negative pledges and restrictions on Liens in favor of any holder of Indebtedness for borrowed money entered into after the Closing Date and otherwise permitted under Section 10.04 but only if such negative pledge or restriction expressly permits Liens for the benefit of the Administrative Agent and/or the Collateral Agent and the Secured Creditors with respect to the credit facilities established hereunder and the Obligations under the Credit Documents on a senior basis and without a requirement that such holders of such Indebtedness be secured by such Liens securing the Obligations under the Credit Documents equally and ratably or on a junior basis;

restrictions on any Foreign Subsidiary pursuant to the terms of any Indebtedness of such Foreign Subsidiary permitted to be incurred hereunder;

restrictions on cash or other deposits imposed by customers under contracts entered into in the ordinary course of business; and

any restrictions on Liens imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (i), (ii), (iii), (ix), (x) and (xi) above; provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Lead Borrower, no more restrictive with respect to such encumbrance and other restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

then and in any such event, and at any time thereafter, if any Event of Default shall then be continuing, the Administrative Agent, upon the written request of the Required Lenders, shall by written notice to the Lead Borrower, take any or all of the following actions, without prejudice to the rights of the Administrative Agent, any Lender or the holder of any Note to enforce its claims against any Credit Party (provided that, if an Event of Default specified in Section 11.05 shall occur with respect to any Credit Party, the result which would occur upon the giving of written notice by the Administrative Agent as specified in clauses (i) and (ii) below shall occur automatically without the giving of any such notice): (i) declare the Total Commitment terminated, whereupon all Commitments of each Lender shall forthwith terminate immediately; (ii) declare the principal of and any accrued interest in respect of all Term Loans and the Notes and all Obligations owing hereunder and thereunder to be, whereupon the same shall become, forthwith due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by each Credit Party; (iii) enforce, as Collateral Agent, all of the Liens and security interests created pursuant to the Security Documents; and (iv) enforce each Guaranty.

Section 12. The Administrative Agent.

12.01 Appointment and Authorization.

(a) Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Sections 12.08, 12.10 and 12.11) are solely for the benefit of the Administrative Agent and the Lenders, and neither any Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.
(b) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” or “security trustee” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” or “security trustee” under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

(c) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement) hereby authorizes the Administrative Agent to enter into the ABL Intercreditor Agreements, the First Lien/Second Lien Intercreditor Agreement, any Additional Intercreditor Agreement, any Pari Passu Intercreditor Agreement and any other intercreditor agreement or arrangement permitted under this Agreement and any such intercreditor agreement shall be being binding upon the Lenders.

12.02 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

12.03 Exculpatory Provisions. The Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger, as applicable, shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger, as applicable:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law;
(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty or responsibility to disclose, and shall not be liable for the failure to disclose to any Lender any information relating to the Lead Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as credit officer of other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Credit Parties or any of their Affiliates, that is communicated to, obtained or in the possession of, the Administrative Agent, any of the Lead Arrangers, the Amendment No. 1 Lead Arrangers, the Amendment No. 2 Lead Arranger or any of their respective Related Parties in any capacity, except for notices, reports and other documents expressly required herein to be furnished to the Lenders by the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger, as applicable;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11 and 13) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Lead Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

12.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Term Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Term Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Lead Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender hereunder.

12.06 Non-reliance on Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers, the Amendment No. 2 Lead Arranger and Other Lenders. Each Lender acknowledges expressly acknowledges that none of the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger has made any representation or warranty to it, and that no act by the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers, the Amendment No. 2 Lead Arranger hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Credit Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger to any Lender as to any matter, including whether the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger have disclosed material information in their (or their Related Parties') possession. Each Lender represents to the Administrative Agent, the Lead Arrangers,
the Amendment No. 1 Lead Arrangers and the Amendment No. 2 Lead Arranger that it has, independently and without reliance upon the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis, appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Credit Parties and their Subsidiaries, and all applicable bank or other regulatory laws, statutes, regulations or orders relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Lead Borrower hereunder. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Lead Arrangers, the Amendment No. 1 Lead Arrangers or the Amendment No. 2 Lead Arranger or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Credit Parties. Each Lender represents and warrants that (i) the Credit Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender agrees not to assert a claim in contravention of the foregoing. Each Lender represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring and/or holding such commercial loans or providing such other facilities.

12.07 Indemnification by the Lenders. To the extent that the Lead Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by it to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender’s pro rata share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or ‘Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Lead Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise...
(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Credit Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.04 of this Agreement, and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents. The Administrative Agent may at any time give notice of its resignation (including as Collateral Agent) to the Lenders and the Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an
office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the
Required Lenders (and consented to by the Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the
retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, with the Lead Borrower’s consent (other than
during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent meeting the
qualifications set forth above; provided that if the Administrative Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has
accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring
Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any
collateral security held by the Administrative Agent on behalf of the Lenders under any of the Credit Documents, the retiring Administrative Agent shall
continue to hold such collateral security solely for purposes of maintaining the Secured Creditors’ security interest thereon until such time as a successor
Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative
Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of the Lead Borrower, to the extent so
required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor’s appointment as
Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or
retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other
Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent’s resignation hereunder
and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring
Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the
retiring Administrative Agent was acting as Administrative Agent.

12.11 Collateral Matters and Guaranty Matters.

Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or
Designated Treasury Services Agreement) irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Credit Document (i) upon termination of the
Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under
Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (ii) that is sold or to be sold as part of or in
connection with any sale permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (iii) that constitutes Excluded
Collateral, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary
Guarantor from its obligations under the Subsidiaries Guaranty pursuant to clause (b) below or (v) if approved, authorized or ratified in writing in
accordance with Section 13.12;

(b) to release any Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty if such Person ceases to be a Restricted Subsidiary
or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Credit Document to the holder of any Lien
on such property that is permitted by Section 10.01(iv), 10.01(vi), 10.01(vii), 10.01(xiv), and 10.01(xxx) (in the case of clause (ii)) or any other Lien
that is permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release any Lien securing the Obligations upon the incurrence

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrowers’ expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements. No Guaranteed Creditor that obtains the benefits of Section 11, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor.

12.13 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrowers pursuant to Section 5.04 and without limiting or expanding the obligation of the Borrowers to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments or this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for (x) any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems or (z) any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Agreement or any other Credit Document or the financing contemplated hereby.

(b) NOTWITHSTANDING THE FOREGOING SUBSECTION (a), AT ANY TIME THAT THE LOANS OR ANY OTHER OBLIGATION SHALL

LENDERS AND THE ADMINISTRATIVE AGENT HEREUNDER.

13.04 Benefit of Agreement; Assignments; Participations, etc.

(a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, that no Borrower may assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of the Lenders and, provided, further, that, although any Lender may transfer, assign or grant participation in its rights or obligations hereunder, such Lender shall remain a “Lender” for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 2.13 and 13.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a “Lender” hereunder and, provided, further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Term Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof or increases in the size of the Commitments, or increase the amount of the participant’s participation over the amount thereof then in effect (it being understood that a transfer of any Default or Event of Default or of a mandatory repayment of any Term Loan shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Term Loan shall be permitted without the consent of any participant if the participant’s participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement, (iii) modify any of the voting percentages set forth in Section 13.12 or the underlying definitions, (iv) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral under all the Security Documents supporting the Term Loans in which such participant is participating or (v) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty supporting the Loans in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant’s rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto). Each Borrower agrees that each participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the limitations and requirements of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment; provided, however, that a participant shall not be entitled to receive any greater payment under Section 2.10 or Section 5.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant except to the extent such entitlement to a greater payment results from a change in law after the sale of the participation takes place. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each participant and the principal amounts (and interest amounts) of each participant’s interest in the Term Loans or other obligations under the Credit Documents. provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Term Loan, or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.
(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related rights or outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to (i) (A) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this subclause (x)(i)(B)); provided that no such assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender, or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a portion equal to at least $1,000,000 (or such lesser amount as may be agreed to by the Administrative Agent and, so long as no Event of Default then exists under Section 11.01 or 11.05, the Lead Borrower, which consent shall not be unreasonably withheld or delayed) in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement (which Assignment and Assumption Agreement shall contain an acknowledgement and agreement by the respective assignee that, as a Lender, it shall be subject to, and bound by the terms of the ABL Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement), provided that (i) at such time, Schedule 2.01 shall be deemed modified to reflect the Commitments and/or outstanding Term Loans, the case may be, of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender’s indemnifying the Borrowers for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrowers’ expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Term Loans, the case may be, (iii) the consent of the (A) Administrative Agent and (B) so long as no Event of Default then exists under Section 11.01 or 11.05, the consent of the Lead Borrower shall (in either case) be required in connection with any such assignment pursuant to clause (y) above (which consent, in the case of each of clauses (A) and (B), shall not be unreasonably withheld or delayed); provided that the Lead Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof, (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of $3,500 and (v) no such transfer or assignment shall be effective until recorded by the Administrative Agent on the Register pursuant to Section 13.15. To the extent of any assignment pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Term Loans. At the time of each assignment pursuant to this Section 13.04(b) to a Person that is not already a Lender hereunder, such assignee shall provide to the Administrative Agent and the Borrowers such Tax forms as are required to be provided under clauses (h) and (e) of Section 5.04 and shall deliver to the Administrative Agent an Administrative Questionnaire. To the extent that an assignment of all or any portion of a Lender’s Commitments and related outstanding Obligations pursuant to Section 2.13 or this Section 13.04(b) would, at the time of such assignment, result in increased costs under Section 2.10 or 5.04 from those being charged by the assigning Lender prior to such assignment, then the Lead Borrower shall not be obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment). Notwithstanding the foregoing, any sale or assignment pursuant to this Section 13.04(b) to a Sponsor Affiliate shall be made in accordance with Section 2.21 and evidenced via an assignment, in form reasonably satisfactory to the Administrative Agent (a “Sponsor Affiliate Assignment and Assumption”), in accordance with this Section 13.04(b).
(c) The Borrowers shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.19 and 2.20, which purchases shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to the Lead Borrower. No such transfer or assignment shall be effective until recorded by the Administrative Agent (in a manner consistent with the following sentence) on the Register pursuant to Section 13.15. All Term Loans purchased pursuant to Section 2.19 and 2.20 shall be immediately and automatically cancelled and retired, and the Lead Borrower shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as described in this clause (c), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(d) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrowers), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

(e) Each Lender acknowledges and agrees to comply with the provisions of Section 13.04 applicable to it as a Lender hereunder.

(f) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Sponsor Affiliate Assignment and Assumption shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law now or hereafter in effect ("Bankruptcy Proceedings"), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate’s claim with respect to its Term Loans ("Claim") (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders. For the avoidance of doubt, the Lenders and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(f) constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code, and, as such, would be enforceable for all purposes in any case where a Credit Party has filed for protection under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(f), the provisions of this Section 13.04(f) shall not be applicable to any Debt Fund Affiliate.

(g) If any Borrower wishes to replace the Term Loans or Commitments with Term Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days’ advance notice to the Lenders of such Term Loans or holdings such Commitments, instead of prepaying the Term Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to assign such Term Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Term Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Term Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08. By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Term Loans or Commitments pursuant to the terms of an Assignment and Assumption Agreement, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.
The Administrative Agent shall have the right, and the Lead Borrower hereby expressly authorizes the Administrative Agent, to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by the Lead Borrower and any updates thereto. The Borrower hereby agrees that any such requesting Lender may share the Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledges and agrees that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrowers or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its pro rata share of such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker’s lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided therein.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); provided that (i) except as otherwise specifically provided herein, all computations of Excess Cash Flow and the Applicable Margin, and all computations and all definitions (including accounting terms) used in determining compliance with Section 9.14, shall utilize U.S. GAAP and policies in conformity with those used to prepare the audited financial statements of the Lead Borrower referred to in Section 8.05(a)(i) for the fiscal year of the Lead Borrower ended December 31, 2015 and, (ii) to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; provided further, that if the Lead Borrower notifies the Administrative Agent that the Lead Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies the Lead Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then the Lead Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; provided, further that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect).

(b) All computations of interest (other than interest based on the Prime Rate) and other Fees hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or Fees are payable. All computations of interest based determined by reference to the Prime Rate shall be based on a 365-day or 366-day year, as the case may be.

(c) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each Incremental Term Loan Lender may, in accordance with the provisions of Section 2.15 enter into an Incremental Term Loan Commitment Agreement, provided that after the execution and delivery by the Borrowers, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Commitment Agreement, such Incremental Term Loan Commitment Agreement, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Term Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Majority Lenders, the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of “Majority Lenders” and “Required Lenders” will automatically be deemed modified accordingly for the duration of such period); provided that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

13.14 Domicile of Term Loans. Each Lender may transfer and carry its Term Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Term Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 2.10, 2.11 or 5.04 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).
13.15 Register. The Borrowers hereby designate the Administrative Agent to serve as their agent, solely for purposes of this Section 13.15, to maintain a register (the “Register”) on which it will record the Commitments from time to time of each of the Lenders, the Term Loans made by each of the Lenders and the stated interest on, and each repayment in respect of the principal amount of, the Term Loans of each Lender. Holdings, each Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement (and the entries in the Register shall be conclusive absent manifest error for such purposes), notwithstanding notice to the contrary. With respect to any Lender, the transfer of the Commitments of, and the principal (and interest) amounts of the Term Loans owing to, such Lender and the rights to the principal of, and interest on, any Term Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Term Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Term Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Term Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Term Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Term Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The registration of any provision of Incremental Term Loan Commitments pursuant to Section 2.15, shall be recorded by the Administrative Agent on the Register only upon the acceptance of the Administrative Agent of a properly executed and delivered Incremental Term Loan Commitment Agreement. Coincident with the delivery of such Incremental Term Loan Commitment Agreement for acceptance and registration of the provision of an Incremental Term Loan Commitment, as the case may be, or as soon thereafter as practicable, to the extent requested by such Incremental Term Loan Lenders, Term Notes shall be issued, at the Lead Borrower’s expense, to such Incremental Term Loan Lenders, to be in conformity with Section 2.05 (with appropriate modification) to the extent needed to reflect the Incremental Term Loan Commitments, and outstanding Incremental Term Loans made by such Incremental Term Loan Lender.

Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Solely to the extent an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(A) a reduction in full or in part or cancellation of any such liability;

(B) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(C) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Acknowledgement Regarding any Supported QFCs. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, “QFC Credit Support”, and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
As used in this Section 13.26, the following terms have the following meanings:

“BHC Act Affiliate” of a party shall mean an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” shall mean any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

“Swap Contract” shall mean (a) any and all rate swap transactions, basis swaps, credit derivative transactions, forward rate transactions, commodity swaps, commodity options, forward commodity contracts, equity or equity index swaps or options, bond or bond price or bond index swaps or options or forward bond or forward bond price or forward bond index transactions, interest rate options, forward foreign exchange transactions, cap transactions, floor transactions, collar transactions, currency swap transactions, cross-currency rate swap transactions, currency options, spot contracts, or any other similar transactions or any combination of any of the foregoing (including any options to enter into any of the foregoing), whether or not any such transaction is governed by or subject to any master agreement, and (b) any and all transactions of any kind, and the related confirmations, which are subject to the terms and conditions of, or governed by, any form of master agreement published by the International Swaps and Derivatives Association, Inc., any International Foreign Exchange Master Agreement, or any other master agreement (any such master agreement, together with any related schedules, a “Master Agreement”), including any such obligations or liabilities under any Master Agreement.

14.01 The Guaranty. In order to induce the Agents, the Collateral Agent and the Lenders to enter into this Agreement and to extend credit hereunder, and to induce the other Guaranteed Creditors to enter into Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements in recognition of the direct benefits to be received by each Credit Agreement Party from the proceeds of the Term Loans and the entering into of such Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements, each Credit Agreement Party hereby agrees with the Guaranteed Creditors as follows: each Credit Agreement Party hereby unconditionally and irrevocably guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors. If any or all of the Relevant Guaranteed Obligations of any Credit Agreement Party to the Guaranteed Creditors becomes due and payable hereunder, such Credit Agreement Party, unconditionally and irrevocably, promises to pay such indebtedness to the Administrative Agent and/or the other Guaranteed Creditors, or order, together with any and all expenses which may be incurred by the Administrative Agent and/or the other Guaranteed Creditors in collecting any of the Relevant Guaranteed Obligations. This Credit Agreement Party Guaranty is a guaranty of payment and not of collection. This Credit Agreement Party Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Relevant Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise.
of any such claim effected by such payee with any such claimant (including any Relevant Guaranteed Party), then and in such event the respective Credit Agreement Party agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Credit Agreement Party, notwithstanding any revocation of this Credit Agreement Party Guaranty or any other instrument evidencing any liability of any Relevant Guaranteed Party, and each Credit Agreement Party shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

14.02 Bankruptcy. Additionally, each Credit Agreement Party unconditionally and irrevocably guarantees the payment of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by any Relevant Guaranteed Party upon the occurrence of any of the events specified in Section 11.05, and irrevocably and unconditionally promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand, in lawful money of the United States.

14.03 Nature of Liability. The liability of each Credit Agreement Party hereunder is primary, absolute and unconditional, exclusive and independent of any security for or other guaranty of the Relevant Guaranteed Obligations, whether executed by any other guarantor or by any other party, and each Credit Agreement Party understands and agrees, to the fullest extent permitted under law, that the liability of such Credit Agreement Party hereunder shall not be affected or impaired by (a) any direction as to application of payment by any Relevant Guaranteed Party or by any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Relevant Guaranteed Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment in cash of the Relevant Guaranteed Obligations), or (d) any dissolution, termination or increase, decrease or change in personnel by any Relevant Guaranteed Party, or (e) any payment made to any Guaranteed Creditor on the Relevant Guaranteed Obligations which any such Guaranteed Creditor repays to any Relevant Guaranteed Party pursuant to any Relevant Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Credit Agreement Party waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 14.05, or (g) any invalidity, irregularity or enforceability of all or any part of the Relevant Guaranteed Obligations or of any security therefor.

14.04 Independent Obligation. The obligations of each Credit Agreement Party hereunder are independent of the obligations of any other guarantor, any other party or any Relevant Guaranteed Party, and a separate action or actions may be brought and prosecuted against any Credit Agreement Party whether or not action is brought against any other guarantor, any other party or any Relevant Guaranteed Party and whether or not any other guarantor, any other party or any Relevant Guaranteed Party be joined in any such action or actions. Each Credit Agreement Party waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Relevant Guaranteed Party or other circumstance which operates to toll any statute of limitations as to such Relevant Guaranteed Party shall operate to toll the statute of limitations as to the relevant Credit Agreement Party.

14.05 Authorization. To the fullest extent permitted under law, each Credit Agreement Party authorizes the Guaranteed Creditors without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Relevant Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Credit Agreement Party Guaranty shall apply to the Relevant Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Relevant Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Relevant Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset thereagainst;
(c) exercise or refrain from exercising any rights against any Relevant Guaranteed Party, any other Credit Party or others or otherwise act or refrain from acting;
(d) release or substitute any one or more endorsers, guarantors, any Relevant Guaranteed Party, other Credit Parties or other obligors;
(e) settle or compromise any of the Relevant Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Relevant Guaranteed Party to its creditors other than the Guaranteed Creditors;
(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Relevant Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of such Relevant Guaranteed Party remain unpaid;
(g) consent to or waive any breach of, or any act, omission or default under, this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of such other instruments or agreements; and/or
(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Credit Agreement Party from its liabilities under this Credit Agreement Party Guaranty.

14.06 Reliance. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of any Relevant Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Relevant Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

14.07 Subordination. Any indebtedness of any Relevant Guaranteed Party now or hereafter owing to any Credit Agreement Party is hereby subordinated to the Relevant Guaranteed Obligations of such Relevant Guaranteed Party owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of such Relevant Guaranteed Party to such Credit Agreement Party shall be collected, enforced and received by such Credit Agreement Party for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Relevant Guaranteed Obligations of such Relevant Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of any Credit Agreement Party under the other provisions of this Credit Agreement Party Guaranty. Without limiting the generality of the foregoing, each Credit Agreement Party hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Credit Agreement Party Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Relevant Guaranteed Obligations have been irrevocably paid in full in cash.

14.08 Waiver.
(a) Each Credit Agreement Party waives any right (except as shall be required by applicable law and cannot be waived) any right to require any Guaranteed Creditor to (i) proceed against any Relevant Guaranteed Party, any other guarantor or any other party, (ii) proceed against or exhaust any security held from any Relevant Guaranteed Party, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor’s power whatsoever. Each Credit Agreement Party waives any defense (except as shall be required by applicable statute and cannot be waived) based on or arising out of any defense of any Relevant Guaranteed Party, any other guarantor or any other party, other than payment of the Relevant Guaranteed Obligations to the extent of such payment, based on or arising out of the disability of any Relevant Guaranteed Party, any other guarantor or any other party, or the validity, legality or unenforceability of the Relevant Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Relevant Guaranteed Party other than payment.
of the Relevant Guaranteed Obligations to the extent of such payment. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against any Relevant Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Credit Agreement Party hereunder except to the extent the Relevant Guaranteed Obligations have been paid. Each Credit Agreement Party waives, to the fullest extent permitted under law, any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Credit Agreement Party against any Relevant Guaranteed Party or any other party or any security.

(b) Each Credit Agreement Party waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Credit Agreement Party Guaranty, and notices of the existence, creation or incurring of new or additional Relevant Guaranteed Obligations. Each Credit Agreement Party assumes all responsibility for being and keeping itself informed of each Relevant Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Relevant Guaranteed Obligations and the nature, scope and extent of the risks which such Credit Agreement Party assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any of the other Guaranteed Creditors shall have any duty to advise any Credit Agreement Party of information known to them regarding such circumstances or risks.

14.09 **Maximum Liability.** It is the desire and intent of each Credit Agreement Party and the Guaranteed Creditors that this Credit Agreement Party Guaranty shall be enforced against such Credit Agreement Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of any Credit Agreement Party under this Credit Agreement Party Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Credit Agreement Party’s obligations under this Credit Agreement Party Guaranty shall be deemed to be reduced and such Credit Agreement Party shall pay the maximum amount of the Relevant Guaranteed Obligations which would be permissible under applicable law.

14.10 **Payments.** All payments made by a Credit Agreement Party pursuant to this Section 14 will be made without setoff, counterclaim or other defense, and shall be subject to the provisions of Sections 5.03 and 5.04.

14.11 **Keepwell.** Each Credit Agreement Party that is a Qualified ECP Guarantor (as defined below) at the time the Credit Agreement Party Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Credit Party with respect to such Swap Obligation as may be needed by such Specified Credit Party from time to time to honor all of its obligations under this Credit Agreement Party Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 14.11 voidable under applicable law relating to fraudulent conveyances or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 14.11 shall remain in full force and effect until the Guaranteed Obligations have been indefeasibly paid and performed in full. Each Qualified ECP Guarantor intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Credit Party for all purposes of the Commodity Exchange Act. “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Agreement Party that has total assets exceeding $10,000,000 at the time the Guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act. A Specified Credit Party means any Credit Agreement Party that is not “an eligible contract participant” under the Commodity Exchange Act (determined after giving effect to this Section 14.11).
FIRST LIEN SUBSIDIARIES GUARANTY

FIRST LIEN SUBSIDIARIES GUARANTY, dated as of October 20, 2016 (as amended, restated, amended and restated, modified or supplemented from time to time, this “Guaranty”), made by each of the undersigned guarantors (each a “Guarantor” and, together with any other entity that becomes a guarantor hereunder pursuant to Section 26 hereof, the “Guarantors”). Except as otherwise defined herein, capitalized terms used herein and defined in the Credit Agreement (as defined below) shall be used herein and therein defined.

WITNESSETH:

WHEREAS, Shay Intermediate Holding II Corporation, a Delaware corporation (“Holdings”), PAE Holding Corporation, a Delaware corporation (the “Lead Borrower”), the Subsidiary Borrowers party thereto (and together with the Lead Borrower, the “Borrowers”), the lenders party thereto from time to time (the “Lenders”) and Bank of America, N.A., as administrative agent (together with any successor administrative agent, the “Administrative Agent”) have entered into a First Lien Term Loan Credit Agreement, dated as of even date herewith (as amended, modified, restated and/or supplemented from time to time, the “Credit Agreement”), providing for the making of Term Loans to the Borrowers, as contemplated therein (the Lenders, the Administrative Agent, the Collateral Agent and each other Agent are herein called the “Lender Creditors”);

WHEREAS, the Lead Borrower and/or one or more of its Restricted Subsidiaries may at any time and from time to time enter into one or more Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements with Lender Creditors or any Person that was the Administrative Agent, a Lender or an Affiliate of the Administrative Agent or any Lender (even if the Administrative Agent or such Lender subsequently ceases to be the Administrative Agent, or a Lender under the Credit Agreement for any reason) at the time of entry into a particular Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement (such persons, together with the Lender Creditors, the “Guaranteed Creditors”);

WHEREAS, each Guarantor is a direct or indirect Wholly-Owned Domestic Subsidiary of the Lead Borrower;

WHEREAS, it is a condition to the making of Term Loans to the Borrowers under the Credit Agreement that each Guarantor shall have executed and delivered this Guaranty; and

WHEREAS, each Guarantor will obtain benefits from the incurrence of Term Loans to the Borrowers under the Credit Agreement and the entering into by the Lead Borrower and/or one or more of its Subsidiaries of Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements with the Guaranteed Creditors and, accordingly, desires to execute this Guaranty in order to satisfy the condition described in the preceding paragraph;
NOW, THEREFORE, in consideration of the foregoing and other benefits accruing to each Guarantor, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby makes the following representations and warranties to the Guaranteed Creditors and hereby covenants and agrees with each Guaranteed Creditor as follows:

1. The Guaranty. Each Guarantor, jointly and severally, irrevocably, absolutely and unconditionally guarantees: (i) to the Lender Creditors the full and prompt payment when due (whether at the stated maturity, by acceleration or otherwise) of (x) the unpaid principal of, premium, if any, and interest on the Notes issued by, and the Term Loans made to, the Borrowers under the Credit Agreement and (y) all other obligations (including obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness owing by each Borrower to the Lender Creditors under the Credit Agreement and each other Credit Document to which such Borrower is a party (including, without limitation, indemnities, Fees and interest thereon (including, in each case, any interest, fees and other amounts accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the Credit Agreement, whether or not such interest, fees and other amounts is an allowed claim or allowable claim in any such proceeding)), whether now existing or hereafter incurred under, arising out of, or in connection with, the Credit Agreement and each such other Credit Document and the due performance and compliance by each Borrower with all of the terms, conditions and agreements contained in all such Credit Documents (all such principal, premium, interest, reimbursement obligations, liabilities, indebtedness and obligations being herein collectively called the “Credit Document Obligations”); and (ii) to each applicable Guaranteed Creditor the full and prompt payment when due (whether at the stated maturity, by acceleration or otherwise) of all obligations (including obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness (including, in each case, any interest accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the respective Designated Interest Rate Protection Agreements or Designated Treasury Services Agreements whether or not such interest is an allowed claim in any such proceeding) owing by the Lead Borrower and/or one or more of its Subsidiaries under any Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, whether now in existence or hereafter arising, and the due performance and compliance by such Borrower and such Subsidiaries with all of the terms, conditions and agreements contained in each Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement to which it is a party (all such obligations, liabilities and indebtedness being herein collectively called the “Other Obligations”); and (ii) to each applicable Guaranteed Creditor the full and prompt payment when due (whether at the stated maturity, by acceleration or otherwise) of all obligations (including obligations which, but for the automatic stay under Section 362(a) of the Bankruptcy Code, would become due), liabilities and indebtedness (including, in each case, any interest accruing after the commencement of any bankruptcy, insolvency, receivership or similar proceeding at the rate provided for in the respective Designated Interest Rate Protection Agreements or Designated Treasury Services Agreements whether or not such interest is an allowed claim in any such proceeding) owing by the Lead Borrower and/or one or more of its Subsidiaries under any Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement, whether now in existence or hereafter arising, and the due performance and compliance by such Borrower and such Subsidiaries with all of the terms, conditions and agreements contained in each Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement to which it is a party (all such obligations, liabilities and indebtedness being herein collectively called the “Other Obligations”); and, together with the Credit Document Obligations, the “Guaranteed Obligations”); provided, that the “Guaranteed Obligations”, with respect to any Guarantor, shall exclude any Excluded Swap Obligations with respect to such Guarantor. As used herein, the term “Guaranteed Party” shall mean each Borrower and/or each Restricted Subsidiary thereof to any Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement with the applicable Guaranteed Creditor. Each Guarantor understands, agrees and confirms that the Guaranteed Creditors may enforce this Guaranty up to the full amount of the Guaranteed Obligations against such Guarantor without proceeding against any other Guarantor, any Borrower, any other Guaranteed Party, against any security for the Guaranteed Obligations, or under any other guaranty covering all or a portion of the Guaranteed Obligations.
2. **Bankruptcy.** Additionally, each Guarantor, jointly and severally, unconditionally and irrevocably guarantees the payment of any and all of its Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by any Borrower or any such other Guaranteed Party upon the occurrence in respect of any Borrower or any such other Guaranteed Party of any of the events specified in Section 11.05 of the Credit Agreement, and irrevocably and unconditionally, jointly and severally, promises to pay such Guaranteed Obligations to the Guaranteed Creditors, or order, on demand, in lawful money of the United States.

3. **Nature of Liability.** This Guaranty shall constitute a guaranty of payment, and not of collection. The liability of each Guarantor hereunder is primary, absolute, joint and several, and unconditional and is exclusive and independent of any security for or other guaranty of the Guaranteed Obligations, whether executed by such Guarantor, any other Guarantor, any other guarantor or by any other party, and, to the fullest extent permitted under law, the liability of each Guarantor hereunder shall not be affected or impaired by: (a) any direction as to application of payment by any Borrower, any other Guaranteed Party or any other party, (b) any other continuing or other guaranty, undertaking or maximum liability of a Guarantor or of any other party as to the Guaranteed Obligations, (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment of the Guaranteed Obligations in cash), (d) any dissolution, termination or increase, decrease or change in personnel by any Borrower or any other Guaranteed Party, (e) any payment made to any Guaranteed Creditor on the Guaranteed Obligations which any Guaranteed Creditor repays pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 6 hereof or (g) any invalidity, irregularity or unenforceability of all or any part of the Guaranteed Obligations or of any security therefor.

4. **Independent Obligations.** The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party and whether or not any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party be joined in any such action or actions. Each Guarantor waives, to the fullest extent permitted by law, the benefits of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Borrower or any other Guaranteed Party or other circumstance which operates to toll any statute of limitations as to any Borrower or any such other Guaranteed Party shall operate to toll the statute of limitations as to each Guarantor.

5. **Certain Waivers.** To the fullest extent permitted under applicable law, each Guarantor hereby waives notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives promptness, diligence, presentment, demand of payment, protest, notice of dishonor or nonpayment of any such liabilities, suit or taking of other action by the Administrative Agent or any other Guaranteed Creditor against, and any other notice to, any party liable thereon (including such Guarantor, any other Guarantor, any other guarantor, any Borrower or any other Guaranteed Party).
6. **Authorization.** Any Guaranteed Creditor may at any time and from time to time without the consent of, or notice to, any Guarantor (except as shall be required by applicable statute and cannot be waived), without incurring responsibility to such Guarantor, without impairing or releasing the obligations of such Guarantor hereunder, upon or without any terms or conditions and in whole or in part:

(a) change the manner, place or terms of payment of, and/or change, increase or extend the time of payment of, renew or alter, any of the Guaranteed Obligations (including any increase or decrease in the rate of interest or fees thereon or the principal amount thereof), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Guaranty shall apply to the Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Guaranteed Obligations and sell, exchange, release, surrender, impair, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(c) exercise or refrain from exercising any rights against any Borrower, any other Guaranteed Party, any other Credit Party, any Subsidiary thereof or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, Guarantors, other guarantors, any Borrower, any other Guaranteed Party, or other obligors;

(e) settle or compromise any of the Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Borrower or any other Guaranteed Party to creditors of such Borrower or such other Guaranteed Party other than the Guaranteed Creditors;

(f) except as otherwise expressly required by the Security Documents, apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Borrower or any other Guaranteed Party to the Guaranteed Creditors regardless of what liabilities of such Borrower or such other Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, any of the Designated Interest Rate Protection Agreements, the Designated Treasury Services Agreements, the Credit Documents or any of the instruments or agreements referred to therein, or otherwise amend, modify or supplement any of the Designated Interest Rate Protection Agreements, the Designated Treasury Services Agreements and the Credit Documents or any of such other instruments or agreements.
(h) act or fail to act in any manner which may deprive such Guarantor of its right to subrogation against any Borrower or any other Guaranteed Party to recover full indemnity for any payments made pursuant to this Guaranty; and/or

(i) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Guarantor from its liabilities under this Guaranty.

7. **Continuing Guaranty.** This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. No failure or delay on the part of any Guaranteed Creditor in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly specified are cumulative and not exclusive of any rights or remedies which any Guaranteed Creditor would otherwise have. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Guaranteed Creditor to any other or further action in any circumstances without notice or demand. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of any Borrower or any other Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on its or their behalf, and any Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

8. **Subordination.** Any indebtedness of any Borrower or any other Guaranteed Party now or hereafter owing to any Guarantor is hereby subordinated to the Guaranteed Obligations of such Borrower or such other Guaranteed Party to the Guaranteed Creditors, and such Guaranteed Obligations of such Borrower or such other Guaranteed Party to any Guarantor, if the Administrative Agent or the Collateral Agent, after the occurrence and during the continuance of an Event of Default, so requests, shall be collected, enforced and received by such Guarantor for the benefit of the Guaranteed Creditors and be paid over to the Guaranteed Creditors on account of the Guaranteed Obligations of such Borrower or such other Guaranteed Parties to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of such Guarantor under the other provisions of this Guaranty. Without limiting the generality of the foregoing, each Guarantor hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Guaranteed Obligations have been irrevocably paid in full in cash.

9. **Waiver and Maximum Liability.** (a) Each Guarantor waives any right (except as shall be required by applicable law and cannot be waived) to require the Guaranteed Creditors to: (i) proceed against any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; (ii) proceed against or exhaust any security held from any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party; or (iii) pursue any other remedy in the Guaranteed Creditors’ power whatsoever. Each Guarantor waives any defense (except as shall be required by applicable statute and cannot be waived) based on or
arising out of any defense of any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party other than payment in full of the Guaranteed Obligations including, without limitation, any defense based on or arising out of the disability of any Borrower, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other party, or the invalidity, illegality or unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Borrower or any other Guaranteed Party other than payment in full of the Guaranteed Obligations. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or the other Guaranteed Creditors by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against any Borrower, any other Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been paid in full. Each Guarantor waives, to the fullest extent permitted under law, any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against any Borrower, any other Guaranteed Party or any other party or any security.

(b) Each Guarantor waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Guaranty, and notices of the existence, creation or incurring of new or additional Guaranteed Obligations. Each Guarantor assumes all responsibility for being and keeping itself informed of each Borrower’s and each other Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks which such Guarantor assumes and incurs hereunder, and agrees that the Guaranteed Creditors shall have no duty to advise any Guarantor of information known to them regarding such circumstances or risks.

10. Enforcement. The Guaranteed Creditors agree that this Guaranty may be enforced only by the action of the Administrative Agent or the Collateral Agent, in each case acting upon the instructions of the Required Lenders (or, after the date on which all Credit Document Obligations have been paid in full, the holders of at least a majority of the outstanding Other Obligations) and that no other Guaranteed Creditors shall have any right individually to seek to enforce or to enforce this Guaranty, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent or the Collateral Agent or, after all the Credit Document Obligations have been paid in full, by the holders of at least a majority of the outstanding Other Obligations, as the case may be, for the benefit of the Guaranteed Creditors upon the terms of this Guaranty. The Guaranteed Creditors further agree that this Guaranty may not be enforced against any director, officer, employee, partner, member or stockholder of any Guarantor (except to the extent such partner, member or stockholder is also a Guarantor hereunder).
11. **Representations and Warranties.** In order to induce the Lenders to make Term Loans to the Borrowers pursuant to the Credit Agreement, and in order to induce the Other Creditors to execute, deliver and perform the Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements to which they are a party, each Guarantor represents, warrants and covenants that:

(a) Such Guarantor (i) is a duly organized and validly existing corporation, partnership or limited liability company, as the case may be, in good standing under the laws of the jurisdiction of its organization, (ii) has the corporate, partnership or limited liability company power and authority, as the case may be, to own its property and assets and to transact the business in which it is engaged and presently proposes to engage and (iii) is, to the extent such concepts are applicable under the laws of the relevant jurisdiction, duly qualified and is authorized to do business and is in good standing in each jurisdiction where the ownership, leasing or operation of its property or the conduct of its business requires such qualification except for failures to be so qualified which, either individually or in the aggregate, has not had, and would not reasonably be expected to have, a Material Adverse Effect.

(b) Such Guarantor has the corporate, partnership or limited liability company power and authority, as the case may be, to execute, deliver and perform the terms and provisions of this Guaranty and each other Credit Document to which it is a party and has taken all necessary corporate, partnership or limited liability company action, as the case may be, to authorize the execution, delivery and performance by it of this Guaranty and each such other Credit Document. Such Guarantor has duly executed and delivered this Guaranty and each other Credit Document to which it is a party, and this Guaranty and each such other Credit Document constitutes the legal, valid and binding obligation of such Guarantor enforceable in accordance with its terms, except to the extent that the enforceability hereof or thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors’ rights and by equitable principles (regardless of whether enforcement is sought in equity or at law).

(c) Neither the execution, delivery or performance by such Guarantor of this Guaranty or any other Credit Document to which it is a party, nor compliance by it with the terms and provisions hereof and thereof, will (i) contravene any provision of any applicable law, statute, rule or regulation or any applicable order, writ, injunction or decree of any court or governmental instrumentality, (ii) conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents or Permitted Liens) upon any of the property or assets of such Guarantor or any of its Restricted Subsidiaries pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, credit agreement, or any other material agreement, contract or instrument, in each case to which such Guarantor or any of its Restricted Subsidiaries is a party or by which it or any of its property or assets is bound or to which it may be subject (except, in the case of preceding clauses (i) and (ii), other than in the case of any contravention, breach, default and/or conflict, that would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect) or (iii) violate any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of such Guarantor or any of its Restricted Subsidiaries.
(d) Except to the extent the failure to obtain or make the same would not reasonably be expected to have a Material Adverse Effect, no order, consent, approval, license, authorization or validation of, or filing, recording or registration with (except for (x) those that have otherwise been obtained or made on or prior to the Closing Date and which remain in full force and effect on the Closing Date and (y) filings which are necessary to perfect the security interests created under the Security Documents), or exemption by, any governmental or public body or authority, or any subdivision thereof, is required to be obtained or made by, or on behalf of, any Guarantor to authorize, or is required to be obtained or made by, or on behalf of, any Guarantor in connection with, the execution, delivery and performance of this Guaranty by such Guarantor or any other Credit Document to which such Guarantor is a party.

(e) There are no actions, suits or proceedings pending or, to such Guarantor’s knowledge, threatened (i) with respect to this Guaranty or any other Credit Document to which such Guarantor is a party or (ii) with respect to such Guarantor or any of its Restricted Subsidiaries that, either individually or in the aggregate, has had, or would reasonably be expected to have, a Material Adverse Effect.

12. Covenants. Each Guarantor covenants and agrees that on and after the Closing Date and until the Termination Date, such Guarantor will comply, and will cause each of its Restricted Subsidiaries to comply, with all of the applicable provisions, covenants and agreements contained in Sections 9 and 10 of the Credit Agreement, and will take, or will refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that it is not in violation of any provision, covenant or agreement contained in Section 9 or 10 of the Credit Agreement, and so that no Default or Event of Default is caused by the actions of such Guarantor or any of its Restricted Subsidiaries. As used in this Agreement, “Termination Date” shall mean the date upon which the Total Commitment under the Credit Agreement has been terminated and all Credit Document Obligations have been paid in full, no Note under the Credit Agreement is outstanding and all Term Loans thereunder have been repaid in full (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements).

13. Expenses. The Guarantors hereby jointly and severally agree to pay all reasonable invoiced-out-of-pocket costs and expenses of the Administrative Agent in connection with the enforcement of this Guaranty and in connection with any amendment, waiver or consent relating hereto, in each case, in accordance with the terms and provisions of Section 13.01 of the Credit Agreement.

14. Successors and Assigns. This Guaranty shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the Guaranteed Creditors and their successors and permitted assigns.
15. Amendments. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except with the written consent of each Guarantor directly affected thereby and with the written consent of either (x) the Required Lenders (or, to the extent required by Section 13.12 of the Credit Agreement, the written consent of each Lender) at all times prior to the time at which all Credit Document Obligations have been paid in full or (y) the holders of at least a majority of the outstanding Other Obligations at all times after the time on which all Credit Document Obligations have been paid in full; provided, that any change, waiver, modification or variance affecting the rights and benefits of a single Class (as defined below) of Guaranteed Creditors (and not all Guaranteed Creditors in a like or similar manner) shall also require the written consent of the Requisite Creditors (as defined below) of such Class of Guaranteed Creditors (it being understood that the addition or release of any Guarantor hereunder in accordance with the terms hereof or the Credit Agreement shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released and shall not require the consent of any Guaranteed Creditor other than the Administrative Agent). For the purpose of this Guaranty, the term “Class” shall mean each class of Guaranteed Creditors, i.e., whether (x) the Lender Creditors as holders of the Credit Document Obligations or (y) the Other Creditors as the holders of the Other Obligations. For the purpose of this Guaranty, the term “Requisite Creditors” of any Class shall mean (x) with respect to the Credit Document Obligations, the Required Lenders (or, to the extent required by Section 13.12 of the Credit Agreement, each Lender) and (y) with respect to the Other Obligations, the holders of at least a majority of all obligations outstanding from time to time under the Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements.

16. Documents. Each Guarantor acknowledges that an executed (or conformed) copy of each of the Credit Documents, Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements has been made available to such Guarantor.

17. Authorization. Subject, in each case, to the limitations set forth in Section 13.02(b) of the Credit Agreement, in addition to any rights now or hereafter granted under applicable law (including, without limitation, Section 151 of the New York Debtor and Guaranteed Creditor Law) and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Guaranteed Creditor is hereby authorized, at any time or from time to time, without notice to any Guarantor or to any other Person, any such notice being expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other indebtedness at any time held or owing by such Guaranteed Creditor to or for the credit or the account of such Guarantor, against and on account of the obligations and liabilities of such Guarantor to such Guaranteed Creditor under this Guaranty, irrespective of whether or not such Guaranteed Creditor shall have made any demand hereunder and although said obligations, liabilities, deposits or claims, or any of them, shall be contingent or unmatured.

18. Notices, etc. All notices, requests, demands or other communications pursuant hereto shall be sent in accordance with the terms and provisions set forth in Section 13.03 of the Credit Agreement. All notices and other communications shall be in writing and addressed to such party at (i) in the case of any Lender Creditor, as provided in the Credit Agreement, (ii) in the case of any Guarantor, at: c/o PAE Holding Corporation, c/o Platinum Equity, LLC, 360 North Crescent Drive, Beverly Hills, CA 90210; Facsimile: 310-712-1863, Attention: Legal Department, and (iii) in the case of any Other Creditor, at such address as such Other Creditor shall have specified in writing to the Lead Borrower and the Administrative Agent; or in any case at such other address as any of the Persons listed above may hereafter notify the others in writing.
19. **Continuing Liability.** If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Lead Borrower or any other Guaranteed Party) then and in such event each Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Guarantor, notwithstanding any revocation hereof or other instrument evidencing any liability of any Borrower or any other Guaranteed Party, and such Guarantor shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

20. **CHOICE OF LAW; CONSENT TO JURISDICTION; WAIVER OF JURY TRIAL.** (a) **THIS GUARANTY AND THE RIGHTS AND OBLIGATIONS OF THE GUARANTEED CREDITORS AND OF THE UNDERSIGNED HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK.** Any legal action or proceeding with respect to this Guaranty (except that in the case of any bankruptcy, insolvency or similar proceedings with respect to any Guarantor, actions or proceedings related to this Guaranty and the other Credit Documents may be brought in such court holding such bankruptcy, insolvency or similar proceedings) may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York in each case which are located in the County of New York, and, by execution and delivery of this Guaranty, each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the exclusive jurisdiction of the aforesaid courts. Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby further irrevocably waives any claim that any such court lacks personal jurisdiction over it, and agrees not to plead or claim in any legal action or proceeding with respect to this Guaranty or any other Credit Document to which it is a party brought in any of the aforesaid courts that any such court lacks personal jurisdiction over it. Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby further irrevocably waives any claim that any such court lacks personal jurisdiction over it, and agrees not to plead or claim in any legal action or proceeding with respect to this Guaranty or any other Credit Document to which it is a party brought in any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to such party at its address set forth in Section 18 hereof, such service to become effective 30 days after such mailing. Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any other Credit Document to which it is a party that such service of process was in any way invalid or ineffective. Nothing herein shall affect the right of any such party to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction.

-10-
(b) Each Guarantor and each Secured Party (by its acceptance of the benefits of this Guaranty) hereby irrevocably waives (to the fullest extent permitted by applicable law) any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Guaranty or any other Credit Document to which such Guarantor is a party brought in the courts referred to in clause (a) above and hereby further irrevocably waives and agrees not to plead or claim in any such court that such action or proceeding brought in any such court has been brought in an inconvenient forum.

(c) EACH GUARANTOR AND EACH GUARANTEED CREDITOR (BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY) HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS GUARANTY, THE OTHER CREDIT DOCUMENTS TO WHICH SUCH GUARANTOR IS A PARTY OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

21. **Release.** In the event that a Guarantor becomes an Excluded Subsidiary or all of the capital stock of a Guarantor is sold or otherwise disposed of or liquidated in compliance with the requirements of Section 10.02 of the Credit Agreement (or such sale or other disposition has been approved in writing by the Required Lenders (or the Lenders if required by Section 13.12 of the Credit Agreement)), such Guarantor shall upon consummation of such sale or other disposition (except to the extent that such sale or disposition is to Holdings or another Credit Party) be released from this Guaranty automatically and without further action and this Guaranty shall, as to each such Guarantor, terminate, and have no further force or effect (it being understood and agreed that the sale of one or more Persons that own, directly or indirectly, all of the capital stock of any Guarantor shall be deemed to be a sale of such Guarantor for the purposes of this Section 21). Upon the occurrence of the Termination Date, this Guaranty shall automatically and without further action, as to all Guarantors, terminate and have no further force and effect. The Administrative Agent will (and each Secured Creditor (by its acceptance of the benefits of this Guaranty) irrevocably authorizes the Administrative Agent to), at the Guarantors' expense, execute and deliver to the Guarantors such documents as the Guarantors may reasonably request to evidence, as applicable, the release of such Guarantor from, or the termination in full of, this Guaranty.

22. **Right of Contribution.** At any time a payment in respect of the Guaranteed Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a "Relevant Payment") is made on the Guaranteed Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Guarantor’s Contribution Percentage (as defined below) of the aggregate payments made to and including the date of the Relevant Payment (such excess, the "Aggregate Excess Amount"), each such Guarantor shall have a right of contribution against each other Guarantor who has made payments in respect of the Guaranteed Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Guarantor’s Contribution Percentage of the aggregate payments made to and including the date
23. **Maximum Liability.** Each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby confirms that it is its intention that this Guaranty not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act of any similar Federal or state law. To effectuate the foregoing intention, each Guarantor and each Guaranteed Creditor (by its acceptance of the benefits of this Guaranty) hereby irrevocably agrees that the Guaranteed Obligations guaranteed by such Guarantor shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such laws and after giving effect to any rights to contribution pursuant to any agreement providing for an equitable contribution among such Guarantor and the other Guarantors, result in the Guaranteed Obligations of such Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.
24. **Counterparts.** This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Guarantors and the Administrative Agent.

25. **Payments.** All payments made by any Guarantor hereunder will be made without setoff, counterclaim or other defense (other than payment in cash of such Guaranteed Obligations made in accordance with the terms of this Guaranty) and on the same basis as payments are made by the Borrowers under Sections 5.03 and 5.04 of the Credit Agreement.

26. **Additional Guarantors.** It is understood and agreed that any Restricted Subsidiary of the Lead Borrower that is required to become a party to this Guaranty after the date hereof pursuant to the requirements of the Credit Agreement or any other Credit Document, shall become a Guarantor hereunder by (x) executing and delivering a counterpart hereof, or a joinder agreement substantially in the form of Exhibit A hereto, and delivering same to the Administrative Agent and (y) taking all actions as specified in this Guaranty as would have been taken by such Guarantor had it been an original party to this Guaranty, in each case with all documents required by the Credit Documents to be delivered to the Administrative Agent and with all documents and actions required by the Credit Documents to be taken to the reasonable satisfaction of the Administrative Agent.

27. **Keepwell.** Each Guaranteed Party that is a Qualified ECP Guarantor (as defined below) at the time the Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under this Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 27 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 27 shall remain in full force and effect until the Guaranteed Obligations have been paid and performed in full. Each Qualified ECP Guarantor intends this Section 27 to constitute, and this Section 27 shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Loan Party for all purposes of the Commodity Exchange Act. A “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Party that has total assets exceeding $10,000,000 at the time the Guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Reference is made to (i) the First Lien Term Loan Credit Agreement, dated as of October 20, 2016, among Shay Intermediate Holding II Corporation, a Delaware corporation ("Holdings"), PAE Holding Corporation, a Delaware corporation (the "Lead Borrower"), the subsidiary borrowers party thereto (the "Subsidiary Borrowers" and together with the Lead Borrower, the "Borrowers"), the lenders party thereto from time to time (the "Lenders") and Bank of America, N.A., as administrative agent (together with any successor administrative agent, the "Administrative Agent") (as amended, modified, restated and/or supplemented from time to time, the "Credit Agreement") and (ii) the First Lien Subsidiaries Guaranty, dated as of October 20, 2016 (as amended, restated, amended and restated, modified or supplemented from time to time, the "Subsidiaries Guaranty"), made by each of the guarantors party thereto in favor of the Administrative Agent. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement or in the Subsidiaries Guaranty, as applicable.

W I T N E S S E T H:

WHEREAS, the Subsidiary Guarantors have entered into the Subsidiaries Guaranty in order to induce the Lenders to make the Term Loans to the Borrowers and the Other Creditors to enter into Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements with the Lead Borrower and/or one or more of its Restricted Subsidiaries;

WHEREAS, pursuant to Section 9.12 of the Credit Agreement and Section 26 of the Subsidiaries Guaranty, each person that is or becomes a Wholly-Owned Domestic Subsidiary of a Restricted Subsidiary after the Closing Date (other than an Excluded Subsidiary) is required to become a Subsidiary Guarantor under the Credit Agreement. The undersigned Subsidiary (the "New Guarantor") is executing this joinder agreement (this "Joinder Agreement") to the Subsidiaries Guaranty as required by the Credit Agreement;

NOW, THEREFORE, the Administrative Agent and the New Guarantor hereby agree as follows:

1. Guarantee. In accordance with Section 26 of the Subsidiaries Guaranty, the New Guarantor by its signature below becomes a Guarantor (as defined in the Subsidiaries Guaranty) under the Subsidiaries Guaranty with the same force and effect as if originally named therein as a Guarantor (as defined in the Subsidiaries Guaranty).

2. Representations and Warranties. The New Guarantor hereby (a) agrees to all the terms and provisions of the Subsidiaries Guaranty applicable to it as a Subsidiary Guarantor, respectively, thereunder and (b) represents and warrants that the representations and warranties made by it as a Subsidiary Guarantor thereunder are true and correct in all material respects (except that any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects) on and as of the date hereof. Each reference to a Subsidiary Guarantor in the Credit Agreement and to a Guarantor in the Subsidiaries Guaranty shall be deemed to include the New Guarantor.

Exhibit A-1
3. **Severability.** Any provision of this Joinder Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

4. **Counterparts.** This Joinder Agreement may be executed in counterparts, each of which shall constitute an original. Delivery of an executed signature page to this Joinder Agreement by facsimile transmission shall be as effective as delivery of a manually executed counterpart of this Joinder Agreement.

5. **No Waiver.** Except as expressly supplemented hereby, the Subsidiaries Guaranty shall remain in full force and effect.

6. **Notices.** All notices, requests and demands to or upon the New Guarantor, any Agent or any Lender shall be governed by the terms of Section 18 of the Subsidiaries Guaranty.

FIRST LIEN SECURITY AGREEMENT, dated as of October 20, 2016, made by each of the undersigned grantors (each, a "Grantor" and, together with any other entity that becomes a grantor hereunder pursuant to Section 10.12 hereof, the "Grantors") in favor of Bank of America, N.A., as Collateral Agent (together with any successor Collateral Agent, the "Collateral Agent"), for the benefit of the Secured Creditors (as defined below). Certain capitalized terms as used herein are defined in Article IX hereof. Except as otherwise defined herein, all capitalized terms used herein and defined in the Credit Agreement (as defined below) shall be used herein as therein defined.

WITNESSETH:

WHEREAS, Shay Intermediate Holding II Corporation, a Delaware corporation ("Holdings"), PAE Holding Corporation, a Delaware corporation (the "Lead Borrower"), the Subsidiary Borrowers party thereto (and together with the Lead Borrower, the "Borrowers"), the lenders party thereto from time to time (the "Lenders") and Bank of America, N.A., as administrative agent (together with any successor administrative agent, the "Administrative Agent"), have entered into a First Lien Term Loan Credit Agreement dated as of even date herewith (as amended, modified, restated and/or supplemented from time to time, the "Credit Agreement"), providing for the making of Term Loans to the Borrower, as contemplated therein (the Lenders, the Administrative Agent, the Collateral Agent and each other Agent are herein called the "Lender Creditors");

WHEREAS, the Lead Borrower and/or one or more of its Restricted Subsidiaries may at any time and from time to time enter into one or more Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements with Guaranteed Creditors (the Administrative Agent, each Lender Creditor and each Guaranteed Creditor, together with their permitted successors and assigns, if any, collectively, the "Secured Creditors");

WHEREAS, pursuant to the Credit Agreement Party Guaranty, each of Holdings and each Borrower has guaranteed to the Secured Creditors the payment when due of all of its Relevant Guaranteed Obligations;

WHEREAS, pursuant to the Subsidiaries Guaranty, each Subsidiary Guarantor has jointly and severally guaranteed to the Secured Creditors the payment when due of all of its Relevant Guaranteed Obligations;

WHEREAS, it is a condition precedent to the making of Term Loans to the Borrowers under the Credit Agreement and to the Guaranteed Creditors entering into Interest Rate Protection Agreements, Other Hedging Agreements and Treasury Services Agreements that each Grantor shall have executed and delivered to the Collateral Agent this Agreement; and

WHEREAS, each Grantor will obtain benefits from the incurrence of Term Loans by the Borrowers under the Credit Agreement and the entering into by the Lead Borrower and/or one or more of its Restricted Subsidiaries of Interest Rate Protection Agreements, Other Hedging Agreements and Treasury Services Agreements and, accordingly, desires to execute this Agreement in order to satisfy the condition described in the preceding paragraph and to induce the Lenders to make Term Loans to the Lead Borrower and the Guaranteed Creditors to enter into Interest Rate Protection Agreements, Other Hedging Agreements and Treasury Services Agreement with the Borrower and/or one or more of its Restricted Subsidiaries;
NOW, THEREFORE, in consideration of the benefits accruing to each Grantor, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby makes the following representations and warranties to the Collateral Agent for the benefit of the Secured Creditors and hereby covenants and agrees with the Collateral Agent for the benefit of the Secured Creditors as follows:

**ARTICLE II**

**GENERAL REPRESENTATIONS, WARRANTIES AND COVENANTS**

Each Grantor represents and warrants as of the date hereof, and, until the Termination Date, covenants, which representations, warranties and covenants shall survive execution and delivery of this Agreement, as follows:

2.1 **Necessary Perfection Action.** The security interest granted to the Collateral Agent pursuant to this Agreement in and to the Collateral for the benefit of the Collateral Agent and the Secured Creditors creates a valid security interest and Lien upon such Grantor’s right, title and interest in and to the Collateral. Except to the extent perfection is not required hereunder, such security interest will be duly perfected (A) upon the filing of the UCC financing statements delivered to the Collateral Agent for filing in the appropriate jurisdictions set forth on Schedule 6 of the Perfection Certificate, (B) in Deposit Accounts upon the obtaining and maintenance of “control” (as described in the UCC as in effect on the date hereof in the State of New York) by the Collateral Agent (it being understood that, notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, no “control” over any Excluded Deposit Accounts shall be required), (C) upon the recordation of a short form security agreement with respect to the U.S. registered intellectual property disclosed in Schedules 11(a) and 11(b) of the Perfection Certificate in the PTO or the United States Copyright Office, as the case may be; provided, however, that additional filings may be necessary to perfect the Collateral Agent’s security interest in, and Lien on, any Patents, Marks, Copyrights, Domain Names, Trade Secret Rights and other intellectual property acquired after the date hereof, and (D) upon the receipt by the Collateral Agent of all Instruments, Chattel Paper and certificated pledged Equity Interests that constitute “securities” governed by Article 8 of the UCC, in each case constituting Collateral in suitable form for transfer by delivery or accompanied by instruments of transfer or assignment duly executed in blank.

Upon the taking of the actions under this Section 2.1, such security interest will be superior to and prior to all other Liens of all other Persons (other than Permitted Liens), and enforceable as such as against all other Persons (except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors’ rights and by equitable principles (regardless of whether enforcement is sought in equity or at law)) other than Ordinary Course Transferees.
2.2 No Liens. Such Grantor is, and as to all Collateral acquired by it from time to time after the date hereof such Grantor will be, the owner of, or otherwise have the right to use, all Collateral free from any Lien of any Person (other than Permitted Liens), and such Grantor shall, at its own expense, take all commercially reasonable actions necessary to defend the Collateral against all claims and demands of all Persons at any time claiming the same or any interest therein materially adverse to the Collateral Agent (other than Permitted Liens).

2.3 Other Financing Statements. As of the date hereof, no Grantor has filed, nor authorized the filing by any third party of any financing statement (or similar statement or instrument of registration under the law of any jurisdiction) covering or purporting to cover any interest of any kind in the Collateral (other than financing statements or other statements or instruments of registration under the law of any jurisdiction filed in respect of Permitted Liens), and so long as the Termination Date has not occurred, such Grantor will not authorize to be filed in any public office any financing statement (or similar statement or instrument of registration under the law of any jurisdiction) relating to the Collateral, except financing statements filed or to be filed in respect of and covering the security interests granted hereby by such Grantor or in connection with Permitted Liens.

2.4 Chief Executive Office, Record Locations. The chief executive office of such Grantor is, on the date of this Agreement, located at the address indicated on Schedule 2(a) of the Perfection Certificate for such Grantor. During the period of the four calendar months preceding the date of this Agreement, the chief executive office of such Grantor has not been located at any address other than that indicated on Schedule 2(a) of the Perfection Certificate in accordance with the immediately preceding sentence, in each case unless each such other address is also indicated on Schedule 2(a) of the Perfection Certificate for such Grantor.

2.5 Location of Goods, Inventory and Equipment. All Goods, Inventory and Equipment (having a fair market value in excess of $3,000,000 with respect to Collateral comprising Goods, Inventory and Equipment only) held on the date hereof, or held at any time during the four calendar months prior to the date hereof, by each Grantor, other than Goods, Inventory or Equipment in transit, out for repair or refurbishment, books and records temporarily located at the offices of such Grantor’s attorneys or accountants, or moved in the ordinary course of business, is located at one of the locations shown on Schedule 2(b) of the Perfection Certificate for such Grantor.

2.6 Legal Names; Type of Organization (and Whether a Registered Organization); Jurisdiction of Organization; Location; Organizational Identification Numbers; Federal Employer Identification Number; Changes Thereto; etc. As of the Closing Date, the exact legal name of each Grantor as such name appears in its public organic record, the type of organization of such Grantor, whether or not such Grantor is a Registered Organization, the jurisdiction of organization of such Grantor, such Grantor’s Location, the organizational identification number (if any) to the extent required on the relevant UCC financing statement of such Grantor and the Federal Employer Identification Number of such Grantor (if any), is listed on Schedule 1(a) of the Perfection Certificate for such Grantor. Such Grantor shall not change its legal name as such name appears in its respective public organic record, its type of organization, its status as a Registered Organization (in the case of a Registered Organization), its jurisdiction of organization, its Location, its organizational identification number (if any) to the extent required on the relevant UCC financing statement of such Grantor or its Federal Employer Identification Number (if any) from that used on Schedule 1(a) of the Perfection Certificate, except that any such changes shall be permitted (so long as not in violation of the applicable requirements of the Secured Debt Agreements and so long as same do not involve (x) a Registered Organization ceasing to constitute same or (y) such Grantor changing its jurisdiction of organization or Location from the United States or a State thereof to a jurisdiction of organization or Location, as the case may be, outside the United States or a State thereof) if (i) it shall have given to the Collateral Agent written notice of each change to the
information listed on Schedule 1(a) of the Perfection Certificate (as adjusted for any subsequent changes thereto previously made in accordance with this sentence), together with a supplement to Schedule 1(a) of the Perfection Certificate which shall update all information contained therein for such Grantor within 30 days of such change (or such longer period as agreed to by the Collateral Agent) and (ii) in connection with such change or changes, it shall take all action reasonably requested by the Collateral Agent to maintain the security interests of the Collateral Agent in the Collateral intended to be granted hereby at all times fully perfected to the extent described in Section 2.1 and in full force and effect.

2.7 [Reserved].

2.8 **Certain Significant Transactions.** During the five-year period preceding the date of this Agreement, no Person shall have merged or consolidated with or into any Grantor, and no Person shall have liquidated into, or transferred all or substantially all of its assets to, any Grantor, in each case except the mergers and consolidations contemplated by the Transaction and the mergers and consolidations described in Schedule 3 of the Perfection Certificate. With respect to any transactions so described in Schedule 3 of the Perfection Certificate, the respective Grantor shall have furnished such information with respect to the Person (and the assets of the Person and locations thereof) which merged with or into or consolidated with such Grantor, or was liquidated into or transferred all or substantially all of its assets to such Grantor, and shall have furnished to the Collateral Agent such UCC lien searches as may have been reasonably requested by the Collateral Agent or Administrative Agent with respect to such Person and its assets, to establish that no security interest (excluding Permitted Liens) continues perfected on the date hereof with respect to any Person described above (or the assets transferred to the respective Grantor by such Person), including without limitation pursuant to Section 9-316(a)(3) of the UCC.

2.9 **As-Extracted Collateral; Timber-to-be-Cut.** On the date hereof, such Grantor does not own, or expect to acquire, any material property which constitutes, or would constitute, As-Extracted Collateral or Timber-to-be-Cut.

2.10 **Collateral in the Possession of a Bailee.** If any Inventory or other Goods, the aggregate fair market value of which is equal to or greater than $3,000,000, are at any time in the possession of a bailee, such Grantor shall on or prior to the next Quarterly Update Date furnish the Collateral Agent with written notice thereof and, if requested by the Collateral Agent after an Event of Default has occurred and is continuing, shall use its reasonable efforts to promptly obtain an acknowledgment from such bailee, in form and substance reasonably satisfactory to the Collateral Agent, that the bailee holds such Collateral for the benefit of the Collateral Agent and shall act upon the instructions of the Collateral Agent, without the further consent of such Grantor, subject to the ABL Intercreditor Agreement. The Collateral Agent agrees with such Grantor that the Collateral Agent shall not give any such instructions unless an Event of Default has occurred and is continuing and upon notice from the Collateral Agent of its intent to exercise remedies.

2.11 **Recourse.** This Agreement is made with full recourse to each Grantor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Grantor contained herein, in the Secured Debt Agreements and otherwise in writing in connection herewith or therewith.

7
3.1 Assignment of Claims Act. Subject to the terms of the ABL Intercreditor Agreement, upon the occurrence and during the continuance of an Event of Default, at the Administrative Agent’s request, each Grantor shall provide a list of all contracts with Applicable Governmental Authorities (as defined below) which have resulted or will result in an Applicable Governmental Authority becoming an obligor on any Receivable required to be included in Collateral of an amount greater than $5,000,000 and, to the extent that the aggregate Receivables from such contracts with Applicable Governmental Authorities represent less than 90% of the aggregate revenue of the Grantors on a consolidated basis for the trailing twelve-month period ending on the last day of the period for which internally generated financial statements of the Lead Borrower and its Subsidiaries are available, such additional contracts with Applicable Governmental Authorities that would result in the Receivables under contracts on such list representing no less than 90% of the aggregate revenue of the Grantors on a consolidated basis for such trailing twelve-month period, and promptly execute whatever instruments and documents are required by the Administrative Agent in order that such Receivables shall be assigned to the Administrative Agent and that proper notice of such assignment shall be given under the Federal Assignment of Claims Act (or any successor statute) or any other applicable Requirement of Law; provided that, if any contract with any Applicable Governmental Authority requires consent by or on behalf of such Applicable Governmental Authority in order for any such Receivable to be assigned pursuant to the applicable Requirements of Law, such Grantor shall only be required to exercise commercially reasonably efforts to obtain such consent (and if such consent cannot be obtained, no Grantor shall be in breach hereof). As used in this Section 3.1, the term “Applicable Governmental Authority” shall mean the United States of America, or any state or political subdivision thereof, or any department, agency or instrumentality of any of the foregoing.

3.2 Maintenance of Records. Each Grantor will keep proper books of record and accounts in which full, true and correct entries in conformity with U.S. GAAP and all material Requirements of Law shall be made of all dealings and transactions in relation to its business and activities, and such Grantor will make the same available on such Grantor’s premises to officers and designated representatives of the Collateral Agent for inspection in accordance with the terms and conditions set forth in the Credit Agreement. Upon the occurrence and during the continuance of an Event of Default and at the request of the Collateral Agent, such Grantor shall, at its own cost and expense, deliver all tangible evidence of its Accounts and Contract Rights (including, without limitation, all documents evidencing the Accounts and all Contract Rights) and such books and records to the Collateral Agent or to its representatives (copies of which evidence and books and records may be retained by such Grantor). Subject to the terms of the ABL Intercreditor Agreement, upon the occurrence and during the continuance of an Event of Default and if the Collateral Agent so requests, such Grantor shall legend, in form and manner reasonably satisfactory to the Collateral Agent, the Accounts and the Contracts, as well as books, records and documents (if any) of such Grantor evidencing or pertaining to such Accounts and Contracts with an appropriate reference to the fact that such Accounts and Contracts have been assigned to the Collateral Agent and that the Collateral Agent has a security interest therein.

3.3 Direction to Account Debtors; Contracting Parties; etc. Subject to the terms of the ABL Intercreditor Agreement, upon the occurrence and during the continuance of an Event of Default, after giving notice to the relevant Grantor of its intent to do so, if the Collateral Agent so directs any Grantor, such Grantor agrees (i) [reserved], (ii) that the Collateral Agent may, at its option, directly notify the obligors in its own name or in the name of others with respect to any Accounts and/or under any Contracts to make payments with respect thereto as provided in the preceding clause (i), and (iii) that
the Collateral Agent may enforce collection of any such Accounts and Contracts and may adjust, settle or compromise the amount of payment thereof, in the same manner and to the same extent as such Grantor; provided that, (x) any failure by the Collateral Agent to give or any delay in giving such notice to the relevant Grantor shall not affect the effectiveness of such notice or the other rights of the Collateral Agent created by this Section 3.3 and (y) no such notice shall be required if an Event of Default of the type described in Section 11.05 of the Credit Agreement has occurred and is continuing. The reasonable costs and expenses of collection (including reasonable attorneys’ fees), whether incurred by a Grantor or the Collateral Agent, shall be borne by the relevant Grantor. The Collateral Agent shall deliver a copy of each notice referred to in the preceding clause (y) to the relevant Grantor, provided that (x) the failure by the Collateral Agent to so notify such Grantor shall not affect the effectiveness of such notice or the other rights of the Collateral Agent created by this Section 3.3 and (y) no such notice shall be required if an Event of Default of the type described in Section 11.05 of the Credit Agreement has occurred and is continuing.

3.4 Modification of Terms; etc. Except in accordance with such Grantor’s ordinary course of business, or consistent with reasonable business judgment or as permitted by Section 3.5 or the Credit Documents, no Grantor shall rescind or cancel any indebtedness evidenced by any Account, or modify any material term thereof or make any material adjustment with respect thereto, or extend or renew the same, or compromise or settle any material dispute, claim, suit or legal proceeding relating thereto, or sell any Account, or interest therein, without the prior written consent of the Collateral Agent unless such rescissions, cancellations, modifications, adjustments, extensions, renewals, compromises, settlements, releases, or sales would not reasonably be expected to materially adversely affect the value of the Accounts constituting Collateral taken as a whole.

3.5 Collection. Each Grantor shall endeavor in accordance with historical business practices or otherwise in accordance with reasonable business judgment to cause to be collected from the Account Debtor named in each of its Accounts or obligor under any Contract, as and when due (including, without limitation, amounts which are delinquent, such amounts to be collected in accordance with generally accepted lawful collection procedures) any and all amounts owing under or on account of such Account or Contract, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Account or under such Contract. Except as otherwise directed by the Collateral Agent after the occurrence and during the continuation of an Event of Default or otherwise required pursuant to the Credit Agreement, any Grantor may allow in the ordinary course of business as adjustments to amounts owing under its Accounts and Contracts (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, which such Grantor finds appropriate in accordance with reasonable business judgment, (ii) a refund or credit due as a result of returned or damaged merchandise or improperly performed services or for other reasons which such Grantor finds appropriate in accordance with reasonable business judgment and (iii) any other adjustments necessary or desirable in the Grantor’s reasonable business judgment. The reasonable costs and expenses (including, without limitation, reasonable attorneys’ fees) of collection, whether incurred by a Grantor or the Collateral Agent, shall be borne by the relevant Grantor (in the case of any such costs and expenses incurred by the Collateral Agent, in accordance with the terms and provisions of Section 13.01 of the Credit Agreement).

3.6 Instruments. If any Grantor at any time holds or acquires any Instrument constituting Collateral with a face value in excess of $1,000,000 individually (other than checks received and collected in the ordinary course of business), such Grantor shall, on or prior to the next Quarterly Update Date, notify the Collateral Agent thereof, and upon request by the Collateral Agent (subject to the ABL Intercreditor Agreement), promptly deliver such Instrument to the Collateral Agent appropriately endorsed in blank or to the order of the Collateral Agent, provided that, so long as no Event of Default shall have occurred and be continuing, such Grantor may retain for collection in the ordinary course of
business any Instrument received by such Grantor in the ordinary course of business, and the Collateral Agent shall, promptly upon request of such Grantor, make appropriate arrangements for making any Instruments in its possession and pledged by such Grantor available to such Grantor for purposes of presentation, collection or renewal. If such Grantor retains possession of any Instruments pursuant to the terms hereof, upon request of the Collateral Agent, such Instrument shall be marked with the following legend: “This writing and the obligations evidenced or secured hereby are subject to the security interests of Bank of America, N.A., as collateral agent, for the benefit of itself and certain Secured Creditors.”

3.7 Grantors Remain Liable Under Accounts. Anything herein to the contrary notwithstanding, the Grantors shall remain liable under each of the Accounts to observe and perform all of the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to such Accounts. Neither the Collateral Agent nor any other Secured Creditor shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement, nor shall the Collateral Agent or any other Secured Creditor be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by them or as to the sufficiency of any performance by any party under any Account (or any agreement giving rise thereto), to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

3.8 Grantors Remain Liable Under Contracts. Anything herein to the contrary notwithstanding, the Grantors shall remain liable under each of the Contracts to observe and perform all of the conditions and obligations to be observed and performed by them thereunder, all in accordance with and pursuant to the terms and provisions of each Contract. Neither the Collateral Agent nor any other Secured Creditor shall have any obligation or liability under any Contract by reason of or arising out of this Agreement, nor shall the Collateral Agent or any other Secured Creditor be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any performance by any party under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

3.9 Deposit Accounts; Etc.

(a) Schedule 13 of the Perfection Certificate accurately sets forth, as of the date of this Agreement, for each Grantor, each Deposit Account maintained by such Grantor (including the respective account number) and the name of the respective bank with which such Deposit Account is maintained. Prior to the Discharge of Revolving Credit Obligations (as defined in the ABL Intercreditor Agreement) and to the extent similar requirements exist in the Revolving Credit Collateral Documents (as defined in the ABL Intercreditor Agreement) with respect to any Revolving Credit Obligations (as defined in the ABL Intercreditor Agreement), for each Deposit Account (other than the Excluded Deposit Accounts), the respective Grantor shall use commercially reasonable efforts to cause the bank with which the Deposit Account is maintained to execute and deliver to the Collateral Agent, within 90 days (or such later date as the Collateral Agent may determine in its sole discretion) after the date of this Agreement or, if later established or acquired, within 60 days (or such later date as the Collateral Agent may determine in its sole discretion) of the time of the establishment or acquisition of the respective Deposit Account, a “control agreement” in a form reasonably acceptable to the Collateral Agent.

3.10 [Reserved]

3.11 Commercial Tort Claims. As of the Closing Date, no Grantor has Commercial Tort Claims with an individual claimed value of $5,000,000 or more other than those described in Schedule 12 of the Perfection Certificate. If any Grantor shall at any time after the date of this Agreement hold or acquire a Commercial Tort Claim in an amount (taking the greater of the aggregate claimed damages thereunder or the reasonably estimated value thereof) of $5,000,000 or more, such Grantor shall, on or prior to the next Quarterly Update Date, notify the Collateral Agent thereof in a writing signed by such Grantor and describing the details thereof and shall grant to the Collateral Agent in such writing a security interest therein (subject to Permitted Liens) and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

3.12 Chattel Paper. Subject to the terms of the ABL Intercreditor Agreement, each Grantor will, following any reasonable request by the Collateral Agent, deliver all of its Tangible Chattel Paper with a value in excess of $1,000,000 to the Collateral Agent on or prior to the next Quarterly Update Date, provided that, so long as no Event of Default shall have occurred and be continuing, such Grantor may retain for collection in the ordinary course of business any Chattel Paper received by such Grantor in the ordinary course of business, and the Collateral Agent shall, promptly upon request of such Grantor, make appropriate arrangements for making any Chattel Paper in its possession and pledged by such Grantor available to such Grantor for purposes of presentation, collection or renewal. If such Grantor retains possession of any Chattel Paper pursuant to the terms hereof, subject to the terms of the ABL Intercreditor Agreement, upon request of the Collateral Agent, such Chattel Paper shall be marked with the following legend: “This writing and the obligations evidenced or secured hereby are subject to the security interests of Bank of America, N.A., as collateral agent, for the benefit of itself and certain Secured Creditors.”

3.13 Further Actions. To the extent otherwise required by this Agreement or the other Credit Documents, each Grantor will, at its own expense, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent from time to time such vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps, including any and all actions as may be necessary or required relating to its Accounts, Contracts, Instruments and other property or rights which constitute Collateral, as the Collateral Agent may reasonably require for the purpose of obtaining or preserving the full benefits of the security interests, rights and powers herein granted.

ARTICLE IV
SPECIAL PROVISIONS CONCERNING TRADEMARKS AND DOMAIN NAMES

4.1 Additional Representations and Warranties. Schedule 11(a) of the Perfection Certificate sets forth a list of all active United States marks and applications for United States marks registered or filed in the PTO and all Domain Names that such Grantor owns. Each Grantor represents and warrants that it owns all Marks registered or applied for with the PTO and Domain Names listed on Schedule 11(a) of the Perfection Certificate, except for such failure to own that has not had, and would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.
Each Grantor further warrants that it has no knowledge of any third party claim received by it within the last twelve (12) months that any aspect of such Grantor’s present business operations infringes any trademark, service mark or trade name of any other Person other than as has not, and would not, reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect. Each Grantor represents and warrants that all material U.S. trademark registrations and applications and Domain Name registrations listed in Schedule 11(a) of the Perfection Certificate have not been canceled and are not presently being opposed and, to such Grantor’s knowledge, are valid and subsisting, and that such Grantor is not aware of any pending third-party claim that any of said registrations is invalid or unenforceable, and is not aware that there is any reason that any of said registrations is invalid or unenforceable, and is not aware that there is any reason that any of said applications will not mature into registrations, other than as would not reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect. Each Grantor hereby grants to the Collateral Agent an absolute power of attorney to sign, solely upon the occurrence and during the continuance of an Event of Default, any document which may be required by the PTO or Domain Name registrar in order to effect an assignment of all right, title and interest in each Mark and/or Domain Name listed in Schedule 11(a) of the Perfection Certificate, and record the same.

4.2 Assignments. Except as otherwise permitted by the Secured Debt Agreements, each Grantor hereby agrees not to assign or otherwise transfer any rights to any third party all or substantially all rights in any material Mark or material Domain Name absent prior written approval of the Collateral Agent.

4.3 Infringements. Each Grantor agrees, promptly upon learning thereof, to notify the Collateral Agent in writing of the name and address of (if available to such Grantor), and to furnish such pertinent information that may be available to such Grantor with respect to, any party who such Grantor reasonably believes is infringing or diluting or otherwise violating any of such Grantor’s rights in and to any Mark or Domain Name material to such Grantor’s business in any manner that would reasonably be expected to have a Material Adverse Effect, or with respect to any party claiming that such Grantor’s use of any Mark or Domain Name material to such Grantor’s business violates in any material respect any intellectual property right of that party. Each Grantor further agrees to prosecute diligently in accordance with its reasonable business judgment, any Person infringing any Mark or Domain Name owned by it in any manner that would reasonably be expected to have a Material Adverse Effect.

4.4 Preservation of Marks. Each Grantor agrees to use its Marks that are material to such Grantor’s business in interstate commerce during the time in which this Agreement is in effect to the extent required by the laws of the United States to maintain its rights in such Mark and to take all such other actions as are reasonably necessary to preserve such Marks as trademarks or service marks under the laws of the United States (other than any such material Marks that are no longer material or are deemed by such Grantor in its reasonable business judgment to no longer be necessary in the conduct of Grantor’s business).

4.5 Maintenance of Registration. Each Grantor shall, at its own expense, diligently process all documents reasonably required to maintain all material Mark and/or Domain Name registrations, including but not limited to affidavits of use and applications for renewals of registration in the PTO for all of its material registered Marks, and shall pay all fees and disbursements in connection therewith and shall not abandon any such filing of affidavit of use or any such application of renewal prior to the exhaustion of all administrative and judicial remedies without prior written consent of the Collateral Agent, not to be unreasonably withheld (other than with respect to registrations and applications deemed by such Grantor in its reasonable business judgment to be no longer prudent to pursue or as otherwise permitted by the Credit Agreement).
4.6 Future Registered Marks and Domain Names. If any Mark registration is issued hereafter prior to the Termination Date to any Grantor as a result of any application now or hereafter prior to the Termination Date pending before the PTO or any Domain Name is registered by Grantor prior to the Termination Date, on or prior to the next Quarterly Update Date, such Grantor shall deliver to the Collateral Agent an updated Schedule 11(a) of the Perfection Certificate, and, if requested by the Collateral Agent, a grant of a security interest in such Mark and/or Domain Name, to the Collateral Agent and at the expense of such Grantor, confirming the grant of a security interest in such Mark and/or Domain Name to the Collateral Agent hereunder, the form of such security to be substantially in the form of Exhibit C hereto or in such other form as may be reasonably satisfactory to the Collateral Agent.

4.7 Remedies. If an Event of Default shall occur and be continuing, subject to the terms of the ABL Intercreditor Agreement, the Collateral Agent may, by written notice to the relevant Grantor, take any or all of the following actions: (i) declare the entire right, title and interest of such Grantor in and to each of the Marks and Domain Names, together with all trademark rights and rights of protection to the same, vested in the Collateral Agent for the benefit of the Secured Creditors, in which event such right, title and interest shall immediately vest, in the Collateral Agent for the benefit of the Secured Creditors, and the Collateral Agent shall be entitled to exercise the power of attorney referred to in Section 4.1 hereof to execute, cause to be acknowledged and notarized and record said absolute assignment with the applicable agency or registrar; (ii) take and use or sell the Marks or Domain Names and the goodwill of such Grantor’s business symbolized by the Marks or Domain Names and the right to carry on the business and use the assets of such Grantor in connection with which the Marks or Domain Names have been used (provided that any license shall be subject to reasonable quality control); and (iii) direct such Grantor to refrain, in which event such Grantor shall refrain, from using the Marks or Domain Names in any manner whatsoever, directly or indirectly, and such Grantor shall execute such further documents that the Collateral Agent may reasonably request to further confirm this and to transfer ownership of the Marks or Domain Names owned by it and registrations and any pending trademark applications in the PTO or applicable Domain Name registrar therefor to the Collateral Agent. Solely for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Section 4.7 and at such time as the Collateral Agent shall be lawfully entitled, and permitted under the Credit Agreement, to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor), subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of said Trademarks, to use, operate under, license, or sublicense any Marks and Domain Names now owned or hereafter acquired by such Grantor to the extent constituting Collateral hereunder.

ARTICLE V

SPECIAL PROVISIONS CONCERNING PATENTS, COPYRIGHTS AND TRADE SECRETS

5.1 Additional Representations and Warranties. Each Grantor represents and warrants that it is the owner of all rights in (i) all Trade Secret Rights, (ii) the Patents listed in Schedule 11(a) of the Perfection Certificate for such Grantor and that said Patents include all the material registered United States patents and applications for United States patents that such Grantor owns as of the date hereof and (iii) the Copyrights listed in Schedule 11(b) of the Perfection Certificate for such Grantor and that said Copyrights include all the material United States copyrights registered with the United States Copyright Office and applications to United States copyrights that such Grantor owns as of the date hereof. Each Grantor further warrants that it has no knowledge of any third party claim received by it within the past twelve (12) months that any aspect of such Grantor’s present business operations infringes any patent or copyright of any other Person or such Grantor has misappropriated any Trade Secret or proprietary information which, either individually or in the aggregate, has, or would reasonably be
expected to have, a Material Adverse Effect. Each Grantor hereby grants to the Collateral Agent a power of attorney to sign, solely upon the occurrence and during the continuance of any Event of Default, any document which may be required by the PTO or the United States Copyright Office in order to effect an assignment of all right, title and interest in each Patent listed in Schedule 11(a) of the Perfection Certificate or Copyright listed in Schedule 11(b) of the Perfection Certificate, or any other issued or applied-for United States patent or registered or applied-for United States copyright hereinafter owned by such Grantor, and to record the same.

5.2 Assignments. Except as otherwise permitted by the Secured Debt Agreements, each Grantor hereby agrees not to assign or otherwise transfer to any third party all or substantially all rights in any material Patent or material Copyright absent prior written approval of the Collateral Agent.

5.3 Infringements. Each Grantor agrees, promptly upon learning thereof, to furnish the Collateral Agent in writing with all pertinent information available to such Grantor with respect to any infringement, contributing infringement or active inducement to infringe or other violation of such Grantor’s rights in any Patent or Copyright or to any claim that the practice of any Patent or use of any Copyright by such Grantor violates any intellectual property right of a third party, or with respect to any misappropriation of any Trade Secret Right by such Grantor or any claim that practice of any Trade Secret Right by such Grantor violates any intellectual property right of a third party, in each case, in any manner which, either individually or in the aggregate, has, or would reasonably be expected to have, a Material Adverse Effect. Each Grantor further agrees to diligently prosecute, in accordance with such Grantor’s reasonable business judgment, any Person infringing any Patent owned by it or Copyright or any Person misappropriating any Trade Secret Right, in each case to the extent that such infringement or misappropriation, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

5.4 Maintenance of Patents or Copyrights. At its own expense, each Grantor shall make timely payment of all post-issuance fees required to maintain in force its rights under each issued Patent or registered Copyright, absent prior written consent of the Collateral Agent (other than any such Patents or Copyrights that are no longer material or are deemed by such Grantor in its reasonable business judgment to no longer be necessary in the conduct of Grantor’s business).

5.5 Prosecution of Patent or Copyright Applications. At its own expense, each Grantor shall diligently prosecute all material applications for (i) United States Patents listed in Schedule 11(a) of the Perfection Certificate and (ii) Copyrights listed on Schedule 11(b) of the Perfection Certificate, in each case for such Grantor and shall not abandon any such application prior to exhaustion of all administrative and judicial remedies (other than applications that are no longer material or are deemed by such Grantor in its reasonable business judgment to no longer be necessary in the conduct of Grantor’s business), absent written consent of the Collateral Agent not to be unreasonably withheld.

5.6 Other Patents and Copyrights. Upon acquisition or issuance of a United States Patent, registration of a Copyright, or acquisition of a registered Copyright, or filing of an application for a United States Patent or Copyright, the relevant Grantor shall deliver to the Collateral Agent an updated Schedule 11 of the Perfection Certificate on or prior to the next Quarterly Update Date, with, if requested by the Collateral Agent, a grant of a security interest as to such Patent or Copyright, as the case may be, to the Collateral Agent and at the expense of such Grantor, confirming the grant of a security interest, the form of such grant of a security interest to be substantially in the form of Exhibit A or B hereto, as appropriate, or in such other form as may be reasonably satisfactory to the Collateral Agent.
5.7 Remedies. If an Event of Default shall occur and be continuing, subject to the terms of the ABL Intercreditor Agreement, the Collateral Agent may, by written notice to the relevant Grantor, take any or all of the following actions: (i) declare the entire right, title, and interest of such Grantor in each of the Patents, Copyrights and Trade Secret Rights vested in the Collateral Agent for the benefit of the Secured Creditors, in which event such right, title, and interest shall immediately vest in the Collateral Agent for the benefit of the Secured Creditors, and the Collateral Agent shall be entitled to exercise the power of attorney referred to in Section 5.1 hereof to execute, cause to be acknowledged and notarized and to record said assignment with the applicable agency; (ii) take and practice or sell the Patents, Copyrights and Trade Secrets, in each case, owned by such Grantor, and exercise any other rights vested in the Patents, Copyrights and Trade Secrets pursuant to Section 5.7(i) above; and (iii) direct such Grantor to refrain, in which event such Grantor shall refrain, from practicing the Patents and using the Copyrights and the Trade Secrets directly or indirectly, and such Grantor shall execute such further documents as the Collateral Agent may reasonably request further to confirm this and to transfer ownership of the Patents, Copyrights and Trade Secrets, in each case owned by it, to the Collateral Agent for the benefit of the Secured Creditors. Solely for the purpose of enabling the Collateral Agent to exercise rights and remedies under this Section 5.7 and at such time as the Collateral Agent shall be lawfully entitled, and permitted under the Credit Agreement, to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent, to the extent it has the right to do so, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor), to use, operate under, license, or sublicense any Patents, Copyrights and Trade Secrets now owned or hereafter acquired by such Grantor to the extent constituting Collateral hereunder.

ARTICLE VI
PROVISIONS CONCERNING ALL COLLATERAL

6.1 Protection of Collateral Agent’s Security. Except as otherwise permitted or not prohibited by the Secured Debt Agreements, each Grantor will do nothing to impair the rights of the Collateral Agent in the Collateral. Each Grantor or an affiliate on behalf of such Grantor will at all times maintain insurance, at such Grantor’s own expense to the extent and in the manner provided in the Secured Debt Agreements. If any Event of Default shall have occurred and be continuing, the Collateral Agent shall, at the time any proceeds of such insurance are distributed to the Secured Creditors, apply such proceeds in accordance with Section 7.4 hereof. Each Grantor assumes all liability and responsibility in connection with the Collateral acquired by it and the liability of such Grantor to pay the Obligations shall in no way be affected or diminished by reason of the fact that such Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to such Grantor.

6.2 Warehouse Receipts Non-Negotiable. To the extent practicable, each Grantor agrees that if any warehouse receipt or receipt in the nature of a warehouse receipt is issued with respect to any of its Inventory, such Grantor shall request that such warehouse receipt or receipt in the nature thereof shall not be “negotiable” (as such term is used in Section 7-104 of the UCC as in effect in any relevant jurisdiction or under other relevant law).

6.3 Additional Information. Each Grantor will, at its own expense, from time to time upon the reasonable request of the Collateral Agent, promptly furnish to the Collateral Agent such information with respect to the Collateral (including the identity of the Collateral or such components thereof as may have been reasonably requested by the Collateral Agent, the value and location of such Collateral, etc.) as may be requested by the Collateral Agent.

6.4 Further Actions. To the extent otherwise required by this Agreement or the other Credit Documents, each Grantor will, at its own expense and upon the reasonable request of the Collateral Agent, make, execute, endorse, acknowledge, file and/or deliver to the Collateral Agent from time to time such lists, descriptions and designations of its Collateral, warehouse receipts, receipts in the nature of
warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Collateral Agent deems reasonably appropriate or advisable to perfect, preserve or protect its security interest in the Collateral at least to the extent described in Section 2.1.

6.5 Financing Statements. Each Grantor agrees to deliver to the Collateral Agent such financing statements, in form reasonably acceptable to the Collateral Agent, as the Collateral Agent may from time to time reasonably request to establish and maintain a valid, enforceable, perfected security interest in the Collateral as provided herein and for the purpose of obtaining and preserving the full benefits of the other rights and security contemplated hereby at least to the extent described in Section 2.1. Each Grantor will pay any applicable filing fees, recordation taxes and related expenses relating to its Collateral. Each Grantor hereby authorizes the Collateral Agent to file any such financing statements (and such authorization includes describing the Collateral as “all assets and all personal property whether now owned or hereafter acquired” of such Grantor or words of similar effect).

ARTICLE VII

REMEDIES UPON OCCURRENCE OF AN EVENT OF DEFAULT

7.1 Remedies; Obtaining the Collateral Upon an Event of Default. Each Grantor agrees that, subject to the terms of the ABL Intercreditor Agreement, if any Event of Default shall have occurred and be continuing, then and in every such case, the Collateral Agent, in addition to any rights now or hereafter existing under applicable law and under the other provisions of this Agreement, shall have all rights as a secured creditor under any UCC, and such additional rights and remedies to which a secured creditor is entitled under the laws in effect in all relevant jurisdictions and may:

(i) personally, or by agents or attorneys, immediately take possession of the Collateral or any part thereof, from such Grantor or any other Person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon such Grantor’s premises where any of the Collateral is located and remove the same and use in connection with such removal any and all services, supplies, aids and other facilities of such Grantor, in each case without breach of the peace;

(ii) instruct the obligor or obligors on any agreement, instrument or other obligation (including, without limitation, the Accounts and the Contracts) constituting the Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Collateral Agent and may exercise any and all remedies of such Grantor in respect of such Collateral;

(iii) instruct all banks which have entered into a control agreement with the Collateral Agent to transfer all monies, securities and instruments held by such depositary bank to an Account designated by the Collateral Agent; it being understood and agreed that unless an Event of Default has occurred and is continuing, the Collateral Agent shall not deliver to such banks a “notice of exclusive control” under, and as defined in, the respective “control agreement” relating thereto;

(iv) sell, assign or otherwise liquidate any or all of the Collateral or any part thereof in accordance with Section 7.2 hereof, or direct such Grantor to sell, assign or otherwise liquidate any or all of the Collateral or any part thereof, and, in each case, take possession of the proceeds of any such sale or liquidation;
(v) take possession of the Collateral or any part thereof, by directing such Grantor in writing to deliver the same to the Collateral Agent at any reasonable place or places designated by the Collateral Agent, in which event such Grantor shall at its own expense:

(x) forthwith cause the same to be moved to the place or places so designated by the Collateral Agent and there delivered to the Collateral Agent;

(y) store and keep any Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent as provided in Section 7.2 hereof; and

(z) while the Collateral shall be so stored and kept, provide such security and maintenance services as shall be reasonably necessary to protect the same and to preserve and maintain it in good condition;

(vi) license or sublicense, whether on an exclusive (where permissible) or nonexclusive basis, any Marks (subject to reasonable quality control), Domain Names, Patents or Copyrights included in the Collateral for such term and on such conditions and in such manner as the Collateral Agent shall in its sole judgment determine;

(vii) apply any monies constituting Collateral or proceeds thereof in accordance with the provisions of Section 7.4; and

(viii) take any other action as specified in clauses (a)(1) through (a)(5), inclusive, of Section 9-607 of the UCC;

it being understood that each Grantor’s obligation so to deliver the Collateral is of the essence of this Agreement and that, accordingly, upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by such Grantor of said obligation. By accepting the benefits of this Agreement and each other Security Document, the Secured Creditors expressly acknowledge and agree that this Agreement and each other Security Document may be enforced only by the action of the Collateral Agent and that no Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Collateral Agent.

7.2 Remedies; Disposition of the Collateral. To the extent permitted by applicable law, if any Event of Default shall have occurred and be continuing, then any Collateral repossessed by the Collateral Agent under or pursuant to Section 7.1 hereof and any other Collateral whether or not so repossessed by the Collateral Agent, may be sold, assigned, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Collateral Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Collateral Agent or after any overhaul or repair at the expense of the relevant Grantor which the Collateral Agent shall determine to be commercially reasonable. Any such sale, lease or other disposition may be effected by means of a public disposition or private disposition, effected in accordance with the applicable requirements (in each case if and to the extent applicable) of Sections 9-610 through 9-613 of the UCC and/or such other mandatory requirements.
of applicable law as may apply to the respective disposition. The Collateral Agent may, without notice or publication, adjourn any public or private disposition or cause the same to be adjourned from time to time by announcement at the time and place fixed for the disposition, and such disposition may be made at any time or place to which the disposition may be so adjourned. To the extent permitted by any such requirement of law, the Collateral Agent may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the Collateral or any item thereof, offered for disposition in accordance with this Section 7.2 without accountability to the relevant Grantor. Each Grantor agrees to do or cause to be done all such other acts and things as may be reasonably necessary to make such disposition or dispositions of all or any portion of the Collateral valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, having jurisdiction over any such sale or sales, all at such Grantor’s expense.

7.3 Waiver of Claims. Except as otherwise provided in this Agreement, EACH GRANTOR HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, NOTICE AND JUDICIAL HEARING IN CONNECTION WITH THE COLLATERAL AGENT’S TAKING POSSESSION OR THE COLLATERAL AGENT’S DISPOSITION OF ANY OF THE COLLATERAL, INCLUDING, WITHOUT LIMITATION, ANY AND ALL PRIOR NOTICE AND HEARING FOR ANY PREJUDGMENT REMEDY OR REMEDIES, and each Grantor hereby further waives, to the extent permitted by law:

(a) all damages occasioned by such taking of possession or any such disposition except any damages which are the direct result of the Collateral Agent’s gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision);

(b) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent’s rights hereunder; and

(c) all rights of redemption, appraisement, valuation, stay, extension or moratorium now or hereafter in force under any applicable law in order to prevent or delay the enforcement of this Agreement or the absolute sale of the Collateral or any portion thereof, and each Grantor, for itself and all who may claim under it, insofar as it or they now or hereafter lawfully may, hereby waives the benefit of all such laws.

Any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the relevant Grantor therein and thereto, and shall be a perpetual bar both at law and in equity against such Grantor and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under such Grantor.

7.4 Application of Proceeds

(a) Subject to the terms of the ABL Intercreditor Agreement, all moneys collected by the Collateral Agent (or, to the extent the Pledge Agreement or any other Security Document requires proceeds of collateral under such other Security Document to be applied in accordance with the provisions of this Agreement, the Pledgee under, and as defined in, the Pledge Agreement, or collateral agent under such other Security Document) upon any sale or other disposition of the Collateral (or the collateral under the relevant Security Document), together with all other moneys received by the Collateral Agent hereunder (or under the relevant Security Document), in each case, as a result of the exercise of remedies by the Collateral Agent after the occurrence and during the continuance of an Event of Default, shall be applied as follows:
(i) first, to the payment of all amounts owing the Collateral Agent of the type described in clauses (iii), (iv) and (v) of the definition of “Obligations”; 

(ii) second, to the extent proceeds remain after the application pursuant to the preceding clause (i), to the payment of all amounts owing to any Agent of the type described in clauses (v) and (vi) of the definition of “Obligations”; 

(iii) third, to the extent proceeds remain after the application pursuant to the preceding clauses (i) and (ii), an amount equal, and payable ratably, to all unpaid principal of, premium, if any, fees and interest (including interest accruing during the pendency of any bankruptcy, insolvency, receivership or similar proceeding, regardless of whether allowed or allowable in such proceeding) on, all Term Loans, and all amounts due under each Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement with a Guaranteed Creditor; 

(iv) fourth, to the extent proceeds remain after the application pursuant to preceding clauses (i) through (iii), inclusive, ratably to any then remaining unpaid Obligations; and 

(v) fifth, to the extent proceeds remain after the application pursuant to the preceding clauses (i) through (iv), inclusive, and following the termination of this Agreement pursuant to Section 10.8(a) hereof, to the relevant Grantor or to whomever may be lawfully entitled to receive such surplus. 

(b) [Reserved].

c) [Reserved].

(d) All payments required to be made hereunder shall be made (x) if to the Lender Creditors, to the Administrative Agent for the account of the Lender Creditors and (y) if to the Guaranteed Creditors, to the trustee, paying agent or other similar representative (each, a “Representative”) for the Guaranteed Creditors or, in the absence of such a Representative, directly to the Guaranteed Creditors. 

(e) For purposes of applying payments received in accordance with this Section 7.4, the Collateral Agent shall be entitled to rely upon (i) the Administrative Agent and (ii) the Representative or, in the absence of such a Representative, upon the Guaranteed Creditors for a determination (which the Administrative Agent, each Representative and the Guaranteed Creditors agree (or shall agree) to provide upon request of the Collateral Agent) of the outstanding Primary Obligations and Secondary Obligations owed to the Lender Creditors or the Guaranteed Creditors, as the case may be. Unless it has received written notice from a Lender Creditor or a Guaranteed Creditor to the contrary, the Administrative Agent and each Representative, in furnishing information pursuant to the preceding sentence, and the Collateral Agent, in acting hereunder, shall be entitled to assume that no Secondary Obligations are outstanding. Unless it has written notice from a Guaranteed Creditor to the contrary, the Collateral Agent, in acting hereunder, shall be entitled to assume that no Designated Interest Rate Protection Agreements or Designated or Treasury Services Agreements that constitute Obligations are in existence.
(f) It is understood that the Grantors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Obligations.

7.5 Remedies Cumulative. (iii) with respect to an Uncertificated Security (other than an Uncertificated Security credited on the books of a Clearing Corporation or Securities Intermediary), at any time any Event of Default under the Credit Agreement has occurred and is continuing, such Pledgor shall cause the issuer of such Uncertificated Security, promptly, upon the request of the Collateral Agent, to duly authorize, execute, and deliver to the Pledgee, an agreement for the benefit of the Pledgee and the other Secured Creditors substantially in the form of Annex A hereto (appropriately completed to the reasonable satisfaction of the Pledgee and with such modifications, if any, as shall be reasonably satisfactory to the Pledgee) pursuant to which such issuer agrees to comply with any and all instructions originated by the Pledgee without further consent by the registered owner and not to comply with instructions regarding such Uncertificated Security (and any Partnership Interests and Limited Liability Company Interests issued by such issuer) originated by any other Person other than a court of competent jurisdiction;

(ii) each Pledgor shall from time to time cause appropriate financing statements (on appropriate forms) under the Uniform Commercial Code, covering all Collateral hereunder (with the form of such financing statements to be reasonably satisfactory to the Pledgee), to be filed in the relevant filing offices, so that at all times the Pledgee’s security interest in the Investment Property and other Collateral which can be perfected by the filing of such financing statements (in each case to the maximum extent perfection by filing may be obtained under the laws of the relevant States, including, without limitation, Section 9-312(a) of the UCC) is so perfected.
Notwithstanding anything to the contrary contained herein or in any other Credit Document, no Pledgor shall be required to take any action with respect to the creation or perfection of a security interest or Liens under foreign law with respect to any Collateral.

Without limiting the foregoing, each Pledgor shall be required to pledge hereunder the Equity Interests of any FSHCO or Foreign Subsidiary at any time and from time to time after the date hereof acquired by such Pledgor, provided that (x) any such pledge of Voting Equity Interests of any FSHCO or Foreign Subsidiary that is a CFC shall be subject to the provisions of clauses (x) and (y) of the proviso to Section 3.1 hereof and (y) each Pledgor shall be required to pledge hereunder 100% of the Non-Voting Equity Interests of each FSHCO or Foreign Subsidiary at any time and from time to time acquired by such Pledgor.

(iv) to, upon at least one Business Day’s prior written notice, vote (and exercise all rights and powers in respect of voting) all or any part of the Collateral (whether or not transferred into the name of the Pledgee) and give all consents, waivers and ratifications in respect of the Collateral and otherwise act with respect thereto as though it were the outright owner thereof (each Pledgor hereby irrevocably constituting and appointing the Pledgee the proxy and attorney-in-fact of such Pledgor, with full power of substitution to do so);

(v) at any time and from time to time to sell, assign and deliver, or grant options to purchase, all or any part of the Collateral, or any interest therein, at any public or private sale, without demand of performance, advertisement or, notice of intention to sell or of the time or place of sale or adjournment thereof or to redeem or otherwise purchase or dispose (all of which are hereby waived by each Pledgor), for cash, on credit or for other property, for immediate or future delivery without any assumption of credit risk, and for such price or prices and at such time or times, at such place or places and on such terms as the Pledgee may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable, provided at least 10 days’ prior written notice of the time and place of any such sale shall be given to the respective Pledgor. The Pledgee shall not be obligated to make any such sale of Collateral regardless of whether any such notice of sale has theretofore been given. Each Pledgor hereby waives and releases to the fullest extent permitted by law any right or equity of redemption with respect to the Collateral, whether before or after sale hereunder, and all rights, if any, of marshaling the Collateral and any other security or the Obligations or otherwise. At any such sale, unless prohibited by applicable law, the Pledgee on behalf of the Secured Creditors may bid for and purchase all or any part of the Collateral so sold free from any such right or equity of redemption. (b) It is understood and agreed that in respect of Collateral consisting of Uncertificated Securities, Partnership Interests and Limited Liability Company Interests subject of an agreement substantially in the form of Annex A and as described in Section 3.2(a)(ii), unless an Event of Default has occurred and is continuing, the Pledgee shall not deliver to the issuer of such Uncertificated Securities, Partnership Interests or Limited Liability Company Interests, as the case may be, a notice stating that the Pledgee is exercising exclusive control of such Uncertificated Securities, Partnership Interests or Limited Liability Company Interests, as the case may be, under, and as described in such respective agreement.

Each and every right, power and remedy of the Pledgee provided for in this Agreement or in any other Secured Debt Agreement, or now or hereafter existing at law or in equity or by statute shall be cumulative and concurrent and, subject to Section 12(c) hereof, shall be in addition to every other such right, power or remedy. The exercise or beginning of the exercise by the Pledgee or any other Secured Creditor of any one or more of the rights, powers or remedies provided for in this Agreement or any other Secured Debt Agreement or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the Pledgee or any other Secured Creditor of all such other rights, powers or remedies, and no failure or delay on the part of the Pledgee or any other Secured Creditor to exercise any such right, power or remedy shall operate as a waiver thereof. No notice to or demand on any Pledgor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Pledgee or any other Secured Creditor to any other or further action in any circumstances without notice or demand. The Secured Creditors agree that this Agreement may be enforced only by the action of the Pledgee and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Pledgee for the benefit of the Secured Creditors upon the terms of this Agreement and the Security Agreement.

(a) Subject to the terms of the ABL Intercreditor Agreement, all monies collected by the Pledgee upon any sale or other disposition of the Collateral as a result of the exercise of any remedies by the Pledgee after the occurrence and during the continuance of an Event of Default pursuant to the terms of this Agreement, together with all other monies received by the Pledgee hereunder, shall be applied in the manner provided in the Security Agreement.

(b) It is understood and agreed that each Pledgor shall remain jointly and severally liable with respect to its Obligations to the extent of any deficiency between the amount of the proceeds of the Collateral pledged by it hereunder and the aggregate amount of such Obligations.

10. Purchasers of Collateral. Upon any sale of the Collateral by the Pledgee hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt of the Pledgee or the officer making such sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Pledgee or such officer or be answerable in any way for the misapplication or nonapplication thereof.

11. Indemnity. The terms of Section 13.01 of the Credit Agreement are incorporated herein by reference, mutatis mutandis, and the parties hereto agree to such terms.
12. **Pledgee Not A Partner or Member**

(a) Nothing herein shall be construed to make the Pledgee or any other Secured Creditor liable as a member of any limited liability company or as a partner of any partnership and neither the Pledgee nor any other Secured Creditor by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that, unless the Pledgee shall become the absolute owner of Collateral consisting of a Limited Liability Company Interest or a Partnership Interest pursuant hereto, this Agreement shall not be construed as creating a partnership or joint venture among the Pledgee, any other Secured Creditor, any Pledgor and/or any other Person.

(b) Except as provided in the last sentence of paragraph (a) of this Section 12, the Pledgee, by accepting this Agreement, did not intend to become a member of any limited liability company or a partner of any partnership or otherwise be deemed to be a co-venturer with respect to any Pledgor, any limited liability company, partnership and/or any other Person either before or after an Event of Default shall have occurred. The Pledgee shall have only those powers set forth herein and the Secured Creditors shall assume none of the duties, obligations or liabilities of a member of any limited liability company or as a partner of any partnership or any Pledgor except as provided in the last sentence of paragraph (a) of this Section 12.

(c) The Pledgee and the other Secured Creditors shall not be obligated to perform or discharge any obligation of any Pledgor as a result of the pledge hereby effected.

(d) The acceptance by the Pledgee of this Agreement, with all the rights, powers, privileges and authority so created, shall not at any time or in any event obligate the Pledgee or any other Secured Creditor to appear in or defend any action or proceeding relating to the Collateral to which it is not a party, or to take any action hereunder or thereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Collateral.

13. **Further Assurances; Power-of-Attorney**

(a) To the extent otherwise required by this Agreement or the other Credit Documents, each Pledgor will, at its own expense and upon the reasonable request of the Pledgee, make, execute, endorse, acknowledge, file and/or deliver to the Pledgee from time to time such lists, descriptions and designations of its Collateral, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Pledgee deems reasonably appropriate or advisable to perfect, preserve or protect its security interest in the Collateral at least to the extent described in Section 3.

(b) Each Pledgor agrees to deliver to the Pledgee such financing statements, in form reasonably acceptable to the Pledgee, as the Pledgee may from time to time reasonably request to establish and maintain a valid, enforceable, perfected security interest in the Collateral as provided herein and for the purpose of obtaining and preserving the full benefits of the other rights and security contemplated hereby at least to the extent described in Section 3. Each Pledgor will pay any applicable filing fees, recordation taxes and related expenses relating to its Collateral. Each Pledgor hereby authorizes the Pledgee to file any such financing statements (and such authorization includes describing the Collateral as “all assets and all personal property whether now owned or hereafter acquired” of such Pledgor or words of similar effect).
Subject to the terms of the ABL Intercreditor Agreement, each Pledgor hereby constitutes and appoints the Pledgee its true and lawful attorney, irrevocably, with full power after the occurrence of and during the continuance of an Event of Default (in the name of such Pledgor or otherwise) to act, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys due or to become due to such Pledgor under or arising out of the Collateral, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Pledgee may deem to be reasonably necessary or advisable to protect the interests of the Secured Creditors, which appointment as attorney is coupled with an interest.

14. The Pledgee as Collateral Agent. The Pledgee shall hold in accordance with this Agreement all items of Collateral at any time received under this Agreement. Until the occurrence and continuation of an Event of Default, the Pledgee shall not directly pledge any Collateral in its possession or control to secure its own debt. It is expressly understood and agreed that the obligations of the Pledgee as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in Article 12 of the Credit Agreement. The Pledgee shall act hereunder on the terms and conditions set forth herein and in Article 12 of the Credit Agreement.

15. Transfer by the Pledgors. Except as permitted or not prohibited pursuant to the Credit Agreement, no Pledgor will sell or otherwise dispose of, grant any option with respect to, or mortgage, pledge or otherwise encumber any of the Collateral or any interest therein.

16. Representations, Warranties and Covenants of the Pledgors

(a) Each Pledgor represents, warrants and, until the Termination Date, covenants as to itself and each of its Subsidiaries that:

(i) it is the legal, beneficial and (except as to Securities credited on the books of a Clearing Corporation or a Securities Intermediary) record owner of, and has good and valid title to, all of its Collateral consisting of one or more Securities, Partnership Interests and Limited Liability Company Interests and that it has sufficient interest in all of its Collateral in which a security interest is purported to be created hereunder for such security interest to attach (subject, in each case, to no Lien or Adverse Claim except the Liens and security interests created by this Agreement and Permitted Liens);

(ii) it has full power and authority to pledge all the Collateral pledged by it pursuant to this Agreement;

(iii) this Agreement has been duly authorized, executed and delivered by such Pledgor and constitutes a legal, valid and binding obligation of such Pledgor enforceable against such Pledgor in accordance with its terms, subject to (A) the effects of bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors’ rights generally and by general equitable principles (regardless of whether enforcement is sought in equity or at law) and

(B) as it relates to the pledge of any Equity Interests of any Foreign Corporations (including any Foreign Subsidiaries of the Lead Borrower), the effects of the possible judicial application of foreign laws or foreign governmental or judicial action affecting creditors’ rights;

(iv) except as would not reasonably be expected to have a Material Adverse Effect, no consent of any other party (including, without limitation, any stockholder, partner, member or creditor of such Pledgor or any of its Subsidiaries) and no material consent, license, permit, approval or authorization of, exemption by, notice or report to, or registration, filing or
declaration with, any governmental authority is required to be obtained by such Pledgor (except for (x) those that have otherwise been obtained or made on or prior to the Closing Date and which remain in full force and effect on the Closing Date and (y) filings which are necessary to perfect the security interests created under this Agreement) in connection with (a) the execution, delivery or performance of this Agreement by such Pledgor, (b) the validity or enforceability of this Agreement against such Pledgor, (c) the filing of any financing statements, the perfection or enforceability of the Pledgee’s security interest in such Pledgor’s Collateral or (d) except for compliance with or as may be required by applicable securities laws, the exercise by the Pledgee of any of its rights or remedies provided herein;

(v) neither the execution, delivery or performance by such Pledgor of this Agreement, or any other Secured Debt Agreement to which it is a party, nor compliance by it with the terms and provisions hereof and thereof; (i) will contravene any provision of any applicable law, statute, rule or regulation, or any applicable order, writ, injunction or decree of any court or governmental instrumentality, domestic or foreign, applicable to such Pledgor, (ii) will conflict with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien (except pursuant to the Security Documents and Permitted Liens) upon any of the properties or assets of any such Pledgor or any of its Restricted Subsidiaries pursuant to the terms of, any indenture, mortgage, deed of trust, credit agreement or loan agreement, or any other material agreement, contract or instrument, in each case to which such Pledgor or any of its Subsidiaries is a party or by which it or any of its properties or assets is bound or to which it may be subject (except, in the case of preceding clauses (i) and (ii), other than in the case of any contravention, breach, default and/or conflict, that would not reasonably be expected, either individually or in the aggregate, to have a Material Adverse Effect); or (iii) will violate any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of such Pledgor or any of its Restricted Subsidiaries.

(vi) all of such Pledgor’s Collateral (consisting of Securities, Limited Liability Company Interests and Partnership Interests issued by any Pledgor or any Restricted Subsidiary of any Pledgor) has been duly and validly issued, is fully paid and non-assessable (other than any assessment on the shareholders of the applicable issuer that may be imposed as a matter of law) and is subject to no options to purchase or similar rights except as set forth on Schedule 9(a) or 9(b) of the Perfection Certificate;

(vii) except as would not reasonably be expected to have a Material Adverse Effect, each of such Pledgor’s Pledged Notes issued by any Pledgor or any Subsidiary of any Pledgor constitutes, or when executed by the obligor thereof will constitute, the legal, valid and binding obligation of such obligor, enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors’ rights generally and by general equitable principles (regardless of whether enforcement is sought in equity or at law);

(viii) the pledge, collateral assignment and delivery to the Pledgee of such Pledgor’s Collateral consisting of Certificated Securities and Pledged Notes consisting of Instruments pursuant to this Agreement and the continued possession thereof by the Pledgee or an Affiliate creates a valid and perfected security interest in such Certificated Securities and Pledged Notes, and the proceeds thereof, having the priority specified in the ABL Intercreditor Agreement, subject to no prior Lien or encumbrance or to any agreement purporting to grant to any third party
a Lien or encumbrance on the property or assets of such Pledgor which would include the Securities (other than Permitted Liens) and the Pledgee is entitled to all the rights, priorities and benefits afforded by the UCC or other relevant law as enacted in any relevant jurisdiction to perfect security interests in respect of such Collateral; and

(ix) to the extent required by Section 3.2, the Pledgor shall have taken all steps in its control so that the Pledgee may obtain “control” (as defined in Section 8-106 of the UCC) over all of such Pledgor’s Collateral consisting of Securities (including, without limitation, Notes that are Securities) with respect to which such “control” may be obtained pursuant to Section 8-106 of the UCC, except to the extent that the obligation of the applicable Pledgor to provide the Pledgee with “control” of such Collateral has not yet arisen under this Agreement; provided that in the case of the Pledgee obtaining “control” over Collateral consisting of a Security Entitlement, such Pledgor shall have taken all steps in its control so that the Pledgee obtains “control” over such Security Entitlement.

(b) Each Pledgor covenants and agrees that it will defend the Pledgee’s right, title and security interest in and to such Pledgor’s Collateral (whether now owned or hereinafter acquired) and the proceeds thereof against the claims and demands of all persons whomsoever (other than Permitted Liens).

17. [reserved].

18. Pledgors’ Obligations Absolute, Etc: To the maximum extent permitted by applicable law, the obligations of each Pledgor hereunder shall remain in full force and effect without regard to, and shall not be impaired by, (a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of such Pledgor; (b) any exercise or non-exercise, or any waiver of, any right, remedy, power or privilege under or in respect of this Agreement or any other Secured Debt Agreement; or (c) any amendment to or modification of any Secured Debt Agreement or any security for any of the Obligations; whether or not such Pledgor shall have notice or knowledge of any of the foregoing.

19. Sale of Collateral Without Registration: If at any time when the Pledgee shall determine to exercise its right to sell all or any part of the Collateral consisting of Securities or Equity Interests pursuant to Section 7 hereof, and such Collateral or the part thereof to be sold shall not, for any reason whatsoever, be effectively registered under the Securities Act, as then in effect, the Pledgee may, in its sole and absolute discretion, sell such Collateral or part thereof by private sale in such manner and under such circumstances as the Pledgee may deem necessary or advisable in order that such sale may legally be effected without such registration. Without limiting the generality of the foregoing, in any such event the Pledgee, in its sole and absolute discretion (i) may proceed to make such private sale notwithstanding that a registration statement for the purpose of registering such Collateral or part thereof shall have been filed under such Securities Act, (ii) may approach and negotiate with a single possible purchaser to effect such sale, and (iii) may restrict such sale to a purchaser who will represent and agree, among other things, that such purchaser is purchasing for its own account, for investment, and not with a view to the distribution or sale of such Collateral or part thereof. In the event of any such sale, the Pledgee shall incur no responsibility or liability for selling all or any part of the Collateral at a price which the Pledgee, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might be realized if the sale were deferred until the registration as aforesaid.
20. Termination; Release.

(a) On the Termination Date (as defined below), this Agreement shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Pledgors (provided that all indemnities set forth herein including, without limitation, in Section 11 hereof shall survive any such termination) and the Pledgee, at the request and expense of such Pledgor, will promptly execute and deliver to such Pledgor a proper instrument or instruments acknowledging the satisfaction and termination of this Agreement (including, without limitation, UCC termination statements and instruments of satisfaction, discharge and/or reconveyance), and will duly release from the security interest created hereby and assign, transfer and deliver to such Pledgor (without recourse and without any representation or warranty) such of the Collateral as may be in the possession of the Pledgee or any of its sub-agents hereunder and as has not theretofore been sold or otherwise applied or released pursuant to this Agreement, together with any moneys at the time held by the Pledgee or any of its sub-agents hereunder and, with respect to any Collateral consisting of an Uncertificated Security, a Partnership Interest or a Limited Liability Company Interest (other than an Uncertificated Security, Partnership Interest or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary), a termination of the agreement relating thereto executed and delivered by the issuer of such Uncertificated Security pursuant to Section 3.2(a)(ii). As used in this Agreement, “Termination Date” shall mean the date upon which the Total Commitment under the Credit Agreement has been terminated and all Credit Document Obligations have been paid in full, no Note (as such term is defined in the Credit Agreement) under the Credit Agreement is outstanding and all Term Loans thereunder have been repaid in full (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements).

(b) In the event that any part of the Collateral is sold or otherwise disposed of (to a Person other than a Credit Party) in connection with a sale or disposition permitted by Section 10.02 of the Credit Agreement or is otherwise released at the direction of the Required Lenders (or all the Lenders if required by Section 13.12 of the Credit Agreement) and the proceeds of such sale or disposition (or from such release) are applied in accordance with the terms of the Credit Agreement, to the extent required to be so applied, the security interest created hereby will be automatically released and the Pledgee will execute and deliver such documentation, including termination or partial release statements and the like in connection therewith at the request and expense of such Pledgor and assign, transfer and deliver to such Pledgor (without recourse and without any representation or warranty) such of the Collateral as is then being (or has been) so sold or otherwise disposed of, or released, and as may be in the possession of the Pledgee (or, in the case of Collateral held by any sub-agent designated pursuant to Section 4 hereof, such sub-agent) and has not theretofore been released pursuant to this Agreement. Furthermore, upon the release of any Subsidiary Guarantor from the Subsidiaries Guaranty in accordance with the provisions thereof, such Pledgor (and the Collateral at such time assigned by the respective Pledgor pursuant hereto) shall be released from this Agreement.

(c) At any time that any Pledgor desires that the Pledgee take any action to acknowledge or give effect to any release of Collateral pursuant to the foregoing Section 20(a) or (b), such Pledgor shall deliver to the Pledgee (and the relevant sub-agent, if any, designated pursuant to Section 4 hereof) a certificate signed by a Responsible Officer of such Pledgor stating that the release of the respective Collateral is permitted pursuant to Section 20(a) or (b) hereof.

(d) The Pledgee shall have no liability whatsoever to any other Secured Creditor as the result of any release of Collateral by it in accordance with (or which the Collateral Agent in the absence of gross negligence and willful misconduct believes to be in accordance with) this Section 20.

(a) Except as otherwise specified herein, all notices, requests, demands or other communications to or upon the respective parties hereto shall be sent or delivered in accordance with Section 13.03 of the Credit Agreement. 26. Pledgor’s Duties. It is expressly agreed, anything herein contained to the contrary notwithstanding, that each Pledgor shall remain liable to perform all of the obligations, if any, assumed by it with respect to the Collateral and the Pledgee shall not have any obligations or liabilities with respect to any Collateral by reason of or arising out of this Agreement, except for the safekeeping of Collateral actually in Pledgor’s possession, nor shall the Pledgee be required or obligated in any manner to perform or fulfill any of the obligations of any Pledgor under or with respect to any Collateral.

27. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall constitute an original, but all of which, when taken together, shall constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with each Pledgor and the Pledgee. Delivery of an executed signature page to this Agreement by facsimile, PDF or other electronic transmission shall be as effective as delivery of an original executed counterpart of this Agreement.

28. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

29. [Reserved]

30. Additional Pledgors. It is understood and agreed that any Subsidiary Guarantor that is required to become a party to this Agreement after the date hereof pursuant to the requirements of the Credit Agreement or any other Credit Document, shall become a Pledgor hereunder by executing and delivering to the Pledgee a joinder agreement substantially in the form of Exhibit A attached hereto and taking all actions as specified in this Agreement as would have been taken by such Pledgor had it been an original party to this Agreement, in each case with all documents required above to be delivered to the Pledgee and with all documents and actions required above to be taken to the reasonable satisfaction of the Pledgee.

31. Limited Obligations. It is the desire and intent of each Pledgor and the Secured Creditors that this Agreement shall be enforced against each Pledgor to the fullest extent permissible under the laws applied in each jurisdiction in which enforcement is sought. Notwithstanding anything to the contrary contained herein, in furtherance of the foregoing, it is noted that the obligations of each Pledgor constituting a Subsidiary Guarantor have been limited as provided in the Subsidiaries Guaranty.

32. Release of Pledgors. If at any time all of the Equity Interests of any Pledgor owned by the Lead Borrower or any of its Subsidiaries are sold (to a Person other than a Credit Party) in a transaction permitted pursuant to the Credit Agreement, then, such Pledgor shall be released as a Pledgor pursuant to this Agreement without any further action hereunder (it being understood that the sale of all of the Equity Interests in any Person that owns, directly or indirectly, all of the Equity Interests in any
Pledgor shall be deemed to be a sale of all of the Equity Interests in such Pledgor for purposes of this Section), and the Pledgee is authorized and directed to execute and deliver such instruments of release as are reasonably satisfactory to it. At any time that the Lead Borrower desires that the Pledgee take any action in accordance with this Section 32, the Lead Borrower shall deliver to the Pledgee a certificate signed by a Responsible Officer of the Lead Borrower stating that the release of such Pledgor is permitted pursuant to this Section 32.

33. **ABL Intercreditor Agreement.** This Agreement and the other Credit Documents are subject to the terms and conditions set forth in the ABL Intercreditor Agreement in all respects and, in the event of any conflict between the terms of the ABL Intercreditor Agreement and this Agreement, the terms of ABL Intercreditor Agreement shall govern. Notwithstanding anything herein to the contrary, the Lien and security interest granted to the Pledgee pursuant to any Credit Document and the exercise of any right or remedy in respect of the Collateral by the Pledgee (or any Secured Creditor) hereunder or under any other Credit Document are subject to the provisions of the ABL Intercreditor Agreement and in the event of any conflict between the terms of the ABL Intercreditor Agreement, this Agreement and any other Credit Document, the terms of the ABL Intercreditor Agreement shall govern and control with respect to the exercise of any such right or remedy. Without limiting the generality of the foregoing, and notwithstanding anything herein to the contrary, no Credit Party shall be required hereunder or under any Credit Document to take any action with respect to the Collateral that is inconsistent with such Credit Parties’ obligations under the ABL Intercreditor Agreement. Prior to the Discharge of Revolving Credit Obligations (as defined in the ABL Intercreditor Agreement), the delivery or granting of “control” (as defined in the UCC), to the extent only one Person can be granted “control” therein under applicable law, of any ABL Collateral (as defined in the ABL Intercreditor Agreement) to the collateral agent under the ABL Credit Agreement pursuant to the terms of the Revolving Credit Collateral Documents (as defined in the ABL Intercreditor Agreement) shall satisfy any such delivery or granting of “control” requirement hereunder or under any other Credit Document with respect to any ABL Collateral to the extent that such delivery or granting of “control” is consistent with the terms of the ABL Intercreditor Agreement.

Form of Agreement Regarding Uncertificated Securities, Limited Liability Company Interests and Partnership Interests

AGREEMENT (as amended, modified, restated and/or supplemented from time to time, this "Agreement"), dated as of [_______ __, 20__], among the undersigned pledgor (the "Pledgor"), [____________], not in its individual capacity but solely as Collateral Agent (the "Pledgee"), and [__________], as the issuer of the Uncertificated Securities, Limited Liability Company Interests and/or Partnership Interests (each as defined below) (the "Issuer"). Except as otherwise defined herein, all capitalized terms used herein and defined in the Pledge Agreement (as defined below) shall be used herein as therein defined.

WITNESSETH:

WHEREAS, the Pledgor, certain of its affiliates and the Pledgee have entered into a First Lien Pledge Agreement, dated as of October 20, 2016 (as amended, modified, restated and/or supplemented from time to time, the "Pledge Agreement"), under which, among other things, in order to secure the payment of the Obligations (as defined in the Pledge Agreement), the Pledgor has or will pledge to the Pledgee for the benefit of the Secured Creditors (as defined in the Pledge Agreement), and grant a security interest in favor of the Pledgee for the benefit of the Secured Creditors in, all of the right, title and interest of the Pledgor in and to certain ["uncertificated securities" (as defined in Section 8-102(a)(18) of the Uniform Commercial Code, as adopted in the State of New York) ("Uncertificated Securities") [Partnership Interests (as defined in the Pledge Agreement)] [Limited Liability Company Interests (as defined in the Pledge Agreement)], from time to time issued by the Issuer, whether now existing or hereafter from time to time acquired by the Pledgor (with all of such [Uncertificated Securities] [Partnership Interests] [Limited Liability Company Interests] being herein collectively called the "Issuer Pledged Interests"); and

WHEREAS, the Pledgor desires the Issuer to enter into this Agreement in order to perfect the security interest of the Pledgee under the Pledge Agreement in the Issuer Pledged Interests, to vest in the Pledgee control of the Issuer Pledged Interests and to provide for the rights of the parties under this Agreement;

NOW, THEREFORE, in consideration of the premises and the mutual promises and agreements contained herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. The Pledgor hereby irrevocably authorizes and directs the Issuer, and the Issuer hereby agrees, to comply with any and all instructions and orders originated by the Pledgor (and its successors and assigns) regarding any and all of the Issuer Pledged Interests without the further consent by the registered owner (including the Pledgor), and, following its receipt of a notice from the Pledgor stating that the Pledgor is exercising exclusive control of the Issuer Pledged Interests, not to comply with any instructions or orders regarding any or all of the Issuer Pledged Interests originated by any person or entity other than the Pledgor (and its successors and assigns) or a court of competent jurisdiction.

The parties hereto agree that, so long as the Discharge of Senior Obligations has not occurred, (a) none of the Grantors shall grant any additional Liens on any asset or property of any Grantor to secure any Second Priority Debt Obligation unless it has also granted, or concurrently therewith also grants, a Lien on such asset or property of such Grantor to secure the Senior Obligations; and (b) if any Second Priority Representative or any Second Priority Secured Party shall hold any Lien on any assets or property of any Grantor securing any Second Priority Debt Obligations that are not also subject to the Liens securing all Senior Obligations under the Senior Priority Collateral Documents, such Second Priority Representative or Second Priority Secured Party shall hold any Lien on any assets or property of any Grantor securing any Second Priority Debt Obligations that are not also subject to the Liens securing all Senior Obligations that are not also subject to the Liens securing all Senior Obligations under the Senior Priority Collateral Documents, such Second Priority Representative or Second Priority Secured Party shall hold any Lien on any asset or property of any Grantor to secure the Senior Obligations, shall assign such Lien to the Designated Senior Representative promptly upon becoming aware thereof, and, unless such Grantor shall promptly also grant a similar Lien on such assets or property to each Senior Priority Representative as security for the Senior Obligations, shall be deemed to hold and have held such Lien for the benefit of each Senior Priority Representative and the other Senior Priority Secured Parties as security for the Senior Obligations; provided that this provision will not be violated with respect to any particular series of Additional Senior Priority Debt Obligations if the applicable trustee, administrative agent, collateral agent, security agent or similar agent under such Additional Senior Priority Debt Facility that is named as the Representative in respect of such Additional Senior Priority Debt Facility in the applicable Joinder Agreement is given a reasonable opportunity to accept a Lien on any asset or property and either the Lead Borrower or such trustee or agent states in writing that the Senior Priority Debt Documents in respect thereof prohibit such trustee or agent from accepting a Lien on such asset or property or such trustee or agent otherwise expressly declines to accept a Lien on such asset or

(c) Subject to the proviso in clause (ii) of Section 3.01(a), (i) each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that neither such Second Priority Representative nor any such Second Priority Secured Party will take any action that would hinder or delay any exercise of remedies undertaken by any Senior Priority Representative or any Senior Priority Secured Party with respect to the Shared Collateral under the Senior Priority Debt Documents, including any Disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby waives any and all rights it or any such Second Priority Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the Senior Priority Representatives or the Senior Priority Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Priority Collateral, regardless of whether any action or failure to act by or on behalf of any Senior Priority Representative or any other Senior Priority Secured Party is adverse to the interests of the Second Priority Secured Parties.

(d) Each Second Priority Representative hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Second Priority Debt Document shall be deemed to restrict in any way the rights and remedies of the Senior Priority Representatives or the Senior Priority Secured Parties with respect to the Senior Priority Collateral as set forth in this Agreement and the Senior Priority Debt Documents.

N.A., as administrative agent and collateral agent, and the other parties thereto, and (ii) the exercise of any right or remedy by the Second Priority Representative or any other secured party hereunder is subject to the limitations and provisions of the First Lien/Second Lien Intercreditor Agreement dated as of October 20, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “First Lien/Second Lien Intercreditor Agreement”), among Bank of America, N.A., as First Lien Collateral Agent, Bank of America, N.A., as Initial Second Lien Representative, PAE Holding Corporation and Shay Intermediate Holding II Corporation. In the event of any conflict between the terms of the First Lien/Second Lien Intercreditor Agreement and the terms of this Agreement, the terms of the First Lien/Second Lien Intercreditor Agreement shall govern.”

(b) In the event that each applicable Senior Priority Representative and/or the Senior Priority Secured Parties enter into any amendment, waiver or consent in respect of any of the Senior Priority Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Priority Collateral Document or changing in any manner the rights of the Senior Priority Representatives, the Senior Priority Secured Parties, the Borrowers or any other Grantor thereunder (including the release of any Liens in Senior Priority Collateral) in a manner that is applicable to all Senior Priority Debt Facilities, then such amendment, waiver or consent shall apply automatically to any comparable provision of each comparable Second Priority Collateral Document without the consent of any Second Priority Representative or any Second Priority Secured Party and without any action by any Second Priority Representative, the Borrowers or any other Grantor; provided, however, that (x) no such amendment, waiver or consent shall (i) remove assets subject to the Lien of any Second Priority Collateral Document, except as provided for in Section 5.01(a) or (ii) impose duties that are adverse on any Second Priority Representative without its prior written consent and (y) written notice of such amendment, waiver or consent shall have been given by the Lead Borrower to each Second Priority Representative within 10 Business Days after the effectiveness of such amendment, waiver or consent (although the failure to give any such notice shall in no way affect the effectiveness of such amendment, waiver or consent).

(c) Each of the Senior Priority Debt Documents may be amended, restated, amended and restated, waived, supplemented or otherwise modified in accordance with its terms, and the indebtedness under any Senior Priority Debt Document may be refinanced, in each case, without the consent of any Second Priority Representative or Second Priority Secured Party, all without affecting the Lien priorities provided for herein or the other provisions hereof; provided, however, that, without the consent of the Second Priority Representatives, no such amendment, restatement, supplement, modification or refinancing (or successive amendments, restatements, supplements, modifications or refinancings) shall contravene any provision of this Agreement.

(d) Each of the Second Priority Debt Facilities may be amended, restated, waived, supplemented or otherwise modified in accordance with its terms, and the indebtedness under the Second Priority Debt Facilities may be refinanced without the consent of any Senior Priority Representative or Senior Priority Secured Party; provided, however, that, without the consent of (x) until the Discharge of First Lien Credit Agreement Obligations, the First Lien Collateral Agent, acting with the consent of the Required Lenders (as such term is defined in the
SECTION 5.04. Rights As Unsecured Creditors. The Second Priority Representatives and the Second Priority Secured Parties may exercise rights and remedies as unsecured creditors against the Borrowers and any other Grantor in accordance with the terms of the Second Priority Debt Documents and applicable Law so long as such rights and remedies do not violate, or are not otherwise inconsistent with, any express provision of this Agreement. Nothing in this Agreement shall prohibit the receipt by any Second Priority Representative or any Second Priority Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Second Priority Debt Documents so long as such receipt is not the direct or indirect result of the exercise by a Second Priority Representative or any Second Priority Secured Party of rights or remedies as a secured creditor in respect of Shared Collateral. In the event any Second Priority Representative or any Second Priority Secured Party becomes a judgment Lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Priority Debt Obligations, such judgment Lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Senior Priority Representatives or the Senior Priority Secured Parties may have with respect to the Senior Priority Collateral.

SECTION 5.05. Gratuitous Bailee for Perfection.

(a) Each Senior Priority Representative acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession of or under the control of such Senior Priority Representative, or of agents or bailees of such Person (such Shared Collateral being referred to herein as the “Pledged or Controlled Collateral”), or if it shall at any time obtain any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or with respect to any Shared Collateral subject to any other arrangement set forth in Section 5.01(d), the applicable Senior Priority Representative shall also hold such Pledged or Controlled Collateral, or take such actions with respect to such landlord waiver, bailee’s letter or similar agreement or arrangement, as sub-agent and gratuitous bailee for the relevant Second Priority Representatives, in each case solely for the purpose of perfecting the Liens granted under the relevant Second Priority Collateral Documents and subject to the terms and conditions of this Section 5.05.
(b) In the event that any Senior Priority Representative (or its agents or bailees), or after the Discharge of Senior Obligations, any Second Priority Representative, has Lien filings against Intellectual Property that is part of the Shared Collateral that are necessary for the perfection of Liens in such Shared Collateral, such Senior Priority Representative, or after the Discharge of Senior Obligations, such Second Priority Representative, agrees to hold such Liens as sub-agent and gratuitous bailee for the relevant Second Priority Representatives and any assignee thereof, solely for the purpose of perfecting the security interest granted in such Liens pursuant to the relevant Second Priority Collateral Documents, subject to the terms and conditions of this Section 5.05.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, the Senior Priority Representatives and the Senior Priority Secured Parties shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Priority Debt Documents as if the Liens under the Second Priority Collateral Documents did not exist. The rights of the Second Priority Representatives and the Second Priority Secured Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) The Senior Priority Representatives and the Senior Priority Secured Parties shall have no obligation whatsoever to the Second Priority Representatives or any Second Priority Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in this Section 5.05. The duties or responsibilities of the Senior Priority Representatives (and after the Discharge of Senior Obligations, the Second Priority Representatives) under this Section 5.05 shall be limited solely to holding or controlling the Shared Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.05 as sub-agent and gratuitous bailee for the relevant Second Priority Representative for purposes of perfecting the Lien held by such Second Priority Representative.

(e) The Senior Priority Representatives shall not have by reason of the Second Priority Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Second Priority Representative or any Second Priority Secured Party, and each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party, hereby waives and releases the Senior Priority Representatives from all claims and liabilities arising pursuant to the Senior Priority Representatives’ roles under this Section 5.05 as sub-agents and gratuitous bailees with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, each applicable Senior Priority Representative shall, at the Lead Borrower’s sole cost and expense, (i) (A) deliver to the Designated Second Priority Representative, to the extent that it is legally permitted to do so and as the Grantors or Designated Second Priority Representative may direct, all Shared Collateral, including all Proceeds thereof, held or controlled by such Senior Priority Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign to the Designated Second Priority Representative, to the extent that it is legally permitted to do so and as the Grantors or the Designated Second Priority Representative may direct, its rights under any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to
Shared Collateral, (B) if not legally permitted or no direction is given and if prior to discharge of the Second Priority Debt Obligations, deliver such Shared Collateral and assign its rights in respect thereof as a court of competent jurisdiction may otherwise direct or (C) if the Second Priority Debt Obligations have been discharged, deliver such Shared Collateral to the Grantors and terminate its rights therein as directed by the Grantors; (ii) notify any applicable insurance carrier that it is no longer entitled to be an additional loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier; and (iii) notify any Governmental Authority involved in any condemnation or similar proceeding involving any Grantor that the Designated Second Priority Representative is entitled to approve any awards granted in such proceeding. The Borrowers shall take such further action as is required to effectuate the transfer contemplated hereby. The Senior Priority Representatives have no obligations to follow instructions from any Second Priority Representative or any other Second Priority Secured Party in contravention of this Agreement. No Senior Priority Representative shall have any liability to any Second Priority Secured Party.

(g) None of the Senior Priority Representatives nor any of the other Senior Priority Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Borrowers or any other Grantor to any Senior Priority Representative or any Senior Priority Secured Party under the Senior Priority Debt Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

(h) In the event any Senior Priority Representative receives any money or other funds from any Governmental Authority as a result of the compliance by the Grantors with FACA, then such Senior Priority Representative agrees to also hold all such money and funds as agent and bailee for the benefit of all Secured Parties and all such money and funds shall be applied in accordance with Section 4.01 of this Agreement. Upon the Discharge of Senior Obligations, at the request of the Designated Second Priority Representative, the Senior Priority Representatives shall cooperate with the Designated Second Priority Representative to assign any government contracts that are at such time assigned to any such Senior Priority Representative in compliance with the FACA to the Designated Second Priority Representative or any person authorized by the Designated Second Priority Representative.

SECTION 5.06. When Discharge of Senior Obligations Deemed To Not Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has occurred, the Borrowers or any other Grantor consummates any Refinancing or incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then such Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Priority Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the agent, representative or trustee for the holders of such Senior Obligations shall be the Senior Priority Representative for all purposes of this Agreement; provided that
such Senior Priority Representative shall have become a party to this Agreement pursuant to Section 8.09. Upon receipt of notice of such incurrence (including the identity of the new Senior Priority Representative), each Second Priority Representative (including the Designated Second Priority Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Borrowers), including amendments, supplements or modifications to this Agreement, as the Lead Borrower or such new Senior Priority Representative shall reasonably request in writing in order to provide the new Senior Priority Representative the rights of a Senior Priority Representative contemplated hereby and (b) deliver to such Senior Priority Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all Proceeds thereof, held or controlled by such Second Priority Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign to such Senior Priority Representative, to the extent that it is legally permitted to do so, its rights under any landlord waiver or bailee’s letter or any similar agreement or arrangement granting it rights or access to Shared Collateral.

ARTICLE 6
INSOLVENCY OR LIQUIDATION PROCEEDINGS

SECTION 6.01. Financing and Sale Issues. Until the Discharge of Senior Obligations has occurred, if the Borrowers or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding, then each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that (A) if any Senior Priority Representative shall desire to consent (or not object) to the sale, use or lease of cash or other collateral or to consent (or not object) to the Borrowers’ or any other Grantor’s obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law (“DIP Financing”), it will raise no objection to and will not otherwise contest such sale, use or lease of such cash or other collateral or such DIP Financing and, except to the extent permitted by the proviso in clause (ii) of Section 3.01(a) and Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing any Senior Obligations are subordinated to or have the same priority as the Liens securing such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Second Priority Debt Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, so long as the sum of (a) the maximum aggregate principal amount of Indebtedness that may be outstanding from time to time under such DIP Financing (including any such portion thereof that constitutes rollover of loans under the Senior Priority Debt Documents) plus, without duplication, (b) the aggregate principal amount of loans and the aggregate face amount of letters of credit issued but not reimbursed under the Senior Priority Debt Documents does not exceed 115% of the greater of (x) $600,000,000 and (y) the aggregate principal amount of loans under the Senior Priority Debt Documents outstanding at the time the DIP Financing is entered into, (y) any “carve-out” for professional and United States Trustee fees agreed to by the Senior Priority Representatives, and (z) all adequate protection liens granted to the Senior Priority Secured Parties, (B) it will raise no objection to and will not otherwise contest any motion for relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceedings or from any injunction against foreclosure or enforcement in respect of Senior Obligations or the Senior Priority Collateral made by
any Senior Priority Representative or any other Senior Priority Secured Party, (C) it will raise no objection to and will not otherwise contest any lawful exercise by any Senior Priority Secured Party of the right to credit bid Senior Obligations at any foreclosure or other sale of Senior Priority Collateral, including pursuant to Section 363(k) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or other applicable law, (D) it will raise no objection to and will not otherwise contest any other request for judicial relief made in any court by any Senior Priority Secured Party relating to the lawful enforcement of any Lien on Senior Priority Collateral, (E) it will raise no objection to and will not otherwise contest any election made by any Senior Priority Representative or any other Senior Priority Secured Party of the application of Section 1111(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law to any disposition of any assets of any Grantor, (F) it will raise no objection to and will not otherwise contest or oppose any Disposition (including pursuant to Section 363 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law) of assets of any Grantor for or to which any Senior Priority Representative has consented or not objected that provides, to the extent such Disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Second Priority Debt Obligations will attach to the Proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Second Priority Debt Obligations pursuant to this Agreement; provided, that the Second Priority Secured Parties may assert any objection to the proposed bidding and related sale procedures to be utilized in connection with such Disposition that may be raised by an unsecured creditor of any Grantor; provided, further, that the Second Priority Secured Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition in accordance with Section 363(k) of the Bankruptcy Code (or any similar provision under any other applicable Bankruptcy Law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations. Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that notice received three Business Days prior to the entry of an order approving any usage of cash or other collateral described in this Section 6.01 or approving any DIP Financing described in this Section 6.01 shall be adequate notice.

SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Shared Collateral, without the prior written consent of the Designated Senior Representative.

SECTION 6.03. Adequate Protection. Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, agrees that none of them shall object to, contest or support any other Person objecting to or contesting (a) any request by any Senior Priority Representative or any Senior Priority Secured Parties for adequate protection in any form, (b) any objection by any Senior Priority Representative or any Senior Priority Secured Parties to any motion, relief, action or proceeding based on any Senior Priority Representative’s or Senior Priority Secured Party’s claiming a lack of adequate protection or (c) the allowance and/or payment of pre- and/or post-petition interest, fees, expenses or other amounts of any Senior Priority Representative or any other Senior Priority Secured Party under Section 506(b) or 506(c) of the Bankruptcy Code or any similar provision of
any other Bankruptcy Law (as adequate protection or otherwise). Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Priority Secured Parties (or any subset thereof) are granted adequate protection in the form of a Lien on additional or replacement collateral and/or superpriority claims in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, then each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, may seek or request adequate protection in the form of a Lien on such additional or replacement collateral and/or a superpriority claim (as applicable), which Lien and/or superpriority claim (as applicable) is subordinated to the Liens securing, and claims with respect to, all Senior Obligations and such DIP Financing (and all obligations relating thereto) and any other Liens or claims granted to the Senior Priority Secured Parties as adequate protection, on the same basis as the other Liens securing, and claims with respect to, the Second Priority Debt Obligations are so subordinated to the Liens securing, and claims with respect to, Senior Obligations under this Agreement and (ii) in the event any Second Priority Representatives, for themselves and on behalf of the Second Priority Secured Parties under their Second Priority Debt Facilities, seek or request adequate protection and such adequate protection is granted (in each instance, to the extent such grant is otherwise permissible under the terms and conditions of this Agreement) in the form of a Lien on additional or replacement collateral and/or a superpriority claim, then such Second Priority Representatives, for themselves and on behalf of each Second Priority Secured Party under their Second Priority Debt Facilities, agree that each Senior Priority Representative shall also be granted a senior Lien on such additional or replacement collateral as security and adequate protection for the Senior Obligations and any such DIP Financing and/or a superpriority claim (as applicable) and that any Lien on such additional or replacement collateral securing or providing adequate protection for the Second Priority Debt Obligations and/or superpriority claim (as applicable) shall be subordinated to the Liens on such collateral securing, and claims with respect to, the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens or claims granted to the Senior Priority Secured Parties as adequate protection on the same basis as the other Liens securing, and claims with respect to, the Second Priority Debt Obligations are so subordinated to such Liens securing, and claims with respect to, Senior Obligations under this Agreement. Without limiting the generality of the foregoing, to the extent that the Senior Priority Secured Parties are granted adequate protection in the form of payments in the amount of current post-petition fees and expenses, and/or other cash payments, then the Senior Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, shall not be prohibited from seeking adequate protection in the form of payments in the amount of current post-petition incurred fees and expenses, and/or other cash payments (as applicable), subject to the right of the Senior Priority Secured Parties to object to the reasonableness of the amounts of fees and expenses or other cash payments so sought by the Second Priority Secured Parties.

SECTION 6.04. Preference Issues. If any Senior Priority Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Borrowers or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was avoided as or otherwise declared to be fraudulent or preferential in any respect or for any other reason (any such amount, a “Recovery”), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and

-26-
deemed to be outstanding as if such payment had not occurred and the Senior Priority Secured Parties shall be entitled to the benefits of this Agreement until a Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

SECTION 6.05. Separate Grants of Security and Separate Classifications. Each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Priority Collateral Documents and the Second Priority Collateral Documents constitute separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Shared Collateral, the Second Priority Debt Obligations are fundamentally different from the Senior Obligations and must be separately classified in any plan of reorganization, plan of liquidation, agreement for composition, or other type of plan of arrangement proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that any claims of the Senior Priority Secured Parties and the Second Priority Secured Parties in respect of the Shared Collateral constitute a single class of claims (rather than separate classes of senior and junior secured claims), then each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Secured Parties), the Senior Priority Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest, fees, and expenses, and other claims, all amounts owing in respect of post-petition interest, fees, and expenses (whether or not allowed or allowable under Section 506(b) of the Bankruptcy Code (or any similar provision of any other Bankruptcy Law) or otherwise in such Insolvency or Liquidation Proceeding) before any distribution from the Shared Collateral is made in respect of the Second Priority Debt Obligations, with each Second Priority Representative, for itself and on behalf of each Second Priority Secured Party under its Second Priority Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Secured Parties).

SECTION 6.06. No Waivers of Rights of Senior Priority Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit any Senior Priority Representative or any other Senior Priority Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Priority Secured Party, including the seeking by any Second Priority Secured Party of adequate protection or the asserting by any Second Priority Secured Party of any of its rights and remedies under the Second Priority Debt Documents or otherwise.
SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights as to the Shared Collateral and Proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Second Priority Representative or any Second Priority Secured Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to any of the Shared Collateral, such Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, agrees not to assert any such rights without the prior written consent of each Senior Priority Representative, provided that if requested by any Senior Priority Representative, such Second Priority Representative shall timely exercise such rights in the manner requested by the Senior Priority Representatives (acting unanimously), including any rights to payments in respect of such rights.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral.

SECTION 6.10. Reorganization Securities; Voting.

(a) If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization, plan of liquidation, agreement for composition, or other type of plan of arrangement proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding, on account of both the Senior Obligations and the Second Priority Debt Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Second Priority Debt Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) No Second Priority Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) shall propose, vote in favor of, or otherwise directly or indirectly support any plan of reorganization, plan of liquidation, agreement for composition, or other type of plan of arrangement that is inconsistent with the priorities or other provisions of this Agreement.
Agreement. Without limiting the generality of the foregoing, other than with the prior written consent of the Designated Senior Representative, no Second Priority Secured Party (whether in the capacity of a secured creditor or an unsecured creditor) shall vote in favor of any plan unless such plan (i) satisfies the Senior Obligations in full in cash or (ii) is proposed or supported by the number of Senior Priority Secured Parties required under Section 1126(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law.

SECTION 6.11. Post-Petition Interest.

(a) Neither any Second Priority Representative nor any other Second Priority Secured Party shall oppose or seek to challenge any claim by any Senior Priority Representative or any other Senior Priority Secured Party for allowance in any Insolvency or Liquidation Proceeding of Senior Obligations consisting of claims for post-petition interest, fees, or expenses under Section 506(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or otherwise.

(b) No Senior Priority Representative nor any other Senior Priority Secured Party shall oppose or seek to challenge any claim by any Second Priority Representative or any other Second Priority Secured Party for allowance in any Insolvency or Liquidation Proceeding of Second Priority Debt Obligations consisting of claims for post-petition interest, fees, or expenses under Section 506(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or otherwise, to the extent of the value of the Lien of the Second Priority Representatives on behalf of the Second Priority Secured Parties on the Shared Collateral (after taking into account the Senior Obligations).

ARTICLE 7
RELIANCE; ETC.

SECTION 7.01. Reliance. The consent by the Senior Priority Secured Parties to the execution and delivery of the Second Priority Debt Documents to which the Senior Priority Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Priority Secured Parties to the Borrowers or any other Grantor shall be deemed to have been given and made in reliance upon this Agreement. Each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, acknowledges that it and such Second Priority Secured Parties have, independently and without reliance on any Senior Priority Representative or other Senior Priority Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Second Priority Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decision in taking or not taking any action under the Second Priority Debt Documents or this Agreement.

SECTION 7.02. No Warranties or Liability. Each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, acknowledges and agrees that neither any Senior Priority Representative nor any other Senior Priority Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability.

-29-
of any of the Senior Priority Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Priority Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Priority Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Priority Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Second Priority Representatives and the Second Priority Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither any Senior Priority Representative nor any other Senior Priority Secured Party shall have any duty to any Second Priority Representative or Second Priority Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreement with the Borrowers or any other Grantor (including the Second Priority Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Senior Priority Representatives, the Senior Priority Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the Senior Obligations, the Second Priority Debt Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor’s title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Senior Priority Representatives, the Senior Priority Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Senior Priority Debt Document or any Second Priority Debt Document;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Second Priority Debt Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the First Lien Credit Agreement or any other Senior Priority Debt Document or of the terms of any Second Priority Debt Document;

(c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Second Priority Debt Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Borrowers or any other Grantor; or
ARTICLE 8
MISCELLANEOUS

SECTION 8.01. Conflicts. Subject to Sections 8.18 and 8.23, in the event of any conflict between the provisions of this Agreement and the provisions of any Senior Priority Debt Document or any Second Priority Debt Document, the provisions of this Agreement shall govern. Notwithstanding the foregoing, the relative rights and obligations of the Senior Priority Representatives and the Senior Priority Secured Parties (as amongst themselves) with respect to any Senior Priority Collateral shall be governed by the terms of the Equal Priority Intercreditor Agreement and in the event of any conflict between the Equal Priority Intercreditor Agreement and this Agreement, the provisions of the Equal Priority Intercreditor Agreement shall control.

SECTION 8.02. Continuing Nature of This Agreement; Severability. Subject to Section 6.04, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall have occurred. This is a continuing agreement of Lien subordination, and the Senior Priority Secured Parties may continue, at any time and without notice to the Second Priority Representatives or any Second Priority Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrowers or any other Subsidiary constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8.03. Amendments; Waivers.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.
(b) This Agreement may be amended in writing signed by each Representative (in each case, acting in accordance with the documents governing the applicable Debt Facility); provided that any such amendment, supplement or waiver which by the terms of this Agreement requires any Borrower’s consent or which increases the obligations or reduces the rights of, imposes additional duties on, or otherwise adversely affects the Borrowers or any other Grantor, shall require the consent of the Lead Borrower. Any such amendment, supplement or waiver shall be in writing and shall be binding upon the Senior Priority Secured Parties and the Second Priority Secured Parties and their respective permitted successors and assigns.

(c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.09 and, upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Second Priority Debt Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

SECTION 8.04. Information Concerning Financial Condition of the Borrowers and the Other Subsidiaries. The Senior Priority Representatives, the Senior Priority Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrowers and the other Subsidiaries and all endorsers or guarantors of the Senior Obligations or the Second Priority Debt Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Second Priority Debt Obligations. The Senior Priority Representatives, the Senior Priority Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any Senior Priority Representative, any Senior Priority Secured Party, any Second Priority Representative or any Second Priority Secured Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Senior Priority Representatives, the Senior Priority Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 8.05. Subrogation. Each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, hereby agrees not to assert any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 8.06. Application of Payments. Except as otherwise provided herein, all payments received by the Senior Priority Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Priority Secured Parties, in their sole discretion, deem appropriate, consistent with the terms of the Senior Priority Debt Documents. Except as otherwise provided herein, each Second Priority Representative, on behalf of itself and each Second Priority Secured Party under its Second Priority Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

-32-
SECTION 8.08. Dealings with Grantors. Upon any application or demand by the Borrowers or any other Grantor to any Representative to take or permit any action under any of the provisions of this Agreement, upon such Representative’s reasonable request, the Lead Borrower shall furnish to such Representative a certificate of a duly authorized officer of the Lead Borrower (an “Officer’s Certificate”) stating that all conditions precedent, if any, provided for in this Agreement, as the case may be, relating to the proposed action have been complied with, except that in the case of any such application or demand as to which the furnishing of such documents is specifically required by any provision of this Agreement relating to such particular application or demand, no additional certificate or opinion need be furnished.

SECTION 8.09. Additional Debt Facilities.

(a) To the extent, but only to the extent, permitted by the provisions of the Senior Priority Debt Documents and the Second Priority Debt Documents then in effect, the Borrowers or any other Grantor may incur or issue and sell one or more series or classes of Additional Second Priority Debt and one or more series or classes of Additional Senior Priority Debt. Any such additional class or series of Additional Second Priority Debt (the “Second Priority Class Debt”) may be secured by a junior priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the relevant Second Priority Collateral Documents for such Second Priority Class Debt, if and subject to the condition that the Representative of any such Second Priority Class Debt (each, a “Second Priority Class Debt Representative”), acting on behalf of the holders of such Second Priority Class Debt (such Representative and holders in respect of any Second Priority Class Debt being referred to as the “Second Priority Class Debt Parties”), becomes a party to this Agreement by satisfying conditions (i) through (iii), as applicable, of the immediately succeeding paragraph, and Section 8.09(b). Any such additional class or series of Senior Priority Debt Facilities (the “Senior Priority Class Debt”; and the Senior Priority Class Debt and Second Priority Class Debt, collectively, the “Class Debt”) may be secured by a senior Lien on Shared Collateral, in each case under and pursuant to the Senior Priority Collateral Documents, if and subject to the condition that the Representative of any such Senior Priority Class Debt (each, a “Senior Priority Class Debt Representative”; and the Senior Priority Class Debt Representatives and Second Priority Class Debt Representatives, collectively, the “Class Debt Representatives”), acting on behalf of the holders of such Senior Priority Class Debt (such Representative and holders in respect of any such Senior Priority Class Debt being referred to as the “Senior Priority Class Debt Parties”; and the Senior Priority Class Debt Parties and Second Priority Class Debt Parties, collectively, the “Class Debt Parties”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iii), as applicable, of the immediately succeeding paragraph, and Section 8.09(b) and also becomes a party to the ABL Intercreditor Agreement in accordance with the terms thereunder. In order for a Class Debt Representative to become a party to this Agreement:
(i) such Class Debt Representative shall have executed and delivered a Joinder Agreement substantially in the form of Annex II (if such Representative is a Second Priority Class Debt Representative) or Annex III (if such Representative is a Senior Priority Class Debt Representative) (with such changes as may be reasonably approved by the Designated Senior Representative and such Class Debt Representative, and, to the extent such changes increase the obligations or reduce the rights of a Grantor, by the Borrowers) pursuant to which it becomes a Representative hereunder, and the Class Debt in respect of which such Class Debt Representative is the Representative and the related Class Debt Parties become subject hereto and bound hereby;

(ii) the Lead Borrower shall have delivered to the Designated Senior Representative an Officer’s Certificate stating that the conditions set forth in this Section 8.09 are satisfied with respect to such Class Debt and, if requested, true and complete copies of each of the Second Priority Debt Documents or Senior Priority Debt Documents, as applicable, relating to such Class Debt, certified as being true and correct by an Authorized Officer of the Lead Borrower on behalf of the relevant Grantor and identifying the obligations to be designated as Additional Senior Priority Debt or Additional Second Priority Debt, as applicable, and certifying that such obligations are permitted to be incurred and secured (I) in the case of Additional Senior Priority Debt, on a senior basis under each of the Senior Priority Debt Documents and Second Priority Debt Documents and (II) in the case of Additional Second Priority Debt, on a junior basis under each of the Senior Priority Debt Documents and Second Priority Debt Documents; and

(iii) the Second Priority Debt Documents or Senior Priority Debt Documents, as applicable, relating to such Class Debt shall provide, or shall be amended on terms and conditions reasonably approved by the Designated Senior Representative and such Class Debt Representative, that each Class Debt Party with respect to such Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Class Debt.

(b) With respect to any Class Debt that is issued or incurred after the Closing Date, the Borrowers and each of the other Grantors agrees that the Borrowers will take, as applicable, such actions (if any) as may from time to time reasonably be requested by any Senior Priority Representative or any Second Priority Representative, and enter into such technical amendments, modifications and/or supplements to the then existing Collateral Documents (or execute and deliver such additional Collateral Documents) as may from time to time be reasonably requested by such Persons, to ensure that the Class Debt is secured by, and entitled to the benefits of, the relevant Collateral Documents relating to such Class Debt, and each Secured Party (by its acceptance of the benefits hereof) hereby agrees to, and authorizes each applicable Senior Priority Representative and each applicable Second Priority Representative, as the case may be, to enter into, any such technical amendments, modifications and/or supplements (and additional Collateral Documents).
SECTION 8.10. Consent to Jurisdiction; Waivers. Each Representative, on behalf of itself and the Secured Parties of the Debt Facility for which it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Collateral Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York sitting in New York City in the borough of Manhattan, the courts of the United States District Court of the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same and agrees not to commence or support any such action or proceeding in any other jurisdiction;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Representative) at the address referred to in Section 8.11;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by Law; and

(e) waives, to the maximum extent not prohibited by Law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 8.10 any special, exemplary, punitive or consequential damages.

Whenever the Borrowers desire to make a Borrowing of Term Loans hereunder, the Lead Borrower shall give the Administrative Agent at its Notice Office at least one Business Day’s prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Base Rate Term Loans to be made hereunder and at least three Business Days’ (or such shorter period as the Administrative Agent shall agree in its sole and absolute discretion) prior written notice (or telephonic notice promptly confirmed in writing) of each LIBO Rate Term Loan to be made hereunder, provided that (in each case) any such notice shall be deemed to have been given on a certain day only if given before 12:00 Noon (New York City time) on such day (or such later time as the Administrative Agent shall agree in it its sole and absolute discretion); provided further that that if the Borrowers wish to request LIBO Rate Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of “Interest Period,” the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to each Lender with a Commitment of the relevant Tranche of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Lead Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by such Lenders. Each such notice (each, a “Notice of Borrowing”), except as otherwise expressly provided in Section 2.11, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing by or on behalf of the Borrowers, in the form of Exhibit A-1 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of the relevant Borrower, appropriately completed to specify: (i) the aggregate principal amount of the Term Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Initial Term Loans, Incremental Term Loans or Refinancing Term Loans, (iv) whether the Term Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Term Loans or LIBO Rate Term Loans and (v) in the case of LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender of the Tranche specified in the respective Notice of Borrowing, notice of such proposed Borrowing, of such Lender’s proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its pro rata portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in U.S. Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrowers at the Payment Office the aggregate of the amounts so made available by the Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender’s portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrowers a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent shall promptly notify the Lead Borrower and the Borrowers shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrowers interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrowers until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from the
Borrowers, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Borrowers may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05 Notes

(a) Each Borrower’s obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.15 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrowers substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a “Term Note”).

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrowers’ obligations in respect of such Term Loans.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to the Borrowers shall affect or in any manner impair the joint and several obligations of the Borrowers to pay the Term Loans (and all related Obligations) incurred by the Borrowers which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (d). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, the Borrowers shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions. The Borrowers shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan, provided that (i) except as otherwise provided in Section 2.11, LIBO Rate Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of LIBO Rate Term Loans, as the case may be, shall reduce the outstanding principal amount of such LIBO Rate Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) unless the Required Lenders otherwise agree, Base Rate Term Loans may only be converted into LIBO Rate Term Loans if no Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of LIBO Rate Term Loans than is permitted under Section 2.02. Such conversion shall be effected by the Lead Borrower by giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three Business Days’ prior notice (in the case of any conversion to or continuation of LIBO Rate Term Loans) or one Business Day’s notice (in the case of any conversion to Base Rate Term Loans) (each, a “Notice of Conversion/Continuation”) in the form of Exhibit A-2, appropriately completed to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.

2.07 Pro Rata Borrowings. All Borrowings of Term Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of such Lenders’ Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.

2.08 Interest.

(a) Each Borrower agrees, jointly and severally, to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with respect to any LIBO Rate Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06 or 2.09) made to the Borrowers hereunder from the date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective LIBO Rate Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Term Loan to a LIBO Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate per annum which shall be equal to the sum of the Applicable Margin plus the Base Rate, as in effect from time to time.

(b) Each Borrower agrees, jointly and severally, to pay interest in respect of the unpaid principal amount of each LIBO Rate Term Loan made to the Borrowers from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such LIBO Rate Term Loan to a Base Rate Term Loan pursuant to Section 2.06, 2.09 or 2.10, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin plus the applicable LIBO Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01(x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Term Loan shall bear interest at a rate per annum equal to (i) for Base Rate Term Loans and associated interest, 2.00% per annum in excess of the Applicable Margin for Base Rate Term Loans plus the Base Rate, (ii) for LIBO Rate Term Loans and associated interest, 2.00% per annum in excess of the Applicable Margin for LIBO Rate Term Loans plus the LIBO Rate and (y) overdue amounts with respect to fees shall bear interest at a rate per annum equal to 2.00% per annum in excess of the Applicable Margin for Base Rate Term Loans plus the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a LIBO Rate Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the LIBO Rate for each Interest Period applicable to the respective LIBO Rate Term Loans and shall promptly notify the Lead Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

2.09 Interest Periods. At the time the Lead Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBO Rate Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBO Rate Term Loan (in the case of any subsequent Interest Period), the Lead Borrower shall have the right to elect the interest period (each, an “Interest Period”) applicable to such LIBO Rate Term Loan, which Interest Period shall, at the option of the Lead Borrower be a one, two, three or six month period, or, if agreed to by all Lenders, a twelve month period, or, if agreed to by the Administrative Agent a period less than one month; provided that (in each case):

(i) all LIBO Rate Term Loans comprising a Borrowing shall at all times have the same Interest Period;
(ii) the initial Interest Period for any LIBO Rate Term Loan shall commence on the date of Borrowing of such LIBO Rate Term Loan (including, in the case of LIBO Rate Term Loans, the date of any conversion thereto from a Borrowing of Base Rate Term Loans and each Interest Period occurring thereafter in respect of such LIBO Rate Term Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a LIBO Rate Term Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided, however, that if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a LIBO Rate Term Loan may be selected at any time when a Default or an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date therefor.

With respect to any LIBO Rate Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, the Lead Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into a single Borrowing of the same Type under such Tranche, in each case, by having the Lead Borrower give notice thereof together with its election of one or more Interest Periods, in each case so long as each resulting Borrowing (x) has an Interest Period which complies with the foregoing requirements of this Section 2.09, (y) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (z) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBO Rate Term Loans, the Lead Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBO Rate, the Lead Borrower shall be deemed to have elected in the case of LIBO Rate Term Loans, to convert such LIBO Rate Term Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.

2.10 Increased Costs, Illegality, etc.

(a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank Eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBO Rate;

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBO Rate Term Loan because of any change since the Closing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the official interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, official guideline or request, such as, but not limited to: (A) any additional Tax imposed on any Lender (except Indemnified Taxes or Other Taxes indemnified under Section 5.04 or any Excluded Taxes) or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the LIBO Rate; or

-49-
then, and in any such event, such Lender (or the Administrative Agent, in the case of the clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Lead Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBO Rate Term Loans shall no longer be available until such time as the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by the Lead Borrower with respect to LIBO Rate Term Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrowers, (y) in the case of clause (ii) above, the Borrowers agree, jointly and severally, to pay to such Lender, upon such Lender’s written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice setting forth the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, shall be submitted to the Borrowers by such Lender and shall, absent manifest error, be final and conclusive and binding on all the parties hereto), (z) in the case of clause (iii) above, the Borrowers shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBO Rate Term Loan is affected by the circumstances described in Section 2.10(a)(ii), the Lead Borrower may, and in the case of a LIBO Rate Term Loan affected by the circumstances described in Section 2.10(a)(iii), the Lead Borrower shall, either (x) if the affected LIBO Rate Term Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the same date that the Lead Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected LIBO Rate Term Loan is then outstanding, upon at least three Business Days’ written notice to the Administrative Agent, require the affected Lender to convert such LIBO Rate Term Loan into a Base Rate Term Loan, provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.10(b).

(c) If any Lender determines that after the Closing Date the introduction of or any change in any applicable law or governmental rule, regulation, order, directive or request (whether or not having the force of law) concerning capital or liquidity requirements, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital or liquidity required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender’s Commitments hereunder or its obligations hereunder, then the Borrowers, jointly and severally, agree to pay to such Lender, upon its written demand therefor, such additional documented amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender’s determination of compensation owing under this Section 2.10(c) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Lead Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

(d) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III (x) and (y) collectively referred to as “Dodd-Frank and Basel III”, shall be deemed to be a change after the Closing Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented (including for purposes of this Section 2.10).
Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 2.10 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time.

2.11 Compensation. The Borrowers, jointly and severally, agree to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum "LIBO Rate") which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Term Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its LIBO Rate Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Term Loans is not made on any date specified in a notice of prepayment given by the Lead Borrower; or (iv) as a consequence of any other default by the Borrowers to repay LIBO Rate Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender, it will, if requested by the Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in Sections 2.10, 5.04 and 13.01(a)(ii).

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender or (z) in the case of a refusal by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 3.12(b), the Lead Borrower shall have the right, if no Event of Default then exists (or, in the case of preceding clause (z), will exist immediately after giving effect to such replacement), to replace such Lender (the "Replaced Lender") with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the "Replacement Lender") and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent’s consent would be required for an assignment to such Replacement Lender pursuant to Section 13.04); provided that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 13.04(b) (and with all fees payable pursuant to said Section 13.04(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among the Lead Borrower, the Replacement Lender and the Replaced Lender) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Term Loans of, the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Lender pursuant to Section 4.01 and (ii) all obligations of the Borrowers due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and
Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 13.04. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 13.15 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the Borrowers, (x) the Replacement Lender shall become a Lender hereunder and the Replacement Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to facts and circumstances occurring prior to the effective date of such replacement. In connection with any replacement of Lenders pursuant to, and as contemplated by, this Section 2.13, each Borrower hereby irrevocably authorizes Holdings to take all necessary action, in the name of such Borrower, as described above in this Section 2.13 in order to effect the replacement of the respective Lender or Lenders in accordance with the preceding provisions of this Section 2.13.

2.14 Extended Term Loans.

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.14, the Lead Borrower may at any time and from time to time when no Event of Default then exists request that all or a portion of the Initial Term Loans, the Extended Term Loans or any Tranche of Incremental Term Loans (each, an “Existing Initial Term Loan Tranche,” “Existing Extended Term Loan Tranche” and “Existing Incremental Term Loan Tranche,” respectively), together with any related outstandings, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of the principal amount (and related outstandings) of such Initial Term Loans, Extended Term Loans or Incremental Term Loans (any such Term Loans which have been so converted, “Extended Initial Term Loans,” “Extended Existing Term Loans” and “Extended Incremental Term Loans,” respectively) and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, the Lead Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche) (each, an “Extension Request”) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) be identical to the Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Extended Term Loan Tranche to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; and (v) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by the Lead Borrower and the Lenders thereof; provided that no Extended Term Loans may be optionally prepaid prior to the date on which all Term Loans with an earlier final stated maturity (including Term Loans under the Existing Term Loan Tranche from which such Term Loans were converted) are repaid in full, unless such optional prepayment is accompanied by a pro rata optional prepayment of such other Term Loans; provided, however, that (A) in no event shall the final maturity date of any Extended Term Loans of a given Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Term Loans hereunder and (B) the Weighted Average Life to Maturity of any Extended Term Loans of a given Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of any other Tranche of Term Loans then outstanding. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an “Extension Series”) of Extended Term Loans, as applicable, for all purposes of this Agreement; provided that any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Term Loan Tranche.
(c) The Lead Borrower shall provide the applicable Extension Request at least ten (10) Business Days prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an “Extending Term Loan Lender”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a pro rata basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

(d) Extended Term Loans shall be established pursuant to an amendment (each, an “Extension Amendment”) to this Agreement among the Borrowers, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Initial Term Loan Commitments so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.

(e) Extensions consummated by the Borrowers pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14, provided that such consent shall not be deemed to be an acceptance of any Extension Request.

(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) [reserved], (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d)(ii), (iv) establish new Tranches or sub-Tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches or sub-Tranches, in each case on terms consistent with this Section 2.14, and (v) effect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.
2.15 Incremental Term Loan Commitments

(a) The Lead Borrower shall have the right, in consultation and coordination with the Administrative Agent as to all of the matters set forth below in this Section 2.15, but without requiring the consent of any of the Lenders, to request at any time and from time to time that one or more Lenders (and/or one or more other Persons who are Eligible Transferees and which will become Lenders) provide Incremental Term Loan Commitments to the Borrowers and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Commitment Agreement, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by the Lead Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in U.S. Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Commitment Agreement shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $25,000,000, (v) the aggregate amount of all Incremental Term Loan Commitments provided pursuant to this Section 2.15 after the Closing Date and all Indebtedness incurred pursuant to Section 10.04(xxvii)(A) shall not exceed the sum of (x) $100,000,000 (the “Second Lien Fixed Dollar Incremental Amount”) less the aggregate amount of Indebtedness and commitments incurred under the First Lien Fixed Dollar Incremental Amount, plus (y) the sum of all voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxvii) that ranks pari passu with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.19 or Section 2.20 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary thereof) in each case other than with the proceeds of long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement)) in each case prior to the date of incurrence of any such Incremental Term Loan Commitments plus (z) an unlimited amount so long as the Consolidated Senior Secured Net Leverage Ratio, determined on a Pro Forma Basis as of such date would not exceed 5.25 to 1.00; (vi) the proceeds of all Incremental Term Loans incurred by the Borrowers may be used for any purpose not prohibited under this Agreement, (vii) each Incremental Term Loan Commitment Agreement shall specifically designate, with the approval of the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied, (viii) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of preceding clause (vii)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02; provided that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser share of any such prepayments)); provided, however, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Commitment Agreement; provided, however, that if the Effective Yield for any such Incremental Term Loans exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.50% per annum, the Applicable Margins for all then outstanding Initial Term Loans shall be increased as of such date in accordance with the requirements of the definition of “Applicable Margin” and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans.
Loans and such other differences as may be reasonably satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by the Borrowers shall be Obligations of the Borrowers under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under each relevant Guaranty, on a pari passu basis with all other Term Loans secured by the Security Agreement and guaranteed under each such Guaranty, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Commitment Agreement shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Commitment Agreement as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, the Borrowers, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an “Incremental Term Loan Lender”) shall execute and deliver to the Administrative Agent an Incremental Term Loan Commitment Agreement substantially in the form of Exhibit L (appropriately completed), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Commitment Agreement shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Commitment Agreement, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Term Notes will be issued at the Borrowers’ expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Commitment Agreement shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement: provided that, with the consent of the Administrative Agent, the parties to a given Incremental Term Loan Commitment Agreement may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Commitment Agreement shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;

(ii) [reserved]; and

on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b) on a pro rata basis. To the extent the provisions of preceding clause (iii) require that Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of LIBO Rate Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having short Interest Periods i.e., an Interest Period that began during an Interest Period then applicable to outstanding LIBO Rate Term Loans of such Tranche and which will end on the last day of such Interest Period). All determinations by any Lender pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.
2.18 Refinancing Term Loans

(a) The Lead Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement ("Refinancing Term Loans"), which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement selected by the Lead Borrower; provided, that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded plus unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; provided that such aggregate principal amount may also be increased to the extent such additional amount is capable of being incurred at such time pursuant to Section 2.15 and such excess incurrence shall for all purposes hereof be an incurrence under the relevant subclauses of Section 2.15. Each such notice shall specify the date (each, a “Refinancing Effective Date”) on which the Lead Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; provided that:

(i) the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final maturity before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than pro rata basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by the Lead Borrower and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than Holdings, the Borrowers or a Subsidiary Guarantor;

(iv) in the case of any such Refinancing Term Loans that are secured such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of the Lead Borrower or any of its Subsidiaries other than the Collateral;

(v) all other terms applicable to such Refinancing Term Loans (except as set forth above) shall (I) be substantially identical to, or (II) (taken as a whole) be otherwise not materially more favorable to the Refinancing Term Loan Lenders than those applicable to the then outstanding Term Loans, except to the extent such covenants and other terms apply solely to any period after the Latest Maturity Date as of the date such Indebtedness was incurred (provided that a certificate of a Responsible Officer of the Lead Borrower delivered to the Administrative Agent in good faith at least five Business Days prior to the incurrence of such Indebtedness, together with a reasonably detailed description of the material terms and conditions of such Indebtedness or drafts of the documentation relating thereto, stating that the Lead Borrower has determined in good faith that such terms and conditions satisfy the requirement set out in the foregoing clause (v), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to the Lead Borrower of an objection during such five Business Day period (including a reasonable description of the basis upon which it objects)).

-56-
(b) The Lead Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a “Refinancing Term Loan Lender”); provided that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans for all purposes of this Agreement; provided that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

(c) The Administrative Agent and the Lenders hereby consent to the transactions contemplated by Section 2.18(a) (including, for the avoidance of doubt, the payment of interest, fees, amortization or premium in respect of the Refinancing Term Loans on the terms specified by the Lead Borrower) and hereby waive the requirements of this Agreement or any other Credit Document that may otherwise prohibit any transaction contemplated by Section 2.18(a). The Refinancing Term Loans shall be established pursuant to an amendment to this Agreement among Holdings, the Borrowers and the Refinancing Term Loan Lenders providing such Refinancing Term Loans (a “Refinancing Term Loan Amendment”) which shall be consistent with the provisions set forth in Section 2.18(a). Each Refinancing Term Loan Amendment shall be binding on the Lenders, the Administrative Agent, the Credit Parties party thereto and the other parties hereto without the consent of any other Lender and the Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Credit Documents as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of Section 2.18 including such technical amendments as may be necessary or appropriate in connection therewith. The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with the Borrowers to effect the foregoing.

2.19 Reverse Dutch Auction Repurchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, the Lead Borrower, on behalf of the other Borrowers, may, at any time and from time to time, conduct reverse Dutch auctions in order to purchase Term Loans of a particular Tranche (each, an “Auction”) (each such Auction to be managed exclusively by the Administrative Agent or any other bank or another investment bank of recognized standing selected by the Lead Borrower (with the consent of the Administrative Agent or such other bank or investment bank) following consultation with the Administrative Agent (in such capacity, the “Auction Manager”)); provided that the Administrative Agent shall have no obligation to act as the Auction Manager), so long as the following conditions are satisfied:

(i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.19(a) and Schedule 2.19(a);

(ii) no Default or Event of Default shall have occurred and be continuing on the date of the delivery of each auction notice and at the time of purchase of Term Loans in connection with any Auction;

(iii) the minimum principal amount (calculated on the face amount thereof) of all Term Loans that the Lead Borrower offers to purchase in any such Auction shall be no less than $2,500,000 (unless another amount is agreed to by the Administrative Agent);

(iv) the Lead Borrower shall not use the proceeds of any borrowing under the ABL Credit Agreement to finance any such repurchase;

(v) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by the Lead Borrower shall automatically be cancelled and retired by the Lead Borrower on the settlement date of the relevant purchase (and may not be resold);

(vi) no more than one Auction may be ongoing at any one time;

-57-
(vii) the Lead Borrower shall make the No Undisclosed Information Representation; and

(viii) at the time of each purchase of Term Loans through an Auction, the Lead Borrower shall have delivered to the Auction Manager an officer’s certificate of a Responsible Officer certifying as to compliance with preceding clauses (ii), (iv) and (vii).

(b) The Lead Borrower must terminate an Auction if it fails to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to such Auction. If the Lead Borrower commences any Auction (and all relevant requirements set forth above which are required to be satisfied at the time of the commencement of such Auction have in fact been satisfied), and if at such time of commencement the Lead Borrower believes in good faith that all required conditions set forth above which are required to be satisfied at the time of the purchase of Term Loans pursuant to such Auction shall be satisfied, then the Lead Borrower shall have no liability to any Lender for any termination of such Auction as a result of its failure to satisfy one or more of the conditions set forth above which are required to be met at the time which otherwise would have been the time of purchase of Term Loans pursuant to the such Auction, and any such failure shall not result in any Default or Event of Default hereunder. With respect to all purchases of Term Loans made by the Lead Borrower pursuant to this Section 2.19, (x) the Lead Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date of such purchase and (y) such purchases (and the payments made by the Lead Borrower and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06.

(c) The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.19 (provided that no Lender shall have an obligation to participate in any such Auctions) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by the Lead Borrower contemplated by this Section 2.19 shall not constitute Investments by the Lead Borrower)) or any other Credit Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.19. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 mutatis mutandis as if each reference therein to the “Administrative Agent” were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Auction.

2.20 Open Market Purchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, the Lead Borrower or any of its Restricted Subsidiaries may, at any time and from time to time, make open market purchases of Term Loans (each, an “Open Market Purchase”), so long as the following conditions are satisfied:

(i) no Default or Event of Default shall have occurred and be continuing on the date of such Open Market Purchase;

(ii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans so purchased by the Lead Borrower or any of its Restricted Subsidiaries shall automatically be cancelled and retired by the Borrowers on the settlement date of the relevant purchase (and may not be resold);

(iii) the aggregate principal amount of all Term Loans purchased pursuant to this Section 2.20 shall not exceed 20% of the original aggregate outstanding principal amount of the Term Loans;

(iv) the Lead Borrower or any of its Restricted Subsidiaries shall not use the proceeds of any borrowing under the ABL Credit Agreement to finance any such repurchase;
(v) each Borrower shall make the No Undisclosed Information Representation; and

(vi) at the time of each purchase of Term Loans through Open Market Purchases, the Lead Borrower shall have delivered to the Administrative Agent an officer’s certificate of a Responsible Officer certifying as to compliance with preceding clauses (i), (iv) and (v).

(b) With respect to all purchases of Term Loans made by the Lead Borrower pursuant to this Section 2.20, (x) the Lead Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest, if any, on the purchased Term Loans up to the settlement date of such purchase (except to the extent otherwise set forth in the relevant purchase documents as agreed by the respective selling Lender) and (y) such purchases (and the payments made by the Lead Borrower and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06.

(c) The Administrative Agent and the Lenders hereby consent to the Open Market Purchases contemplated by this Section 2.20 and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by any Borrower contemplated by this Section 2.20 shall not constitute Investments by such Borrower)) or any other Credit Document that may otherwise prohibit any Open Market Purchase by this Section 2.20.

2.21 Sponsor and Affiliate Term Loan Purchases. Notwithstanding anything to the contrary in this Agreement, the Sponsor and any Affiliate of the Sponsor (other than Holdings, the Lead Borrower or any Subsidiary) may be an assignee in respect of Term Loans (and to such extent shall constitute an “Eligible Transferee”); provided that:

(a) at the time of acquisition thereof, the aggregate principal amount of Term Loans held by the Sponsor and Affiliates (other than Debt Fund Affiliates), together with the aggregate principal amount of the Term Loans so acquired, shall not exceed 25% of the aggregate outstanding principal amount of the Term Loans at such time;

(b) notwithstanding anything to the contrary in the definition of “Required Lenders,” or in Section 13.12, the holder of any Term Loans acquired pursuant to this Section 2.21(b) (other than Debt Fund Affiliates) shall not be entitled to vote such Term Loans in any “Required Lender” vote pursuant to the terms of this Agreement or any other Credit Document (it being understood that the holder of such Term Loans shall have the right to consent to votes requiring the consent of “all Lenders” or “all Lenders directly and affected thereby” pursuant to Section 13.12 or otherwise, or any other amendment which treats such Lenders differently from other Lenders), and for purposes of any such vote such Term Loans shall be deemed not to be outstanding;

(c) no Default or Event of Default shall have occurred and be continuing on the date of such purchase or would occur as a result of such assignment;

(d) the Sponsor and Affiliates thereof (other than Debt Fund Affiliates) shall make the No Undisclosed Information Representation;

(e) the Sponsor and Affiliates thereof shall be prohibited from being appointed as, or succeeding to the rights and duties of, Administrative Agent or Collateral Agent under this Agreement and the other Credit Documents until such time (if any) as when all Obligations (other than those held by the Sponsor or any of its Affiliates) have been paid in full in cash;

(f) by acquiring a Term Loan hereunder, each of the Sponsor and each Affiliate thereof (other than Debt Fund Affiliates) shall be deemed to have (I) waived its right to receive information prepared by Administrative Agent or any Lender (or any advisor, agent or counsel thereof) under or in connection with the Credit Documents (in each case to the extent not provided to the Credit Parties) and attend any meeting or conference call with Administrative Agent or any Lender, (II) agreed that it is
prohibited from making or bringing any claim, in its capacity as a Lender, against Administrative Agent or any Lender with respect to the duties and obligations of such Persons under the Credit Documents, and (III) agreed, without limiting its rights as a Lender described in Section 2.21(b), that it will have no right whatsoever to require Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to this Agreement or any other Credit Document;

(g) the Sponsor or such Affiliate (other than Debt Fund Affiliates) identifies itself as an Affiliate of the Credit Parties prior to the assignment of Term Loans to it pursuant to the applicable Assignment and Assumption Agreement;

(h) Term Loans acquired by the Sponsor and Affiliates thereof shall be subject to the voting limitations set forth in Section 13.04(i); and

(i) notwithstanding anything in Section 13.12 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Term Loans held by the Sponsor and its Affiliates (including Debt Fund Affiliates) may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 13.12.

Section 3. [Reserved].

Section 4. Fees; Reductions of Commitment.

4.01 Fees.

(a) The Borrowers shall, jointly and severally, pay to the Administrative Agent for distribution to each Incremental Term Loan Lender such fees and other amounts, if any, as are specified in the relevant Incremental Term Loan Commitment Agreement, with the fees and other amounts, if any, to be payable on the relevant Incremental Term Loan Borrowing Date.

(b) The Borrowers, jointly and severally, agree to pay to the Administrative Agent such fees as may be agreed to in writing from time to time by Holdings or the Lead Borrower or any of its Subsidiaries and the Administrative Agent.

(c) If any Initial Term Loans are (i) voluntarily prepaid pursuant to Sections 5.01(a) or 5.01(b)(i) (including any replacement pursuant to Section 13.12(b)) or (ii) mandatorily prepaid pursuant to Section 5.02(c), (each event in clauses (i) and (ii), a “Premium Prepayment Event”), in each case, such Premium Prepayment Event shall be accompanied by (x) 2.00% of the aggregate principal amount of the Initial Term Loans subject to such Premium Prepayment Event if such Premium Prepayment Event occurs on or after the first anniversary of the Closing Date and (y) 1.00% of the aggregate principal amount of the Initial Term Loans subject to such Premium Prepayment Event if such Premium Prepayment Event occurs before the first anniversary of the Closing Date but prior to the second anniversary of the Closing Date.

4.02 Mandatory Reduction of Commitments.

(a) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Initial Term Loan Commitment shall terminate in its entirety on the Closing Date (after giving effect to the incurrence of Initial Term Loans on such date).
(b) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Incremental Term Loan Commitment pursuant to an Incremental Term Loan Commitment Agreement (and the Incremental Term Loan Commitment of each Lender with such a Commitment) shall terminate in its entirety on the Incremental Term Loan Borrowing Date for such Total Incremental Term Loan Commitment (after giving effect to the incurrence of the relevant Incremental Term Loans on such date).

(c) Each reduction to the Total Initial Term Loan Commitment and the Total Incremental Term Loan Commitment under a given Tranche pursuant to this Section 4.02 as provided above (or pursuant to Section 5.02) shall be applied proportionately to reduce the Initial Term Loan Commitment or the Incremental Term Loan Commitment under such Tranche, as the case may be, of each Lender with such a Commitment.

Section 5. Prepayments; Payments; Taxes.

5.01 Voluntary Prepayments.

(a) The Borrowers shall have the right to prepay the Term Loans, without premium or penalty (other than as provided in Section 4.01(c)), in whole or in part at any time and from time to time on the following terms and conditions: (i) the Lead Borrower shall give the Administrative Agent at its Notice Office written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay the Term Loans, whether such Term Loans are Initial Term Loans or Incremental Term Loans of a given Tranche, the amount of the Term Loans to be prepaid, the Types of Term Loans to be repaid, and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings pursuant to which made, which notice shall be given by the Lead Borrower (x) prior to 12:00 Noon (New York City time) at least one Business Day prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and (y) prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of LIBO Rate Term Loans (or, in the case of clause (x) and (y), such shorter period as the Administrative Agent shall agree in its sole and absolute discretion), and be promptly transmitted by the Administrative Agent to each of the Lenders; (ii) each partial prepayment of Term Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least $1,000,000 or such lesser amount as is acceptable to the Administrative Agent; provided that if any partial prepayment of LIBO Rate Term Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of LIBO Rate Term Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount, then if such Borrowing is a Borrowing of LIBO Rate Term Loans, such Borrowing shall automatically be converted into a Borrowing of Base Rate Term Loans and any election of an Interest Period with respect thereto given by the Lead Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans; provided that it is understood and agreed that this clause (iii) may be modified as expressly provided in Section 2.14 in connection with an Extension Amendment; and (iv) each prepayment of principal of Term Loans of a given Tranche pursuant to this Section 5.01(a) shall be applied as directed by the Lead Borrower in the applicable notice of prepayment delivered pursuant to Section 5.01(a) or, if no such direction is given, in direct order of maturity. Notwithstanding anything to the contrary contained in this Agreement, any such notice of prepayment pursuant to this Section 5.01(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities, the occurrence of a Change of Control or any similar event), in which case such notice may be revoked by the Lead Borrower (by written notice to the Administrative Agent or prior to the specified effective date) if such condition is not satisfied.

(b) In the event (i) of a refusal by a Lender to consent to certain proposed changes, amendments, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), or (ii) any Lender becomes a Defaulting Lender, Borrowers may, upon five Business Days’ prior written notice from the Lead Borrower to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders) repay all Term Loans, together with accrued and unpaid interest, Fees and other amounts owing to such Lender in accordance with, and subject to the requirements of, said Section 13.12(b), so long as the consents, if any, required under Section 13.12(b) in connection with the repayment pursuant to clause (b) have been obtained.

5.02 Mandatory Repayments.

(a) [reserved].
(b) In addition to any other mandatory repayments pursuant to this Section 5.02, the Borrowers shall be required to make, with respect to each new 
Tranche (e.g., other than Initial Term Loans, which are addressed in the preceding clause (a)) of Term Loans to the extent then outstanding, scheduled 
amortization payments of such Tranche of Term Loans to the extent, and on the dates and in the principal amounts, set forth in the Incremental Term Loan 
Commitment Agreement, Refinancing Term Loan Amendment or Extension Amendment applicable thereto.

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Closing 
Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any issuance or incurrence of Indebtedness (other 
than Indebtedness permitted to be incurred pursuant to Section 10.04 (other than Refinancing Term Loans and Refinancing Notes, an amount equal to 100% 
of the Net Debt Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Closing 
Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale, an amount equal to 100% 
of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h), provided, 
however, with respect to no more than $10,000,000 in the aggregate of such Net Sale Proceeds received by the Lead Borrower and its Restricted Subsidiaries 
in any fiscal year of the Lead Borrower, such Net Sale Proceeds shall not be required to be so applied or used to make mandatory repayments of Term Loans 
if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply all or a portion of such Net Sale Proceeds (i) in the case of 
ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness 
secured by Liens ranking senior to the Liens securing the Indebtedness hereunder on such ABL Collateral (as defined in the Intercreditor Agreement) and in 
the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase 
of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale 
Proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such 
Net Sale Proceeds, within 180 days following such 12-month period during which the Lead Borrower so committed to such plan of reinvestment), provided, 
further, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or its Restricted Subsidiaries of such 
Net Sale Proceeds, the Lead Borrower or its Restricted Subsidiaries have not so used all or a portion of such Net Sale Proceeds otherwise required to be 
reinvested as a mandatory repayment pursuant to this sentence, the remaining portion of such Net Sale Proceeds shall be applied as a mandatory repayment in 
accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, on each Excess Cash Flow Payment Date, an amount equal to the 
remainder of (i) the Applicable Prepayment Percentage of the Excess Cash Flow for the related Excess Cash Flow Payment Period less (ii) the aggregate 
amount of all (x) voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxvii) that rank pari passu 
with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Sections 2.19 or 2.20 or similar 
provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or 
Restricted Subsidiary therefor) and (y) prepayments of revolving loans under the ABL Credit Agreement or any other Indebtedness secured by a Lien on the 
Collateral ranking pari passu with the Lien on the Collateral securing the ABL Credit Agreement or senior or pari passu with the Lien on the Collateral 
securing the Indebtedness hereunder, in each case, to the extent accompanied by a permanent reduction in commitments therefor and not financed with the 
incurrence of any other long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement), during such Excess Cash Flow Payment Period 
shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).
In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Recovery Event, an amount equal to 100% of the Net Insurance Proceeds from such Recovery Event shall be applied as a mandatory repayment in accordance with the requirements of Section 5.02(g) and (h), provided, however, with respect to no more than $10,000,000 in the aggregate of such Net Insurance Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply such Net Insurance Proceeds (i) in the case of ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness secured by Liens ranking senior to the Liens securing the Indebtedness hereunder on such ABL Collateral (as defined in the Intercreditor Agreement) and in the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest in such Net Sale Proceeds, within 18 months following the date of receipt of such proceeds) (and, in connection therewith, shall thereafter promptly provide such other information with respect to such reinvestment as the Administrative Agent may from time to time reasonably request); provided, further, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or any of its Restricted Subsidiaries of such Net Insurance Proceeds, the Lead Borrower or any of its Restricted Subsidiaries have not so used all or a portion of such Net Insurance Proceeds otherwise required to be applied as a mandatory repayment pursuant to this sentence, the remaining portion of such Net Insurance Proceeds shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period, as the case may be.

Each amount required to be applied pursuant to Sections 5.02(c), (d), (e) and (k) in accordance with this Section 5.02(a) shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied; provided that to the extent any Permitted Junior Notes or Permitted Junior Loans that are secured on a pari passu basis with the Obligations (or any Permitted Refinancing Indebtedness in respect thereof that is secured on a pari passu basis with the Obligations) requires any mandatory prepayment or repurchase from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay Term Loans in accordance with clause (d) or (f) above, up to a pro rata portion (based on the aggregate principal amount of Term Loans and such pari passu secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds may be applied to prepay or repurchase such pari passu secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant to Section 5.02(e) shall be applied to the Tranche or Tranches of Term Loans selected by the Lead Borrower.

With respect to each repayment of Term Loans required by this Section 5.02, the Lead Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such LIBO Rate Term Loans were made, provided that (i) repayments of LIBO Rate Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such LIBO Rate Term Loans of the applicable Tranche with Interest Periods ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans. In the absence of a designation by the Lead Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion.

In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Asset Sale"), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a "Foreign Recovery Event") or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Initial
Term Loans at the times provided in this Section 5.02 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (the relevant Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of such Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law or applicable organizational documents of such Foreign Subsidiary, such repatriation will be immediately effected and such repatriated Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of any additional taxes payable or reserved against as a result thereof and additional costs relating to such repatriation) to the repayment of the Initial Term Loans pursuant to Section 5.02 or (ii) to the extent that such Borrower has reasonably determined in good faith that repatriation of any of or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Asset Sale or Foreign Recovery Event or Foreign Subsidiary Excess Cash Flow would have material adverse tax cost consequences with respect to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow, such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.

(k) Notwithstanding anything to the contrary herein, so long as the First Lien Credit Agreement remains outstanding, in no event shall the Credit Parties be required to make any mandatory prepayment pursuant to Sections 5.02(d), (e) or (f), provided that during such time as the First Lien Credit Agreement remains outstanding, the Lead Borrower shall be required to apply any First Lien Declined Proceeds as a mandatory repayment of Term Loans in accordance with the requirements of Sections 5.02(g) and (h) no later than three Business Days after the deadline for First Lien Rejection Notices.

(l) The Lead Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of the Lead Borrower’s repayment notice and of such Lender’s pro rata share of any repayment. Each Lender may reject all or a portion of its pro rata share of any mandatory repayment (such declined amounts, the “Declined Proceeds”) of Term Loans required to be made pursuant to Section 5.02(d), (e), (f) or (k) by providing written notice (each, a “Rejection Notice”) to the Administrative Agent and the Lead Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender’s receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled.

5.03 Method and Place of Payment. Except as otherwise specifically provided herein, all payments under this Agreement and under any Note shall be made to the Administrative Agent or the account of the Lender or Lenders entitled thereto not later than 2:00 pm (New York City time) on the date when due and shall be made in U.S. Dollars in immediately available funds at the Payment Office of the Administrative Agent shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Any payment received after such time on such date shall, at the option of the Administrative Agent, be deemed to have been received on the next Business Day. Whenever any payment to be made hereunder or under any Note shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension.
5.04 Net Payments.

(a) All payments made by or on account of any Credit Party under any Credit Document shall be made free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable law. If any Taxes are required to be withheld or deducted from such payments, then the Credit Parties jointly and severally agree that (i) to the extent such deduction or withholding is on account of an Indemnified Tax or Other Tax, the sum payable shall be increased as necessary so that after making all required deductions or withholdings (including deduction or withholdings applicable to additional sums payable under this Section 5.04), the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the withholding agent will make such deductions or withholdings, and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. In addition, the Credit Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Credit Parties will furnish to the Administrative Agent within 45 days after the date the payment by any of them of any Indemnified Taxes or Other Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by the applicable Credit Party. The Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 days of written request therefor, for the amount of any Indemnified Taxes (including any Indemnified Taxes imposed on amounts payable under this Section 5.04) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any Other Taxes, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.

(b) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Lead Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or a reduced rate of, withholding Tax. In addition, each Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times reasonably requested by the Lead Borrower or the Administrative Agent, such other documentation prescribed by applicable law or reasonably requested by the Lead Borrower or the Administrative Agent as will enable the Lead Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. Each Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any specific documents required below in Section 5.04(c)) expired, obsolete or inaccurate in any respect, deliver promptly to the Lead Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Lead Borrower or the Administrative Agent) or promptly notify the Lead Borrower and the Administrative Agent in writing of its inability to do so.

(c) Without limiting the generality of the foregoing: (x) each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) shall deliver to the Lead Borrower and the Administrative Agent on or prior to the Closing Date or, in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 2.13 or 13.04(b) (unless the relevant Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, (i) two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or Form W-8BEN-E (or successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party or Form W-8ECI (or successor form), or (ii) in the case of a Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," a certificate substantially in the form of Exhibit C (any such certificate, a "U.S. Tax Compliance Certificate") and two accurate and complete signed copies of Internal Revenue Service Form W-8BEN (or successor form) or W-8BEN-E (or successor form) certifying to such Lender’s entitlement as of such date to a complete exemption from U.S. withholding tax with respect to payments of interest to be made under this Agreement and under any Note; or (iii) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two accurate and complete signed copies of Internal Revenue Service Form W-8IMY (or successor form) of the Lender, accompanied by Form W-8ECI, Form W-8BEN, Form W-8BEN-E, U.S. Tax Compliance Certificate, Form W-8IMY, and/or any other required information (or successor or other applicable form) from each beneficial owner that would be required under this Section 5.04(c) if such beneficial owner were a Lender (provided that, if the Lender is a partnership for U.S. federal income Tax purposes (and not a participating Lender), and one or more beneficial owners are claiming the portfolio interest exemption), the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owners; (y) Each Lender...
that is a United States person, as defined in Section 7701(a)(30) of the Code, shall deliver to the Lead Borrower and the Administrative Agent, at the times specified in Section 5.04(b), two accurate and complete signed copies of Internal Revenue Service Form W-9, or any successor form that such Person is entitled to provide at such time, in order to qualify for an exemption from United States back-up withholding requirements; and (z) if any payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent, at the time or times prescribed by applicable law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for the Lead Borrower or the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine, if necessary, the amount to deduct and withhold from such payment. Solely for purposes of this Section 5.04(c), “FATCA” shall include any amendment made to FATCA after the Closing Date.

Notwithstanding any other provision of this Section 5.04, a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(d) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Credit Parties or with respect to which a Credit Party has paid additional amounts pursuant to Section 5.04(a), it shall pay to the relevant Credit Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Credit Party under Section 5.04(a) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses, including any Taxes, of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the relevant Credit Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Credit Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 5.04(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.04(d) to the extent that such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing in this Section 5.04(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or
percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as
provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to
have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Lead Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with
this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in
connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or
therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any
other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value
or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items
expressly required to be delivered to the Administrative Agent.

12.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon,
any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website
posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative
Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any
liability for relying thereon. In determining compliance with any condition hereunder to the making of a Term Loan, that by its terms must be fulfilled to the
satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall
have received notice to the contrary from such Lender prior to the making of such Term Loan. The Administrative Agent may consult with legal counsel
(who may be counsel for the Lead Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not
taken by it in accordance with the advice of any such counsel, accountants or experts.

12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers shall have any powers, duties or
responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender
hereunder.

12.06 Non-reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the
Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made
its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the
Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem
appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any
related agreement or any document furnished hereunder or thereunder.
12.07 Indemnification by the Lenders. To the extent that the Lead Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by it to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender’s pro rata share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately prior to such repayment in full) of the unpaid amount; provided that the unreimbursed expense or indemnity payment is sought) of such unpaid amount. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Lead Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.
The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Credit Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.04 of this Agreement, and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents. The Administrative Agent may at any time give notice of its resignation (including as Collateral Agent) to the Lenders and the Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by the Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Credit Documents, the retiring Administrative Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors’ security interest thereon until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of the Lead Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent’s resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.
12.11 Collateral Matters and Guaranty Matters

Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Credit Document (i) upon termination of the Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Credit Document to a Person that is not a Credit Party, (iii) that constitutes Excluded Collateral, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty pursuant to clause (b) below or (v) if approved, authorized or ratified in writing in accordance with Section 13.12;

(b) to release any Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Credit Document to the holder of any Lien on such property that is permitted by Section 10.01(iv), 10.01(vi), 10.01(vii), 10.01(xiv), and 10.01(xxx) (in the case of clause (ii)) or any other Lien that is permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release any Lien securing the Obligations upon the incurrence of any Lien permitted by Section 10.01 with respect to specified assets if the Lien securing the Obligations is not allowed by the documentation creating such Lien or related documentation.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrowers’ expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements. No Guaranteed Creditor that obtains the benefits of Section 11, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor.
12.13 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrowers pursuant to Section 5.04 and without limiting or expanding the obligation of the Borrowers to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due the Administrative Agent under this Section 12.13. The agreements in this Section 12.13 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

Section 13. Miscellaneous

13.01 Payment of Expenses, etc.

(a) The Credit Parties hereby jointly and severally agree to: (i) if the Closing Date occurs, pay all reasonable invoiced out-of-pocket costs and expenses of the Agents (including, without limitation, the reasonable fees and disbursements of one primary counsel to all Agents and Lenders and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person (as defined below) affected by such conflict informs the Lead Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnified Person but excluding, other than as indicated under Section 13.01(a)(ii), Taxes other than Taxes that represent liabilities, obligations, losses, damages, penalties, actions, costs, expenses and disbursements arising from a non-Tax claim) in connection with the preparation, execution and delivery of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein, the administration hereof and thereof and any amendment, waiver or consent relating hereto or thereto (whether or not effective), of the Agents in connection with their syndication efforts with respect to this Agreement and of the Agents and each Lender in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a “work-out” or pursuant to any insolvency or bankruptcy proceedings (which shall be limited to one primary counsel to all Agents and Lenders to be retained by the Agent and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict informs the Lead Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnified Person); (ii) pay and hold each Agent and each Lender harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to such Agent, such Lender or the Lead Arranger) to pay such Other Taxes; and (iii) indemnify each Agent and each Lender and their respective Affiliates, and the officers, directors, employees, agents, trustees, representatives and investment advisors of each of the foregoing (each, an “Indemnified Person”) from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys’ and consultants’ fees and disbursements) (but excluding Taxes other than Taxes that represent liabilities, obligations, losses, damages, penalties, actions, costs, expenses and disbursements arising from a non-Tax claim) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not any Agent or any Lender is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this
Agreement or any other Credit Document or the proceeds of any Term Loans hereunder or the consummation of the Transaction or any other transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or (b) the actual or alleged presence of Hazardous Materials in the Environment relating in any way to any Real Property owned, leased or operated, at any time, by the Lead Borrower or any of its Subsidiaries; the generation, storage, transportation, handling, Release or threat of Release of Hazardous Materials by the Lead Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by the Lead Borrower or any of its Subsidiaries; the non-compliance by the Lead Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any Real Property; or any Environmental Claim asserted against the Lead Borrower, any of its Subsidiaries or relating in any way to any Real Property at any time owned, leased or operated by the Lead Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnified Person (but excluding in each case any losses, liabilities, claims, damages or expenses (i) to the extent incurred by reason of the gross negligence, bad faith or willful misconduct of the applicable Indemnified Person, any Affiliate of such Indemnified Person or any of their respective directors, officers, employees, representatives, agents, Affiliates, trustees or investment advisors, (ii) to the extent incurred by reason of any material breach of the obligations of such Indemnified Person under this Agreement or the other Credit Documents (in the case of each of preceding clauses (i) and (ii), as determined by a court of competent jurisdiction in a final and non-appealable decision) or (iii) that do not involve or arise from an act or omission by any Borrower or the Guarantors or any of their respective affiliates and is brought by an Indemnified Person (other than claims against any Agent in its capacity as such or in its fulfilling such role). To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for (x) any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems or (z) any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Agreement or any other Credit Document or the financing contemplated hereby.

13.02 Right of Setoff.

(a) In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used exclusively for payroll, payroll taxes, fiduciary and trust purposes, and employee benefits) and any other Indebtedness at any time held or owing by the Administrative Agent or such Lender (including, without limitation, by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the credit or the account of the Lead Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to Section 13.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.
(b) NOTWITHSTANDING THE FOREGOING SUBSECTION (a), AT ANY TIME THAT THE LOANS OR ANY OTHER OBLIGATION SHALL BE SECURED BY REAL PROPERTY LOCATED IN CALIFORNIA, NO LENDER SHALL EXERCISE A RIGHT OF SETOFF, LIEN OR COUNTERCLAIM OR TAKE ANY COURT OR ADMINISTRATIVE ACTION OR INSTITUTE ANY PROCEEDING TO ENFORCE ANY PROVISION OF THIS AGREEMENT OR ANY NOTE UNLESS IT IS TAKEN WITH THE CONSENT OF THE REQUIRED LENDERS OR APPROVED IN WRITING BY THE ADMINISTRATIVE AGENT, IF SUCH SETOFF OR ACTION OR PROCEEDING WOULD OR MIGHT (PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 580a, 580b, 580d AND 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE OR SECTION 2924 OF THE CALIFORNIA CIVIL CODE, IF APPLICABLE, OR OTHERWISE) AFFECT OR IMPAIR THE VALIDITY, PRIORITY OR ENFORCEABILITY OF THE LIENS GRANTED TO THE COLLATERAL AGENT PURSUANT TO THE SECURITY DOCUMENTS OR THE ENFORCEABILITY OF THE NOTES AND OTHER OBLIGATIONS HEREUNDER, AND ANY ATTEMPTED EXERCISE BY ANY LENDER OF ANY SUCH RIGHT WITHOUT OBTAINING SUCH CONSENT OF THE REQUIRED LENDERS OR THE ADMINISTRATIVE AGENT SHALL BE NULL AND VOID. THIS SUBSECTION (b) SHALL BE SOLELY FOR THE BENEFIT OF EACH OF THE LENDERS AND THE ADMINISTRATIVE AGENT HEREUNDER.

13.03 Notices.

(a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telex, telecopier, cable communication or electronic transmission) and mailed, telegraphed, telexed, telecopied, cabled, delivered or transmitted: if to any Credit Party, c/o PAE Holding Corporation, c/o Platinum Equity, LLC, 360 North Crescent Drive, Beverly Hills, CA 90210, Attention: Legal Department, Telecopier No.: (310) 712-1863; if to any Lender, at its address specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Lead Borrower); and if to the Administrative Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Lead Borrower and the Administrative Agent. All such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by overnight courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Administrative Agent and the Lead Borrower shall not be effective until received by the Administrative Agent or the Lead Borrower, as the case may be.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, the Lead Borrower or Holdings may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Holdings, the Borrowers, the Subsidiary Guarantors, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of a Borrower’s, any Credit Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet.
13.04 Benefit of Agreement; Assignments; Participations, etc.

(a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, that no Borrower may assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of the Lenders and, provided, further, that, although any Lender may transfer, assign or grant participation in its rights or obligations hereunder, such Lender shall remain a “Lender” for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 2.13 and 13.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a “Lender” hereunder and, provided, further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Term Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof or increases in the size of the Commitments, or increase the amount of the participant’s participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory repayment of any Term Loan shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Term Loan shall be permitted without the consent of any participant if the participant’s participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement, (iii) modify any of the voting percentages set forth in Section 13.12 or the underlying definitions, (iv) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral under all the Security Documents supporting the Term Loans in which such participant is participating or (v) except as otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty supporting the Loans in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant’s rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto). Each Borrower agrees that each participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the limitations and requirements of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment; provided, however, that a participant shall not be entitled to receive any greater payment under Section 2.10 or Section 5.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant except to the extent such entitlement to a greater payment results from a change in law after the sale of the participation takes place. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each participant and the principal amounts (and interest amounts) of each participant’s interest in the Term Loans or other obligations under the Credit Documents (the “Participant Register”), provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Term Loan, or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Term Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related rights or outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to (i)(A) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company (provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this subclause (x)(i)(B)); provided that no
such assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender, or (ii) in the case of any Lender that is a fund that invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such investment advisor or (y) assign all, or if less than all, a portion equal to at least $1,000,000 (or such lesser amount as may be agreed to by the Administrative Agent and, so long as no Event of Default then exists under Section 11.01 or 11.05, the Lead Borrower, which consent shall not be unreasonably withheld or delayed) in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees (treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement (which Assignment and Assumption Agreement shall contain an acknowledgement and agreement by the respective assignee that, as a Lender, it shall be subject to, and bound by the terms of the ABL Intercreditor Agreement and the First Lien/Second Lien Intercreditor Agreement), provided that (i) at such time, Schedule 2.01 shall be deemed modified to reflect the Commitments and/or outstanding Term Loans, as the case may be, of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon such assigning Lender’s indemnifying the Borrowers for any lost Note pursuant to a customary indemnification agreement) new Notes will be issued, at the Borrowers’ expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Term Loans, as the case may be, (iii) the consent of the (A) Administrative Agent and (B) so long as no Event of Default then exists under Section 11.01 or 11.05, the consent of the Lead Borrower shall (in either case) be required in connection with any such assignment pursuant to clause (y) above (which consent, in the case of each of clauses (A) and (B), shall not be unreasonably withheld or delayed); provided that the Lead Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof, (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of $3,500 and (v) no such transfer or assignment shall be effective until recorded by the Administrative Agent on the Register pursuant to Section 13.15. To the extent of any assignment pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Term Loans. At the time of each assignment pursuant to this Section 13.04(b) to a Person that is not already a Lender hereunder, such assignee shall provide to the Administrative Agent and the Borrowers such Tax forms as are required to be provided under clauses (b) and (c) of Section 5.04 and shall deliver to the Administrative Agent an Administrative Questionnaire. To the extent that an assignment of all or any portion of a Lender’s Commitments and related outstanding Obligations pursuant to Section 2.13 or this Section 13.04(b) would, at the time of such assignment, result in increased costs under Section 2.10 or 5.04 from those being charged by the assigning Lender prior to such assignment, then the Lead Borrower shall not be obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment). Notwithstanding the foregoing, any sale or assignment pursuant to this Section 13.04(b) to a Sponsor Affiliate shall be made in accordance with Section 2.21 and evidenced via an assignment, in form reasonably satisfactory to the Administrative Agent (a “Sponsor Affiliate Assignment and Assumption”), in accordance with this Section 13.04(b).

(c) The Borrowers shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.19 and 2.20, which purchases shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to the Lead Borrower. No such transfer or assignment shall be effective until recorded by the Administrative Agent (in a manner consistent with the following sentence) on the Register pursuant to Section 13.15. All Term Loans purchased pursuant to Section 2.19 and 2.20 shall be immediately and automatically cancelled and retired, and the Lead Borrower shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as described in this clause (c), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.
(d) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrowers), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferee Lender from any of its obligations hereunder.

(e) Each Lender acknowledges and agrees to comply with the provisions of Section 13.04 applicable to it as a Lender hereunder.

(f) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Sponsor Affiliate Assignment and Assumption shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law now or hereafter in effect ("Bankruptcy Proceedings"), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate’s claim with respect to its Term Loans (a "Claim") (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders. For the avoidance of doubt, the Lenders and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(f) constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code, and, as such, would be enforceable for all purposes in any case where a Credit Party has filed for protection under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(f), the provisions of this Section 13.04(f) shall not be applicable to any Debt Fund Affiliate.

(g) If any Borrower wishes to replace the Term Loans or Commitments with Term Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days’ advance notice to the Lenders of such Term Loans or holdings such Commitments, instead of prepaying the Term Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to assign such Term Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12. Pursuant to any such assignment, all Term Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Term Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08. By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Term Loans or Commitments pursuant to the terms of an Assignment and Assumption Agreement, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

The Administrative Agent shall have the right, and the Lead Borrower hereby expressly authorizes the Administrative Agent, to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by the Lead Borrower and any updates thereto. The Borrower hereby agrees that any such requesting Lender may share the Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledges and agrees that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or
enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

13.05 **No Waiver, Remedies Cumulative.** No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrowers or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

13.06 **Payments Pro Rata.**

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its pro rata share of such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker’s lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided therein.

13.07 **Calculations; Computations.**

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); provided that (i) except as otherwise specifically provided herein, all computations of Excess Cash Flow and the Applicable Margin, and all computations and all definitions (including accounting terms) used in determining compliance with Section 9.14, shall utilize U.S. GAAP and policies in conformity with those used to prepare the audited financial statements of the Lead Borrower referred to in Section 8.05(a)(i) for the fiscal year of the Lead Borrower ended December 31, 2015 and, (ii) to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; provided further, that if the Lead Borrower notifies the Administrative Agent...
that the Lead Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies the Lead Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then the Lead Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP, provided, further that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect).

(b) All computations of interest (other than interest based on the Prime Rate) and other Fees hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or Fees are payable. All computations of interest based determined by reference to the Prime Rate shall be based on a 365-day or 366-day year, as the case may be.

(c) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clauses (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender’s Commitments and/or repay the outstanding Term Loans of each Tranche of such Lender in accordance with Section 5.01(b), provided that, unless the Commitments that are terminated, and Term Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Term Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto, provided, further, that in any event the Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Term Loans solely as a result of the exercise of such Lender’s rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each Incremental Term Loan Lender may, in accordance with the provisions of Section 2.15 enter into an Incremental Term Loan Commitment Agreement, provided that after the execution and delivery by the Borrowers, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Commitment Agreement, such Incremental Term Loan Commitment Agreement, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.
(d) Notwithstanding anything to the contrary in clause (a) above of this Section 13.12, this Agreement may be amended (or amended and restated) (i) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers, (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loan and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and (ii) with the written consent of the Administrative Agent, the Borrowers and the Refinancing Term Loan Lenders, this Agreement and the other Credit Documents shall be amended (or amended and restated) in connection with any refinancing facilities permitted pursuant to Section 2.18.

(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Term Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Majority Lenders, the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of “Majority Lenders” and “Required Lenders” will automatically be deemed modified accordingly for the duration of such period); provided that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, or extend any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

(g) Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

(h) For the avoidance of doubt, any increase, extension or renewal of this Agreement shall be subject to flood insurance due diligence and flood insurance compliance in accordance with Section 9.03 hereof and otherwise reasonably satisfactory to all Secured Creditors.

13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 2.10, 2.11, 5.04, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

13.14 Domicile of Term Loans. Each Lender may transfer and carry its Term Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Term Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 2.10, 2.11 or 5.04 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

13.15 Register. The Borrowers hereby designate the Administrative Agent to serve as their agent, solely for purposes of this Section 13.15, to maintain a register (the "Register") on which it will record the Commitments from time to time of each of the Lenders, the Term Loans made by each of the Lenders and the stated interest on, and each repayment in respect of the principal amount of, the Term Loans of each Lender. Holdings, each Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register
pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement (and the entries in the Register shall be conclusive absent manifest error for such purposes), notwithstanding notice to the contrary. With respect to any Lender, the transfer of the Commitments of, and the principal (and interest) amounts of the Term Loans owing to, such Lender and the rights to the principal of, and interest on, any Term Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Term Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Term Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Term Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Term Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Term Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The registration of any provision of Incremental Term Loan Commitments pursuant to Section 2.15, shall be recorded by the Administrative Agent on the Register only upon the acceptance of the Administrative Agent of a properly executed and delivered Incremental Term Loan Commitment Agreement. Coincident with the delivery of such Incremental Term Loan Commitment Agreement for acceptance and registration of the provision of an Incremental Term Loan Commitment, as the case may be, or as soon thereafter as practicable, to the extent requested by such Incremental Term Loan Lenders, Term Notes shall be issued, at the Lead Borrower’ expense, to such Incremental Term Loan Lenders, to be in conformity with Section 2.05 (with appropriate modification) to the extent needed to reflect the Incremental Term Loan Commitments, and outstanding Incremental Term Loans made by such Incremental Term Loan Lender.

13.16 Confidentiality.

(a) Subject to the provisions of clause (b) of this Section 13.16, each Agent, Lead Arranger and Lender agrees that it will use its commercially reasonable efforts not to disclose without the prior consent of the Lead Borrower (other than to its affiliates and its and their respective directors, officers, employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender’s holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender (or language substantially similar to this Section 13.16(a)) any information with respect to any Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.16(a) by such Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any prospective or actual direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty’s professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 13.16 (or language substantially similar to this Section 13.16(a)), (vii) to any prospective or actual transferee, pledgee or participant in connection with any contemplated transfer, pledge or participation of any of the Notes or Commitments or any interest therein by such Lender and (viii) has become available to any Agent, the Lead Arranger, any Lender, or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, any Borrower or any Subsidiary thereof, and which source is not known by such Person to be subject to a confidentiality restriction in respect thereof in favor of each Borrower or any Affiliate of such Borrower, provided that such prospective transferee, pledge or participant agrees to be bound by the confidentiality provisions contained in this Section 13.16 (or language substantially similar to this Section 13.16(a)); provided, further, that, to the extent permitted pursuant to any applicable law, order, regulation or ruling, and other than in connection with credit and other bank examinations conducted in the ordinary course with respect to such Lender, in the case of any disclosure pursuant to the foregoing clauses (ii), (iii) or (iv), such Lender will use its commercially reasonable efforts to notify the Lead Borrower in advance of such disclosure so as to afford each Borrower the opportunity to protect the confidentiality of the information proposed to be so disclosed.

-126-
The Borrowers hereby acknowledge and agree that each Lender may share with any of its affiliates, and such affiliates may share with such 
Lender, any information related to Holdings, the Lead Borrower or any of its Subsidiaries (including, without limitation, any non-public customer 
information regarding the creditworthiness of Holdings, the Lead Borrower and its Subsidiaries), provided such Persons shall be subject to the provisions of 
this Section 13.16 to the same extent as such Lender.

13.17 USA Patriot Act Notice. Each Lender hereby notifies Holdings and the Lead Borrower that pursuant to the requirements of the USA PATRIOT 
Act Title III of Pub. 107-56 (signed into law October 26, 2001 and amended on March 9, 2009) (the “Patriot Act”), it is required to obtain, verify, and 
record information that identifies Holdings, each Borrower and each Subsidiary Guarantor, which information includes the name of each Credit Party and 
other information that will allow such Lender to identify the Credit Party in accordance with the Patriot Act, and each Credit Party agrees to provide such 
information from time to time to any Lender.

13.18 Joint and Several Liability. Each Borrower is jointly and severally liable for the Obligations as a primary obligor in respect thereof. The 
Obligations of each Borrower are independent of the Obligations of each other Borrower, and a separate action or actions may be brought and prosecuted 
against any Borrower to enforce this Agreement, irrespective of whether any action has been brought against any other Borrower or whether any other 
Borrower is joined in any such action.

13.19 Waiver of Sovereign Immunity. Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and 
revenues, hereby irrevocably agrees that, to the extent that Holdings, Borrowers, their respective Subsidiaries or any of their properties has or may hereafter 
acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or 
elsewhere, to enforce or collect upon the Term Loans or any Credit Document or any other liability or obligation of Holdings, the Borrowers or any of their 
respective Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity 
from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of 
its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, Holdings and the Borrowers, for 
themselves and on behalf of their respective Subsidiaries, hereby expressly waive, to the fullest extent permissible under applicable law, any such immunity, 
and agree not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the 
foregoing, Holdings and the Borrowers further agree that the waivers set forth in this Section 13.19 shall have the fullest extent permitted under the Foreign 
Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

13.20 Lead Borrower. Each Borrower hereby designates PAE, in its capacity as the Lead Borrower, to act as its agent hereunder. The Lead Borrower 
may act as agent on behalf of each Borrower for purposes of delivering Notices of Borrowing, and notices of conversion/continuation or similar notices, 
giving instructions with respect to the disbursement of the proceeds of Loans, selecting interest rate options, giving and receiving all other notices and 
consents hereunder or under any of the other Credit Documents and taking all other actions (including in respect of compliance with covenants) on behalf of 
any Borrower or the Borrowers under the Credit Documents. PAE hereby accepts such appointment. Each Borrower agrees that each notice, election, 
representation and warranty, covenant, agreement and undertaking made on its behalf by the Lead Borrower shall be deemed for all purposes to have been 
made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such 
Borrower.

13.21 INTERCREDITOR AGREEMENTS.

(a) EACH LENDER PARTY HERETO UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS 
AND ASSIGNS) AND EACH OTHER LENDER AND ASSIGN) SHALL BE BOUND BY THE ABL 
INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT, WHICH IN CERTAIN 
CIRCUMSTANCES MAY REQUIRE (AS MORE FULLY PROVIDED THEREIN) THE TAKING OF CERTAIN ACTIONS BY THE LENDERS, 
INCLUDING THE PURCHASE AND SALE OF PARTICIPATIONS BY VARIOUS LENDERS TO EACH OTHER IN ACCORDANCE WITH THE 
TERMS THEREOF.

-127-
(b) THE PROVISIONS OF THIS SECTION 13.21 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF
THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. REFERENCE MUST BE
MADE TO THE ABL INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER
IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST
LIEN/SECOND LIEN INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT OR ANY OF
AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS
CONTAINED IN THE ABL INTERCREDITOR AGREEMENT OR THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. COPIES OF
THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM
THE ADMINISTRATIVE AGENT.

(c) EACH OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT IS AN
AGREEMENT SOLELY AMONGST THE LENDERS (AND THEIR SUCCESSORS AND ASSIGNS) AND IS NOT AN AGREEMENT TO WHICH
HOLDINGS OR ANY OF ITS SUBSIDIARIES IS PARTY. AS MORE FULLY PROVIDED THEREIN, EACH OF THE ABL INTERCREDITOR
AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO
IN ACCORDANCE WITH THE PROVISIONS THEREOF.

13.22 Absence of Fiduciary Relationship. Notwithstanding any other provision of this Agreement or any provision of any other Credit Document,
(i) none of the Lead Arrangers or any Lender shall, solely by reason of this Agreement or any other Credit Document, have any fiduciary, advisory or
agency relationship or duty in respect of any Lender or any other Person and (ii) Holdings and the Lead Borrower hereby waive, to the fullest extent
permitted by law, any claims they may have against the Lead Arrangers or any Lender for breach of fiduciary duty or alleged breach of fiduciary duty. Each
Agent, Lender and their Affiliates may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates.

13.23 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “execute”, “signed,” “signature,” and words of like
import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation
Assignment and Assumption Agreements, amendments or other Notices of Borrowing, waivers and consents) shall be deemed to include electronic
signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the
keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use
of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic
Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the
Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no
obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to
procedures approved by it.

13.24 Entire Agreement. This Agreement and the other Credit Documents represent the final agreement among the parties and may not be
contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

13.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Solely to the extent an EEA Financial Institution is a party to this
Agreement and notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such
parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to

-128-
the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(1) a reduction in full or in part or cancellation of any such liability;

(2) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(3) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

14.01 The Guaranty. In order to induce the Agents, the Collateral Agent and the Lenders to enter into this Agreement and to extend credit hereunder, and to induce the other Guaranteed Creditors to enter into Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements in recognition of the direct benefits to be received by each Credit Agreement Party from the proceeds of the Term Loans and the entering into of such Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements, each Credit Agreement Party hereby agrees with the Guaranteed Creditors as follows: each Credit Agreement Party hereby unconditionally and irrevocably guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors. If any or all of the Relevant Guaranteed Obligations of any Credit Agreement Party becomes due and payable hereunder, such Credit Agreement Party, unconditionally and irrevocably, promises to pay such indebtedness to the Administrative Agent and/or the other Guaranteed Creditors, or order, on demand, together with any and all expenses which may be incurred by the Administrative Agent and the other Guaranteed Creditors in collecting any of the Relevant Guaranteed Obligations. This Credit Agreement Party Guaranty is a guaranty of payment and not of collection. This Credit Agreement Party Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Relevant Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including any Relevant Guaranteed Party), then and in such event the respective Credit Agreement Party agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Credit Agreement Party, notwithstanding any revocation of this Credit Agreement Party Guaranty or any other instrument evidencing any liability of any Relevant Guaranteed Party, and each Credit Agreement Party shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

14.02 Bankruptcy. Additionally, each Credit Agreement Party unconditionally and irrevocably guarantees the payment of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by any Relevant Guaranteed Party upon the occurrence of any of the events specified in Section 11.05, and irrevocably and unconditionally promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand, in lawful money of the United States.

-129-
14.03 Nature of Liability. The liability of each Credit Agreement Party hereunder is primary, absolute and unconditional, exclusive and independent of any security for or other guaranty of the Relevant Guaranteed Obligations, whether executed by any other guarantor or by any other party, and each Credit Agreement Party understands and agrees, to the fullest extent permitted under law, that the liability of such Credit Agreement Party hereunder shall not be affected or impaired by (a) any direction as to application of payment by any Relevant Guaranteed Party or by any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Relevant Guaranteed Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment in cash of the Relevant Guaranteed Obligations), or (d) any dissolution, termination or increase, decrease or change in personnel by any Relevant Guaranteed Party, or (e) any payment made to any Guaranteed Creditor on the Relevant Guaranteed Obligations which any such Guaranteed Creditor repays to any Relevant Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Credit Agreement Party waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 14.05, or (g) any invalidity, irregularity or enforceability of all or any part of the Relevant Guaranteed Obligations or of any security therefor.

14.04 Independent Obligation. The obligations of each Credit Agreement Party hereunder are independent of the obligations of any other guarantor, any other party or any Relevant Guaranteed Party, and a separate action or actions may be brought and prosecuted against any Credit Agreement Party whether or not action is brought against any other guarantor, any other party or any Relevant Guaranteed Party and whether or not any other guarantor, any other party or any Relevant Guaranteed Party be joined in any such action or actions. Each Credit Agreement Party waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Relevant Guaranteed Party or other circumstance which operates to toll any statute of limitations as to such Relevant Guaranteed Party shall operate to toll the statute of limitations as to the relevant Credit Agreement Party.

14.05 Authorization. To the fullest extent permitted under law, each Credit Agreement Party authorizes the Guaranteed Creditors without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Relevant Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Credit Agreement Party Guaranty shall apply to the Relevant Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Relevant Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Relevant Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset thereagainst;

(c) exercise or refrain from exercising any rights against any Relevant Guaranteed Party, any other Credit Party or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, guarantors, any Relevant Guaranteed Party, other Credit Parties or other obligors;

(e) settle or compromise any of the Relevant Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Relevant Guaranteed Party to its creditors other than the Guaranteed Creditors;
(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Relevant Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of such Relevant Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of such other instruments or agreements; and/or

(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Credit Agreement Party from its liabilities under this Credit Agreement Party Guaranty.

14.06 Reliance. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of any Relevant Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Relevant Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

14.07 Subordination. Any indebtedness of any Relevant Guaranteed Party now or hereafter owing to any Credit Agreement Party is hereby subordinated to the Relevant Guaranteed Obligations of such Relevant Guaranteed Party owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of such Relevant Guaranteed Party to such Credit Agreement Party shall be collected, enforced and received by such Credit Agreement Party for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Relevant Guaranteed Obligations of such Relevant Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of any Credit Agreement Party under the other provisions of this Credit Agreement Party Guaranty. Without limiting the generality of the foregoing, each Credit Agreement Party hereby agrees with the Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Credit Agreement Party Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Relevant Guaranteed Obligations have been irrevocably paid in full in cash. Waiver.

(a) Each Credit Agreement Party waives any right (except as shall be required by applicable law and cannot be waived) any right to require any Guaranteed Creditor to (i) proceed against any Relevant Guaranteed Party, any other guarantor or any other party, (ii) proceed against or exhaust any security held from any Relevant Guaranteed Party, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor's power whatsoever. Each Credit Agreement Party waives any defense (except as shall be required by applicable statute and cannot be waived) based on or arising out of any defense of any Relevant Guaranteed Party, any other guarantor or any other party, other than payment of the Relevant Guaranteed Obligations to the extent of such payment, based on or arising out of the disability of any Relevant Guaranteed Party, any other guarantor or any other party, the validity, legality or unenforceability of the Relevant Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Relevant Guaranteed Party other than payment of the Relevant Guaranteed Obligations to the extent of such payment. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against any Relevant Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Credit Agreement Party hereunder except to the extent the Relevant Guaranteed Obligations have been paid. Each Credit Agreement Party waives, to the fullest extent permitted under law, any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Credit Agreement Party against any Relevant Guaranteed Party or any other party or any security.
(b) Each Credit Agreement Party waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Credit Agreement Party Guaranty, and notices of the existence, creation or incurring of new or additional Relevant Guaranteed Obligations. Each Credit Agreement Party assumes all responsibility for being and keeping itself informed of each Relevant Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Relevant Guaranteed Obligations and the nature, scope and extent of the risks which such Credit Agreement Party assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any of the other Guaranteed Creditors shall have any duty to advise any Credit Agreement Party of information known to them regarding such circumstances or risks.

14.09 Maximum Liability. It is the desire and intent of each Credit Agreement Party and the Guaranteed Creditors that this Credit Agreement Party Guaranty shall be enforced against such Credit Agreement Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of any Credit Agreement Party under this Credit Agreement Party Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Credit Agreement Party’s obligations under this Credit Agreement Party Guaranty shall be deemed to be reduced and such Credit Agreement Party shall pay the maximum amount of the Relevant Guaranteed Obligations which would be permissible under applicable law. Payments All payments made by a Credit Agreement Party pursuant to this Section 14 will be made without setoff, counterclaim or other defense, and shall be subject to the provisions of Sections 5.03 and 5.04.

14.11 Keepwell. Each Credit Agreement Party that is a Qualified ECP Guarantor (as defined below) at the time the Credit Agreement Party Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Credit Party with respect to such Swap Obligation as may be needed by such Specified Credit Party from time to time to honor all of its obligations under this Credit Agreement Party Guaranty and the other Credit Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 14.11 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 14.11 shall remain in full force and effect until the Guaranteed Obligations have been indefeasibly paid and performed in full. Each Qualified ECP Guarantor intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Credit Party for all purposes of the Commodity Exchange Act. “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Agreement Party that has total assets exceeding $10,000,000 at the time the Guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act. A Specified Credit Party means any Credit Agreement Party that is not “an eligible contract participant” under the Commodity Exchange Act (determined after giving effect to this Section 14.11).
IN WITNESS WHEREOF, the parties hereto have caused their duly authorized officers to execute and deliver this Agreement as of the date first above written.

From and after the Amendment Effective Date, each reference to an “Initial Term Loan” or a “Term Loan” in the Amended Credit Agreement or the other Credit Documents shall be deemed to include the 2017 Additional Term Loans being made pursuant to this Agreement (including, without limitation, for purposes of the definitions of “Applicable Margin” and “Effective Yield” in Section 1.01 of the Amended Credit Agreement and "Prepayment Premium Event" in Section 4.02(c) of the Amended Credit Agreement) and all other related terms will have correlative meanings mutatis mutandis. From and after the Amendment Effective Date, each 2017 Additional Term Loan Lender shall be a Lender for purposes of the Amended Credit Agreement and the other Credit Documents.

(g) **Representations and Warranties.** The representations and warranties contained in Article IV hereof shall be true and correct on and as of the Amendment Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct as of such earlier date, in each case subject to the qualifications set forth therein.

(h) **FCI Material Adverse Effect.** Since March 31, 2017, no change, circumstance, fact, event, condition, development, state of facts, effect or other matter has occurred or arisen that would reasonably be expected to have a Material Adverse Effect (as defined in the FCI Acquisition Agreement).

(i) The FCI Acquisition shall be consummated in accordance with the FCI Acquisition Agreement without amendment or other modification thereof (or waiver of, or granting of any consent under, any provision thereof), in each case in a manner that is materially adverse to the 2017 Additional Term Loan Lenders without the consent of the Amendment No. 1 Lead Arrangers (not to be unreasonably withheld or delayed) (it being understood and agreed that any amendment, other modification or waiver with respect to Sections 20(b) or 24 of the FCI
Acquisition Agreement shall be deemed materially adverse to the 2017 Additional Term Loan Lenders); provided that (a) subject to clause (c), any reduction in the purchase price shall be deemed not to be materially adverse to the 2017 Additional Term Loan Lenders if 100% of such reduction is applied to reduce the 2017 Additional Term Loans, (b) subject to clause (c), any increase in the purchase price shall be deemed not to be materially adverse to the 2017 Additional Term Loan Lenders if such increase is funded solely by (x) equity investments directly or indirectly in the Lead Borrower, all of which investments, if any, shall be made in cash (or in the case of members of management, by way of exchange of equity in Holdings or any direct or indirect parent thereof) in the form of common equity or preferred equity on terms and conditions reasonably acceptable to the Amendment No. 1 Lead Arrangers, the cash proceeds of which shall be contributed to the Lead Borrower in cash as common equity and/or (y) borrowings under the ABL Credit Agreement and (c) any reduction or increase in the purchase price shall be deemed not to be materially adverse to the 2017 Additional Term Loan Lenders if such reduction or increase is pursuant to any purchase price adjustment provisions, without limitation, working capital adjustments, set forth in the FCI Acquisition Agreement (as in effect on the date hereof).

(ii) FCI shall have repaid in full all Indebtedness outstanding under that certain Amended and Restated Loan Agreement, dated as of October 28, 2013, by and between FCI and Capital One, N.A., as lender (as amended on October 16, 2015 and as further amended, restated, supplemented or modified prior to the date hereof, the “FCI Existing Credit Agreement”), together with all accrued but unpaid interest, fees and other amounts owing thereunder (other than contingent indemnification obligations not yet due and payable) and (i) all commitments to lend or make other extensions of credit thereunder shall have been terminated and (ii) all security interests in respect of, and Liens securing, the Indebtedness and other obligations thereunder created pursuant to the security documentation relating thereto shall have been terminated and released (or arrangements therefor reasonably satisfactory to the Administrative Agent shall have been made), and the Administrative Agent shall have received all such releases as may have been reasonably requested by the Administrative Agent, including, without limiting the foregoing, (a) proper termination statements (Form UCC-3 or the appropriate equivalent) for filing under the UCC or equivalent statute or regulation of each jurisdiction where a financing statement or application for registration (Form UCC-1 or the appropriate equivalent) was filed with respect to FCI in connection with the security interests created with respect to the FCI Existing Credit Agreement and (b) terminations or reassignments of any security interest in, or Lien on, any patents, trademarks, copyrights, or similar interests of FCI.

(l) **FCI Joinders.** On or prior to the Amendment Effective Date, the Administrative Agent shall have received appropriate joinder documentation to each of the following documents, in each case duly executed and delivered by FCI:

(o) **Fees and Expenses.** On the Amendment Effective Date, the Borrowers shall have paid to the Administrative Agent, the Amendment No. 1 Lead Arrangers and the 2017 Additional Term Loan Lenders all costs, fees and expenses (including, without limitation, legal fees and expenses) to the extent invoiced at least five (5) Business Days prior to the Amendment Effective Date and any other compensation payable to the Administrative Agent, the Amendment No. 1 Lead Arrangers and the Additional Term Loan Lenders or otherwise payable in respect of the 2017 Amendment Transactions to the extent then due.

(p) **Compliance with the Credit Agreement.** After giving effect to the 2017 Amendment Transactions, the Lead Borrower shall be in compliance with the Requirements of Section 2.15 of the Credit Agreement, subject to Section 1.03 thereof, and Section 2.15 of the First Lien Credit Agreement, subject to Section 1.03 thereof.

Section 5.02 **Effects of this Amendment**

(a) Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Administrative Agent under the existing Credit Agreement or any other Credit Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the existing Credit Agreement or any other provision of the existing Credit Agreement or of any other Credit Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. This Amendment shall not constitute a novation of the Credit Agreement as in effect immediately prior to giving effect hereto or any of the Credit Documents. Except as expressly set forth herein, nothing herein shall be deemed to be a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Credit Document in similar or different circumstances.

(b) From and after the Amendment Effective Date, each reference in the Credit Agreement to “this Agreement”, “hereunder”, “hereof”, “herein”, or words of like import, and each reference to the “Credit Agreement” in any other Credit Document shall in each case be deemed a reference to the Amended Credit Agreement as amended hereby. This Amendment shall constitute a “Credit Document” for all purposes of the Credit Agreement and the other Credit Documents.

ARTICLE VI
ACKNOWLEDGMENTS OF 2017 ADDITIONAL TERM LOAN LENDERS

Section 6.01 Acknowledgment of 2017 Additional Term Loan Lenders. Each 2017 Additional Term Loan Lender expressly acknowledges that neither any of the Agents nor any of their respective Affiliates nor any of their respective officers, directors, employees, agents or attorneys in fact have made any representations or warranties to it and that no act by any Agent or such other Person hereafter taken, including any review of the affairs of a Credit Party or any affiliate of a Credit Party, shall be deemed to constitute any representation or warranty by any Agent or any such other Person to such 2017 Additional Term Loan Lender. Each 2017 Additional Term Loan Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Credit Parties and their Affiliates and made its own decision to provide its 2017 Additional Term Loans hereunder and enter into this Amendment, the Amended Credit Agreement and to any other Credit Document to which such 2017 Additional Term Loan Lender shall become a party. Each 2017 Additional Term Loan Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under the Amended Credit Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Credit Parties and their affiliates. Each 2017 Additional Term Loan Lender hereby (a) confirms that it has received a copy of the Amended Credit Agreement and each other Credit Document and such other documents (including financial statements) and information as it deems appropriate to make its decision to enter into this Amendment and the other Credit Documents to which such 2017 Additional Term Loan Lender shall be a party, (b) agrees that it shall be bound by the terms of the Amended Credit Agreement and the other Credit Documents as a Lender thereunder and that it will perform in accordance with their terms all of the obligations which by the terms of such Credit Documents are required to be performed by it as a Lender and (c) irrevocably designates and appoints the Agents as the agents of such 2017 Additional Term Loan Lender under the Amended Credit Agreement and the other Credit Documents, and such 2017 Additional Term Loan Lender irrevocably authorizes each Agent, in such capacity, to take such action on its behalf under the provisions of the Amended Credit Agreement and the other Credit Documents and to exercise such powers and perform such duties as are delegated to such Agent by the terms of the Amended Credit Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto.

ARTICLE VII
REAFFIRMATION

Section 7.01 Reaffirmation. By signing this Amendment, each Credit Party hereby confirms that (a) notwithstanding the effectiveness of this Amendment and the transactions contemplated hereby, the obligations of such Credit Parties under the Amended Credit Agreement (including with respect to the 2017 Additional Term Loans contemplated by this Agreement) and the other Credit Documents (i) are entitled to the benefits of the guarantees and the security interests set forth or created in the Amended Credit Agreement, the Security Agreement, the other Security Documents and the other Credit Documents, (ii) constitute “Guaranteed Obligations” and “Obligations” for purposes of the Amended Credit Agreement, the Security Agreement, the other Security Documents and all other Credit Documents, (iii) each Guarantor hereby confirms and ratifies its continuing unconditional obligations as Guarantor under the Credit Agreement as amended hereby with respect to all of the Guaranteed Obligations and (iv) each Credit Document to which such Credit Party is a party is, and shall continue to
be, in full force and effect and is hereby ratified and confirmed in all respects and shall remain in full force and effect according to its terms (in the case of the Credit Agreement, as amended hereby) and (b) each 2017 Additional Term Loan Lender shall be a “Secured Creditor” and a “Lender” (including without limitation for purposes of the definition of “Required Lenders” contained in Section 1.01 of the Amended Credit Agreement) for all purposes of the Amended Credit Agreement and the other Credit Documents. Each Credit Party ratifies and confirms that all Liens granted, conveyed, or assigned to any Agent by such party pursuant to any Credit Document to which it is a party remain in full force and effect, are not released or reduced, and continue to secure full payment and performance of the Obligations as increased hereby.

ARTICLE VIII
JOINDER TO CREDIT AGREEMENT

Section 8.01 Joinder to Credit Agreement. By signing this Amendment, FCI hereby acknowledges that it has received and reviewed a copy of the Credit Agreement, and hereby (a) joins in the execution of, and becomes a Subsidiary Borrower under, the Credit Agreement with the same force as if it were originally a signatory thereto, (b) agrees to all the terms and provisions of the Credit Agreement applicable to it as a “Subsidiary Borrower” and “Borrower” thereunder and (c) represents and warrants that the representations and warranties made by it as a Borrower thereunder are true and correct in all material respects (except that any representation and warranty that is qualified as to “materiality” or “Material Adverse Effect” shall be true and correct in all respects) on and as of the date hereof. Each reference to a “Subsidiary Borrower” or a “Borrower” in the Credit Agreement shall be deemed to include FCI, as a Subsidiary Borrower thereunder.

ARTICLE IX
MISCELLANEOUS

Section 9.01 Entire Agreement. This Amendment, the Credit Agreement and the other Credit Documents constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties hereto with respect to the subject matter hereof. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of any party under, the Credit Agreement, nor alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement, all of which are ratified and affirmed in all respects and shall continue in full force and effect. It is understood and agreed that each reference in each Credit Document to the Credit Agreement, whether direct or indirect, shall hereafter be deemed to be a reference to the Credit Agreement as amended hereby and that this Amendment is a Credit Document.

Section 9.02 Miscellaneous Provisions. The provisions of Sections 13.08 and 13.23 of the Amended Credit Agreement are hereby incorporated by reference and apply mutatis mutandis hereto.

Section 9.03 Severability. If any provision of this Amendment is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Amendment shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.04 Counterparts. This Amendment may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall constitute an original, but all of which, when taken together, shall constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Lead Borrower and the Administrative Agent.
Section 9.05 **Headings.** The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

Section 9.06 **Certain Tax Matters.** The parties hereto agree to treat the 2017 Additional Term Loans to be issued pursuant to this Amendment as fungible for U.S. federal income tax purposes with the Initial Term Loans outstanding under the Credit Agreement immediately prior to the effectiveness of this Amendment.

All references herein to Sections, paragraphs, clauses, subclauses, Exhibits and Schedules shall be deemed references to Sections, paragraphs, clauses and subclauses of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. Unless otherwise expressly provided herein, (a) all references to documents, instruments and other agreements (including the Credit Documents and organizational documents) shall be deemed to include all subsequent amendments, restatements, amendments and restatements, supplements and other modifications thereto, but only to the extent that such amendments, restatements, amendments and restatements, supplements and other modifications are not prohibited by any Credit Document and (b) references to any law, statute, rule or regulation shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such law. 1.03 Limited Condition Transactions. Notwithstanding anything to the contrary in this Agreement, in connection with any action being taken in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, including the Consolidated First Lien Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio and Consolidated Total Net Leverage Ratio (and, for the avoidance of doubt, any financial ratio set forth in Section 2.15(a)); or

(ii) testing availability under baskets set forth in this Agreement (including baskets determined by reference to Consolidated EBITDA or Consolidated Total Assets); or

(iii) determining other compliance with this Agreement (including the determination that no Default or Event of Default (or any type of Default or Event of Default) has occurred, is continuing or would result therefrom);

in each case, at the option of the Lead Borrower (the Lead Borrower’s election to exercise such option in connection with any Limited Condition Transaction, an “LCT Election”), the date of determination of whether any such action is permitted hereunder shall be made (1) in the case of any acquisition (including by way of merger) or similar Investment (including the assumption or incurrence of Indebtedness in connection therewith), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition or Investment or (y) the consummation of such acquisition or Investment, (2) in the case of any Dividend, at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) (x) the declaration of such Dividend or (y) the
making of such Dividend and (3) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 10.07(a), at the time of (or on the basis of the Section 9.01 Financials for the most recently ended Test Period at the time of) (x) delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment or redemption or acquisition of such Indebtedness or (y) the making of such voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness (the “LCT Test Date”), and if, for the Limited Condition Transaction (and the other transactions to be entered into in connection therewith), the Lead Borrower or any of its Restricted Subsidiaries would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Lead Borrower has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would have failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Total Assets of the Lead Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have failed to have been complied with as a result of such fluctuations. If the Lead Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Dividends, the making of any Permitted Investment, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Lead Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (each, a “Subsequent Transaction”) following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or irrevocable notice for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

Section 2. Amount and Terms of Credit

2.01 The Commitments

(a) (i) On the Closing Date, certain Lenders made Initial Term Loans to the Borrowers, which Initial Term Loans (i) were incurred by the Borrowers pursuant to a single drawing on the Closing Date, (ii) were denominated in U.S. Dollars, (iii) were and shall be, except as hereinafter provided, at the option of the Lead Borrower, incurred and maintained as, and/or converted into, one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans, provided that except as otherwise specifically provided in Section 2.10(b), all Initial Term Loans comprising the same Borrowing shall at all times be of the same Type.

(ii) Subject to and upon the terms and conditions set forth herein and in Amendment No. 1, each Lender with an Initial Term Loan Commitment severally agrees to make an Initial Term Loan or Initial Term Loans to the Borrowers, which Initial Term Loans (i) shall be incurred by the Borrowers pursuant to a single drawing on the Closing Date, (ii) shall be denominated in U.S. Dollars, (iii) shall except as hereinafter provided, at the option of the Lead Borrower, be incurred and maintained as, and/or converted into, one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans, provided that except as otherwise specifically provided in Section 2.10(b), all Initial Term Loans comprising the same Borrowing shall at all times be of the same Type, and (iv) shall be made by each such Lender in that aggregate principal amount which does not exceed the Initial Additional Term Loan Commitment of such Lender on the Closing Amendment No. 1 Effective Date (before giving effect to the termination thereof pursuant to Section 4.02(a)). Once repaid, Initial Term Loans may not be reborrowed. All Borrowers shall be jointly and severally liable as borrowers for all Term Loans regardless of which Borrower receives the proceeds thereof.

(b) Subject to and upon the terms and conditions set forth herein, each Lender with an Incremental Term Loan Commitment from time to time severally agrees to make term loans (each, an “Incremental Term Loan” and, collectively, the “Incremental Term Loans”) to the Borrowers, which Incremental Term Loans (i) shall be
incurred pursuant to a single drawing on the applicable Incremental Term Loan Borrowing Date, (ii) shall be denominated in U.S. Dollars, (iii) shall, except as hereinafter provided, at the option of the Lead Borrower, be incurred and maintained as, and/or converted into one or more Borrowings of Base Rate Term Loans or LIBO Rate Term Loans; provided that all Incremental Term Loans of a given Tranche made as part of the same Borrowing shall at all times consist of Incremental Term Loans of the same Type, and (iv) shall not exceed for any such Incremental Term Loan Lender at any time of any incurrence thereof, the Incremental Term Loan Commitment of such Incremental Term Loan Lender for such Tranche (before giving effect to the termination thereof on such date pursuant to Section 4.02(b)). Once repaid, Incremental Term Loans may not be reborrowed.

2.02 Minimum Amount of Each Borrowing. The aggregate principal amount of each Borrowing of Term Loans under any Tranche shall not be less than the Minimum Borrowing Amount. More than one Borrowing may occur on the same date, but at no time shall there be outstanding more than eight (8) Borrowings of LIBO Rate Term Loans in the aggregate for all Tranches of Term Loans.

2.03 Notice of Borrowing. Whenever the Borrowers desire to make a Borrowing of Term Loans hereunder, the Lead Borrower shall give the Administrative Agent at its Notice Office at least one Business Day’s prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Base Rate Term Loans to be made hereunder and at least three Business Days’ (or such shorter period as the Administrative Agent shall agree in its sole and absolute discretion) prior written notice (or telephonic notice promptly confirmed in writing) of each LIBO Rate Term Loan to be made hereunder, provided that (in each case) any such notice shall be deemed to have been given on a certain day only if given before 12:00 Noon (New York City time) on such day (or such later time as the Administrative Agent shall agree in its sole and absolute discretion); provided further that the Borrowing of the 2017 Additional Term Loans on the Amendment No. 1 Effective Date, if the Borrowers wish to request LIBO Rate Loans having an Interest Period other than one, two, three or six months in duration as provided in the definition of “Interest Period,” the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to each Lender with a Commitment of the relevant Tranche of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Lead Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by such Lenders. Each such notice (each, a “Notice of Borrowing”), except as otherwise expressly provided in Section 2.11, shall be irrevocable and shall be in writing, or by telephone promptly confirmed in writing by or on behalf of the Borrowers, in the form of Exhibit A-1 or such other form as may be approved by the Administrative Agent including any form on an electronic platform or electronic transmission as shall be approved by the Administrative Agent, appropriately completed by a Responsible Officer of the relevant Borrower, appropriately completed to specify: (i) the aggregate principal amount of the Term Loans to be made pursuant to such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) whether the respective Borrowing shall consist of Initial Term Loans, Incremental Term Loans or Refinancing Term Loans, (iv) whether the Term Loans being made pursuant to such Borrowing are to be initially maintained as Base Rate Term Loans or LIBO Rate Term Loans and (v) in the case of LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender of the Tranche specified in the respective Notice of Borrowing, notice of such proposed Borrowing, of such Lender’s proportionate share thereof (determined in accordance with Section 2.07) and of the other matters required by the immediately preceding sentence to be specified in the Notice of Borrowing.

2.04 Disbursement of Funds. No later than 1:00 P.M. (New York City time) on the date specified in each Notice of Borrowing, each Lender with a Commitment of the relevant Tranche will make available its pro rata portion (determined in accordance with Section 2.07) of each such Borrowing requested to be made on such date. All such amounts will be made available in U.S. Dollars and in immediately available funds at the Payment Office, and the Administrative Agent will make available to the Borrowers at the Payment Office the aggregate of the amounts so made available by the Lenders. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent such Lender’s portion of any Borrowing to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing and the Administrative Agent may (but shall not be obligated to), in reliance upon such assumption, make available to the Borrowors a corresponding amount. If such corresponding amount is not in fact made available to the
Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent shall promptly notify the Lead Borrower and the Borrowers shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrowers interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrowers until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking rules on interbank compensation and (ii) if recovered from the Borrowers, the rate of interest applicable to the relevant Borrowing, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Term Loans hereunder or to prejudice any rights which the Borrowers may have against any Lender as a result of any failure by such Lender to make Term Loans hereunder.

2.05 Notes.

(a) Each Borrower’s obligation to pay the principal of, and interest on, the Term Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 13.15 and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrowers substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a “Term Note”).

(b) Each Lender will note on its internal records the amount of each Term Loan made by it and each payment in respect thereof and prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Term Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrowers’ obligations in respect of such Term Loans.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Term Loans to the Borrowers shall affect or in any manner impair the joint and several obligations of the Borrowers to pay the Term Loans (and all related Obligations) incurred by the Borrowers which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guarantees therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Term Loans shall in no event be required to make the notations otherwise described in the preceding clause (d). At any time when any Lender requests the delivery of a Note to evidence any of its Term Loans, the Borrowers shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Term Loans.

2.06 Interest Rate Conversions. The Borrowers shall have the option to convert, on any Business Day, all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans of a given Tranche made pursuant to one or more Borrowings of one or more Types of Term Loans, into a Borrowing (of the same Tranche) of another Type of Term Loan, provided that (i) except as otherwise provided in Section 2.11, (x) LIBO Rate Term Loans may be converted into Base Rate Term Loans only on the last day of an Interest Period applicable to the Term Loans being converted and no such partial conversion of LIBO Rate Term Loans, as the case may be, shall reduce the outstanding principal amount of such LIBO Rate Term Loans, made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) unless the Required Lenders otherwise agree, Base Rate Term Loans may only be converted into LIBO Rate Term Loans if no Event of Default is in existence on the date of the conversion, and (iii) no conversion pursuant to this Section 2.06 shall result in a greater number of Borrowings of LIBO Rate Term Loans than is permitted under Section 2.02. Such conversion shall be effected by the Lead Borrower by giving the Administrative Agent at the Notice Office prior to 12:00 Noon (New York City time) at least three Business Days’ prior notice (in the case of any conversion to or continuation of LIBO Rate Term Loans) or one Business Day’s notice (in the case of any conversion to Base Rate Term Loans) (each, a “Notice of Conversion/Continuation”) in the form of Exhibit A-2, appropriately completed to specify the Term Loans of a given Tranche to be so converted, the Borrowing or Borrowings pursuant to which such Term Loans were incurred and, if to be converted into LIBO Rate Term Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Lender prompt notice of any such proposed conversion affecting any of its Term Loans.
2.07 Pro Rata Borrowings. All Borrowings of Term Loans under this Agreement shall be incurred from the Lenders pro rata on the basis of such Lenders' Commitments as the case may be. No Lender shall be responsible for any default by any other Lender of its obligation to make Term Loans hereunder, and each Lender shall be obligated to make the Term Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Term Loans hereunder.

2.08 Interest.

(a) Each Borrower agrees, jointly and severally, to pay interest in respect of the unpaid principal amount of each Base Rate Term Loan (including with respect to any LIBO Rate Term Loan converted into a Base Rate Term Loan pursuant to Section 2.06 or 2.09) made to the Borrowers hereunder from the date of Borrowing thereof (or, in the circumstances described in the immediately preceding parenthetical, from the date of conversion of the respective LIBO Rate Term Loan into a Base Rate Term Loan) until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such Base Rate Term Loan to a LIBO Rate Term Loan pursuant to Section 2.06 or 2.09, as applicable, at a rate per annum which shall be equal to the sum of the Applicable Margin plus the Base Rate, as in effect from time to time.

(b) Each Borrower agrees, jointly and severally, to pay interest in respect of the unpaid principal amount of each LIBO Rate Term Loan made to the Borrowers from the date of Borrowing thereof until the earlier of (i) the maturity thereof (whether by acceleration or otherwise) and (ii) the conversion of such LIBO Rate Term Loan to a Base Rate Term Loan pursuant to Section 2.06, 2.09 or 2.10, as applicable, at a rate per annum which shall, during each Interest Period applicable thereto, be equal to the sum of the Applicable Margin plus the applicable LIBO Rate for such Interest Period.

(c) Upon the occurrence and during the continuance of any Event of Default under Section 11.01, (x) overdue principal and, to the extent permitted by law, overdue interest in respect of each Term Loan shall bear interest at a rate per annum equal to (i) for Base Rate Term Loans and associated interest, 2.00% per annum in excess of the Applicable Margin for Base Rate Term Loans plus the Base Rate, (ii) for LIBO Rate Term Loans and associated interest, 2.00% per annum in excess of the Applicable Margin for LIBO Rate Term Loans plus the LIBO Rate and (y) overdue amounts with respect to fees shall bear interest at a rate per annum equal to 2.00% per annum in excess of the Applicable Margin for Base Rate Term Loans plus the Base Rate, each as in effect from time to time, in each case with such interest to be payable on demand.

(d) Accrued (and theretofore unpaid) interest shall be calculated daily and payable (i) on each Interest Payment Date and (ii) on (w) the date of any conversion of a LIBO Rate Term Loan to a Base Rate Term Loan (on the amount so converted) prior to the last day of the Interest Period applicable thereto, (x) the date of any prepayment or repayment thereof (on the amount prepaid or repaid), (y) at maturity (whether by acceleration or otherwise) and (z) after such maturity, on demand.

(e) Upon each Interest Determination Date, the Administrative Agent shall determine the LIBO Rate for each Interest Period applicable to the respective LIBO Rate Term Loans and shall promptly notify the Lead Borrower and the Lenders thereof. Each such determination shall, absent manifest error, be final and conclusive and binding on all parties hereto.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate at times when the Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.
2.09 Interest Periods. At the time the Lead Borrower gives any Notice of Borrowing or Notice of Conversion/Continuation in respect of the making of, or conversion into, any LIBO Rate Term Loan (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to such LIBO Rate Term Loan (in the case of any subsequent Interest Period), the Lead Borrower shall have the right to elect the interest period (each, an "Interest Period") applicable to such LIBO Rate Term Loan, which Interest Period shall, at the option of the Lead Borrower be a one, two, three or six month period, or, if agreed to by all Lenders, a twelve month period, or, if agreed to by the Administrative Agent a period less than one month; provided that (in each case):

(i) all LIBO Rate Term Loans comprising a Borrowing shall at all times have the same Interest Period;

(ii) the initial Interest Period for any LIBO Rate Term Loan shall commence on the date of Borrowing of such LIBO Rate Term Loan (including, in the case of LIBO Rate Term Loans, the date of any conversion thereto from a Borrowing of Base Rate Term Loans and each Interest Period occurring thereafter in respect of such LIBO Rate Term Loan shall commence on the day on which the next preceding Interest Period applicable thereto expires;

(iii) if any Interest Period for a LIBO Rate Term Loan begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

(iv) if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided, however, that if any Interest Period for a LIBO Rate Term Loan would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(v) unless the Required Lenders otherwise agree, no Interest Period for a LIBO Rate Term Loan may be selected at any time when a Default or an Event of Default is then in existence; and

(vi) no Interest Period in respect of any Borrowing of any Tranche of Term Loans shall be selected which extends beyond the Maturity Date therefor.

Notwithstanding the foregoing or anything to the contrary contained in this Agreement, (a) the initial Borrowing of the 2017 Additional Term Loans on the Amendment No. 1 Effective Date shall be a LIBO Rate Term Loan and (b) the Interest Period with respect to such 2017 Additional Term Loans shall commence on the Amendment No. 1 Effective Date and shall end on June 30, 2017 with the "LIBO Rate" equal to 1.044670% for such Interest Period.

With respect to any LIBO Rate Term Loans, at the end of any Interest Period applicable to a Borrowing thereof, the Lead Borrower may elect to split the respective Borrowing of a single Type under a single Tranche into two or more Borrowings of different Types under such Tranche or combine two or more Borrowings under a single Tranche into a single Borrowing of the same Type under such Tranche, in each case, by having the Lead Borrower give notice thereof together with its election of one or more Interest Periods, in each case so long as each resulting Borrowing (x) has a principal amount which is not less than the Minimum Borrowing Amount applicable to Borrowings of the respective Type and Tranche, and (y) does not cause a violation of the requirements of Section 2.02. If by 12:00 Noon (New York City time) on the third Business Day prior to the expiration of any Interest Period applicable to a Borrowing of LIBO Rate Term Loans, the Lead Borrower has failed to elect, or is not permitted to elect, a new Interest Period to be applicable to such LIBO Rate, the Lead Borrower shall be deemed to have elected in the case of LIBO Rate Term Loans, to convert such LIBO Rate Term Loans into Base Rate Term Loans with such conversion to be effective as of the expiration date of such current Interest Period.

2.10 Increased Costs, Illegality, etc.
(a) In the event that any Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto but, with respect to clause (i) below, may be made only by the Administrative Agent):

(i) on any Interest Determination Date that, by reason of any changes arising after the date of this Agreement affecting the interbank Eurodollar market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBO Rate;

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBO Rate Term Loan because of any change since the Closing Date in any applicable law or governmental rule, regulation, order, guideline or request (whether or not having the force of law) or in the official interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, order, official guideline or request, such as, but not limited to: (A) any additional Tax imposed on any Lender (except Indemnified Taxes or Other Taxes indemnified under Section 5.04 or any Excluded Taxes) or (B) a change in official reserve requirements, but, in all events, excluding reserves required under Regulation D to the extent included in the computation of the LIBO Rate; or

(iii) at any time, that the making or continuance of any LIBO Rate Term Loan has been made (x) unlawful by any law or governmental rule, regulation or order, (y) impossible by compliance by any Lender in good faith with any governmental request (whether or not having force of law) or (z) impracticable as a result of a contingency occurring after the Closing Date which materially and adversely affects the interbank Eurodollar market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall promptly give notice (by telephone promptly confirmed in writing) to the Lead Borrower and, except in the case of clause (i) above, to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBO Rate Term Loans shall no longer be available until such time as the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion/Continuation given by the Lead Borrower with respect to LIBO Rate Term Loans which have not yet been incurred (including by way of conversion) shall be deemed rescinded by the Borrowers, (y) in the case of clause (ii) above, the Borrowers agree, jointly and severally, to pay to such Lender, upon such Lender’s written request therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts received or receivable hereunder (a written notice setting forth the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, shall be submitted to the Borrowers by such Lender and shall, absent manifest error, be final and conclusive and binding on all the parties hereto), (z) in the case of clause (iii) above, the Borrowers shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any LIBO Rate Term Loan is affected by the circumstances described in Section 2.10(a)(ii), the Lead Borrower may, and in the case of a LIBO Rate Term Loan affected by the circumstances described in Section 2.10(a)(iii), the Lead Borrower shall, either (x) if the affected LIBO Rate Term Loan is then being made initially or pursuant to a conversion, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed in writing) on the same date that the Lead Borrower was notified by the affected Lender or the Administrative Agent pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected LIBO Rate Term Loan is then outstanding, upon at least three Business Days’ written notice to the Administrative Agent, require the affected Lender to convert such LIBO Rate Term Loan into a Base Rate Term Loan, provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.10(b).

(c) If any Lender determines that after the Closing Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital or liquidity requirements, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital or liquidity required or expected to be maintained by such Lender or any corporation
controlling such Lender based on the existence of such Lender’s Commitments hereunder or its obligations hereunder, then the Borrowers, jointly and severally, agree to pay to such Lender, upon its written demand therefor, such additional documented amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender’s determination of compensation owing under this Section 2.10(c), shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Lead Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

(d) Notwithstanding anything in this Agreement to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, in each case pursuant to Basel III (x) and (y) collectively referred to as “Dodd-Frank and Basel III”), shall be deemed to be a change after the Closing Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented (including for purposes of this Section 2.10).

Notwithstanding the above, a Lender will not be entitled to demand compensation for any increased cost or reduction set forth in this Section 2.10 at any time if it is not the general practice and policy of such Lender to demand such compensation from similarly situated borrowers in similar circumstances at such time.

2.11 Compensation. The Borrowers, jointly and severally, agree to compensate each Lender, upon its written request (which request shall set forth in reasonable detail the basis for requesting such compensation and the calculation of the amount of such compensation), for all losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason of the liquidation or reemployment of deposits or other funds required by such Lender to fund its LIBO Rate Term Loans but excluding loss of anticipated profits (and without giving effect to the minimum “LIBO Rate”)) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or the Administrative Agent) a Borrowing of, or conversion from or into, LIBO Rate Term Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion/Continuation; (ii) if any prepayment or repayment (including any prepayment or repayment made pursuant to Section 5.01, Section 5.02 or as a result of an acceleration of the Term Loans pursuant to Section 11) or conversion of any of its LIBO Rate Term Loans occurs on a date which is not the last day of an Interest Period with respect thereto; (iii) if any prepayment of any LIBO Rate Term Loans is not made on any date specified in a notice of prepayment given by the Lead Borrower, or (iv) as a consequence of any other default by the Borrowers to repay LIBO Rate Term Loans when required by the terms of this Agreement or any Note held by such Lender.

2.12 Change of Lending Office. Each Lender agrees that on the occurrence of any event giving rise to the operation of Section 2.10(a)(i)(iii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender, it will, if requested by the Lead Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Term Loans affected by such event, provided that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in Sections 2.10, 5.04 and 13.01(a)(ii).

2.13 Replacement of Lenders. (x) If any Lender becomes a Defaulting Lender, (y) upon the occurrence of an event giving rise to the operation of Section 2.10(a)(ii) or (iii), Section 2.10(c) or Section 5.04 or Section 13.01(a)(ii) with respect to such Lender or (z) in the case of a refusal by a Lender to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which has been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), the Lead Borrower shall have the right, if no Event of Default then exists (or, in the case of preceding clause (z), will exist immediately after giving effect to such replacement), to replace such Lender (the “Replaced Lender”) with one or more other Eligible Transferees, none of whom shall constitute a Defaulting Lender at the time of such replacement (collectively, the “Replacement Lender”).
and each of whom shall be required to be reasonably acceptable to the Administrative Agent (to the extent the Administrative Agent’s consent would be required for an assignment to such Replacement Lender pursuant to Section 2.13); provided that (i) at the time of any replacement pursuant to this Section 2.13, the Replacement Lender shall enter into one or more Assignment and Assumption Agreements pursuant to Section 2.13(b) (and with all fees payable pursuant to said Section 2.13(b) to be paid by the Replacement Lender and/or the Replaced Lender (as may be agreed to at such time by and among the Lead Borrower, the Replacement Lender and the Replaced Lender) pursuant to which the Replacement Lender shall acquire all of the Commitments and outstanding Term Loans of, the Replaced Lender and, in connection therewith, shall pay to (x) the Replaced Lender in respect thereof an amount equal to the sum of (I) an amount equal to the principal of, and all accrued interest on, all outstanding Term Loans of the respective Replaced Lender under each Tranche with respect to which such Replaced Lender is being replaced and (II) an amount equal to all accrued, but not yet paid, Fees owing to the Replaced Lender pursuant to Section 4.01 and (ii) all obligations of the Borrowers due and owing to the Replaced Lender at such time (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full in such Replaced Lender concurrently with such replacement. Upon receipt by the Replaced Lender of all amounts required to be paid to it pursuant to this Section 2.13, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption Agreement on behalf of such Replaced Lender, and any such Assignment and Assumption Agreement so executed by the Administrative Agent and the Replacement Lender shall be effective for purposes of this Section 2.13 and Section 2.14. Upon the execution of the respective Assignment and Assumption Agreement, the payment of amounts referred to in clauses (i) and (ii) above, recordation of the assignment on the Register pursuant to Section 2.13 and, if so requested by the Replacement Lender, delivery to the Replacement Lender of the appropriate Note or Notes executed by the Borrowers, (x) the Replacement Lender shall become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 2.10, 2.11, 5.04, 12.07 and 13.01), which shall survive as to such Replaced Lender with respect to facts and circumstances occurring prior to the effective date of such replacement. In connection with any replacement of Lenders pursuant to, and as contemplated by, this Section 2.13, each Borrower hereby irrevocably authorizes Holdings to take all necessary action, in the name of such Borrower, as described above in this Section 2.13 in order to effect the replacement of the respective Lender or Lenders in accordance with the preceding provisions of this Section 2.13.

2.14 Extended Term Loans

(a) Notwithstanding anything to the contrary in this Agreement, subject to the terms of this Section 2.14, the Lead Borrower may at any time and from time to time when no Event of Default then exists request that all or a portion of the Initial Term Loans, the Extended Term Loans or any Tranche of Incremental Term Loans (each, an “Existing Initial Term Loan Tranche,” “Existing Extended Term Loan Tranche” and “Existing Incremental Term Loan Tranche,” respectively), together with any related outstanding, be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or any portion of the principal amount (and related outstandings) of such Initial Term Loans, Extended Term Loans or Incremental Term Loans (any such Term Loans which have been so converted, “Extended Initial Term Loans,” “Extended Existing Term Loans” and “Extended Incremental Term Loans,” respectively) and to provide for other terms consistent with this Section 2.14. In order to establish any Extended Term Loans, the Lead Borrower shall provide a notice to the Administrative Agent who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Tranche (each, an “Extension Request”) setting forth the proposed terms of the Extended Term Loans to be established, which shall (x) be identical as offered to each Lender under the relevant Existing Term Loan Tranche (including as to the proposed interest rates and fees payable) and (y) be identical to the Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans are to be converted, except that: (i) all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization payments of principal of the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (ii) the Effective Yield with respect to the Extended Term Loans (whether in the form of interest rate margin, upfront fees, original issue discount or otherwise) may be different than the Effective Yield for the Term Loans of such Existing Term Loan Tranche to the extent provided in the applicable Extension Amendment; (iii) the Extension Amendment may provide for other covenants and terms that apply solely to any period after the Latest Maturity Date that is in effect on the effective date of the applicable Extension Amendment (immediately prior to the establishment of such Extended Term Loans); (iv) Extended Term Loans may have mandatory prepayment terms which provide for the application of proceeds from mandatory prepayment events.
to be made first to prepay the Term Loans under the Existing Term Loan Tranche from which such Extended Term Loans have been converted before applying any such proceeds to prepay such Extended Term Loans; and (v) Extended Term Loans may have optional prepayment terms (including call protection and terms which allow Term Loans under the relevant Existing Term Loan Tranche from which such Extended Term Loans have been converted to be optionally prepaid prior to the prepayment of such Extended Term Loans) as may be agreed by the Lead Borrower and the Lenders thereof; provided that no Extended Term Loans may be optionally prepaid prior to the date on which all Term Loans with an earlier final stated maturity (including Term Loans under the Existing Term Loan Tranche from which such Term Loans were converted) are repaid in full, unless such optional prepayment is accompanied by a pro rata optional prepayment of such other Term Loans; provided, however, that (A) in no event shall the final maturity date of any Extended Term Loans of a given Extension Series at the time of establishment thereof be earlier than the then Latest Maturity Date of any other Term Loans hereunder and (B) the Weighted Average Life to Maturity of any Extended Term Loans of a given Extension Series at the time of establishment thereof shall be no shorter than the remaining Weighted Average Life to Maturity of any other Tranche of Term Loans then outstanding. Any Extended Term Loans converted pursuant to any Extension Request shall be designated a series (each, an “Extension Series”) of Extended Term Loans, as applicable, for all purposes of this Agreement; provided that any Extended Term Loans converted from an Existing Term Loan Tranche may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Extension Series with respect to such Existing Term Loan Tranche.

(b) [Reserved]

c) The Lead Borrower shall provide the applicable Extension Request at least ten (10) Business Days prior to the date on which Lenders under the Existing Term Loan Tranche are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.14. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Tranche converted into Extended Term Loans pursuant to any Extension Request. Any Lender (each, an “Extending Term Loan Lender”) wishing to have all or a portion of its Term Loans under the Existing Term Loan Tranche subject to such Extension Request converted into Extended Term Loans shall notify the Administrative Agent (each, an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans under the Existing Term Loan Tranche which it has elected to request be converted into Extended Term Loans (subject to any minimum denomination requirements imposed by the Administrative Agent). Any Lender that does not respond to the Extension Request on or prior to the date specified therein shall be deemed to have rejected such Extension Request. In the event that the aggregate principal amount of Term Loans under the applicable Existing Term Loan Tranche exceeds the amount of Extended Term Loans requested pursuant to such Extension Request, Term Loans of such Existing Term Loan Tranche, subject to such Extension Elections shall either (i) be converted to Extended Term Loans of such Existing Term Loan Tranche on a pro rata basis based on the aggregate principal amount of Term Loans of such Existing Term Loan Tranche included in such Extension Elections or (ii) to the extent such option is expressly set forth in the applicable Extension Request, be converted to Extended Term Loans upon an increase in the amount of Extended Term Loans so that such excess does not exist.

d) Extended Term Loans shall be established pursuant to an amendment (each, an “Extension Amendment”) to this Agreement among the Borrowers, the Administrative Agent and each Extending Term Loan Lender providing an Extended Term Loan thereunder, which shall be consistent with the provisions set forth in Section 2.14(a) above (but which shall not require the consent of any other Lender). The Administrative Agent shall promptly notify each relevant Lender as to the effectiveness of each Extension Amendment. After giving effect to the Extension, the Initial Term Loan Commitments so extended shall cease to be a part of the Tranche they were a part of immediately prior to the Extension.

e) Extensions consummated by the Borrowers pursuant to this Section 2.14 shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement. The Administrative Agent and the Lenders hereby consent to each Extension and the other transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest or fees in respect of any Extended Term Loans on such terms as may be set forth in the applicable Extension Request) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02, 5.03, 13.02 or 13.06) or any other Credit Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section 2.14, provided that such consent shall not be deemed to be an acceptance of any Extension Request.
(f) Each of the parties hereto hereby agrees that this Agreement and the other Credit Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of any Extended Term Loans incurred pursuant thereto, (ii) [reserved], (iii) make such other changes to this Agreement and the other Credit Documents consistent with the provisions and intent of Section 13.12(d)(i), (iv) establish new Tranches or sub-Tranches in respect of Term Loans so extended and such technical amendments as may be necessary in connection with the establishment of such new Tranches or sub-Tranches, in each case on terms consistent with this Section 2.14, and (v) affect such other amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.14, and each Lender hereby expressly authorizes the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension, the Credit Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent), to the extent required pursuant to applicable local law.

2.15 Incremental Term Loan Commitments.

(a) The Lead Borrower shall have the right, in consultation and coordination with the Administrative Agent as to all of the matters set forth below in this Section 2.15, but without requiring the consent of any of the Lenders, to request at any time and from time to time that one or more Lenders (and/or one or more other Persons which are Eligible Transferees and which will become Lenders) provide Incremental Term Loan Commitments to the Borrowers and, subject to the terms and conditions contained in this Agreement and in the relevant Incremental Term Loan Commitment Agreement, make Incremental Term Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by the Lead Borrower, (ii) any Lender (including any Eligible Transferee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender, (iii) each Tranche of Incremental Term Loan Commitments shall be denominated in U.S. Dollars, (iv) the amount of Incremental Term Loan Commitments made available pursuant to a given Incremental Term Loan Commitment Agreement shall be in a minimum aggregate amount for all Lenders which provide an Incremental Term Loan Commitment thereunder (including Eligible Transferees who will become Lenders) of at least $25,000,000, (v) the aggregate amount of all Incremental Term Loan Commitments provided pursuant to this Section 2.15 after the Closing Date and all Indebtedness incurred pursuant to Section 10.04(xxvii)(A) shall not exceed the sum of (x) $100,000,000 (the "Second Lien Fixed Dollar Incremental Amount") less the aggregate amount of Indebtedness and commitments incurred under the First Lien Fixed Dollar Incremental Amount, plus (y) the sum of all voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxvii) that ranks pari passu with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.19 or Section 2.20 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary therefor) (in each case other than with the proceeds of long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement)) in each case prior to the date of incurrence of any such Incremental Term Loan Commitments plus (z) an unlimited amount so long as the Consolidated Senior Secured Net Leverage Ratio, determined on a Pro Forma Basis as of such date would not exceed 5.25 to 1.00; (vi) the proceeds of all Incremental Term Loans incurred by the Borrowers may be used for any purpose not prohibited under this Agreement, (vii) each Incremental Term Loan Commitment Agreement shall specifically designate, with the approval of the Administrative Agent, the Tranche of the Incremental Term Loan Commitments being provided thereunder (which Tranche shall be a new Tranche i.e., not the same as any existing Tranche of Incremental Term Loans, Incremental Term Loan Commitments or other Term Loans), unless the requirements of Section 2.15(c) are satisfied), (viii) if to be incurred as a new Tranche of Incremental Term Loans, such Incremental Term Loans shall have the same terms as each other Tranche of Term Loans as in effect immediately prior to the effectiveness of the relevant Incremental Term Loan Agreement, except as to purpose (which is subject to the requirements of preceding clause (vi)) and optional prepayment provisions and mandatory prepayment provisions (which are governed by Section 5.02; provided that each new Tranche of Incremental Term Loans shall be entitled to share in mandatory prepayments on a ratable basis with the other Tranches of Term Loans (unless the holders of the Incremental Term Loans of any Tranche agree to take a lesser
share of any such prepayments)); provided, however, that (I) the maturity and amortization of such Tranche of Incremental Term Loans may differ, so long as such Tranche of Incremental Term Loans shall have (a) a Maturity Date of no earlier than the Latest Maturity Date as of the date such Indebtedness was incurred and (b) a Weighted Average Life to Maturity of no less than the Weighted Average Life to Maturity as then in effect for the Tranche of then outstanding Term Loans with the then longest Weighted Average Life to Maturity, (II) the Effective Yield applicable to such Tranche of Incremental Term Loans may differ from that applicable to the then outstanding Tranches of Term Loans, with the Effective Yield applicable thereto to be specified in the respective Incremental Term Loan Commitment Agreement; provided, however, that if the Effective Yield for any such Incremental Term Loans exceeds the Effective Yield then applicable to any then outstanding Initial Term Loans by more than 0.50% per annum, the Applicable Margins for all then outstanding Initial Term Loans shall be increased as of such date in accordance with the requirements of the definition of “Applicable Margin” and (III) such Tranche of Incremental Term Loans may have other terms (other than those described in preceding clauses (I) and (II)) that may differ from those of other Tranches of Term Loans, including, without limitation, as to the application of optional or voluntary prepayments among the Incremental Term Loans and the existing Term Loans and such other differences as may be reasonably satisfactory to the Administrative Agent, (ix) all Incremental Term Loans (and all interest, fees and other amounts payable thereon) incurred by the Borrowers shall be Obligations of the Borrowers under this Agreement and the other applicable Credit Documents and shall be secured by the Security Agreements, and guaranteed under each relevant Guaranty, on a pari passu basis with all other Term Loans secured by the Security Agreement and guaranteed under each such Guaranty, (x) each Lender (including any Eligible Transferee who will become a Lender) agreeing to provide an Incremental Term Loan Commitment pursuant to an Incremental Term Loan Commitment Agreement shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make Incremental Term Loans under the Tranche specified in such Incremental Term Loan Commitment Agreement as provided in Section 2.01(b) and such Term Loans shall thereafter be deemed to be Incremental Term Loans under such Tranche for all purposes of this Agreement and the other applicable Credit Documents and (xi) all Incremental Term Loan Commitment Requirements are satisfied.

(b) At the time of the provision of Incremental Term Loan Commitments pursuant to this Section 2.15, the Borrowers, the Administrative Agent and each such Lender or other Eligible Transferee which agrees to provide an Incremental Term Loan Commitment (each, an “Incremental Term Loan Lender”) shall execute and deliver to the Administrative Agent an Incremental Term Loan Commitment Agreement substantially in the form of Exhibit L (appropriately completed), with the effectiveness of the Incremental Term Loan Commitment provided therein to occur on the date on which (w) a fully executed copy of such Incremental Term Loan Commitment Agreement shall have been delivered to the Administrative Agent, (x) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon upfront or arrangement fees owing to the Administrative Agent to the extent it served as the arranger for the Incremental Term Loan Commitments), (y) all Incremental Term Loan Commitment Requirements are satisfied, and (z) all other conditions set forth in this Section 2.15 shall have been satisfied. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Commitment Agreement, and at such time, (i) Schedule 2.01 shall be deemed modified to reflect the revised Incremental Term Loan Commitments of the affected Lenders and (ii) to the extent requested by any Incremental Term Loan Lender, Term Notes will be issued at the Borrowers’ expense to such Incremental Term Loan Lender, to be in conformity with the requirements of Section 2.05 (with appropriate modification) to the extent needed to reflect the new Incremental Term Loans made by such Incremental Term Loan Lender.

(c) Notwithstanding anything to the contrary contained above in this Section 2.15, the Incremental Term Loan Commitments provided by an Incremental Term Loan Lender or Incremental Term Loan Lenders, as the case may be, pursuant to each Incremental Term Loan Commitment Agreement shall constitute a new Tranche, which shall be separate and distinct from the existing Tranches pursuant to this Agreement; provided that, with the consent of the Administrative Agent, the parties to a given Incremental Term Loan Commitment Agreement may specify therein that the Incremental Term Loans made pursuant thereto shall constitute part of, and be added to, an existing Tranche of Term Loans, in any case so long as the following requirements are satisfied:

(i) the Incremental Term Loans to be made pursuant to such Incremental Term Loan Commitment Agreement shall have the same Borrower, the same Maturity Date and the same Applicable Margins as the Tranche of Term Loans to which the new Incremental Term Loans are being added;
on the date of the making of such new Incremental Term Loans, and notwithstanding anything to the contrary set forth in Section 2.09, such new Incremental Term Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans of the applicable Tranche on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender holding Term Loans under the respective Tranche of Term Loans participates in each outstanding Borrowing of Term Loans of the respective Tranche (after giving effect to the incurrence of such new Incremental Term Loans pursuant to Section 2.01(b)) on a pro rata basis. To the extent the provisions of preceding clause (iii) require that Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding Borrowings of LIBO Rate Term Loans of such Tranche, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having short Interest Periods (i.e., an Interest Period that began during an Interest Period then applicable to outstanding LIBO Rate Term Loans of such Tranche and which will end on the last day of such Interest Period). All determinations by any Lender pursuant to the immediately preceding sentence shall, absent manifest error, be final and conclusive and binding on all parties hereto.

2.18 Refinancing Term Loans.

(a) The Lead Borrower may from time to time by written notice to the Administrative Agent elect to request the establishment of one or more additional Tranches of Term Loans under this Agreement ("Refinancing Term Loans"), which refinance, renew, replace, defease or refund all or any portion of one or more Tranches of Term Loans under this Agreement selected by the Lead Borrower; provided, that such Refinancing Term Loans may not be in an amount greater than the aggregate principal amount of the Term Loans being refinanced, renewed, replaced, defeased or refunded plus unpaid accrued interest and premium (if any) thereon and upfront fees, original issue discount, underwriting discounts, fees, commissions and expenses incurred in connection with the Refinancing Term Loans; provided that such aggregate principal amount may also be increased to the extent such additional amount is capable of being incurred at such time pursuant to Section 2.15 and such excess incurrence shall for all purposes hereof be an incurrence under the relevant subclauses of Section 2.15. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which the Lead Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not less than three (3) Business Days after the date on which such notice is delivered to the Administrative Agent; provided that:

(i) the Weighted Average Life to Maturity of such Refinancing Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans being refinanced and the Refinancing Term Loans shall not have a final maturity before the Maturity Date applicable to the Term Loans being refinanced;

(ii) such Refinancing Term Loans shall have pricing (including interest rates, fees and premiums), amortization, optional prepayment, mandatory prepayment (so long as such Refinancing Term Loans are not entitled to participate on a greater than pro rata basis in any mandatory prepayment than the then outstanding Term Loans) and redemption terms as may be agreed to by the Lead Borrower and the relevant Refinancing Term Loan Lenders (as defined below);

(iii) such Refinancing Term Loans shall not be guaranteed by any Person other than Holdings, the Borrowers or a Subsidiary Guarantor;

(iv) in the case of any such Refinancing Term Loans that are secured such Refinancing Term Loans are secured only by assets comprising Collateral, and not secured by any property or assets of the Lead Borrower or any of its Subsidiaries other than the Collateral;

(b) The Lead Borrower may approach any Lender or any other Person that would be an Eligible Transferee of Term Loans to provide all or a portion of the Refinancing Term Loans (a “Refinancing Term Loan Lender”); provided that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated a series of Refinancing Term Loans for all purposes of this Agreement; provided that any Refinancing Term Loans may, to the extent provided in the applicable Refinancing Term Loan Amendment and subject to the restrictions set forth in clause (a) above, be designated as an increase in any previously established Tranche of Term Loans.

The Administrative Agent shall be permitted, and each is hereby authorized, to enter into such amendments with the Borrowers to effect the foregoing.

2.19 Reverse Dutch Auction Repurchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, the Lead Borrower, on behalf of the other Borrowers, may, at any time and from time to time, conduct reverse Dutch auctions in order to purchase Term Loans of a particular Tranche (each, an “Auction”) (each such Auction to be managed exclusively by the Administrative Agent or any other bank or another investment bank of recognized standing selected by the Lead Borrower (with the consent of the Administrative Agent or such other bank or investment bank) following consultation with the Administrative Agent (in such capacity, the “Auction Manager”)); provided that the Administrative Agent shall have no obligation to act as the Auction Manager), so long as the following conditions are satisfied:

(i) each Auction shall be conducted in accordance with the procedures, terms and conditions set forth in this Section 2.19(a) and Schedule 2.19(a);

With respect to all purchases of Term Loans made by the Lead Borrower pursuant to this Section 2.19, (x) the Lead Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest (except to the extent otherwise set forth in the relevant offering documents), if any, on the purchased Term Loans up to the settlement date of such purchase and (y) such purchases (and the payments made by the Lead Borrower and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06.

(c) The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.19 (provided that no Lender shall have an obligation to participate in any such Auctions) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by the Lead Borrower contemplated by this Section 2.19 shall not constitute Investments by the Lead Borrower)) or any other Credit Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.19. The Auction Manager acting in its capacity as such hereunder shall be entitled to the benefits of the provisions of Section 12 and Section 13.01 mutatis mutandis as if each reference therein to the “Administrative Agent” were a reference to the Auction Manager, and the Administrative Agent shall cooperate with the Auction Manager as reasonably requested by the Auction Manager in order to enable it to perform its responsibilities and duties in connection with each Auction.

2.20 Open Market Purchases.

(a) Notwithstanding anything to the contrary contained in this Agreement or any other Credit Document, Holdings, the Lead Borrower or any of its Restricted Subsidiaries may, at any time and from time to time, make open market purchases of Term Loans (each, an “Open Market Purchase”), so long as the following conditions are satisfied:

(b) With respect to all purchases of Term Loans made by the Lead Borrower pursuant to this Section 2.20, (x) the Lead Borrower shall pay on the settlement date of each such purchase all accrued and unpaid interest, if any, on the purchased Term Loans up to the settlement date of such purchase (except to the extent otherwise set forth in the relevant purchase documents as agreed by the respective selling Lender) and (y) such purchases (and the payments made by the Lead Borrower and the cancellation of the purchased Term Loans, in each case in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 5.01, 5.02 or 13.06.

(c) The Administrative Agent and the Lenders hereby consent to the Open Market Purchases contemplated by this Section 2.20 and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 5.01, 5.02 and 13.06 (it being understood and acknowledged that purchases of the Term Loans by any Borrower contemplated by this Section 2.20 shall not constitute Investments by such Borrower)) or any other Credit Document that may otherwise prohibit any Open Market Purchase by this Section 2.20.

Notwithstanding anything to the contrary in this Agreement, the Sponsor and any Affiliate of the Sponsor (other than Holdings, the Lead Borrower or any Subsidiary) may be an assignee in respect of Term Loans (and to such extent shall constitute an “Eligible Transferee”); provided that:

(a) at the time of acquisition thereof, the aggregate principal amount of Term Loans held by the Sponsor and Affiliates (other than Debt Fund Affiliates), together with the aggregate principal amount of the Term Loans so acquired, shall not exceed 25% of the aggregate outstanding principal amount of the Term Loans at such time;

(b) notwithstanding anything to the contrary in the definition of “Required Lenders,” or in Section 13.12, the holder of any Term Loans acquired pursuant to this Section 2.21(b) (other than Debt Fund Affiliates) shall not be entitled to vote such Term Loans in any “Required Lender” vote pursuant to the terms of this Agreement or any other Credit Document (it being understood that the holder of such Term Loans shall have the right to consent to votes requiring the consent of “all Lenders” or “all Lenders directly and affected thereby” pursuant to Section 13.12 or otherwise, or any other amendment which treats such Lenders differently from other Lenders), and for purposes of any such vote such Term Loans shall be deemed not to be outstanding;

(c) no Default or Event of Default shall have occurred and be continuing on the date of such purchase or would occur as a result of such assignment;
(d) the Sponsor and Affiliates thereof (other than Debt Fund Affiliates) shall make the No Undisclosed Information Representation;

(e) the Sponsor and Affiliates thereof shall be prohibited from being appointed as, or succeeding to the rights and duties of, Administrative Agent or Collateral Agent under this Agreement and the other Credit Documents until such time (if any) as when all Obligations (other than those held by the Sponsor or any of its Affiliates) have been paid in full in cash;

(f) by acquiring a Term Loan hereunder, each of the Sponsor and each Affiliate thereof (other than Debt Fund Affiliates) shall be deemed to have (I) waived its right to receive information prepared by Administrative Agent or any Lender (or any advisor, agent or counsel thereof) under or in connection with the Credit Documents (in each case to the extent not provided to the Credit Parties) and attend any meeting or conference call with Administrative Agent or any Lender, (II) agreed that it is prohibited from making or bringing any claim, in its capacity as a Lender, against Administrative Agent or any Lender with respect to the duties and obligations of such Persons under the Credit Documents, and (III) agreed, without limiting its rights as a Lender described in Section 2.21(b), that it will have no right whatsoever to require Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to this Agreement or any other Credit Document;

(g) the Sponsor or such Affiliate (other than Debt Fund Affiliates) identifies itself as an Affiliate of the Credit Parties prior to the assignment of Term Loans to it pursuant to the applicable Assignment and Assumption Agreement;

(h) Term Loans acquired by the Sponsor and Affiliates thereof shall be subject to the voting limitations set forth in Section 13.04(f); and

(i) notwithstanding anything in Section 13.12 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, all Term Loans held by the Sponsor and its Affiliates (including Debt Fund Affiliates) may not account for more than 49.9% of the Term Loans of consenting Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 13.12.

Section 3. [Reserved].

Section 4. Fees; Reductions of Commitment

4.01 Fees.

(b) The Borrowers, jointly and severally, agree to pay to the Administrative Agent such fees as may be agreed to in writing from time to time by Holdings or the Lead Borrower or any of its Subsidiaries and the Administrative Agent.

(c) If any Initial Term Loans are (i) voluntarily prepaid pursuant to Sections 5.01(a) or 5.01(b)(i) (including any replacement pursuant to Section 13.12(b)) or (ii) mandatorily prepaid pursuant to Section 5.02(c), (each event in clauses (i) and (ii), a “Premium Prepayment Event”), in each case, such Premium Prepayment Event shall be accompanied by (x) 2.00% of the aggregate principal amount of the Initial Term Loans subject to such

4.02 Mandatory Reduction of Commitments

(a) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, (i) prior to the Amendment No. 1 Effective Date, the Total Initial Term Loan Commitment is 7.50% of such Initial Term Loan Commitment if such Initial Term Loan Commitment is not terminated in its entirety on the Closing Date and (ii) the 2017 Additional Term Loan Commitment shall be reduced to the 2017 Additional Term Commitment Agreement and shall terminate in its entirety on the 2017 Additional Term Loan Borrowing Date for such Total Incremental Term Loan Commitment (after giving effect to the incurrence of the relevant Incremental Term Loans on such date).

(b) In addition to any other mandatory commitment reductions pursuant to this Section 4.02, the Total Incremental Term Loan Commitment pursuant to this Section 4.02 as provided above (or pursuant to Section 5.02) shall be applied proportionately to reduce the Initial Term Loan Commitment or the Incremental Term Loan Commitment under such Tranche, as the case may be, of each Lender with such a Commitment.

Section 5. Prepayments; Payments; Taxes

5.01 Voluntary Prepayments

(a) The Borrowers shall have the right to prepay the Term Loans, without premium or penalty (other than as provided in Section 4.01(c)), in whole or in part at any time and from time to time on the following terms and conditions: (i) the Lead Borrower shall give the Administrative Agent at its Notice Office written notice (or telephonic notice promptly confirmed in writing) of its intent to prepay the Term Loans, whether such Term Loans are Initial Term Loans or Incremental Term Loans of a given Tranche, the amount of the Term Loans to be prepaid, the Types of Term Loans to be repaid, and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings pursuant to which made, which notice shall be given by the Lead Borrower prior to 12:00 Noon (New York City time) at least 15 Business Days prior to the date of such prepayment in the case of Term Loans maintained as Base Rate Term Loans and prior to 12:00 Noon (New York City time) at least three Business Days prior to the date of such prepayment in the case of LIBO Rate Term Loans (or, in the case of clause (x) and (y), such shorter period as the Administrative Agent shall agree in its sole and absolute discretion), and be promptly transmitted by the Administrative Agent to each of the Lenders; (ii) each partial prepayment of Term Loans pursuant to this Section 5.01(a) shall be in an aggregate principal amount of at least $1,000,000 or such lesser amount as is acceptable to the Administrative Agent; provided that if any partial prepayment of LIBO Rate Term Loans made pursuant to any Borrowing shall reduce the outstanding principal amount of LIBO Rate Term Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount, then if such Borrowing is a Borrowing of LIBO Rate Term Loans, such Borrowing shall automatically be converted into a Borrowing of Base Rate Term Loans and any election of an Interest Period with respect thereto given by the Lead Borrower shall have no force or effect; (iii) each prepayment pursuant to this Section 5.01(a) in respect of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans, provided that it is understood and agreed that this clause (iii) may be modified as expressly provided in Section 2.14 in connection with an Extension Amendment; and (iv) each prepayment of principal of Term Loans of a given Tranche pursuant to this Section 5.01(a) shall be applied as directed by the Lead Borrower in the applicable notice of prepayment delivered pursuant to Section 5.01(a) or, if no such direction is given, in direct order of maturity. Notwithstanding anything to the contrary contained in this Agreement, any such notice of prepayment pursuant to this Section 5.01(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities, the occurrence of a Change of Control or any similar event), in which case such notice may be revoked by the Lead Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.
(b) In the event (i) of a refusal by a Lender to consent to certain proposed changes, amendments, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as (and to the extent) provided in Section 13.12(b), or (ii) any Lender becomes a Defaulting Lender, Borrowers may, upon five Business Days’ prior written notice from the Lead Borrower to the Administrative Agent at the Notice Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders) repay all Term Loans, together with accrued and unpaid interest, Fees and other amounts owing to such Lender in accordance with, and subject to the requirements of, said Section 13.12(b), so long as the consents, if any, required under Section 13.12(b) in connection with the repayment pursuant to clause (b) have been obtained.

5.02 Mandatory Repayments.

(a) [reserved].

(b) In addition to any other mandatory repayments pursuant to this Section 5.02, the Borrowers shall be required to make, with respect to each new Tranche (i.e., other than Initial Term Loans, which are addressed in the preceding clause (a)) of Term Loans to the extent then outstanding, scheduled amortization payments of such Tranche of Term Loans to the extent, and on the dates and in the principal amounts, set forth in the Incremental Term Loan Commitment Agreement, Refinancing Term Loan Amendment or Extension Amendment applicable thereto.

(c) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any cash proceeds from any issuance or incurrence of Indebtedness (other than Indebtedness permitted to be incurred pursuant to Section 10.04 (other than Refinancing Term Loans and Refinancing Notes, an amount equal to 100% of the Net Debt Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(d) In addition to any other mandatory repayments pursuant to this Section 5.02, within five Business Days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Sale Proceeds from any Asset Sale, an amount equal to 100% of the Net Sale Proceeds therefrom shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h); provided, however, with respect to no more than $10,000,000 in the aggregate of such Net Sale Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Sale Proceeds shall not be required to be so applied or used to make mandatory repayments of Term Loans if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply all or a portion of such Net Sale Proceeds (i) in the case of ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness secured by Liens ranking senior to the Liens securing the Indebtedness hereunder on such ABL Collateral (as defined in the Intercreditor Agreement) and in the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such Net Sale Proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest such Net Sale Proceeds, within 180 days following such 12-month period during which the Lead Borrower so committed to such plan of reinvestment); provided, further, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or its Restricted Subsidiaries of such Net Sale Proceeds, the Lead Borrower or its Restricted Subsidiaries have not so used all or a portion of such Net Sale Proceeds otherwise required to be applied as a mandatory repayment pursuant to this sentence, the remaining portion of such Net Sale Proceeds shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period.

(e) In addition to any other mandatory repayments pursuant to this Section 5.02, on each Excess Cash Flow Payment Date, an amount equal to the remainder of (i) the Applicable Prepayment Percentage of the Excess Cash Flow for the related Excess Cash Flow Payment Period less (ii) the aggregate amount of all (x) voluntary prepayments of Term Loans, Refinancing Notes and Indebtedness incurred pursuant to Section 10.04(xxvii) that rank pari passu with the Term Loans (limited, in the case of any voluntary prepayment in accordance with the provisions of Section 2.19 or Section 2.20 or similar provisions in the definitive documentation with respect to such Refinancing Notes or other Indebtedness, to the cash payment made by any Credit Party or Restricted Subsidiary therefor) and (y) prepayments of revolving loans under the ABL Credit Agreement or any other Indebtedness secured by a Lien on the Collateral ranking pari passu with the Lien on the Collateral securing the ABL Credit Agreement or senior to pari passu with the Lien on the Collateral securing the Indebtedness hereunder, in each case, to the extent accompanied by a permanent reduction in commitments therefor and not financed with the incurrence of other long-term Indebtedness (other than Indebtedness under the ABL Credit Agreement), during such Excess Cash Flow Payment Period shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h).

(f) In addition to any other mandatory repayments pursuant to this Section 5.02, within 10 days following each date on or after the Closing Date upon which the Lead Borrower or any of its Restricted Subsidiaries receives any Net Insurance Proceeds from any Recovery Event, an amount equal to 100% of the Net Insurance Proceeds from such Recovery Event shall be applied as a mandatory repayment in accordance with the requirements of Section 5.02(g) and (h); provided, however, with respect to no more than $10,000,000 in the aggregate of such Net Insurance Proceeds received by the Lead Borrower and its Restricted Subsidiaries in any fiscal year of the Lead Borrower, such Net Insurance Proceeds shall not give rise to a mandatory repayment if no Event of Default then exists. Notwithstanding the foregoing, the Lead Borrower may apply such Net Insurance Proceeds (i) in the case of ABL Collateral (as defined in the ABL Intercreditor Agreement), to prepay Indebtedness under the ABL Credit Agreement or any other Indebtedness secured by Liens ranking senior to the Liens securing the Indebtedness hereunder on such ABL Collateral (as defined in the Intercreditor Agreement) and in the case of revolving borrowings, to the extent accompanied by permanent reductions in commitments with respect thereto or (ii) to reinvest in the purchase of assets useful in the business of the Lead Borrower and its Restricted Subsidiaries within 12 months following the date of receipt of such proceeds (or, if within such 12-month period, the Lead Borrower or any of its Restricted Subsidiaries enters into a binding commitment to so reinvest in such Net Sale Proceeds, within 18 months following the date of receipt of such proceeds) (and, in connection therewith, shall thereafter promptly provide such other information with respect to such reinvestment as the Administrative Agent may from time to time reasonably request); provided, further, that if within 12 months (or, to the extent applicable, 18 months) after the date of receipt by the Lead Borrower or any of its Restricted Subsidiaries of such Net Insurance Proceeds, the Lead Borrower or any of its Restricted Subsidiaries have not so used all or a portion of such Net Insurance Proceeds otherwise required to be applied as a mandatory repayment pursuant to this sentence, the remaining portion of such Net Insurance Proceeds shall be applied as a mandatory repayment in accordance with the requirements of Sections 5.02(g) and (h) on the last day of such 12-month (or, to the extent applicable, 18-month) period, as the case may be.

(g) Each amount required to be applied pursuant to Sections 5.02(c), (d), (e), (f) and (k) in accordance with this Section 5.02(g) shall be applied to repay the outstanding principal amount of Term Loans, with each Tranche of then outstanding Term Loans to be allocated its Term Loan Percentage of each amount so required to be applied, provided that to the extent any Permitted Junior Notes or Permitted Junior Loans that are secured on pari passu basis with the Obligations (or any Permitted Refinancing Indebtedness in respect thereof that is secured on a pari passu basis with the Obligations) requires any mandatory prepayment or repurchase from any Net Sale Proceeds or Net Insurance Proceeds that would otherwise be required to be applied to prepay Term Loans in accordance with clause (d) or (f) above, up to a pro rata portion (based on the aggregate principal amount of Term Loans and such pari passu secured Indebtedness then outstanding) of such Net Sale Proceeds or Net Insurance Proceeds may be applied to prepay or repurchase such pari passu secured Indebtedness in lieu of prepaying Term Loans as provided above. Prepayments pursuant to Section 5.02(c) shall be applied to the Tranche or Tranches of Term Loans selected by the Lead Borrower.

(h) With respect to each repayment of Term Loans required by this Section 5.02, the Lead Borrower may (subject to the priority payment requirements of Section 5.02(g)) designate the Types of Term Loans of the applicable Tranche which are to be repaid and, in the case of LIBO Rate Term Loans, the specific Borrowing or Borrowings of the applicable Tranche pursuant to which such LIBO Rate Term Loans were made, provided that: (i) repayments of LIBO Rate Term Loans pursuant to this Section 5.02 may only be made on the last day of an Interest Period applicable thereto unless all such LIBO Rate Term Loans of the applicable Tranche with Interest Periods

ending on such date of required repayment and all Base Rate Term Loans of the applicable Tranche have been paid in full; and (ii) each repayment of any Term Loans made pursuant to a Borrowing shall be applied pro rata among such Term Loans. In the absence of a designation by the Lead Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion.

(i) In addition to any other mandatory repayments pursuant to this Section 5.02, all then outstanding Term Loans of any Tranche of Term Loans shall be repaid in full on the Maturity Date for such Tranche of Term Loans.

(j) Notwithstanding any other provisions of this Section 5.02, (i) to the extent that any or all of the Net Sale Proceeds of any Asset Sale by a Foreign Subsidiary (a “Foreign Asset Sale”), the Net Insurance Proceeds of any Recovery Event incurred by a Foreign Subsidiary (a “Foreign Recovery Event”) or Excess Cash Flow attributable to Foreign Subsidiaries are prohibited or delayed by applicable local law or applicable organizational documents of such Foreign Subsidiary from being repatriated to the United States, the portion of such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Initial Term Loans at the times provided in this Section 5.02 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law or applicable organizational documents of such Foreign Subsidiary will not permit repatriation to the United States (the relevant Borrower hereby agreeing to use all commercially reasonable efforts to overcome or eliminate any such restrictions on repatriation and/or minimize any such costs of prepayment and/or use the other cash sources of such Borrower and its Restricted Subsidiaries to make the relevant prepayment), and if within one year following the date on which the respective prepayment would otherwise have been required such repatriation of any of such affected Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow is permitted under the applicable local law or applicable organizational documents of such Foreign Subsidiary, such repatriation will be immediately effected and such repatriated Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof and additional costs relating to such repatriation) to the repayment of the Initial Term Loans pursuant to this Section 5.02 or (ii) to the extent that such Borrower has reasonably determined in good faith that repatriation of any or all the Net Sale Proceeds of any Foreign Asset Sale, Net Insurance Proceeds of any Foreign Recovery Event or Foreign Subsidiary Excess Cash Flow would have material adverse tax cost consequences with respect to such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow, such Net Sale Proceeds, Net Insurance Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.

(k) Notwithstanding anything to the contrary herein, so long as the First Lien Credit Agreement remains outstanding, in no event shall the Credit Parties be required to make any mandatory prepayment pursuant to Sections 5.02(d), (e) or (f) provided that during such time as the First Lien Credit Agreement remains outstanding, the Lead Borrower shall be required to apply any First Lien Declined Proceeds as a mandatory repayment of Term Loans in accordance with the requirements of Sections 5.02(g) and (h) no later than three Business Days after the deadline for First Lien Rejection Notices.

(l) The Lead Borrower shall notify the Administrative Agent in writing of any mandatory repayment of Term Loans required to be made pursuant to Section 5.02(d) or (f) at least three Business Days prior to the date of such repayment. Each such notice shall specify the date of such repayment and provide the amount of such repayment. The Administrative Agent will promptly notify the Lenders of the contents of the Lead Borrower’s repayment notice and of such Lender’s pro rata share of any repayment. Each Lender may reject all or a portion of its pro rata share of any mandatory repayment (such declined amounts, the “Declined Proceeds”) of Term Loans required to be made pursuant to Section 5.02(d), (e) (f) or (k) by providing written notice (each, a “Rejection Notice”) to the Administrative Agent and the Lead Borrower no later than 5:00 P.M. (New York City time) on the Business Day after the date of such Lender’s receipt of notice from the Administrative Agent regarding such repayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Lender fails to deliver such Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans to which such Lender is otherwise entitled.
5.03 Method and Place of Payment. The Credit Parties jointly and severally agree to indemnify and hold harmless the Administrative Agent and each Lender, and reimburse the Administrative Agent and each Lender, within 10 days of written request therefor, for the amount of any Indemnified Taxes (including any Indemnified Taxes imposed on amounts payable under this Section 5.04) payable or paid by the Administrative Agent or such Lender or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, and any Other Taxes, and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.

Notwithstanding anything to the contrary in this Section 5.04(d), in no event will the Administrative Agent or any Lender be required to pay any amount to any Credit Party pursuant to this Section 5.04(d) to the extent that such payment would place the Administrative Agent or such Lender in a less favorable position (on a net after-Tax basis) than such party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. Nothing in this Section 5.04(d) shall be construed to obligate the Administrative Agent or any Lender to disclose its Tax returns or any other information regarding its Tax affairs or computations to any Person or otherwise to arrange its Tax affairs in any manner other than as it determines in its sole discretion.

(a) Subject to the provisions of this Section 9.14 and the requirements contained in the definition of Permitted Acquisition, the Lead Borrower and its Restricted Subsidiaries may from time to time after the Closing Date effect Permitted Acquisitions, so long as (in each case except to the extent the Required Lenders otherwise specifically agree in writing in the case of a specific Permitted Acquisition): (i) no Event of Default shall have occurred and be continuing at the time of the consummation of the proposed Permitted Acquisition or immediately after giving effect thereto and (ii) at the time of the consummation of any Permitted Acquisition, the Consolidated Total Net Leverage Ratio, determined on a Pro Forma Basis as of the last day of the most recently ended Test Period for which Section 9.01 Financials were required to have been delivered, does not exceed 5.25 to 1.00; provided that the aggregate consideration paid by the Lead Borrower and its Restricted Subsidiaries in connection with Permitted Acquisitions consummated from and after the Closing Date where the Acquired Entity or Business does not become a Credit Party or owned by a Credit Party, shall not exceed the sum of (x) the greater of $25,000,000 and 2.5% of Consolidated Total Assets (measured at the time of such Permitted Acquisition is consummated), plus (y) the Available Amount.

(c) Each Borrower shall cause each Restricted Subsidiary (other than an Excluded Subsidiary) which is formed to effect, or is acquired pursuant to, a Permitted Acquisition to comply with, and to execute and deliver all of the documentation as and to the extent required by, Section 9.12, to the reasonable satisfaction of the Administrative Agent.
(d) The consummation of each Permitted Acquisition shall be deemed to be a representation and warranty by each Borrower that the certifications pursuant to this Section 9.14 are true and correct in all material respects and that all conditions thereto have been satisfied and that same is permitted in accordance with the terms of this Agreement, which representation and warranty shall be deemed to be a representation and warranty for all purposes hereunder, including, without limitation, Sections 8 and 11.

(e) Notwithstanding anything to the contrary contained herein, if the Lead Borrower has made a LCT Election pursuant to Section 1.03 in respect of a Permitted Acquisition, then any determination of compliance with the provisions of Section 9.14(a)(i) and 9.14(d) shall be made effective as of the date of entering the definitive agreement for such Permitted Acquisition.

(xiii) any restrictions on Liens imposed by any amendments, modifications, restatements, renewals, increases, supplements, refinancings of the contracts, instruments or obligations referred to in clauses (i), (ii), (iii), (ix), (x) and (xi) above; provided that such amendments, modifications, restatements, renewals, increases, supplements, refinancings, replacements or refinancings are, in the good faith judgment of the Lead Borrower, no more restrictive with respect to such encumbrance and other restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

Section 12. The Administrative Agent.

12.01 Appointment and Authorization.

(a) Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Sections 12.08, 12.10 and 12.11) are solely for the benefit of the Administrative Agent and the Lenders, and neither any Borrower nor any other Credit Party shall have rights as a third party beneficiary of any
of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Credit Party to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” or “security trustee” and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 12.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.01, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” or “security trustee” under the Credit Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Guaranteed Creditors with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

c) The Administrative Agent shall also act as the “collateral agent” and “security trustee” under the Credit Documents, and each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement) hereby authorizes the Administrative Agent to enter into the ABL Intercreditor Agreements, the First Lien/Second Lien Intercreditor Agreement, any Additional Intercreditor Agreement and any other intercreditor agreement or arrangement permitted under this Agreement and any such intercreditor agreement shall be binding upon the Lenders.

12.02 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

12.03 Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law;
(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Lead Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11 and 13.12) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Lead Borrower or a Lender; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Section 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

12.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Term Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Term Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Lead Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

12.05 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Lead Arrangers or the Amendment No. 1 Lead Arrangers shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender hereunder.

12.06 Non-reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

12.07 Indemnification by the Lenders. To the extent that the Lead Borrower for any reason fails to pay any amount required under Section 13.01(a) to be paid by it to the Administrative Agent or Collateral Agent (or any sub-agent of either of them), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender’s pro rata share (based on the amount of then outstanding Term Loans held by each Lender or, if the Term Loans have been repaid in full, based on the amount of outstanding Term Loans held by each Lender immediately prior to such repayment in full) of (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative
Agent or Collateral Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or Collateral Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this Section 12.07 are subject to the provisions of Section 5.04.

12.08 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Lead Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Lead Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 4.01 and 13.01) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.01 and 13.01.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

The Secured Creditors hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or any similar laws in any other jurisdictions to which a Credit Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent of or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Creditors shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion

113
of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Security Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a)(i) through (a)(v) of Section 13.04 of this Agreement, and (iii) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Creditor or any acquisition vehicle to take any further action.

12.10 Resignation of the Agents. The Administrative Agent may at any time give notice of its resignation (including as Collateral Agent) to the Lenders and the Lead Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders (and consented to by the Lead Borrower, to the extent so required) and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, with the Lead Borrower’s consent (other than during the existence of an Event of Default under Section 11.01 or 11.05), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Lead Borrower and the Lenders that no qualifying Person has accepted such appointment within such period, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Credit Documents, the retiring Administrative Agent shall continue to hold such collateral security solely for purposes of maintaining the Secured Creditors’ security interest thereon until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders (with the consent of the Lead Borrower, to the extent so required) appoint a successor Administrative Agent as provided for above in this Section 12.10. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents if not already discharged therefrom as provided above in this Section). After the retiring Administrative Agent’s resignation hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.01 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

12.11 Collateral Matters and Guaranty Matters.

Each of the Lenders (including in its capacity as a potential Guaranteed Creditor under a Designated Interest Rate Protection Agreement or Designated Treasury Services Agreement) irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Credit Document (i) upon termination of the Commitments and payment in full of all Obligations (other than (x) contingent indemnification obligations and (y) obligations and liabilities under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Credit Document to a Person
that is not a Credit Party, (iii) that constitutes Excluded Collateral, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, subject to Section 13.12, upon release of such Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty pursuant to clause (b) below or (v) if approved, authorized or ratified in writing in accordance with Section 13.12:

(b) to release any Subsidiary Guarantor from its obligations under the Subsidiaries Guaranty if such Person ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Credit Document to the holder of any Lien on such property that is permitted by Section 10.01(iv), 10.01(vi), 10.01(vii), 10.01(xiv), and 10.01(xxx) (in the case of clause (ii)) or any other Lien that is permitted by Section 10.01 to be senior to the Lien securing the Obligations or to release any Lien securing the Obligations upon the incurrence of any Lien permitted by Section 10.01 with respect to specified assets if the Lien securing the Obligations is not allowed by the documentation creating such Lien or related documentation.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 12.11. In each case as specified in this Section 12.11, the Administrative Agent will (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrowers’ expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Credit Documents and this Section 12.11.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent’s Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

12.12 Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements. No Guaranteed Creditor that obtains the benefits of Section 11, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12.12 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Guaranteed Creditor.

12.13 Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within 10 days after written demand therefor, indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrowers pursuant to Section 5.04 and without limiting or expanding the obligation of the Borrowers to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket

(a) The Credit Parties hereby jointly and severally agree to: (i) if the Closing Date occurs, pay all reasonable invoiced out-of-pocket costs and expenses of the Agents (including, without limitation, the reasonable fees and disbursements of one primary counsel to all Agents and Lenders and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person (as defined below) affected by such conflict informs the Lead Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnified Person but excluding, other than as indicated under Section 13.01(a)(ii), Taxes other than Taxes that represent liabilities, obligations, losses, damages, penalties, actions, costs, expenses and disbursements arising from a non-Tax claim) in connection with the preparation, execution and delivery of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein, the administration hereof and thereof and any amendment, waiver or consent relating hereto or thereto (whether or not effective), of the Agents in connection with their syndication efforts with respect to this Agreement and of the Agents and each Lender in connection with the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a “work-out” or pursuant to any insolvency or bankruptcy proceedings (which shall be limited to one primary counsel to all Agents and Lenders to be retained by the Agent and, if reasonably necessary, one local counsel in any relevant jurisdiction and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict informs the Lead Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnified Person); (ii) pay and hold each Agent and each Lender harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to such Agent, such Lender or the Lead Arranger) to pay such Other Taxes; and (iii) indemnify each Agent and each Lender and their respective Affiliates, and the officers, directors, employees, agents, trustees, representatives and investment advisors of each of the foregoing (each, an “Indemnified Person”) from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys’ and consultants’ fees and disbursements) (but excluding Taxes other than Taxes that represent liabilities, obligations, losses, damages, penalties, actions, costs, expenses and disbursements arising from a non-Tax claim) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not any Agent or any Lender is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement or any other Credit Document or the proceeds of any Term Loans hereunder or the consummation of the Transaction or any other transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or (b) the actual or alleged presence of Hazardous Materials in the Environment relating in any way to any Real Property owned, leased or operated, at any time, by the Lead Borrower or any of its Subsidiaries; the generation, storage, transportation, handling, Release or threat of Release of Hazardous Materials by the Lead Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by the Lead Borrower or any of its Subsidiaries; the non-compliance by the Lead Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any Real Property; or any Environmental Claim asserted against the Lead Borrower, any of its Subsidiaries or relating in any way to any Real Property at any time owned, leased or operated by the Lead Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding, in all cases, whether or not caused by or
arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnified Person (but excluding in each case any losses, liabilities, claims, damages or expenses (i) to the extent incurred by reason of the gross negligence, bad faith or willful misconduct of the applicable Indemnified Person, any Affiliate of such Indemnified Person or any of their respective directors, officers, employees, representatives, agents, Affiliates, trustees or investment advisors, (ii) to the extent incurred by reason of any material breach of the obligations of such Indemnified Person under this Agreement or the other Credit Documents (in the case of each of preceding clauses (i) and (ii), as determined by a court of competent jurisdiction in a final and non-appealable decision) or (iii) that do not involve or arise from an act or omission by any Borrower or the Guarantors or any of their respective affiliates and is brought by an Indemnified Person (other than claims against any Agent in its capacity as such or in its fulfilling such role). To the extent that the undertaking to indemnify, pay or hold harmless any Agent or any Lender or other Indemnified Person set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Credit Parties shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(b) No Agent or any Indemnified Person shall be responsible or liable to any Credit Party or any other Person for (x) any determination made by it pursuant to this Agreement or any other Credit Document in the absence of gross negligence, bad faith or willful misconduct on the part of such Indemnified Person (in each case, as determined by a court of competent jurisdiction in a final and non-appealable judgment), (y) any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems or (z) any indirect, special, exemplary, incidental, punitive or consequential damages (including, without limitation, any loss of profits, business or anticipated savings) which may be alleged as a result of this Agreement or any other Credit Document or the financing contemplated hereby.

13.02 Right of Setoff

(a) In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used exclusively for payroll, payroll taxes, fiduciary and trust purposes, and employee benefits) and any other Indebtedness at any time held or owing by the Administrative Agent or such Lender (including, without limitation, by branches and agencies of the Administrative Agent or such Lender wherever located) to or for the account of the Lead Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to the Administrative Agent or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to Section 13.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not the Administrative Agent or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

(b) NOTWITHSTANDING THE FOREGOING SUBSECTION (a), AT ANY TIME THAT THE LOANS OR ANY OTHER OBLIGATION SHALL BE SECURED BY REAL PROPERTY LOCATED IN CALIFORNIA, NO LENDER SHALL EXERCISE A RIGHT OF SETOFF, LIEN OR COUNTERCLAIM OR TAKE ANY COURT OR ADMINISTRATIVE ACTION OR INSTITUTE ANY PROCEEDING TO ENFORCE ANY PROVISION OF THIS AGREEMENT OR ANY NOTE UNLESS IT IS TAKEN WITH THE CONSENT OF THE REQUIRED LENDERS OR APPROVED IN WRITING BY THE ADMINISTRATIVE AGENT, IF SUCH SETOFF OR ACTION OR PROCEEDING WOULD OR MIGHT (PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 580a, 580b, 580d AND 726 OF THE CALIFORNIA CODE OF CIVIL PROCEDURE OR SECTION 2924 OF THE CALIFORNIA CIVIL CODE, IF APPLICABLE, OR OTHERWISE) AFFECT OR IMPAIR THE VALIDITY, PRIORITY OR ENFORCEABILITY OF THE LIENS GRANTED TO THE COLLATERAL AGENT PURSUANT TO THE SECURITY DOCUMENTS OR THE ENFORCEABILITY OF THE NOTES AND OTHER OBLIGATIONS HEREUNDER, AND ANY ATTEMPTED EXERCISE BY ANY LENDER OF ANY SUCH RIGHT WITHOUT OBTAINING SUCH CONSENT OF THE REQUIRED LENDERS OR THE ADMINISTRATIVE AGENT SHALL BE NULL AND VOID. THIS SUBSECTION (b) SHALL BE SOLELY FOR THE BENEFIT OF EACH OF THE LENDERS AND THE ADMINISTRATIVE AGENT HEREUNDER.
13.03 Notices.

(a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telegraphic, telex, telecopier, cable communication or electronic transmission) and mailed, telegraphed, telexed, telecopied, cabled, delivered or transmitted:

if to any Credit Party, c/o PAE Holding Corporation, c/o Platinum Equity, LLC, 360 North Crescent Drive, Beverly Hills, CA 90210, Attention: Legal Department, Telecopier No.: (310) 712-1863; if to any Lender, at its address specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Lead Borrower); and if to the Administrative Agent, at the Notice Office; or, as to any Credit Party or the Administrative Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Lead Borrower and the Administrative Agent. All such notices and communications shall, when mailed, telegraphed, telexed, telecopied, or cabled or sent by overnight courier, be effective when deposited in the mails, delivered to the telegraph company, cable company or overnight courier, as the case may be, or sent by telex or telecopier, except that notices and communications to the Administrative Agent and the Lead Borrower shall not be effective until received by the Administrative Agent or the Lead Borrower, as the case may be.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Each of the Administrative Agent, the Lead Borrower or Holdings may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to Holdings, the Borrowers, the Subsidiary Guarantors, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of a Borrower’s, any Credit Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet.

13.04 Benefit of Agreement; Assignments; Participations, etc.

(a) This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, that no Borrower may assign or transfer any of its rights, obligations or interest hereunder without the prior written consent of the Lenders and, provided, further, that, although any Lender may transfer, assign or grant participation in its rights or obligations hereunder, such Lender shall remain a “Lender” for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 2.13 and 13.04(b)) and the transferee, assignee or participant, as the case may be, shall not constitute a “Lender” hereunder and, provided, further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Term Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability
of any post-default increase in interest rates) or reduce the principal amount thereof or increases in the size of the Commitments, or increase the amount of
the participant’s participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory
repayment of any Term Loan shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available
portion thereof) or Term Loan shall be permitted without the consent of any participant if the participant’s participation is not increased as a result thereof),
(ii) consent to the assignment or transfer by any Borrower of any of its rights and obligations under this Agreement, (iii) modify any of the voting
percentages set forth in Section 13.12 or the underlying definitions, (iv) except as otherwise expressly provided in the Security Documents, release all or
substantially all of the Collateral under all the Security Documents supporting the Term Loans in which such participant is participating or (v) except as
otherwise provided in the Credit Documents, release all or substantially all of the value of the Guaranty supporting the Loans in which such participant is
participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the
participant’s rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the
participant relating thereto). Each Borrower agrees that each participant shall be entitled to the benefits of Sections 2.10 and 5.04 (subject to the limitations
and requirements of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment; provided, however, that a participant
shall not be entitled to receive any greater payment under Section 2.10 or Section 5.04 than the applicable Lender would have been entitled to receive with
respect to the participation sold to such participant except to the extent such entitlement to a greater payment results from a change in law after the sale of the
participation takes place. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which
it enters the name and address of each participant and the principal amounts (and interest amounts) of each participant’s interest in the Term Loans or other
obligations under the Credit Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the
Participant Register (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Term Loan, or its
other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Term
Loan or other obligation is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. The entries in the Participant Register shall be
conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such
participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its
Commitments and related rights or outstanding Obligations (or, if the Commitments with respect to the relevant Tranche have terminated, outstanding
Obligations) hereunder to (i) (A) its parent company and/or any affiliate of such Lender which is at least 50% owned by such Lender or its parent company
or (B) to one or more other Lenders or any affiliate of any such other Lender which is at least 50% owned by such other Lender or its parent company
(provided that any fund that invests in loans and is managed or advised by the same investment advisor of another fund which is a Lender (or by an Affiliate
of such investment advisor) shall be treated as an affiliate of such other Lender for the purposes of this subclause (x)(i)(B)); provided that no such
assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender, or (ii) in the case of any Lender that is a fund that
invests in loans, any other fund that invests in loans and is managed or advised by the same investment advisor of any Lender or by an Affiliate of such
investment advisor or (y) assign all, or if less than all, a portion equal to at least $1,000,000 (or such lesser amount as may be agreed to by the
Administrative Agent and, so long as no Event of Default then exists under Section 11.01 or 11.05, the Lead Borrower, which consent shall not be
unreasonably withheld or delayed) in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations
(or, if the Commitments with respect to the relevant Tranche have terminated, outstanding Obligations) hereunder to one or more Eligible Transferees
(treating any fund that invests in loans and any other fund that invests in loans and is managed or advised by the same investment advisor of such fund or by
an Affiliate of such investment advisor as a single Eligible Transferee), each of which assignees shall become a party to this Agreement as a Lender by
execution of an Assignment and Assumption Agreement (which Assignment and Assumption Agreement shall contain an acknowledgement and agreement
by the respective assignee that, as a Lender, it shall be subject to, and bound by the terms of the ABL Intercreditor Agreement and the First Lien/Second
Lien Intercreditor Agreement), provided that (i) at such time, Schedule 2.01 shall be deemed modified to reflect the Commitments and/or outstanding Term
Loans, as the case may be, of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes by the assigning Lender (or, upon
such assigning Lender’s indemnifying the Borrowers for any lost Note pursuant to a customary
indemnification agreement) new Notes will be issued, at the Borrowers’ expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Term Loans, as the case may be; (iii) the consent of the (A) Administrative Agent and (B) so long as no Event of Default then exists under Section 11.01 or 11.05, the consent of the Lead Borrower shall (in either case) be required in connection with any such assignment pursuant to clause (y) above (which consent, in the case of each of clauses (A) and (B), shall not be unreasonably withheld or delayed); provided that the Lead Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof, (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of $3,500 and (v) no such transfer or assignment shall be effective until recorded by the Administrative Agent on the Register pursuant to Section 13.15. To the extent of any assignment pursuant to this Section 13.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Term Loans. At the time of each assignment pursuant to this Section 13.04(b) to a Person that is not already a Lender hereunder, such assignee shall provide to the Administrative Agent and the Borrowers such Tax forms as are required to be provided under clauses (b) and (c) of Section 5.04 and shall deliver to the Administrative Agent an Administrative Questionnaire. To the extent that an assignment of all or any portion of a Lender’s Commitments and related outstanding Obligations pursuant to Section 2.13 or this Section 13.04(b) would, at the time of such assignment, result in increased costs under Section 2.10 or 5.04; from those being charged by the assigning Lender prior to such assignment, then the Lead Borrower shall not be obligated to pay such increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment). Notwithstanding the foregoing, any sale or assignment pursuant to this Section 13.04(b) to a Sponsor Affiliate shall be made in accordance with Section 2.21 and evidenced via an assignment, in form reasonably satisfactory to the Administrative Agent (a “Sponsor Affiliate Assignment and Assumption”), in accordance with this Section 13.04(b).

(c) The Borrowers shall also be entitled to purchase (from Lenders) outstanding principal of Term Loans in accordance with the provisions of Sections 2.19 and 2.20, which purchases shall be evidenced by assignments (in form reasonably satisfactory to the Administrative Agent) from the applicable Lender to the Lead Borrower. No such transfer or assignment shall be effective until recorded by the Administrative Agent (in a manner consistent with the following sentence) on the Register pursuant to Section 13.15. All Term Loans purchased pursuant to Section 2.19 and 2.20 shall be immediately and automatically cancelled and retired, and the Lead Borrower shall in no event become a Lender hereunder. To the extent of any assignment to a Borrower as described in this clause (c), the assigning Lender shall be relieved of its obligations hereunder with respect to the assigned Term Loans.

(d) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Term Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrowers), any Lender which is a fund may pledge all or any portion of its Term Loans and Notes to its trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (c) shall release the transferor Lender from any of its obligations hereunder.

(e) Each Lender acknowledges and agrees to comply with the provisions of Section 13.04 applicable to it as a Lender hereunder.

(f) Each Sponsor Affiliate, solely in its capacity as a Lender, hereby agrees, and each Sponsor Affiliate Assignment and Assumption shall provide a confirmation, that, if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law now or hereafter in effect (”Bankruptcy Proceedings”), (i) such Sponsor Affiliate shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Sponsor Affiliate’s claim with respect to its Term Loans (a "Claim") (including, without limitation, objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise,
or plan of reorganization) so long as such Sponsor Affiliate is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including, without limitation, voting on any plan of reorganization), the Term Loans held by such Sponsor Affiliate (and any Claim with respect thereto) shall be deemed to be voted by such Sponsor Affiliate in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliates, so long as such Sponsor Affiliate is treated in connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders. For the avoidance of doubt, the Lenders and each Sponsor Affiliate agree and acknowledge that the provisions set forth in this Section 13.04(f) constitute a “subordination agreement” as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code, and, as such, would be enforceable for all purposes in any case where a Credit Party has filed for protection under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect applicable to Credit Party. Except as expressly provided in this Section 13.04(f), the provisions of this Section 13.04(f) shall not be applicable to any Debt Fund Affiliate.

(g) If any Borrower wishes to replace the Term Loans or Commitments with Term Loans or Commitments having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days’ advance notice to the Lenders of such Term Loans or holdings such Commitments, instead of prepaying the Term Loans or reducing or terminating the Commitments to be replaced, to (i) require such Lenders to assign such Term Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 13.12 (with such replacement, if applicable, being deemed to have been made pursuant to Section 13.12). Pursuant to any such assignment, all Term Loans and Commitments to be replaced shall be purchased at par (allocated among the applicable Lenders in the same manner as would be required if such Term Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 2.08. By receiving such purchase price, the applicable Lenders shall automatically be deemed to have assigned such Term Loans or Commitments pursuant to the terms of an Assignment and Assumption Agreement, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this paragraph are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

The Administrative Agent shall have the right, and the Lead Borrower hereby expressly authorizes the Administrative Agent, to provide to any requesting Lender, the list of Disqualified Lenders provided to the Administrative Agent by the Lead Borrower and any updates thereto. The Borrower hereby agrees that any such requesting Lender may share the Disqualified Lenders with any potential assignee, transferee or participant. Notwithstanding the foregoing, each Credit Party and the Lenders acknowledges and agrees that the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions of this Agreement relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

13.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrowers or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.
13.06 Payments Pro Rata.

(a) The Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of any Credit Party in respect of any Obligations of such Credit Party, it shall, except as otherwise provided in this Agreement, distribute such payment to the Lenders (other than any Lender that has consented in writing to waive its pro rata share of such payment) pro rata based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker’s lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Term Loans or Fees, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all of the Lenders in such amount; provided that if all or any portion of such excess amount is thereafter recovered from such Lender, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 13.06(a) and (b) shall be subject to (x) the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders, (y) the express provisions of this Agreement which permit disproportionate payments with respect to various of the Tranches as, and to the extent, provided herein, and (z) any other provisions which permit disproportionate payments with respect to the Term Loans as, and to the extent, provided therein.

13.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with U.S. GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto); provided that (i) except as otherwise specifically provided herein, all computations of Excess Cash Flow and the Applicable Margin, and all computations and all definitions (including accounting terms) used in determining compliance with Section 9.14, shall utilize U.S. GAAP and policies in conformity with those used to prepare the audited financial statements of the Lead Borrower referred to in Section 5.01(a)(i) for the fiscal year of the Lead Borrower ended December 31, 2015 and, (ii) to the extent expressly provided herein, certain calculations shall be made on a Pro Forma Basis; provided further, that if the Lead Borrower notifies the Administrative Agent that the Lead Borrower wishes to amend any leverage calculation or any financial definition used therein to implement the effect of any change in U.S. GAAP or the application thereof occurring after the Closing Date on the operation thereof (or if the Administrative Agent notifies the Lead Borrower that the Required Lenders wish to amend any leverage test or any financial definition used therein for such purpose), then the Lead Borrower and the Administrative Agent shall negotiate in good faith to amend such leverage test or the definitions used therein (subject to the approval of the Required Lenders) to preserve the original intent thereof in light of such changes in U.S. GAAP; provided, further that all determinations made pursuant to any applicable leverage test or any financial definition used therein shall be determined on the basis of U.S. GAAP as applied and in effect immediately before the relevant change in U.S. GAAP or the application thereof became effective, until such leverage test or such financial definition is amended. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to Statement of Financial Accounting Standards 141R or ASC 805 (or any other financial accounting standard having a similar result or effect).

(b) All computations of interest (other than interest based on the Prime Rate) and other Fees hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or Fees are payable. All computations of interest based determined by reference to the Prime Rate shall be based on a 365-day or 366-day year, as the case may be.

(c) The calculation of any financial ratios under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-down if there is no nearest number).
13.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL

(a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions) the Subsidiaries Guaranty and the Security Documents in accordance with the provisions hereof and thereof without the consent of the other Credit Parties party thereto or the Required Lenders), provided that no such change, waiver, discharge or termination shall (i) without the prior written consent of each Lender directly and adversely affected thereby, extend the final scheduled maturity of any Term Loan or Note, or reduce the rate or extend the time of payment of interest or Fees thereon; except (x) in connection with applicability of any post-default increase in interest rates and (y) extensions expressly permitted by Section 2.14, reduce or forgive the principal amount thereof, (ii) except as otherwise expressly provided in the Security Documents, release all or substantially all of the Collateral under all the Security Documents without the prior written consent of each Lender, (iii) except as otherwise provided in the Credit Documents, releases all or substantially all of the value of the Guaranty without the prior written consent of each Lender, (iv) amend, modify or waive any provision of this Section 13.12(a) or Section 13.06 (except for technical amendments with respect to additional extensions of credit pursuant to this Agreement which afford the protections to such additional extensions of credit of the type provided to the Initial Term Loans on the Closing Date), in each case, without the prior written consent of each Lender directly and adversely affected thereby, (v) reduce the percentage specified in the definition of Required Lenders without the prior written consent of each Lender (it being understood that, with the prior written consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Majority Lenders on substantially the same basis as the extensions of Term Loans and Commitments are included in the determination of the Required Lenders, as applicable, on substantially the same basis as the extensions of Initial Term Loans are included on the Closing Date), (vi) consent to the assignment or transfer by the any Borrower of any of its rights and obligations under this Agreement without the consent of each Lender or (vii) amend Section 2.14 the effect of which is to extend the maturity of any Term Loan without the prior written consent of each Lender directly and adversely affected thereby; included on the Closing Date) or (6) without the consent of the Supermajority Lenders of the relevant Tranche, amend the definition of Supermajority Lenders (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Supermajority Lenders on substantially the same basis as the Initial Term Loans and Initial Term Loan Commitments are included on the Closing Date; and provided further that only the consent the Administrative Agent shall be necessary for amendments described in clause (y) of the second proviso contained in clause (vi) of the definition of “Permitted Junior Loans.”

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (v), inclusive, of the first proviso to Section 13.12(a), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Lead Borrower shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clauses (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders with one or more Replacement Lenders pursuant to Section 2.13 so long as at the time of such replacement, each such Replacement Lender consents to the proposed change, waiver, discharge or termination or (B) terminate such non-consenting Lender’s Commitments and/or repay the outstanding Term Loans of each Tranche of such Lender in accordance with Section 5.01(b), provided that, unless the Commitments that are terminated, and Term Loans repaid, pursuant to the preceding clause (B) are immediately replaced in full at such time through the addition of new Lenders or the increase of outstanding Term Loans of existing Lenders (who in each case must specifically consent thereto), then in the case of any action pursuant to preceding clause (B) the Required Lenders (determined after giving effect to the proposed action) shall specifically consent thereto, provided, further, that in any event the Lead Borrower shall not have the right to replace a Lender, terminate its Commitments or repay its Term Loans solely as a result of the exercise of such Lender’s rights (and the withholding of any required consent by such Lender) pursuant to the second proviso to Section 13.12(a).

(c) Notwithstanding anything to the contrary contained in clause (a) of this Section 13.12, the Borrowers, the Administrative Agent and each Incremental Term Loan Lender may, in accordance with the provisions of Section 2.15 enter into an Incremental Term Loan Commitment Agreement, provided that after the execution and delivery by the Borrowers, the Administrative Agent and each such Incremental Term Loan Lender of such Incremental Term Loan Commitment Agreement, such Incremental Term Loan Commitment Agreement, may thereafter only be modified in accordance with the requirements of clause (a) above of this Section 13.12.

(d) Notwithstanding anything to the contrary in clause (a) above of this Section 13.12, this Agreement may be amended (or amended and restated) (i) with the written consent of the Required Lenders, the Administrative Agent and the Borrowers, (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loan and the accrued interest and fees in respect thereof and (y) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and (ii) with the written consent of the Administrative Agent, the Borrowers and the Refinancing Term Loan Lenders, this Agreement and the other Credit Documents shall be amended (or amended and restated) in connection with any refinancing facilities permitted pursuant to Section 2.18.

(e) Notwithstanding anything to the contrary herein, any fee letter may be amended, or rights and privileges thereunder waived, in a writing executed only by the parties thereto.

(f) Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable law, such Lender will not be entitled to vote in respect of amendments, waivers and consents hereunder and the Commitment and the outstanding Term Loans or other extensions of credit of such Lender hereunder will not be taken into account in determining whether the Majority Lenders, the Required Lenders or all of the Lenders, as required, have approved any such amendment, waiver or consent (and the definitions of “Majority Lenders” and “Required Lenders” will automatically be deemed modified accordingly for the duration of such period); provided that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.
Further, notwithstanding anything to the contrary contained in this Section 13.12, if following the Closing Date, the Administrative Agent and any Credit Party shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents, then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

For the avoidance of doubt, any increase, extension or renewal of this Agreement shall be subject to flood insurance due diligence and flood insurance compliance in accordance with Section 9.03 hereeto and otherwise reasonably satisfactory to all Secured Creditors.

13.13 Survival. All indemnities set forth herein including, without limitation, in Sections 2.10, 2.11, 5.04, 12.07 and 13.01 shall survive the execution, delivery and termination of this Agreement and the Notes and the making and repayment of the Obligations.

13.14 Domicile of Term Loans. Each Lender may transfer and carry its Term Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Term Loans pursuant to this Section 13.14 would, at the time of such transfer, result in increased costs under Section 2.10, 2.11 or 5.04 from those being charged by the respective Lender prior to such transfer, then the Borrowers shall not be obligated to pay such increased costs (although the Borrowers shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

13.15 Register. The Borrowers hereby designate the Administrative Agent to serve as their agent, solely for purposes of this Section 13.15, to maintain a register (the “Register”) on which it will record the Commitments from time to time of each of the Lenders, the Term Loans made by each of the Lenders and the stated interest on, and each repayment in respect of the principal amount of, the Term Loans of each Lender. Holdings, each Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement (and the entries in the Register shall be conclusive absent manifest error for such purposes), notwithstanding notice to the contrary. With respect to any Lender, the transfer of the Commitments of, and the principal (and interest) amounts of the Term Loans owing to, such Lender and the rights to the principal of, and interest on, any Term Loan made pursuant to such Commitments shall not be effective until such transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Commitments and Term Loans and prior to such recordation all amounts owing to the transferor with respect to such Commitments and Term Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Commitments and Term Loans shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 13.04(b). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Term Loan, or as soon thereafter as practicable, the assigning or transferor Lender shall surrender the Note (if any) evidencing such Term Loan, and thereupon one or more new Notes in the same aggregate principal amount shall be issued to the assigning or transferor Lender and/or the new Lender at the request of any such Lender. The registration of any provision of Incremental Term Loan Commitments pursuant to Section 2.15, shall be recorded by the Administrative Agent on the Register only upon the acceptance of the Administrative Agent of a properly executed and delivered Incremental Term Loan Commitment Agreement. Coincident with the delivery of such Incremental Term Loan Commitment Agreement for acceptance and registration of the provision of an Incremental Term Loan Commitment, as the case may be, or as soon thereafter as practicable, to the extent requested by such Incremental Term Loan Lenders, Term Notes shall be issued, at the Lead Borrower’ expense, to such Incremental Term Loan Lenders, to be in conformity with Section 2.05 (with appropriate modification) to the extent needed to reflect the Incremental Term Loan Commitments, and outstanding Incremental Term Loans made by such Incremental Term Loan Lender.
13.16 **Confidentiality.**

(a) Subject to the provisions of clause (b) of this Section 13.16, each Agent, Lead Arranger and Lender agrees that it will use its commercially reasonable efforts not to disclose without the prior consent of the Lead Borrower (other than to its affiliates and its and their respective directors, officers, employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender’s holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender (or language substantially similar to this Section 13.16(a)) any information with respect to any Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 13.16(a) by such Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any prospective or actual direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty’s professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 13.16 (or language substantially similar to this Section 13.16(a)), (vii) to any prospective or actual transferee, pledgee or participant in connection with any contemplated transfer, pledge or participation of any of the Notes or Commitments or any interest therein by such Lender and (viii) has become available to any Agent, the Lead Arranger, any Lender, or any of their respective Affiliates on a non-confidential basis from a source other than Holdings, any Borrower or any Subsidiary thereof, and which source is not known by such Person to be subject to a confidentiality restriction in respect thereof in favor of each Borrower or any Affiliate of such Borrower, provided that such prospective transferee, pledge or participant agrees to be bound by the confidentiality provisions contained in this Section 13.16 (or language substantially similar to this Section 13.16(a)); provided, further, that, to the extent permitted pursuant to any applicable law, order, regulation or ruling, and other than in connection with credit and other bank examinations conducted in the ordinary course with respect to such Lender, in the case of any disclosure pursuant to the foregoing clauses (ii), (iii) or (iv), such Lender will use its commercially reasonable efforts to notify the Lead Borrower in advance of such disclosure so as to afford each Borrower the opportunity to protect the confidentiality of the information proposed to be so disclosed.

(b) The Borrowers hereby acknowledge and agree that each Lender may share with any of its affiliates, and such affiliates may share with such Lender, any information related to Holdings, the Lead Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of Holdings, the Lead Borrower and its Subsidiaries), provided such Persons shall be subject to the provisions of this Section 13.16 to the same extent as such Lender.

13.17 **USA Patriot Act Notice.** Each Lender hereby notifies Holdings and the Lead Borrower that pursuant to the requirements of the USA PATRIOT Act Title III of Pub. 107-56 (signed into law October 26, 2001 and amended on March 9, 2009) (the “Patriot Act”), it is required to obtain, verify, and record information that identifies Holdings, each Borrower and each Subsidiary Guarantor, which information includes the name of each Credit Party and other information that will allow such Lender to identify the Credit Party in accordance with the Patriot Act, and each Credit Party agrees to provide such information from time to time to any Lender.

13.18 **Joint and Several Liability.** Each Borrower is jointly and severally liable for the Obligations as a primary obligor in respect thereof. The Obligations of each Borrower are independent of the Obligations of each other Borrower, and a separate action or actions may be brought and prosecuted against any Borrower to enforce this Agreement, irrespective of whether any action has been brought against any other Borrower or whether any other Borrower is joined in any such action.

13.19 **Waiver of Sovereign Immunity.** Each of the Credit Parties, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that Holdings, Borrowers, their respective Subsidiaries or any of their properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the
United States or elsewhere, to enforce or collect upon the Term Loans or any Credit Document or any other liability or obligation of Holdings, the Borrowers or any of their respective Subsidiaries related to or arising from the transactions contemplated by any of the Credit Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, Holdings and the Borrowers, for themselves and on behalf of their respective Subsidiaries, hereby expressly waive, to the fullest extent permissible under applicable law, any such immunity, and agree not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, Holdings and the Borrowers further agree that the waivers set forth in this Section 13.19 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

13.20 Lead Borrower. Each Borrower hereby designates PAE, in its capacity as the Lead Borrower, to act as its agent hereunder. The Lead Borrower may act as agent on behalf of each Borrower for purposes of delivering Notices of Borrowing, and notices of conversion/continuation or similar notices, giving instructions with respect to the disbursement of the proceeds of Loans, selecting interest rate options, giving and receiving all other notices and consents hereunder or under any of the other Credit Documents and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or the Borrowers under the Credit Documents. PAE hereby accepts such appointment. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Lead Borrower shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

13.21 INTERCREDITOR AGREEMENTS.

(a) EACH LENDER PARTY HERETO UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT IT (AND EACH OF ITS SUCCESSORS AND ASSIGNS) AND EACH OTHER LENDER (AND EACH OF THEIR SUCCESSORS AND ASSIGNS) SHALL BE BOUND BY THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT, WHICH IN CERTAIN CIRCUMSTANCES MAY REQUIRE (AS MORE FULLY PROVIDED THEREIN) THE TAKING OF CERTAIN ACTIONS BY THE LENDERS, INCLUDING THE PURCHASE AND SALE OF PARTICIPATIONS BY VARIOUS LENDERS TO EACH OTHER IN ACCORDANCE WITH THE TERMS THEREOF.

(b) THE PROVISIONS OF THIS SECTION 13.21 ARE NOT INTENDED TO SUMMARIZE OR FULLY DESCRIBE THE PROVISIONS OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO THE ABL INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NO AGENT OR ANY OF AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN THE ABL INTERCREDITOR AGREEMENT OR THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT. COPIES OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT MAY BE OBTAINED FROM THE ADMINISTRATIVE AGENT.

(c) EACH OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT IS AN AGREEMENT SOLELY AMONGST THE LENDERS (AND THEIR SUCCESSORS AND ASSIGNS) AND IS NOT AN AGREEMENT TO WHICH HOLDINGS OR ANY OF ITS SUBSIDIARIES IS PARTY. AS MORE FULLY PROVIDED THEREIN, EACH OF THE ABL INTERCREDITOR AGREEMENT AND THE FIRST LIEN/SECOND LIEN INTERCREDITOR AGREEMENT CAN ONLY BE AMENDED BY THE PARTIES THERETO IN ACCORDANCE WITH THE PROVISIONS THEREOF.

128
13.22 Absence of Fiduciary Relationship. Notwithstanding any other provision of this Agreement or any provision of any other Credit Document, (i) none of the Lead Arrangers, the Amendment No. 1 Lead Arrangers or any Lender shall, solely by reason of this Agreement or any other Credit Document, have any fiduciary, advisory or agency relationship or duty in respect of any Lender or any other Person and (ii) Holdings and the Lead Borrower hereby waive, to the fullest extent permitted by law, any claims they may have against the Lead Arrangers, the Amendment No. 1 Lead Arrangers or any Lender for breach of fiduciary duty or alleged breach of fiduciary duty. Each Agent, Lender and their Affiliates may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates.

13.23 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “execute”, “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumption Agreements, amendments or other Notices of Borrowing, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

13.24 Entire Agreement. This Agreement and the other Credit Documents represent the final agreement among the parties and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements among the parties.

13.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Solely to the extent an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(A) a reduction in full or in part or cancellation of any such liability;

(B) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(C) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

14.01 The Guaranty. In order to induce the Agents, the Collateral Agent and the Lenders to enter into this Agreement and to extend credit hereunder, and to induce the other Guaranteed Creditors to enter into Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements in recognition of the direct
benefits to be received by each Credit Agreement Party from the proceeds of the Term Loans and the entering into of such Designated Interest Rate Protection Agreements and Designated Treasury Services Agreements, each Credit Agreement Party hereby agrees with the Guaranteed Creditors as follows: each Credit Agreement Party hereby unconditionally and irrevocably guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors. If any or all of the Relevant Guaranteed Obligations of any Credit Agreement Party to the Guaranteed Creditors becomes due and payable hereunder, such Credit Agreement Party, unconditionally and irrevocably, promises to pay such indebtedness to the Administrative Agent and/or the other Guaranteed Creditors, or order, on demand, together with any and all expenses which may be incurred by the Administrative Agent and the other Guaranteed Creditors in collecting any of the Relevant Guaranteed Obligations. This Credit Agreement Party Guaranty is a guaranty of payment and not of collection. This Credit Agreement Party Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Guaranteed Creditor for repayment or recovery of any amount or amounts received in payment or on account of any of the Relevant Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including any Relevant Guaranteed Party), then and in such event the respective Credit Agreement Party agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Credit Agreement Party, notwithstanding any revocation of this Credit Agreement Party Guaranty or any other instrument evidencing any liability of any Relevant Guaranteed Party, and each Credit Agreement Party shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

14.02 Bankruptcy. Additionally, each Credit Agreement Party unconditionally and irrevocably guarantees the payment of any and all of its Relevant Guaranteed Obligations to the Guaranteed Creditors whether or not due or payable by any Relevant Guaranteed Party upon the occurrence of any of the events specified in Section 11.05, and irrevocably and unconditionally promises to pay such indebtedness to the Guaranteed Creditors, or order, on demand, in lawful money of the United States.

14.03 Nature of Liability. The liability of each Credit Agreement Party hereunder is primary, absolute and unconditional, exclusive and independent of any security for or other guaranty of the Relevant Guaranteed Obligations, whether executed by any other guarantor or by any other party, and each Credit Agreement Party understands and agrees, to the fullest extent permitted under law, that the liability of such Credit Agreement Party hereunder shall not be affected or impaired by (a) any direction as to application of payment by any Relevant Guaranteed Party or by any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Relevant Guaranteed Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment in cash of the Relevant Guaranteed Obligations), or (d) any dissolution, termination or increase, decrease or change in personnel by any Relevant Guaranteed Party, or (e) any payment made to any Guaranteed Creditor on the Relevant Guaranteed Obligations which any such Guaranteed Creditor repays to any Relevant Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Credit Agreement Party agrees that any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (f) any action or inaction by the Guaranteed Creditors as contemplated in Section 14.05, or (g) any invalidity, irregularity or enforceability of all or any part of the Relevant Guaranteed Obligations or of any security therefor.

14.04 Independent Obligation. The obligations of each Credit Agreement Party hereunder are independent of the obligations of any other guarantor, any other party or any Relevant Guaranteed Party, and a separate action or actions may be brought and prosecuted against any Credit Agreement Party whether or not action is brought against any other guarantor, any other party or any Relevant Guaranteed Party and whether or not any other guarantor, any other party or any Relevant Guaranteed Party be joined in any such action or actions. Each Credit Agreement Party waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by any Relevant Guaranteed Party or other circumstance which operates to toll any statute of limitations as to such Relevant Guaranteed Party shall operate to toll the statute of limitations as to the relevant Credit Agreement Party.
14.05 Authorization. To the fullest extent permitted under law, each Credit Agreement Party authorizes the Guaranteed Creditors without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Relevant Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Credit Agreement Party Guaranty shall apply to the Relevant Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Relevant Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Relevant Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(c) exercise or refrain from exercising any rights against any Relevant Guaranteed Party, any other Credit Party or others or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, guarantors, any Relevant Guaranteed Party, other Credit Parties or other obligors;

(e) settle or compromise any of the Relevant Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Relevant Guaranteed Party to its creditors other than the Guaranteed Creditors;

(f) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of any Relevant Guaranteed Party to the Guaranteed Creditors regardless of what liability or liabilities of such Relevant Guaranteed Party remain unpaid;

(g) consent to or waive any breach of, or any act, omission or default under, this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Agreement, any other Credit Document, any Designated Interest Rate Protection Agreement, any Designated Treasury Services Agreement or any of such other instruments or agreements; and/or

(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Credit Agreement Party from its liabilities under this Credit Agreement Party Guaranty.

14.06 Reliance. It is not necessary for any Guaranteed Creditor to inquire into the capacity or powers of any Relevant Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Relevant Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

14.07 Subordination. Any indebtedness of any Relevant Guaranteed Party now or hereafter owing to any Credit Agreement Party is hereby subordinated to the Relevant Guaranteed Obligations of such Relevant Guaranteed Party owing to the Guaranteed Creditors; and if the Administrative Agent so requests at a time when an Event of Default exists, all such indebtedness of such Relevant Guaranteed Party to such Credit Agreement Party shall be collected, enforced and received by such Credit Agreement Party for the benefit of the Guaranteed Creditors and be paid over to the Administrative Agent on behalf of the Guaranteed Creditors on account of the Relevant Guaranteed Obligations of such Relevant Guaranteed Party to the Guaranteed Creditors, but without affecting or impairing in any manner the liability of any Credit Agreement Party under the other provisions of this Credit Agreement Party Guaranty. Without limiting the generality of the foregoing, each Credit Agreement Party hereby agrees with the
Guaranteed Creditors that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Credit Agreement Party Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Relevant Guaranteed Obligations have been irrevocably paid in full in cash.

14.08 Waiver.

(a) Each Credit Agreement Party waives any right (except as shall be required by applicable law and cannot be waived) any right to require any Guaranteed Creditor to (i) proceed against any Relevant Guaranteed Party, any other guarantor or any other party, (ii) proceed against or exhaust any security held from any Relevant Guaranteed Party, any other guarantor or any other party or (iii) pursue any other remedy in any Guaranteed Creditor’s power whatsoever. Each Credit Agreement Party waives any defense (except as shall be required by applicable statute and cannot be waived) based on or arising out of any defense of any Relevant Guaranteed Party, any other guarantor or any other party, other than payment of the Relevant Guaranteed Obligations to the extent of such payment, based on or arising out of the disability of any Relevant Guaranteed Party, any other guarantor or any other party, or the validity, legality or unenforceability of the Relevant Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Relevant Guaranteed Party other than payment of the Relevant Guaranteed Obligations to the extent of such payment. The Guaranteed Creditors may, at their election, foreclose on any security held by the Administrative Agent, the Collateral Agent or any other Guaranteed Creditor by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Guaranteed Creditors may have against any Relevant Guaranteed Party or any other party, or any security, without affecting or impairing in any way the liability of any Credit Agreement Party hereunder except to the extent the Relevant Guaranteed Obligations have been paid. Each Credit Agreement Party waives, to the fullest extent permitted under law, any defense arising out of any such election by the Guaranteed Creditors, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Credit Agreement Party against any Relevant Guaranteed Party or any other party or any security.

(b) Each Credit Agreement Party waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Credit Agreement Party Guaranty, and notices of the existence, creation or incurring of new or additional Relevant Guaranteed Obligations. Each Credit Agreement Party assumes all responsibility for being and keeping itself informed of each Relevant Guaranteed Party’s financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Relevant Guaranteed Obligations and the nature, scope and extent of the risks which such Credit Agreement Party assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any of the other Guaranteed Creditors shall have any duty to advise any Credit Agreement Party of information known to them regarding such circumstances or risks.

14.09 Maximum Liability. It is the desire and intent of each Credit Agreement Party and the Guaranteed Creditors that this Credit Agreement Party Guaranty shall be enforced against such Credit Agreement Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of any Credit Agreement Party under this Credit Agreement Party Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Credit Agreement Party’s obligations under this Credit Agreement Party Guaranty shall be deemed to be reduced and such Credit Agreement Party shall pay the maximum amount of the Relevant Guaranteed Obligations which would be permissible under applicable law.

14.10 Payments. All payments made by a Credit Agreement Party pursuant to this Section 14 will be made without setoff, counterclaim or other defense, and shall be subject to the provisions of Sections 5.03 and 5.04.

14.11 Keepwell. Each Credit Agreement Party that is a Qualified ECP Guarantor (as defined below) at the time the Credit Agreement Party Guaranty or the grant of the security interest under the Credit Documents, in each case, by any Specified Credit Party, becomes effective with respect to any Swap Obligation, hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Credit Party with respect to such Swap Obligation as may be needed by such Specified Credit Party from time to time to honor all of its obligations under this Credit Agreement Party Guaranty and the other Credit

132
Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP Guarantor’s obligations and undertakings under this Section 14.11 voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 14.11 shall remain in full force and effect until the Guaranteed Obligations have been indefeasibly paid and performed in full. Each Qualified ECP Guarantor intends this Section to constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a “keepwell, support, or other agreement” for the benefit of, each Specified Credit Party for all purposes of the Commodity Exchange Act. “Qualified ECP Guarantor” shall mean, in respect of any Swap Obligation, each Credit Agreement Party that has total assets exceeding $10,000,000 at the time the Guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an “eligible contract participant” under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an “eligible contract participant” at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act. A Specified Credit Party means any Credit Agreement Party that is not “an eligible contract participant” under the Commodity Exchange Act (determined after giving effect to this Section 14.11).

This Amendment shall not constitute a novation of the Credit Agreement as in effect immediately prior to giving effect hereto or any of the Credit Documents. (b) From and after the Amendment No. 2 Effective Date, each reference in the Credit Agreement to “this Agreement”, “hereunder”, “hereof”, “herein”, or words of like import, and each reference to the “Credit Agreement” in any other Credit Document shall in each case be deemed a reference to the Amended Credit Agreement as amended hereby. This Amendment shall constitute a “Credit Document” for all purposes of the Credit Agreement and the other Credit Documents.

**ARTICLE V**

**REAFFIRMATION**

Section 5.01 **Reaffirmation.** By signing this Amendment, each Credit Party hereby confirms that notwithstanding the effectiveness of this Amendment and the transactions contemplated hereby, the obligations of such Credit Parties under the Amended Credit Agreement and the other Credit Documents (i) are entitled to the benefits of the guarantees and the security interests set forth or created in the Amended Credit Agreement, the Security Agreement, the other Security Documents and the other Credit Documents, (ii) constitute “Guaranteed Obligations” and “Obligations” for purposes of the

ARTICLE VI
MISCELLANEOUS

Section 6.01 Entire Agreement. This Amendment, the Credit Agreement and the other Credit Documents constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties hereto with respect to the subject matter hereof. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of any party under, the Credit Agreement, nor alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement, all of which are ratified and affirmed in all respects and shall continue in full force and effect. It is understood and agreed that each reference in each Credit Document to the Credit Agreement, whether direct or indirect, shall hereafter be deemed to be a reference to the Credit Agreement as amended hereby and that this Amendment is a Credit Document.

Section 6.02 Miscellaneous Provisions. The provisions of Sections 13.08 and 13.23 of the Amended Credit Agreement are hereby incorporated by reference and apply mutatis mutandis hereto.

Section 6.03 Severability. If any provision of this Amendment is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Amendment shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 6.04 Counterparts. This Amendment may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall constitute an original, but all of which, when taken together, shall constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Lead Borrower and the Administrative Agent.

Section 6.05 Headings. The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.
IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.
