations of each Credit Agreement Party hereunder are independent of the obligations of any other guarantor, any other party or any Relevant Guaranteed Party, and a separate action or actions may be brought and prosecuted against any Credit Agreement Party whether or not action is brought against any other guarantor, any other party or any Relevant Guaranteed Party and whether or not any other guarantor, any other party or any Relevant Guaranteed Party be joined in any such action or actions. Each Credit Agreement Party waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Relevant Guaranteed Party or other circumstance which operates to toll any statute of limitations as to such Relevant Guaranteed Party shall operate to toll the statute of limitations as to the relevant Credit Agreement Party.

14.05 **Authorization.** To the fullest extent permitted under law, each Credit Agreement Party authorizes the Guaranteed Creditors without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Relevant Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Credit Agreement Party Guaranty shall apply to the Relevant Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Relevant Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Relevant Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset thereagainst;

(c) exercise or refrain from exercising any rights against any Relevant Guaranteed Party, any other Credit Party or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, guarantors, any Relevant Guaranteed Party, other Credit Parties or other obligors;

(e) settle or compromise any of the Relevant Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Relevant Guaranteed Party to its creditors other than the Guaranteed Creditors;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Relevant Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of such Relevant Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of such other instruments or agreements; and/or

(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Credit Agreement Party from its liabilities under this Credit Agreement Party Guaranty.

- 131 -
14.06 Reliance. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of any Relevant Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Relevant Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

14.07 Subordination. Any indebtedness of any Relevant Guaranteed Party now or hereafter owing to any Credit Agreement Party is hereby subordinated to the Relevant Guaranteed Obligations of such Relevant Guaranteed Party owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of such Relevant Guaranteed Party to such Credit Agreement Party shall be collected, enforced and received by such Credit Agreement Party for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Relevant Guaranteed Obligations of such Relevant Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of any Credit Agreement Party under the other provisions of this Credit Agreement Party Guaranty. Without limiting the generality of the foregoing, each Credit Agreement Party hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Credit Agreement Party Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Relevant Guaranteed Obligations have been irrevocably paid in full in cash.

14.08 Waiver.

(a) Each Credit Agreement Party waives any right (except as shall be required by applicable law and cannot be waived) any right to require any Guaranteed Creditor to (i) proceed against any Relevant Guaranteed Party, any other guarantor or any other party, (ii) proceed against or exhaust any security held from any Relevant Guaranteed Party, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor’s power whatsoever. Each Credit Agreement Party waives any defense (except as shall be required by applicable statute and cannot be waived) based on or arising out of any defense of any Relevant Guaranteed Party, any other guarantor or any other party, other than payment of the Relevant Guaranteed Obligations to the extent of such payment, based on or arising out of the disability of any Relevant Guaranteed Party, any other guarantor or any other party, or the validity, legality or unenforceability of the Relevant Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Relevant Guaranteed Party other than payment of the Relevant Guaranteed Obligations to the extent of such payment. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against any Relevant Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Credit Agreement Party hereunder except to the extent the Relevant Guaranteed Obligations have been paid. Each Credit Agreement Party waives, to the fullest extent permitted under law, any defense arising out of any such sale by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Credit Agreement Party against any Relevant Guaranteed Party or any other party or any security.

(b) Each Credit Agreement Party waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Credit Agreement Party Guaranty, and notices of the existence, creation or incurring of new or additional Relevant Guaranteed Obligations. Each Credit Agreement Party assumes all responsibility for being and keeping itself informed of each Relevant Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Relevant Guaranteed Obligations and the nature, scope and extent of the risks which such Credit Agreement Party assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any of the other Guaranteed Creditors shall have any duty to advise any Credit Agreement Party of information known to them regarding such circumstances or risks.

14.09 Maximum Liability. It is the desire and intent of each Credit Agreement Party and the Guaranteed Creditors that this Credit Agreement Party Guaranty shall be enforced against such Credit Agreement Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of any Credit Agreement Party under this Credit Agreement Party Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without
limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Credit Agreement Party’s obligations under this Credit Agreement Party Guaranty shall be deemed to be reduced and such Credit Agreement Party shall pay the maximum amount of the Relevant Guaranteed Obligations which would be permissible under applicable law.

14.10 Payments. All payments made by a Credit Agreement Party pursuant to this Section 14 will be made without setoff, counterclaim or other defense, and shall be subject to the provisions of Sections 5.03 and 5.04.

14.11 Keepwell. Each Credit Agreement Party that is a Qualified ECP Guarantor (as defined below) at the time the Credit Agreement Party Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Credit Party with respect to such Swap Obligation as may be needed by such Specified Credit Party from time to time to honor all of its obligations under this Credit Agreement Party Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 14.11 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 14.11 shall remain in full force and effect until the Guaranteed Obligations have been indefeasibly paid and performed in full. Each Qualified ECP Guarantor intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Credit Party for all purposes of the Commodity Exchange Act. “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Agreement Party that has total assets exceeding $10,000,000 at the time the Guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act. A Specified Credit Party means any Credit Agreement Party that is not “an eligible contract participant” under the Commodity Exchange Act (determined after giving effect to this Section 14.11).

All references herein to Sections, paragraphs, clauses, subclauses, Exhibits and Schedules shall be deemed references to Sections, paragraphs, clauses and subclauses of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. Unless otherwise expressly provided herein, (a) all references to documents, instruments and other agreements (including the Credit Documents and organizational documents) shall be deemed to include all subsequent amendments, restatements, amendments and restatements, supplements and other modifications thereto, but only to the extent that such amendments, restatements, amendments and restatements, supplements and other modifications are not prohibited by any Credit Document and (b) references to any law, statute, rule or regulation shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such law. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable). Any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. 1.03 Limited Condition Transactions. Notwithstanding anything to the contrary in this Agreement, in connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated First Lien Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio and Consolidated Total Net Leverage Ratio (and, for the avoidance of doubt, any financial ratio set forth in Section 2.15(a)); or

(ii) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated EBITDA or Consolidated Total Assets); or

(iii) determining other compliance with this Agreement (including the determination that no Default or Event of Default (or any type of Default or Event of Default) has occurred, is continuing or would result therefrom);

in each case, at the option of the Lead Borrower (the Lead Borrower’s election to exercise such option in connection with any Limited Condition Transaction, an “LCT Election”), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition or Investment or (y) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) (x) the declaration of such Dividend or (y) the making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07(a), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the “LCT Test Date”), and if, for the Limited Condition Transaction (and the other transactions to be

46
entered into in connection therewith), the Lead Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Lead Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Total Assets of the Lead Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Lead Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Lead Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a “Subsequent Transaction”) following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

Section 2. Amount and Terms of Credit

2.01 The Commitments.

(a) (i) On the Closing Date, certain Lenders made Initial Term Loans to the Borrowers, which Initial Term Loans (i) were incurred by the Borrowers pursuant to a single drawing on the Closing Date, (ii) were and shall be, except as hereinafter provided, at the option of the Lead Borrower, incurred and maintained as, and/or converted into, one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans, provided that except as otherwise specifically provided in Section 2.10(b), all Initial Term Loans comprising the same Borrowing shall at all times be of the same Type.

(ii) Subject to and upon the terms and conditions set forth herein and in Amendment No. 1, each Lender with an Initial Term Loan Commitment severally agrees to make an Initial Term Loan or Initial Term Loans to the Borrowers, which Initial Term Loans (i) shall be incurred by the Borrowers pursuant to a single drawing on the Amendment No. 1 Effective Date, (ii) shall be denominated in U.S. Dollars, (iii) shall except, as hereinafter provided, at the option of the Lead Borrower, be incurred and maintained as, and/or converted into, one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans, provided that except as otherwise specifically provided in Section 2.10(b), all Initial Term Loans comprising the same Borrowing shall at all times be of the same Type, and (iv) shall be made by each such Lender in that aggregate principal amount which does not exceed the 2017 Additional Term Commitment of such Lender on the Amendment No. 1 Effective Date (before giving effect to the termination thereof pursuant to Section 4.02(a)).

Once repaid, Initial Term Loans may not be reborrowed. All Borrowers shall be jointly and severally liable as borrowers for all Term Loans regardless of which Borrower receives the proceeds thereof.

(b) Subject to and upon the terms and conditions set forth herein, each Lender with an Incremental Term Loan Commitment from time to time severally agrees to make term loans (each, an “Incremental Term Loan” and, collectively, the “Incremental Term Loans”) to the Borrowers, which Incremental Term Loans (i) shall be incurred pursuant to a single drawing on the applicable Incremental Term Loan Borrowing Date, (ii) shall be denominated in U.S. Dollars, (iii) shall, except as hereinafter provided, at the option of the Lead Borrower, be incurred and maintained as, and/or converted into one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans; provided that all Incremental Term Loans of a given Tranche made as part of the same Borrowing shall
at all times consist of Incremental Term Loans of the same Type, and (iv) shall not exceed for any such Incremental Term Loan Lender at any time of any incurrence thereof, the Incremental Term Loan Commitment of such Incremental Term Loan Lender for such Tranche (before giving effect to the termination thereof on such date pursuant to Section 4.02(b)). Once repaid, Incremental Term Loans may not be reborrowed.

2.02 Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing of Term Loans under any Tranche shall not be less than the Minimum Borrowing Amount. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than eight (8) Borrowings of LIBO Rate Term Loans in the aggregate for all Tranches of Term Loans.

2.03 Notice of Borrowing. Whenever the Borrowers desire to make a Borrowing of Term Loans hereunder, the Lead Borrower shall give the Administrative Agent at its Notice Office at least one Business Day’s prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Base Rate Term Loans to be made hereunder and at least three Business Days’ (or such shorter period as the Administrative Agent shall agree in its sole and absolute discretion) prior written notice (or telephonic notice promptly confirmed in writing) of each LIBO Rate Term Loan to be made hereunder, provided that (in each case) any such notice shall be deemed to have been given on a certain day only if given before 12:00 Noon (New York City time) on such day (or such later time as the Administrative Agent shall agree in its sole and absolute discretion); provided further that, except for the Borrowing of the 2017 Additional Term Loans on the Amendment No. 1 Effective Date, if the Borrowers wish to request LIBO Rate Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of “Interest Period,” the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to each Lender with a Commitment of the relevant Tranche of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Lead Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by such Lenders. Each such notice (each, a “Notice of Borrowing”), except as otherwise expressly provided in Section 2.11, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing by or on behalf of the Borrowers, in the form of Exhibit A-1 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of the relevant Borrower, appropriately completed to specify: (i) the aggregate principal amount of the Term Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Initial Term Loans, Incremental Term Loans or Refinancing Term Loans, (iv) whether the Term Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Term Loans or LIBO Rate Term Loans and (v) in the case of LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender of the Tranche specified in the respective Notice of Borrowing, notice of such proposed Borrowing, of such Lender’s proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its pro rata portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in U.S. Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrowers at the Payment Office the aggregate of the amounts so made available by the Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender’s portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrowers a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not make such corresponding amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent shall promptly notify the Lead Borrower and the Borrowers shall immediately pay such corresponding amount to the Administrative Agent. The Administrative
Agent also shall be entitled to recover on demand from such Lender or the Borrowers interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrowers until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from the Borrowers, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Borrowers may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05 Notes.

(a) Each Borrower’s obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.15 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrowers substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a "Term Note").

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrowers’ obligations in respect of such Term Loans.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to the Borrowers shall affect or in any manner impair the joint and several obligations of the Borrowers to pay the Term Loans (and all related Obligations) incurred by the Borrowers which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (d). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, the Borrowers shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions. The Borrowers shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan, provided that (i) except as otherwise provided in Section 2.11, (x) LIBO Rate Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of LIBO Rate Term Loans, as the case may be, shall reduce the outstanding principal amount of such LIBO Rate Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) unless the Required Lenders otherwise agree, Base Rate Term Loans may only be converted into LIBO Rate Term Loans if no Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of LIBO Rate Term Loans than is permitted under Section 2.02. Such conversion shall be effected by the Lead Borrower by giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three Business Days’ prior notice (in the case of any conversion to or continuation of LIBO Rate Term Loans) or one Business Day’s notice (in the case of any conversion to Base Rate Term Loans) (each, a "Notice of Conversion/Continuation") in the form of Exhibit A-2, appropriately completed to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.
2.07 **Pro Rata Borrowings.** All Borrowings of Term Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of such Lenders’ Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.

2.08 **Interest.**

(a) Each Borrower agrees, jointly and severally, to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with respect to any LIBO Rate Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06 or 2.09) made to the Borrowers hereunder from the date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective LIBO Rate Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Term Loan to a LIBO Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate per annum which shall be equal to the sum of the Applicable Margin plus the Base Rate, as in effect from time to time.

(b) Each Borrower agrees, jointly and severally, to pay interest in respect of the unpaid principal amount of each LIBO Rate Term Loan made to the Borrowers from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such LIBO Rate Term Loan to a Base Rate Term Loan pursuant to Section 2.06, 2.09 or 2.10, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin plus the applicable LIBO Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01 (x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Term Loan shall bear interest at a rate per annum equal to (i) for Base Rate Term Loans and associated interest, 2.00% per annum in excess of the Applicable Margin for Base Rate Term Loans plus the Base Rate, (ii) for LIBO Rate Term Loans and associated interest, 2.00% per annum in excess of the Applicable Margin for LIBO Rate Term Loans plus the LIBO Rate and (y) overdue amounts with respect to fees shall bear interest at a rate per annum equal to 2.00% per annum in excess of the Applicable Margin for Base Rate Term Loans plus the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a LIBO Rate Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the LIBO Rate for each Interest Period applicable to the respective LIBO Rate Term Loans and shall promptly notify the Lead Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

2.09 **Interest Periods.** At the time the Lead Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBO Rate Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBO Rate Term Loan (in the case of any subsequent Interest Period), the Lead Borrower shall have the right to elect the interest period (each, an “Interest Period”) applicable to such LIBO Rate Term Loan, which Interest Period shall, at the option of the Lead Borrower be a one, two, three or six month period, or, if agreed to by all Lenders, a twelve month period, or, if agreed to by the Administrative Agent a period less than one month; provided that (in each case):

50
(i) all LIBO Rate Term Loans comprising a Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any LIBO Rate Term Loan shall commence on the date of Borrowing of such LIBO Rate Term Loan (including, in the case of LIBO Rate Term Loans, the date of any conversion thereto from a Borrowing of Base Rate Term Loans and each Interest Period occurring thereafter in respect of such LIBO Rate Term Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a LIBO Rate Term Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided, however, that if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a LIBO Rate Term Loan may be selected at any time when a Default or an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date thereof.

Notwithstanding the foregoing or anything to the contrary contained in this Agreement, (a) the initial Borrowing of the 2017 Additional Term Loans on the Amendment No. 1 Effective Date shall be a LIBO Rate Term Loan and (b) the Interest Period with respect to such 2017 Additional Term Loans shall commence on the Amendment No. 1 Effective Date and shall end on June 30, 2017 with the “LIBO Rate” equal to 1.044670% for such Interest Period.

With respect to any LIBO Rate Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, the Lead Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into a single Borrowing of the same Type under such Tranche, in each case, by having the Lead Borrower give notice thereof together with its election of one or more Interest Periods, in each case so long as each resulting Borrowing (x) has an Interest Period which complies with the foregoing requirements of this Section 2.09, (y) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (z) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBO Rate Term Loans, the Lead Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBO Rate, the Lead Borrower shall be deemed to have elected in the case of LIBO Rate Term Loans, to convert such LIBO Rate Term Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.

2.10 Increased Costs, Illegality, etc.

(a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):
(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank Eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBO Rate;

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBO Rate Term Loan because of any change since the Closing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the official interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, official guideline or request, such as, but not limited to: (A) any additional Tax imposed on any Lender (except Indemnified Taxes or Other Taxes indemnified under Section 5.04 or any Excluded Taxes) or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the LIBO Rate; or

(iii) at any time, that the making or continuance of any LIBO Rate Term Loan has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law) or (z) impracticable as a result of a contingency occurring after the Closing Date which materially and adversely affects the interbank Eurodollar market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Lead Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBO Rate Term Loans shall no longer be available until such time as the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by the Lead Borrower with respect to LIBO Rate Term Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrowers, (y) in the case of clause (ii) above, the Borrowers agree, jointly and severally, to pay to such Lender, upon such Lender’s written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice setting forth the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, shall be submitted to the Borrowers by such Lender and shall, absent manifest error, be final and conclusive and binding on all the parties hereto), (z) in the case of clause (iii) above, the Borrowers shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBO Rate Term Loan is affected by the circumstances described in Section 2.10(a)(ii), the Lead Borrower may, and in the case of a LIBO Rate Term Loan affected by the circumstances described in Section 2.10(a)(iii), the Lead Borrower shall, either (x) if the affected LIBO Rate Term Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the same date that the Lead Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected LIBO Rate Term Loan is then outstanding, upon at least three Business Days’ written notice to the Administrative Agent, require the affected Lender to convert such LIBO Rate Term Loan into a Base Rate Term Loan, provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.10(b).

(c) If any Lender determines that after the Closing Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital or liquidity requirements, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital or liquidity required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender’s Commitments hereunder or its obligations hereunder, then the Borrowers, jointly and severally, agree to pay to such Lender, upon its written demand thereof, such additional documented amounts as shall be required to compensate such Lender or such other corporation
for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender’s determination of compensation owing under this Section 2.10(c) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Lead Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

(d) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III (x) and (y) collectively referred to as “Dodd-Frank and Basel III”), shall be deemed to be a change after the Closing Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented (including for purposes of this Section 2.10).

Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 2.10 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time.

2.11 Compensation. The Borrowers, jointly and severally, agree to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum “LIBO Rate”) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Term Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its LIBO Rate Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Term Loans is not made on any date specified in a notice of prepayment given by the Lead Borrower; or (iv) as a consequence of any other default by the Borrowers to repay LIBO Rate Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender, it will, if requested by the Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in Sections 2.10, 5.04 and 13.01(a)(ii).

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender or (z) in the case of a refusal by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Lead Borrower shall have the right, if no Event of Default then exists (or, in the case of preceding clause (z), will exist immediately after giving effect to such replacement), to replace such Lender (the “Replaced Lender”) with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the “Replacement Lender”) and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent’s consent would be required for an assignment to such Replacement Lender pursuant to

53
Section 13.04; provided that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(d) to be paid by the Replacement Lender and/or the Replacement Lender (as may be agreed to at such time by and among the Lead Borrower, the Replacement Lender and the Replaced Lender) pursuant to which the Replacement Lender shall assume all of the Commitments and outstanding Term Loans of, the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all Extended Term Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01 and (ii) all obligations of the Borrowers due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (i) and (ii) above, recording of the assignment on the Register pursuant to Section 13.15 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the Borrowers, (x) the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to facts and circumstances occurring prior to the effective date of such replacement. In connection with any replacement of Lenders pursuant to, and as contemplated by, this Section 2.13, each Borrower hereby irrevocably authorizes Holdings to take all necessary action, in the name of such Borrower, as described above in this Section 2.13, in order to effect the replacement of the respective Lender or Lenders in accordance with the preceding provisions of this Section 2.13.

2.14 Extended Term Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.14, the Lead Borrower may at any time and from time to time when no Event of Default then exists request that all or a portion of the Initial Term Loans, the Extended Term Loans or any Tranche of Incremental Term Loans (each, an “Existing Initial Term Loan Tranche,” “Existing Extended Term Loan Tranche” and “Existing Incremental Term Loan Tranche,” respectively), together with any related outstandings, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of the principal amount (and related outstandings) of such Initial Term Loans, Extended Term Loans or Incremental Term Loans (any such Term Loans which have been so converted, “Extended Initial Term Loans,” “Extended Existing Term Loans” and “Extended Incremental Term Loans,” respectively) and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, the Lead Borrower shall provide notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche (each, an “Extension Request”) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) be identical to the Terms under the relevant Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; and (v)
Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by the Lead Borrower and the Lenders thereof; provided that no Extended Term Loans may be optionally prepaid prior to the date on which all Term Loans with an earlier final stated maturity (including Term Loans under the Existing Term Loan Tranche from which such Term Loans were converted) are repaid in full, unless such optional prepayment is accompanied by a pro rata optional prepayment of such other Term Loans; provided, however, that (A) in no event shall the final maturity date of any Extended Term Loan of a given Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Term Loans hereunder and (B) the Weighted Average Life to Maturity of any Extended Term Loans of a given Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of any other Tranche of Term Loans then outstanding. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an “Extension Series”) of Extended Term Loans, as applicable, for all purposes of this Agreement; provided that any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Term Loan Tranche.

(b) [Reserved]

c) The Lead Borrower shall provide the applicable Extension Request at least ten (10) Business Days prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an “Extending Term Loan Lender”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a pro rata basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

(d) Extended Term Loans shall be established pursuant to an amendment (each, an “Extension Amendment”) to this Agreement among the Borrowers, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Initial Term Loan Commitments so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.

e) Extensions consummated by the Borrowers pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14, provided that such consent shall not be deemed to be an acceptance of any Extension Request.
(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 5.02(a) with respect to any Existing Term Loan Tranche subject to an Extension Election to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans converted pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 5.02(a)), (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d)(ii), (iv) establish new Tranches or sub-Tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches or sub-Tranches, in each case on terms consistent with this Section 2.14, and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.

2.15 Incremental Term Loan Commitments

(a) The Lead Borrower shall have the right, in consultation and coordination with the Administrative Agent as to all of the matters set forth below in this Section 2.15, but without requiring the consent of any of the Lenders, to request at any time and from time to time that one or more Lenders (and/or one or more other Persons which are Eligible Transferees and which will become Lenders) provide Incremental Term Loan Commitments to the Borrowers and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Commitment Agreement, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by the Lead Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in U.S. Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Commitment Agreement shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $25,000,000, (v) the aggregate amount of all Incremental Term Loan Commitments provided pursuant to this Section 2.15 after the Closing Date and all Indebtedness incurred pursuant to Section 10.04(xxvii)(A) shall not exceed the sum of (x) $100,000,000 (the “First Lien Fixed Dollar Incremental Amount”) less the aggregate amount of Indebtedness and commitments incurred under the Second Lien Fixed Dollar Incremental Amount, plus (y) the sum of all voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxvii) that ranks pari passu with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.19 or Section 2.20 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary therefor) (in each case other than with the proceeds of long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement)) in each case prior to the date of incurrence of any such Incremental Term Loan Commitments plus (z) an unlimited amount so long as the Consolidated First Lien Net Leverage Ratio, determined on a Pro Forma Basis as of such date would not exceed 3.50 to 1.00; (vi) the proceeds of all Incremental Term Loans incurred by the Borrowers may be used for any purpose not prohibited under this Agreement, (vii) each Incremental Term Loan Commitment Agreement shall specifically designate, with the approval of the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied, (viii) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of preceding clause (vi)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02, provided that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other
Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments): provided, however, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Commitment Agreement; provided, however, that if the Effective Yield for any such Incremental Term Loans exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.50% per annum, the Applicable Margins for all then outstanding Initial Term Loans shall be increased as of such date in accordance with the requirements of the definition of “Applicable Margin” and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans and such other differences as may be reasonably satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by the Borrowers shall be Obligations of the Borrowers under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under each relevant Guaranty, on a pari passu basis with all other Term Loans secured by the Security Agreement and guaranteed under each such Guaranty, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Commitment Agreement shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Commitment Agreement as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, the Borrowers, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an “Incremental Term Loan Lender”) shall execute and deliver to the Administrative Agent an Incremental Term Loan Commitment Agreement substantially in the form of Exhibit L (appropriately completed), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Commitment Agreement shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Commitment Agreement, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Term Notes will be issued at the Borrowers’ expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Commitment Agreement shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; provided that, with the consent of the Administrative Agent, the parties to a given Incremental Term Loan Commitment Agreement may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Commitment Agreement shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;
(ii) the new Incremental Term Loans shall have the same Scheduled Repayment dates as then remain with respect to the Tranche to which such new Incremental Term Loans are being added (with the amount of each Scheduled Repayment applicable to such new Incremental Term Loans to be the same (on a proportionate basis) as is theretofore applicable to the Tranche to which such new Incremental Term Loans are being added, thereby increasing the amount of each then remaining Scheduled Repayment of the respective Tranche proportionately; and

on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a pro rata basis. To the extent the provisions of preceding clause (iii) require that Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of LIBO Rate Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having short Interest Periods i.e., an Interest Period that began during an Interest Period then applicable to outstanding LIBO Rate Term Loans of such Tranche and which will end on the last day of such Interest Period). All determinations by any Lender pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

2.18 Refinancing Term Loans

(a) The Lead Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement ("Refinancing Term Loans"), which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement ("Refinanced Term Loans"), provided, that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded plus unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; provided that such aggregate principal amount may also be increased to the extent such additional amount is capable of being incurred at such time pursuant to Section 2.15 and such excess incurrence shall for all purposes hereof be an incurrence under the relevant subclauses of Section 2.15. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which the Lead Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; provided that:

(i) the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final maturity before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than pro rata basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by the Lead Borrower and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than Holdings, the Borrowers or a Subsidiary Guarantor;
(iv) in the case of any such Refinancing Term Loans that are secured such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of the Lead Borrower or any of its Subsidiaries other than the Collateral;

(v) all other terms applicable to such Refinancing Term Loans (except as set forth above) shall (I) be substantially identical to, or (II) (taken as a whole) be otherwise not materially more favorable to the Refinancing Term Loan Lenders than those applicable to the then outstanding Term Loans, except to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date as of the date such Indebtedness was incurred (provided that a certificate of a Responsible Officer of the Lead Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material terms and conditions of such Indebtedness or drafts of the documentation relating thereto, stating that the Lead Borrower has determined in good faith that such terms and conditions satisfy the requirement set out in the foregoing clause (v), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to the Lead Borrower of an objection during such five Business Day period (including a reasonable description of the basis upon which it objects)).

(b) The Lead Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a “Refinancing Term Loan Lender”); provided that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans for all purposes of this Agreement; provided that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(c) The Administrative Agent and the Lenders hereby consent to the transactions contemplated by Section 2.18(a) (including, for the avoidance of doubt, the payment of interest, fees, amortization or premium in respect of the Refinancing Term Loans on the terms specified by the Lead Borrower) and hereby waive the requirements of this Agreement or any other Credit Document that may otherwise prohibit any transaction contemplated by Section 2.18(a). The Refinancing Term Loans shall be established pursuant to an amendment to this Agreement among Holdings, the Borrowers and the Refinancing Term Loan Lenders providing such Refinancing Term Loans (a “Refinancing Term Loan Amendment”) which shall be consistent with the provisions set forth in Section 2.18(a). Each Refinancing Term Loan Amendment shall be binding on the Lenders, the Administrative Agent, the Credit Parties party thereto and the other parties hereto without the consent of any other Lender and the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of Section 2.18 including such technical amendments as may be necessary or appropriate in connection therewith and to adjust the amortization schedule in Section 5.02(a) (insofar as such schedule relates to payments due to Lenders the Term Loans of which are refinanced with the proceeds of Refinancing Term Loans; provided that no such amendment shall reduce the pro rata share of any such payment that would have otherwise been payable to the Lenders, the Term Loans of which are not refinanced with the proceeds of Refinancing Term Loans). The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with the Borrowers to effect the foregoing.

2.19 Reverse Dutch Auction Repurchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, the Lead Borrower, on behalf of the other Borrowers, may, at any time and from time to time, conduct reverse Dutch auctions in order to purchase Term Loans of a particular Tranche (each, an “Auction”) (each such Auction to be managed exclusively by the Administrative Agent or any other bank or another investment bank of recognized standing selected by the Lead Borrower (with the consent of the Administrative Agent or such other bank or investment bank) following consultation with the Administrative Agent (in such capacity, the “Auction Manager”); provided that the Administrative Agent shall have no obligation to act as the Auction Manager), so long as the following conditions are satisfied:
(i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.19(a) and Schedule 2.19(a);

(ii) no Default or Event of Default shall have occurred and be continuing on the date of the delivery of each auction notice and at the time of purchase of Term Loans in connection with any Auction;

(iii) the minimum principal amount (calculated on the face amount thereof) of all Term Loans that the Lead Borrower offers to purchase in any such Auction shall be no less than $2,500,000 (unless another amount is agreed to by the Administrative Agent);

(iv) the Lead Borrower shall not use the proceeds of any borrowing under the ABL Credit Agreement to finance any such repurchase;

(v) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by the Lead Borrower shall automatically be cancelled and retired by the Lead Borrower on the settlement date of the relevant purchase (and may not be resold);

(vi) no more than one Auction may be ongoing at any one time;

(vii) the Lead Borrower shall make the No Undisclosed Information Representation; and

(viii) at the time of each purchase of Term Loans through an Auction, the Lead Borrower shall have delivered to the Auction Manager an officer’s certificate of a Responsible Officer certifying as to compliance with preceding clauses (ii), (iv) and (vii).

(b) The Lead Borrower must terminate an Auction if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Auction. If the Lead Borrower commences any Auction (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of such Auction have in fact been satisfied), and if at such time of commencement the Lead Borrower believes in good faith that all required conditions set forth above which are required to be satisfied at the time of the purchase of Term Loans pursuant to such Auction shall be satisfied, then the Lead Borrower shall have no liability to any Lender for any termination of such Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the such Auction, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans made by the Lead Borrower pursuant to this Section 2.19, (x) the Lead Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date of such purchase and (y) such purchases (and the payments made by the Lead Borrower and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to an Auction, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Auction, with such reduction to be applied to such Scheduled Repayments on a pro rata basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.19 (provided that no Lender shall have an obligation to participate in any such Auctions) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by the Lead Borrower contemplated by this Section 2.19 shall not constitute Investments by the Lead Borrower)) or any other Credit Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.19. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 mutatis mutandis as if each reference therein to the “Administrative Agent” were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Auction.
2.20 Open Market Purchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, the Lead Borrower or any of its Restricted Subsidiaries may, at any time and from time to time, make open market purchases of Term Loans (each, an “Open Market Purchase”), so long as the following conditions are satisfied:

(i) no Default or Event of Default shall have occurred and be continuing on the date of such Open Market Purchase;

(ii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by the Lead Borrower or any of its Restricted Subsidiaries shall automatically be cancelled and retired by the Borrowers on the settlement date of the relevant purchase (and may not be resold);

(iii) the aggregate principal amount of all Term Loans purchased pursuant to this Section 2.20 shall not exceed 20% of the original aggregate outstanding principal amount of the Term Loans;

(iv) the Lead Borrower or any of its Restricted Subsidiaries shall not use the proceeds of any borrowing under the ABL Credit Agreement to finance any such repurchase;

(v) each Borrower shall make the No Undisclosed Information Representation; and

(vi) at the time of each purchase of Term Loans through Open Market Purchases, the Lead Borrower shall have delivered to the Administrative Agent an officer’s certificate of a Responsible Officer certifying as to compliance with preceding clauses (i), (iv) and (v).

(b) With respect to all purchases of Term Loans made by the Lead Borrower pursuant to this Section 2.20, (x) the Lead Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest, if any, on the purchased Term Loans up to the settlement date of such purchase (except to the extent otherwise set forth in the relevant purchase documents as agreed by the respective selling Lender) and (y) such purchases (and the payments made by the Lead Borrower and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06. At the time of purchases of Term Loans pursuant to any Open Market Purchase, the then remaining Scheduled Repayments shall be reduced by the aggregate principal amount (taking the face amount thereof) of Term Loans repurchased pursuant to such Open Market Purchase, with such reduction to be applied to such Scheduled Repayments on a pro rata basis (based on the then remaining principal amount of each such Scheduled Repayments).

(c) The Administrative Agent and the Lenders hereby consent to the Open Market Purchases contemplated by this Section 2.20 and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by any Borrower contemplated by this Section 2.20 shall not constitute Investments by such Borrower)) or any other Credit Document that may otherwise prohibit any Open Market Purchase by this Section 2.20.

2.21 Sponsor and Affiliate Term Loan Purchases. Notwithstanding anything to the contrary in this Agreement, the Sponsor and any Affiliate of the Sponsor (other than Holdings, the Lead Borrower or any Subsidiary) may be an assignee in respect of Term Loans (and to such extent shall constitute an “Eligible Transferee”); provided that:

(a) at the time of acquisition thereof, the aggregate principal amount of Term Loans held by the Sponsor and Affiliates (other than Debt Fund Affiliates), together with the aggregate principal amount of the Term Loans so acquired, shall not exceed 25% of the aggregate outstanding principal amount of the Term Loans at such time;
(b) notwithstanding anything to the contrary in the definition of “Required Lenders,” or in Section 13.12, the holder of any Term Loans acquired pursuant to this Section 2.21(b) (other than Debt Fund Affiliates) shall not be entitled to vote such Term Loans in any “Required Lender” vote pursuant to the terms of this Agreement or any other Credit Document (it being understood that the holder of such Term Loans shall have the right to consent to votes requiring the consent of “all Lenders” or “all Lenders directly and affected thereby” pursuant to Section 13.12 or otherwise, or any other amendment which treats such Lenders differently from other Lenders), and for purposes of any such vote such Term Loans shall be deemed not to be outstanding;

(c) no Default or Event of Default shall have occurred and be continuing on the date of such purchase or would occur as a result of such assignment;

(d) the Sponsor and Affiliates thereof (other than Debt Fund Affiliates) shall make the No Undisclosed Information Representation;

(e) the Sponsor and Affiliates thereof shall be prohibited from being appointed as, or succeeding to the rights and duties of, Administrative Agent or Collateral Agent under this Agreement and the other Credit Documents until such time (if any) as when all Obligations (other than those held by the Sponsor or any of its Affiliates) have been paid in full in cash;

(f) by acquiring a Term Loan hereunder, each of the Sponsor and each Affiliate thereof (other than Debt Fund Affiliates) shall be deemed to have (I) waived its right to receive information prepared by Administrative Agent or any Lender (or any advisor, agent or counsel thereof) under or in connection with the Credit Documents (in each case to the extent not provided to the Credit Parties) and attend any meeting or conference call with Administrative Agent or any Lender, (II) agreed that it is prohibited from making or bringing any claim, in its capacity as a Lender, against Administrative Agent or any Lender with respect to the duties and obligations of such Persons under the Credit Documents, and (III) agreed, without limiting its rights as a Lender described in Section 2.21(b), that it will have no right whatsoever to require Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to this Agreement or any other Credit Document;

(g) the Sponsor or such Affiliate (other than Debt Fund Affiliates) identifies itself as an Affiliate of the Credit Parties prior to the assignment of Term Loans to it pursuant to the applicable Assignment and Assumption Agreement;

(h) Term Loans acquired by the Sponsor and Affiliates thereof shall be subject to the voting limitations set forth in Section 13.04(f); and

(i) notwithstanding anything in Section 13.12 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Term Loans held by the Sponsor and its Affiliates (including Debt Fund Affiliates) may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 13.12.

Section 3. [Reserved].

Section 4. Fees; Reductions of Commitment

4.01 Fees.
(a) The Borrowers shall, jointly and severally, pay to the Administrative Agent for distribution to each Incremental Term Loan Lender such fees and other amounts, if any, as are specified in the relevant Incremental Term Loan Commitment Agreement, with the fees and other amounts, if any, to be payable on the relevant Incremental Term Loan Borrowing Date.

(b) The Borrowers, jointly and severally, agree to pay to the Administrative Agent such fees as may be agreed to in writing from time to time by Holdings or the Lead Borrower or any of its Subsidiaries and the Administrative Agent.

(c) At the time of the effectiveness of any Repricing Transaction that is consummated prior to the date that is twelve months after the Closing Date, the Borrowers, jointly and severally, agree to pay to the Administrative Agent, for the ratable account of each Lender with outstanding Initial Term Loans that are repaid or prepaid (and/or converted) pursuant to such Repricing Transaction (including each Lender that withholds its consent to such Repricing Transaction and is replaced as a non-consenting Lender under Section 2.13), a fee in an amount equal to 1.00% of (x) in the case of a Repricing Transaction of the type described in clause (1) of the definition thereof, the aggregate principal amount of all Initial Term Loans prepaid (or converted) by the Borrowers in connection with such Repricing Transaction and (y) in the case of a Repricing Transaction of the type described in clause (2) of the definition thereof, the aggregate principal amount of all Initial Term Loans outstanding with respect to the Borrowers on such date that are subject to an effective reduction of the Applicable Margin pursuant to such Repricing Transaction. Such fees shall be due and payable upon the date of the effectiveness of such Repricing Transaction.

4.02 Mandatory Reduction of Commitments

(a) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, (i) prior to the Amendment No. 1 Effective Date, the Total Initial Term Loan Commitment terminated in its entirety on the Closing Date and (ii) the 2017 Additional Term Commitment shall terminate in its entirety on the Amendment No. 1 Effective Date (after giving effect to the incurrence of 2017 Additional Term Loans on such date).

(b) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Incremental Term Loan Commitment pursuant to an Incremental Term Loan Commitment Agreement (and the Incremental Term Loan Commitment of each Lender with such a Commitment) shall terminate in its entirety on the Incremental Term Loan Borrowing Date for such Total Incremental Term Loan Commitment (after giving effect to the incurrence of the relevant Incremental Term Loans on such date).

(c) Each reduction to the Total Initial Term Loan Commitment and the Total Incremental Term Loan Commitment under a given Tranche pursuant to this Section 4.02 as provided above (or pursuant to Section 5.02) shall be applied proportionately to reduce the Initial Term Loan Commitment or the Incremental Term Loan Commitment under such Tranche, as the case may be, of each Lender with such a Commitment.

Section 5. Prepayments; Payments; Taxes

5.01 Voluntary Prepayments

(a) The Borrowers shall have the right to prepay the Term Loans, without premium or penalty (other than as provided in Section 4.01(c)), in whole or in part at any time and from time to time on the following terms and conditions: (i) the Lead Borrower shall give the Administrative Agent at its Notice Office written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay the Term Loans, whether such Term Loans are Initial Term Loans or Incremental Term Loans of a given Tranche, the amount of the Term Loans to be prepaid, the Types of Term Loans to be repaid, the manner in which such prepayment shall apply to reduce the Scheduled Repayments and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings pursuant to which made, which notice shall be given by the Lead Borrower (x) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of LIBO Rate Term Loans (or, in the case of clause (x) and (y), such shorter period as the Administrative Agent shall agree in its sole and absolute discretion), and be promptly transmitted by the
Administrative Agent to each of the Lenders; (ii) each partial prepayment of Term Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least $1,000,000 or such lesser amount as is acceptable to the Administrative Agent; provided that if any partial prepayment of LIBO Rate Term Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of LIBO Rate Term Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount, then if such Borrowing is a Borrowing of LIBO Rate Term Loans, such Borrowing shall automatically be converted into a Borrowing of Base Rate Term Loans and any election of an Interest Period with respect thereto given by the Lead Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans; provided that it is understood and agreed that this clause (iii) may be modified as expressly provided in Section 2.14 in connection with an Extension Amendment; and (iv) each prepayment of principal of Term Loans of a given Tranche pursuant to this Section 5.01(a) shall be applied as directed by the Lead Borrower in the applicable notice of prepayment delivered pursuant to Section 5.01(a) or, if no such direction is given, in direct order of maturity. Notwithstanding anything to the contrary contained in this Agreement, any such notice of prepayment pursuant to this Section 5.01(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities, the occurrence of a Change of Control or any similar event), in which case such notice may be revoked by the Lead Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) In the event (i) of a refusal by a Lender to consent to certain proposed changes, amendments, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), or (ii) any Lender becomes a Defaulting Lender, Borrowers may, upon five Business Days’ prior written notice from the Lead Borrower to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders) repay all Term Loans, together with accrued and unpaid interest, Fees and other amounts owing to such Lender in accordance with, and subject to the requirements of, said Section 13.12(b), so long as the consents, if any, required under Section 13.12(b) in connection with the repayment pursuant to clause (b) have been obtained. Each prepayment of any Term Loan pursuant to this Section 5.01(b) shall reduce the then remaining Scheduled Repayments of the applicable Tranche of Term Loans on a pro rata basis (based upon the then remaining unpaid principal amounts of Scheduled Repayments of the respective Tranche after giving effect to all prior reductions thereto).

5.02 Mandatory Repayments

(a) In addition to any other mandatory repayments pursuant to this Section 5.02, the Borrowers, jointly and severally, shall be required to repay to the Administrative Agent for the ratable account of the Lenders (i) on the last Business Day of each March, June, September and December, commencing with June 30, 2017, an aggregate principal amount of Initial Term Loans equal to $7,452,532.00 and (ii) on the Initial Maturity Date for Initial Term Loans, the aggregate principal amount of all Initial Term Loans outstanding on such date (each such repayment described in clauses (i) and (ii), as the same may be reduced as provided in this Agreement, which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b)). Each such repayment described in clauses (i) and (ii), as the same may be reduced as provided in this Agreement, in connection with the repayment pursuant to clause (b) have been obtained. Each prepayment of any Term Loan pursuant to this Section 5.01(b) shall reduce the then remaining Scheduled Repayments of the applicable Tranche of Term Loans on a pro rata basis (based upon the then remaining unpaid principal amounts of Scheduled Repayments of the respective Tranche after giving effect to all prior reductions thereto).

(b) In addition to any other mandatory repayments pursuant to this Section 5.02, the Borrowers shall be required to make, with respect to each new Tranche (i.e., other than Initial Term Loans, which are addressed in the preceding clause (a)) of Term Loans to the extent then outstanding, scheduled amortization payments of such Tranche of Term Loans to the extent, and on the dates and in the principal amounts, set forth in the Incremental Term Loan Commitment Agreement, Refinancing Term Loan Amendment or Extension Amendment applicable thereto.

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any issuance or incurrence of Indebtedness (other than Indebtedness permitted to be incurred pursuant to Section 10.04, or, if less, the amount equal to 100% of the Net Debt Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(e) and (f)).
(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale, an amount equal to 100% of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); provided, however, with respect to no more than $10,000,000 in the aggregate of such Net Sale Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Sale Proceeds shall not be required to be so applied or used to make mandatory repayments of Term Loans if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply all or a portion of such Net Sale Proceeds (i) in the case of ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness secured by Liens ranking senior to the Liens securing the Indebtedness hereunder on such ABL Collateral (as defined in the Intercreditor Agreement) and in the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Sale Proceeds, within 180 days following such 12-month period during which the Lead Borrower so committed to such plan of reinvestment); provided, further, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or its Restricted Subsidiaries of such Net Sale Proceeds, the Lead Borrower or its Restricted Subsidiaries have not so used all or a portion of such Net Sale Proceeds otherwise required to be applied as a mandatory repayment pursuant to this sentence, the remaining portion of such Net Sale Proceeds shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, on each Excess Cash Flow Payment Date, an amount equal to the remainder of (i) the Applicable Prepayment Percentage of the Excess Cash Flow for the related Excess Cash Flow Payment Period less (ii) the aggregate amount of all (x) voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xviii) that rank pari passu with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.19 or Section 2.20 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary therefor) and (y) prepayments of revolving loans under the ABL Credit Agreement or any other Indebtedness secured by a Lien on the Collateral ranking pari passu with the Lien on the Collateral securing the ABL Credit Agreement or senior or pari passu with the Lien on the Collateral securing the Indebtedness hereunder, in each case, to the extent accompanied by a permanent reduction in commitments therefor and not financed with the incurrence of other long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement), during such Excess Cash Flow Payment Period shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Recovery Event, an amount equal to 100% of the Net Insurance Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Section 5.02(a) and (b); provided, however, with respect to no more than $10,000,000 in the aggregate of such Net Insurance Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply such Net Insurance Proceeds (i) in the case of ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness secured by Liens ranking senior to the Liens securing the Indebtedness hereunder on such ABL Collateral (as defined in the Intercreditor Agreement) and in the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest in such Net Sale Proceeds, within
18 months following the date of receipt of such proceeds) (and, in connection therewith, shall thereafter promptly provide such other information with respect to such reinvestment as the Administrative Agent may from time to time reasonably request); provided, further, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or any of its Restricted Subsidiaries of such Net Insurance Proceeds, the Lead Borrower or any of its Restricted Subsidiaries have not so used all or a portion of such Net Insurance Proceeds otherwise required to be applied as a mandatory repayment pursuant to this sentence, the remaining portion of such Net Insurance Proceeds shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period, as the case may be.

(g) Each amount required to be applied pursuant to Sections 5.02(e), (d), (e) and (f) in accordance with this Section 5.02(e) shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied; provided that to the extent any Permitted Pari Passu Notes (or any Permitted Refinancing Indebtedness in respect thereof that is secured on a pari passu basis with the Obligations) requires any mandatory prepayment or repurchase from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay Term Loans in accordance with clause (d) or (f), above, up to a pro rata portion (based on the aggregate principal amount of Term Loans and such pari passu secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds may be applied to prepay or repurchase such pari passu secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant to Section 5.02(c) shall be applied to the Tranche or Tranches of Term Loans selected by the Lead Borrower. Except as otherwise provided below, all repayments of outstanding Term Loans of a given Tranche pursuant to Sections 5.02(e), (d), (e) and (f) (and applied pursuant to this clause (g)) shall be applied to reduce the Scheduled Repayments of the applicable Tranche in direct order of maturity of such Scheduled Repayments.

(h) With respect to each repayment of Term Loans required by this Section 5.02, the Lead Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such LIBO Rate Term Loans were made, provided that: (i) repayments of LIBO Rate Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such LIBO Rate Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans. In the absence of a designation by the Lead Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

(j) Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a “Foreign Asset Sale”), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a “Foreign Recovery Event”) or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Initial Term Loans at the times provided in this Section 5.02 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (the relevant Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of such Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law or applicable organizational documents of such Foreign Subsidiary, such repatriation will be immediately effected and such repatriated Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof and additional costs relating to such repatriation) to the
repayment of the Initial Term Loans pursuant to this Section 5.02 or (ii) to the extent that such Borrower has reasonably determined in good faith that
repatriation of any of or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Asset Sale or Foreign Recovery Event
or Foreign Subsidiary Excess Cash Flow would have material adverse tax cost consequences with respect to such Net Sale Proceeds, Net Insurance Proceeds
or Excess Cash Flow, such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign
Subsidiary.

(k) The Lead Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to
Section 5.02(d) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide
the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of the Lead Borrower’s repayment notice and of
such Lender’s pro rata share of any repayment. Each Lender may reject all or a portion of its pro rata share of any mandatory repayment (such declined
amounts, the “Declined Proceeds”) of Term Loans required to be made pursuant to Section 5.02(d), (e) or (f) by providing written notice (each, a “Rejection
Notice”) to the Administrative Agent and the Lead Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such
Lender’s receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal
amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative
Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure
will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled. Any Declined
Proceeds must first be offered to prepay Indebtedness under the Second Lien Credit Agreement in accordance with the terms thereof and, if further declined,
may be retained by the Lead Borrower in accordance with this Agreement (“Retained Declined Proceeds”).

5.03 Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement and under any Note shall be
made to the Administrative Agent or the account of the Lender or Lenders entitled thereto not later than 2:00 pm (New York City time) on the date when due

without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date shall, at the option
of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note
shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect
to payments of principal, interest shall be payable at the applicable rate during such extension.

5.04 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or
withholding for, any Taxes, except as required by applicable law. If any Taxes are required to be withheld or deducted from such payments, then the Credit
Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable
shall be increased as necessary so that after making all required deductions or withholding (including deduction or withholdings applicable to additional
sums payable under this Section 5.04), the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received
had no such deductions or withholdings been made, (ii) the applicable withholding agent will make such deductions or withholdings, and (iii) the applicable
withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In
addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Credit Parties
will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Indemnified Taxes or Other Taxes is due pursuant
to applicable law certified copies of tax receipts evidencing such payment by the applicable Credit Party. The Credit Parties jointly and severally agree to
indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 days of written
request therefor, for the amount of any Indemnified Taxes (including any Indemnified Taxes imposed on amounts payable under this Section 5.04) payable
or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and
any Other Taxes, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally
imposed or asserted by the relevant Governmental Authority.
(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documents required below in Section 5.04(c)) expired, obsolete or inaccurate in any respect, deliver promptly to the Lead Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Lead Borrower or the Administrative Agent) or promptly notify the Lead Borrower and the Administrative Agent in writing of its inability to do so.

(c) Without limiting the generality of the foregoing: (x) each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to the Lead Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 2.13 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, (i) two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or Form W-8BEN-E (or successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party or Form W-8ECI (or successor form), or (ii) in the case of a Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of “portfolio interest,” a certificate substantially in the form of Exhibit C (any such certificate, a “U.S. Tax Compliance Certificate”) and two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or W-8BEN-E (or successor form) certifying to such Lender’s entitlement as of such date to a complete exemption from U.S. withholding tax with respect to payments of interest to be made under this Agreement and under any Note; or (iii) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two accurate and complete signed copies of Internal Revenue Service Form W-8IMY (or successor form) of the Lender, accompanied by Form W-8ECI, Form W-8BEN, Form W-8BEN-E, U.S. Tax Compliance Certificate, Form W-8IMY, and/or any other required information (or successor or other applicable form) from each beneficial owner that would be required under this Section 5.04(c) if such beneficial owner were a Lender (provided that, if the Lender is a partnership for U.S. federal income Tax purposes (and not a participating Lender), and one or more beneficial owners are claiming the portfolio interest exemption), the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owners; (y) Each Lender that is a United States person, as defined in Section 7701(a)(30) of the Code, shall deliver to the Lead Borrower and the Administrative Agent, at the times specified in Section 5.04(b), two accurate and complete signed copies of Internal Revenue Service Form W-9, or any successor form that such Person is entitled to provide at such time, in order to qualify for an exemption from United States back-up withholding requirements; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times prescribed by applicable law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Lead Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.04(c)(z), “FATCA” shall include any amendment made to FATCA after the Closing Date.

Notwithstanding any other provision of this Section 5.04, a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.
(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.04(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.04(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses, including any Taxes, of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.04(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.04(d) to the extent that such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing in this Section 5.04(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

(d) There are no actions, suits or claims pending against or involving a Plan (other than routine claims for benefits) or, to the knowledge of the Lead Borrower or any Restricted Subsidiary of the Lead Borrower, threatened, which would reasonably be expected to be asserted successfully against any Plan and, if so asserted successfully, would reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect.
